Back Of House: Health Inspector Keeps Us Safe

BY KENNY RAGLAND
Staff Reporter

Keeping town and county residents safe, is a big part of the job for the environmentalist at the Henry County Health Department.

Gary French is charged with inspecting restaurants, septic systems, coordinating school based health programs, food safety presentations, and other duties for his typical day.

Covering Clinton and all of Henry County, French has a lot of responsibility.

"I inspect high risk business kitchens a minimum of two times a year," said French. "Anyone that serves fresh chicken and cooked poultry meats, is on that list."

Other restaurants and food services still get inspected, but not as often.

"Medium risk kitchens that serve frozen meats directly to the cooking process, I inspect annually," French said. "Low exposure, where packaged or baked foods are served, get annual inspections."

Education is a big part of the environmentalist job.

"People will get sick from eating something, and try to figure out where they got it," French said. "Well, it takes 3-5 days for that illness to show up."

French cautions sick individuals to not prematurely cast blame.

"People have a lot of meals following a possible exposure," French said.

Handling complaints is a part of his job.

"We take complaints very

seriously," French said. "We will go to where the individual thinks they contracted the food illness."

French has had to close restaurants, but prefers to do so in a diplomatic way.

"Putting up signs, temporarily closed for maintenance is one way," French said. "It also gives management time to make corrections, replacements and repairs."

The health department inspector said that simple rules can be followed.

"Keep the hot foods hot," French said. "Keep the cold foods cold."

Temperature parameters and equipment are not hard to follow.

"Hot foods need to be 135 degrees and up," he said. "Cold foods need to be placed on ice for buffets."

Missing thermometers are a common thing French sees on inspections.

"Refrigerators are supposed to have showing visible thermometers," he said. "Cold meats cannot be served above 41 de-

grees."

French said that kitchen appearance doesn't necessarily define a restaurant's safety.

"Even the best kitchens can have a bad day," he said.

The health department encourages homemakers and BBQ cooks to do the same things as restaurant

staffs.

"Use meat thermometers when you grill," French said. "Especially with chicken and poultry meats."

The inspector gives one very good sound byte, for lasting advice on food safety.

"When in doubt, throw it out," French said.

Mayoral Race Heats Up As Election Day Nears

CARLA MOBERLY

THOMAS WALLER

As the April 5 Municipal election approaches, candidates are squaring off to put forward their campaign. In Clinton, the race for Mayor is between Thomas Waller and Carla Moberly. Both candidates were asked a series of thought provoking questions and offered his or her responses. Unlike a typical debate, the two candidates were allowed privacy to answer these questions.

Why are you interested in being Mayor?

Carla- I have served on the city council for the last ten years. I enjoy serving the community as we continue to look for ways to make Clinton better for everyone and I would like to continue.

Thomas- I have been a resident of Clinton for 20 years. Over the course of that time I have watched as decisions have been made that have cost the tax payers of Clinton thousands of dollars. I have complained and never done anything about trying to change the way our local government spends our tax payer money. I finally reached the point where I want to do something about making responsible financial decisions.

What qualities do you think are important to possess to be Mayor? What is one personal strength that qualifies you for the position?

Carla- I believe the mayor of Clinton needs to have a long-term vision for the future. Most projects the city council, department heads and city staff have worked on the last 10 years did not happen quickly. Planning for the future is of the utmost importance. Because we have been preparing ahead, Clinton has been in an excellent position when grant opportunities became available. As a

Clinton Man Asks Council To Take On Grave Problem

The Clinton City Council met in open session March 15 at City Hall. All members of the council were present; Mayor Greg Lowe presided. The previous minutes were approved.

A personal appearance was made by Kenny Ragland. Mr. Ragland asked that the council consider paying him \$14,000 per year to maintain and look after the Oak Grove Cemetery. "I would like to take over care-taking that cemetery," said Ragland. He explained to the council that he had experience caring for grave sites and cemeteries in the past. He also told the council that he would use products that would protect the graves from vandalism (protective coatings, for instance, to protect from paint, etc.). One of Ragland's references was the current Sexton John Wilson. He told the council that the Parks and Rec Department should be encouraged, and that he was sure they did the best they could with the equip-

ment and manpower they had, but thought he would do a much better job of maintaining the cemetery.

The second reading of Bill No. 2022-05 was held: the ordinance passed unanimously and amends the budget for the 2022 fiscal year.

The Public Works report was given by Councilman

Cameron Jackson. The first item on that agenda was pushed to a future council meeting as the original planning commission matter to be presented for council approval/disapproval was not held (not enough for a quorum). The public hearing, in regards to a re-zoning, has been City Council 3

Have I Got A Line For You!

By James Mahlon White

Walking across the yard I noticed tall blades of green grass poking through. Spring has sprung and the hum of lawnmowers could be heard Sunday. The day also marked the Vernal Equinox. It arrived at 9:33 AM, the exact moment when the sun's rays shine directly on the Earth's equator. Tracey Spry said the sun's position in the sky (and presumably its gravitational pull on the Earth) means you can stand an egg on its end during the precise moment of the Vernal Equinox. She had a go at this year's ago and reported success.

Haven't hear much from Dr. Fauci for a while, but he's back in the news saying we could face more Covid lockdowns if cases go up. A new BA.2 variant would be to blame. Well, maybe Dr. Fauci should focus on getting all of us some potassium iodide pills. I'm not as worried about Covid as I am about being blown to smithereens if things go south with Russia. With the amount of lies the good doctor has been caught on, he might as well run for Congress. Lockdowns didn't work, they just widened the big economic gap between the haves and have not's. Stage four of the pandemic has begun...the Save The Party In Power stage. Brace yourselves for a flurry of bureaucratic edicts based on political science, not real science. UNBELEIVABLE!

Also unbelievable...gas prices. Not just for our personal travel, some quite necessary. If you're in business, the increased cost for bringing in goods, etc. is getting worse every day. The cost of gasoline also affects a number of departments in our city, county and state. Think about how

much more the Highway Patrol must be shelling out! Or what about the cost of running school buses? And very important our school buses. We're pretty lucky though. How about the thousands of people who have lost everything in Ukraine and have no place to go? Not even to work, because that's probably gone too. Boggles your mind, doesn't it. Almost like watching a war movie on TV, except this time it's real.

Ah well. It wouldn't hurt me to start riding a bike on short trips. Listen, have a safe and good day in your neck of the woods. We've seen or been through many a disaster. Each time our hides got a little bit tougher and we learned a sense of humor can beat having a PhD.

Announcing Candidacy

MARTHA NICHOLS

I am Martha Nichols and, on April 5th, I am a candidate for 2nd Ward City Council. Clinton is my home town and I want to see it grow and prosper and be a great place to live and raise families.

Born and raised in Clinton I attended Clinton public schools. After graduating from William Woods College at Fulton, Missouri, I married Richard W. (Rick) Nichols and we decided to make Clinton our permanent home. After college I taught Business at Clinton High School for one year and then had an opportunity to become Director of Dietary Services at Golden Valley Memorial Hospital, a position I enjoyed for ten years.

With an opportunity for a sales career, I established Nichols Associates, a sales

THOMAS WALLER

Hi, I'm Thomas Waller and I'm currently running for Mayor in Clinton, Missouri.

I married Brenda Hamilton on November 6, 1976. We were married for 43 1/2 years and have two wonderful children, and three wonderful grandchildren. After a 20 year battle with cancer, my wife passed away on 5/1/20.

We moved to Colorado Springs, Colorado in 1992 to attend the Nazarene Bible College, where I received a 4 year degree in Pastoral Ministry. In 1996 we moved to Stockbridge, Michigan, where we pastored the Southwest Church of the Nazarene from 1996 to 2002. I was ordained in 1997.

In 2002 we moved to Clinton, Missouri, where I

Live Long and Add Sugar???

In March, 100 years ago, in the Windsor community: In 1920, the community of Windsor was invited to celebrate the 100th birthday of Mrs. Thankful Jane Dorris. Dorris would have been alive to see a great many changes in the US and, indeed, did.

She was born in Tennessee when it had only been a state for about two decades (it was the 16th state) and recalled her early education as being in a small log schoolhouse with split-slatted flooring (punchon), sitting on benches with no backs, and using sharpened goose quill pens for writing. We have all heard of a neighbor

lending another neighbor some sugar or other necessary item, but she recalled a time when a neighbor, literally, would lend another neighbor fire - they would carry it to the neighbor's home in times of need.

In 1841 she married Pope Dorris at the age of 21. Pope served with Price's Army in the Civil War but died the year after the war ended. Thankful Dorris, at her 100th birthday, had been a widow for over five decades and was blind (and had been for previous 20 years), and it was reported she was starting to have problems with her hearing in the few years before her 100th birthday. She did, however, have a keen memory and sense of hu-

mor. She was actively interested in what was going on in the world and U.S. and was supportive of women's suffrage, education, and the prohibition of liquor.

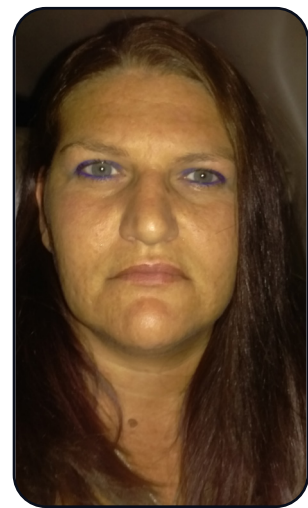

So, what did she attribute her long life to? Sugar - well, at least partly. Mrs. Dorris said she ate a great deal of candy and used a lot of sugar in her coffee. However, she also said she did not eat "heavy meats" and was partial to fish, some wild game, fowl, and vegetables. Dorris loved the Windsor community and said it was the best place in the world to grow old and that living there had contributed to her longevity as well.

But who knows? Maybe it was the sugar...

City Council cont.

re-scheduled to be held at 6:00 p.m. April 4th.

An update about opening the north bound lane on the east side of the square was addressed. There were some proposals given to make this happen by Street Superintendent T.J. Williams. There has, thus far, been no response from Main Street about the proposal.

City Wide Clean Up: the Clinton City Council approved the dates of April 25 – April 30.

After some discussion, the council agreed to move forward with the purchase of a 2022 fleet truck for the Street Department. Three bids were received, but the bid from Max Chrysler for a 2022 Dodge Ram Truck (\$50,500) appeared to be the best option considering price, type of truck, miles, and availability.

Resolution 04-2022 was adopted by the council. The resolution approves the task order and agreement (for \$98,000 – which is a lower and amended amount) with CJW concerning the Franklin Street Bridge Project.

Westport Construction was awarded the bid to construct the shelter houses at Kids' World. The amount is \$23,480. Councilman Gene Henry asked about the impact on the budget and suggested that, perhaps, some third-party donations might be available to offset the cost (and therefore not affect the city's budget).

At the Artesian Pool, the rehab of the pool's interior is on schedule. The council authorized a request for qualifications for engineering services for the bathhouse portion of the project. That project would, hopefully, be started in August once the pool closes for the summer.

The roofing project for the community center is still on pace for a June Start. The bid from Red Hammer Roofing still stands, however, it is with the understanding that roofing materials may have increased since the original bids were set – and that may reflect on the price tag once those materials are purchased. The previous bid for the project was \$189,000.

The Aquatic Center has undergone some repairs of late: in late January the boilers were down, in mid-February multiple leaks were discovered and wiring had to be replaced. It was suggested by Johnson Controls Inc. that the boilers be housed in a separate building. Councilman Henry questioned why JCI did not inform the city in previous repair jobs that housing the boilers in a separate building might reduce the amount of maintenance costs to the city overall. There was no answer to that question, however, there was a suggestion that the city may look into a salt-water pool (which may reduce the chemical corrosion causing many of the present repair issues).

At the Waste Water Plant, the #4 lower-level pump check valve is to be installed in mid-April. Every replaced a transformer at the plant last week, and there will be some more discussion held regarding the CIP (Capital Improvement Plan) for the Waste Water Plant which includes sewer line rehabilitation. Testing equipment has been installed at the plant for E-Coli. The installation (and training for the equipment) will essentially save money on lab fees. Waste Water is still looking for the best price on soft starter for the sludge pond. The quarterly Alliance compliance letter will start in the second quarter this year. Also, the surveillance program for COVID (the sewer-shed surveillance program) has indicated a downward

trend in COVID presence in the sewer samples. It was noted that the only COVID variant found recently is Omicron.

The council passed the demolition bid of \$6,825 to Stunz Construction (for the property at 807 E. Franklin).

The Public Safety report was given by Councilwoman Debbie Smith. She reported that the Clinton Fire Department is still on track to lower the ISO rating for the city. Fire Chief Mark Manuel reported to the council at the previous session a three-phase plan to get the ISO rating lower over the course of the next several years. The first two of those phases included increased staffing and the building of a training facility. The third was to eventually construct a satellite fire department. Chief Manuel spoke to the council to explain the progress this evening. He reported there was a federal grant found that would pay for the salaries (100% including clothing, insurance, etc.) of nine new fire fighters. Applicants for the grant can reapply. The idea is to get more staffing for the fire department (which is also tied to the ISO rating). Chief Manuel explained that between the building of the training facility and the ability to increase staff, he saw additional staff as the priority. Chief Manuel said that the current staff numbers are leaving the fire department personnel vulnerable – especially when the department has a rural call to go to and still needs to maintain staff at the station. At times, the fire crews are undermanned at the scene of a fire which could potentially lead to some serious consequences. "It is leaving us in potentially dangerous situations," said Chief Manuel.

The grant application period does not open until later this year (probably around December) and it would be another year before it would be awarded. In the meantime, even if awarded there is not a pressing population of budding firemen and women out there – and training anyone hired would still need to take place.

The Finance Committee report was given by Councilwoman Carla Moberly. The council authorized the Clinton Chamber to proceed pursuing an EDA grant for the purpose of funding the construction of an additional road at the Gerhart Industrial Park. The grant request is for \$1.2 million.

Also, Councilwoman Moberly requested that the city put \$50,000 towards GVHM's latest project: the construction of a radiation treatment facility. The measure has already been proposed to Governor Parson; it was suggested that a partnership of the county and city in regards to the project may make the American Recovery Plan Act (ARPA) grant odds for the project much better. It was reported that the land for the project was donated by Oak Star Bank and about \$3.1 million towards the project has already been raised. The proposed \$50,000 to be put towards the project from the city will come from the city's ARPA funds (which will leave about \$800,000 in reserve for other projects). The city authorized Councilwoman Moberly's suggestion unanimously.

The Mayor's Report included recommendations for appointments to the Planning Commission. Troy Bohannon, Howard Bullock, Barbara Mosely and Galen Dody were all approved by the council for appointments to that commission. Councilman Gene Henry abstained from voting on Howard Bullock's appointment, and Councilwoman Debbie Smith

abstained on the voting for Galen Dody.

New business for the council included the designation of a building commissioner for the city. City Attorney Doug Harris explained that, in the event a hearing has to be held or some official action needs taken, the city would need a designation. The council unanimously chose the Clinton City Council as a group to serve as the designated building commissioner.

Council adjourned to executive session at 6:48 p.m.

Mayoral Race cont.....

business owner I do have the ability to plan for the future.

Thomas- I think it is important to be a person of character; remembering if I am elected, I am not working for myself and the City Council. As an elected official it is important to represent the people, not a political ideology. That's why I believe it is so important that we be people of character; that we get out into the community and find out what the people of this great town want to see happen, not just those who happen to own a business. I believe my character is strong and that I can relate to the people of Clinton, and not make decisions based on what a few might want; rather, make decisions based on what the people of the community want. I have yet to speak with one resident that wants to waste tax payer money of bad decision making.

Have you ever been in an administrative role before?

Carla- Yes. I have been in a leadership position and an active member of the Education Foundation for Clinton Students, the Clinton Arts Council, Bright Futures, the Clinton Rotary Club and the Clinton United Methodist Church for many years.

I am a small business owner with 4 employees. Growing my business for the last 18 years has also given me experience in administration.

Thomas- Yes. I had my

own painting business for ten years here in Clinton where I painted for many residents and businesses. I have been senior pastor at the beautiful Clinton Church of the Nazarene for 20 years this June. As pastor and business owner I have had experience leading in an administrative role.

What is the main challenge you foresee as Mayor? And how will you solve problems that arise?

Carla- The world is an unstable place right now. We need to work together and make good decisions for our community on the things we can control.

Thomas- Trying to move beyond the way things have been done in the past; that is always the challenge. To move forward into a new way of doing things to build a brighter future for Clinton, accountability of local government will be a huge step in going forward.

What's the most important priority of our city right now?

Carla- From our largest employers to the smallest, we keep hearing about the lack of available, quality housing needed to attract and retain workers. We are seeing more business expansions with new jobs being added – with more to come. More housing, either to buy or rent, in all price ranges is critical. Some businesses have shared stories about the difficulty recruiting new employees to Clinton due to the lack of housing in all price ranges. Manufacturers and other new businesses certainly look at available housing as an important factor when considering Clinton. Discussion has begun about a housing study for the county.

Thomas- To bring in more consumer commerce to Clinton, and stop denying businesses the right build in our city. Several big companies, who would have brought in many jobs and created more tax money, without the local taxes having to go up for residents, have been denied the right to build here over the last ten plus years. Put Clinton

residents to work by bringing in more business.

How do you plan to involve residents in decision-making process in our town?

Carla- To bring in more consumer commerce to Clinton, and stop denying businesses the right build in our city. Several big companies, who would have brought in many jobs and created more tax money, without the local taxes having to go up for residents, have been denied the right to build here over the last ten plus years. Put Clinton residents to work by bringing in more business.

Thomas- From day one I will have an open-door policy where I invite residents in to discuss their concerns. I will hold town-hall style meetings at least once or twice a year where all residents will be invited to come and ask their questions in open forum. I will work openly and honestly to address those concerns and have transparency in what we do, and why we do it.

agency, and became an independent manufacturers' representative for multiple commercial food service equipment manufacturers, covering a seven state area. I selected and contracted wholesale distribution and sold refrigerated equipment to foodservice equipment dealers and corporate chain accounts, including supermarket chains, convenience store chains, restaurant and fast food chains. My customers included the corporate offices of Walmart in Bentonville, Arkansas, Pizza Hut in Wichita, Kansas, and Casey's in Ankeny, Iowa. It was an extremely competitive but very rewarding career. After 28 years I sold Nichols Associates and have been active in local organizations.

Most important in my life were husband, Rick, former Henry County Commissioner, and sons, Jeb and Richard, and now, six year old grandson, Alex. I was fortunate to always have a flexible schedule so I could participate in local

activities with Rick and our boys. I have served as president of the Henry County Library Board of Trustees, was president of Clinton Study Club, and was Regent of the Udolpho Miller Dorman Chapter, DAR. I am a member of the Clinton United Methodist Church and am a life-member of the Henry County Historical Society where 1 presently serve on the Museum Board.

In these challenging times we must have competent and experienced people in public offices. I am asking for your vote on April 5th for Clinton 2nd Ward City Council.

Waller cont..... have pastored here at the Clinton Church of the Nazarene now for 20 years. For 10 years I had a painting business, where I have painted for many homeowners and businesses in and around Clinton.

I am a Christian, Conservative, Republican.

If I am elected Mayor, I will have an open door policy where anyone with questions or concerns about our community, will be invited to come and visit with me about those questions or concerns.

I will work at holding city government to a high level of responsibility and encourage transparency in all our meetings and actions taken. I don't believe that matters concerning th city should be conducted behind closed doors. The general public has the right to know what it's elected officials are doing, and how they are voting. If you elect me to the office of Mayor, I will work for you, to build a brighter future for us, and our children.

I would appreciate you vote on April 5, 2022.

The baskets are up, the concrete is down and the signs are pointing the way. The 'back nine' of the Clinton Disc Golf Course is now complete so a Ribbon Cutting/Grand Opening is up next. You are invited to join The Tony Komer Foundation and the Clinton Tourism Assoc. on Sat. March 19th at 10am in the parking lot of the American Legion building in Artesian Park. Find out about the history of the 'front nine', why a 'back nine' is so important and learn what discs are used and how to use them when you utilize this course. Help us celebrate the completion of this 18-hole disc golf course that we hope will bring people to Clinton and is another activity for our area residents as well. A 'closest to the hole' contest will be held with prizes, big and small, to be won.

Our ag committee met for the first time this year earlier this week. The ag golf tournament that raises funds for the scholarships this committee gives out each spring is coming up July 16th at Meadow Lake Country Club and the ag dinner is scheduled for Aug. 22nd.

Also on Tuesday at the Chamber, Joyce and I met with the Windsor Chamber Director BJ Friedly and the Windsor Chamber President for 2022 Austin Cannon. We have a couple of ideas in mind we would like to see the two towns work together on concerning tourism opportunities. We will probably involve Tina Williams with Clinton Main Street so stay tuned as we hope to announce our plans soon.

One of our many meetings on Wed. concerned a new form of transportation that might be coming

to Clinton. There's not a lot I can tell you right now about this potential project, but if it happens, and it looks like it's going to, a new, fun way to get around Clinton should be ready to go very soon. Once again... stay tuned!

Just a quick congratulations to my friend, Marion Woods, "Woody" at Warrensburg radio. He has now been full time with a job on the radio for 60 consecutive years as of this past Thursday. He started at KDKD here in Clinton. Just think of the number of lives he has touched by being that voice for so many years during good times and bad.

The Clinton Band Aids invites area mothers and their sons to join them for a Mother and Son Dance on March 26th. This night of fun will be held at the First Baptist Church Annex (3rd and Jefferson) from 6:00-9:00pm, with proceeds going towards the cost of the CHS Band performing at the 2023 Sugar Bowl. The cost is \$20 for mom and one child (\$5 more for each additional child). Tickets can be purchased at the Clinton Chamber of Commerce (cash and check only). This night of fun will include a GLOW theme, dancing, refreshments, photos and more! All questions can be directed to chsbandaids@gmail.com

We preach it a lot, but I'll say it again; Shop and Buy Local First. Many if not all of our businesses in Clinton are needing you to buy from them, especially those on the Downtown Square. Don't let human error in one building keep you from going into our wonderful businesses on the Square.

HCT Announces 4th Sunday Monthly Movie Matinee

Heartland Community Theatre is pleased to announce this month's 4th Sunday monthly movie matinee, is a "Saddle-Up Sunday"!! Come join us for our latest event this Sunday, March 27th, 2022, starting at 2:00 p.m.

Our feature presentation is "Susanna Pass" (1949) in TruColor, starring Roy Rogers "King of the Cowboys" & Trigger "The Smartest Horse in the Movies", Dale Evans, along with Foy Willing and the Riders of the Purple Sage. When an escaped convict and a newspaper owner discover oil is underneath a lake at a fish hatchery, they will stop short of nothing to put the hatchery out of business, including murder. Roy & Trigger investigate the criminal activity, which leads to plenty of gunplay,

action and great western songs.

Admission is always FREE for this monthly event, along with gourmet popcorn and beverages.

Hope to see everyone at the Heartland Community Theatre, 108 North Washington, Clinton, for our "Saddle-Up" matinee event this Sunday afternoon!!

Windsor Man Charged With Murder

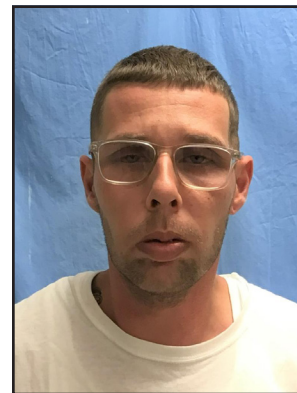

The Henry County Prosecuting Attorney's Office has filed the charge of murder in the first degree against Shane Cheshier, 36, of Windsor, Missouri.

Assistant Prosecutor LaChrisha Gray, who is prosecuting the case on behalf of the State of Missouri, filed the murder charge on March 15, 2022, after reviewing of the allegations presented by the Henry County Sheriff's Office.

The case stems from an investigation into a crash that occurred on March 4, 2022 involving a vehicle and a pedestrian on Jefferson Street in Windsor.

According to the probable cause statement filed in the case, the victim was struck by Cheshier's vehicle after a previous altercation between the two. The victim, unfortunately, succumbed to his injuries several days later.

The defendant was located in the State of Kansas on March 15, 2022. Assistant

SHANE CHESHER

Prosecutor LaChrisha Gray sought a no bond warrant from the Henry County Associate Court in an effort to ensure Cheshier's return to face this pending charge. The Court granted that request.

The Henry County Sheriff's Office transported Cheshier from the State of Kansas and he is now in the Henry County Jail being held without bond.

Cheshier is currently set for a bond reduction hearing in front of Judge Harold Dump on March 25, 2022 at 10:30 AM.

Henry County Health Center

Henry County Health Center received notification from the State Public Health Department regarding three COVID-19 related deaths of Henry County residents. Two of the residents were male and one female, ages ranging from 72-88. Two of the residents resided in the town of Clinton and one in Windsor. This brings the total number of COVID-19 related deaths in Henry County to 58.

All of the Public Health Staff at HCHC express our condolences to the family and friends of the patients who have passed. We continue to encourage all Henry County residents

to become fully vaccinated, including the booster vaccine, to assist in their efforts to remain safe and healthy.

Henry County Health Center continuously posts updated information regarding COVID-19 on our Facebook page, Twitter, and on henrycohealth.org. If you are interested in receiving your vaccine today at no cost to you, please call us at 660-885-8193. For further updates and information, please review all of our social media platforms.

The Dance

She's gone on to the dance ahead of me. I've been watching her carefully get ready. Her heart beams through her smile; so radiantly lovely. He's gone on to the dance ahead of me. I believe he's singing a special melody. His heart flows out through his voice; reverberating so beautifully. I am eager to meet them there, It's too early, but it seems a bit unfair that they've gone on before me. My heart aches through my teary-eyed stare. I wonder if they will be hard to find. It's bound to be crowded. I may be far behind. Yet there are many here to guide me; And the heart of the King is kind.

Quilt Walk Is Just Around The Corner

Next week will be here before we know it and we have some great events coming up! As a reminder, Sidewalk Sales will be from Thursday, March 31st- to Saturday, April 2nd. Quilt Walk will be Friday, April 1st, and Saturday, April 2nd. Saturday morning will also be the Band-Aids (Band Booster Club) Breakfast With The Easter Bunny and the Makers Mart! With so much going on, there are lots of great opportunities available! If you would like a coupon or flyer placed in the Quilt Walk bags let us know and we will be happy to put them in there. If you are going to be running a special, let us know so we can tell everyone! We expect to see over 500 people throughout the 31st- 1st, so be prepared! Once again, we request that everyone park on the side streets so we have plenty of space for our guests. If you notice a part of the Square needing some scrubbing or trash picked up, please let Tina know so we can look our best. And as always, if you

need anything give Tina a ring at 660-885-2121!

From The Henry County Clerk

A public testing of the Unisyn OVO equipment will be held at the Voter Registration Office at the Henry County Courthouse at 3:00 P.M. on Thursday, March 30, 2022. This test is in accordance with Missouri Statue RSMo 115.233. This test will be for the April 5, 2022 Municipal Election.

Henry County Memory Fund

Walker Packets Mailed

By Jenny Bradley
The Henry County Memory Fund has mailed out our walker packets! If you have attended our event in the past or have made a memorial contribution to the fund you will be receiving the packet. If you have not had the opportunity to attend the Big Purple Party in the past but would like to learn more about how we assist and how the fund can assist, please reach out to one of our committee members for more information. We would be glad to send you our information and answer any question you may have.

On May 7th 2022, Henry County Memory Fund will host The Eighth Annual Big Purple Party. The Party will be held in Hawthorn Bank's parking lot at Old Country Club Park with registration at 9am and ceremony at 9:30. Contributors will be on site with information and giveaways and a ceremony will be held to honor our friends, family and loved ones struggling with or lost to Alzheimer's and Dementia.

All money raised will be distributed locally to those with Alzheimer's / dementia, to caregivers of those with Alzheimer's / dementia, and to research. Funds are provided through an application process for living expenses, medication, medical equipment, respite stays and other uses.

Applications are available if you or someone you know is battling with Alzheimer's or dementia and needs some assistance. For more information you may contact Ranae Walrath at GVMH, 660-890-7294 or Christa Atchison, 600-525-1338.

Would you like to make a donation? You can by mailing a check to Henry County Memory Fund and at PO Box 741, Clinton, MO 64735, or by visiting <http://cfzarks.org/donate>. Under gift designation, donors will have to choose OTHER and then type in Henry County Memory.

Opens Enrollment

Missouri Connections Academy (MOCA), a tuition-free, full-time K-12 virtual school, has opened enrollment for the 2022-23 academic year and invites families to consider the trusted online program when making educational decisions for their students.

Missouri Connections Academy offers students a personalized online education with highly-skilled teachers trained specifically to work in the virtual classroom. With learning plans tailored to match their individual interests and capabilities, students thrive academically, socially and emotionally, as well as gain the skills and confidence to succeed in a changing world.

"Our students come to us with a variety of needs, and we recognize every student learns differently. The power of virtual education is to meet each student where they are and help them reach their full potential."

From the family of General Leroy Goodwin we would like to take this time to express our heartfelt gratitude for every prayer, call, text, plant etc. that was shown during our time of bereavement. We, as a family, loved and cherished General Leroy and knew we shared him with everyone in and around Clinton. What a great man of God he was, he dedicated a lot of his time in the community praying and sharing the word of God. He will truly be missed not by just his family but the Clinton family as a whole and for that we would like to thank you.

God bless,
General Leroy Goodwin 's Family.

BOE Recognizes CTS Students

CTS STUDENTS RECOGNIZED Front row: Megan Radford and Barb Houk (Health Occupations instructor). Back row: Josh Foster (Building Trades instructor), Andrew Bedwell, Dy'lan Bell-Murphy, and Cassie Foster (Health Occupations instructor)

Developing a culture of excellence is a priority in the Clinton School District. When these high levels of achievement and expectations are attained, it's important for us to recognize it.

At the February Board of Education meeting, the district recognized several Clinton Technical School students.

****Dy'Lan Bell-Murphy****
Dy'Lan is a junior at CHS and a first year Health Occupations student at Clinton Technical School. Dy'Lan recently competed in the SkillsUSA competition and placed first in Medical Math and will be advancing to the state competition for Job Interview.

Dy'Lan is an exceptional student and shows his enthusiasm for learning everyday. He brings a positive energy to the classroom and always puts full effort into everything he does.

He has made an impression on all the instructors at CTS for his kindness, politeness, positivity, and willingness to volunteer for SkillsUSA. His classmates look forward to his random phone calls and texts to tell them a joke, wish them happy birthday, or just a wellness check. His future plans include a Health Occupations internship at GVMH in Anesthesiology, then he wants to attend

college and work his way to becoming a CRNA.

****Andrew Bedwell****
Andrew is a senior at Clinton High School and a second year student in Building Trades at Clinton Technical School. Andrew placed first in Carpentry Tech Info and second in Customer Service at the SkillsUSA competition and will be advancing to state in both events.

Andrew is a genuinely caring person who checks in on his fellow classmates and friends to make sure they are good when he sees them having a bad day. Andrew likes to have a good time and works great with whomever he is partnered with. He also knows when to be professional and get work done. Andrew has a desire to learn and enjoys developing his skillset.

****Megan Radford****
Megan is a junior at Clinton High School and a first year student in Health Occupations at Clinton Technical School. Megan placed third in the SkillsUSA Knowledge Exam and will compete in the Opening and Closing Ceremony event at state competition.

Megan is the SkillsUSA PM Chapter Secretary. Megan recently put together a video of events during the conference which was shown prior to the Awards Ceremony.

Celebrated National FFA Week

THE CLINTON FFA chapter also received a generous donation from Oak Star Bank at their ribbon cutting ceremony.

Cherry pies, blue corduroy jackets, and green hands.....it can only mean one thing.....it was National FFA Week!

The Clinton FFA chapter had fun celebrating this annual week, but also took time to thank those in the community who support their efforts and program throughout the year.

To kick off the week-long celebration, members and their advisor, Tanner Robertson, attended church at First Baptist Church last Sunday. Students were up bright and early on Monday morning for the annual Businessperson Breakfast at Clinton High School. On Tuesday, first-year FFA members had their hand dyed green to signify that they are "Greenhands". To celebrate George Washington's birthday, students deliv-

ered cherry pies to local businesses as a way to say "thank you", as well as tokens of appreciation to school staff. And on Friday, students traveled to Kansas City for the Western Farm Show.

A few other highlights from the week.....

*Clinton FFA President, Lauren Bailey was invited and attended the FFA Week Proclamation Ceremony at the State Capital.

*Thank you to Carla Moberly and American Family Insurance for providing awesome FFA Week gifts to members.

Henry County Storm-Ready Sign Presentation

THE PICTURE of the sign presentation starting from the left shows Andy Bailey, National Weather Service, Rick Watson, County Clerk, Presiding Commissioner Jim Stone, North District Commissioner Rick Fosnow and South District Commissioner Dale Lawler.

Andy Bailey, National Weather Service out of Pleasant Hill, MO presented Henry County Commissioners and Emergency Management with our StormReady sign. Mr. Bailey stated there were 44 counties in their warning area with less counties having the StormReady designation than counties that do not have it, this put Henry County in the minority of counties actively supporting Hazardous Weather Warnings though StormReady.

What is StormReady®? It is a National Weather Service program designed to recognize communities (e.g. counties, universities, military bases) that have reached a high level of severe weather preparedness. To be recognized as StormReady®, a community must meet criteria established jointly between the NWS and state and local emergency management officials. These criteria include:

Establishing a local 24-hour warning point and

an Emergency Operations Center

Having multiple ways of receiving NWS warnings

Creating a system to monitor local weather/river conditions

Having multiple ways of alerting the public

Promoting public readiness through community seminars and presentations

Developing a formal hazardous weather plan

Having trained spotters

Conducting periodic drills / exercises

Interacting with their local NWS office

The essence of the program is to ensure the entire warning system performs properly when severe weather strikes. The "system" is comprised of the NWS (which issues the warnings), local emergency management (which ensures the warnings get communicated), and you (who respond properly to the warnings). No community is storm proof, but StormReady® can help communities save lives.

Extends Walk-In Clinic Hours

To provide patients with increased access to care, Golden Valley Memorial Healthcare (GVMH) is extending its Saturday and Sunday walk-in hours at its Clinton Clinic.

Beginning April 1, the Clinton Clinic will be open on Saturday and Sunday from 8 a.m. to 5 p.m. It will also be open Monday through Thursday 8 a.m. to 7 p.m. and Friday from 8 a.m. to 5 p.m. No appointment necessary.

"In addition to our extended hours, we have added Emily Truitt, PA and Aaron Tjomsland, PA-C, as weekend providers for our Clinton Clinic," said Meredith Cooper, Clinic Administrator. "Emily will see patients on Saturday from 8 a.m. to 5 p.m. and Sunday from 10 a.m. to 5 p.m. Aaron will see patients on Saturday from 8 a.m. to 3 p.m. We know our patients will be extremely happy with the care they receive from these providers. They are both compassionate, friendly and knowledgeable."

For more information about GVMH, visit gvmh.org and follow on social media @choosegvmh.

CLARK LEWIS, JR.

Clark Lewis, Jr., 95, of Clinton, Missouri passed away peacefully early Thursday morning, March 17, 2022 at his home. He was born April 21, 1926 in rural Calhoun, Mo., the only son of Lester Clark Lewis, Sr., and Sarah (Miller) Lewis.

He married Lois Arline Sell on March 5, 1945 after being high school sweethearts since age 16. They will forever be the original Clark and Lois. To this marriage of 77 years, Ronnie and Jeri Raye were born.

In 1945, age 20, Clark boarded the Navy's USS Rixey, a U.S. hospital evacuation ship. He was an apprentice seaman 1st, 2nd, and 3rd Class and then ranked 3rd Petty Officer as Coxswain. He piloted LCVP boats to shore to retrieve the wounded. Clark didn't talk of war, but would share the experience of being on the Rixey as she rode the waves of a particular typhoon.

Stock car racing was popular and Clark was good at it. Driving his 1935 Ford stock, he raced in the area circuit, often placing in heats and occasionally taking the lap with the coveted checkered flag.

During the 1950's, Clark was the Scoutmaster of his son's scout troop, Boy Scouts of America, Troop 430. That remained a lifetime of funny and poignant stories of camporee and Osceola scout camp. He treasured that time with the boys. He was proud to be in the Tribe of Mic-o-say. In 1988, he retired after 27 years as Manager of the paving operation at Williams Rock Company, Inc. He was perfection at calculating angles and dimensions and took pride in work done well; whether it was asphalt or building something special for a friend or family.

Retirement offered time for Clark and Lois to travel and spend more time at their lake house, which was a whole family gathering spot for many years.

Joining the First Baptist Church in 1955, Clark's membership spanned 67 years. Ronnie and Jeri were

always so proud of their Dad and the Christian life that he led. He was the same honest, kind, witty, decent person any day of the week. Everyone knew the same man. He was a life member of the Veterans of Foreign Wars, Post 1894, Clinton.

Clark frequently said how proud he was of his family, his daughter, Jeri Raye Chitwood (Don), Fairplay, Colorado; five grandchildren, Kim Gannon, Shorewood, Illinois, Matthew Lewis (Marie), Avon, Indiana, Lindsay Chitwood Purtle (Brandon), Bolivar, Mo., Hudson Chitwood (Fernanda), Edenton, North Carolina, and Glory Chitwood, Seward, Alaska; three great-granddaughters, Kenzie Lewis, Codie Lewis and Anika Purtle; and daughter-in-law, Nancy Lewis, Avon, Indiana. With each addition to the family, a picture was added inside his wallet.

He was preceded in death by his parents; two sisters; and his son Ron Loren Lewis in 2011, a grief that was never ending until now.

Funeral services will be at 2:00 p.m. Tuesday, March 22, 2022 at the Bradley & Hadley Funeral Home, Clinton. The family will receive friends from 1:00 to 2:00 p.m., just prior to the funeral service. Friends may call from noon to 8:00 p.m. Monday at the funeral home. Interment will be in the Englewood Cemetery. Military services at the direction of the Veterans of Foreign Wars, Post 1894, Clinton. The family suggests memorial contributions to the First Baptist Church, Boy Scouts of America, Troop 430, Clinton or a charity of the donor's choice. Condolences may be left online at www.bradleyhadley.com.

Death Notices

Richard Grassley, age 86, passed away on Thursday, March 17, 2022 at his home in Preston, Missouri. Services for Richard will be held at 3:00 PM on Thursday, March 24, 2022 at the Vansant-Mills Chapel in Clinton, Missouri with vis-

itation from 2:00-3:00 PM prior to the service. Cremation to follow. The family suggest memorial contributions be made to the Richard Grassley Memorial Fund and can be left in care of the funeral home. Fond memories and condolences can be left online at www.vansant-millsfuneralhome.com. Arrangements have been entrusted to Vansant-Mills Funeral Home in Clinton, Missouri. ***

Wanda Mae Packer, age 85, of Lee's Summit, Missouri passed away on Saturday, March 19, 2022. Burial will be held in Englewood Cemetery in Clinton, Missouri graveside service for family only to be scheduled at a later date. The family suggest memorial contributions be made to the Boy Scout Troop 430 and can be left in care of the funeral home. Fond memories and condolences can be left online at www.vansant-millsfuneralhome.com. Arrangements have been entrusted to Vansant-Mills Funeral Home in Clinton, Missouri. ***

Vanessa Kay Butterwick, 63, of Windsor, Missouri, died Monday morning, February 14, 2022, at Research Medical Center, Kansas City, Mo.

Graveside services will be 2:00 p.m., Sunday, March 27, 2022 at the Laurel Oak Cemetery, Windsor, with Pastor Pete Hill officiating. Contributions in Vanessa's memory are suggested to Windsor Healthcare & Rehabilitation for the Activity Fund in care of the Hadley Funeral Home, Windsor. The family expresses their gratitude to Village Hospice, Lee's Summit, Mo.

Chamber cont.....

Here's a note to our Chamber Members and anyone and everyone looking for employment; The Chamber of Commerce continues to receive calls... people come in...and email us about jobs that might be available in and around Clinton.

When we see our Chamber Members post information about job openings, we do share that to

our Facebook page. However, we're pretty sure we don't catch all of those job opening posts.

Please remember that YOUR Chamber is here for YOU. If you (a Clinton Chamber of Commerce Member) have any job openings that you are posting or if you want us to post it for you on our page, just let us know. Let us help you find employees!

Send your job openings to: david@clintonmo.com or joyce@clintonmo.com. If you are not a Chamber member, we can still post your openings on our Facebook page for \$25.00. If you have any questions at all, email us or call 660-885-8166.

You can be 'Featured', BUT YOU DON'T HAVE TO BE IN FRONT OF THE CAMERA. READ MORE HERE:

You want your business to be featured but you don't want to be recorded. We can do that with pictures and a story.

The day after Labor Day last year, the Clinton Chamber began our 'Featured with David Lee' program. If you are a Chamber member, you could be 'Featured'.

We recorded more than 50 videos in the fourth quarter of 2021 and filled the Chamber's Facebook page with those videos of our Chamber members. The videos featured business owners, managers and others getting the message out to the public.

The Facebook posts featured the interview and photos of area businesses. Once a week for a month, the 'Feature' was brought back to the top of our Facebook page. After a month, of course it will still be on our Facebook page.

HOWEVER, we realize not everyone is comfortable in front of a camera being interviewed. So, David can come to your business, take some pictures and you can tell him what you would like the Chamber to say about your business and we'll include that info along with the photos.

We will post these photos along with your information on the Chamber's Facebook page and update it on our page once a week for a month.

So contact us at 660-885-8166 or email david@clintonmo.com.

We are also still recording the videos as well if you would like to do that.

It's just another service of your Clinton Chamber of Commerce.

We have several committees here at the Clinton Chamber and volunteers are always welcomed. Our committees include Academic Excellence, Agriculture, Ambassadors, Military Affairs, Olde Glory Days and Tourism. If you would like to get involved in helping to move Clinton forward, just call, email, stop by or if you see me out and about...let's visit!

Is it time to become a member of the Greater Clinton-Area Chamber of Commerce for 2022? Well, of course it is! Businesses, couples, individuals, ANYONE can be a member of the Chamber. Call us at the Depot or email and we will tell you what you get and more just for belonging to the Clinton Chamber of Commerce.

The State of MO and the Clinton Chamber of Commerce are working to get jobs filled. If you are looking for a job or if you are looking for employees, we are here to help:

IF YOU ARE AN EMPLOYER OR A JOB SEEKER we want to remind you of Missouri Job Center resources supported by your tax dollars. There are two great locations at 515 S. Kentucky Ave, Sedalia P.660-530-5627 and 621 E. Highland Ave, Nevada P.417-448-1177. We offer an amazing website <https://jobs.mo.gov/> that can be conve-

niently utilized from your personal computer. A chat feature has recently been added to assist with questions. You may also call during business hours and receive one on one services over the phone. Job Centers are eager to assist employers and job seekers in your community.

Don't forget, if you're a business owner and belong to the Chamber, be sure to update those Facebook pages so we can share your information on the Chamber's Facebook page. Be sure to like us on Facebook: Greater Clinton Area Chamber of Commerce or check out www.clintonmo.com.

We are writing a lot of checks to Chamber member businesses as they either bring in or mail to us

gift certificates they have received. Joyce and I are also going to businesses to complete this process as well. We have also sold quite a few Chamber gift certificates this week. People buy these to give to friends, family, co-workers, employee of the month, as a thank you and so many other reasons. Call 660-885-8166 and order your gift certificates. They will be ready when you get here.

We get about three or four inquires each week from the public about places to rent in Clinton. We do have a list of landlords we give to them or email. If you have houses or apartments to rent, make sure the Chamber knows about it so you will be on the list.

Prayer on the Square

Saturday morning • March 5th at 11 am.

Join in with other Christians of our city, county and surrounding communities in a consecrated time of prayer, repentance, petition and return to Christ our LORD AND SAVIOR

(Please bring your lawn chairs)

First Baptist

With this being Gideon Sunday, Pastor Randy Shipman introduced & welcomed our guest speaker who is, Larry VanGilder from Branson, Missouri. He shared with First Baptist how God was working on their mission field to reach many who don't have access to God's Word. A video was shown on how Gideons reach out to those who see

Sunday as just another day of the week instead of a day set aside to worship our Lord. Mr. VanGilder also recognized Bill & Mary Helen Ragland who served FBC & the Gideon ministry for many years before passing & going home to be with the Lord. Mr. VanGilder also shared how God's word is being distributed by the Gideon ministry throughout the world and bringing the unsaved to a saving knowledge of Jesus. The Scripture reading for the morning was Luke 13: 1-9 and 7 Psalm 63: 1-8. There will be a "Kidsminlab" for Sunday School teachers & children's ministry volunteers. They are invited to this 2 hour workshop to be put on by Missouri Baptist Convention. They will hear a guest speaker & discover practical skills for this ministry area. The event is on Saturday 26th from 10:AM- 12 Noon.

For all our homebound in the Clinton area, you can hear our worship service every Sunday morning & 10:00 AM on on KDKD @95.3 Radio. We also invite those in the Clinton area who don't have a church home to join us in worship of our Lord & Savior, Jesus Christ.

For more information telephone the church office at 660-885-2211 or contact at our web site @www.firstbaptistclinton.church

First Presbyterian

How very fortunate we are to continually be surrounded with the patience and persistence of God. He is greatly to be praised! Wrap yourself in the healing love of God. Serve Him and seek His presence. John 20: 24-31 was the reference for Rev. Nancy Gillard's message Don't Miss Easter by Eighteen Inches. Our anthem was "Jesus Keep Me Near the Cross" arranged by Mark Hayes and played by Mark and Gay Smith.

Brightly colored dresses for Girls in Africa are hanging on the coat rack in the foyer. The collection grows weekly as our talented sewers continue to make their creations. This mission project will continue through April when the dresses will be mailed to Michigan and later shipped to Malawi, Africa. If you haven't already taken the opportunity to stop by and check them out, you really should do so.

Soup in any size can or variety are being displayed on the pantry shelves in the foyer. This collection is for the Samaritan Center and will be enjoyed by families in our community. Your help will be appreciated. Collection will continue until April 24.

The Lent Event is continuing on Wednesday evenings at 5:30 pm with a BYOD (Bring Your Own Dinner). The Way by Adam Hamilton is the bible study. It's not too late to attend. This study continues each Wednesday through Lent.

Tai Chi classes are held here every Monday and Wednesday morning at 10:00 am for approximately one hour in our fellowship hall. You are welcome to come be a part of this group.

The weekly ZOOM Bible Study will resume on Wednesday, April 13 at 11:30 am. If you are interested in participating please contact the church office and the link will be sent to you. Rev. Nancy guides this weekly study.

You are invited to join us in worship each week. If unable to attend in person, please find us online at: You tube Nancy Gillard, fpcclintonmo.com or Facebook First Presbyterian Clinton MO. Sunday sermons, worshipful music, church updates and prayer times are available there. Our Sunday service is also broadcast on FM radio 87.9 at 10:30 am.

Golden Valley Christian

Julie Andrews sang a song, "My Favorite Things," in the popular movie, The Sound of Music. All of us have favorite things, and there have been polls taken, asking people what some of their favorite things are. According to some polls, the most favorite holiday is Christmas, the favorite bird is the cardinal, the favorite flower is the rose (with the peony a close second), and the world-wide favorite animal is the tiger. What is the favorite Bible verse? Without a doubt, John 3:16 heads the list. However, there are a number of other passages that closely hit the top of this list of favorites; some of these are Matthew 6:33, Romans 8:28, and Matthew 11:28. Faithful reading of the Bible will help you choose your favorite ones.

Last Sunday, the angels in Heaven rejoiced with the GVCC family when Miss Abrielle Jones confessed her faith and was baptized by her father, Austin Jones. Abrielle faithfully attends church services with her family. A delicious carry-in lunch was enjoyed after the morning service. Bible study is held on Wednesdays, at 7:00 PM. The Charity Crafters meet at 10:00 AM, on Tuesdays.

Tim Randall brought the morning message, using scripture from Galatians 2:11-14. Although Peter was in Jesus' inner circle and was fully devoted to Jesus, he made many mistakes. In this passage, the Apostle Paul is admonishing Peter for some of Peter's errors, namely appeasing the Jewish Christians in their desire to make Jewish customs necessary for Gentiles to become Christians. One gross sin Peter committed was at the trial of Jesus, denying he even knew Jesus. When the rooster crowed, Peter realized what he had done, and he wept (Luke 22:54-62). Despite all of these errors, Peter was committed to Jesus and His message. This gives hope to all of us, as we make mis-

takes and do things opposed to the Gospel. As Christians, we know we will be forgiven because of God's great love, when we ask His forgiveness, as Jesus intercedes for us.

Golden Valley Christian Church meets at 611 South Third Street in Clinton. Sunday School classes begin at 9:30 AM, and the morning worship service is at 10:30. Our interim minister is Elmer Fuller, and our website is www.goldenvalleycc.org, where you will also find links to access our Facebook page and YouTube sermons. We are happy to invite you to attend our services, where you will always receive a warm welcome.

"The Cares Of The World Will Cause You To Be Unfruitful"

Matthew 13:7 And some fell among thorns; and the thorns sprung up, and choked them. (KJV)

We cannot be fruitful hanging with the world. A thorn is something or someone that causes distress, sorrow, deep pain, discomfort, or irritation.

Paul encountered a thorn in his flesh. A messenger from Satan that was a constant thorn, influenced the Jews who followed him everywhere he went tormenting and persecuting him.

This thorn was to keep Paul from becoming high minded. As Paul asked to be rid of it, God told him that his grace was sufficient for Paul.

God will allow things to happen to hold us in place and keep us from becoming high minded. If you are going through something do it with God. When the Lord gave the Israelites the new land, not all of the inhabitants were removed. They were a thorn to the Israelites for years.

In Matthew 13:7 And some fell among thorns; and the thorns sprung up, and choked them. (KJV)

It says in Matthew 13:19-22 When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side. But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended. He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful. (KJV)

The Cares of this world keeps your focus on the world not the word. It will keep you from being unfruitful. Keep the word of God with you and you will always have his protection. Continue to use the name of Jesus, don't allow the world to choke you. Remain fruitful and remain in God's word.

God Bless.

Trinity Lutheran

"Reason is the enemy of faith." Martin Luther.

Human reason is one of the biggest obstacles people face when they attempt to comprehend the great truths which God has revealed to us in the Bible. When we attempt to limit God to what our human reason can comprehend, His great power is reduced to our puny level of understanding. Imagine, for a moment, the changes which God would have to make if He was confined to acting with the boundaries of human understanding:

*Good people would go to heaven; bad people would go to hell. But, the Bible says, "No one is righteous, no, not one...No one does good, not even one." (Romans 3:10; 3:12).

*A loving God would never actually send anyone to hell. But, the Bible says, "Then He will say to those on His left, 'Depart from Me, you cursed, into the eternal fire prepared for the devil and his angels...(Matthew 25:41).

*Infants and young children could not be saved through the power of God's Holy Word in Baptism. But the Bible says, "And Peter said to them, "Baptism...now saves you, not as a removal of dirt from the body but as an appeal to God for a good conscience, through the resurrection of Jesus Christ," (1 Peter 3:21).

*Individuals would be required to "make a decision for Christ" of their own free will in order to be saved. But the Bible says, "even as He chose us in Him before the foundations of the world that we should be holy and blameless before Him. In love, He predestined us for adoption to Himself as sons through Jesus Christ, according to the purposes of His will." (Eph. 1:4-5).

*Jesus would not have had to die on the cross and rise from the dead. But, the Bible says, "Do not be alarmed. And (the Angel) said to them, 'You seek Jesus of Nazareth, who was crucified. He has risen. He is not here...'" (Mark 16:6).

Yes, human reason tells us God doesn't exist and the Bible is full of impossible happenings and fairy tales. But, for those who believe, God does exist, and His Word is true. "Now faith is the assurance of things hoped for, the conviction of things not seen." (2 Timothy 3:16).

Divine Service: 5 pm; Sunday School 3:45 pm; Church ph: 660.885.4728.

Urich Baptist

Spring temperatures and "springing" the clock forward didn't keep the faithful from gathering for worship. Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Dixie Collins playing piano. Gary Vass and Clint Keeney collected the offering.

The scripture passage from Pastor Chad Pollett's sermon was from 2Timothy2:8-13. Paul was telling Timothy to focus on Jesus Christ and be steadfast in living our his

faith. Paul reminded Timothy to remember what is important--to spread the Gospel. Jesus conquered sin and death and through our faith in Him He forgives our sin and we will be with Him for eternity. God's word will always be here until He returns. Jesus sends His Holy Spirit to be in all believers. The Holy Spirit intervenes for us in tough times and gives us strength to endure until we are with Him. Have a blessed week.

Valley Center United

We are an open and affirming church and welcome all to come worship with us on Sunday morning!

God has shown us what is good. What does he require of us? To do justice, to love kindness and to walk humbly with our God.

We send our prayers of love and healing to a special 13 year old young man who is facing a serious health issue. We send prayers to Dane's friend as he will have surgery this week. We pray for the people of the Ukraine.

John Gover and Rev. Dane graciously provided the special music this morning!

The parable about the baron fig tree tells us that there were people who wanted to cut it down because it did not produce any fruit. But the owner said to wait one more year and give it care, then, if nothing grows, you can cut it down yourself.

Our expectation when we plant something, is that it will grow and produce fruit. But we know our responsibilities are to observe, nurture and care for these plants to be able to harvest them.

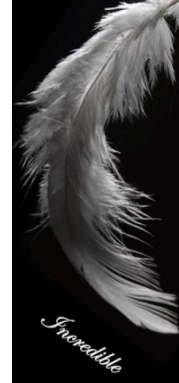

What does it mean when people of faith who have planted seeds and nothing happens? Just like the fig tree, we must care and nurture what we sow in order to reap a harvest.

God gives us the nutrients to sustain us. He expects us to be more productive and do what is required of us.

Especially during Lent, our list of things to do and care for should be much longer. It seems that we are on the go every minute of our day. We need to take this time to just stop and think about our faith. It is a time to set aside all agendas and all distractions. Our mission is not only to visit the sick or feed the hungry. We need to nurture and reach out to that person who needs to hear those important words so they can start healing. When concerns in our community arise, we should respond. With all of the horrific events which are happening all over this world, there should be no hesitation to help.

We pray that we will live our lives more fully. Our repentance becomes promises of our actions. In His Holy name we pray, Amen.

Our girls love finding feathers outside and bringing them to me. We have a lamp at home that we keep our collection in. I tell them the feathers are signs sent from our special angels that are watching over us in Heaven.

Angel Feather Poem
A feather from an Angel
Is one we rarely see.
But this one is quite different,
And as special as can be.

This feather is a reminder
Of a special person's love...
Who is now your
Guardian Angel
Watching and protecting from
above.

Clinton Chamber Of Commerce Holds Grand Opening For New 18-Hole Disc Golf Course

CONTESTS AT THE NEW DISC GOLF COURSE were stopped long enough to have a proper ribbon cutting. Micah Noble is shown cutting the ribbon with several locals 'helping out'. They include (L to R): Brad Combs, David Lee, Tim Komer, Wanda Parks, Christi Magee, Adrian Miller, Micah Noble, Stephen Hollings, Steve Phillips, Vin Journey, Debbie Smith, Becky Rysik, Carla Moberly, and Bretta Plumlee.

The Clinton Chamber of Commerce held a Grand Opening for the area's latest recreational opportunity, Saturday, March 19. The 18 hole disc golf course was built in two stages 10 years apart. The front nine in 2011 and the back nine in 2021. It took many volunteers and funds from the Tony Komer Foundation and the Clinton Tourism Board. The ribbon was cut and fun was had, with most attendees stepping forward to have a good-natured go at it. A wide variety of throws were witnessed. Micah Noble, a local disc golf pro, teacher, and member of the course design team cut the ribbon. Closest to the hole prizes were won by Paul Pearman and Vin Journey. Local enthusiasts/groups and out-of-town players are welcome to organize future events. A brand new Innova Target (basket) is being raffled off, tickets are available at the Chamber office or by calling (660) 885-8166.

Deepwater actually led before the Shamrocks made two late free throws to beat the Demons, 63-62. Deepwater's Marvin Hills was named to the All-State team and the All-American team. He scored 2,019 points in his HS career. He was recruited by K-State and other large schools. I was told he played professionally for the KC Steers.

In 1959, the Demons returned to the post-season, coached by John Morgan with a record of 28-2. Pleasant Hope got past the Demons 41-38 mainly due to Deepwater's All-State center Rich Hendrix, getting injured in the third period. Hendrix led his team with 14 points.

Deepwater was not done yet. In 1960, they returned. They were coached by John Morgan again and had an amazing record of 30-1. Unfortunately, they got stopped in the first round again. Goodman beat them 61-57. Rich Hendrix led the Demons with 15 points and received All-State honors again. Note this, the Deepwater Demons lost three post-season games by a total of 8 points. The Demons had their own demons it seemed.

Maybe you went to a school that no longer exists. Back in the day, many small schools were absorbed via consolidation. My first school, call Salem, was 'swallowed' in 1956 by Savannah. Salem was a one-room K-8 district about four miles from our small farm, and yes it was uphill both ways. I have fond memories of this beautiful "Little House on the Prairie" school. I was the best student in first grade. Of course, I was the only student in first grade; we had a total of 11 students. Sports wise I only remember recess, but no basketball team.

Clinton Archers Take Aim At MONASP State

The Missouri NASP State Tournament was held in Branson on March 17-19 for both Bullseye (BE) and 3D. Listed are the top archers on each local team based upon the size of the team. The first two numbers are their total score followed by their number of tens. If they have a 3rd number it is showing their ranking in the State in their division. Remember thousands of NASP archers earn their way to State via the Team category or as an individual. Clinton is very competitive.

Rogers' Shatter Records At CrappieMasters National Qualifier

Matthew and Bruce Rogers from Eldorado Springs fought off below freezing temperatures, high winds and a field of 170 boats to win the CrappieMasters Grenada Lake National Qualifier and \$10,000. The tournament was held on March 11-12 in Mississippi.

The Rogers' brought to the scale an astonishing 14-fish limit weighing 44.71 pounds, which was 2.71 pounds more than the 2nd place team of Brett and Robert Luther. The Luthers had the Big Fish (BF) with 4.26 lbs.

Local anglers Frank Haidusek and David Lane placed 12th with 39.32 pounds, winning \$1,700.

CrappieMasters Opens Tourney On Truman Lake

Larry and Dalton Gorham won the Crappie Masters opener on Truman Lake. They brought in 14.75 pounds with a seven fish limit on Sunday, March 20.

Crappie Masters Missouri Crappie Trail had their opener on Truman Lake (Bucksaw) on Sunday, March 20 with 42 boats. First place went to the team of Larry and Dalton

Gorham with a 7 fish limit weighing 14.75 pounds. Coming in second place was the team of Trevor Warlen and Brian Scott with 14.46 pounds. Third place was Billy Don Surface and Craig Hansen with 13.84

pounds. They also had the big fish of the tournament with a 2.52 pounder. Mike Valentine and Waylin Shanks came in 4th with 13.67 lbs. Hunter Bowling and Darin Lankford got 5th with 13.25. Skipping to

9th we have local anglers, Jeremy Campbell and Jordan Propst with 12.95. You know it had to be a tough tournament when the Big Green Machine (Holly and Jack Linton) got 14th with 12.46.

Meet The Cards And Freshman Activity Fair Draws Large Crowds

CHS HELD ITS "Freshman Activity Fair" on Monday, March 21 at 5:30pm. It is an annual event to help next year's incoming freshmen become familiar with the many activities offered to them at the high school. These activities of course include multiple sports, but also FBLA, DECA, Drama Club, JROTC, etc. The event was well attended. Above, head football coach Kevin LaFavor and his staff talked with students and parents about their program.

Spring Is Here, And So Is Baseball

CLINTON's Heath Chiles is at the pitching station during the 1:00pm Clinton youth baseball tryouts. Matt Petry is giving some coaching tips. The players worked out at four different stations.

The annual CYB tryouts were held on Sunday, March 20 at Optimist field. Over 120 young ball players participated. The Major League age group worked out at 1:00pm and the Minor Leagues at

4:00pm. The weather was great. The turnouts had to be helped by the weather and the fact that many folks are now feeling more and more comfortable in group settings. The officers of the CYB association are

Amy and John Carr, Bill Zink and Mandy and Cody Westendorff. Teams will be formed and a coach will contact players soon. Use their Facebook page for current information.

Missouri Department of Conservation
News Release
Serving Nature and You

Beginners can learn about paddling and go snagging for them

The Missouri Department of Conservation (MDC) will offer a free paddling snagging clinic on Saturday, April 16, in Warsaw. Two sessions will be offered, but space is limited. This clinic is for newcomers to learn about paddling snagging and get first-hand experience. Participants will learn about snagging gear and techniques, then go snagging for two hours on the upper end of Lake of the Ozarks.

Session 1 will be from 8 a.m. to 1 p.m., and Session 2 will be from 10:30 a.m. to 3 p.m. COVID-19

safety precautions will be followed. Participants are encouraged to register in groups of two to four. Each boat for the fishing outing will include only families or a small number of friends who have signed up as a group. This program is offered to first-time participants only. MDC will provide boats and equipment.

Paddlefish are a prehistoric fish and one of Missouri's largest. They filter feed on plankton and other small organisms. In the spring, they make spawning runs upstream. At Warsaw, their upstream migration out of Lake of the Ozarks is blocked by the dam for Truman Lake. The paddlefish

fishery that anglers enjoy is sustained by MDC stockings of hatchery-reared paddlefish.

Participants must have a valid Missouri fishing permit unless they fall in an exemption category. Life jackets are required when on the water. Life jackets will be available, or participants can bring their own. Youths 17 and younger must be accompanied by an adult. Besides snagging tips, participants will learn how to clean paddlefish. Attendees will meet in the Harbor Room in the lake-side Warsaw Community Building.

Registration is required and will begin at 8 a.m. on Wednesday, March 9. To register, call 660-530-5500. For more information, contact Trish Yasger, MDC fisheries management biologist, at trish.yasger@mdc.mo.gov.

City of Montrose

March 14, 2022
City Council Meeting
The meeting was called to order by Mayor Westhusing at 7:31 P.M.

Members Present: John Engeman, Kent Schussler, Connie Cook, Amber Volmer and Andy Westhusing.
Staff Present: Major Rob Hills-Sheriff's office, Donald Lamb, and Sherri Richter. Dale Bailey and Josh Muller were absent.

A motion was made by John Engeman,

Public Record Cont.....
Engeman to approve the Financial Statement for February 2022.

Ayes: 4 Noes: 0
Communications:
Ms. Cook stated that there is still a leak on 5th Street.

Mr. Schussler complemented Mr. Lamb for doing a good job on snow removal. We would also like to thank Willie Crowder for helping.

Old Business:
AARPA Funds Request from Henry County

Mayor Westhusing received an Intergovernmental Agreement for ARPA Funding from the Henry County Commission to see if the city is willing to coop our request on a 50/50 basis. That would be a commitment of \$35,500.00 from the county. After reviewing the agreement the council decided to table it until we can get additional information.

Subsequent Distribution of ARPA funds from the State of Missouri

The city received an additional \$367.50 from the State of Missouri for ARPA funds.

New business:
Lift Station Maintenance Contract

A preventative maintenance contract was received from Enviro-Line Co. Inc. for lift station maintenance. After discussion a motion was made by Kent Schussler, 2nd by John Engeman to approve the contract.

Ayes: 4 Noes: 0
Public Forum:

Mike Baumgarden - Mike's Garage

Mr. Baumgarden advised the council that he is trying to move the tires outside of the building across the street. He stated that he should have this done by March 22, 2022. He also stated that he would move some of the vehicles.

Mayor Westhusing thanked Mr. Baumgarden for his cooperation in this matter.

Major Rob Hills arrived at the meeting at 7:58 P.M.

Staff Reports:
Sheriff's Office:

Major Hills stated that total patrol for February was 57 hours with 21 contacts, 0 reports taken, 5 traffic stops/violations with 5 warnings, 0 arrests and 0 citations.

Dale Bailey: Mr. Bailey was absent. No report given.

Josh Muller: Mr. Muller was absent. No report given.

Donald Lamb: Mr. Lamb advised that he placed a "Children Playing" sign on

Walnut Street and a speed limit sign near St. Mary's School.

He also stated that he has been reading water meters and removing snow from the streets.

Mr. Lamb asked permission from the council to purchase stop signs, speed signs and yield signs for the city. After discussion the council decided to hold off on the yield signs for now but a motion was made by John Engeman, 2nd by Connie Cook to purchase the stop signs and speed limit signs.

Enrollment cont.....
 cation is that we have the capability and expertise to cater our curriculum to meet students right where they are," said Lysie Hunt, Missouri Connections Academy School Leader. "Connections Academy has a longstanding, successful history of supporting students' academic and emotional needs in an online environment that keeps them engaged and focused on success."

According to David and Heather Smith of Imperial, all three of their children face different challenges that include autism, ADHD and other medical complications. Each of these issues has been greatly benefited through the tools provided at Missouri Connections Academy and the personal relationships the staff has developed with the family.

"Finding the right school for our children was a great relief. It removed a source of tension and was a great comfort knowing they would be educated by quality instructors in a safe environment," they said. "Our students are getting more individualized attention from their instructors and have been able to adjust their learning environment to accommodate for their sensory and learning differences in ways that were not able to be accomplished in the traditional classroom setting."

Missouri Connections Academy is hosting online information sessions for families interested in learning more about virtual education. For more information about Missouri Connections Academy or to begin the enrollment process, please visit www.MissouriConnectionsAcademy.com.

LT. GOV. KEHOE TO HOLD WOMEN OF ACHIEVEMENT AWARD CEREMONY

Lt. Gov. Mike Kehoe will host the inaugural Lieutenant Governor's Women of Achievement Award Ceremony in the Missouri State Capitol's First Floor Rotunda on March 24, 2022 beginning at 9 a.m.

The award ceremony will recognize and honor the ten recipients of the 2022 Lieutenant Governor's Women of Achievement Award.

"This ceremony will provide recognition to ten incredibly deserving recipients," said Kehoe. "They represent the diverse accomplishments of Missouri women, and I could not think of a better way to honor their contributions."

The Lieutenant Governor's Women of Achievement Award was created in 2022 to recognize the di-

verse accomplishments of Missouri women. The ten recipients are:

- Sheryl "Sherry" Branch-Maxwell – Charleston, MO
 - Ali Kindle Hogan – St. Louis, MO
 - Kathy Nelson – Kansas City, MO
 - Starr Kohler – Springfield, MO
 - Sharon Beshore – Joplin, MO
 - Dr. Marion Pierson – Kansas City, MO
 - Major General Cassie Strom – St. Louis, MO
 - Libby Martin – California, MO
 - Sharon Naught – Jefferson City, MO
 - Stephanie Mills – Kirksville, MO
- For more information on the recipients and the award, visit the office website.

(and anything in between) – for the opportunity to receive full or partial funding. Projects can be submitted online at wgu.edu/fund-myclassroom through April 17, and teachers whose projects are chosen will be notified during Teacher Appreciation Week, which runs May 2-6.

The call is part of the non-profit university's "Fund My Classroom" initiative, which aims to support teachers who want to expand their classroom curriculum to further engage students, but are limited by the costs associated with providing impactful educational learning. WGU Missouri plans to award up to \$100,000 in grants to deserving teachers this year.

Additional information can be found in the following news release. Please let me know if you have any questions or are interested in speaking to a representative from WGU Missouri about this exciting grant initiative and how it is positively impacting classrooms across the state.
