**Learn to Fly!**

Learning to fly an airplane is somewhat more complex than learning to drive a car. That's because you must control altitude (up and down) in addition to left-right movement.

**Discovery Flights**

Experience for yourself the thrill and adventure of "flying an airplane" with a Discovery Flight. You'll learn how airplanes fly, conduct a preflight of a light aircraft, and actually take the controls, all under the guidance of a top-quality instructor.

**DISCOVERY FLIGHT STARTING AT \$99!**

**Flight Academy**

WOSC has contracted with Red River Flight Academy LLC to provide the flight training portion necessary to earn a private pilot certificate under Part 141. This contract of WOSC and RRFA provides the only Part 141 Certified Flight School training in southwest Oklahoma and requires that the student be enrolled in both WOSC and RRFA for the private pilot certification. Enrollment in WOSC Private Pilot Ground School is the first part of the Private Pilot Certification Course. Flight and Simulator Labs can be taken simultaneously with Ground School.

## BLAIR HIGH SCHOOL

**Jordan Adams**

Jordan Adams is the daughter of Jeff Adam's and Melissa Tuttle. While in school, Jordan has been working toward becoming a Certified Nursing Assistant by enrolling in Health Science classes at the Southwest Technology Center. Jordan is active in both high school and technology center organizations. At the technology center, Jordan is an Ambassador and the vice president of Health Occupations Students of America. At Blair High School, she is a member of BETA. Jordan's favorite high school memory is when she moved to Blair and became great friends with everyone in her class. Her advice for the younger students is to enjoy every moment you can with your friends because time will fly by. Jordan's future plans are to go to college and obtain an associate's degree in nursing.

**Ally Angelly**

Ally Angelly is the daughter of Melvin and Stephanie Angelly. She has attended Blair School for 14 years. While in school, Ally has been active in FFA, 4-H, Student Council, and BETA. Ally's favorite high school memory was dressing up for homecoming spirit week each year. Ally's advice to younger students is to make the most of every moment and be involved in as many activities as you can. For example, be in all of the clubs, enter all of the contests, and take advantage of everything that your school has to offer. Ally will be attending Western Oklahoma State College in the fall. She has already signed with WOSC to be a member of their shooting sports team. While at WOSC, she will be studying Animal Science. After completing her degree at WOSC, she plans on attending Oklahoma State University. Ally's future plan is to work in the beef cattle industry after completing college.

**Dominick Benivamonde is**

Dominick Benivamonde is the son of Ricky and Leticia Benivamonde. He is a member of our boys' baseball team. Dominick's favorite memory in school was spending the weekend with all the baseball boys in Enid during their baseball festival. His advice to the younger students is to take nothing for granted and do all you can for as long as you can. His future plans are to help his dad open his plumbing business and then move on to the pipeline.

**Cheyenne Chapman is**

Cheyenne Chapman is the daughter of Shane and Pamela Chapman. Cheyenne has attended Blair School for 6 years. While in school, Cheyenne has been active in FFA shooting sports, basketball and softball. Her favorite high school memory was spirit week her sophomore year when her class did everything to win the spirit stick, and they continued to win it every year after. Cheyenne's advice to younger students is to get more involved because time goes by very fast, and there are many things that you can miss out on. Her future plans are to attend Western Oklahoma State College for two years and then transfer to Southwestern Oklahoma State University to become a Dental Hygienist.

**James S.L. Cooper**

James S.L. Cooper is the son of Brandy Higginbotham. James has been accepted to Nicholls State University where he plans to pursue a 4-year degree in Culinary Arts & Business.

**Brylee Cox**

Brylee Cox is the daughter of William Cox Jr. and Jill Guffey. She has three brothers and a sister. Brylee has been involved in BETA, SWIM, Yearbook, and Student Council. She tutors underclassmen and participates in school functions. Her favorite high school memory is sneaking into Mrs. Tripp's office and highlighting her name for a free day. Brylee's advice to the younger students is to never let anybody tell YOU who YOU are. Her future plans are to receive an associate's degree at WOSC, then seek a bachelor's degree in chemistry on the east coast. She would then like to go to medical school to become an anesthesiologist that specializes in neurosurgery.

**Mayson Love Crow**

Mayson Love Crow is the daughter of George Crow and Stana Powell. Her favorite memories are the ones spent with her friends, like when Ally was cast as the grinch in their sock puppet play, and she had to read in a horrendous voice. Also, when a frog rode all the way back from the Ag Barn on top of her car, and the frog eventually went

to live in someone's office. Mayson's advice to younger students would be to have as much fun as you can while you're in school. Make as many memories as you can and participate in as much as you can. "Looking cool" isn't fun. Being in the middle of the gym acting a fool with your friends is fun, and you'll never get another chance at it. Her future plans are to attend Western Oklahoma State College for two years and then proceed on to either Cameron or SWOSU in pursuit of a degree in psychology, specializing in PTSD.

**Taylor Dav**

Taylor Davis is the daughter of Steven and Crystal Davis. While in school, Taylor has been active in basketball, FFA, BETA, And Student Council. Her favorite high school memory is probably almost every high school basketball game. From cheering in the stands with her friends to the weird concession stand pickles, She loved every minute of it. Her advice to the younger students is to always be yourself and never change for anyone. Just be you and have fun in high school. It goes by quicker than you think. Taylor's future plans are to attend Western Oklahoma State College for 2 years and then further her education at Southwestern Oklahoma State University.

**Faira Dempsey**

Faira Dempsey is the daughter of Samuel and Rebecca Dempsey and granddaughter of Kenneth and the late Georgia Dempsey. While in school, she has been active in everything Blair has to offer. She participated in softball, cheer, and basketball and even served as the mascot for a year. She found a home in FFA by taking part in everything such as, speech, livestock judging, showing, and even tried out for shooter sports. She is valedictorian, BETA president, FFA vice-president, and served on the student council. Also, she was on Blair's academic team, enrolled in AP classes, and was concurrently enrolled at Western. Faira's favorite high school memories were most definitely spirit week. She loved seeing the school and community come together to show our school spirit. Faira wrote, "I could write a whole book of advice to the students who will follow me but to keep it short, make the most out of every moment and give it your all. Take every opportunity you can, do not be afraid to fail, and find the bright side of every dark situation. Run the race of life for the experience, not the trophy. Most importantly, never forget love and compassion brings joy. Love where you are, what you are doing, and the people you are with whether you like it or not. It can all go away sooner than you think." Faira's future plans are to live out God's calling in her life. She wants to finish her degree at Western and see where God takes her. Her career goal is to serve in the ministry full time as a missionary. Faira wrote, "Whether God will choose for me to serve in a church, desert, classroom, or camp is something I will just have to wait to see."

**Samantha Franco**

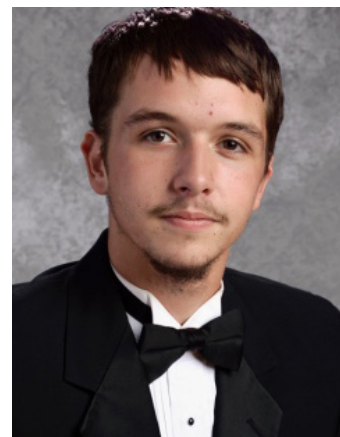

Samantha Franco is the daughter of Medina Franco and stepdaughter of Kevin Newton. While in school, she has been active in FFA, BETA, softball, and attended Southwest Technology Center in the Automotive program. Her favorite memory in school was when the softball team won district last year. Her advice to the younger students is to make everyday a memory. There will be no greater joy than looking back on those memories and seeing the fun you had. Her future plans are to attend Saint Mary-of-the-Woods College in Indiana and complete the Equestrian Studies program.

**Susan Franco**

Susan Franco is the daughter of Medina Franco and the stepdaughter of Kevin Newton. While in school, she has been active in FFA, BETA, Academic bowl, and benchwarmed her way through high school basketball. Susan is the salutatorian of the senior class. Susan's advice for the younger students is to spend as much time with your family as you can because the world only knows where our next steps will take us. Her future plans are to obtain a pre-med degree and go on to medical school to become a developmental-behavioral pediatrician.

**Garret Garner**

Garret Garner is the son of April Garner. While he wasn't in any school organizations, he did enjoy playing basketball with his friends during his free time. His favorite high school memory was getting to smash a car with hammers that the school provided tickets for. His advice to the younger students would be to always work towards your goals, and that the years go by faster than you realize, so enjoy the time you get to spend with your friends. His future plans are to attend Western Oklahoma State College for two years, and then continue on to obtain a degree in business.

**Dillon Kimbrel**

Dillon Kimbrel is the son of Keith and Peggy Kimbrel. Dillon attended Blair school but completed in December through the alternative education program. Dillon has

been a volunteer firefighter sense he turned 16. Dillon is now working full time at Altus AFB vehicle maintenance. Dillon advise to younger students is never let anyone tell you that you won't amount to anything, prove them wrong.

**Jadon Lee**

Jadon Lee is the son of Tim Lee and Peggy Lee. He has attended Blair for 2 years and has helped in janitorial duties and is currently in construction at Southwest Technology Center where he will continue on next year to receive his certification. He is currently using these abilities in remodeling and creativity building to reshape his grandmother's home by painting, flooring, new woodwork and tabletops, and flower boxes. Jadon is also volunteering in the community with painting and replacing siding.

**Keely Ortega**

Keely Ortega is the daughter of Adolfo Ortega and Kasey Summer. Also, she is the stepdaughter of her wonderful step-mother, Miranda Ortega and her great step-father, Joe Summers. While in school, she was a member of BETA, and she attended the Southwest Technology Center for Health Science. Keely's favorite high school memory would have to be going to lunch everyday with her good friends. Her advice for the younger students is that being lazy is stressful, so just show up for school. After she graduates, Keely's future plans are to work in the Mangum hospital as a CNA while attending Western Oklahoma State College to get her associate's degree in nursing, and then she plans to continue her education at Cameron University.

**Thomas G Tutten III**

Thomas G Tutten III (Rhett) is the son of Dusty and Heather Tutten. He has attend Blair School for 14 years. Rhett has been active in basketball and FFA. His favorite memories are draining buzzer-beater three-pointers on the basketball courts. Pistols Firing! Rhett's advice to younger students is to live life to the fullest and to dance every moment you can! Rhett is so thankful to be blessed with the many, many friends he has made through the years. Rhett's plans are to raise cattle on the family farm with his sister, Ali Jo and nephew, Ridge Mcrae.
