## Thank You

I would like to let everyone know how much I appreciated all the kindness that my family and I have received since the passing of my sister, Kay O'Bannon, in April to being there for me since having my hip replacement June 2nd.

Special **Thank you** to my granddaughter, Kari Gregory, for coming and staying with me to help after surgery.

I would also like to **Thank** Rock Journey and Helen Emley. My friend, Shirley Russell, on hand to help when I needed her. Special **Thanks** to Golden Valley Memorial Hospital, my 1st time in the hospital since Oct. 1991, I have no complaints about the treatment I received while there. Dr. Womack, who performed the hip replacement, Dr. Bateman, the recovery team and all the nurses who took care of me (can't remember all the names), they were all very kind. I would go there again! The Home-care nurse and physical therapist, there for me when I went home the next day.

I have received so many cards and well wishes, again, **Thanks** to All.

Special **Thank You** to Pastor Tim Wesley and my wonderful church family, the Clinton Christian Church DoC, I couldn't have made it without the above.

**Thank You** to everyone above, *Sincerely, Beverly Bowers*
