We have had a good season so far, and now that Mother's Day is past the season is winding down bit by bit. Unlike last year, we still have a good amount of bedding plants, hanging baskets, and specialty annuals remaining. We also have lots of tomatoes, etc left. We have a ton of succulents left, so we will start marking those down this week, as well as other things we are obviously long on. It has been unseasonably cool, we hope everyone's plants are adapting to the cold nights we are having. Come see us!

Directions: Go west on 18 to Ballard. Turn south on BB. BB winds around and intersects D, turn back west on D. Four or five miles down D you will see my large sign on county road 7003, turn north there. Google me for a map. 8587 NE County Road 7003 **816-297-2502**
