The cemetery behind the Finey Baptist Church has been the final resting place for many of its members and also members of the community. The church was established in 1905. At that time Finey had a general store, post office, school, and church. There are still a few people in the community who attend the Finey school before it closed in the early 1950s. And the Finey church is still going. The hand of God has guided it through generations of members, world wars, depressions, and even a previous pandemic - the 1918 influenza. Over the years the church has been a guiding beacon of hope for the community. The church is committed to the perpetual maintenance of the cemetery out of respect for those lives that lingered in the Finey community or extended their hand while passing through. It is a peaceful memorial to about 75 lives. So the church has set aside a special fund as an endowment for the maintenance of its cemetery. Over the years many have contributed to this fund for the express benefit of the cemetery. The church has a special committee to oversee the maintenance of its cemetery and its endowment. If you would like to join others in perpetuating this Finey landmark we welcome any contributions you can give. On behalf of those who are at peace in their final resting place, who are now silent, we speak their appreciation for your generosity and perpetuating their memory.

Thank you Dan Veach 660 438-9310. Checks can be made out to:

We still have quite a bit left if you have not planted your flower pots and beds yet. We also have some hanging baskets as well as a lot of nice succulent planters and pots. We also have some nice newer tomatoes and peppers, it is not too late to plant them since we just warmed up enough for them to do any good. We have started marking things down that it appears we grew a little too much of. We will be open on Memorial Day. Come see us, it is only a half hour drive to Clinton to our greenhouses.
Directions: Go west on 18 to Ballard. Turn south on BB. BB winds around and intersects D, turn back west on D. Four or five miles down D you will see my large sign on county road 7003, turn north there. Google me for a map. 8587 NE County Road 7003
