FROM SOCCER TO SWIMMING, Clinton Parks & Recreation offers programs to keep the community involved year-round! Above is Andrew Mullen driving to the goal and Aquatic Supervisor Ann Drury testing water temperature in preparation for the pool's opening day.

Gibson Hired On At GVMH

Golden Valley Memorial Healthcare (GVMH) is pleased to welcome Derry Gibson as its Patient and Staff Support Liaison.

As the Patient and Staff Support Liaison, Gibson promotes the health, wellness and psychosocial well-being of patients and visitors, as well as the professional development and retention of employees and students. Gibson is also responsible for facilitating spiritual care services to patients and their families. In addition, he provides oversight to the volunteer chaplain program and assists Hospice Services with chaplain services.

Gibson received a Master of Arts degree **GVMH PG. 3**

Parks & Recreation Assembles Activities For Summer Of Fun!

Luke Edwards
News Editor

When it comes to Parks and Rec, there are plenty of programs going on year-round. "Well, pickle ball is going crazy," said Brad Combs, Parks and Rec Director for the City of Clinton. "I think there

are 40 - 50 players. It's become very popular."

That is just one of the things that has taken off in recent years, but there is so much more that indicates summer is on the way. For one, the outdoor pool is filled and geared up to open the Saturday of Memorial Day Weekend. Ann Drury, all

things aquatic at Clinton Parks and Rec (she is the director) said, "I want some heat!" Like most others, she is ready for summer. The Clinton outdoor pool is presently a little too chilly to jump in for a swim. At temps hovering around the mid 60° F mark, she'd like it to read 70° F before she moves the indoor

Aquatic Center aerobics to the outdoor pool. This year, that may be a few weeks after the official opening of the pool - which, by the way, is the Saturday before Memorial Day. She is also waiting for the temperatures to come up a little so she can finish

SFCC Lady Roadrunners Earn MCCAC Accolades

The State Fair Community College (SFCC) softball team has announced three student-athletes have earned postseason accolades from Region 16 and the Missouri Community College Athletic Conference. The awards were voted on by the coaches in the region and in the conference.

"All three of the student-athletes had their ups and downs this season," said Lady

SFCC PG 3.

Role Of Recycling And Waste In Henry County

TRASH DISPOSAL WORKERS provide a much needed service in Henry County.

Residents of Clinton are pretty well covered by several solid waste disposal companies who pick up residential and business trash on a regular basis. But, despite efforts of other businesses to help the environment by recycling some of our trash, recycling is on a downward trend.

Ozark Disposal, out of Warsaw, picks up a lot of Henry County's trash, and E&B Trash Service, located in Deepwater, picks up trash all over Clin-

Seniors Sent Off In Spectacular Fashion

ENJOYING THEIR LAST DAY, CHS seniors, including Jace King, enjoyed a refreshing spray of water thanks to the Clinton Fire Department.

It is probably one of the most anticipated days of the year for the Clinton Fire Department. When else do they get to spray water on people - mostly

willing - and not for an emergency purpose? The answer: Senior Send Off Day.

On May 21 parents and students gathered

Have I Got A Line For You!
By James Mahlon White

Here's something I didn't know but found out from my old buddy on Locust Street. There's a parrot buried in a cemetery in Deepwater. It was 34 years old and named Robert and belonged to the late Mrs. A.J. Dixon who loved the bird. Just before her death, she asked her sister, a Mrs. Wagner in Miller, MO to care for the bird. Which she did for 11 years. When Robert's spirit took wing, the remains were sent to undertaker Tom Hurst in Deepwater. He sealed the bird in a glass candy jar, then put it in a velvet-lined box for burial beside Mrs. Dixon's grave.

rest of us though, "just lie there and think of the thing we've done wrong." You hit the 50 year mark and the list is getting pretty long. It's a comfort though, to know that I've got lots of company out there when comes to the occasional trips and slips. That's just part of being human, isn't it?

GALACTIC NEWS! China just became the first non American nation to land a spacecraft on Mars. Looks identical to the NASA rover that landed there three months ago. I wonder how much of our technology was stolen for this mission? What's on Mars that everyone wants? Is it good for mankind or a few bank balances? But I do have such negative views at times and the movie Red Dawn comes to mind.

During dinner Sunday night Brother-in-law Steve Lorenz said he was having trouble sleeping at night. When this happens he usually starts rattling around the kitchen at 3:00 AM and fixes blueberry muffins. Not bad for everyone else in the house who wake up at 6:00AM to a nice breakfast. I suspect the

What a difference a year makes, huh? At this time last year, there was peace in the Middle East, our southern border was more secure than at any time in almost two decades and the president of the United States was cutting taxes, not trying to spend \$6 trillion of money we don't have. Perhaps there is no more fitting illustration of the change than the price at the pump. If you've filled up at any time recently, you've probably left the pump a little more frustrated and you've definitely left with a lighter wallet. According to AAA, at this time last year, the average cost of a gallon of gas in Missouri was about \$1.52. Fast forward to today and the cost is \$2.76 a gallon. That's a whopping 82% increase in the cost of fuel in just one year.

With that in mind, I'm gonna go out on a limb and say most folks going to the gas pump these days to fill up their car or truck probably aren't thinking, "this isn't expensive enough," and, "I'd sure like to spend more money on this tank of gas." But, that's exactly what some elected officials in Jefferson City must think is going on because last week, the Missouri General Assembly passed the biggest gas tax increase in state history. This new

law would raise Missouri's gas tax by 2.5 cents a year, starting in October, until the tax hits 29.5 cents per gallon in July of 2025.

It doesn't take a genius to figure out that when gas goes up by 82% in one year, it's going to hit people's budget. It's going to make it harder for them to make ends meet. I'm pretty sure most people's salaries haven't gone up by 82% over last year and I'm fairly certain the cost of other goods and services people need hasn't gone down by 82%. I know the price of food hasn't dropped since last year. I know the cost of a new or used vehicle hasn't gone down. The cost of lumber — have you seen that lately? What gives? Why would some elected officials think it's a good idea, now of all times, to put a bigger tax burden on the people of Missouri?

The answer is certain influential people want the gas tax raised and they know the voters of Missouri don't want higher taxes. So, they did an end-around. They sidestepped the voters. In the Missouri Constitution, there is a provision known as the "Hancock Amendment," which requires voter approval for any tax increases more than a specified amount. A 12.5 cent, per gallon, gas tax increase would trigger

the Hancock Amendment, meaning voters would have to approve it at the ballot. But a 2.5 cent, per gallon, per year, increase — spread out over 5 years — avoids triggering the Hancock Amendment, so it can go into effect without going before voters.

One could maybe make a case for a gas tax increase if our state budget was in trouble, and we didn't have the money to invest in our roads. But that's not the case. The budget the Senate and the House just passed totals about \$35 billion, which is \$5 billion more than the 2020 state budget and likely more than we'll have in future budget years. We have the money to fix our roads and bridges. We just need to prioritize transportation and quit the wasteful spending, giveaways and pet projects.

The bottom line is this is the wrong plan at the wrong time. I wasn't elected to raise the people's taxes. I was elected to look out for the taxpayer. That's what I've done and it's what I will continue to do.

If you have any ideas, questions and concern, please feel free to contact me at the State Capitol: (573) 751-2108, rick.brattin@senate.mo.gov or by writing to Sen. Rick Brattin, Missouri State Capitol, Room 331, Jefferson City, MO 65101.

God bless and thank you for the opportunity to work for you in the Missouri Senate.

Time to call a halt to this typing catastrophe and see what's for lunch. And, as the old prayer goes, "May St. Michael the Archangel defend you in battle." And me too!

Til Next Week:
J.M.W.

LETTER TO THE EDITOR

We would like to thank the law enforcement officers all over the world. Especially the ones in Henry County where we live. We have never seen so much disrespect for the officers in our life.

No one should go to work protecting others and worry if they will get to go home in one piece or not at all.

It is a sad thing when the highest office in the USA willingly talks of de-funding and taking away some of their liability insurance, leaving them like a naked person in a hail storm. It makes them very vulnerable.

If all officers were shown 100% of the respect our son Kevin has for them, their foot would never touch the ground.

Again, Thank You Officers!

Dennis, Patty, & Kevin Winkler Clinton

WHAT WE BELIEVE

We believe reporting the news and events of Henry County is both an honor and a privilege and must be done with fairness and accuracy.

We believe editorial opinion should never be mixed with news reporting.

We believe it is our duty to protect the rights of all citizens regardless of race, creed or economic status.

We believe in supporting projects that make Henry County a better place to live.

SENIORS cont.

in the High School gym; CHS Principal Jerrod Steffens gave some awards out to various students of all grades; there were incentives for exam taking and other classroom related materials – students got gift cards to some local restaurants, one student got a “leave early” certificate, and some others got a surprise grab bag. Then the Senior Awards were given: there were a few state recognitions and a late basketball award (Maddy Allard got her “1,000 career points” ball), and the seniors voted on their own awards (best dancers, best smile, most athletic, etc.). Also important, Bright Futures was recognized (comprised mainly of Compass Health folks) for giving out hot chocolate, cookies, and assisting students throughout the year in a multitude of ways.

But the big moment came: a tunnel was made for the students to walk through (parents and faculty raised hands to form the tunnel), and the seniors were off; it was their last day of high school.

Outside, they were offered ice cream and then asked to hang around for a senior photo; all of them knew what was coming because it is hard to miss the fire truck parked just outside the doors of the school. Some were more willing than others to line up for the photo that Mr. Steffens was trying to stage (within reach of the fire trucks water spray). After a little coaxing, most of the students lined up; Fire Chief Mark Manuel climbed up the extension for the ladder truck (which has a directional water sprayer attached to the bucket atop the ladder). And then it happened: water shot forth and the students reacted in various ways. Some ran, some ran through the water, some just stood there; others stepped backwards out of reach. In any case, all of them got their traditional send off and another year of tradition has been upheld.

SFCC cont.

Roadrunners Head Softball Coach Lyndsey Talbot. “I believe that these awards show their overall body of work and how much they meant to our team.”

Freshman infielder Kelsey Webb of Oak Grove has been named First-Team All-Region as an infielder and First-Team All-Conference. Webb finished first on the team with 63 hits, 10 homeruns, 37 runs scored, 12 doubles, and a .686 slugging percentage. Webb finished second on the team with .412 batting average and 34 RBI. Webb also had

a .455 on base percentage.

“Kelsey Webb being named to the First-Team in the infield is a big deal,” said Talbot. “She was consistent in everything we asked her to do.”

Freshman outfielder Ellie Eckert of Auxvasse was named First-Team All-Conference and Second-Team All-Region in the outfield. Eckert led the team with 10 stolen bases. Eckert led the team with a .423 batting average and tied for the team lead in triples with three. Eckert finished second on the team with 35 runs and 47 hits. Eckert had a .454 on-base percentage.

“Ellie had a great year at the plate for us,” said Talbot. “She broke her finger during the season, so her numbers towards the end of the season were not what she wanted but, I also wanted to make sure that she was able to appreciate what she did during her freshman season in a particularly good region.”

Sophomore infielder Alexis Gilliland of Jefferson City was named Second-Team All-Region as a utility player and Honorable Mention All-Conference. Gilliland played in only 33 games with 98 at bats returning from an injury with 35 hits. Despite the injury, Gilliland still finished fourth on the team with a .357 batting average and third on the team with eight home runs, eight doubles and 30 RBI.

“Alexis has a lot of natural skill,” said Talbot. “You have to have natural skill to overcome the kind of injury she sustained. I’m looking forward to her having a healthy summer. When she is out there, she is one of the most competitive people on the team.”

GVMH cont.

in pastoral care and counseling from Lincoln Christian Seminary in Lincoln, Illinois and a Bachelor of Theology degree from Ozark Christian College in Joplin, Missouri. He is also board certified through the Spiritual Care Association.

“It is my pleasure to welcome Derry to GVMH,” said Rachel Boyles, Executive Director of Home Based and Therapy Services. “Derry has extensive experience and I am confident that he will excel in this role to provide support to our patients and staff, as well as chaplain services.”

For more information on GVMH, visit gvmh.org and follow them on social media @chooseGVMH.

PARKS cont.

training her lifeguard staff for the summer. The Artesian pool has eight lifeguards and one manager.

Drury said Swim

Team will be back in full force this year, too, with a full competitive schedule. Swim Team starts June 1. The outdoor pool has a great concession stand – nachos, pretzels, and, of course, snow cones. Also at the outdoor pool are the water slides, the spray park (a big hit) and the baby pool/splash park. Family nights at the pool this summer are Mondays and Wednesdays from 5 p.m. – 8 p.m. at \$3 per person. Individual swimming lessons will be available after May 31 – just call (660) 885 – 4300 to arrange those. But the big opening is May 29: open swimming is from 1 – 8 p.m., daily admission (3+) is \$4 per person. Season pool passes (3+) are \$300 per person. Lap swimming is from 6 a.m. – 7:15 a.m. on Mondays and Wednesdays, and Tuesdays and Thursdays from 6 a.m. – 9 a.m. (\$4 admission). The pool will be open Saturdays and Sundays from 1 – 5 p.m. for open swims, too. Clinton is fortunate to have the outdoor pool: it is one of the few Olympic sized pools in the area. It was reported that Harrisonville may not even be opening their outdoor pool this year.

Of course, the shelter houses and restrooms at the Artesian Park have gotten a face-lift: there are new roofs on the shelter houses and the restrooms have news sinks and stalls. At Artesian, disc-golf is picking up and there are plans in the works to add a back-nine to the existent course. Also at Artesian, the tennis courts will be getting re-surfaced and painted – all great summer activities. The city is even exploring grants to have the walking trail at the Artesian Park paved to make it more appealing to use and reduce maintenance.

There is coach pitch, T-ball, and Girls division I and II baseball going on; right now, only the girl’s division has any room left. The youth ball programs (under the Parks and Rec umbrella) already have a couple of hundred players and almost 20 teams formed. That starts the first week of June.

As the days of summer wear on, however, a lot of people will move their activities indoors to beat the heat: the indoor track at the Community Center will get busier in that regard. Looking for something else? A pick-up game of basketball is held every Tuesday and Thursday morning at the Community Center at about 6:15 a.m.. “There is a group of men who have been doing that for many, many years,” said Desty Haddock, who (wo) man’s the front desk at the Community Center.

There are aerobics classes, Tai Kwon Do classes, and newly added: a boxing class. TKD is on Thursdays from 6:30 – 7:30

and taught by John French; aerobics classes in May include “Fun and Fit with Kisha” (Kisha Campbell), Monday and Wednesdays, 8:30 – 9:30 a.m. at \$6 per class; “Body and Soul” (taught by Lora Rucker) on Mondays and Wednesdays from 5:30 – 6:30 p.m. at \$8 per class; “Rise & Shine Yoga” taught by Teri Williams which is on Tuesday and Thursdays from 5:45 – 6:40 a.m. at \$6 per class. She also has private yoga instruction available. The boxing class is Tuesdays and Thursdays from 5:15 – 6:15 p.m. and is taught by Brandon Anderson. There is also a senior exercise program available Tuesdays and Thursdays from 10:15 – 11:15 a.m. taught by Pauline Focannon. The program is through GVMH.

“I think a lot of people forget about the Paws Bark Park, too,” said Desty. For an annual fee of \$5, you can register your dog and let them run around and play for as long as you like. The Paws Bark Park is located just behind the Clinton Aquatic Center portion of the Community Center. And, don’t forget, there is also a skate park just next to the dog park.

“People also tend to forget there are more parks than just the Artesian Park,” said Director Combs. There is Hurt Park (on Main street), the Antioch Park – which along with the Artesian Park, has a horseshoe pit; “It is a neat little park,” said Combs about Antioch. “It has a gazebo, trees, and nice equipment.” He was also quick to point out that the Optimist Park (on Franklin street) also has a little corner park which is located more to the Green Street side. Of course, the Wagoner Field Complex with ballfields and open grassy areas are a favorite spot in the summer, too.

The Clinton Community Center is open from 5 a.m. to 8 p.m., Monday through Thursday, and Fridays from 5 a.m. – 5 p.m. The Community Center closes on Saturdays and Sundays during the summer, but during the week youths can be seen playing basketball in the gym or starting a game of h.o.r.s.e.

“We are really excited to have the youth sports back and all the activities,” said Director Combs. Last year, of course, most of the usual summer activities were canceled, limited, or closed.

The Benson Center will pick up in the summer, too. The Henry County Fair will use that location in late July. The Katy Trail traffic also picks up considerably in the summer. Most folks don’t know that the Community Center allows people to park their campers for free if they are using the trail (you’ll need to register inside) for a multi-day run, hike, or bike ride. If you are just looking for an evening of en-

tertainment, the Men’s Softball league has already started and will run through July 1: there are 8 teams, and most games are played on Tuesdays or Thursdays in the evening with games starting at 6:30 – 8:30 p.m. Tournament play for the league will run through mid-July.

TRASH cont.

ton from 480 to 500 customers. E&B also takes furniture as well as garbage and trash. Golden Valley Disposal, located in Clinton, supposedly handles the majority of trash pickup in Clinton, but the Benton County Enterprise was unable to make contact with owners of the company for information before press time. Much of Clinton’s trash is taken to landfills in Warrensburg or Sedalia.

Although the City of Clinton does not sponsor trash pickup, it offers other services. The Clinton Transfer Station, at 1401 North Washington St, accepts trash from residents who don’t have anyone else picking it up. However, the Transfer Station does not accept chemicals, hazardous materials or yard waste. The City of Clinton Waste Water Department, at 1101 S. Vansant Road, takes yard waste in the form of leaves, grass, and brush that is less than four inches in diameter. It is a free service for Clinton residents, but they must bring in the items to the location on Vansant Road.

Henry County Industries, located at 516 Price Lane, (near the Benson Aquatic Center) handles recycling. Anyone can drop off recyclables at the facility into the bins provided. Some businesses have a membership with the Henry County Industries for pick up on a weekly basis. It takes certain products including paper, cardboard, aluminum and tin cans, plastics 1 and 2, and clothing. Clothing is only accepted during business hours of Monday through Friday, 7:30 AM to 2 PM.

According to <https://e360.yale.edu>, China jammed the works of recycling programs around the world by essentially shutting down what had been the industry’s biggest market. China’s “National Sword” policy, enacted in January 2018, banned the import of most plastics and other materials headed for that nation’s recycling processors, which had handled nearly half of the world’s recyclable waste for the past quarter century. The move was an effort to halt a deluge of soiled and contaminated materials that was overwhelming Chinese processing facilities and leaving the coun-

try with yet another environmental problem.

<https://dnr.mo.gov> reports that recycling only works when there are businesses to buy the collected materials and reprocess them. Much of the material collected in Missouri is delivered to markets outside of the state. The recycling industry is trying to adjust and find other domestic and international markets for our materials. In many instances, sheltered workshops like Henry County Industries, have stopped accepting certain recyclable materials.

Several years ago the Missouri Solid Waste Advisory Board provided an annual report about the importance of keeping organic wastes out of landfills as well as scrap tires, household hazardous waste, and electronics. www.gminsights.com reported that in the majority of cases across the U.S., trash is accrued and disposed of in landfills or incinerators. However, incineration and land filling of waste poses significant threats to the environment. Thus, many states are emphasizing the importance of adoption of sustainable municipal solid waste management programs and practices, with primary inclination toward recycling.

There are methods available to Clinton residents who want recycle more than paper, cardboard and plastic. Old tires are a serious issue, but there are places in the city where they can be taken for recycling. One business is Loyd’s Tire at 922 N. 2nd street, and another is Marolf’s Tire and Radiator Service, at 311 Main Street. The latter shop recycles tires for a service fee of \$2 each. Old tires are picked up from these shops as well other tire businesses by Champlin Tire Recycle out of Concordia, Kansas. This company picks up old tires in 22 states, but mostly in Missouri, Kansas, Nebraska, Iowa, Arkansas and Colorado. It grinds up the tires and makes outdoor furniture such as picnic tables and trail benches, and also makes landscaping mulch. The company also considers itself a state-of-the-art re-treading plant.

www.recycledrubberfacts.org reports that a school in New Bloomfield, Missouri, received \$12,000 from the Missouri Department of Natural Resources Scrap Tire Material Grant, which supplied the district with funds to purchase 23 tables and benches made out of majority recycled tires. The crumb rubber used to make the furniture

2021 CHS Seniors Celebrate Graduation

The 148th CHS graduation ceremony was held Sunday at the CHS gymnasium. A large crowd gathered to see the seniors off. Superintendent Destry Brown introduced the board of education members and administrative staff, and CHS principal Jerrod Steffens also recognized the many guidance counselors and educators who were part of each student's journey.

The Colors were presented by the CHS JROTC, and the National Anthem sung by students MaKayla Garber, Lillian Manuel, and Kyleigh Vanderburg. The honor graduates were recognized by CHS counselor Jamie McCoy.

Cum Laude (3.5 - 3.75 GPA): Matthew Balke, Jasemine Branscombe, Brady Carr, Timothy Elliott, Tia Fannon, Gretchen Harrelson, Morgan Hendrich, Melissa Jackson, Camryn Kemper, Tyler Lawson, Hayley Martinez, Chantelle Miller, Matthew Schockey, Bryanne Smith, RubyRose Summa, Hannah Verhalen, Samuel Winkler, and Sarah Woirhaye

Magna Cum Laude: (3.76 - 3.999 GPA): Maddyson Allard, Victor Chapa, Isaiah Conway, Jessica Crowder, Carter Dye-Mason, Madison Goucher, Lydia Harrison, Mason Huff, Olivia Keily, Alexa Kirk, Tyler Lutjen, Hannah Mallory, Jace Olson, and Imanol Ramirez.

Summa Cum Laude: Alana Alexander, Emma Gover, Hannah Harrelson, Katie Mitchell, and Mackenzie Russell

CHS Counselor McCoy then recognized the students who had enlisted or had plans on enlisting in the military.

The first of two student speeches were given by Katie Mitchell. Mitchell plans on attending the University of Missouri and pursuing a degree in business. She talked about the favorite memories of students from the past four years and distilled lessons from them. She recalled the class failing to correctly yell their "battle cry" rally at a pep assembly, getting their driver's licenses and learning to explore, and doing things that bound

them together as a class: "It is okay to make mistakes," was lesson one, the second lesson was to "listen and explore," and the third lesson was to "live in the moment."

Lydia Harrison gave the second student speech: she plans on attending UCM and pursuing a career in nursing. Harrison told her classmates that the door to CHS was closing, but the door to the rest of their lives was opening. She spoke about the impact of last year's difficulties on the class and how they not only went through a pandemic but excelled even during those difficult times. "Our class will go down in history," she said. She encouraged the students to think about how their experiences will impact them: what would they do with them? "We are a family," she concluded. "Once a Cardinal, always a Cardinal."

The guest speaker, chosen by the students, was Loren Luther - a math faculty teacher at CHS. He told the students he had two pieces of advice he had learned while attending college and deciding what he was going to major in. Or, as he put it: "How I used to be a slacker in college." He described struggling in classes until he happened across a math lab which incidentally got him on a path to teaching - something he loves. "It is never too late to change," was his first bit of advice. He talked about changing majors frequently before settling on education and mathematics. "If you need to reinvent yourself, you can," he said. His second piece of advice was that failure was not the end. He told the students that their failures can often be opportunities and for them to not be afraid to fail: "It is possible to do everything right and still lose," he told them.

Following Mr. Luther's speech, CHS Senior Emma Gover gave the courtesy instructions for those gathered (when to hold applause, etc.) and Principal Jerrod Steffens certified that all 137 Seniors were eligible for graduation. The presentation of the diplomas concluded the ceremony which ended at about 3:15 p.m.

P.E.O. Sisterhood Chapter IU Meeting

FEATURED ABOVE are co-hostesses Vivian Taylor and Dinah Scott, and President Brenda Ford and new member Janet Akers.

Chapter IU of the P.E.O. Sisterhood gathered at Englewood Cemetery on May 13, 2021, at the gravesite of Kelly Hendrich for a lovely Memorial Service which was compiled and led by Debbie Sieger. Kelly's husband, Richard, joined 17 sisters in honoring Kelly. Brenda Ford placed the P.E.O. Star and an arrangement of flowers by her stone. Kelly was an active member of Chapter IU for over 50 years before going to Chapter Eternal a few months ago, and she is missed by all her sisters.

The business meeting, which was held at the Rotary Building, was opened in due form by President Brenda Ford. 18 members answered roll call. Janet Akers was welcomed as a new member to Chapter IU, transferring from Chapter EN. Suzanne Ammons will represent the chapter

Farm Bureau Scholarship

The 2021 high school recipient of the Henry County Farm Bureau Scholarship in the amount of \$500 is Andrew Bailey of Montrose, MO. Andrew is the son of Rick and Liz Bailey. He plans to attend Missouri State University in the Fall and Major in Agriculture Finance.

Health Center Donates AED

Henry County Health Center provided Shawnee R-III School District and Calhoun School District R-VIII new Automated External Defibrillator (AED) system for each location. The purpose of an AED is to help those experiencing sudden cardiac arrest. This lifesaving piece of equipment is another way that HCHC is filling the gaps for Henry County residents.

Clinton Youth Tours County Courthouse

"WHAT TO YOU DO HERE, AGAIN?" Many questions were asked as local 3rd-5th graders toured the County Courthouse, which Deputy Clark Kelly Marriott, Presiding Commissioner Jim Stone, and Commissioner Dale Lawler did their best to answer.

Presiding Commissioner Jim Stone explained, in simplified terms, what the commission did and their role in the county. It was a nice explanation and included things like "overseeing road work" and "paying bills."

"Any questions?" he asked the crowd of wide-eyed youths sitting in the basement of the courthouse in the commissioner's room. A hand shot up in the back: "What is it you do here?" The third grader was perplexed. What was all this nonsense about bridges? The second hand that raised was probably more to the point: "What is a bill?" Good question.

The questions did not get any easier for the courthouse officials and employees which the Clinton Intermediate school kids (3rd - 5th grade) toured on May 13. County Clerk Rick Watson, standing outside showing the kids the repair work going on at the courthouse, handed out some information sheets. One kid noticed the courthouse pictured on the flyer did not quite match up to the one they were looking at in real life: "Why did they take the tower down?" Watson tried to explain that it had become unsafe. The kid still looked like he thought the tower should still be there, though, after the explanation.

County Assessor Scott Largent, for reasons unknown, seemed to have one of the more interesting jobs at the courthouse. You never know what a kid will find fascinating, but it might have had something to do with him being able to pull up an overhead view of any house in the county. Upstairs, 3rd graders climbed around the juror seats, and several kids sat at the prosecution and defense attorneys' tables in front of the judge's bench. They, too, had pressing questions: "Who was the second President of the United States?" Thankfully, Assistant Prosecutor LaChrisha Gray knew the answer. Of

course, explaining that the Judge's room was referred to as a "chamber" solicited a comment: "Scientists use chambers, too," said one kid. When Gray explained that her office was not special and was just called an "office," the same kid worried our AP's feelings might have been threatened and needed a boost: "You are special, too," he told her. Debbie Powell (juvenile office) had the difficult job of explaining the term "juvey" to some of the kids who wanted to know exactly how different "real prison" was from the juvenile detention center. It prompted several questions, however, about the screen at the front of the court room and the microphones hanging down from the ceiling for recording used for the sound system - you know, the important stuff a prosecutor must deal with. It was reassuring that almost every hand in the room was raised when she asked them if they had seen CSI or Law and Order of which neither show depicts a courtroom with any accuracy.

The children in this group, who also toured the Recorder's and Treasurer's offices, were invited to tour the Henry County Museum grounds. At the museum, kids were given a tour of the old schoolhouse; Connie Grisier, dressed appropriately in 19th century schoolteacher attire, explained the slates that children used to write on. Next door, in the old cabin, kids clambered outside when Klein Spangler gave them all permission to ring the bell one time each: of course, they were more than willing to oblige. Following their tour of the cabin and schoolhouse, kids got to go through the museum itself and finish it off with a look at the World War I display.

There were at least two groups of CIS students who toured both the courthouse and museum grounds. There were probably some other good questions asked, too.

Guest Speaker To Attend Men's Breakfast

Aleksey Shcherbina was born in Izmail, Ukraine and migrated with his family to the USA in 1992. After completing his education he has traveled extensively as a gospel missionary for Christ Jesus to many countries including Romania, Moldova, Ukraine, Cuba, Australia, India and Mexico. He has seen the great needs of people enslaved by communism and the need of every Christian to reach out and help. Mr. Shcherbina has a story to tell and he is coming to Clinton on Saturday, May 29 for our next 5th Sat. Men's Breakfast. We'll meet at Dietz Family Buffet at 7:am. We'll enjoy a delicious breakfast, we'll sing and pray together and then lean back and listen to Aleksey's encouraging, challenging message. Pass the word fellas, invite your friends to come hear this special guest speaker.

Barbara Astrid Hess Lasswell

Barbara Astrid Hess Lasswell. September 14, 1935-December 9, 2020

Barbara Lasswell, 85, of Springfield, MO, passed away peacefully December 9, 2020, due to Covid-19 at Mercy Hospital Springfield with family by her side. A celebration of her life will be held Sunday, May 23, 2021, from 2 to 4 p.m. at the Henry County Museum. It would bring joy to her family for friends and loved ones to join them in honoring her memory.

Barbara was born to Helen and John Hess in Humboldt, KS, and grew up in Clinton, MO, where she graduated Clinton Senior High School in 1953. She took a "summer job" as an operator for the Southwestern Bell Telephone Company, and, in 1956, married her sailor, Howard Norman Lasswell. With him in college and her still at the phone company, they started a journey that spanned from Ohio to California and a family that became Barbara's lifetime labor of love. When Norman died in 1973, Barbara moved from Miami, OK, to be near family in their hometown of Clinton, where she raised their six children.

She is survived by those devoted "six" and their families: Julie Ann Burns, Olathe, KS; Kimberly Jane McDowell (Mike), Clinton, MO; Kelly Lynn Moore (Greg), Ozark, MO; Joan Astrid Albrecht, Richmond, VA; Matthew Norman (Angie), Clinton, MO; and Shawn Michael (Kim), Camdenton, MO.

Barbara was known as "Nanny" to her grands and "Big Nanny" to her greats and will be loved and cherished forever by: Neina Bennett Cummings and Drew and Tristin; Sarah Long; Nicholas McDowell (Taylor) and Kennedy; Alexander McDowell (Janelle) and Clover, Linden and Jasten; Joel McDowell; Michael and Kelsey Bollenbach; Lacey Layton (Mark) and Audrey and Barrett; Maddie and Jackson Albrecht; Autumn Lasswell Anderson (Blake) and Baylor; Mason Lasswell; Jake Smith; Dustin Medlin; Amanda Clutter; Chase Lasswell (Katie) and Vivien; and Austin Lasswell.

Barbara is also survived by a large and extended family including her sister Mary Frances Hess Lasswell (Joe), Clinton, MO; and numerous nieces, nephews, and godchildren.

She was preceded in death by her mother, Helen, her father, John, her daughter Linda Lee, her sisters Julie Ann and Suzanne Hess Messer,

her brother, Michael Anthony, and most recently, her sweet great granddaughter Kimber Thomas McDowell.

Resilient, resourceful, brilliant, Barbara could fix anything with a pair of panty hose and duct tape, grow a new plant from the leaf of another, feed seven people for a week with one chicken and an onion, and daily complete the New York Times crossword puzzle, even on Sunday. She celebrated the little things in life – like lightening bugs, autumn leaves, shopping trips, and hair appointments – always looked out for the underdogs and taught her family to do the same.

In her "retirement" in Clinton, she directed the Henry County Museum and worked as a sales associate at J.C. Penney. She loved helping local farmers find the perfect gift for their wives ... on Christmas Eve. Barbara loved nature, food, music, and words. But most of all she loved her family. She will be missed but never forgotten.

Barbara supported Big Brothers and Big Sisters of the Ozarks and their vision for all youth to fulfill their full potential. Memorial contributions may be made to them at:

Big Brothers and Big Sisters of the Ozarks
3372 W. Battlefield Rd. Springfield, MO 65807 <https://www.bigbro.com/>

Barbara received the Anointing of the Sick sacrament from Father Jerome Amaechi, Mercy Hospital in Springfield.

LaVerne L. Lloyd

LaVerne Lucille Lloyd, 79, of Bates City, Missouri passed away Wednesday, May 12, 2021.

LaVerne was born December 19, 1941 in Cape Girardeau, Missouri to Edgar and Frieda (Borgfield) Winkler. She was a member of Shepherd of the Valley Lutheran Church of Oak Grove and was involved also in the LWML and several altar guilds. LaVerne and Jeffrey cared for several foster children through the years. She was a proud secretary at Fairleigh Dickinson University in New Jersey. LaVerne always put family before herself. She loved animals and flowers. She was generous and had a strong faith and prayer life. LaVerne was beloved by everyone.

She was preceded in death by her first husband, Vernon Lorenz in 1970; her parents; and 2 sisters: Dorothy Peetz and Virginia Ulrich.

LaVerne is survived by her husband, Reverend Jeffrey Lloyd, of

the home; 2 daughters: Cindy Cary (Roger) of Deepwater, MO., Kris Reifel (Randy) of Bates City, MO; foster son, Mark Ackerman (Teresa) of Appleton City, MO; brother, Elmer (Bud) Winkler of IL; 4 grandchildren: Christy Bracher (Trevor), Kayla Reifel (Felix); Alexis Reifel (Dayton) and Kylie Ackerman; 1 great-grandchild, Olivia Bracher; several nieces and nephews and family and friends in all the churches that Jeffrey and LaVerne served.

Mildred Maxine (Ingham) Brown

Mildred Maxine (Ingham) Brown was born June 27, 1923 in rural Bates County, Missouri, to John M. and Golden M. (Woirhaye) Ingham.

On December 6, 1941 she was united in marriage to Willis Glenn Brown. He preceded her in death on July 6, 2000. To this union was born two children, Linda Diane Brown and Glenn David Brown.

During World War II, she and Willis moved to California to work in the factories supporting the war effort, and then returned to Missouri. Maxine was a housewife, funeral home assistant, and Avon sales person, retiring in 2016 at the age of 93.

She was a longtime member of Lucas United Methodist Church and a 68-year member of the Order of the Eastern Star.

Maxine was preceded in death by her parents, husband, Willis, two brothers, William Richard Ingham and John Franklin Ingham, her sister, Inez Irene Ingham Schultz, and nephew, Gordon Lee Schultz.

She is survived by her daughter, Linda Diane Brown of Prairie Village, Kansas; son, Glenn David Brown and wife, Janice (McElwain) Brown, of Sugar Land, Texas; granddaughter, Kimberly Dawn Brown of Tulsa, Oklahoma, granddaughter, Jana (Brown) Tyler and husband, Marcus Anthony Tyler, Sr.; and their children, Marcus Anthony Tyler, Jr., and Miles Glenn Tyler all of Richmond, Texas; her brother, Herbert M. Ingham and wife Nora Jean, Grain Valley, Mo.; many nieces and nephews, a host of other relatives, and friends.

Funeral services will be Thursday, May 20, 2021 at the Lucas United Methodist Church, rural Urich, Mo. Pastor Glenda Dethloff will officiate. Interment will be in the Norris Cemetery. The service may be watched the following day from Maxine's Tribute Page at www.bradleyhadley.com. The family will receive friends Wednesday evening from 6:00 to 8:00 p.m. at the Bradley & Hadley Funeral Home, Clinton. The Order of the Eastern Star service will be at 7:00 p.m., Wednesday evening at the funeral home. The family suggests memorial contributions be made to Lu-

cas United Methodist Church or a charity of your choosing. These donations may be left in care of the funeral home. Condolences may be left online at www.bradleyhadley.com.

Death Notices

Jack Eugene Weber, died Tuesday, May 11, 2021.

Randy Wells, 66, of Green Ridge, Missouri, died Wednesday, May 12, 2021.

Curtis and I have two girls graduating this year. Mattie, our oldest, is graduating high school and will be moving off to college soon. Wow, do we feel old. Renae, our youngest, will be graduating pre-school this year. Man, we are old... One starting college and one starting kindergarten. Our emotions are all over the place. To our fellow parents of graduating seniors - Congratulations, you did it! We know your excitement of wondering what the future holds for your graduate. And for our fellow parents who are just beginning this adventure - Cherish every minute. It goes by so fast.

Calhoun United Methodist Church

Welcome to the news of Calhoun United Methodist Church. It is wonderful to be back in church under somewhat normal conditions. Our service is also being filmed for Facebook. We rang the church bell this morning to announce that we are again having services.

Our prayer list includes, Pastor Margie Briggs and Avery, Mary Smarr, Linda Hawkins and family, Linda "Colwell" Scovner, Marie Miller and family, Grace Shockley, Sherrelyn Bell, Jean and Larry Cox, Clyde Pugh, Dave Burson. Special prayers for our country, military men and women, police, first responders, front line workers, and those affected in any way by the pandemic. Prayers were lifted for those incarcerated, addicted, mentally ill, and homeless.

Joys to celebrate: We were pleased to have Pastor Betty Wright fill in for Pastor Margie who is on vacation. Iris Pinkston thanked the church family for cards and calls following the passing of Forrest. We were blessed with a good crowd for Harvesters last Friday; as well as good group of volunteers to help with the distribution. We are thankful for showers to ensure a good garden harvest and beautiful flowers to enjoy.

The 'Welcome Mat' is always out. Come dressed as you are comfortable. Be prepared to receive a blessing for your effort, and we will be blessed by your presence. Thought for the week: Make sure you test positive for faith, keep your distance from doubt, isolate yourself from fear and trust God through it all.

Clinton United Methodist Church

One of my favorite hymns is "He's Always Been Faithful" by Sara Groves. The line, "All I have need of, his hand will provide," connects it to the classic hymn "Great Is Thy Faithfulness." As Groves' song implies, if I stop and look at life in the rear view mirror, all that I've ever needed has been provided by God.

"Therefore since we have been made righteous through his faithfulness combined with our faith, we have peace with God through our Lord Jesus Christ." (Romans 5:1, CEB)

Because of the faithfulness of Emmanuel, God with us, Jesus Christ... through his death on the cross and God's raising him from the dead... we've been given all we need and so much more. Through God's faithfulness and our faith, we are connected with God, now and always.

God is always faithful. Indeed, as Groves sings "His loving compassion, it knows no end. All I have need of, his hand will provide... He's always been faithful to me." My prayer is that this will be your song and mine, now and forever!

Your partner on the journey,

Pastor Steve Blacksher

Join us Sunday mornings for services at 8:15 (in-person, Facebook Live and KDKD).

We currently have Sunday worship service at 8:15 am in-person on Sundays. When you are comfortable doing so, join us. Sunday School for adults and children starts at 9:15 AM. Middle school meet at 4:00 and High school meets at 5:00 on Sundays.

We are currently offering valet parking at our 8:15 service for those that would benefit from fewer steps into church. We are also running the church bus to pick up people who can't or don't want to drive. Please call the church office before Friday at 1:00 to get on the pickup schedule.

Visit our website at www.clintonumc.net to learn all about the Clinton United Methodist Church or call the office at 660-885-5597. We are located at the corner of 4th and Wilson Streets. Guidelines for in-person worship can be found on our webpage or call the office at 660-885-5597. On Sundays, you can also listen to KDKD 95.3 FM at 8:15 AM or check us out on Facebook (UMCClintonMO) at 8:15 for a livestream video. We'd love to have you join us, either on the radio, on Facebook, or in-person as we experience the music and the joy of God's message.

First Baptist Church

Our Sunday morning worship began with a celebration of baptism for Jacob Allen in the early service. Pastor Randy Shipman welcomed the congregation and was followed by Joe Hilty and his reminder of the Sagrada Camp workday that will be this Saturday, May 22nd. Denise Owsley congratulated our graduating Seniors and presented each of them with a Discipleship Journal and a book entitled "Moving On". Pastor Randy recognized and congratulated Russel and Sharon Hendrick in celebration of their 39 years of marriage and Gene and Jan Reid as they celebrate their 51st wedding anniversary. The scripture reading for the morning was Psalm 1 and John 17:6-19. In the message Pastor Randy used James 3:13-18 to remind us that the Apostle James, as he understands wisdom, teaches that wisdom is not what we know but what we do. Proof of wisdom is in our attitude and character.

In June, Mission Fuge Camp for Middle School, 6th-8th grades, will be at Southwest Baptist University in Bolivar, June 14-18. Fuge Camp for High Schoolers will be at the Union University in Jackson, Tennessee from June 21-25. "Sports Crusaders" will be at First Baptist again this year so don't forget to pick up your camp registration forms at the FBC Welcome Center Information Desk or the church office. There will be Basketball, Soccer and Volleyball camps for 3rd-8th grades. Also, Volleyball for 3rd-5th grades.

Vacation Bible School will be held at First Baptist at the Vansant Road location June 27-July 1 from 6-8:30 p.m.

Don't forget 'Celebrate Recovery' meets on Tuesdays at the Vansant Road Campus beginning with worship at 6:30 p.m. and Open Share Small Groups at 7:30 p.m.

For the shut-ins the worship service is aired on KDKD 95.3 at 10 a.m. Sunday mornings. Online worship services continue at this time.

We invite those in the Clinton area who don't have a church home to join us in worship of our Lord and Savior, Jesus Christ. For more information on the activities of FBC, please telephone the church office at (660) 885-2211 or check out the website at www.fbccClinton.org

First Presbyterian Church

A tragic event in American history happened on March 25, 1911, that caused some drastic changes in this nation. A fire at the Triangle Shirtwaist Factory, in New York, claimed 146 lives when the owners locked the exit doors to prevent unauthorized work breaks and theft. Unable to escape the burning building, many leapt from the upper floors to their death. This one disaster led to legislation, that had been non-existent, for factory safety. There were many disasters revealed in the Bible, but none changing lives like the plagues God visited on the Egyptians. These plagues allowed the Hebrew people to flee Egypt and gain their freedom (Exodus, Chapters 7-12).

Congratulations, from the folks at GVCC, to our graduate, Alyssa Tucker. Last Sunday, Kevin Brown visited our worship service, giving us an update of Central Christian College of the Bible, in Moberly, Missouri, and a delicious carry-in lunch was enjoyed--thank you, to all that help make this an enjoyable event. The youth from GVCC will enjoy a bike ride on Saturday, the 22nd, along with a fun time at Artesian Park.

The messages for the coming weeks will focus on the book of Ephesians. Bro Elmer gave an interesting and informative introduction to this book. Bro Elmer informed us that the Temple of Artemis was not only dedicated to the goddess, Artemis, but also served as a bank. There are three questions to ask ourselves as we study Ephesians: 1) What do I need to think or do differently? 2) What do we, as a church, need to think or do differently? 3) Who should I tell what I've learned? This study will help us understand what God wants us to do. (Eph 1:7)

Golden Valley Christian Church meets at 611 South Third Street in Clinton. Sunday Bible classes begin at 9:30 AM, and the morning worship service is at 10:30. Our interim minister is Elmer Fuller, and our website is www.goldenvalleycc.org, where you will also find links to access our Facebook page and YouTube sermons. We are happy to invite you to attend our services, where you will always receive a warm welcome.

Mount Calvary Apostolic Pentecostal Church

Dist. Elder M. Miller

"The Unnecessary"

Matthew 20:29 And as they departed from Jericho, a great multitude followed him.

Matthew 20:30 And, behold, two blind men sitting by the way side, when they heard that Jesus passed by, cried out, saying, Have mercy on us, O Lord, thou Son of David.

Matthew 20:31 And the multitude rebuked them, because they should hold their peace: but they cried the more, saying, Have mercy on us, O Lord, thou Son of David.

We haven't arrived yet at Revelations chapter 22, but from The book of Matthew to Revelations we are in the last days.

Doctrine now days is like instant food, there is no originality to it. It is important to keep the originality although people will tell you it is not needed. People are deceived because of false teachers. Jesus is the only one who can forgive sin, humans cannot.

God tells us in the Bible to be holy because he is holy. In Isaiah it says there is a highway called holiness no sinner can pass over. To be holy means to be set apart for a divine purpose. If you want to be a servant of God you are gonna need to get the Holy Ghost in you.

Some folks say if you have the Holy Ghost you don't need to be baptized. That is untrue. That is not what it says in the original scriptures. Jesus taught the apostles and they built a foundation from the word of God.

Galatians 1:6 I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: (KJV)

Galatians 1:7 Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. (KJV)

There are all kinds of doctrines and foundations out there today that are not the original that was intended to be. People have altered them.

Galatians 3:1 O foolish Galatians, who hath bewitched you, that ye should not obey the truth, before whose eyes Jesus Christ hath been evidently set forth,

crucified among you? (KJV)

All you have to do is study the Bible and allow the Holy Ghost to lead you and guide you.

Galatians 5:4 Christ is become of no effect unto you, whosoever of you are justified by the law; ye are fallen from grace. (KJV)

When we don't use the original, Christ is no longer effective. People have taken him out of the schools, and they have veered so far from the original that the doctrine of Christ no longer has an effect on them. When we are away from the original too long we get away from the truth.

The two blind men at the gate heard about the healings of Jesus and when they heard he was near they yelled out to him to have Mercy on them. People rebuked them by trying to quiet hem.

People wonder about the laying on of hands in church. They say they don't see the move of God. It isn't God, it's people.

God is still doing the same thing today that he did back then. He remains the same, it's the people who have changed.

Consider your ways and do what the Bible says. God Bless.

Trinity Lutheran Church

On Sunday, May 30th, Trinity Lutheran again will once again celebrate a Fellowship Meal! The elders will provide the meat and drinks. Please bring a side dish to share. We are planning to have a picnic-style meal outside, weather permitting.

Our next new member classes will begin Wednesday, June 2 at 6:30 pm at Trinity

Lutheran Church. If you are interested to become a member of our church, or just want to learn more about the Lutheran faith, we invite you to come! Classes are taught by Pastor Kueker.

This Friday at 10:00am the Ladies Bible Study group will resume. We had just begun the study of Joshua the last time the group met, so we will restart this study from the beginning. All women of the church and the local community are welcome and encouraged to attend! If you have any questions please contact Linda Cox (660-885-4822) or Debbie Cosens (660-525-5662).

Do our good works help save us? Heaven forbid, no! Good works never precede faith, but are always and, in every instance, the result of our faith in Jesus Christ, done for the glory of God and the good of mankind. No person can perform good works acceptable to God unless he first believes that God has forgiven him his sins and has given him eternal life by grace, for Christ's sake, without any works of his own. "I am the vine; you are the branches. Whoever abides in me and I in him, it is he who bears much fruit, for apart from me you can do nothing. (John 15.5).

Divine Service, 10 am. SS 9:00 am. Ch. ph. 660-885-4728. Rev. Jesse Kueker, 573.768.5752.

Urich Baptist Church

We were thrilled to gather to worship and glorify our Lord. Today, Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Dixie Collins playing piano.

The scripture passage from Pastor Chad Pollett's sermon was from Ephesians 2: 8-10.

We all were born spiritually dead because of our worldly sin nature. It was God's great love and mercy for us that He sent His Son Jesus to die and rise to heaven for our transgressions.

Through our faith in Him we are forgiven of sins and saved to spend eternity with Him. ("For it is by grace you have been saved, through faith--and this not from yourselves, it is the gift of God--not by works, so that no one can boast." Ephesians 2: 8-9) As believers in Christ we receive God's gift of eternal life. We are truly blessed. Have a great week.

Valley Center United Church of Christ

We gathered today in the name of the Father, Son and Holy Spirit. We are the people of the Resurrection. Our Gospel Lesson from Luke 7: 1-17 finds a Roman Centurion asking one of his servants to find Jesus to heal one of his faithful servants who was very ill. This Centurion recognized the power of Jesus as no one else did. Jesus tells his followers, nowhere in Israel have I seen a faith like this. In these passages Jesus heals the Centurion's servant and heals a widow's only son. These were examples of the love and authority of God, the author and creator of life. In our faith we are always trying to learn and explain these mysteries and wonder in our lives. There are things we cannot explain. Jesus taught, healed, died, and was lifted from the grave for a reason. The Resurrection gives us the proof of His love, grace, forgiveness, wholeness and His power and authority. Jesus came alive so we might do great things. We are lifted up by the grace of God so that we will arise and go and do things to build God's great kingdom. May we always find wonder and mystery in the Resurrection.

Our Mothers were recognized today with prayers of love and grace. We send our congratulations and love to Judy and Art Neuenschwander as they celebrate their 60th Wedding Anniversary on Friday, May 14. Our new updated church directories were handed out. A big thank you to Peg Neuenschwander for updating them. We continue to pray for Kim Meszaros as she continues to struggle with some health issues.

Many attended the celebration of life for Eddie Neuenschwander on Saturday. Eddie was the son of Larry and Doris Jean Neuenschwander, a member of our church and a graduate of Lakeland High School. He passed away after a courageous year-long battle with cancer. We send our prayers and sympathy to his parents, brothers, Jim and Bill and Sister Debbie Vanslyke and their families. His smile and kindness will be missed by his many friends and family.

We ask for prayers for our pastor who has some health issues and is scheduled for surgery on Thursday. He will be absent for 4 weeks. We thank Dr. David Maggi for filling the pulpit for the next 4 weeks.

Our study of Corinthians continues with great interest and discussion. Stephanie served as greeter and closed our service with prayer. Come as you are and worship with us at 9 a.m.

Highway Patrol Report

On May 8 at about 6:30 p.m., Johnny and Karen Hartwick, both age 71 and from Creighton, received serious injuries and were transported to Research Medical Center in Kansas City via Life-flight Eagle following an incident on Mo-7 near NW 501 Road. The crash occurred as their 2017 Ford Mustang travelled off the right side of the roadway and struck a ditch. The vehicle overturned and came to a rest on its top. The incident is being investigated by the Highway Patrol as being precipitated by road rage. The highway patrol is seeking a red Dodge four-wheel drive pickup with an archery sticker in the rear window implicated in the crash.

On May 9, on Mo-18 just south of the Grand River Bridge, Samantha Collins, 18 of Clinton, received minor injuries when she traveled off the right side of the roadway, over-corrected which caused the vehicle to cross over the center line to the left side of the road hitting a bridge wall. After impact, the vehicle returned to the road, crossed the center line to the right side of the road and hitting the side of the bridge before coming to a rest. Collins was transported to GVMH via ambulance.

AREA SPORTS with Sports Editor TIM KOMER

This I Remember

#8 Carmen Rathart: I remember a lot of neat things but I will always remember my freshmen year at a big CHS track meet. I placed 1st in the TJ, the LJ, the 4X200 relay and the HJ, setting a school record. It was obviously an exciting day. (Note: Carmen earned several State Track Medals.)

#9 Casey Duncan: My junior year was quite a year for CHS golf. As a team we went undefeated in the regular season. We also placed 2nd in District and later earned a trip to State. At State

I was matched up against Mike Letzig, a PGA pro now, and tied him with a 75 after the first day. Our team was tied for fourth. After 9 holes on the second day it started to rain. We were making up ground but it ended up being cancelled. We ended up fourth as a team and I got fourth individually. We were bummed but it was something we will always remember together. Casey noted his teammates were Stan Eshelman, Jared Campbell, Jack Wetzel and Brad Noller.

Caleb Smith is escorted by his father Bryant Smith. Caleb is involved in Football, Wrestling and Track. He plans to attend Kansas Wesleyan University to extend his education, major in Sports Medicine and play football.

Kiely Sets Single Season Goal Record

OLIVIA KIELY CELEBRATES with some teammates her record breaking year. She now holds the Cardinal record for the most goals in a single season. It is hard to keep track of sports history in general, especially sports records. A unique value of newspapers is the documentation of historical events without relying on the 'cloud'. With that said, let it be known that in 2021 Olivia Kiely broke the record for the most goals in a single season with 35. The old record was held by Jesse Tyler with 24. The season is not over and I am sure Olivia would like to change that number. Good Luck Olivia and Go Cards!

Congratulations!

Hawthorn Bank Crowned As Champs

THE REC LEAGUE CHAMPS Hawthorn Bank: Front row, Dave Garnett, Linda Martin, Shelbi Aunquoe and Brooke Dunning. Back row, Tim Glasscock, Kathy Garnett, Heather Fowler and Taylor Glasscock

Clinton Track Recognizes Seniors

Matt Balke is being escorted by Jennifer and Jamie Kiely. Matt's parents are Julie and Rod Balke. Matt is involved in NHS, Football, Wrestling and Golf. He plans to attend MU and get an engineering degree while being apart of the ROTC program.

Shanyn Simmerman is escorted by her mother Jen Simmerman. Shanyn is involved in Band (section leader), Track, Softball, Archery and Powerlifting. She plans to attend McKendree University and major in Instrumental Education while competing for their Powerlifting, Softball and Track teams.

William Abraham is escorted by his parents Melissa and Anthony Battaglia. William is involved in Track, FBLA and Epsilon Beta. He plans to attend State Fair Community College to pursue a degree in Computer Science.

Krislyn Brown is escorted by her Grandparents Susan and Richard Reyes. Krislyn is involved in Cross Country and Track. She plans to become a Forensic Scientist and get a degree in Biochemistry.

Carter Dye-Mason is escorted by his mother Roberta Dye, father Mandez Mason and stepmom Kristina Mason. Carter is involved in Band, Track and is the NHS Historian. He plans to attend UMKC for their pre-pharmacy program, major in PharmD and become a licensed Pharmacist.

Brett Wetzel is escorted by his mother Bridgette Simmons. Brett played football and loves being a part of the Cardinals' #1 state ranked, record holding, 4X400 relay team. He plans to enter the workforce and become a successful business owner.

Lady Cards Soccer Falls To Warrensburg Tigers

THE SPEEDY MELISSA JACKSON played winger for the Cards in their match vs. Warrensburg on May 11th, in what was an exciting match.

The (9-12) hard luck Lady Cards dropped another very close, very exciting soccer game to the (10-7) Warrensburg Tigers on Tuesday, May 11 at home. The Cards scored first from a fast break strike from Olivia Kiely at the 20 minute mark in the first half. The two teams were balanced in their attacks but the

Cardinal fans had confidence in their shut-down defenders. (Ava Potter in goal, Alana Alexander, Maddy Allard at center-backs, Emma Gover and Ha-leigh Richman on the outside.) It was 1-0 Cards at the break. The Lady Tigers never gave up and finally broke through the Cards back line to tie the game 1-1 at the

22 minute mark. The Lady Cards have gone through this before. The air was thick with drama. OTs? PKs? They soon found out. Two OTs, even with a ton of action, produced no goals. The Lady Cards were definitely hampered when their center-mid, Allie Caldwell, left the game with a wrist/hand injury. The game was

finally decided with PKs. The Cards scored two of their five shots but the Tigers won the game when they hit their third shot into the back of the net. Bummer. The Cards play Knob Noster Thursday, May 13 on the road before they face the (6-11) Aurora Lady Houns in District play on Monday, May 17 in Bolivar at 5:45 p.m.

Spirit Squad to Hold 13th Annual Tourney

Back 9 Design Disc Golf

Announcing a Disc Golf Meeting: The Clinton Chamber of Commerce and the Tony Komer Foundation has announced a meeting on Monday, May 24 at 5 p.m. at the downtown 'Depot'. If

you are interested in the "Back 9 Design" please come to the meeting. Serious player or recreational, everybody is welcome.

The Revolution Continues

REVOLUTION FC UNITED are having a try-out for their team on June 5 and 6 at the Clinton Soccer Complex from 5:30 to 7 p.m. The birth years are 2008-10. If you are looking for more coaching and more games for your soccer player you may want to check this out. Above is Wyatt Litke on ball and Ethan Newman not far behind.

Cardinal Baseball Season Comes To An End

PAUL SHIELDS slides home in previous action. Even though the season only had six wins there was a lot of action and spirited effort.

Lady Cardinals Come Back To Beat Panthers

THE LADY CARDINALS were happy to have their picture taken after the 4-2 come from behind win over Knob Noster.

You have the Tale of Two Cities and the Tale of Two Halves. The Lady Cards were playing the Knob Noster Panthers on Thursday, May 13. There were clearly two distinct halves. The Cardinals' first half was surprisingly unproductive, in fact the Panthers scored on two successive corner kicks to go up 2-0. Fighting back, Cardinal striker Kinzlie Hager received a ball over the top and scored, but she was called off-sides. The Cardinal fans disagreed. Being down 2-0 and suffering the off-sides call certainly took the Clinton fans out of the game. The Lady Cards, after los-

ing two straight tight games, were hungry for a win. But it looked like another huge disappointment was looming in the wings. With 17 seconds left in the first half the Cards' Olivia Kiely was fouled in the box. Maddy Al-lard was called upon to take the PK. She drilled it into the back of the net to make it 2-1 at the break. Hope was in the air.

The tale of the second half was a different story. We don't know what Coach Guenther and Coach Turner said at half time but it worked. The Cards defense learned how to contain the Panther strikers and the Lady Cards also start-

ed connecting on more offensive passes. Kinzlie Hager and Olivia Kiely, with great runs and assists by Melissa Jackson, put a ton of pressure on the Panther back line. The Cardinal strikers were also being supported by mid-fielders Katie Mitchell and Mercedes Brown. Olivia broke through for three straight scores to make the final score 4-2 Cardinals. A great comeback win. The JV Cards also had an exciting 2-0 win. Their goals came from Mia Bagley and Katryna Preston, both freshmen. Now on to Districts which start on Monday, May 17 in Bolivar.

Cardinal Baseball Takes Tough Loss At Home

Even though the Cardinals collected ten hits to Excelsior Springs's seven, they still fell 5-2 on Friday night, May 7, at home. The Tigers scored in their first at bat but the Cardinals tied things up at one when Tyler Gardner's sac fly scored a run. After Excelsior Springs scored two in the third and one more in the fifth the Cards found themselves in a 4-1 hole. The Cards

answered with one of their own off a Cade Mantonya double, but they could not rally for more. Mantonya took the loss for the Cardinals. He went four and two-thirds innings, allowing four runs on six hits, striking out three and walking seven. Cardinals scattered ten hits in the game. Gage Mantonya, Tyler Lutjen, Cade Mantonya and Paul Shields all managed multiple hits for the Cardinals.

The Cardinals had their district game slip away early and couldn't recover in a 9-2 loss to the Harrisonville Wildcats on Saturday, May 15. The Cardinals struggled to put runs on the board. With the Cardinals down 8-1 after five innings they did score one run in the top of the sixth but the Wild-

cats answered with one of their own. The Cardinals scored when Senior Tyler Lutjen tripled on the first pitch. Gage Mantonya took the loss for the Cardinals. Mantonya lasted six innings, allowing nine hits and nine runs, striking out one and walking two. The Cardinals racked up seven hits in the game.

Hayden McGuire, Lutjen and Mantonya all collected hits for the Cardinals with Lutjen going 2 for 3 at the plate. The Cards finished 6-20, certainly not the season they hoped for but the effort was always there. As always, thanks to the Seniors, we wish them well.

Warrensburg Tigers Prove Too Much For Cards

The Cardinals struggled on the road, May 10, to contain the Warrensburg Tigers' offense, giving up 14 runs on 14 hits. The Cards were actually leading 3-2 in the top of the third but the Tigers rallied big time, scoring eight in their half. The Tigers took and kept the lead 10-3. The Cards fought back with three runs in the top of the fifth to stay in the game 10-6. Cade Mantonya and Tyler Gardner helped produce the needed runs. The Tigers were not done, tacking on four more in the bottom of the fifth. Jake Wirsig took the loss for the Cardinals. He went two and a third innings, allowing seven hits and eight runs, striking out two and

walking three. Paul Shields pitched in relief. The Cardinals offense got six runs on nine hits. Tyler Lutjen and Gardner had multiple hits for the Cardinals. Lutjen went 3-for-4 at the plate to lead the Cards. The Cardinal defense gave up six errors. The (6-18) Cardinals go on the road vs Smith-Cotton on Tuesday, May 11. The Cardinals struggled on the road, May 10, to contain the Warrensburg Tigers' offense, giving up 14 runs on 14 hits. The Cards were actually leading 3-2 in the top of the third but the Tigers rallied big time, scoring eight in their half. The Tigers took and kept the lead 10-3. The Cards fought back with three runs in the

top of the fifth to stay in the game 10-6. Cade Mantonya and Tyler Gardner helped produce the needed runs. The Tigers were not done, tacking on four more in the bottom of the fifth. Jake Wirsig took the loss for the Cardinals. He went two and a third innings, allowing seven hits and eight runs, striking out two and walking three. Paul Shields pitched in relief. The Cardinals offense got six runs on nine hits. Tyler Lutjen and Gardner had multiple hits for the Cardinals. Lutjen went 3-for-4 at the plate to lead the Cards. The Cardinal defense gave up six errors. The (6-18) Cardinals go on the road vs Smith-Cotton on Tuesday, May 11.

Vallentine, Shoemake Win Crappie Masters

MDC Turkey Season Report

MDC reports spring turkey season ended with 34,593 birds harvested. "Top harvest counties for the regular season were Franklin, Texas, and Callaway." The Missouri Department of Conservation shows that turkey hunters checked 31,798 birds during Missouri's 2021 regular spring turkey season, April 19 through May 9. Top harvest counties were Franklin with 710 birds telechecked, Texas with 666, and Callaway with 639. Young turkey hunters also harvested 2,795 birds over the youth weekend, April 10 and 11.

Phillips Beats Friend's State Sunfish Record

Alex Phillips of Ash Grove fishing with his friend, in his friend's boat, at his friend's favorite fishing spot broke his friend's fishing record. Alex

was fishing at Table Rock Lake on April 28, with his friend, Josh Cole, who holds the States' record for a Redear Sunfish with a bow. The record was 1-pound 12-ounces recorded by MDC two years ago. Alex pushed the record up to 2-pound 1-ounce. State fishing records have two categories; pole/line and alternative methods which includes bow-fishing. I wonder if Josh will still take Alex to his favorite fishing hole. Congrats to both.

Lady Cards Take Win In First District Game

THE LADY CARDS were soaked from all the rain but they got the district win 4-0 over Aurora.

The Lady Cardinal soccer team, seeded #4, traveled to Bolivar to play #5 Aurora in the first round of the Class 2 D6 tournament. The score was 1-0 at the half when Kinzlie Hager got a scrambled goal for the Lady Cards. After a long weather delay the second half

found the Cards scoring three more for a 4-0 win. The second half scores came from Maddy Allard, Kinzlie and Olivia Kiely. Olivia and Kinzlie also got credit for assists. Ava Potter was in goal for the Lady Cards. This was the seventh shut-out for the Cardinal defense.

The (10-13) Cards now face the #1 seed (17-6) Bolivar Liberators in the second round on Tuesday, May 18. We will report on this game asap. In other first round action Logan-R beat Monett 3-0 and Osage beat Cassville 8-0.

SFCC Hires Women's Basketball Head Coach

State Fair Community College has named Nicole Collier as the next Head Women's Basketball Coach for the upcoming academic year. Collier brings 20 years of experience at the Division I, Division II, and junior college levels as a student-athlete, assistant coach, and head coach to her new position.

"I am familiar with State Fair," said Collier. "I've been around the region and know Coach Pannier (SFCC Athletic Director) really well. I think he is a great person to work for. Sedalia is a great location and SFCC is a phenomenal college."

Collier comes to Sedalia from Southern Illinois University - Carbondale (SIUC), where she served as the assistant coach and active in that program's recruiting, scouting (of opponents), game planning, scheduling, strength and conditioning, and academics for five years.

Collier's success at SIUC extended off the court and into the classroom, where in 2018-2019 Collier's squad finished 11th in the Women's Basketball Coaches Association Academic Top-25 Honor Roll, the highest in that program's history.

During the 2017-2018 season, SIUC earned the number four seed in the Missouri Valley Conference tournament advancing to the semifinal round, while maintaining a team grade point average of 3.34.

In the 2016-2017 season, Collier helped her team to a 16-15 record and a post season appearance for the second straight season. Southern Illinois also earned inclusion in the WBCA's Top-25 Honor Roll at number 22 with a 3.51 grade point average.

Collier served as the head coach for four years at Lincoln University in Jefferson City. Collier helped her team to two Mid-America Intercollegiate Athletic Association Tournament appearances and led Lincoln to a pair of double-digit win totals. Seven of her student-athletes earned All-MIAA honors and 19 of her student-athletes earned MIAA Academic Honor Roll recognition.

Collier also served as an assistant coach at Lincoln prior to her time as the head coach. Lincoln had two seasons with 12 or more wins during that time, including 15 wins during the 2012-2013 season, which was the second most in a single season in program history.

Prior to Lincoln, Collier served as an assistant coach at Central Missouri from 2004 to 2009. She helped lead her team to a pair of NCAA Regional appearances and five straight 14 or more-win seasons. The Jennies made the conference tournament each season.

Collier began her career as a student-athlete at Jefferson College, where she was a two-time All-American and the first student-athlete to be inducted into the Jefferson College Hall of Fame. Collier transferred to Missouri Western State University in St. Joseph, where she led her team to an MIAA title in 2002 and earned both all-conference and all-region honors. She was later inducted into the Missouri Western State University Hall of Fame.

Coach Collier expects her team to play hard on both ends of the floor.

"We want to be a team that gets up and down the floor in transition," said Collier. "We want to push the ball but, we also want to make sure we take care of the basketball. We want to get out and guard people and create some havoc on the defensive end of the floor."

Collier has an Associate's degree from Jefferson College, an undergraduate degree in Physical Education from Missouri Western State University, and a master's degree in Exercise Science and Sport Administration from the University of Central Missouri.

"I'm very excited about the opportunity at SFCC," said Collier. "I want to thank Dr. Anderson, Dr. Bates, and Coach Pannier for embracing my vision for the program. State Fair traditionally has had a lot of success in women's basketball, and I want to hit the ground running and make this program fun to watch."

First eSports Coach Hired At SFCC

State Fair Community College has named Jacob Coleman as the first eSports Head Coach in school's newest sport. Coleman brings 14 years of experience in eSports including competitions, hosting tournaments, and becoming a partnered Twitch.tv streamer.

"I am looking for students who are in good academic standing, have positive attitudes, and are dedicated to learning and improving their eSports knowledge and ability," said Coleman. "A level of skill of eSports will be a great asset to any student interested in the program."

Coleman has been

trained in communication, leadership, game strategies, and optimization. Coleman brings experience in the business world to his new position at SFCC, along with strong critical thinking skills and the ability to be innovative and detail oriented.

Coleman currently serves as an area manager for the Wal-Mart Distribution Center in Harrisonville, where he manages, motivates, and develops more than 70 associates. Coleman began his work there in June 2017.

Coleman worked as a store manager at GameStop in Lumberton, North Carolina from January 2011 to January 2013. He operated the top performing store in growth every year, was a district manager in training, and the lead store manager in the district. Coleman hired, trained, and developed new talent and team members.

From January 2009 to January 2011 Coleman served as a department manager for the Wal-Mart in Clinton, where he supervised 20 employees and operated multiple departments. Coleman managed and motivated a team.

Coleman earned an Associate Degree in Biology from State Fair Community College and a bachelor's degree from Belleville University in Belleville, Nebraska in Supply Chain Transportation and Logistics Management.

The SFCC esports program's inaugural season will launch next fall.

GVMH Offers COVID-19 Vaccinations

Starting May 19, Golden Valley Memorial Healthcare (GVMH) will be offering COVID-19 vaccines at its Clinton Clinic every Wednesday from 12-4:30 p.m., by appointment only. There is no cost for this service.

At your appointment, you will be scheduled to receive your second dose in 28 days.

Call 660.890.7300 to schedule an appointment.

For more information on GVMH, visit gvmh.org and follow on social media @chooseGVMH.

Monthly Matinee Announced!

Heartland Community Theatre is pleased to announce the latest edition of our upcoming Sunday monthly movie matinee at 2:00 p.m. on Sunday, May 23rd, 2021.

This month's feature presentation is "Gung Ho - Battle Cry of the Marine Raiders!" (1943), starring Ran-

dolph Scott, Robert Mitchum, Alan Curtis, Noah Beery, Jr., J. Carrol Naish and Rod Cameron, just to name a few. This presentation is a true story based upon actual

World War II events and the attack carried out by Marine raiders on Makin Island.

Continuing with our new viewing format, this month's event will also feature chapter 3 of the thrilling 12-chapter serial "Undersea Kingdom", followed by a comedy "short" by the classic duo of Stan Laurel and Oliver Hardy, prior to our feature presentation.

Admission is FREE, along with gourmet popcorn and beverages and as always, we extend a hardy "THANK YOU" and continued appreciation to our patrons who attend our monthly movie matinees, which are scheduled for the fourth Sunday of every month.

Our iWave Air Purifying system recycles air throughout our entire theatre facility, while it removes pollutants and allergens and kills mold, mildew, bacteria and viruses.

Hope to see everyone at the Heartland Community Theatre, 108

North Washington, Clinton, for our matinee event this Sunday afternoon, May 23rd, 2021, at 2:00 p.m.

TRASH cont.

came from Champlin Tire Recycling.

Recycled tires have also been used for running tracks, playground surfacing or colorful, resilient flooring in recreational facilities. They can also be used as slip-proof flooring and mats in agricultural and industrial facilities.

Used metals can be taken to Advantage Metals Recycling in Sedalia at 300 N. Iron Avenue. It accepts washers, dryers, refrigerators, microwaves and old-type dishwashers. It also takes steel door frames, circuit boards, alternators, aluminum cans, copper, glass and more. Payment is available for these items according to the current price per ton value.

Memorial Service To Be Held

The VFW/American Legion will hold a joint Memorial Service on May 31st at 11:00 AM at Englewood Cemetery. Our guest speaker will be Kenneth Goth, Commander of American Legion and retired police officer. First responders will be recognized from the pandemic years.

### NOTICES

Covet the best gift. Miracles, healing prophet is prophesy, just God casting out, out Devil. How do we? It's not just thinking someone has a Devil, you got to see into the spirit world. I was mad and ready to confront her. I saw 3 little white balls come out of her, they move really fast. I set beside her, I said, "Verna, God Showed me you have 3 unclean spirit". She what about you. I didn't have to tell you. Donnie Francis, Jimmy Swaggart, you stran at a nat an swallow a camel. Danial is not a more than calling Jesus a liar. To try to prove Jesus said I will raise you up on the last day. The rapture there. Zachariah 16 times said in that John 6:39, 40, 44, 54. She said what are they? I said one is lying one is imagination. She ran to tell the faith healer who fasted 2 weeks every year. He had the gift to she into the spirit world. I ask her what did he say? He said he is in the line tonight. m20da1tp

### IN THE 27TH JUDICIAL CIRCUIT COURT, HENRY COUNTY, MISSOURI

**Judge or Division:**  
**HAROLD L DUMP II**  
Case Number: 21HE-PR00029  
In the Estate of ANNA RUTH TAYLOR, Decedent.  
**NOTICE OF LETTERS TESTAMENTARY GRANTED (Supervised Administration)**  
To All Persons Interested in the Estate of ANNA RUTH TAYLOR, Decedent:  
On MAY 3, 2021, the last will of the decedent having been admitted to probate, the following individual was appointed personal representative of the estate of ANNA RUTH TAYLOR, decedent by the Probate Division of the Circuit Court of Henry County, Missouri. The name and business address of the personal representative is:  
SUE E. TAYLOR, 715 E. JACKSON, WINDSOR, MO 65360  
The personal representative's attorney's name, business address and phone number is:  
JEFFREY DULL, 1116 E OHIO STREET, CLINTON, MO 64735, (660) 885. 9600  
All creditors of said decedent are notified to file claims in court within six months from the date of the first publication of this notice or if a copy of this notice was mailed to, or served upon, such creditor by the personal representative, then within two months from the date it was mailed or served, whichever is later, or be forever barred to the full extent permissible by law. Such six-month period and such two-month period do not extend the limitation period that would bar claims one year after the decedent's death, as provided in Section 473.444, RSMo, or any other applicable limitation periods. Nothing in Section 473.033, RSMo, shall

be construed to bar any action against a decedent's liability insurance carrier through a defendant ad litem pursuant to Section 537 .021, RS Mo. Date of the decedent's death: 14-NOV-2020 Date of first publication: 13-MAY-2021  
Glenda Hann  
Probate Clerk  
Receipt of this notice by mail should not be construed by the recipient to indicate that the recipient necessarily has a beneficial interest in the estate. The nature and extent of any person's interest, if any, can be determined from the files and records of this estate in the Probate Division of the above referenced Circuit Court. m13,20,27,j3da4tc

## Stock Market Insights

By Dr. Richard L. Baker, AIF®

The U.S. economy is growing quickly, possibly even quicker than expected, as it recovers from the COVID-19 crisis. The Gross Domestic Product (GDP) could grow as high as 8% this year which would be one of the fastest paces in over thirty years.

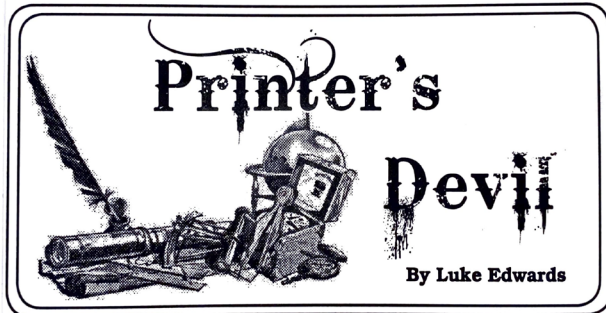

The fast growth this year, along with the central banks' continued quantitative easing has caused some inflationary concerns. To date, the word "inflation" was mentioned 800% more in this quarter's earnings reports than last quarter. This is because businesses are seeing a significant increase in prices which are cutting into earnings. The consumer price index (CPI) has risen, but it isn't expected to stay at that high level. The Federal Reserve, according to their meeting notes, expects the higher prices we are seeing to be "transitory". Whether that is true or not remains to be seen, but either way, we aren't expecting a return to the 1970's level of inflation.

The Federal Reserve has stated it will not raise short-term interest rates until employment has returned to pre-pandemic levels or until it sees rise in inflation as more permanent. Inflation is expected to rise around the world in the coming weeks and months because of supply chain bottlenecks. However, as the economic reopening expands to other states and countries, we should see raw materials and component shortages disappear which should shorten supplier delivery times. If this is the case then inflation is expected to fall to a level that the Fed and other central banks are comfortable with, which would keep them from premature tightening monetary policy.

Performance has been more mixed recently because of a higher-than-expected consumer price report and wholesale price inflation that stirs up investors with inflation worries. It seems everyone is keeping one eye on the inflation numbers and the other eye on how the Federal Reserve might react to it.

Have a blessed week, [www.pciawealth.com/blog/directors-advisors/dr-richard-baker/](http://www.pciawealth.com/blog/directors-advisors/dr-richard-baker/)

Henry County, probably like a lot of other rural areas and counties, has interesting history. Because of the World War I display over at the museum, and some conversations with folks I tend to run into, I get a lot of stories: some of them are credible; some of them are hearsay, but even those may have a grain of truth in them. For instance, I was talking to a guy who was walking and was retold a story about how Puny White and Dan Miles, Sr., while in the Army (World War II), ended up going and taking photos around the Great Lakes area (or, so they supposed – they were asked if they could take photos and when they said they could, were put on a plane and flown to the location). What they photographed were weather balloons. Weather balloons sent from Japan carrying explosives. There are a few other stories I was told about some photos taken by these men, but I'll save them for another time.

The point is, Henry County has a varied history. While perusing the museum for some local World War I stories I ran across John Barkely, a war hero who, not far from the German line, repaired an enemy machine gun, mounted it to a French tank, and survived a barrage of 77-millimeter gunfire and shelling, only to repel a second enemy attack allowing our troops to hold their position. There are a few other Henry County stories from World War I, too.

But, mostly around Memorial Day, my mind drifts back to an overgrown field in Calhoun - a cattle pasture. In an out-of-the-way pasture, mostly forgotten, is a headstone which has been trampled by cattle, has vine growth and saplings surrounding it, and a chain link fence surrounding a portion of the grave site which is now in disrepair. The headstone is old, and it is not even the original one. It was placed there in the early 1900s by the Daughters of the American Revolution to mark the only known Revolutionary Soldier grave in Henry County: William Baylis.

William Baylis was in advanced age when he traveled from Kentucky to Henry County. I can't imagine making the trip at all in the early 1800s let alone being around 70 years old and taking up that long trek:

there were, of course, no roads and travel was slow and difficult in the best of weather and conditions. Nothing was tame or domesticated. And, once you made it to your destination, the real work began – you had a home to build, provisions to prepare, and a daily struggle just keeping food for the hearth.

Bayless was an interesting character, too. Supposedly, he was at the surrender of the British at Yorktown in October of 1781. His recollection of how that went down and how history records are at odds: he didn't remember it being as stately and peaceful affair as was later remembered in paintings and official accounts. Apparently, the British and German soldiers were resentful at the Americans winning a long siege (which had been accomplished by American and French troops) and took no pains to hide that fact. The famous painting of British General Cornwallis surrendering his sword to General Washington with all the men in the painting looking dignified (and some bored) was probably a far cry from what the tone and mood really was.

Some quotes from the Revolutionary War

•“Don't fire unless fired upon, but if they mean to have a war, let it begin here.”

•“What a glorious morning for America!”

•“Don't fire until you see the whites of their eyes!” ...

•“Issue the orders, sir, and I will storm hell!” ...

•“In the name of the great Jehova and the Continental Congress!”

Although there are a lot of news headlines to choose from, my favorite this week involves the creative ways in which COVID vaccinations are being promoted: lotteries, free beer, games, and food are some of the ones I've seen recently from various states trying to entice folks to get their shot(s). But in Bucharest, where the heart of vampire lore lives (Romania), folks wanting to visit the castle famed for being the home of Vlad the Impaler, the original Dracula, doctors and nurses are giving free Pfizer COVID vaccinations out to tourists who visit along with a free admission to the Medieval site. Instead of a puncture hole in your neck, you'll get one in your arm.

Have a great week, folks!

On Friday (May 7th) after I had sent out my weekly report to the media and posted on Facebook, the Chamber and our Ambassador's Committee helped Sherman Heating, Air Conditioning, Plumbing and Appliances celebrate 100 years of doing business! We presented them with a certificate and cake and they presented us with some BBQ. Congrats to everyone associated with Shermans in the past, the present and their future.

The Bass Federation of MO High School Championships was held on Truman Lake on Sat. (5/8). I was at Bucksaw Resort and Marina talking to the students plus their supervisors and some moms and dads on Friday night about everything Clinton and Truman Lake has to offer and giving them reasons to come back to this part of the State in the future. There was some rough weather at the beginning of the Tournament Sat. morning, but then the students were able to fish. They ended up with 46 students and 23 captains participating.

On Wed., I attended the monthly Clinton Main Street Board of Directors meeting. I'd just like to tell you who those folks are that are working to make not just Downtown, but the entire City a better place to live: Barry Glasscock, Allen Huff, Mary Cupp, Diane Hannah, Katie Austin, Cindy Wirsig, Keith Weston, Mark Dawson, Stacy Hinkle and Tina Williams (Director).

On Thursday, the Ambassadors were back at it as this time we were at the Seeds of Faith Preschool to help them celebrate their 10-year anniversary. This is also their second year in their new facility. Find out more about them at [www.seedsoffaihpreschool.com](http://www.seedsoffaihpreschool.com) or call 660-525-4770.

The Ambassador's Committee of the Chamber is putting in work to get the monthly Business After Hours going again after more than a year off due to the pandemic. These events for our Chamber members and guests are scheduled to get underway in June. So far, we will be going to Primitive Olde Crow and Winery, The Eagles Lodge, Powell Meats and Automotive, Oak Star Bank and Henry Co. Mutual Ins.

An important meeting is coming up if you are interested in

seeing the nine-hole disc golf course in Artesian Park become an 18-hole course. Please stop by the Chamber office at 200 South Main for a short meeting. We will talk about how the back nine could look, what our next steps need to be, when work on the course might begin and more. It's our understanding that more people will come to Clinton to play on an 18-hole course rather than just a nine-hole course and fundraising tournaments would be easier to schedule. The meeting is Monday, May 24th at 5pm. Those arriving late are more than welcome to attend! We hope to be done by 6pm.

The Olde Glory Days committee continues to move forward with this year's celebration. Music, the parade, carnival, fireworks, office olympics, kids games, side shows, veteran's dinner, prize drawings and more will be taking place. The Fishin' Magicians show is coming back... look for a Ventriloquist/Comedian and the Kansas City Aerial Show...the Henry Co. Museum and Dorman House will be open...you'll hear the TLC Dulcimers...main stage entertainment includes Funk Syndicate, the Cate Brothers, Dawson Hollow and the Eskimo Brothers... don't forget the Gospel Fest...and so much more! Stay tuned, KaBoom has more to come! OLDE GLORY DAYS 2021: Let's give this a shot! We keep on posting items on the official Olde Glory Days Facebook page and will give you more details as they become available.

The annual fundraising golf tournament presented by the Chamber's Ag Committee is coming up July 24th at the Clinton Country Club. Money raised goes towards the scholarships this committee presents each year. If you would like to sponsor and/or participate, stop by the Chamber or give us a call and we can get you all the details. The annual Ag Dinner and Sale is coming up Aug. 23rd.

It's never too late in the year to sign up to belong to the Clinton Chamber of Commerce. Find out more about belonging to the Chamber by calling 660-885-8166 or email [david@clintonmo.com](mailto:david@clintonmo.com). Anyone can be a member!

People buy Chamber gift certificates to give to friends, family, co-workers, em-

ployee of the month, as a thank you and so many other reasons. Call 660-885-8166 and order your gift certificates. They will be ready when you get here!

It's now the season for the annual Academic Excellence awards and scholarships. So far, a scholarship has been given to a student at Clinton Christian Academy. Clinton High School and Clinton Christian Academy students that have qualified for A.E. will be getting their ribbons and medals...and a few lucky ones will get scholarships, including three at CHS. We sent congratulatory letters to the parents of these students. We are proud to be working with the Clinton School District for the past 30+ years and for the first time, the Chamber is now working with CCA to honor their high school students. If you would like to sponsor this activity, just give us a call before the end of the month.

Each Monday, we are putting a question on our Facebook page you can answer if you'd like. Look for 'WONDERINGS FOR THIS WEEK' and let us know what you think concerning our question each week.

We get about three or four inquires each week, sometimes more, from the public wanting to know about places to rent in Clinton. We do have a list of landlords we give to them or email, but now each Monday on our Facebook page, we will be updating that list to make sure it is accurate and includes more information for folks looking for a place to rent. If you have houses or apartments to rent, make sure the Chamber knows about it so you will be on the list.

Don't forget, if you're a business owner and belong to the Chamber, be sure to update those Facebook pages so we can share your information on the Chamber's Facebook page. If you would like to get involved in moving Clinton forward, just reach out and we'll find the perfect place for you! Be sure like us on Facebook: Greater Clinton Area Chamber of Commerce, and watch for the new website coming soon.

### ABOUT US

Banks Motors quickly established itself as one of the greatest places around to buy pre-owned vehicles and hasn't looked back! In 2017, owners Dana & Courtney Banks launched the family business and were beyond excited to be doing it in Clinton! Dana Banks (a Clinton native himself) loves his hometown and the great people in it. Dana's vision was to provide Quality Pre-Owned Vehicles at Very Aggressive Prices all while making your buying experience Fun and Completely Stress Free! In order to meet these goals Dana & Courtney knew they needed equally driven, knowledgeable and customer-focused employees to make their dreams become a reality. They have that in Shane Simons and Rod and Jill Berry, 3 outstanding professionals with over 40 years of combined experience in the car business.

Shane, Rod and Jill truly value great customer service and treat our customers like family!

Courtney Banks (Owner-Business Manager) oversees the day to day business operations as well as being the dealership accountant. Courtney is an extremely driven, honest and team oriented woman that is constantly working to become better at everything she does!

Shane Simons was raised in the car business and has excelled as an elite sales professional for over 20 years!

Shane is eager to offer his extensive knowledge while helping customers locate the best fit for every scenario.

Rod and Jill have over 20 years combined experience in the car business and are outstanding at what they do! They are true professionals that love this business and truly care about their customers.

Rita Barbee (Receptionist) has over 35 years in the retail business and is the Mother of Dana. Rita has an absolute heart of gold and loves helping in any way she can.

She truly is the "dealership momma!" Rita takes pride in going above and beyond for all of her staff and loves meeting and taking care of all of our amazing customers!

The Banks Motors team is really no different from the great customers they serve. They absolutely love their families and love being involved in community, sporting and activity events. Dana, Shane and Stuart bring over 60 years of combined experience in the car business and are true stand up guys! These men love what they do and take pride in making your buying experience Nice & Easy!

So stop by to take advantage of Great Pricing on Quality Pre-Owned Trucks & SUV's from a very knowledgeable staff that wants to earn your business the Right Way!
