Dedicated to Providing You Our Golden Standard of *Care.*

This morning I had tea and I used an antique tea infuser that belonged to my Great-Grandmother, Goldia. After she passed away the family had an estate sale. Before the sale family members were asked to go through her belongings and pick things they wanted to keep. I chose this tea infuser along with a few other things. You see, this tiny piece of metal reminded me of all the afternoons we had hot tea and cookies together. To this day, I still reminisce about my tea parties with Grandma. Now when I have tea parties with my girls I use it as an opportunity to share stories about their Grandma Goldia and what a special lady she was.
