The Wood Shed: Master Woodworking & Craftsmanship

GARY AND LINDA REISH, owners and operators of The Wood Shed, can create custom pieces to last a lifetime.

The Wood Shed was established by master craftsman Gary Reish and was originally a small craft store near Truman Lake just west of Warsaw, Missouri. At first, he worked on building crafts and bird houses at night and selling them during the day. Today, it is a successful Super Sales Center for Carolina Carports, Inc. and also sells cabins and sheds, furniture, signs, and quality gifts and crafts.

Gary started the business after retiring from UPS as an over-the-road driver. His wife of 35 years passed away and he found himself a "one-man-team." Linda had worked in customer service for many years and after she joined the team, they've made many changes and are enjoying the Ozark life.

Tony is a gifted artist with a very talented eye for building and routing wood products. After several years in corporate life, he chose a slower paced life and settled in the beautiful Ozarks. He learned how to route signs and create furniture and has become an indispensable asset to The Wood Shed.

We work around Tony's passion for hunting and fishing, and he thinks outside the box to continually amaze and awe our customers. From a photograph, he can route a crappie, bass, deer or anything else requested. He has become an expert at building signs, coffee tables, cedar chests and other indoor or outdoor items ... just about anything Gary and Linda can think up.

He loves working with wood because every piece is unique and, therefore, everything is a one-of-a-kind. Realizing that every customer wants something a little different, he gives great attention to detail. We specialize in Missouri Red Cedar and Tony appreciates the beauty of wood.

Gary was first drawn to the area by the warmth of southern Missouri hospitality. He loved the beautiful area and mostly mild weather. The Wood Shed is a fun place to work and shop. Y'all come in and visit us at 13913 HWY 7 North in Warsaw. For more information, call (660) 438-8705 or stop by our website at www.ozarkwoodshed.com!

Bus-Da-Move: Cheaper Than a DWI!

A UNIQUE WAY TO GET AROUND, Bus-Da-Move is perfect for any event on the go!

If you're looking for good, safe and fun transportation for your next group outing, look no further than Bus-da-Move, right here in Warsaw!

Purchased and on the road in the summer of 2020, Bus-da-Move is a 14 passenger "party" bus owned by Charlie and Stacy McGann. Charlie and Stacy are both equipped with Missouri Class E drivers licenses, so either or both of them are ready for your group!

At Bus-da-Move, the slogan is "Life Uncomplicated", so whether you're next date with friends is to one of Missouri's nearby wineries, a wedding, an anniversary, a birthday party, bachelor/bachelorette party or maybe just a night out on the town, they are there to ensure that your celebration is memorable.

No refreshments are

served on the tours, however, clients may bring coolers onboard. Most pickups and drop-offs are made at a central location, but if a group lives in close proximity of one another, the McGann's are willing to pickup at individual homes too. Just discuss those details with Charlie or Stacy at the time of your reservation and they'll always do their best to accommodate you!

There is a minimum tour of three hours for \$240, or just \$80 per hour. If all seats on the bus are filled, the cost per person breaks down to only \$18 . . . and that's MUCH "cheaper than a DWI", as Charlie likes to say.

Bus-da-Move is not only locally owned, but also licensed and insured. You can find Bus-da-Move on Facebook or give them a call at (660) 723-6052.

Owner Heath Karr stated "Of course, we are pleased when people comment positively on our business. We strive to maintain a neat and clean venue, with unique offerings, that invites our customers to come back. All of our aisles are extra wide for ease of access, and we have plenty of parking for those with boats, trailers, etc. It is especially nice

Cosmic Cafe Voted Best Breakfast In Town!

SHANNON NOLAND always has something new brewing down at 504 Main Street in Warsaw.

Cosmic Cafe has been in business since 2006 and has recently been chosen as the Best Breakfast In Town. Although many things have changed since its opening in the local Boonslick Library, one thing that has never changed is Cosmic's desire to serve quality products with outstanding service. Cosmic Cafe serves an array of breakfast menu items, including biscuits and gravy, breakfast burritos, Eggs Benedict, and Belgian waffles, just to name a few. Cosmic has recently expanded the breakfast menu for the calorie conscious to include ten different breakfasts that are under 400 calories each, just ask to see the low-cal menu.

Lunch is no exception to the tasty breakfast choices, either. Cosmic uses fresh cut, in-house deli meats as well as natural chicken breasts in all our menu items. There is nothing on our lunch menu that can be made anywhere else in Warsaw. Cosmic strives to have a unique menu that cannot be replicated. Cosmic has daily lunch specials, so make sure to call ahead and check those out!

We like to keep things interesting and for that reason, try to create an item that is not a usual on other menus. Cosmic also serves a wide variety of desserts, as well as homemade ice cream. In fact, Cosmic ice cream is made in the back of the cafe so we know that the quality you want is the quality you get. These

delicious treats are also made with high quality ingredients that never seem to disappoint. Some of our unique and always homemade desserts include our coffee cream cake, peanut butter explosion cake, coconut cream pie, and our to-die-for cheesecakes. Our ice cream chef also whips up some tasty flavors, including cappuccino chip - made with our house espresso! -, cotton candy, absolutely caramel, and my favorite, butter pecan...to die for!

Cosmic Cafe has been whipping up award-winning freshly roasted coffee since its beginning. We buy our coffee from a Missouri roaster who guarantees us fresh roasted coffee within a week or less of ordering! Some of our specialty coffee favorites include the popular caramel macchiato, dark or white chocolate mocha (made with only the best Ghirardelli chocolates and topped with homemade whipped cream), or try one of our tasty, good-for-you protein shakes or smoothies.

Truman Lake Adventure Club

FOR FUN TIMES GALORE, contact Jen and Mac at the Truman Lake Adventure Club!

What is The Truman Lake Adventure Club:

We are a multimedia marketing and event production company. We combine our love of the outdoors with our passion for bringing people together and creating a healthy life style. Our events give people a reason to stay focused and keep striving towards their goals. We use our special events to help promote area businesses, drive social media for awareness to our area, and let people know who is investing into the community by advertising our events on air, in print and on TV.

Who is Truman Lake Adventure club:

Jenn Bradshaw: Owner
I started riding mountain bikes about 9 years ago, and eventually became a 4-time Missouri State Mountain Bike Champion. When a big opportunity to be the first person to ride the 254 miles of Butterfield Stage Coach Experience Gravel Bike route across Missouri came up, I didn't hesitate to go. My love of cycling, photography, and the outdoors has brought me to a place where adventure is important. I want to share my experience to encourage others.

Mac Vorce: Partner
I Have been a mountain Bike Race promoter since 1997, I have been building and maintaining trails since 1995. I became a Warsaw resident in 2001 and started building trails in Warsaw 2002. In these years I have seen an immense amount of people change their lives because of cycling and getting active in outdoor adventures. I have had many roles in this community, I keep very busy with cur-

rent position as the Warsaw Chamber of Commerce Executive Director. I have seen how events can help shape a community, and how important they are to show case our area. Some of my best days Start off by me YELLING 5,4,3,2,1 GOOOOOOOOOOO!

The Truman Lake Adventure Club began inviting people to go on cycling, kayaking, and hiking excursions. The enthusiastic response to these small group meetups showed that there was a need for people to get together. Our meet ups started to empower others to show up for different types of activities they have always wanted to try.

The Drunken Minnow Bar and Grill at Sterett Creek Marina serves a variety of appetizers, a nice selection of delicious pizzas and panini sandwiches with a full bar including five draft specialty beers; open May through September. The patio next to the Minnow is used as the dining area and is often jammed full of hungry customers. Hilltop Bar-B-Que: An Oldie But A Goodie

HILLTOP BBQ is one of the oldest BBQs in the area, still serving top quality food.

Last year I said in February that 2020 was going to be our best year ever! We all know how that turned out. 2021 is a new year and we certainly hope better than last year. We still face many of the same issues from last year so we are spacing our tables out and our servers will continue to wear masks. We continue to serve a large variety of BBQ. Beef brisket pulled pork, ham, turkey, pork spare ribs, babyback ribs and andouille sausage are on the menu for smoked meats. And don't forget we have an oriental menu that includes homemade egg rolls, crab rangoon, cashew chicken and sweet and sour pork.

This year we have brought back our dessert shots. These are creamy little desserts in come in 2oz portions, just the right amount after a hearty meal. Lemon blueberry, and strawberry cheesecake are some of our customer favorites. We look forward to serving Warsaw and the lakes area again this season. We are into our 21st year of ownership of this landmark business, and we plan to continue serving the same great food and providing you fast and friendly service. You can find us on Wildcat Drive just south of Warsaw on Highway 83. Dine-in or carry-out by calling (660) 438-6311.

A FAMILY OWNED BUSINESS, Larry Drenon Auction offers decades of experience serving Truman Lake.

Serving Benton and Surrounding Counties since 1969!

Now a 3rd Generation auction service, Drenon Auction started in 1969 when Larry Drenon attended World Wide College of Auctioneering in Mason City, Iowa.

Now, over fifty years and thousands of Central Missouri auctions later, Drenon Auction Service of Lincoln is still serving the public with personal property, Farm equipment, and Real Property auctions.

Early in Larry's career, he started penning cattle at a local livestock auction. A few years later, he started selling cattle in the ring, and eventually given the opportunity to own a livestock auction. The livestock market facility is now owned by his eldest son, and Larry's focus is on Personal property and Real Estate auctions.

Youngest son, Laramie, came on board in 2005 after graduating from Mo

Auction School. He keeps busy with his commercial mowing business, while at the same time taking care of the Auction business duties.

After many years of working the auctions as clerk/cashier, daughter Lacey (Smallwood) attended Mo Auction School in 2018 so she could assist Larry and Laramie with selling. She is owner/broker of Lincoln Realty. She and mom Linda bring their knowledge of the Real Estate market to the auction realm while still doing conventional Real Estate sales.

Lacey's son, Cooper has been cashing the sales for the last few years; then in early 2021, Cooper graduated from Mo Auction school and has now joined the ranks as an auctioneer.

For friendly, courteous service, and with the experience to get the job done, call the Drenon Auction office at 660-723-6188, or visit our web site at www.drenonauction.com!

American Legion Post #217

AMERICAN LEGION POST #217 is open 2 PM- 8 PM on Monday-Saturday.

The American Legion has evolved from a group of war-weary veterans of World War I into one of the most influential non-profit groups in the United States. Membership swiftly grew to over 1 million and local posts sprang up across the country. Today, membership stands at nearly 2 million in more than 13,000 posts worldwide. Since its charter in 1919, the American Legion has focused on service to veterans, service-members and communities, and the local American Legion Post #217 in Warsaw certainly does their part in those efforts.

Located at 32379 Hwy MM, the local American Legion Post #217 would challenge any other fraternal organization in activities or community involvement. Under Commander Mark Mills and with the help of his many members, the local post continues to carry out the mission of "For God & country, serving veterans and their families", while also offering bonus fun on about every night of the week. Shuffleboard tournaments are held every Monday, beginning at 2:00pm;

Cornhole games are held on Wednesday's, starting at 6:00pm; on Thursday's, the shooting range is open at 4:30pm and Cornhole games are back every Friday at 6:00pm. Post #217 also hosts a Cornhole tournament on the third Saturday of every month and that fun starts at 2:00pm.

As the legion views it's duty to support our veterans, active and retired, perhaps one of the more valuable benefits provided by the American Legion Post #217 is their Honor Guard and military rites for any veteran. Just call the post for more information or details.

The American Legion Post #217 is a regular advertiser in the Benton County Enterprise, so keep an eye out for their ads for additional upcoming events. Whether they're assisting our veterans, contributing to a children's program, helping in the community or hosting a dinner or dance, the local American Legion Post #217 is active in enhancing the well-being of America's veterans, their families, our military and the community by their devotion to mutual helpfulness.

Edward Jones Celebrates Anniversary In Warsaw

RICKIE AND STACY at Edward Jones help build financial comfort and satisfaction for every customer.

Rickie Caswell, an Edward Jones financial advisor in Warsaw, still remembers the day she decided to join the financial services firm. That was 15 years ago.

The fact that Caswell works in the same community in which she lives is unique among financial services firms, most of which do their business by phone. By establishing branch offices in communities throughout the country, however, Edward Jones enables its financial advisors to establish one-on-one business relationships with its investors.

"I've enjoyed doing business the old-fashioned way - in person," Caswell said. "And our branch team looks forward to many more years serving the investment needs of our friends, neighbors and business associates."

Stacy McGann, the branch office administrator in Caswell's branch office, also is celebrating her anniversary with the firm. McGann has been with Edward Jones in Warsaw for 14 years.

Caswell said, "Most importantly, I would like to thank all my wonderful clients for the trust they have placed in me over the past 15 years."

Edward Jones, a Fortune 500 company headquartered in St. Louis, provides financial services in the U.S. and, through its affiliate, in Canada. Every aspect of the firm's business, from the investments offered to the location of branch offices, caters to individual investors. The firm's 19,000-plus financial advisors serve more than 7 million clients with a total of \$1.5 trillion in client assets under care. Primitive camping is a great way to enjoy a little more peace and quiet - to really relax into nature with fewer distractions. At only \$16 a night who can resist?!

At \$30 per night the Basic camp sites include water and electric only, but reserve a Full hook-up site that includes all water, sewer and electric amenities for just \$35 a night. Several sites feature fire pits and a shower

house and dump station are located for all guest's convenience. There is always hot coffee in the office for Deer Rest guests on the weekends and seasonal entertainment is being planned as well to provide a social atmosphere. So go ahead and splurge a little!

But the good news is that, with existing sites selling so fast, Charlie and Stacy are in the process of adding 45 additional sites to Deer Rest Campground for a grand total of 64. Along with his longtime friend and engineer, Gary Peterson, Charlie has planned each site to have its own electric meter and will offer 30 amp or 50 amp service. The renovation of the campground office is complete with a rustic décor with a cozy atmosphere that the McGann's hope will be inviting for their guests to gather and visit. Future plans are to open a small store, a second picnic pavilion for social gatherings and possibly cabin rentals.

There's much to see at Deer Rest Campground, so take your time, look around and learn all there is to know about them. You can do that by calling (660) 438-6005 or by visiting their website at www.deerrestcampground.com. You can also find them on their facebook page at "Deer Rest Campground".

They also offer an Rx discount card, SmartCard. SmartCard is a prescription savings program offering reduced prices on a large assortment of prescription drugs. Vaccinations are also available at the pharmacy. Some of the most commonly requested vaccinations they administer are: Influenza, Pneumonia, Prevnar 13, Zostavax (Shingles), Tdap (Whooping Cough) and Hepatitis A & B. We are also currently administering Covid-19 vaccinations by appointment. Call for details! (CDC tier guidelines followed.)

Their pharmacy includes a professional compounding center. They offer tailored medicines to a

patient's specific needs. Specific needs can include a special dosage or strength not available commercially, or a drug that addresses allergy concerns.

Pharmacy Drive-Thru – If a patient doesn't feel well or simply wants the convenience of not leaving their car, there are two convenient drive-up windows located in the rear of the building.

Free delivery service is available to patients' home or work. There are no fees for deliveries in the Warsaw and Lincoln city limits and a nominal fee in the surrounding areas.

Their home medical equipment division was established in 1994. Unlike most of their competitors, they are a full service home medical equipment company. PeopleService, Inc.

On the surface it may be easy to define PeopleService as a water/wastewater systems contract operations company. That they are, and so much more. Their name is PeopleService for a reason. They understand that clean, safe, abundant water and quality-controlled wastewater systems have everything to do with the people of the communities they serve, and this is what drives them.

PeopleService has been serving communities in the Midwest for more than 30 years. They are a company of dedicated professionals who have built a reputation their client's can trust.

PeopleService helps with staffing needs and they work as contract operators, hired by local governments and community leaders as an alternative to hiring and retaining increasingly scarce personnel with the right licensure and experience to handle the daily maintenance and regulatory compliance of your water and wastewater systems.

Since 1988, PeopleService has been operating systems for clients in the Midwest. They deploy professionals onsite who are educated, trained and certified

in the specialty of water and wastewater operations and management. They stay apprised of the latest regulations and they continually update their knowledge and credentials so that their client's systems and their communities meet – and exceed – what is necessary to grow well into the future.

PeopleService professionals operate systems efficiently and with assurance. This means water system operations that include production, treatment, storage, distribution and metering. And wastewater system operations that include collection systems, lift stations, treatment plants and biosolids land application programs. The goal is optimum performance and system integrity, within their client's budgets – all reported with transparency on a regular basis.

PeopleService is pleased to serve their customers via regional offices in Iowa, Minnesota, Missouri and Nebraska. When it comes to challenges in their industry, these guys have seen it all!

When it comes to water and wastewater management, operations and maintenance, with PeopleService, you'll know.

H&R Block Offers Ease And Convenience

THE STAFF AT H&R BLOCK pride themselves in offering solutions to all your tax season needs.

Wow it's been a whirlwind of a tax season! We are working with so many moving parts this year! There are so many rumors and mis-communications. Don't miss out, let us help...

Did you know that if you made less income in 2020 than in 2019 and receive Earned Income Credit, or Child Tax Credit, you may be able to use your 2019 income to figure your 2020 refund?

If you withdrew money from a retirement plan you may be able to exclude the penalties and spread the income over 3 years.

Do you still need to: File a 2020 or prior tax return? Have you received all 3 Stimulus Checks? Will you be impacted by the new provisions of the American Rescue Plan Act of 2021?

This bill was just passed March but is retroactive to January of 2020. If you have not received your third Stimulus check, If you had unemployment income in 2020, If you had Excess advance payment on your Marketplace Health Insurance you may need to review your return. Miss Rhonda's Daycare

MISS RHONDA'S DAYCARE is an invaluable resource to area parents in need of childcare.

Since 1998, Rhonda Flinn has provided quality childcare in Warsaw and is proud to now be serving her second generation of children.

Originally located in the basement of her home, Miss Rhonda's opened the doors to their new 5,400 square foot childcare center in 2017 and increased their students from just 10 to 56 kids. At the same time, Rhonda also increased her staff size from just 1-2 to now 16 employees!

At Miss Rhonda's there is a 0-2 infant room, designed areas for upper age groups and dedicated staff for each. Every child enjoys 2 full meals and a snack throughout the day, prepared in Miss Rhonda's fully functional kitchen. At Miss Rhonda's, indoor tables provide a committed place for children to learn essentials like numbers, counting, alphabet and ad-

ditional basics. Indoor play areas and a large outside playground also allow the staff at Miss Rhonda's to interact and assist children with social skills and other fundamentals necessary to prepare for their eventual move to preschool and/or kindergarten.

Safety is of the utmost concern when it comes to Miss Rhonda's kids, so per Missouri licensing requirements, all staff is finger printed with a background check, CPR certified and has completed continuing education requirements for their field.

At Miss Rhonda's, your child is theirs and is nurtured with love, no matter the age! For more information or to inquire about openings, please call Miss Rhonda's at (660) 438-5670 or check them out at their location at 29224 Benton House Avenue in Warsaw.

Missing Link Bootleg BBQ

HOME OF THE BUTTERQ, offers all the delicious meat and sides you could desire!

Former pitmaster of the Kansas City Royals, Chef Dan Harman has traveled the country to develop a unique style of BBQ for the Ozark region. With decades of training and studying with some of the best chefs and pitmasters in the business, he and his wife, Jennifer, decided to make Warsaw home to his first storefront and sit down location when they opened Missing Link Bootleg BBQ at 317 West Main Street and celebrate their first full year of business in May 2021.

Each recipe at Missing Link Bootleg BBQ is made with custom made sauce and rubs. Slow smoked over oak and hickory in a traditional style pit and infused with butter, Dan and Jennifer are sure to satisfy you with a variety of decadent ideas featured on their menu. Butter brisket, Burnt ends, Pulled chicken, Ham, Pulled pork, Zausage, Turkey and Ozark ribs are the main course and all of those items may be purchased on "samiches" or the bone or by the pound or slab. Custom handmade burgers, signature "samiches", large "taters" and dinner platters await any mouth-watering diner too. Most all meals

are offered with sides that include Jenny's Pit Beans, Maddie Moo's Cole Slaw, Pitmaster's Mac-n-Cheese, Pattie's Tater Salad or seasoned butter fries. And to top off your meal, make sure to save room for one of Jenny's homemade desserts!

Missing Link Bootleg BBQ offers Pepsi products or several bottled beers or wine coolers to accompany your BBQ.

Dan and Jennifer have dove into the community and sincerely appreciate their customers. In an effort to give back, they have quickly become involved with several youth organizations and groups, law enforcement, other first responders, school organizations, and they especially have a soft spot for our military veterans. The Harman's also take much pride in providing a welcoming, family atmosphere and encourage you stop by, if you haven't already.

Catering is available by calling Dan at (660) 829-5278. You may contact the restaurant at (660) 438-3500 or find them online at www.mlbbq.com or on facebook at "Missing Link Bootleg BBQ"
