Our youngest, Renae, "gwaduates" Kindergarten this year! I reminded Renae a couple nights ago that no matter how old she gets she will always be my baby. There is a famous quote by Gretchen Rubin that states, "The days are long, but the years are short."

For our friends with graduating Seniors this year I know this saying is ringing true! How proud you must be that your 'baby' is graduating this year. Congrats Class of 2022!

The Clinton Daily Democrat is looking for an enthusiastic news reporter to join our in-house team and participate in the creative cycle of online and print news. As a news reporter, you will work closely with the editor and will be responsible for gathering information and turning them into high-quality printed news articles and online posts. Ultimately, you should be able to follow current events and present news stories to audiences in an informative, interesting and unbiased way.

**NOTE:** This is a full time, in-office position at our Clinton, Missouri office. If you cannot meet this requirement, but know the Henry County area and would like to be considered for a freelance position, please apply but mark your application FREELANCER.

### Responsibilities:

- Keep up with all the local and regional breaking stories, news and events
- Cover a wide variety of stories
- Conduct and schedule interviews
- Plan, edit, and write stories and articles to be printed and posted online
- Verify the information provided by interviewees
- Finalize news content
- Strictly adhere to all print deadlines
- Follow news events and other media sources to stay informed

### Skills:

- 2+ years of experience as a news reporter
- Understanding online content management systems
- Broad knowledge of local and regional affairs (e.g. political, economic, legislative and cultural)
- Excellent verbal skills
- Effective communication and interpersonal skills
- Available to work on a flexible schedule
- Ability to work under stressful conditions and strict deadlines
- BSC degree in journalism, communications or relevant field
