Clinton's Growth Puts City In Motion

Kenny Ragland
Reporter

Bringing new businesses, industry and especially jobs is taking place in the greater Clinton area community. Mark Dawson, director with the Clinton Department of Eco-

Development went over their latest accomplishments on October 26 at the Chamber of Commerce Building in Clinton. "We are completing an addition of 200 jobs through the end of this year," said Dawson. "With the company expansions and new businesses, we have accomplished much in

the past year." Besides the addition of Burger King, expansions are taking place at Cooks Auction and Parks Cabinets. "We have had nine projects come together over this past year," added Dawson. Christina Williams with the Main Street group, described her **DEVELOP PG. 3**

Voters Support Artesian Park, Pool Tax Passes

Luke Edwards
Reporter

Voters in the City of Clinton approved the

limited sales tax for the purpose of renovating and repairing the outdoor Artesian Park pool, on Tuesday, November 2. There were no long lines at

the voting center (the Clinton Benson Center) for most of the day. This was the only voting location available for this special election.

One poll worker described it as "a trickle" of people that came in to vote. A single voter did show up at one minute before the polls closed at 7 p.m. to vote (and did vote). The breakdown: there were 50 absentee ballots cast for the park tax issue, 33 of those were "yes" to 17 "no".

Of the remaining 578 votes cast, 343 were "yes" to 235 "no". The total voter turnout for this election was 12.45%, of the 5,067 eligible registered voters in city limits. Please remember that this passed park tax is limited and will only run for 5 years. It would require voter approval at the 5 year sunset to continue after that.

CHS FFA Brings Home National Championship

TAKING FIRST PLACE in Indianapolis last week were Alana Alexander, Riley Heerdink, Camryn Kemper and Caroline Wagoner.

Four members of the Clinton High School FFA Chapter competed on a national level last week where they were ultimately named the best in the nation. The CHS Horse Judging Team, consisting of Alana Alexander, Riley Heerdink, Camryn Kemper and Caroline Wagoner, competed against the best of the best at the National FFA Convention

in Indianapolis last week. To get to this national stage, these students began preparing for contests in the summer of 2020. Since then, they have remained undefeated in every horse judging contest they have competed in. When they were named state champions last spring, they punched their ticket to the national **FFA PG.3**

HENRY COUNTY Deputy Clerk Amy Heredia brought the ballots in from the Benson Center voting location (the only voting location in this election) to the courthouse to be counted. Clinton voters approved the limited park tax with a 376 "yes" to 252 "no" vote on Tuesday.

Benson Center Offers Mental & Physical Growth

Judy Kramer
Reporter

The event calendar at the Clinton Senior Center lists "Exercise with Bobbie" as one of the Center's activities on Tuesdays and Thursdays, from 10 to 11 A.M. It is an En-

hanced Fitness course that has been led by former Physical Education teacher Bobbie Steinhauser for the past 14 years. It is helping to keep senior citizens moving, improving in mind, body and social interaction. "I taught physical education at rural

schools in the area for 40 years, and also served as a principal and superintendent," said Steinhauser. "Then I retired and was enjoying myself when I read an article in the paper about the need for a volunteer leader for Enhanced Fitness at the Clinton

Senior Center. I knew that it is hard for one person (like myself) to have the motivation to exercise, but if I led a class like this I would have to exercise again." Steinhauser underwent a three-day training session in order to teach the class, and

to prepare herself to have class members move every muscle in the body. Her classes include a 10-minute warm up when they do simple things to get moving. Then, there are 20 minutes of cardio, and 20 minutes of stretching. Steinhauser said that they don't

do jumping, because that is not good for most seniors. "Before COVID, we had up to 30 people in the classes," said Steinhauser. "We had fun talking and exercising without realizing that we were working, because of the social **GROWTH PG. 3**

Have I Got A Line For You!
By James Mahlon White

Max (Schnauzer) and I took a walk up Main Street last night. We passed Bishop Gunstocks old office. It was in a building designed by my great-grandfather Kelly for my great-grandfather White. Before Bishops moved in, he used it as a furniture store. He also sold pottery that his brother sent up from Arkansas. My Aunt kept some of these pieces at her home and I always thought the spackled jars were ugly, but I've been told they're collector's items now. I thought about John Bishop who founded Bishop's and wondered how many people remember when Warsaw was the Gunstock Capital of the World. Both John and his brother Sam served in what was called "The Great War" (WW1) and served overseas. When they returned the gunstock factory was launched and it grew beyond what must have been their wildest dreams. Their gunstocks were known around the world and the factory gave work to many people who were very fine craftsman. Bishops closed a long time ago and little remains of what was once a vibrant company, but Bishop's big family home still stands at the corner of Main and State. These are just little memories and it was the walk that shook them loose.

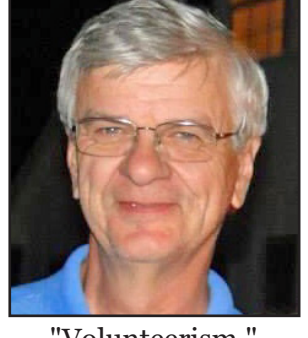

Here's a swell idea. The Biden administration is considering \$450,000 payments to families who were separated at the southern border. The migrant families say they suffered lasting psychological damage. Okay.... so you sneak into a country illegally, putting yourself and your kids in danger, then sue that country. UNBELIEVABLE! Go try that stunt in Canada and see how far you get. Our own citizens who commit crimes get separated from their families.

Word on the Street

What word would you use to describe Clinton?

"Comfortable."
-Anita Cook

"Volunteerism."
-Mike Edgett

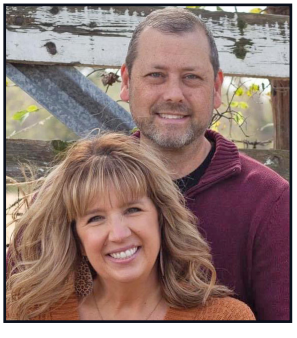

"Amicable."
-Ann Pugh

Does that mean every prisoner can claim damages from being separated from theirs? What an upside down world! These folks who think free is coming their way, might be in for a big surprise. There won't be any money left because we'll all be broke paying for these programs. At least we'll all starve together.

The big climate change summit was held in Glasgow, Scotland. Politicians and celebrities from around the world attended, including Prince Charles and Leonardo DiCaprio. It took over 400 private aircraft to get them there. I'm not sure what qualifies these celebrities as experts in climate change, but Leo did drive a little yellow Volkswagen to a movie premier. He said it was to promote a "greener earth." Isn't it amazing amid all the extravagance of this camp they'll demand more money from the rest of us (carbon tax) to solve their perceived problem. I found it interesting that this anti-gun crowd all arrived in Glasgow with bodyguards who had guns. They're against a border wall but live in homes surrounded by walls. They say sea levels are rising at an "alarming rate" but gobble up waterfront property. This is the same bunch that would have us eating grasshopper burgers instead of beef to lower CO2 emissions. These celebrities have a right to spend their money however they want, but it's a bit hypocritical to cry rivers about the planet and leave a big carbon footprint than many small towns. Who knows where this end and when the "breathing tax" will get implemented. The French Revolution and the phrase, "Let them eat cake" comes to mind.

Enough of these musings. Take care of yourself and lets all speed on to a useful day.

You may stop by the Museum or call 660-885-8414 or email us at hcmusgenlib2@gmail.com.

We are looking forward to seeing you there!

Updates From The Henry County Prosecuting Attorney

The Clinton Daily Democrat stopped by Assistant Prosecuting Attorney LaChrisha Gray's office November 1 to catch up on cases recently filed by their office: several updates were obtained.

AP Gray said that the office filed second degree murder charges against Casey Graham (37, of Independence) on September 28. The charges stem from an incident that occurred in southeast Henry County where a report of an individual shooting and killing Kenneth Isenberg was taken by the Henry County Sheriff's department on November 10, 2020. Isenberg was found to have suffered from three gun shot wounds, one of them to the head. The incident is alleged to have occurred when Isenberg and Graham got into an altercation at Isenberg's residence. Graham was found at the scene when the Sheriff's Department arrived and taken into custody, although later released pending a full investigation. Charges were filed once the full report was obtained. Graham is currently being held without bond and has a bond hearing scheduled for November 5 in front of Judge Harold Dump.

A second case involves charges against Joshua Gann (40, Springfield) of statutory rape, second degree. Gann was charged following allegations of him picking up a Henry County youth (teenager) a number of times and transporting her back to Springfield. This had allegedly been going on for months. In early October, police officers located him and the teen in a public

place: according to reports the teenager was not clothed. This case brings about a statement of caution from the Henry County Prosecuting Attorney's office in regards to online safety with young people: "The Prosecuting Attorney's office strongly suggests that parents keep an eye on their kids' social media and, especially, gaming platforms and that they utilize the parental control settings," said AP Gray. It is alleged that the victim and defendant met online.

Another incident involves charges of 1st degree assault on a law enforcement officer. Clinton Glaspy (Clinton) had the charges filed against him after a Henry County Sheriff's Deputy was called out to investigate a possible attempted theft incident on September 24. The responding officer made contact with Glaspy, who ran when confronted and engaged in a struggle with the responding officer when caught; Glaspy reportedly strangled the officer. Glaspy was taken into custody a few hours later near the Pogue Wildlife area after he fled again following the incident with the deputy. Additional charges in this case may be forthcoming from the Prosecutor's office.

The final update from the Prosecutor's office is that of a trial date being moved. Already delayed several times, the trial of Ian McCarthy (charged with killing Clinton Police Officer Gary Michael) has now been moved to June 2023. The Henry County Prosecuting Attorney's office had tried to get the trial set for summer of 2022, however one witness had medical issues which prompted the trial to be moved back. McCarthy is facing the death penalty and is to be sentenced by a jury. The matter is in front of a Jackson County Judge.

Clinton Chamber Seeks Snowflake Volunteers

"Re-bulbing" volunteers are being sought for 2021!

How would YOU like to help prepare the snowflake decorations you'll see around Clinton during the Holidays?!?!?

On Tuesday Nov. 9th, it will be time for the Chamber of Commerce to re-bulb the snowflakes that decorate our city streets. The snowflakes line the streets on Ohio and Second streets and also around the Downtown Square. The work is scheduled to take place this Tuesday Nov. 9th beginning at 5 p.m. at the Elite Laundry location. Enter the south side of the building (Rogers Street) in the gated area through the large garage door. Bring gloves and needle-nose pliers if you have them. Everyone is welcome to help with this community project. For more information, call 660-885-8166 and talk to David or Joyce.

WALTER ROBERT PUREVICH, JR.

Walter Robert Purevich, Jr., age 85, of Creighton, Missouri passed away Friday, October 15, 2021 at Research Medical Center in Kansas City, Missouri. A public visitation will be held from 10:00AM - 12:00PM on Friday, October 22, 2021 at the Vansant-Mills Chapel in Clinton, Missouri. Followed by a private family service with burial in the Calhoun Cemetery in Calhoun, Missouri. Memorial contributions can be made to the Children's Mercy Childhood Diabetes Center and can be left in care of the funeral home. Fond memories and condolences can be left online at www.vansant-millsfuneralhome.com.

Walter Robert Purevich, Jr. was born on March 4, 1936 to Walter Purevich, Sr. and Mary (Danko) Purevich in Whiting, Indiana.

Walter joined the U.S. Air Force and was in Korea during the Korean Conflict. He was a member of the Clinton VFW Post 1894 and the American Legion in Urich, Missouri. Walter was a faithful member of Holy Trinity Parish in Urich, Missouri.

Walter worked for the GM Leeds Assembly plant in Leeds, Missouri. He worked in the paint and repair department for more than 30 years, retiring in 1988. He also worked in the front end department at Price Choppers in Harrisonville, Missouri. One of Walters greatest joys was riding his motorcycles he loved going on rides down the open road.

He is preceded in death by his parents Walter Sr. and Mary Purevich.

Survivors include his loving wife Joan Purevich, his children; Walter Charles Purevich of Wichita Falls, Texas, David Wayne Purevich of Albuquerque, New Mexico, Kenneth Andrew Purevich of Overland Park Kansas, Melinda Dillard of Pinellas Park, Florida, Johnny Jones of Wilmington North Carolina, Doyal M. Jones Sr. of Blue Springs, Missouri, Joann M. (Robert) Lane of Independence, Missouri, Chester L. (Pam) Jones of Clinton, Missouri, Joseph M. Doyal Jones, Dakota Lane, Robert Lane, Brandon Fletcher, Frank Parr, John Jones, Jonathon Jones, Ryan Hall-sburg, David Purevich, Daniel, Young, Steven Parr, Bill Parr, Lee Parr, Cody Jones and Nichlas Jones were honorary bearers. Interment was in Calhoun Cemetery, Calhoun, Missouri. Military honors were under the direction of VFW Post 1894 and the US Air Force.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

FRED ANDREW ASHBY

Fred Andrew Ashby, age 83, passed away at his home in Clinton, Missouri on Tuesday, October 12, 2021.

Fred Ashby was born February 18, 1938 in Archie, Mo. to Andrew and Neola Ashby. Fred was known for his love of the outdoors including boating on Truman Lake, hunting and fishing, observing wildlife and his great sense of humor.

He was also known as a hard worker, and said he was never out of a job because "jobs found him". In his youth he earned money baling hay, shucking corn, and worked in the pre-dawn hours rolling, wrapping and delivering Sunday papers on rural routes by car.

In high school he worked for an eyeglass lens plant in Butler, worked replacing railroad ties, worked as a baker's assistant, and as a golf caddie. As a caddie he learned to play golf and won a caddie tournament and won a set of golf clubs. He often was asked to caddie for golfers going to tournaments out of town.

Fred also loved music. He won an amateur contest in high school playing the "horse ribs bones" which for the unfamiliar is an improvised percussion instrument. He said he could play anything- spoons, knives or even bumper jacks.

At age 17 he joined the Navy and spent four years "topside" steering a ship, 4 hour shifts. His first assignment was in the Atlantic, then the Mediterranean, which he preferred by far and was able to visit many beautiful ports.

After completing 4 years of Navy service he married Margaret Chapman and they had 2 daughters. He went on to work in a variety of settings. Gas station attendant in Albuquerque, New Mexico, Ford assembly plant, Lake City Ammunition plant, and laying ceramic tile often on weekends.

His final career stop was working in the mainte-

nance department at Golden Valley Hospital "from the ground up" as he was there when it was being built. At first on a cash basis out of the administrator's pocket as everything was brand new. He retired after 28 years.

He enjoyed a retirement filled with his favorite outdoor activities and time with family and friends.

He was preceded in death by his parents, brother Donnie, and sisters Arteela and Linda.

He is survived by his two daughters Seagayl (Ashby) Henderson and Pamela (Ashby) Gardner, and grandchildren Andrea Henderson, Breanna Henderson and Elizabeth and Kellen Naughton; and Mariya Gardner, Shawn Gardner, and Darrek and Emma Gardner, and granddaughter Cail Gardner, nieces and nephews, and special friend Jane Greer.

Fred's wishes were to be cremated. Inurnment will be in Dayton Cemetery, Cass County, Missouri at a later date.

Services are under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

MARJORIE J. TILLMAN

Marjorie J. Tillman, known as Marge or Margie by friends and family, passed away peacefully on Thursday, October 28, 2021 at the Olathe Hospice House of Olathe, Kansas at the age of 90.

Margie was an independent, intelligent, and resilient woman. She was the only child of Mary Shea (McDonnough) McGee of Mexico, MO and Leonard Otis McGee of Slater, MO. When she was a baby, the family moved from her birthplace Alton, IL to St. Louis, MO, where she graduated from Normandy High School in 1948. She worked as a secretary for 5 years while pursuing Occupational Therapy at Washington University.

After graduating from WashU, Margie worked in healthcare in the St. Louis community, helping patients with physical and mental illnesses. Outside work, Margie enjoyed music, dancing, and movies. She was an avid reader, fascinated by Ancient Roman and Maya history. She enjoyed traveling to Europe well into her 80's and visited Italy numerous times. In her twilight, she loved chocolate, Coca Cola, and a good game of bingo. Margie was also a devout Presbyterian and trusted the Lord in all things.

Marjorie met Temple Harless Tillman on a blind date through mutual friends. They married on May 16, 1959 in St. Louis, MO, and had two children.

She was deeply proud of her family and adored her grandchildren. She is survived by her son, Donald Jason Tillman, his wife Tracy McCubbin, and grandson Bodie Gray Tillman of Denver, Colorado; daughter Shana Elizabeth (Tillman) Good, her husband Kevin Good, and two grandchildren Satori Rose and Salvador Shea Good of Lawrence, Kansas.

Margie will be fondly remembered for her positive attitude, generosity, and sense of humor.

Loving wife, mother, and grandmother.

Graveside services were held November 1, 2021 in Englewood Cemetery, Clinton, Missouri with Rev. Nancy Gillard officiating.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, Missouri.

MARY HELEN JUSTIS

Mary Helen Justis, age 90, passed away at the Overland Park Regional Medical Center on October 29, 2021, surrounded by her family.

Mary was born at home in Calhoun, Missouri, on November 10, 1930, to Orin Goodrich, and Jewell "Hardin" Goodrich.

Mary was a housewife and mother, for many years before going to work as a cook for Westwood Nursing Home. She always had a passion for cooking and baking, her egg noodles were savored by all that ate them. She enjoyed being the hostess for gatherings over the years, as well as sewing and her jewelry. Mary was proud of the fact that she got certified as a cosmetologist and hair dresser. She was a member of Northeast Baptist Church, of Clinton, Missouri.

Mary is survived by her son, Daryl Lee (Celinda) Justis; grand daughter, Amy Dawn (Armondo) Justis; great grandchildren; daughter-in-law Christi Justis; as well as many other family and friends.

Preceded by her parents, Orin and Jewell Goodrich; son, Daniel Ray Justis; 2 brothers, Howard Goodrich, and Raymond Goodrich; 3 sisters, Dorothy Bennett, Alice Douglas, and Roxie Gregory.

Capital School Fund Of Henry County Receives Check

The Henry County Prosecuting Attorney's Office announces that \$7,235.04 has been collected for the Capital School Fund of Henry County. Assistant Prosecuting Attorney LaChrisha Gray, Missouri Highway Patrol Corporal West, Clinton School Superintendent Destry Brown, Windsor School Superintendent Scott Ireland, Henry County Treasurer Ann Julian and Circuit Court Clerk Patricia Doll attended the transfer of money.

In January 2018, a trooper with the Missouri State Highway Patrol seized \$6,940 from Randal Gibbs after Gibbs was found to be in possession of several bags of methamphetamine, paraphernalia, and the large sum of cash. In December 2019, Gibbs pled guilty to his charge associated with that arrest and was sentenced to twenty years in the Missouri Department of Corrections.

Subsequently, the Circuit Court, Judge M. Brandon Baker presiding, ordered that the cash money seized be forfeited and the proceeds be distributed to the Capital School Fund, which is dispersed to all the school districts of Henry County.

Thereafter, the Missouri State Highway Patrol provided those funds and the interest it had earned to Henry County.

Pictured are (from left to right) Circuit Court Clerk Patricia Doll, Clinton School Superintendent Destry Brown, Missouri State Highway Patrol Corporal Christopher West, Assistant Prosecuting Attorney LaChrisha Gray, Henry County Treasurer Ann Julian, and Windsor School Superintendent Scott Ireland.

Daughters Of American Revolution Present Award

HENRY COUNTY Daughters of the American Revolution (Windsor) presented a well-deserved Community Service Award to Joicie Appell who was one of the founders of the Heartland Theater in Clinton. She received a certificate and pin (presented by Marlyn Henry).

In the mid-1990s a member of the Clinton, Missouri Area Arts Council who knew that Joicie Appell often left her home in nearby Calhoun to do stage and TV work, asked Joicie to put on a play for the Council. For the next several years she wrote and directed skits for CACC and in their name directed a few classic plays performed in Clinton and Calhoun. But Joicie, then in her mid-60's and a veteran of 45+ years of professional work in print ads, film acting, and in writing, acting and directing for radio, TV and stage, was ever on call for work nationwide and found she could not always fit her availability into the Council's time frame.

In 1996 urged by actor friends, she started a theater group whose work schedule she could determine and called it Heartland Community Theatre of Clinton, MO. With auditions and a month of rehearsals, the group put on three performances of A.R. Guerny's Love Letters at Clinton's Christian Church. They served post performance refreshments of home-made pies iced tea and lemonade. Audience response was overwhelming. Soon a Heartland board was formed, 501c-3 designation obtained and logo adopted—comedy and tragedy masks within a

heart. Other productions around town followed. Not long after, the group rented the Delozier Building on the Clinton Square, and Joicie fell into a routine of directing two scripts a year, April and October—classic comedies, dramas, mysteries, each running for four performances, auditions always open, refreshments always offered... Several years later, Clinton's Crest Movie Theater across the street came up for sale. HCT purchased it, gutted the interior and installed a set construction area in the rear.

A few years later on, the adjoining building south of the Crest had a roof cave-in. HCT bought the building, painted it, made roof repairs, built a portable stage, installed lights and sound and called their new space the Pavilion. Joicie now was writing and directing one-act Readers Theatre (RT) plays for Clinton's Olde Glory Days each July, two performances each; these added to HCT's full-length productions in Spring and Fall whose audiences often approached 300. And HCT skits continued—a "bank robbery" on the Square, a "revolt" at the new Henry County Jail.

Out-of-towners joined in—a professional comic from NYC, a TV newsman and wife from Kansas City and a guest director from Sedalia's State Fair Community College. HCT several times trouped full productions by truck and car—to the College, to Whiteman Air Force Base, Warrensburg, to the Liberty Theatre in Sedalia, and to the Truman Lake Opry. A Kansas senior theatre group borrowed one of Joicie's RT scripts and with film footage and music sexted added, toured Kansas libraries.

2021 marks Heartland Theatre's 25th year. It has put on skits, 50+ full-length classic script productions, 15 one-act RT productions, plus four full-length productions written by Joicie to accommodate actor turnout. She has seen 25 years of volunteers' tackling building repairs, lights, sound, set construction and decoration, props, costumes, stage management, advertising, ticket sales and refreshments. One actor hosts free movies once a month. Another handles rental of the theater space—it can seat 100 on folding chairs-- for celebrations, meetings and music revues. For the future, HCT sees this Pavilion space not only for productions but also as a large dining area for audiences who attend performances in a restored attached Crest building, comfortable theater seats already purchased.

Joicie in 2021 is in her 77th year of a professional career, starting with a radio commercial in Kansas City at age 16. A long-time member of two entertainment unions, Actors' Equity for stage work and SAG/AFTRA for film, television and radio, she has performed in some 90 stage productions across the Southwest, Midwest, and in two Off Broadway, NYC, one a starring role. She has appeared in ten feature films, in more than 100 radio and TV commercials and numerous print ads. For 11+ years she wrote and narrated a weekly 15-minute radio show aired over WHB Kansas City repeatedly winning its time slot for the station.

As to her founding of HCT and the 25 years of volunteer work with the group, she finds it has in no way interfered with her professional career. Her reward is seeing HCT actors come to appreciate classic comedies, mysteries and dramas, savor the words, learn them, then offer them with actor ego held firmly in check. It is a goal she herself addressed recently when she found herself acting for the first time on the HCT stage—opposite one of her actors in Gurney's Love Letters.

Vivian Taylor Represents HC Retired Teachers

The Henry County Unit of Retired Teachers and Retired School Personnel, a part of the state organization of MRTA (Missouri Retired Teachers Association and Public Retired School Personnel), is pleased to announce Vivian Taylor, Clinton, as the candidate for the 2021 Distinguished Retiree Award representing Region 6.

MRTA, organized in 1960, is an association of over 30,000 retired educators whose purpose is to promote the professional, social, and economic welfare of all retired school employees. MRTA has 14 regions in Missouri and Region 6 is comprised of nine counties—Bates, Benton, Cedar, Dallas, Henry, Hickory, Polk, St. Clair and Vernon counties.

Vivian Taylor graduated from Central Missouri State University (UCM) with a B.S. in Education and Social Work. She received her Master's in Education from CMSU. Then, she taught elementary education at Holden, Lakeland and Clinton for a total of 30 years.

Ms. Taylor earned various honors and awards during her career. Some of which include being a three-time nominee for Missouri State Teacher's Association Central Region Outstanding Educator; Outstanding Educator, Lakeland School District; Featured Educator of the Year, Clinton School District; a two-time Outstanding Primary Teacher of the Year, Clinton School District; and Who's Who Among American Educators.

During her career she wrote many grants, served as a mentor, gave educational presentations, and was active in professional organizations.

Vivian is an active member of the Clinton Community and enjoys volunteering. She is the co-director of the Neighbors Helping Teacher Warehouse, past president of Literacy Council of Clinton, Bright Futures, a volunteer at the Samaritan Center, Secretary of Truman Lake Cancer Relief, Friends of the Library, Project Christmas Cheer, schoolmarm at the Henry County Museum, volunteer reader at various schools, and an active member of the Clinton United Methodist Church serving as Superintendent of Sunday School, a Sunday School teacher, and the Church Council.

Ms. Taylor is a member of PEO-Chapter IU and Henry County Retired Teachers and Retired School Personnel. She enjoys attending the Christian Women's Connection, and United Methodist Women's meetings. She also enjoys reading, traveling, hiking, and spending time with family and friends.

Vivian is married to Randy Taylor, a local CPA. They have two daughters, Mindy Nold (Wesley) of Urich, MO and Erin Quinlan (Jeff) of Orange Beach, AL. They have two grandchildren, Kaysen and Jace Nold.

Missouri Jobs Report: September 2021

Missouri non-farm payroll employment increased from August 2021 to September 2021, and the seasonally adjusted unemployment rate decreased by a two-tenths of a percentage point. Employment, seasonally adjusted, increased by 7,500 jobs over the month, with job gains in service-providing industries. The state's seasonally adjusted unemployment rate was 3.8 percent in September 2021, down from 4.0 percent in August 2021. Recovery from COVID-19-related layoffs continued with an increase of 70,800 jobs from September 2020 to September 2021.

UNEMPLOYMENT

Missouri's smoothed seasonally adjusted unemployment rate decreased by a two-tenths of a percentage point in September 2021, dropping to 3.8 percent from the August 2021 rate of 4.0 percent. With the start of the COVID-19 pandemic now more than a year in the past, the September 2021 rate was 1.6 percentage points lower than the September 2020 rate. The rate had reached a low of 3.1 percent starting in August 2018, before gradually edging up to 3.5 percent by the end of 2019, and then to 3.7 percent in March 2020. The COVID-19 effect hit in April 2020, spiking the rate to 12.5 percent for that month. The rate decreased monthly for the rest of 2020, reaching 4.4 percent in December, and continued gradually downward through the first four months of 2021. The increase of two-tenths of a percentage point from April 2021 to June 2021 appeared to be related to a temporary shortage in the supply of semiconductor chips, which caused production slowdowns in some manufacturing industries.

Due to benchmark revisions, Missouri's unemployment rate rose a tenth of a percentage point higher than the national rate in January and February of 2020, but has been below the national rate for every month since February 2020. The national unemployment rate decreased from 5.2 percent in August 2021 to 4.8 percent in September 2021. The estimated number of unemployed Missourians was 118,110 in September 2021, down by 4,992 from August's 123,102.

The state's not-seasonally-adjusted unemployment rate also decreased in September 2021, dropping by 0.6 percentage points to 2.9 percent from the August 2021 not-seasonally-adjusted rate of 3.5 percent. The corresponding not-seasonally-adjusted national rate for September 2021 was 4.6 percent.

A year ago, the state's seasonally adjusted rate was 5.4 percent, and the not-adjusted rate was 4.8 percent.

Future Healthcare Professionals At CTS

Clinton Technical School students in Mrs. Foster's Health Occupations classes have been working hard on learning personal care procedures. These future healthcare professionals have been learning about nail care (soaking, trimming, and filing), bed baths, bed shampoos, and how to make a bed with and without a bedbound patient. Students will have the opportunity to confidently apply these skills in the next few weeks as they begin clinicals at Golden Valley Memorial Healthcare.

The Health Occupations classes at CTS have grown exponentially in the last few years. The program now includes two instructors, who serve 60+ students in the Clinton School

District, and ten surrounding districts. Students can receive Certified Nursing Assistant (CNA) certification during the class, as well as life support, first aid, and dental varnish certification.

During their second year in this program, all students who have earned their CNA certification participate in an internship at GVMH, GVMH Medical Plaza, GVMH-Osceola

Clinic, Gillis Family Dentistry, H&E Veterinary in Appleton City, or Golden Valley Animal Clinic.

CHS Band Celebrates Seniors

SENIOR NIGHT was held Thursday, Oct. 28 at the CMS gym. The Seniors and their escorts: Andrew Bedwell (father figures/ Roy Bemiss and the late Rob Bemiss), Xavia Bell (Stephanie Daniels and Clawson Masters), Harley Coleman (Garrett Coleman/brother), Dylan Caskey (Amie and Scott Ellis), Quincy Crawford (Johnny and Melissa Crawford), Noah Fonke (James and Tracy Fonke), Bailey Jones (Jacy, Sarah and Waylon Jones), Kearsten Knight (Sandra and David Cox/Grandparents), Madison Livingston (Audrey Livingston and Justin Sweaney), Bella McMillan (Erica and Doug McMillan), Liam Ross (Carley Ross and Dan Varner), Allie Russell (Jennifer and Isaac Russell). Not pictured (Noah Adams (Jeff and Kim Adams).

CHS National Honor Society Gives Back

Clinton High School National Honor Society members have been busy giving back to the community. Students have been seen cleaning-up highways, working college and career fairs and quilt walks, serving meals and recording livestream broadcasts for church just to name a few.

More than just an honor roll, the National Honor Society serves to honor those students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and

Character. Induction into the National Honor Society is a prestigious distinction awarded only to the most proficient students. Few students are nominated for induction, and even fewer are accepted. Nominated students' applications are meticulously reviewed and discussed amongst the Faculty Council.

Students must have obtained at least a 3-5 GPA, a clean slate from any discipline issues, and demonstrate all the principles that serve as the foundation of the organization. These young leaders are also giving back to their school and community by completing two group service projects and ten hours of individual service. For these reasons, induction into the National Honor Society is considered the greatest honor.

Clinton District Values Community Partnerships

Community partnerships are very important to the Clinton School District. These partnerships provide another layer of support for students and staff, are essential in helping students and schools see success, and let staff and students know the community is behind them.

One of the many ways that the Clinton community can get involved with Clinton schools is through the Bright Futures program. This program helps to meet students' immediate needs, assists in building connections between students and the community, and provides service learning opportunities so students in turn learn about the importance of giving back.

Recently, Mrs. Briggs' and Mrs. Pulicella's second grade classes were excited to spend time with their classroom partner, The United Methodist Church's Seekers Class. These volunteers provided a fall scavenger hunt, talked about fall science, types of leaves, animals, etc. Students also enjoyed a fun fall snack.

If you are interested in getting connected with programs such as this, please contact Angie Lawson, alawson@clintoncardinals.org or 660-885-5585.

Womack To Join Coaching Staff At CHS

The Clinton School District is proud to announce it has selected Stacie Womack as the next Girls Varsity Basketball Coach. Coach Womack has spent the last two seasons as an assistant varsity/junior varsity coach with the CHS Girls Basketball team. She has also shared her expertise and love for sports with numerous youth soccer teams and has provided one-on-one coaching with area athletes.

Coach Womack is a 1997 graduate of Loveland High School in Loveland, Colorado. As a student-athlete she earned 12 varsity letters in basketball, soccer, softball and track. She was also All-Conference in all four programs, All-State in basketball, and four-time Academic All-State. In addition, she was also the 1997 Female Athlete of the Year. Stacie attended Colorado State University-Pueblo, where she was a four year starting point guard. She also earned All-Conference honors in basketball and academics. She was team captain and representative of the Student Athlete Activities Association. She graduated in 2001 from CSU-Pueblo with a Bachelor's Degree in Biology and Minor in Chemistry.

Stacie and her husband, James (Thumper), have been married for 21 years and have one son, Kolton, who is a 4th grader at Holy Rosary. The Womacks have called Clinton home for just over 10 years. In their free time the family enjoys staying active, traveling and keeping up with Kolton's activities. They are always on the lookout for new adventures and enjoy spending time with family and friends.

Coach Womack says, "I am excited to be back in the gym and working with student athletes. I believe that many life lessons can be learned by being part of a team as well as individually. I have a passion for the game of basketball and truly enjoy passing on as much knowledge as I can to young student-athletes."

This I Remember

Bill Bremer: "I attended school in Smithton right outside of Sedalia. We had a newer soccer program but we got good pretty fast. We went to the State playoffs both my freshmen and senior years (1986 & 1988). We went to St. Louis for the Final Four games and it was the first time any of us had played on turf. It was terrible. It was the old, very hard turf. There was no way you could do slide tackles and the ball would run forever. Modern turf is much better."

Bill also reminisced about the early days of the CHS girls soccer program when coming up with wins was very hard to do.

Bill's son Brant is now on the Cardinal soccer team and is a very good varsity winger. People sometimes forget about the number of parents that grew up playing soccer. Soccer is no longer the brand new sport that it once was.

Bill might like to know that his old Smithton Tigers soccer program are 21-0 at this writing. Also note the Tiger head coach is Sean Hutchinson one of the Cardinals former head coaches. Maybe they will get to the Final Four again and hopeful play on real grass or modern turf. The Tigers did win their District last year.

Clinton XC Class 3 D5

THE STATE BOUND runners from the Clinton XC team are: Leah Kenney, Vyla Brown, Alexa McCartney and Gage Mantonya with their proud coach, Nathan Johnson.

Four Cardinal Cross Country runners earned their way to the State Cross Country meet in Columbia on Saturday, Nov. 6. They are Vyla Brown, Leah Kenney, Alexa McCartney and Gage Mantonya.

Youth Football Results

Here are the results from Saturday, Oct. 30.
3rd grade: Lost a close game 0-7 to Richmond.
4th grade: Won 20-0 over Oak Grove.
5th grade: Won 30-7 over Richmond.
6th grade: Lost in OT 6-14 to Harrisonville.

The 4th and 5th grade teams advance to their division Championship games next Saturday. Clinton youth football had all their teams in the Blue bracket for playoffs. The blue bracket is what all teams try to get in for a shot at a championship. This is a huge step for our youth program. There were record numbers this year for kids participating in the program. This is really exciting for the future of Clinton football. Good luck to the 4th and 5th grade teams. Go young Cards.

Lady Cards Volleyball Season Comes To End

THE CARDS seem to be waving goodbye to their season. They had a great year that they should be proud of. They set several records. The usual varsity starters were: Nyssa Brown, Kaylee Naber, Paige Gillund, Kinzlie Hager, Corynn Sowers, Jazmyn Shockley and Mercedes Brown. Well done!

The Lady Cards were stopped in the second round of District play by the 31-2 Odessa Bulldogs on Tuesday, Oct. 26. The Cards had beat the powerful Odessa team earlier in the season and the Fighting Cards fought a good fight in this District game but could not stay with the Bulldogs losing in three sets; 25-17, 25-21 and 25-20. The season may be over but the 2021-22 CHS team went into the record book winning the most games in a season with a record of 19-10-1. See article on this page regarding the full history of the 45 year old program.

Update: Odessa won the District then beat California 3-0 in the first round of the State Tournament. Notre Dame de Sion beat the Bulldogs 2-3 in State Quarterfinals. We will keep you posted on all the State Tournaments.

Cardinal Soccer Seniors Night

THE SOCCER SENIOR NIGHT was held on Thursday, Oct. 28 at the CMS Gym right before the soccer game at the Cardinal Stadium. The Seniors and their escorts: Noah Adams (Jeff and Kim Adams), Dylan Bloom (Jami King and Dave Waldner), Brant Bremer (Bill and Angela Bremer), Garrett Dunn II (Jennifer and Garrett Dunn), Tyler Gardner (Amy and Scott Gardner), Wally Gregory (Wallace Gregory and Shanah Lindsey), Abraham Griffey (Kevin and Kelly Griffey), Derek McCormack (Jeremy and Rhonda Newman), Keaton Townsend (Eric and Shauna Townsend), Adam Walrath (Ranae Walrath).

Flag Football Team Rankings

THE FINAL flag football games of the season were played on Sunday. Congratulations to C-Squared for taking 1st place. Back row, Jerette Morris and Troy Hendrick. Middle row, Mason Keller, Taylor Young, Cooper Westendorff, I'e'llijah Vargas, Brennon Hendrick, Pate Cardwell and Adler Patrick. Front row, Davis Brown, Ryan Morris, Liam Julian and Kolton Applegate. Not pictured: Emmett Shackles.

THE CHATTERBOX SPEECH THERAPY had fun and took 2nd place. Great job to all. Bottom row, Ashley Tracz, David Dittmer, Gage Blair, Jackson Stone, Rawls Briggs, Gabe Willard, Brennan Himes, Ronnie Faulkenberry, Waylon Lindsey, Cameron Dittmer, Adalynn Lindsey and Lane Kubilus. Cardinal Soccer Update

THE 2021 SOCCER CARDS on their first day of practice in August. They ended up having a heck of a season (13-8), fighting injuries and the weather the Cards tied the programs' record for the most Senior wins with 54. The 21-22 club also put up the second best winning percentage in the programs' history with 62%. The Seniors will clearly be missed on and off the playing field but the younger Cards will step up. Front row: Garrett Dunn, Keaton Townsend, Derek McCormack, Abraham Griffey, Tyler Gardner, Adam Walrath, Noah Adams, Brant Bremer, Dylan Bloom and Wallace Gregory. Back row: Russell Miles, Jackson Woodland, Cale Zink, Eli Griffey, Landon Modlin, Caden McCartney, Hunter Willings, Xzavier Ray, Evan Mantonya and Coach Zach Adams. Not pictured is assistant coach Jon Eversole.

Cards Stop Tigers

The Cardinal boys soccer team maybe played their best game of the season on Tuesday, Oct. 26 at the Cardinal Stadium. They hosted the 14-4 Excelsior Springs Tigers. The Cards went up early from a strike by Brant Bremer. The Tigers front line was very quick and pushed a transition goal in the net and tied the game 1-1. With 11 minutes left in the half Wally (Big Foot) Gregory banged a ball into the back of the net and made it 2-1. The Cards were healthy for a change with Noah Adams back in the line-up after missing the Lone Jack game. The Cards have improved in the variety of attacks they force upon their opponents. This variety includes wingers like Xzavier Ray getting more scoring opportunities. Xzavier surprised the Tiger goalie and made it 3-1 with 6 minutes left in the half. The Cardinal fans took a breath, but it was still a ballgame. Early in the second half the always dangerous Dereck McCormack struck from long range and banged the crossbar. The ball dived just in front of the goal when Abe Griffey raced up to it and finished the shot. The Cards went up 4-1 and that is how the game ended. The Cards finish their regular season on Thursday by having Senior night and hosting the Center Yellowjackets.

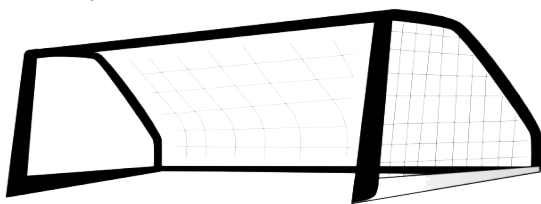

Cards Fall To Osage 2-1, Season Ends

The much anticipated semi-final District soccer game between the #2 seed Osage Indians and the #3 seed Clinton Cardinals finally happened. The stage was set, Monday, Nov. 1, on a cool rainy night at the Cooper Complex in Springfield. The Cardinals not only wanted to win this District game but wanted to prove their 6-0 loss to Osage earlier in the year was a fluke. You may remember this loss happened when the Cardinals had injuries and played the whole second half a man down after one of our key defenders received a red card.

In the first round of District play Osage beat Aurora 7-0 and the Cards beat Greenwood 4-1. I am sure some Osage fans thought Clinton would not put up much of a fight. They were wrong. With intermittent rain coming down both squads rejected attack after attack and the score remained 0-0 at the half.

With twenty six minutes left in the game Hunter Willings put the Cards up 1-0. The Cardinal defense tried to lock in but Osage is a good offensive team and they tied the game 1-1 with 14 minutes left. The tension mounted as both tired rained soaked teams battled. Osage scored with eight minutes left and made it 2-1. Even with the Cardinals attacking furiously in the last eight minutes they could not get one in the net. It was a disappointing, but well played game. The Cards proved they were a worthy club.

The Osage Indians move on to play the #1 seed Logan-Rogersville squad for the District title and the opportunity to go to the State Tournament. The Cards finished their season 13-8. Historically the Cardinals are consistent, having won 10 or more games per season the last 10 years. They are coached by Zach Adams, assisted by Jon Eversole. Well done Cards.

Cards Beat Center

The Cards in the cold, windy, rain managed to play a great game. They beat the Center Yellowjackets 5-0 on Thursday, Oct. 28. The flow of the game was balanced but slowly the Cards took control of the possession and the attacks. Brant Bremer put the Cards up 1-0 with 10 minutes left in the half. Wally Gregory blasted one in the back of the net and made it 2-0 at the half. The Dance Team and the Cardinal Pride Band braved the weather and performed at halftime. Brant Bremer added the Cardinals' third goal early in the second half. Gregory, not to be outdone made it 4-0. Remember all this was happening in a cold rain. Derek McCormack advanced the ball and saw Keaton Townsend on a run and hit him perfectly. Townsend finished the run and beat the Yellowjacket goalie and made it 5-0. I was informed that it was Keaton's birthday. So a win on Senior night and on your birthday. It can't get much better than that. A big spotlight on the Cardinal defense for getting another shutout. The Cardinal backline is usually anchored by Dylan Bloom, Noah Adams and Evan Mantonya with help from Garrett Dunn and Caden McCartney. This was the last game in the regular season as the Cards finished with a record of 12-7. They will play in the first round of District play on Saturday, Oct. 30 in Springfield. They will play Greenwood.

Cards Win At Districts

The Cards traveled to Springfield to play Greenwood on Saturday, Oct. 30. They played well and beat the Greenwood Blue Jays 4-1. The Cards controlled the flow of the game and score early. Keaton Townsend made it 1-0. With fourteen minutes left in the half Wally (Big Foot) Gregory hit another in the back of the net to make it 2-0. Abraham Griffey worked his way into position and put the Cardinals up 3-0 at the half. Townsend pushed the ball forward when a Greenwood defender stepped up for the stop. The ball ricocheted off the defender and Townsend got control again and once again headed toward the goal. He beat the goalie with a hard low shot to make it 4-0 Cards. Coach Adams started using some of his younger players knowing another District game was fast approaching on Monday, also in Springfield. Greenwood fought hard to make the final score 4-1. The Cards will take on Osage in the second round.

2021-22 Lady Cards Make School History

The Cardinals volleyball program just finished their fourth straight winning season. This is an historical first. See the list below. The "21-22" team can also claim the most 'Senior Wins' with 61. In other words this years' seniors (Kaylee Naber and Paige Gillund have been a part of 61 wins over their four year career. This beats the next highest (1987-90) where the seniors won 47 over their career. The 2021-22 team also set the record for the most wins in a season with 19. The 2011-12 team held the record with 18.

Note, several years ago a group of girls and their families joined a serious travel league. Clearly this has helped. The area now also supports youth leagues and other developmental efforts. The full record over the 45 years is 312-542. Congrats to the Lady Cards and their coaches: Savanna Davis, Sara Nepple and Pam Jones. The future looks bright.

Windsor Greyhounds Roll

ACTION WAS PLENTIFUL in the Windsor vs Sherwood game played on Friday, Oct. 29 at the Cardinal Stadium.

First round District games are always interesting. You always want the contest to be meaningful. Can a 7 seed beat a 2 seed? The answer is, not too often. So, on Friday, Oct. 29 the undefeated reigning State Champs, the Windsor Greyhounds, beat the 1-8 Sherwood Marksmen 50-6. Yes, it was predictable. The Hounds scored on their first five possessions making the score 38-0 at the half. The Hounds added TDs in the third and fourth quarters to make the final score 50-6. Clearly the Marksmen could not contain the speed of the Hounds or match them on the line of scrimmage but the Marksmen did show some offensive speed of their own with sophomore #27 Lane Doll getting most of the carries. The Marksmen punted their first two possessions but sustained an impressive long drive on their third possession only to give the ball up on downs on the Greyhound two yard line. Both teams emphasized their running games, the Hounds on sweeps and the Marksmen running off tackle. The very young Marksmen team finished their season but hopefully with some positives to hang on to for next fall. The Marksmen had only two seniors, so a lot of underclassmen got varsity experience. Sherwood like some other area programs are low on numbers. They only had 18 players dressed for the Windsor game. The Marksmen are led by second year coach Paul Carney.

The speedy Windsor Greyhounds will now move on to face the 8-2 #3 seed Adrian Blackhawks. Adrian beat Midway in their first round District game 44-0. Clearly this 'Hounds vs Hawks' should be a great matchup. The Windsor Hounds, led by eight seniors, are coached by Jake Vancill.

Lady Marksmen Take 2nd In State

THE LADY MARKSMEN right before the State Championship game on Saturday, Oct. 30 in Springfield.

The Sherwood Lady Marksmen softball program beat Mid-Buchanan 5-1 on Oct. 20. This win was made even more special because Mid-Buchanan had beaten Sherwood earlier in the year 4-3. The Marksmen then beat Iberia in the State Semi-Finals 2-0 on Friday, Oct. 29. Sherwoods' catcher, Rebekah Riffle hit the two run HR in this exciting game. The Lady Marksmen moved on to play Marceline in the State Champion game on Saturday, Oct. 30 at the Lady Bear Softball Stadium in Springfield. It was a pitchers duel (1-1) until the seventh inning. The Marceline Blue Jays hit two home runs in the top of the seventh inning to go up 4-1. The Lady Marksmen got two runners on base in the bottom of the seventh inning to bring the tying run to the plate. Hope was in the air but the RBIs were not. The Marksmen were State Champs in 2019 but it did not happen this time.

Kennedy Diggs was on the mound for Sherwood and collected nine Ks in the game but she also gave up three HRs that accounted for the Lady Blue Jays four runs. The Marksmen sole run was scored in the first inning. The Marksmen got a ground ball single and collected three walks that pushed the run across. Marceline hit a solo blast in the fourth to tie things up. The Blue Jays used the long ball again (2X) in the top of seventh with one of them dramatically hitting the top of the wall. The Lady Marksmen finished 2-4-7. Defensively the Marksmen had several highlights. Sarah Dunker at second made a couple of outstanding catches. Another defensive highlight came when Sherwood catcher Riffle made a perfect throw to Kinna Kelso at third that put a perfect tag on a Marcelen runner. Good stuff.

It is always hard watching any ball club that had a great season come up just one game short. They were understandably disappointed. The Sherwood Marksmen seniors accepted their State 2nd Place trophy from the MSHSAA official with tears in their eyes. Only time can help student-athletes, especially the seniors, see experiences like this in proper perspective. Looking at the line up, the Marksmen had three seniors on the field, #2 Shelby Crawford, #11 Hailey Gudenkauf and #8 Mackenzie Roofener. The Sherwood squad had two varsity juniors; #17 Sarah Dunker and #15 Rebekah Riffle. They also had four sophomores: #24 Lily Conner, #22 Kennedy Diggs, #25 Kinna Kelso and #13 Layla Septer. With this kind of depth coming back in 2022 the future for the Lady Marksmen still looks bright. They have been in the State Playoffs five of the last seven years, so making it six could realistically happen. Their head coach is Lonny Price assisted by Megan Dohrman. Go Lady Marksmen.

Of course, Halloween is this Sunday. We have posted sponsored activities that are going on in Henry Co. on our Facebook page if that information was sent to us. Have fun and stay safe.

Tina from Clinton Main Street along with Joyce and I from the Chamber were privileged to judge the Annual Costume Contest at the GVMH clinics once again this year. There was a lot of time and effort put into these costumes and the decorations that went along with those costumes. Please check out the Greater Clinton Area Chamber of Commerce Facebook page for the pictures I took while we were at the Clinton Clinic. I think you'll be impressed. We were!

It's just about Nov. and it's time for the Holidays! You may think the Holidays don't actually begin until after Thanksgiving. However for the Greater Clinton-Area Chamber of Commerce, we are ready to give you a chance to win...several chances to win, actually.

It's the Clinton Chamber's Second-Annual 'Receipt to Receive'.

Beginning Nov. 1st, folks can bring in or email a receipt from a Clinton Chamber-member business and they will then be entered to win. Thus, Receipt to Receive.

At the Chamber, we will copy, scan or print that receipt and get your name and phone number. Keep in mind that the item or items on your receipt has to be at least \$25 in total and those items need to be purchased from members of the Clinton Chamber to be entered, but you can enter multiple times each week with different receipts. Each week, those receipts will be entered into a drawing to win \$25 in Chamber gift certificates. We will give our prize away each Monday starting Nov. 8th. To be entered to win each Monday, you must bring at least one receipt to the Chamber that previous week. All qualifying receipts will be eligible for our grand prize giveaway.

On Dec. 23rd at noon, we will take ALL those receipts entered and draw the big winner of \$200 in Chamber certificates.

To get this promotion started, you can start bringing in those receipts or emailing them on Nov. 1st and we are open Monday through Friday from 8am until 4:30pm at 200 South Main St.

The Clinton Chamber of Commerce is giving away \$375 in Chamber gift certificates with our seven weekly winners and that grand prize winner of \$200 in Chamber gift certificates.

You can find a list of Clinton Chamber members when you go to www.clintonmo.com, call the Clinton Chamber at 660-885-8166 or look for the Clinton Chamber decal near the front of each business. You can email david@clintonmo.com or joyce@clintonmo.com.

The Greater Clinton Area Chamber of Commerce is giving you the chance to get free money! Our "150 to get 25" promotion begins Nov. 1st.

All you have to do is buy at least \$150 in Chamber gift certificates and we'll give you an extra gift certificate worth \$25. That's right, spend at least \$150 with us and you'll get an extra Christmas gift worth \$25 for someone, or yourself!

This promotion begins Nov. 1st at 8am and will end at 4pm on Dec. 23rd. We are open Monday through Friday from 8am until 4:30pm. If you would like for your gift certificates to be ready when you come in, just call ahead and tell us how much you are wanting to spend and any names you may want on the cards.

Gift certificates can be used at most of our Chamber-member businesses and you can find all of our nearly 400 Chamber members on our website, www.clintonmo.com. To order your gift certificates or if you have any questions, just call 660-885-8166 or email david@clintonmo.com or joyce@clintonmo.com. We are located at 200 South Main St.

Our Economic Developer Mark Dawson and I attended Clinton Main Street's monthly Economic Vitality meeting on Wed. It was exciting to hear that a couple of buildings on the Downtown Square have been sold and hopefully activity in those buildings will be starting soon. No definite plans about these two buildings are known at this time but Main Street is hearing that some neat things could be happening in the near future.

Have you noticed? We have a new website. It's still a work in progress but if you haven't already, be sure to go to www.clintonmo.com. This is the same address as our old website so that hasn't changed, but the content has. www.clintonmo.com is not just for the Chamber. There, you will find info from the City, Main Street, Economic Development, Tourism, Parks and Recreation

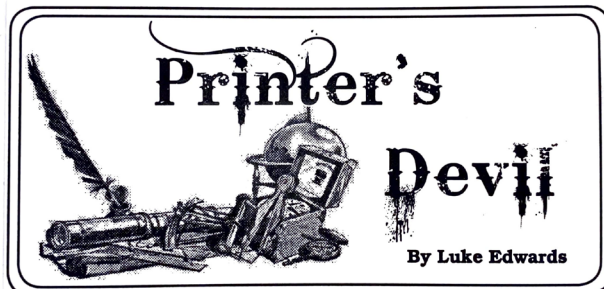

and more. Once again, we are still learning how to put the best information available for the public on this website so be sure to make it one of your favorites and check it often.

If you are a Chamber member, you can be 'Featured': You can either contact me or I WILL CONTACT YOU but the Chamber's new program, 'Featured' with David Lee is underway. We are filling the Chamber's Facebook page with videos of our Chamber members, and this includes YOU! I will come to your business, or you can come to the Chamber, and we will record a five to no-more-than 10 minute video about your business. The content will be up to you. The video can feature a business owner, a manager or an employee you trust to get the message out to the public. It can feature more than one person if you want. It's just another service of your Clinton Chamber of Commerce. The Facebook post will feature the interview and photos of your business. Once a week for a month, your 'Feature' will be brought back to the top of our Facebook page. After a month, of course it will still be on our Facebook page and our new website. Just call, email or stop by the Chamber to schedule your interview.

The State of MO and the Clinton Chamber of Commerce are working to get jobs filled. If you are looking for a job or if you are looking for employees, we are here to help:

Take to the Air?

Flight: one of the biggest dreams of man was finally achieved in...1783? Well, the first successful hot air balloons were, anyway. Hot air balloons that could carry passengers were developed by brothers Joseph and Etienne Montgolfier and in November of 1783 they dutifully sent up a rooster, duck and sheep before sending a person. It traveled about a mile at an altitude of 6,000 feet.

Nearing the turn of the 20th century, however, folks started to experiment with gliders, such as those developed by George Cayley, or those of the German aerodynamics tester Otto Lilienthal - who was killed testing one of his own experimental gliders. The Wright Brothers later used some of his texts to develop their first flight at Kitty Hawk.

But here in Henry County, in 1893, a man named Albert A. Kellogg had dreams: he wanted to fly, too. And very little was going to stop him from his dream. Kellogg, a Civil War Veteran who resided somewhere in the Fourth Ward here in Clinton, was an inventor. His dream was most likely fueled by the likes of Henri Gifford who had developed a cigar-shaped, self-powered, air machine in 1852 - the prototype of the later and more famous Zeppelins developed in 1900.

Kellogg had a place to build it: the Exposition Building (the location of which I have yet to discover); he had the materials - ordered and shipped from as far afield as the West Indies. He had an assistant: one Osker Caspar, an "expert mechanic of Clinton;" and some other interested parties (a "Professor Hall" of which I could find no other information on). With the space, time, help, and probably a considerable amount of capital investment (I wonder how much it cost to have materials shipped from the West Indies in 1893?), Kellogg was hopeful: by May 13 he thought he would have his airship air-born and flying over the rooftops by the Fourth of July. One reporter for the Clinton Eye remarked that

Mr. Kellogg portrayed a "confident manner" and had "no misgivings" about being able to successfully navigate the air.

At any rate, the rattan framework had been assembled by May and it was described as looking like a 40-foot-long basket with no bottom. Kellogg had some problems getting materials and was, apparently, a little apprehensive about that, but still hopeful: while the ribs of the machine were all in place (which took about a week to assemble): the delay in getting those materials left his flying machine in a state "not so far advanced as he expected it would be at this time."

The Fourth of July Celebration of 1893 came and went, and Kellogg's flying machine never left the ground because at some point during construction the machine was destroyed by fire. The amount of money to replace and repair it was simply too much. By July 8th (1893) Professor Hall had visited Clinton again and provided an update to the interested public: he said that Kellogg's "great airship" had been moved to "the country" by a Mr. Casper Oswald. We know that at least some of the canvass to cover his ship survived because Oswald said they were "to be made into haystack covers." Kellogg was still hopeful it could yet be made into a great success, but it does not appear that ever happened.

The 1910 census shows that Mr. Kellogg was 63 years old and living with his wife and mother-in-law. His profession was listed as "carpenter," but Kellogg was still an inventor at heart and the chance to show it came about when the U.S. entered World War I in 1917. Perhaps incensed by his earlier failure, he was finally able to invent something that worked: an instantaneous detonator for shells. The invention replaced the fuse which did not explode on contact - something very useful when trying to get through German trenches and wires in World War I*. It would be an interesting coincidence if it were ever discovered that whatever caused the fire to the airship was what sparked his invention of the instantaneous detonator, but we shall probably never know. Kellogg died in May of 1926; his wife, Louisa, died in 1931.

Advocate Provides \$1M Gift For Scholarship at UCM

Although longtime Independence resident Phillip (Phil) B. Roberts only briefly attended the University of Central Missouri, he has never forgotten the impact the institution had on his life. He recently expressed his appreciation for what his higher education experiences have meant to him, and his desire to help students, through a \$1 million gift to the UCM Alumni Foundation.

This generous contribution will be used to establish the Phil Roberts Scholarship, benefiting students in the Adrian and Margaret Harmon College of Business and Professional Studies. University President Roger Best and other campus officials had the opportunity to meet with and thank Roberts when he presented his financial gift earlier this month. The way the award is structured, more than 20 students per year will benefit.

“Mr. Roberts demonstrated at an early age a willingness to work hard to achieve,” Best said. “Having personally experienced the Depression, he understands the impact that determination coupled with a college degree can create for the individual and has long shown a commitment to assisting students with making college affordable. We are privileged that he has chosen to support a countless number of UCM students through this perpetually endowed scholarship, and we look forward to honoring his legacy through these awards.”

Roberts grew up in the Kansas City area, and began his higher education in 1947 at UCM, and later transferred to Missouri State University in Springfield, where he completed a degree in finance and general business in 1950. He utilized his higher education as an entrepreneur specializing in transportation and logistics, and was a business owner and real estate investor. Roberts also served honorably in the United States Army, and attained his higher education on the GI Bill.

Roberts credits his college experiences with much of his success, and has utilized his own financial resources to make a difference in students’ lives at both UCM and MSU. This includes providing a smaller gift in 1991 to establish a scholarship fund at UCM to aid physical education majors who plan to teach at the secondary level. He has also supported K-12 education, including through generous gifts of scholarships to students in the Independence School District.

“Mr. Roberts’ extremely generous gift to the Harmon College of Business will truly turn the dream of obtaining a business degree into a reality for generations of future UCM students,” said Courtney Goddard, vice president of university advancement and executive director of the UCM Alumni Foundation. “Mr. Roberts has worked incredibly hard his entire life to be in the position to now give back to the students of the University of Central Missouri. Our students will benefit greatly from his endeavors, as well as his belief that higher education can truly transform lives, as it transformed his.”

Jose Mercado, dean of HCBPS, emphasized the value of Roberts’ recent gift, noting it “will further the growth of future leaders in their fields.”

“We are so very grateful for Phil Roberts’ generosity and his support of the Harmon College of Business and Professional Studies,” Mercado said. “This new scholarship will continue our efforts to attract talented students to our high-demand business and professional studies programs. HCBPS offers applied learning experiences to prepare students for a lifetime of success.”

Graham Receives Second Degree Murder Charge

The Henry County Prosecuting Attorney’s Office has charged Casey Graham, 37, of Independence, Missouri, with murder in the second degree.

Assistant Prosecuting Attorney LaChrisha Gray filed the case on behalf of the State of Missouri. On September 28, 2021, the case was filed and a no bond warrant was soon thereafter issued by Judge Harold Dump.

The charges stem from a report of an individual shot in southeast Henry County on November 10, 2020. The Henry County Sheriff’s Office responded and investigated the incident. The victim, Kenneth Isenberg, was found to have three gunshot wounds, including one to the head. He was pronounced deceased after being transported from the scene by emergency medical personnel.

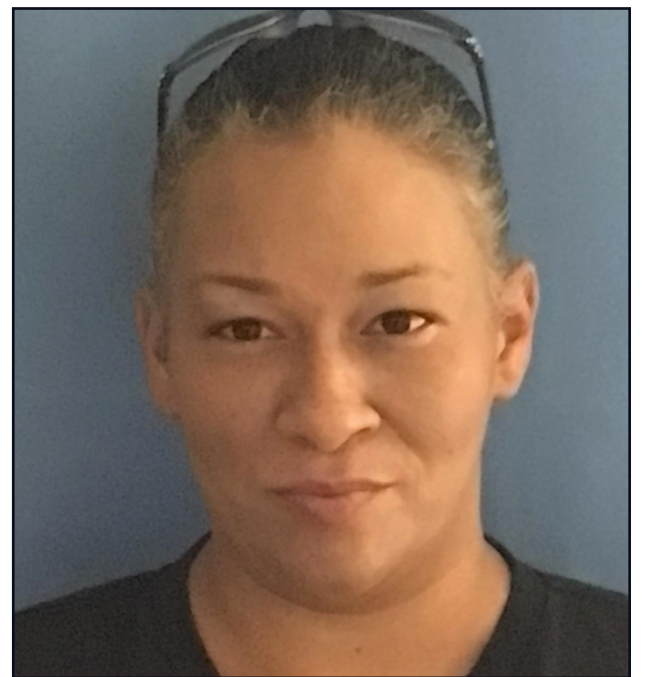

According to the probable cause statement filed in this case, an altercation occurred between Graham and the victim at the victim’s residence regarding the defendant’s presence at the home. During the altercation it is alleged that Graham shot the victim three times.

The Henry County Sheriff’s Office found Graham at the scene and placed him into custody. Graham was later released pending an investigation.

A completed investigation report was forwarded to the Prosecuting Attorney’s Office on July 27, 2021. After the full report was provided, Assistant Prosecutor LaChrisha Gray filed the charges.

Graham is currently being held without bond at the Henry County Jail, but is scheduled for a bond hearing in front of Judge Harold Dump on November 5, 2021 at 10:30 AM.

Brame Case Continues

A Warrensburg woman accused of 1st degree burglary and possession of a controlled substance, asked for and received a second continuance of her criminal trial.

Kristin D. Brame, 41, went before Associate Circuit Court Judge Harold Dump on October 15 at the Henry County Courthouse in Clinton.

According to Missouri Casenet entries, Brame and her attorney Holly Griffith of Harrisonville requested and were granted a continuance.

Brame allegedly assisted Clinton resident Eric Kelce, 41, in a copper theft burglary of a local factory building in Clinton in July of this year.

Kelce has already been tried and released. He received a suspended sentence and five years of probation.

Brame is also charged with possession of methamphetamine.

The punishment in Missouri for meth possession can be a fine of up to \$5,000 and up to seven years of incarceration.

This is the second continuance for Brame. Her original trial date was October 5.

She is released on a \$10,000 bond.

The defendant will next appear for her criminal trial at 9 a.m. on November 5 at the Henry County Courthouse in Clinton.

Judge Harold Dump will preside and Henry County Prosecutor Richard Steele will represent the state.

Calhoun United Methodist Church

Welcome to the news of Calhoun United Methodist Church. We praise God for the peace and fellowship we enjoy in rural America. We rang the church bell to call the flock to worship. Our service is filmed for face book.

This week we are praying for many in our community who have ongoing illness and those recovering. Our list includes Celura Books, Lou Young, Helen Reynolds, Kent Combs, and C.W. Southers. Special prayers, for our military, especially disabled veterans hurting because of injuries inflicted by war. We pray for those in our work force who face the dangers of the pandemic in the work place and for our country as we all face the impact of shortages and higher prices for all in the name of greed.

Joys to celebrate: We are thankful for beautiful fall days, life giving showers, and the change of the seasons. The Trunk or Treat Extravaganza on the Calhoun Square; sponsored by the Calhoun Colt Show committee was a marked success. There were a dozen participants from the community; and an estimated 200 Trick or Treaters; many from out of town accompanied by their parents. It was a beautiful evening, a fun time, and was enjoyed by all. Sunday Nov. 7th will be a special day as we celebrate four new members joining our congregation through baptism and profession of faith. Sunday Nov. 14th will

be the Colt Show Annual Turkey Dinner at the Calhoun School Cafeteria make plans now to attend.

We invite you to visit our worship service any Sunday morning at 10:00; the Welcome mat is always out. Come dressed as you're comfortable. Be prepared to receive a blessing for your effort, and we will be blessed by your presence.

First Baptist Church

In the morning worship service Kevin Griffey led the congregation in the singing of hymns & contemporary Christian songs. The Scripture reading was Mark 12:28-34 & Psalm 146. Pastor Randy Shipman reminded us that the ActsOne8 Prayer Guide will be material that we use as a source to refer to the Missionaries so we can be reminded of who we are to support in prayer on a daily basis. Today, we are praying for the Henry County Churches who have many needs. We ask that you pray that God will use all the evangelical churches in Henry County to reach our county for Christ.

In the message Pastor Randy reminded us that First Baptist Church exists to fulfill the great commission by loving people into a growing relationship with Jesus. In the Book of Acts we hear Paul's description of his life before Jesus which is his "story" of how he came to know Him. We were challenged with the question of "what is our story"? If we are believers we have a story to tell and were reminded to be prepared to share the Gospel & tell the story of how Jesus has changed our life. Life with Jesus doesn't make us better than others, it just makes us better than we were.

Volunteers will also be needed November 8, 9, 11, & 12th to help with Project Christmas Cheer Telephone the church office if you can help.

For those who are shut-in we invite you to hear the service on KDKD 95.3 @10:00 AM Sunday mornings. We also invite those in the Clinton area who don't have a church home to join us in worship of our Lord & Savior, Jesus Christ. For more information on the activities of First Baptist, please telephone the church office @660-885-2211 or check out our website <firstbaptistclintonchurch>

First Presbyterian Church

God's mercy brings us peace when troubles are in our world. Share God's love with others through compassionate acts. Let the light of God shine through you and proclaim His goodness. Rev. Nancy Gillard brought the message titled Reformation Comes to America using Ephesians 2: 1-10 as the scriptural text. For our anthem this week Pat Brock and Gay Smith blessed us with a piano duet of "O For A Thousand Tongues" arranged by Molly Ijames.

The Samaritan Center's Christmas Cheer food drive continues through Sunday, November 21st. Pudding mixes of all flavors are welcome. The collection is growing and there is still plenty of time for you to become involved in this mission project. Donate and put your faith in action.

The Presbyterian Women held their monthly meeting at 1:30 pm Friday, November 1st. These ladies are enjoying their study "What My Grandmothers Taught Me, Learning from the Women in Matthew's Genealogy of Jesus". This month the lesson was on Rahab. Come and be a part of this group.

Brightly colored jump ropes are on display in the foyer. As more are created, the display grows. Check them out. Amazing what can be made by braiding three tee shirts together. These jump ropes will be donated and placed in Samaritan Purse Christmas boxes for children around the world.

ZOOM Bible Study continues weekly on Wednesdays at 11:30 am. If you are interested in participating please contact the church office and the link will be sent to you. Rev. Nancy guides this weekly study.

You are invited to join us in worship each week. If unable to attend in person, please find us online at: YouTube Nancy Gillard, fpclintonmo.com or Facebook First Presbyterian Clinton MO. Sunday sermons, worshipful music, church updates and prayer times are available there. Our Sunday service is also broadcast on FM radio 87.9 at 10:30 am.

Golden Valley Christian Church

In our world today, teenagers are sometimes seen as rude and only interested in their own wants and needs. However, there are many stories of teenagers that are heroic. At Sacramento Valley High School, a mother, there to pick up her daughter, hit another car. In panic, she reversed the car, backing up over her daughter and trapping her under it. The varsity baseball team was in practice when they heard the desperate screaming. The team took off for the parking lot, surrounded the car and lifted it so that the girl could be pulled free. She was immediately sent to the hospital. The team's coach later told how proud he was of his team for this heroic act. The Bible tells of another young man who helped his country. Many

scholars think David was around fifteen years of age when he killed the Philistine giant, Goliath (1 Samuel 17).

The youth have begun rehearsals for their December 5th Christmas program. Remember to help with our two Christmas projects: Operation Christmas Child shoeboxes, and "Jello" gelatin or pudding for Christmas Cheer. The GV Charity Crafters meet on Tuesdays at 10:00 AM, and Bible Study is on Wednesdays at 7:00 PM.

GVCC was fortunate last Sunday to have Dr. Billy Strother, from Central Christian College of the Bible, in Moberly, Missouri. The topic of Dr. Strother's message was the story Jesus told of the ten bridesmaids who were waiting to meet the bridegroom (Matthew 25:1-13). Dr. Strother, using a great deal of humor, made a powerful point in the difference between the bridesmaids. Five of the ladies were extremely intelligent, filling their lamps with oil and bringing extra oil, and the other five were "morons," even failing to fill their lamps. While the five "morons" were elsewhere, trying to purchase oil, the bridegroom came. Actually, this story is a metaphor of the return of Christ, telling all of us to be ready at any given time.

Golden Valley Christian Church meets at 611 South Third Street in Clinton. Sunday School classes begin at 9:30 AM, and the morning worship service is at 10:30. Our interim minister is Elmer Fuller, and our website is www.goldenvalleycc.org, where you will also find links to access our Facebook page and YouTube sermons. We are happy to invite you to attend our services, where you will always receive a warm welcome.

Mount Calvary Apostolic Pentecostal Church "Led By The Spirit Of God"

Halloween is a spiritual holiday for a lot of people in this world. There are three distinct meanings in the Bible.

The human spirit: It says In Matthew 5:3 Blessed are the poor in spirit: for theirs is the kingdom of heaven. (KJV)

The evil spirit: Mark 5:7-9 And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God? I adjure thee by God, that thou torment me not. For he said unto him, Come out of the man, thou unclean spirit. And he asked him, What is thy name? And he answered, saying, My name is Legion: for we are many. (Mark 5:1-13 KJV)

The Spirit of God- Holy Spirit: Ezekiel 37:6 And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD. (KJV)

You don't play with bad spirits. The man who was possessed saw Jesus far off, but he still felt the power of God.

Demons are afraid to roam free because of the angels that are around us. For that reason they prefer to be in animals or people. The power of God causes demons to flee, for that reason they asked Jesus to send them into the swine that was nearby.

The Holy Spirit comes upon people to enable them to do God's will.

It says in Ezekiel 37:6 And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD. (KJV)

This is the spirit of life. Ezekiel prophesied as God commanded him to do related to those dry bones. In verse 10 we see the breath of God came upon those bones.

For those of us who have the Holy Spirit, this is the same spirit we have in us. Having Holy Spirit power will raise the dead. This is the spirit of God.

There are many people walking around without the spirit of God in them. Zombies.

Haunted: inhabited or frequented by ghosts, disturbed.

People flock to haunted houses because they see them as fun and harmless. Satan has them deceived. Demonic forces are present. You don't play with demons. People don't realize demons can enter their spirit, inhabiting that person and they will never know.

Being demon possessed; there is nothing the doctor can do for you. Only the spirit of God can deliver you from that.

Come to church and experience the spirit of the Lord. Halloween is not Satan's day. He had no part in creating this world. Only the hand of God created it.

This is the day that the Lord has made, let us rejoice and be glad in it! God Bless.

Mt. Zion United Methodist Church

Part 3 of Pastor David's sermon series, "Acquire the Fire", was "Praying for Opportunities", with passages from Matthew 28:18-20, Luke 19:1-10, and Psalm 107. We are at a point where we must re-evangelize the western world and bring the Gospel to those who have not heard it or who have rejected it. If, as the body of Christ, we are going to succeed in anything we must be in tune with and working with God's grand design. So, let us approach our evangelization effort first in a spirit of humility and prayer, discerning where God is calling us.

As we do this, the Holy Spirit will lead us. Perhaps we must pray for courage to bring the Gospel to someone in our lives. This doesn't mean we should march into the coffee shop or place of meeting and start swinging at them with Jesus—this will have precisely the opposite effect we and God desire. No one wants to be "preached at" by their friends. Instead, we should be genuine and work on establishing a relationship with that person. Be attentive, listening to what they say, hearing their story. Establish a friendship and be kind and compassionate. Trust, attentiveness and being intentional will lead to opportunities to have conversations about Jesus and how Jesus has transformed your life.

We cannot make anyone decide to convert, be baptized, or embrace the Gospel—that is the job of the Holy Spirit. So, do not be discouraged, but remain persistent—not annoying. If we want to create disciples of Jesus Christ it begins right here with us. First with prayer, then being attentive and persistent, telling our story. God's Grace will do the rest. So be

in prayerful discernment about where God is sending you to transform the world one person at a time. Amen!

Northeast Baptist Church

Do not let any unwholesome talk come out of your mouth, but only what is helpful in building others up according to their needs, that it may benefit those who listen (Ephesians 4:29).

In today's world, we are exposed to a lot of unwholesome talk, miscommunications, anger and out and out gossip. That hasn't really changed from past decades, it has just gotten more volatile, less civil, with the social media and internet culture. When was the last time you picked up the phone to ask a friend how he or she was REALLY doing or what's going on in his/her life? Maybe someone's waiting to tell you that they're NOT really fine. Have you offered to help that new person in town or invited them to your congregation?

Have you shared your own testimony with someone? Are you searching for "something" in your life? Just know that Jesus loves us and can wash away our sins. Communications are open to Him all day every day. Jesus said, "I am the truth, the way, and the life; no one comes to the Father but through me" (John 14:6).

This Sunday, November 7, Pastor Kueker will begin a new class on "Holy Baptism - A Gift from God" at 9 AM in the lower fellowship area. In this class, we will explore the Biblical witness and Lutheran theology regarding The Sacrament of Holy Baptism as well as several historical arguments over the topic that have shaped and formed our practices even today. If you've ever wanted to learn more about the sacrament of Holy Baptism, this class is for you!

TLC Smokehouse would like to thank all the volunteers throughout the year and especially at Heritage Days. We couldn't have done it without you.

The Best Choice Save-A-Label program helps raise money for non-profit organizations. For each 1000 labels saved, the LWML will earn money. Purchase Best Choice products at your favorite store supplied by Associated Wholesale Grocers (AWG) and save the UPC (proof of purchase) portion. Put the clipped UPC in the basket above the coat rack. Note: The labels are like Mites - they add up!

"I want to thank you all for your much-needed support during this difficult time. Like a solitary candle on a windowsill, you have brought some light to me in this time of darkness. You have helped guide me from the cold to the warmth and comfort of your friendship. Thank everyone who helped with Mike's Funeral. Brian Loman's solo was uplifting. Thank you." Sandy Huey.

Valley Center United Church of Christ

Almighty God, touch us with your loving spirit. Surround us with your grace and kindness that we might in turn reach out to each other with gestures of love and friendship, offering gifts of encouragement and acceptance in your holy name, Amen.

It was such a beautiful Autumn day to come and worship together at our church on the brow of the hill! We send big happy birthday wishes to our dear friend Franklin Rapp! We remember all those who came before us who taught us the way of the unending love and grace of Jesus.

The stories from the Bible are not just for children. They are important reminders for all ages. As we read the narrative of Naomi and her daughter-in-law Ruth, it tells the story of two women, coming from different places, who looked different and had different values, but together they planted seeds which sprouted into Christianity as they established a lasting covenant with God.

Naomi had lost everything and had to leave her homeland. She told Ruth that she had nothing to give to her. But Ruth responded, "Where ever you go, I will go, your home will be my home, your God will be my God". Their power of commitment and genuine love was their guide.

What does it mean to be a Christian? Those seeds of love and commitment that was planted by Naomi and Ruth can be our guide today. We need to establish a covenant that brings God into our World. We should do what we can and serve him as we challenge ourselves with the many opportunities to help those in need. God wants us to keep working toward the day when all, not just some but ALL are free. As Christians we make a commitment to believe and to give others love and acceptance that He has given to each of us. Our commitment to God, church and each other, will sustain us and give us everlasting life.

Governor Parson Loans Hannibal \$750,000

Governor Mike Parson announced a \$750,000 interest-free loan to the city of Hannibal to ease the impact of excessive wholesale electricity and natural gas costs associated with the February 2021 extreme weather event. The loan was made possible through the Municipal Utility Emergency Loan Program.

“The Municipal Utility Emergency Loan Program provides municipal utilities and commissions the opportunity to recover from the high costs associated with the extraordinary cold snap we experienced in February,” Governor Parson said. “We were happy to create this program that has aided our cities and towns and helped Missourians avoid excessive month-over-month utility bill increases. This \$750,000 emergency loan to the city of Hannibal will lessen the financial impacts for the city and its residents.”

The loan program was established when Governor Parson signed legislation on May 13, 2021, to provide \$50 million for interest-free emergency loans. The program is administered by the Missouri Department of Natural Resources’ Division of Energy and serves municipal electric and natural gas utilities, as well as municipal utility commissions, by providing loans for wholesale electric or natural gas costs incurred as a result of extraordinary prices from February 10-20, 2021. Approximately 53 municipalities have applied individually or through municipal utility commissions since the department began accepting applications on June 2.

When the unusual cold snap occurred in February of this year, prices for wholesale natural gas and electricity rose as demand increased and production stopped at some facilities in the United States. These increased prices severely impacted Missouri communities.

“We’re honored to be able to assist Missouri utilities that experienced unprecedented energy prices earlier this year,” said Dru Buntin, Director of the Department of Natural Resources. “The priority has been to meet the needs of our communities and provide financial stability for municipal utilities and their customers. We are grateful to the Governor for acting so quickly to work with the legislature to secure funding.”

The combined amount requested in applications to date totals approximately \$41 million. Funding is still available. To learn more about the Municipal Utility Emergency Loan Program, contact Daniel Dahler with the Missouri Department of Natural Resources at 800-361-4827 or 573-522-3371.

GVMH Introduces ENT Services

Golden Valley Memorial Healthcare (GVMH) is pleased to announce that it is expanding its Ear, Nose and Throat (ENT) services by adding a Physician Assistant.

Brian Reger, PA-C, will work alongside Dr. Richard Woodland, DO, to provide medical and surgical needs of the ears, nose and throat, as well as structures of the head and neck. The ENT team treats conditions such as ear infections, hearing problems, sinusitis, swallowing disorders, voice disorders and more.

Reger received a Master of Science in Physician Assistant Practice from Rosalind Franklin University of Medicine and Science and a Master of Science in Exercise Physiology from West Virginia University. He is also board certified by the National Commission on Certification of Physician Assistants (NCCPA).

“We are delighted to have Brian join our ENT team at the Clinton Clinic,” said Kyle Adkins Chief Operating Officer. “With his background and experience, I know he will provide exceptional care to our patients.”

For more information about GVMH, visit gvmh.org and follow on social media @choosegvmh.

Scholarship Open To First Responders

In honor of National First Responders Day, which takes place annually on Oct. 28, WGU Missouri is launching a new scholarship to show appreciation for first responders – including EMTs, police officers, firefighters, corrections officers and others – who have demonstrated unprecedented selflessness and commitment in serving area communities as they carried out their duties throughout the COVID-19 pandemic. The fully online, nonprofit university plans to award up to \$80,000 in scholarships to area first responders – and their spouses – who are interested in furthering their education.

Each “First Responder Appreciation Scholarship” is valued at up to \$4,000 per student and will be applied at a rate of \$1,000 per term for up to four terms. The scholarships are available for new students enrolled in any of WGU Missouri’s more than 60 degree programs in business, information technology, K-12 teacher education and health professions, including nursing. The scholarship application is available at www.wgu.edu/firstresponders and will be open through June 30, 2022.

“First responders make countless sacrifices on a daily basis to protect our communities, uphold the law and save lives,” said Dr. Angie Besendorfer, Chancellor of WGU Missouri. “While we can never fully repay the debt of gratitude we owe our first responders, we at WGU hope that this scholarship offering can help provide those first responders and their spouses who are considering going back to school an even more affordable path to earning their degrees.”

Designed to meet the needs of busy adult learners, WGU Missouri uses a competency-based education approach to learning, enabling students to take advantage of their knowledge and experience to move quickly through material they already know so they can focus on what they still need to learn. Students complete their programs by studying and taking tests on schedules that fit their lives, advancing as soon as they demonstrate that they have mastered subject matter. The flexible format is perfect for those in full-time, demanding fields, like first responders.

For more information about WGU Missouri or available scholarships, visit Missouri.wgu.edu.

PROBATE

In The Estate Of DANIEL RAY TAYLOR, Deceased.
Case No.: 21HE-PR00102

**NOTICE OF LETTERS
TESTAMENTARY GRANTED
(Independent Administration -
Non-Resident Fiduciary)**

To All Persons Interested in the Estate of DANIEL RAY TAYLOR, Decedent:

On OCTOBER 21, 2021, the last will of the decedent having been admitted to probate, the following individual was appointed the personal representative of the estate of DANIEL RAY TAYLOR, decedent, by the Probate Division of the Circuit Court of Henry County, Missouri. The personal representative may administer the estate independently without adjudication, order, or direction of the Probate Division of the Circuit Court, unless a petition for supervised administration is made to and granted by the court. The name and business address is:

DAVID EDWARD TAYLOR, 1450 NORTHVIEW DRIVE J7, ANCHORAGE, AK 99504.

The personal representative's attorney's name, business address and phone number is:

JEFFERY T ADAMS, 206 S BAIRD, CLINTON, MO 64735, 660.885.2221.

The non-resident personal representative's designated agent's name, business address, and phone number is:

JEFFERY T ADAMS, 206 S BAIRD, CLINTON, MO 64735, 660.885.2221.

All creditors of said decedent are notified to file claims in court within six months from the date of the first publication of this notice or if a copy of this notice was mailed to, or served upon, such creditor by the personal representative, then within two months from the date it was mailed or served, whichever is later, or be forever barred to the fullest extent permissible by law. Such sixmonth period and such two-month period do not extend the limitation period that would bar claims one year after the decedent's death, as provided in Section 473.444, RSMo, or any other applicable limitation periods. Nothing in Section 473.033, RSMo, shall be construed to bar any action against a decedent's liability insurance carrier through a defendant ad litem pursuant to Section 537.02 I, RSMo.

Date of decedent's death: AUGUST 20, 2021

Date of first publication: NOVEMBER 4, 2021

Glenda Hann
Probate Clerk

Receipt of this notice by mail should not be construed by the recipient to indicate that the recipient necessarily has a beneficial interest in the estate. The nature and extent of any person's interest, if any, can be determined from the files and records of this estate in the Probate Division of the above referenced Circuit Court.

SEEKING NOMINEES

Henry County SWCD Board of Supervisors

Let it be known that the Henry County Soil and Water Conservation District will hold an election for one supervisor in each of two different territories in the county from February 1-February 20. Anyone that owns a farm in Territory II, Tebo, Windsor, Fields Creek, Deer Creek, or Springfield Townships, or Territory IV, Walker, Davis, Deepwater, or Bear Creek Townships, and meets the qualifications listed below, may be considered as a candidate in the election. You may submit your name for participation in the election by completing the self-nomination form and delivering it to the district by 5:00 P.M. on November 30, 2021. The self-nomination form is available online at <https://mosoilandwater.land/henry> or in person at the district office (see contact info below).

Supervisors of the district administer district policies and programs, district personnel, and cost-share funding made available by the one-tenth-of-one-percent parks, soils and water sales tax. During fiscal year 2021, the district provided \$179,737 of cost-share funds to 18 landowners to assist the landowners with installing agricultural erosion control and water quality practices.

The qualifications required to be a supervisor are:

1. Being a land representative from the district (10 CSR 70-4.010 (1) (I)). A land representative is defined as the owner or representative authorized by power of attorney of any farm lying within an area proposed to be established, and subsequently established, as a soil and water conservation district under Chapter 278, RSMo. Each farm is entitled to representation by a land representative: provided, however that the land representative is a taxpayer of the county within which the soil and water district is located.
2. Residing in, or owning a farm in, the area from which he/she is nominated where there is an expiring term.
3. Being a cooperater of the district, defined as, "a person who is actively engaged in farming and practices conservation activities related to agriculture".
4. Being a current resident and tax-paying citizen of the county for at least two years preceding the election date.
5. Be eighteen (18) years of age or older by the election date.

Henry County Collector, Ann Julian, announced the 2021 Henry County tax statements have been mailed. Anyone owning real estate in Henry County or owning a vehicle, mobile home, farm or business equipment on January 1, 2021 should receive a tax bill through the mail. We have mailed them out a few weeks earlier this year. Hopefully this will allow taxpayers to have extra time in case of undeliverable mail or questions they have regarding the bills.

Persons having questions about property listed, values or corrections to the tax bills should contact the Assessor's office at (660) 885-7212. However, if one has questions regarding the payment, paid receipts or not receiving a bill, contact the Collector's office at (660) 885-7207.

There are four ways to pay taxes in Henry County: in person, by mail, by drop box (located on West side of Courthouse) and on line at henrycountycollector.com. For security reasons, the Collector's Office does not accept payments by phone.

Payments received by mail are deemed paid as of the postmark date stamped; therefore, they must be postmarked by December 31 to avoid penalties.

The Collector's office is located on the first floor of the Henry Co Courthouse. Regular hours for the office are 8:30 - 4:30, open during the lunch hour as well.

Receipt of this notice by mail should not be construed by the recipient to indicate that the recipient necessarily has a beneficial interest in the estate. The nature and extent of any person's interest, if any, can be determined from the files and records of this estate in the Probate Division of the above referenced Circuit Court.
