## Calhoun Colt Show Saunters Through 112th Anniversary

Jazmen Claypool  
Reporter

Imagine starting a single argument with someone over who's colt was the best and with that single argument a tradition was born, a tradition that's been ongoing for 114 years. That's the case behind The Calhoun Colt Show. I'm 1902

Frank Richardson and Bud Straightway we're having a conversation and Richardson had said something along the lines of his Colt was the best in the country, well Straightway politely disagreed and announced that he had a couple of colts of "good measure", and that Richardson should bring his colts and they

should be compared to see whose Colt was the best. The word got back to the city council, and it was decided that within the city there would be a show of colts and mules and they would be compared, this event took place on August 9th in 1902. John Holl's mare won best mule, R.B Skaggs won best

## Busy As A Bee, Paul's Honey Gives A Look Inside The Hive

Judy Kramer  
Reporter

Paul's Honey Farm, at 27875 Rio Drive in Clinton, is a thriving, big business in the area, producing raw honey, beeswax

products, raising Queens and selling starter hives (NUCS.) It wholesales a lot of honey to packers and retailers in local stores and those in surrounding cities. The business also ships bee hives on a semi-truck

to California to help almond pollination. But, the recent growth and success comes after a strong will to survive some rough years.

The honey farm started out in 1983 when Chris Landsberg purchased the equipment

and supplies from his friend Hubert Smith and started the business with his wife and three-year-old son, Paul. He named the business Paul's Honey Farm and it grew in quality and reputation for several years until parasites in the late 1980s and 1990s wreaked havoc with honey farmers. The business was reduced to a hobby, and Landsberg worked at it, as well as a full-time job, until he died in a car accident in 2015.

"At the time of my Dad's death, I was working for Kansas City Power and Light, but started taking care of bees again and loved it so much that I began solidly building the business up again,

## Remembering The 9/11 Tragedy, 20 Years Later

A large crowd gathered for the 9/11 Remembrance Ceremony – the twentieth year since those fateful events. Craig Thompson (GVMH CEO) delivered the opening remarks: "We remember," he told the crowd. He thanked all

those who had come to honor the fallen and remember the day that changed the world we live in. Along with those changes, however, also came something else: "A renewed sense of appreciation for all those who skip into harm's way." Thompson took a moment to honor our local first responder

## City Council Receives Promising Economic Report

Luke Edwards  
Reporter

The Clinton City Council met in open session, September 7, at City Hall. All members of the council were present. Following roll call and the saying of the Pledge of

Allegiance, the previous meeting's minutes were approved.

Personal appearances included those of David Lee, Clinton Chamber Director and Clinton Economic Development Director Mark Dawson. Director Lee recapped some of the Chamber's activities from the pre-

vious months. He also reported that the disc golf expansion (at the Artesian Park) would probably be completed by spring – he said that some of the materials (baskets, etc.) have been ordered, but are delayed on the manufacturer's end. He also reported that the Chamber has been

working with the Missouri Job Center to establish a job fair.

Lee reported that there were 60 sponsors for Ag Scholarships and that it was a success. The Missouri Bicentennial events were a success; hosts for the Bicentennial events included the City of Windsor, the

Henry County Museum, and Clinton Main Street. He also reported that \$108,000 was raised at the 4-H Auction. Lee reported that he will be starting a new feature as part of his Chamber activities which will include interviewing businesses.

One of the projects the Clinton Chamber

is working on is gaining a bus stop here in town (across the street from the Chamber). The stop would entail taking about three parking spaces and the Chamber is working with the American Bus Association to see if Clinton is a desirable stop.

## Have I Got A Line For You!

By James Mahlon White

The murder of Margaret Murdaugh and her son Paul in South Carolina has been a fascinating story to follow. Last week Alex Murdaugh (Margaret's husband and Paul's dad) was supposedly shot in the head while changing a tire. The bullet barely grazed his skull and now he's in a rehabilitation center for drug abuse. Authorities originally called it a "mysterious double murder" but said there was no threat to the public. Paul was up on charges for the death of a girl who was thrown from a boat he was piloting. Alex was embezzling millions from his law firm and Margaret might have suspected this. She hired a forensic accountant shortly before her death. All of this is fishier than an aquarium. The family has as many deceased people around them as the Lori Vallow/Chad Daybell case. Next a girlfriend or two will appear, looking for cash and book deals. Bet Alex killed his wife and son then ran scared and faked his own attack. There really is no such thing as coincidences, especially not like this. Most of us can barely stay on top of the day to day tasks of life. How people like the Murdaughs have the time and energy to live such convoluted and bizarre lives is beyond me.

going to go up, way up if the President has his way. Remember when he promised the middle class wouldn't see an increase? Is anyone shocked here? A President that lied about raising taxes? It's easy for these life-long politicians. They've gotten exceedingly rich off our tax dollars while they've never held a real job. You don't have to be Sherlock Holmes to see the bait and switch coming. Every worker in this country is going to get soaked. How else can we pay for all these freebies? Here's another win for bloated government. The President also wants to spend 80 billion to expand the biggest legal crime syndicate in the country (IRS). Sounds kind of like China, doesn't it?

A few weeks ago I mentioned a book about dreams. That brought to mind a one day seminar I attended in the early 2000's. The speaker told us to keep a notebook at our bedside. Before going to sleep she said, "Tell yourself to wake up immediately at the end of a dream and write down the details. You can do this and go right back to sleep!" I was amazed at what I wrote down and how bad my scribbling was. Didn't think my handwriting could get any worse. I tried this for a few nights and found a common thread in my notes. It was about going back to the house on Lay Avenue where I grew up. To my surprise I found a whole part of the house I didn't know about. Nicely furnished but lots of dust and I realized, "Why this was here all the time and I didn't know about it."

This typing is tottering along today, but if I told all I knew I'd have to leave town and never be seen again. So let's all speed on to a pure and useful day. I'll try to do better next week.

## LETTER TO THE EDITOR

I am not anti-mask; I am a supporter of Liberty for every person to make their own health decisions. As the "mask police" further their mission by forcing masks on our children of the Clinton School District, many parents are growing tired of the never-ending control that is not backed by common sense. All School Board members who voted in favor of violating the personal health rights of parents and students should remember that history will record where they stood when liberty was under attack in this country. How do you want history to remember you? Would our founders accept this draconian control? Have you seen what is happening in Australia and around the world? Who is pushing for all this invasion of Liberty? Is our local school board falling in line with the reckless Biden administration, and Marxist Fauci, who has ties to the Wuhan lab? It sure looks like the ever-changing Fauci would approve of this control.

Why did the Clinton School District kick two students out on the first day of school, and six the second day, without following the protocol they told the parents they would follow at the last Board meeting? Is that the example we want to be taught to our kids? Hypocrisy and not being truthful? I think we, as community members and parents, should expect more from those who work for us!

For those saying the mask choice is a dress code issue, and not a health choice—the FDA regulates these masks as health devices, and the packaging of these masks states that they are NOT for stopping viruses. A School Board member stated that they knew the N95 mask is the only mask recommended to help stop the virus, yet the school is distributing surgical masks that can't even prevent dust or paint. This is not about keeping the school in operation at this point, because if it were, they would be enforcing masks inside of the school and not just at the entrance. They would also be supply-

ing N95 masks to all students and staff if the purpose was to help stop the virus. This is all optics. As a previous School Board member of six years, at a private school, I understand the optics aspect. There does come a point where you must choose truth, facts, and liberty over optics.

Another argument of the School Board is that if the mask is not mandated, they would have to quarantine anyone that has been in contact with a positive case. It appears that the actual mask usage is not what they deem important, just the mandate! Where does this so-called quarantine requirement come from? They are the ones choosing that requirement. No one is forcing it on our School Board. They want to create the problem and the solutions, which sounds a bit like Washington, DC.

At what point do we allow parents and students to decide what they feel is appropriate for their physical, mental, and emotional health—as well as education? Does the School Board not trust the parents? Why is the school not urging parents who have students with asthma, autism, and other health concerns to get health exemptions for the mask, but yet, behind closed doors will say it's an option? When a young girl with a hearing impairment and learning setbacks asked for such accommodation so that she could hear by reading lips, she was told she would have to learn from home on a computer. However, she was told that since she was taking classes from home, she would not be provided with a school laptop like the other students are given to take home.

Is this really what we are willing to accept as education for the next generation? Do we know how the setbacks of this status quo will affect our children for years to come? This type of thing has never been tried in America, however, it has been tried in communist countries. Do we think that breathing through a mask for 8-10 hours per day is good for children's health? How about the dangerous CO2 levels masks can cause? Or the breeding ground for bacteria they create? Many of these School Board members choose to not mask in public or inside businesses, yet they want to tell parents that their

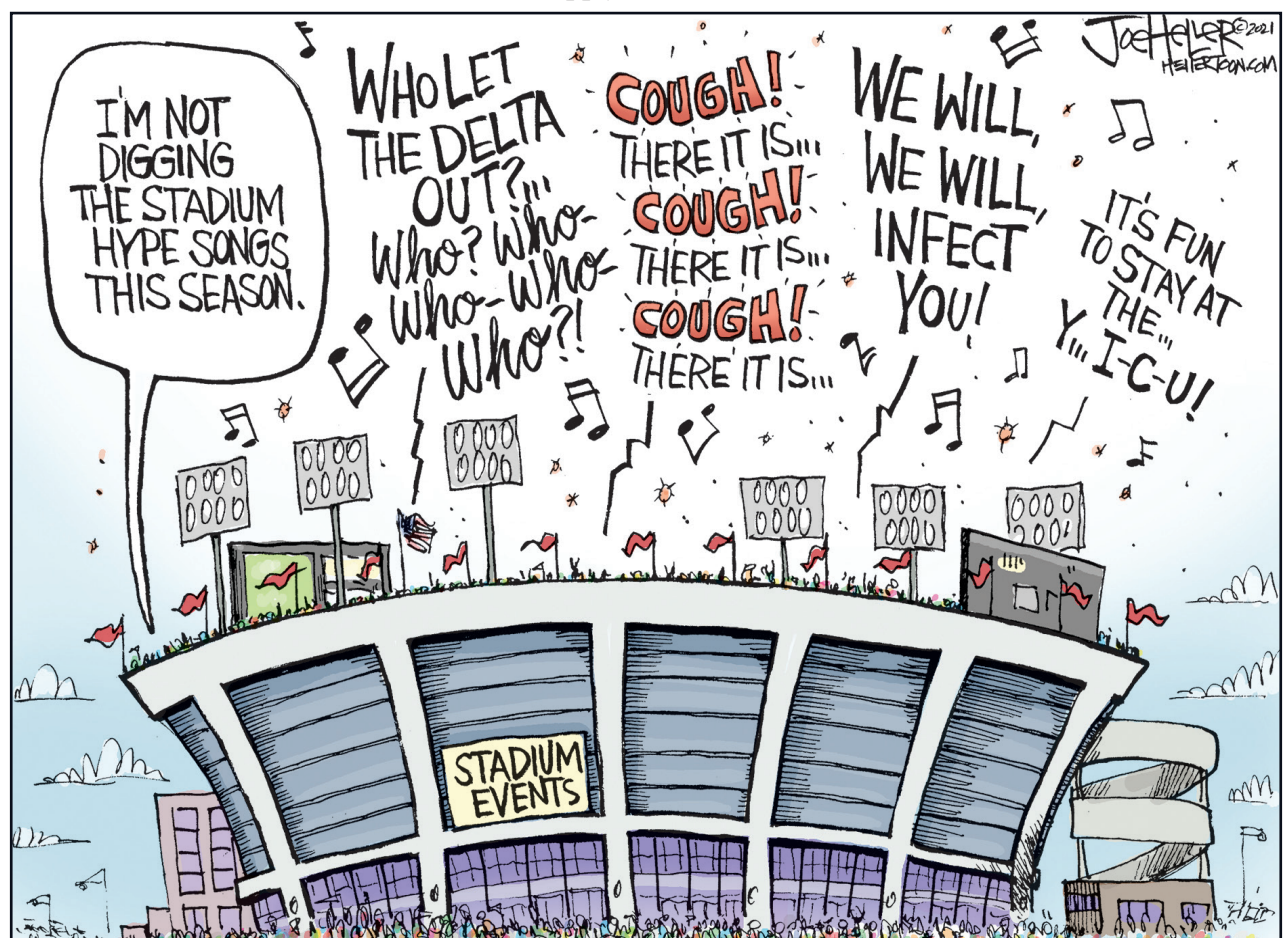

children are to be held to a higher standard and expectation.

What kind of damage will this cause to the development and education of our youth? When they are unable to see the mouths of their teachers or other students, they are not effectively able to learn how words are pronounced. Many times, they are unable to hear the teacher, and the teacher is unable to hear them. Why can't we treat school desks like we do restaurant tables where students don't have to wear their masks while sitting at them? All day long these children play together at recess and eat together at lunch, yet wearing a mask that prohibits them from breathing fresh air (further weakening their immune systems) is somehow supposed to help? These children play together while wearing their masks all day and are touching all the same surfaces. In one case spoken of at the last Board Meeting, a parent stated that their child had come home wearing a mask that belonged to another child!

On another note, what type of psychological damage are we allowing on these children so that the hypocritical School Board can feel that they played it safe and kept the image of concern going? That word "hypocrite" is not to be taken lightly. It is used when Board Members breathe fresh air inside of businesses, and in public, but expect your child to do something they are not willing to do outside of an hour-long Board Meeting. Are we alienating kids from each other by teaching them not to touch, or show smiles? Who is going to take responsibility when our children have learning and relational setbacks in the coming years? When do we stop and let our healthy young people get back to learning? Will you call the school, or a Board member, on behalf of these students and request that we let them get back to real life—just as the Board Members enjoy themselves?

Please join us at the next School Board meeting on September 27th at 6 p.m. at the Clinton Middle School building. Wear black to show your unity with those standing for freedom!

while still working full time on the side," said Paul Landsberg. "In 2019, I was working at the Montrose Station on a tear-down crew and was told that the company wanted to transfer me to Kansas. At the same time I was also offered the option of an early-out package, which I took in December 2019, and became a full-time beekeeper. When I was beekeeping I asked myself why am I doing anything else."

Paul recalls pretty much growing up in a truck that his dad drove around to the bee hives. Paul's Honey Farm's website refers to Chris Landsberg starting the business with his wife and three-year-old son, and when asked if he actually helped work, Paul said that he was probably more of a nuisance than a help. He said that he ran around and played while his dad worked and acted as Paul's daycare. Paul said that when he was in school he would go with his dad on weekends to move bees, and he had 50 of his own hives when he graduated from high school.

"After high school, I decided that I wanted to go to college and play football. But, I got injured and didn't finish college," said Paul. "I worked several jobs, including putting in natural gas and using heavy equipment. I always preferred outdoor jobs more than those at a desk or computer. I loved Power and Light and made many friends there. Altogether, I was away from beekeeping for 16 years, not returning to it until Dad died."

When asked about the recent years of the business, Paul said that 2019 was rough because of flooding. He didn't have the normal flows of honey. In 2020 he lost a lot of hives and had to rebuild up to where he had been before. Then, COVID came around and he was dealing with lockdowns. He said that it was a trying time and he was trying to find help with the business. However, he said that one of the exciting things that happened was his Dad's dream of sending bees to California to pollinate almonds came true, and now Paul is living his dream.

Paul takes care of the bees and the honey on the farm. His mom makes beeswax candles and his wife makes lotions and lip balms. Paul explained that spring time is super busy because that is when the hives are growing and they have to be kept from swarming. Work takes place sun up to sun down, and sometimes into the night. There are times when it slows down though.

He said the fall flow is smartweed, and everyone is running around putting supers (boxes) on the hives and collecting honey. On average he works 12-hour days.

His goal for the future of the business is to increase the number of hives every year until he needs to hire one or two employees. But, he said with COVID it is tough to find employees, and when you do find someone you have to train them.

"We are busy at Christmas when we sell a lot of lotions and other beeswax products," said Paul. "We do Heritage Days too, but as the business grows there is less time for festivals, and I want to spend my time making honey. We sell unfiltered, unpasteurized honey. Most grocery stores sell filtered and pasteurized honey, but our honey has all the beneficial enzymes and pollen residues that make honey so much healthier than sugar. There is a big influx of people who are looking for raw honey. I used to take allergy pills until I began working bees. I don't eat a lot of honey every day, but maybe just because I am in contact with it I am helped."

There is a Golden Valley Beekeepers Association, so there are a few keepers in the area, but not as big as Paul's Honey Farm. Most are back-yard keepers who have about 10 to 20 hives.

ers – and those who serve/have served in the armed forces.

He told those gathered that there have been many comparisons between 9/11 and Pearl Harbor, but that he did not fully agree with those analogies except in the respect that both events changed the world. "For many of those on that day it was a typical Tuesday morning," he said. "They were not doing anything out of the ordinary." Thompson continued: "What shocked us most was that our way of life was attacked." He recalled that some 20% of the U.S. population knew either someone hurt or killed that day.

At that time (8:37 a.m., 9:37 a.m. Eastern time) Sheriff Kent Oberkrom was asked to toll the memorial bell set up on the courthouse lawn. The tolling and moment of silence was in remembrance of Flight 77 which crashed into the Pentagon.

Pastor Monty Stratton (Clinton United Methodist Church) led the opening prayer followed by the Clinton JROTC's presentation of the Colors. Next, Boy Scout Troop 430 led the crowd in the saying of the Pledge of Allegiance. Kyle Sisney sang the National

Anthem.

The guest speaker was Adjutant General Levon Cumpton, Missouri National Guard. Cumpton grew up in Ballard and has friends and family in this area. "Life is about relationships," he told the crowd. "We do life together; we are stronger together." Adj. Gen. Cumpton recapped the events of 9/11, the hijacked aircraft and the falling of the two towers – the crash into the Pentagon and the heroic Flight 93 patriots who were able to direct the crash of that aircraft into a field instead of its intended target. "In less than 90 minutes 2,978 Americans perished and over 6,000 were injured." He continued describing the impact of those events: "You never forget where you were," he said. For Cumpton, he recalled being at the National Guard Armory at Cape Girardeau. He recalled his reaction was one of shock and disbelief – that it was surreal. He also recalled seeing then President Bush speaking to a crowd at the site of the rubble; holding a bull horn speaker, some in the crowd could not hear him speaking and told the ex-President as much. "I can hear you, though," said President Bush. "We pulled together as a nation," said Cumpton. In October 2001 the U.S. and Great Britain began a bombing campaign in Afghanistan and not long after committed ground forces to the region, too. That

was the beginning of a 20-year occupation that has seen 2,400 U.S. deaths and some 21,000 wounded – not to mention that "invisible wounds" of PTSD. "We will never forget those, too, who lost their lives to keep our homeland safe," said Cumpton.

Adj. Gen. Cumpton concluded by reminding those gathered of what President Ronald Reagan once said about freedom: "It is never more than one generation from extinction." He told those gathered that it was true the world could be a tumultuous place, but that America would remain strong. As General Washington had once said: "There is nothing so likely as to produce peace as to be prepared to meet the enemy."

Following the guest speaker, Sam Gibbons played "Taps"; a moment of silence was observed, and Clinton Fire Department Chaplain Dan Bebee gave the Benediction. The crowd waited the next few minutes in silence until 9:03 a.m. (10:03 Eastern) when Sheriff Oberkrom rang the Toll Bell again in remembrance of Flight 93 crashing into a field in Shanksville, Pennsylvania.

**COUNCIL CONT.**

Economic Developer Mark Dawson reported five new projects open in August. He also commented on some that Clinton could not submit on. He reported that, since 2019, the city has seen

over \$39 million in capital investments, created 250 new jobs, had seven new firms come in, and had nine existing businesses expand. There is an expectation for more job creation in the future as well. He said that many of the local companies are increasing their wage rates: "Labor availability," he told the council, "is the key." He reported to the council that he is working to establish a job fair sometime in November.

Other topics he discussed as part of his report included an update on the city's new website (it is 99% finished), and that Clinton was eliminated from one of the "mega projects" previously in consideration. Clinton has, however, received requests for information on a different large project. He concluded his report by commenting that companies were expanding and that, as far as he knew, Burger King was scheduled to open September 20.

The Public Works Committee report was given by Councilman Cameron Jackson: the council approved placing the order for the material for the salt fabric building (for the Street Department; \$54,000). The council also approved an agreement for the rehabilitation of 10 specific railroad crossings in town. The total project cost is a little over \$1 million, however, the City of Clinton will only be responsible for no more

than \$100,000. The Bill (No. 2021-18) first reading was held – all council persons voted "yes."

The council approved the recommendation to proceed with the demolition at 807 E. Franklin Street. The demolition is "well within the budget" for Community Development. Also, the council approved the adoption of Bill No. 2021-17 regarding a language change in the Title VI limited English proficiency plan. The adoption of the change is to ensure funding for the ATS.

An issue regarding an extension for Red Hammer Roofing was pushed to be discussed in closed session.

Judge Cover requested that the city approve a registration event on the community center yard September 14 (5:30 p.m. – 8:30 p.m.); the council approved the request.

A request to reduce Artesian Pool fees, if the Parks and Rec tax does indeed pass this November, was approved by the council. "I think it is more than fair should the citizens support this and the tax pass," said Councilman Daniel Wilson.

It was reported that ATHCO (Inclusive Playground Project company) sent a letter to the city committing to a five-year repair and maintenance program for all the playground equipment. The playground is now open.

There continues to be drainage issues at En-

## Junkfest Fall 2021

**WREATH CRAFTERS** Lea Nickel and Michelle Welsh show their wares during Fall Junkfest 2021 on September 11 at Primitive Old Crow Winery in Henry County.

The biggest garage sale of them all was at Primitive Old Crow Winery on September 11 east of Clinton on Highway 7. Lora Anstine & Max Jeys held Fall Junkfest 2021 and the crowd showed it was a big success. "We had over 2,000 people this time," said Anstine. "They really turned out." Cars filled the parking lot for the field full of vendor tents, the barn was packed with flea market booths and the winery store was full of shoppers. "We loved the custom made cups," said Tracy Grigsby. "We got one with the K.C. Royals logo and one with my neice's picture." Craft makers placed their booths under tents in the field beside the barn. "We haven't sold anything yet," said Lea Nickel, sitting beside their many wreaths made from grape vines and brightly colored bows. "If we don't, well we have had a very good time."

Shoppers Bill and Fredena Pion of Iowa were camping nearby and saw the signs. "I especially liked the selection of old DVDs in the barn," said Bill Pion. "I just liked the caramel apples," said Fredena Pion. Shoppers of all ages came for the big sale. "I like my bunny rabbit slippers," said 8-year-old Oakleigh Hawkins, granddaughter of Diane Stimpson. "I bought my teacher daughter some books for her classroom," said Stimpson. New and almost completed for the winery is a 1963 Suburban for a beer dispenser in the store area. "It will be built into a wall," said Joe Hicks with the winery. "It will accompany our other vintage vehicles. Vintage is right as the winery has a 1953 GMC flatbed, 1962 Corvair truck and 1967 Ford van. "We will sell beer or other items from all of them," Hicks said. Plans are already underway for the 2022 Spring Junkfest. "We will be ready to go with booth spaces outside and in the barn," Anstine said. "Costs will be \$45 per vendor for their crafts or sale items."

## Doggie Dip At Artesian

It has become a neat tradition for the Artesian Outdoor pool to have a Doggie Dip on the last day of the summer season, (Tuesday, Sept 7). Dogs are invited in and of course they need to bring their owner. Here we see Bane, a yellow lab, escorting his young owners Jaxon and Allison (Parrett). It was a fun time for all. Thank you to Parks and Rec.

## September's Cruise Night Biggest So Far

Tina Williams (right) and student volunteers Marissa, James, and Kaleb pose with 'Buford and the Bandit'.

Saturday's Cruise Night had quite the turnout to meet Buford and the Bandit! With nearly 200 cars, many visitors from out of state, and good times had by all, this Cruise Night has been deemed the biggest Clinton has hosted so far! Things kicked off at 5 pm with Bufford and Bandit recreating their iconic chase around the Square. Once settled in they invited visitors to come up and take pictures with themselves and cars from the original Smokey and The Bandit movie. The next and final Cruise Night for the 2021 season will be October 9th. Bring your costumes, candy, and kids, because there will be a trunk or treat, candy drop, and cotton candy!

**JOAN E. HAGEMIER**

Joan E. Hagemier, 59, of Clinton, Missouri passed away Wednesday evening, July 21, 2021 at the Bothwell Regional Health Center in Sedalia, Mo. She was born December 20, 1961 in St. Louis, Mo., the daughter of John Irving Hagemier and Anna Berniece (Querling) Hagemier.

She was a member of Northeast Baptist Church in Clinton, and formerly a member of the Middletown Baptist Church in Middletown, Mo. Joan served Northeast Baptist in so many ways. She ran sound and media for worship services, she cooked for camps, retreats and mission trips. Joan taught Sunday School for youth, always seeking to help them have a connection to Christ and a practical application of God's Word. She served as camp counselor for youth and children's camps. This opened the door for her to be the Children's Camp Director for the West Central Baptist Association. Her heart for the LORD was expressed in loving youth and children. Joan not only served on the sound committee of Northeast, she served on Personnel committee, Properties Committee, Kitchen Committee, Out Reach committee and filled many other positions over the years. She stepped out to lead and didn't want to be left out when she felt she could be involved. She loved to be used by the LORD in any and all ways. If Joan heard of a need in the church, she many times was instrumental in making certain that need was met. She would loan out her vehicles if there was a needy individual or family. She allowed others to use her belongings, always saying, "God blessed her with it to bless others." One could come to the conclusion that Joan liked to try to out give the Lord. Joan opened her house to others, showing hospitality. Some of the greatest times were when she made up quite the spread of food for Clinton PD and law enforcement during "Ole Glory Days." As a teacher she loved her students and she knew teaching was her call. She served the Clinton School District as a Teacher and testing coordinator 1984-2013, she then served in Warrensburg 2013-2016, and after retiring she substituted for Clinton Intermediate School 2017-2021. Joan always wanted to help any student to excel, and she had a way with those having special needs to bloom.

She enjoyed crafting, fishing, cooking, photography, traveling and singing. Her favorite thing to do was to help others.

Surviving are one brother, Fred Hagemier and his wife, Laura, Middletown, Mo.; two nephews, Jarrett Hagemier and his wife, Andee, Curryville, Mo., and Ty-

ler Hagemier and his wife, Aundrea, Middletown, Mo.; and four great-nephews, Gage Hagemier, Gil Hagemier, Gavin Hagemier and Grant Hagemier. She was preceded in death by her parents.

Memorial service will be at 11:30 a.m. Saturday, September 18, 2021 at the Northeast Baptist Church. The family will receive friends from 10:00 a.m. to 11:30 a.m., just prior to the service. Reverend Joey Conway will officiate. The family suggests memorial contributions to Northeast Baptist Church or Middletown Baptist Church. These donations may be left in care of the funeral home. A second memorial service will be on October 2, 2021 at 4:30 p.m. at the Middletown Baptist Church, with the family receiving friends from 3:00 p.m. to 4:30 p.m., just prior to the service. Middletown Baptist Church, 302 Johnson Street, Middletown, Mo. Services under the direction of the Bradley & Hadley Funeral Home, Clinton. Condolences may be left online at [www.bradleyhadley.com](http://www.bradleyhadley.com).

**FREDDIE RAY DOHERTY**

Freddie Ray Doherty, 63, went to be with the Lord Sept. 5, 2021, in his home surrounded by family, after a short battle with cancer.

Born May 12, 1958, in Paragould, Ark., he was the son of Carl and Bonnie Doherty.

He graduated from Niangua High School in 1976 and obtained B.S. Ed., M.S. Ed. and Specialist in Education Administration degrees from Southwest Missouri State University.

Freddie began his career as a teacher and coach at Niangua High School and went on to teach and coach at Hartville High School, Springfield Central High School and Mansfield High School. He was middle school principal at Mansfield before becoming superintendent of Sherwood-Cass R-VIII School District. He moved from there to accept the position of superintendent of Oak Grove R-VI School District, from which he retired in 2018.

On Aug. 11, 1990, he married Stacey Lynn Day in Springfield. They had one child, Cole Thomas Doherty, born in 1994.

Survivors include his wife; son and his significant other Gabby Wilson; mother, Marshfield; sister and brother-in-law Donna and Stan Johnson, Jefferson City; brother David, Marshfield; eight nephews and nieces along with their children; and mother-in-law Sandra Day.

He was preceded in death by his father and

grandparents Freddie E. and Beulah Doherty and Adolphus and Allie Dunigan.

Freddie loved sports—most enthusiastically basketball and baseball—and especially if Cole was playing or coaching. He and Stacey did everything together, including supporting Cole's activities, working in the same school districts, and enjoying movies, shows and concerts. He had a natural charisma and that endeared him to everyone and was a jokester and prankster always making people laugh.

Funeral services will be held at 2 p.m. Sat., Sept. 11, at the Oak Grove School District Performing Arts Center with visitation prior or beginning at noon. Masks and social distancing are required inside the PAC. Graveside services will be held at Marshfield City Cemetery at 2 p.m. Mon., Sept. 13.

In lieu of flowers, contributions can be made to the Freddie Doherty Memorial Scholarship Fund in care of Stacey Doherty, P.O. Box 11, Oak Grove, MO 64075.

Arrangements: Royer Funeral Home, Oak Grove, MO 816-690-4441

**GARHON LEA STAUSS**

Garhon Lea Stauss, age 84 years, of Clinton, Missouri passed away August 31, 2021 at Phelps Health, Rolla, Missouri.

Garhon was born July 14, 1937 in Fort Worth, TX the daughter of Howard and Frankie Ekman. She was an avid reader, quilter, active in politics, past President of MFRW, loved flowers, and loved to laugh. She was a proud member of the Chickasaw Nation. Nothing was more important to her than family, friends and church.

Garhon was preceded in death by her parents, Howard and Frankie Ekman.

She is survived by her spouse of 62 years, Gary Stauss; 2 children, Elizabeth Stauss and Mark Stauss (Vicki Brightwell) of Trimble, Missouri; brother, Earl Ekman of Crestwood, Kentucky, sister-in-law, Sue Wentz of Kansas City, Missouri; granddaughter, Katia Stauss of Kansas City, Missouri, 4 great-granddaughters Emily, Abby, Molly and Penelope, and nephews Paul and Michael Wentz.

Funeral services were held Saturday, September 11, 2021 at the Trinity Lutheran Church, Clinton, Missouri with Pastor Erik Rottmann officiating. Services were under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

**ELFRIEDE SPARKS**

Elfriede Sparks, age 84, passed away on Thursday September 2, 2021 at Golden Valley Memorial Hospital in Clinton, Missouri.

Elfriede Sparks was born to Joseph & Katherine Dohmen in Cologne Germany in 1937.

Elfriede was one of

the most caring, loving, hard working people. She raised her family alone, working long hours, sometimes doubles as a CNA. She made sure that her 4 children had everything they needed at all times. Yes she sacrificed sometimes having to work not being there with her family but they knew it was all for them.

In 1983 Elfriede met the love of her life, Harold Sparks. She would eventually move with Michelle and Danny to Calhoun to live on the farm and enjoy farm life. Oh how she loved growing a garden with Harold and they would take care of the sheep. They would go to the catfish pond in the evening and feed the catfish together. In the evenings they enjoyed playing dominoes or cards with the family. Every weekend she would make sure that her family had homemade breakfasts. Harold worked as a roofer and was gone most of the time during the week, but on weekends she

and Harold would sure make time to spend together with the family. It's very funny that my mama would go to town and get groceries and do what needed to be done. Some weekends Elfriede and Harold would go and visit friends.

Elfriede decided to go back to work after Harold passed in 1989. She would then start at Westwood Nursing Center in the dietary where she loved her job and the people. She would have 2 days off and the first day, well it would go well, that second day would roll around and boy was she chomping at the bit to get back to work hoping they would call her in so she didn't have to sit around. She had 2 yorkie pups, Rebel and Camo which everyday mom would get off work she would let her pups outside and then go in the house and take her 2 hour nap. She was the best mother and grandmother.

Elfriede sure loved her family. She would come to raise Colton &

MacKenzie and made sure they were so loved and taken care of. When her grandson Cole was born she was so excited to have a great grandchild and her and Cole had a bond like no other. Eventually Colton would have a son Blake and she was thrilled to get to go to the hospital to see him. Mackenzie had a boy Kayden and gram sure enjoy him as well. Elfriede was the kindest lady she would do anything for anyone. She loved sitting outside watching people or watching the grandkids. She loved Coloring after she retired from Westwood. Elfriede wasn't someone who cared about material things, but when her son Mitch always made sure she had the best. She was so appreciative. She was one of a kind. She loved her TV, watching her shows. Let's make a deal, Dr. Phil, and so many more. She enjoyed sitting in her room staring out the window while she colored. And her box-

*Thank you,*

for your outpouring of love, kindness, concern, and encouragement after our beloved daughter, sister, granddaughter, niece, cousin, teacher and friend, *Whitney French*, passed away last year. We can't tell you enough how much your thoughtfulness and support have meant to our family throughout the past year. Not only did we see how much we were loved, but we got to see, firsthand, how much *Whitney* was loved by everyone who knew her. Your notes, cards, donations, and gestures made us realize how much we value and treasure our community. We also want to *Thank You* for sharing the memories, pictures, and stories that you had about our precious daughter and sister. She loved each and every one of you.

We know she's watching over all of us.

May we keep her memory alive by loving others, doing good for those around us, and living life to the fullest.

## This Is A Cemetery

Lives are commemorated – deaths are recorded – families are reunited – memories are made tangible – and love is undisguised.

This is a cemetery.

Communities accord respect, families bestow reverence, historians seek information and our heritage is thereby enriched.

Testimonies of devotion, pride and remembrance are carved in stone to pay warm tribute to accomplishments and to the life – not death – of a loved one. The cemetery is homeland for family memorials that are a sustaining source of comfort to the living.

A cemetery is a history of people – a perpetual record of yesterday and a sanctuary of peace and quiet today. A cemetery exists because every life is worth loving and remembering – always.

## Clinton Church of the Nazarene

Rev. Tom Waller, Pastor

### September 5, 2021 Service

Pastor opened the service with prayer. The last Sunday of the month, we will celebrate Alabaster Day and collect the Alabaster boxes.

Pastor began his sermon with a story, then reminded us that God knows our every need. He answers prayers. We need to pray, believing that God does hear, and He is capable of answering each plea.

The message was to make some noise for Jesus with our prayers. This is so needed in today's world. We see all the calamities that are happening around us: the earthquakes, floods, and desperate situations people face. Some say the end is near. But God has waited, hoping more people will repent and turn from their sinful ways. We do not know, but in God's own time, He will open the Heavens and call His believers home. God is still working. We need to pray, believing God is able and there is nothing God can't do. Call out to God! Be fervent in your belief. God hears and God answers. All things are possible to those who believe. Verses from Luke 22, Acts 12, and James were used to further illustrate the message.

We thank each person who came to worship here today. We pray you received a rich blessing by being here and that you will come again. See you in church?

## First Presbyterian Church

There is so much beauty in this earth and in heaven. We are reminded daily of God's creative love. We are blessed with large and small visions of God's glory. Remember to sing and shout praises of thanksgiving and joy to our God. Rev. Nancy Gillard titled her message Comfort for the Troubled Heart using Psalm 25 as her scriptural text. We were blessed with the anthem "Seek Ye First the Kingdom of God" presented by our hand chimes players.

The Naomi Ruth Circle ladies continue working on mission projects. On Friday they met and created some warm and inviting looking blankets to be delivered later in the year. Some fortunate individuals will enjoy these snuggly blankets on a chilly winter day.

Baskets of school supplies and discarded eye glasses continue to fill up. We are still in need of a few more items and more left over garden seed from 2021 that will be used for Community Gardens next spring. If you haven't taken the opportunity to be involved in this mission project there is still time. Collection will continue through Sunday, September 26th. A list of needed supplies is available on the table display in the foyer.

A new bible study titled Courage: Jesus and the Call to Brave Faith has begun on Wednesdays at 4:00 pm. The 6 week course challenges us to unlock the courage that we already possess as Christ's follower and find the remarkable life Jesus offers us. Rev. Nancy is guiding this study.

The First Presbyterian Church is a designated Cooling Center. When a heat advisory is in effect for Henry County, our doors will be open from 1 pm to 5 pm Monday through Friday. We are pleased to be able to offer this service to those in need. Please help spread the word throughout our community.

You are invited to join us in worship each week. If unable to attend in person, please find us online at: You tube Nancy Gillard, fpccclintonmo.com or Facebook First Presbyterian Clinton MO. Sunday sermons, worshipful music, church updates and prayer times are available there. Our Sunday service is also broadcast on FM radio 87.9 at 10:30 am.

The majority of people in the United States have eaten at a fast-food restaurant. Besides serving hamburgers, there are fast-food establishments that specialize in everything from chicken to ice cream. This is the one-hundred-year celebration for what most historians claim as the first fast-food restaurant, opened in 1921. That claim goes to White Castle, a fast-food restaurant opened by Billy Ingram and Walter Anderson, in Wichita, Kansas. White Castle is not the most numerous of the fast-food chains, because it was never franchised. It still remains company-owned, by the Ingram family. The first drive-through restaurant, according to numerous sources, was here in Missouri. Red's Giant Hamburg opened in 1947, on what was Route 66, near Springfield. The original restaurant closed in 1984. Perhaps the oldest "fast-food" was actually centuries ago when the Hebrew children were struggling for food in the desert. God heard their cries and sent food (Exodus 16:11-16).

Bible study, including prayers for a new minister, is on Wednesdays at 7:00 PM. The GV Charity Crafters meet at 10:00 AM, on Tuesdays. On Sunday, September 26th, we will have a guest speaker, updating us on Mission to Russia, one of the missions GVCC supports. Please remember to keep in prayer those on our prayer lists, and finding the right minister for GVCC.

In his message, Bro Fuller focused on the book of James, starting with chapter 1:1-18. This James is the half-brother of Jesus, who actually did not begin a ministry until after Jesus' resurrection. It was written to the Jewish Christians that had been scattered. James touched on a number of topics in this letter. Faith and wisdom are the themes James wrote about most, and considered very important. In one topic, James pointed out that God does not tempt people; rather, when we are tempted, it starts with our own desires. James tells us to be happy during trials or troubles in our lives, because we learn perseverance and experience maturity. The book of James is a practical book, helping us to live a Godly life.

Golden Valley Christian Church meets at 611 South Third Street in Clinton. Sunday School classes begin at 9:30 AM, and the morning worship service is at 10:30 AM. Our interim minister is Elmer Fuller, and our website is www.goldenvalleyc.org, where you will also find links to access our Facebook page and YouTube sermons. We are happy to invite you to attend our services, where you will always receive a warm welcome.

### "Rejoice, And Again I Say Rejoice"

Scriptures: Philippians 4:4-9, Nehemiah 8:10, Romans 8:28-33, Luke 21:19, Habakkuk 3:18-19, Daniel 3:19-24

We can give you scripture all day, but when you go back to memory and look over your life, see the changes that you went through that brought you out to the other side. Then you can rejoice too.

It's not until God makes a difference in your life and takes you through the trials that you can rejoice. It says In Philippians 4:4-9 Rejoice in the Lord always: and again I say, Rejoice.

Php 4:5-9 Let your moderation be known unto all men. The Lord is at hand. Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you. (KJV)

It says in Romans 8:28-33 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. What shall we then say to these things? If God be for us, who can be against us? He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Who shall lay any thing to the charge of God's elect? It is God that justifieth. (KJV)

The devil is smart. He isn't the stereotypical view you may have of him; red in color with pointy horns, long tail, carrying a pitchfork. That is why God gave us the whole armor to put on. That helmet of salvation- when God loses you he will always bring you back.

We hear as children that God is real, he will not destroy us, he is loving. We destroy ourselves because of our free will. God will put someone in your path, he will bring back your remembrance where you went, what you have lived, people you have encountered who may have invited you to church.

When you do come for that visit, you will find out that God is real. He is the true living God who sits high up and looks down below. He never stops trying to compel you to come to him.

Trials are going to come no matter what, but at the end of the day God wants to save as many people as he can. Not everyone wants to be saved or serve God.

Don't run from God. Come to church, praise him through the storm because it opens his unchanging hands to work in your life.

Daniel and his friends stood up to King Nebuchadnezzar, letting him know they were going to serve their God, the one and only true God. This day has been recorded in heaven. Anything you have done on the sly, because you drifted from God, it has been recorded in heaven. This service, scripture and prayer are recorded in heaven.

There is no delete button for you to push that will erase it. Whatever is done in the dark shall be revealed in the daylight. People won't see, but God sees what you are doing. Luke said in patience we possess our souls ( Luke 21:19 KJV)

When troubles come don't breakdown.

You are disappointing God when you do because he gives you the armor of God.

As we come to church, Sunday school, Bible Study, Prayer, read our word, and believe the word, God strengthens us and makes us steadfast. Habakkuk said the Lord is my Strength. (Habakkuk 3:19 KJV)

I give God all the glory and praise because he will always bring you out. There will always be trouble while we are here on earth. We should pray for one another. When the devil tries to slander you in some way, those who know you will not believe it. God has our back, we just need to trust him and have faith in him.

When we see people doing stuff and it looks like they are getting by, we all have to stand before God at the end of the day.

God will take you through the storms. He hasn't lost a case or anyone who wants to walk upright and serve him. What you put in your heart will come back to your mind. Hold on to God's unchanging hand. God Bless.

## Mt. Zion United Methodist Church

Pastor David's message, "Sticks and Stones", had references from Isaiah 50:4-9a, and James 3:1-12. Remember that old saying we often said as kids: "sticks and stones may break my bones, but words can never hurt me."? That old saying could not be farther from the truth.

We can all probably say that we have done much more harm with our tongues than with our fists. The passage in James tells us; "the tongue is a small member, yet it boasts of great exploits"... "the tongue is a fire"... "no one can tame the tongue—a restless evil, full of deadly poison"... "from the same mouth come blessing and cursing. My brothers and sisters, this ought not to be so." James uses the imagery of a ship—a massive vessel—being guided by a very small rudder. This tiny rudder can save or destroy a ship. Likewise, a fiery tongue can cause us time and time again to be shipwrecked, or to cause others to be shipwrecked.

When we lead, argue, or attack in a spirit of anger—tearing down those around us instead of building them up—we are in a state of sin and we are not loving our neighbor as ourselves and we are not willing them the good. Yet, thanks be to God, we have the Holy Spirit to remind us of our sin. The passage in Isaiah says in part; "the Lord has given me the tongue

of a teacher, that I may know how to sustain the weary with a word." "The Lord God helps me therefore I am not disgraced."

So, if we don't want to find ourselves in disgrace—in a state of sin—then we better listen to the Holy Spirit because that is God urging us to think about what we are about to say before we say it. If we have even a little hesitation that what we are about to say is harmful—against the spirit of Christ's teaching, or with the intent of tearing down someone—then we should not say it. Beware when opening your mouth. Let blessings, not curses come out because we are all made in the image of God and precious to our Lord.

So be encouraged dear church family, to watch what you say, because sticks and stone may break bones, but words can also be very hurtful. Amen!

## Northeast Baptist Church

God's Purpose for saving us is to live in us, to work in and on us, and to ultimately love through us. He has made us to be the tangible expression of Himself to this lost and dying world.

He desires to reach that world through us. This reaching is effectively done as a result of the overflow of our relationship with Him. That relationship is deepened as we grow with other believers. Koininia is fellowship with God and others. Going to church is for the purpose of worshipping God. The church is a spiritual hospital. It's there for us to get healing.

Above the door of the church should be a sign saying, "Enter to worship. Leave to serve." To become a church member is to be involved in God's work. "So, we, who are many, are one body in Christ, and individually members one of another (Romans 12:5)." We are in an ongoing prayer ministry for our families, our community, our government and our world.

## Urich Baptist Church

With thankful hearts we gathered to worship the Lord. Today, Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Dixie Collins playing piano. We rejoiced with Michael and Olivia Klinefelter and Mick Vogt on their birthdays. Gary Vass and Clint Keeney collected the offering.

The scripture passage from Pastor Chad Pollett's sermon was from Ephesians 6: 16-17. This passage describes Paul's final words about the armor of God. Faith is our first line of defense and shield against evil. All Christians have on the "helmet" of salvation. This salvation comes from Jesus Christ dying on the cross for our sins. We have security and assurance of our salvation that won't be taken away. Our armor against evil is the truth that is found in the Bible through scripture. If we focus on all these we can battle against the devil and any temptations each and every day. Have a great week.

## Valley Center United Church of Christ

On this 20th anniversary of 911, we remember the first responders, all those whose lost their lives and their families and this nation and world. We pray that God will heal our wounds and his spirit will bring us together in unity.

We send our prayers to Cindy Knight, Jim Switzer and Art Neuenschwander who all are facing health issues. We sang happy birthday to John Neuenschwander who turned 17 this week! We are so proud of this young man!

Jesus told his disciples that the Son of humanity must suffer many things, be rejected, be killed and rise again. But even as Jesus plainly spoke the words of what was to happen to him, Peter still questioned him and didn't believe him. Jesus said for Peter to get behind him and to listen and believe.

It is human nature to feel like we are right and someone else has it wrong just as Peter did. We all make mistakes and fall back to our old ways of being people without faith. Christ came as our healer and as our Savior. He brought love and hope to all of us.

We need to stand behind Jesus and keep our eyes and hearts focused on him and be the people of faith that he expects us to be.

## Henry County Commission

**AUGUST 31**

The Henry County Commission met pursuant to adjournment at the courthouse in Clinton, Missouri.  
Those members present were: Jim Stone- Presiding Commissioner, Rick Fosnow-North District Commissioner, Dale Lawler-South District Commissioner, Rick Watson-County Clerk  
The agenda was approved.  
At 9:00 a.m. Commissioner Stone brought the meeting to order.  
The minutes from the Thursday August 26st, 2021 meeting were read and Commissioner Fosnow made a motion to approve the minutes. Commissioner Lawler seconded the motion, motion carried.  
Expenditures from the following were approved to be paid:  
Employee Benefits  
Prosecuting Attorney  
Buildings and Grounds  
General County Government  
Victim Advocate  
Road and Bridge  
Law Enforcement Fund  
Juvenile Office  
Admin Handling Fund  
Commissioner Fosnow shared of a conversation he had with a constituent regarding mowing in the Deerfield Special Road District. The group discussed the mowing schedule.  
The group discussed a culvert that needs to be replaced on private drive way in Tebo Township that had been installed by the Township many years ago. The failure of the culvert would cause damage to the road. The Township has asked the county to

replace the culvert.  
Vin Journey, Emergency Management Director, met with the Commission to submit the new Emergency Management Program Grant. The Commission reviewed and signed. He also shared of Flood Plain information.  
Dennis Bowers, Road and Bridge Supervisor, attended the meeting to discuss the culvert replacement in Tebo Township. The culvert is just off the road, but needs to be replaced to preserve the road, should it flood. There was discussion regarding the possibility of digging a new ditch along the road, in order to stay off the property, but this type of repair would be cost prohibitive at this location. The group discussed getting a permanent easement, at the site of the culvert, so the county would be able to make repairs, as needed, in the future, in order to maintain a safe road in that area.  
There was discussion on the replacement of a bridge on SW 801 Rd in Bear Creek Township. Dennis shared that he has it scheduled to replace in early 2022. Dennis discussed the mowing in Deerfield Special Road District. The road board has requested brush cutting vs. mowing in the area of NE 400 and NE 401.  
The group discussed the Gooseneck Trailer bid, received last Thursday. Dennis shared that he had inspected the trailer, bid out by T&B Welding. He stated that many of the items in the bid specs would not be needed and would have decreased the price to \$18,300. He also stated that it would be January before the trailer would be available. It was decided to rebid the gooseneck trailer after revising the bid specs.  
Commissioner Lawler shared that he had made contact with Matt Gieger, of MoDot to perform a bridge inspection of the county's bridges that were less than 20'. He also shared of a meeting he attended with West Central Community Action Agency. They are working on a transportation program to assist the community.  
Commissioners adjourned at 12:00 p.m.

## P.E.O. Sisterhood Chapter IU Meeting

Pictured from L to R: Brenda Ford, Vigie Cook and Roberta Edgett

Chapter IU of the P.E.O. Sisterhood held their regular meeting at the Rotary Building on Thursday, September 9, 2021 with 16 members answering roll call. President Brenda Ford presided at the meeting with Roberta Edgett serving as hostess and Virgie Cook serving as co-hostess. The tables were beautifully adorned with Fall decorations, and refreshments of pumpkin bundt cake, mixed nuts and candy corn were served.

A game night will be held Thursday, September 23 at the Rotary Building. Suzanne Ammons shared historical research she had gathered regarding our sisterhood. Brenda Ford presented an interesting program on P.E.O. Scholar Awards and shared stories of some of amazing women who have been selected for the monetary awards to further their education.

The next meeting will be held at the Rotary Building on October 14, 2021 with Brenda Ford serving as hostess and Margaret Barr as co-hostess.

## Business Index Growth

For more than a year, the Creighton University Mid-America Business Conditions Index, a leading economic indicator for the nine-state region stretching from Minnesota to Arkansas, remained at or above an expansionary level. Economists consider the index, which measures such factors as new orders, production, supplier delivery times, backlogs, inventories, prices, employment, import orders and exports, a key economic indicator. Typically, a score greater than 50 indicates an expansionary economy while a score below 50 forecasts a sluggish economy. Missouri's Purchasing Managers' Index (PMI) for August was 75.2, increasing 3.9 points from July and in expansion territory, according to the monthly index.

## This I Remember

Editor's Notes: I recently met a special CHS alum, Steve Phillips. He has a lot of Cardinal Sports Memories so, via a friendly interview, Steve shared some of his memories and thoughts about recent events.

Steve Phillips (aka Bird to many friends) has been spotted in Clinton after years traveling the country and, as he says, "exploring life." Steve graduated in 1970 and has the distinction of being a three year starting QB for the Clinton Cardinals with a record of 27-3, winning 19 in a row. The Cards went undefeated in 1968. Back in Steve's day making the playoffs was done by 'comparing' schedules, so believe it or not, the Cardinals did not make the playoffs during this three year span. Steve still vividly remembers when Coach Richie pulled him off to the side to tell him that as a 14 year old sophomore he would be the varsity QB. Steve started the next 30 games. When Steve graduated he went to SMS in Springfield. His second year at SMS he went out for football not knowing what to expect. He did well and was surprised when he got cut at the last minute. He transferred to UCM, got a teaching degree in Health and Physical Education. He taught out of state for a few years in Christian Schools. A death in the family brought him back to Missouri. He got out of teaching and started a series of 'odd jobs' mainly in construction. He even worked at the Montrose Power Station for three years.

Steve is proud of his two grown sons, Rob and David. He is presently not married. Back in 1983 Steve said he needed a change. He always wanted to experience California, so off to LA he went taking a bus. Working at an auto glass company he was encouraged by customers to go into modeling. From there he got into acting and has some credits with appearances on "Star Trek Next Generation." He also spent time doing radio gigs in the New York area. Back in California Steve spent time with a good friend that was very connected to 'Show Business', directing, writing, etc. He loved it.

Why is he back in Clinton? Steve has family here. He has a sister-in-law and niece and his 93 year old mother that is needing some assistance. You may have seen Steve riding around town on his belt driven 'Priority' bicycle. Steve, living in the LA area, has not owned a car for 13 years. He gets around different ways friends, family, his bike.

He loves the decision that Kevin LaFavor and the school made to play a JV only football schedule this year. Steve commented, "I think it was brilliant, I could not be happier. It was the right thing to do to rebuild the program." Steve emphasized he still feels very invested in the program, "Before the season I was given the opportunity to talk with the team. I love going to their games."

Steve is not sure what his next adventure will be; will it be here or back in LA/Hollywood? He never thought he would return to Clinton. He really doesn't know. He admits he still thinks about an acting career. Good luck Steve and thanks for sharing your story. (And of course, Go Cards.)

# Cards Fall To Saints In Clinton Tourney

**GOALIE TYLER GARDNER**, with a ton of help from his teammates, rejected another attack from the St. Paul Saints.

This was game #1 for the Cards in the Clinton Soccer Tournament on Wednesday, Sept. 8. It was a great game between two very good teams but the results were very disappointing for the Cardinal fans. The Cards came into the tournament 1-0 and the St. Paul Saints were 5-0. It was a classic battle with both defenses being tough as nails and both goalies doing great jobs. The Saints had the majority of the attacks and the Cardinal goalie, Tyler Gardner, handled the ball many times but the Cardinal defense never left an attack go unmarked. The game was 0-0 at the half.

The Cardinals gained more offensive presence in the second half but could not find the back of the net. With 13 minutes left in the game Wally Gregory controlled a long feed from a teammate and broke for the goal. A Raytown defender was banging Gregory step for step on a deep run to the right corner. Gregory took a deep angle shot that sliced into the left side of the net. A great shot. The good sized crowd cheered as the Cardinal players started a well deserved celebration when they noticed the off-side flag was up. I was also surprised by the call because Gregory had made a 20 yard run with the ball and with a defender on his shoulder. A tough break. The Saints kept their attacks coming and with 6:40 left in the game scored on a scramble. The Cards late attacks fell short and they lost 1-0. The Saints would go on to win the tournament.

## Cards Beat Raytown In PKs Cards Defeat Tigers

**THE CARDS DEFENSE** is very tenacious. Here left to right; Jackson Woodland, Brant Bremer, Noah Adams, Derek McCormack. Adam Walrath was out of frame.

The Cardinal soccer team played another exciting game on Thursday, Sept. 9 in the Clinton Tournament. Keaton Townsend scored early in the first half for the Cards to make it 1-0. Derek McCormack added another to make it 2-0. It seemed the Cards attacks were surprising the larger school. Raytown used some of their own quickness to make it 2-1 right before the half. The Cards went up 3-1 in the second half when midfielder Adam Walrath surprised the goalie. The second half was quite a battle. Raytown would not go away and made it 3-2 with 32 minutes left in the half. McCormack scored again on a long transition assist but it was called off-sides. The Cards tried to bend and not break but the Bluebirds tied it up 3-3 with 6 minutes left in the game.

Both teams went into a fury but nobody could score. Both teams were obviously very tired, playing two games in two days. Many Raytown players were cramping up needing assistance and the game slowed down considerably. The game ended tied. After two 10 minute OT the score was still tied 3-3. The game moved into PKs. The Cards sent Wally Gregory, Keaton Townsend, Noah Adams, Derek McCormack and Brant Bremer to the line. They all scored. Tyler Gardner, in goal, could not stop the first three Raytown PK shots but blocked the fourth. Bremer drill his PK kick into the net to give the victory to the Cards. A great celebration ensued. It was a great night to be a Cardinal. They play Greenridge on Saturday morning.

## Cards vs. Holden Cancelled

The Monday night Cardinal JV game on Sept. 13 vs Holden was canceled do to Covid issues. It is the understanding at this time that the home game on Monday, Sept. 20 vs P. Hill will be played. Like last year, schedules may need to be flexible.

**THE CLINTON CARDINAL SOCCER** team had a great tournament with only one off-sides call from winning the title.

The Cardinals had played two very tough teams on Wednesday and Thursday in the Clinton Tournament and wrapped things up vs Green Ridge on Saturday morning, Sept. 11. Before the game a very nice 9/11 ceremony was led by announcer Eric Townsend. Green Ridge is in the middle of a rebuilding year and are having a hard time vs bigger schools. The Cards dominated, even when most of the varsity starters left the game. Derek McCormack got the first goal followed by Hunter Willings. McCormack put another in the net before Coach Adams started rotating his players. Abraham Griffey added a fourth goal, Keaton Townsend broke away for the fifth. Most of the second half the Cards youngest players were in the game. The sixth goal was scored by freshman Eli Griffey on a PK. Jackson Woodland added the last goal to make the final score 7-0. The Cardinal goalies were Tyler Gardner and Keaton Townsend. Note: The Cards have given up only four goals in four games. A games defensive spotlight goes to Noah Adams, Evan Mantonya, Xzavier Ray, Cale Zink and Caden McCartney (along with many others). Defender Dylan Bloom was not available for the tournament. The midfield is usually anchored by Adam Walrath, Brant Bremer and Wallace Gregory with relief help from freshman Jackson Woodland. Other JV players that got varsity time in the game were Miles Russell and Landon Modlin. The Cards were 2-1 in the annual tourney (getting second) and 3-1 on the season.

## Cards Fall To Panthers 1985 CHS Tennis Team

**AVA POTTER SLIDING** into second vs the Marion C. Early Panthers. The Panthers turned the double play and won the game 9-0. The Cards face the P. Hill Chicks on Thursday.

The Lady Cards fought hard and stayed with visiting Panthers through four innings but it got away from them as the late innings wore on. The it was 4-0 after four, 7-0 after six and 9-0 after seven. The Lady Cards could put the ball in play but not hard enough to get many baserunners. Briley Wishard was on the mound and took the loss. The Cards are now 1-5 on the season. They will face the (0-2) P. Hill Chicks on Thursday, Sept. 9.

**THIS 1985 CARDINAL TENNIS TEAM** that got 2nd in Districts, 3rd in State, and won the big Sedalia Tourney. Front row Chris Hall, Tim Kriesler, Shane Coughlin, Scott Baker, Todd Wahl, Ron Kulusha. Back row: Jim McCartney, Gary Minich, Kit Walker, Pat Bernard, David Busker, Jack Hill and Coach Hensley.

In my efforts to come up with "This I Remember" stories for you I was bugging Pat (Patrick) Bernard. I knew that he was on a very good CHS tennis team 'back in the day' and I asked him about it. He was reluctant to go into detail but simply said there was no one special moment... "The whole year was special and I remember it well." Pat said, "It was a team of fighters and we had mutual respect for each other and the game." Thanks for sharing Patrick. Go Cards.

## Cardinals Spike Tigers

**THE LADY CARDS** celebrate winning a point during their match vs the Smith-Cotton Tigers.

The Cardinal volleyball team traveled to take on the Smith-Cotton Tigers on Thursday, Sept. 9. They came into the game with a record of 2-4. The Cardinals came up short in the freshman game losing 1-2 (18-25, 25-21, 6-15). The Cardinal JV won 2-1 (25-19, 15-25, 15-13). The varsity squad swept the Lady Tigers 3-0 (25-16, 25-22, 25-15). The Cardinal volleyball team will host Barstow on Tuesday, Sept. 14.

## Youth Football Season Starts Off With A Win

**CLINTON YOUTH FOOTBALL** got off to a good start on Saturday, Sept. 11 winning 3 of 4 games. Above the 4th grade team getting a win over Oak Grove.

Week 1 Sept. 11 (in Holden): 3rd grade Cardinals 6 P. Hill 0 (OT). Coached by Brandon Jolley, Parker Mills and Garrett Smith. 4th grade Cardinals 31 Oak Grove 0. Coached by Dana Banks, Ryan Parks and Jacob Goucher. 5th grade Cardinals 25 Holden 0. Coached by Byron McCoy and Tyson Rathart. 6th grade Cardinals 13 Warr. 14. Coached by Cody Westendorff and John Carr.

## Chiefs Win Over Cleveland

They did it again, the Chiefs made another dramatic 'Mahomes Magic' comeback. They were down 22-10 at the half, 22-20 after the third quarter but found a way to win 33-29 over the Cleveland Browns on Sunday, Sept. 12. The Browns' Baker Mayfield played great but a fumble, a botched punt attempt and a variety of penalties were hard to overcome. The Browns looked like the better team until the 4th quarter when Mahomes, Kelce, Hill and all the Chiefs did what they do best. (Come from behind to win.) The Chiefs travel next Sunday, Sept. 19 to play the Ravens. Go Chiefs.

## Cards Fall To Panthers

**CARDINAL VARSITY** tennis player Grace Sisk in recent action.

(Cards vs Harrisonville Wildcats)  
 The Cardinal Tennis team had a tough time vs the visiting the Wildcats on Thursday, Sept. 2. The varsity was able to capture two matches, Grace Sisk 8-0 and Elie Swatters 8-1. The JV squad's Brooklyn Mullins won her singles match 6-4 and Carley Combs and Railee Compton won their doubles match 6-1. The Cards are 1-2 on the season. Smith-Cotton comes to town on Sept. 8.

(Cards vs Smith-Cotton Tigers)  
 On a warm Sept. 8th the Cards lost to the visiting Tigers 4-5. The winning matches were: Doubles- Ellie Swatters & Tessa Hook: 8-6. Grace Sisk & Marissa McClain: 9-8. Singles- Tessa Hook: 8-6 and Grace Sisk: 8-4. The Center game was canceled on Sept. 9. The Cards will play in the always tough Warrensburg Tournament on the road on Friday, Sept. 10.

(Cards in Warrensburg Tourney, Sept. 10)  
 Information from Coach Hilmas-Taylor: Paityn and Kennedy Cook took 4th place in their bracket and played their best doubles, so far. Tessa Hook and Ellie Swatters also took 4th place in their bracket.

(Cards vs Warr. Tigers, Sept. 13)  
 The Tigers roared again sweeping the Cards 0-9, but Coach Taylor commented "The majority of the girls played their best matches, so far. Each individual game was far from a blowout. The tennis team will face Odessa on the road on Tuesday, Sept. 14.

## Crappie State Tourney

**THE CRAPPIE MASTER** State Championship was held Sept. 11-12 on Truman Lake, hosted by the Bucksaw Marina. Local anglers from Osceola, Jack and Holly Linton (aka The Big Green Machine because of their boat), took third and won other awards.

Local anglers do well: The Linton's ( Jack and Holly) did not win the Championship of the Crappie Masters Missouri Crappie Trail on Sept. 12, but took 3rd place and the second big fish. The 1st place weight was 26.69. The Linton's weight was 24.22 with a Big Fish of 1.97. They also won the Top Male/Female team of the year. They also finished second in the Angler Team of the year points race. Not a bad year and it is clear they love what they do and are very grateful to their sponsors.

**COLT SHOW CONT.** roadster Colt, and Frank Richardson won best draft Colt. The event was such a large social success amongst the farmers the council agreed on opening the event to the rest of Henry County and that there would be another event on September 6th of 1902. Thus, the Annual Calhoun Colt Show was created. The Colt Show has had 112 successful events only missing 2 different years, during World War 1 and the Spanish Flu pandemic in 1918. In the 1950's-60's at one point more than 10,000 people showed up. Every single year the Colt Show hosts colt shows in the Price Memorial Arena, with vendors, kid's days, and auctions. Abraham Kohl, the president of the board was asked if this year's turnout was what they had expected, he responded with "it was a little smaller than usual this year, but we are already planning different things for next year and we can't wait for that, however our Beer Garden drew a lot of people in, and the Car Show and live music were some of our biggest attractions. The car Show had about 30 plus entries and the Colt Show had about 50 plus entries this year." I mentioned to Abraham that I had spoken to a couple of people while attending

and they had stated that in the past there are usually a some kids carnival rides and that this year they had decided on only bringing in bouncy houses and slides, I asked Abraham if there was a reason behind the change this year, "with COVID-19 being a factor the state only has about 5 or 10 carnivals running right now and as far as maintenance for them, it's hard to find anyone willing to do that and when I was trying to get quotes for different rides I was quoted at about \$5,000 for just a single small Ferris wheel, and because this is an event where all of the proceeds go to charity I would prefer to donate and help the town rather than spend an extreme amount on a single ride, I'm Calhoun we really try to help our citizens out however and whenever we can, which is why we put on so many events like this throughout the year, we want to make sure everyone is taken care of. We used ShipShape this year and they are a privately owned business originating out of Warrensburg and it looked like the kids really enjoyed it this year and we plan on doing the same next year and we are currently talking about bringing in a dunk tank and jousting and hopefully more things for

next year." said Abraham. While in attendance I asked one of the children, Braxton Parker, playing on the bouncy houses what he thought of the Colt Show this year and he said, "this place is the best, I really like the slide because the line moves really fast!" The Calhoun Colt Show consisted of a 1970 & 1971 Calhoun Class Reunion on Friday. Corn hole and horse-shoe pitching contest, a parade that consisted of the Windsor fire department as well due to Windsor's Septemberfest parade being cancelled, and a car show on Saturday. On Sunday there was kids' day and worship service. On Friday and Saturday night there was live music by Clearwater and Amargia Ridge Runners. Don't forget every 2nd weekend of September Calhoun hosts its wonderful annual Colt Show and it's something you don't want to miss out on!

#### JAMES "JIM" ESAREY

James "Jim" Esarey passed away on the morning of Saturday, August 28, 2021 at his home in Warrensburg, Missouri at the age of 55. Funeral service will be held at 11:00 AM on Thursday, September 2, 2021 at the JC Cowboy Church (124 NW 251st Road) Warrensburg, Missouri. Visitation will be from 10:00-11:00 AM prior to the service. Burial will be 2:00 PM at the Missouri Veterans Cemetery (20109 Bus. Hwy 13) Higginsville, Missouri. The Family suggests memorial contributions be made to the Warrensburg VA Home (Canteen) and can be left in care of the funeral home.

Jim was born to Mark and Bonnie Esarey in 1965. In October of 1986, Jim married, Belinda Brack and together they raised 6 children. He retired from the Air Force in 2006 after 21 years of service to our country. He achieved is Bachelors degree from University of Central Missouri. He returned to serve the Air Force as a civilian employee in March of 2006. Jim enjoyed camping, hiking, fishing, hunting, working and on our homestead, but his true enjoyment was family. He loved being with his children and grandchildren.

He was known for his wisdom at work, he enjoyed his job, and helping his children. He will be remembered for his humor and lightheartedness.

Jim was preceded in death by his father Mark and his mother

Bonnie, his sister Melissa, and his granddaughter Disaya.

He is survived by his wife Belinda, his children; Alicia, Amber, Marlena and her husband Dustin, Christian and his wife Alyssa, Stacie and Brennen and his grandchildren; Savannah, Jayda, Averi and Kenna, and his sister Tina, and her husband Richard and their two daughters, Melissa and Zoe, and several uncles, aunts and cousins.

#### LINDA FAYE (CAREY) EASTER

Linda Faye (Carey) Easter, age 72, of Lee's Summit, Missouri passed away on Tuesday, August 24, 2021 at Lee's Summit Medical in Lee's Summit, Missouri.

Linda was born on January 20, 1949, to Aaron and Mary (Dill) Carey in Wagoner, Oklahoma. She was the second oldest of her seven siblings: Marie, Wynona, Janie, Helen, Carol, Jimmy, and Sara. As a child, she was a self-proclaimed tom-boy, always getting up to mischief as a little "Indian girl". She attended elementary school in Oklahoma until her family eventually settled in Clinton, where she finished high school.

This is where she met the love of her life, Lawrence "Butch" Easter. She always said that she knew he was the one when, at a party, she noticed him sitting off to the side with a watchful eye to make sure everyone was okay. He often said of her that she taught him the true meaning of love. They married on August 21, 1966, had three children together, and Butch remained her protector during their forty-year marriage.

Linda was known for her generous heart and compassionate nature. She spent many of her working years caring for residents and patients at both the Westwood Nursing Home and Golden Valley Memorial hospital in Clinton. She always took a personal interest in others. When she asked how you were doing, she genuinely cared what the answer was. She always did her best to make others feel special and loved.

Linda had many interests which included crocheting, working

puzzle books, reading, and watching crime dramas. Of all her hobbies, she loved collecting and sharing

recipes the most. She often spent her time filling her own notebooks with them and sharing them on social media. Hardly a day went by without her posting some tasty new recipe she found, especially desserts and sweets. She would be delighted to know that others will continue to enjoy her recipes and maybe even make one to honor her memory.

Linda's greatest legacy is found in the values she instilled in her family. These include her faith in God, her pride in her Cherokee heritage, her fierce loyalty, and her never-ending and unconditional love for her children. We will miss her gentle and loving spirit and she will forever be remembered in all of our hearts.

Linda is survived by her children, Robert Easter of Clinton, MO, Sherrie (Brad) McElwee of Holt, MO, Jake Easter of Lee's Summit, MO, her daughter-in-law Peggy Easter of Clinton, MO as well as her pride and joys; her grandchildren; Cody Easter, Danielle Mullen, Dillon McElwee, Dalton McElwee, Mikael Easter, and Devin McElwee and her great-grandchildren; Landon, Avery, and Corbin. She also leaves behind her beloved "baby dog", Little Jake.

Memorial services were held Saturday, September 4, 2021 at the Vansant-Mills Chapel, Clinton with Marsha Singleton officiating. Special music included "Dancing In the Sky and Cherokee River."

Services were under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

#### DANIEL WAYNE WILTZ

Daniel Wayne Wiltz, age 43, of Urich, Missouri passed away on Friday, August 27, 2021 at St Luke's Hospital of Kansas City, Missouri.

Daniel Wayne Wiltz was born on December 17, 1977 in Harrisonville Missouri to Clifford and Ruth Wiltz.

Daniel enjoyed his toy cars, cartoons, music, and loved spending time with his family.

Daniel left behind his father and mother Clifford and Ruth Wiltz, of Urich Missouri, grandmother Helen Wiltz of Urich Missouri, brothers; Joe (Karrie) Ratkewicz of East Lynne Missouri, Jason Floyd of Harrisonville, Missouri, along with many aunts and uncles, and cousins.

The pallbearers for Danny's service will be: Joe Ratkewicz, Jason Floyd, Mark Isabell, David Wiltz, Ryan Kagarice, Kolton Kagarice, Richard Luty, and Ray Green.

Funeral services were held September 3, 2021 at the Vansant-Mills Chapel, Clinton with Rev. Jenny Wilson officiating. Special music included "Go Rest High and Amazing Grace." The

casket bearers were Joe Ratkewicz, Mark Isabell, Ryan Kagarice, Richard Luty, Jason Floyd, Jaime Isabell,

Kolton Kagarice and Ray Green. Interment followed in Urich Cemetery, Urich, Missouri.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

#### LESLIE CHARLES FRIZZELL

Leslie Charles Frizzell, age 72, passed away on Thursday, August 26, 2021, at Centerpoint Medical Center in Independence, Missouri.

Leslie Charles Frizzell was born in a farmhouse on March 11, 1949, in rural Deepwater, Missouri to Robert and Ethel Frizzell.

Les graduated high school from William Chrisman in 1967; He then joined the United States Marine Corps., serving in Vietnam. He worked for ARMCO 34 years (later GST), retiring in Feb 2001.

Les married Patricia Thompson on February 20, 1971, they just celebrated 50 years of marriage.

Les had many hobbies; he enjoyed spending time with his family, playing guitar, singing, writing music, creating dioramas, naps, riding his Harley, hotrods, fishing, mushroom hunting, and drawing.

RE: OWNER OF PROPERTY LOCATION OR BRIEF LEGAL DESCRIPTION OF PROPERTY

This is to notify you that I hold a Certificate of Purchase Under Delinquent Tax Sale on the property in Johnson County, Missouri, That you own or have an interest in and described in the above caption. I purchased this Certificate on August 23, 2021. In accordance with RSMo 140.170, notice of the Tax Sale was given by the Johnson County Collector. Said property was offered at the annual Johnson County, Missouri, Tax Sale in 2019, 2020 and 2021 and is considered a **THIRD OFFERING**.

Pursuant to Missouri Law RSMo 140.405, I am required to notify you that you have the right to redeem the property within ninety (90) days from the date on this notice or be forever barred from doing so. At the end of the ninety (90) days, I am eligible to receive a Collector's Deed unless you contact the Johnson County Collector to redeem the property within said time period. Upon issuance of a Collector's Deed to me, the property will be removed from your name and your rights to the land will be extinguished. If you hold a lien or claim to the land, you also have the same redemption period to protect your interest in the property. For more information on your redemption rights, please see RSMo 140.340.

If you want to keep the property or have questions regarding this notice or the tax sale process, you must contact the Johnson County Collector at 660-747-5531 within ninety (90) days of the date of this letter.

Sincerely,  
Joanna Hultquist

On SEPTEMBER 9, 2021, the last will of the decedent having been admitted to probate, the following individuals were appointed personal representatives of the estate of JOHN R ENGEL, decedent, by the Probate Division of the Circuit Court of Henry County, Missouri. The personal representatives may administer the estate independently without adjudication, order, or direction of the Probate Division of the Circuit Court, unless a petition for supervised administration is made to and granted by the court. The names, and business addresses of the personal representatives are: DENNIS F. BENNE, 1234 KAYS POINT, LAKE OZARK, MO 65049, MITCHELL MILLS, P.O.BOX 505, CLINTON, MO 64735

The personal representative's attorney's name, business address and phone number is: JEFFERY THOMAS ADAMS, 206 SOUTH BAIRD, P.O. BOX 226, CLINTON, MO 64735, (660) 885-2221

All creditors of said decedent are notified to file claims in court within six months from the date of the first publication of this notice or if a copy of this notice was mailed to, or served upon, such creditor by the personal representative, then within two months from the date it was mailed or served, whichever is later, or be forever barred to the fullest extent permissible by law. Such six-month period and such two-month period do not extend the limitation period that would bar claims one year after the decedent's death, as provided in Section 473.444, RSMo, or any other applicable limitation periods. Nothing in Section 473.033, RSMo, shall be construed to bar any action against a decedent's liability insurance carrier through a defendant ad litem pursuant to Section 537.021, RSMo.

Date of decedent's death: JUNE 13, 2021

Date of first publication: SEPTEMBER 16, 2021

Glenda Hann  
Probate Clerk

Receipt of this notice by mail should not be construed by the recipient to indicate that the recipient necessarily has a beneficial interest in the estate. The nature and extent of any person's interest, if any, can be determined from the files and records of this estate in the Probate Division of the above referenced Circuit Court.
