## Plethora Of Ballot Issues Propel Henry County Voters To The Polls

BY LUKE EDWARDS  
Staff Reporter

The turnout, as is historical for municipal elections in Henry County, was not very strong. Out of the 14,297 registered voters in Henry County, 1,576 turned out to cast their votes (11.16%). Please be aware that these are only unofficial results, and that a few of the questions are for other counties, but a small portion of folks in Henry County (depending on where they live) are able to vote for/against certain ballot items. So, how did Henry County vote?

## Golden Valley Memorial Healthcare Announces Chief Service Officer

Golden Valley Memorial Healthcare (GVMH) is pleased to announce the promotion of Rachel Boyles to Chief Service Officer.

In her new role, Boyles will serve on the administrative leadership team and oversee Cardiopulmonary Rehabilitation, Food and Nutrition Services, Information Technology, Materials Management, Patient Experience and Social Services. She will also continue as the lead for the Health Equity initiative.

Boyles has more than 15 years of healthcare experience. She started her career at GVMH as a Physical Therapist and has held numerous roles with increasing levels of responsibility, including Director of Rehabilitation and Wellness, Executive Director of Rehabilitation and Home Services and Executive Director of Service and Experience. "We are delighted to have

RACHEL BOYLES

Rachel transition into her new role as the Chief Service Officer," said Craig Thompson, CEO at GVMH. "She has helped lead change and innovation throughout the organization in a variety of roles and I am confident that she will continue to provide outstanding leadership."

For more information about GVMH, visit [gvmh.org](http://gvmh.org) and follow on social media @choosegvmh.

## Welder Puts Pedal to the Metal for Mobile Service

HAVE TORCH WILL TRAVEL, Daniel Alberty was 11 years old when a welding career came calling on his grandfather's farm.

BY JENNIFER JACKSON  
Staff Reporter

When Daniel Alberty was 11 years old, he discovered what he wanted to do in life.

He often hung out at his grandfather's farm, he said, where his grandfather raised horses, cattle and sheep. One day, his grandfather needed to repair a fence.

"So we went down to the pole barn, where he taught me how to weld," Daniel said.

That was in Ohio, where he grew up. In 2015, his family moved to the Clinton area, where his grandfather bought a farm and Daniel, who goes by DJ, opened a welding business, Midwest Welding Welder 3

## For Golden Valley Women On Wheels, It's All About The Trip

BY JENNIFER JACKSON  
Staff Reporter

Why did Arlene Crawford of Urich start a local chapter of Women on Wheels?

"Because I didn't have any women to ride with," she explained, "Men have different priorities when they ride."

"They don't stop for ice cream," Karen Cox said.

"Or antique malls," said Sherry Spencer.

Arlene, Karen and Sherry are members of the Golden Valley Gals, the west-central chapter of Women on Wheels, which Arlene founded in March of 2007. In the past, they have had more than a dozen members, but now are down to five full members and two support members, and are looking for more.

"The Covid pandemic knocked a lot of people off their bikes," Karen said.

You can join even if you don't have a motorcycle. If the weather is not conducive to riding motorcycles, they drive, like they did last weekend to the Cabin Fever rally in Ames, Iowa.

"There were 400 men, women and children there," Arlene said.

Karen said her longest trip on her bike, a Harley Night Train, was to a rally

THE FOUNDER, Arlene Crawford began the Golden Valley Gals chapter of Women on Wheels to find other women to ride with.

in Gettysburg, Penn., 3240 miles round trip, where she met Arlene, who drove up in her car. Karen has been west as far as Yellowstone, she said, where she rode in the snow, east to the Outer Banks in the Carolinas and south to Galveston, Texas.

A trip north to Lake George, in upstate New York, was the most challenging, because it poured rain the five days it took her to get there. She made it back in the rain as far as Springfield, Ill., when she called her husband to come and pick up her.

On another stormy trip, she looked in the rear view mirror, saw a funnel cloud and thought, "I'm done."

Women on Wheels is a national organization with members in all 50 states, Karen said. The organization has a directory that provides a network of women motorcycle riders throughout the country. Ages in the Golden Valley Gals range from a woman who is in her late '80s to a child who rides with her grandmother.

In June, the GV Gals will be heading to Kearney,

Mo., home of Jesse James, for the Missouri state Women on Wheels ride-in. The next national ride-in is in Harrison, Ark., in July. Arlene said they will probably go down on the Pig Trail, a curvy route that she hasn't done before.

"I did do the Dragon, when I was going to South Carolina," she said, referring to a route in Greenville, North Carolina.

Arlene rides a 1800 white Gold-Wing Honda trike. She started motorcycle riding at the age of 15, she

# Have I Got A Line For You!

By James Mahlon White

Orwell's 1984 is getting closer to reality by the day. It was supposed to be a non-fiction dystopian warning, now it's an operation manual. I'm talking about the indictment of President Trump here. Remember, not long ago when the ballot box was the Democratic way of sorting this out? This isn't democracy. Political use of the justice system is the death of democracy and hello banana republic. What happened to the hullabaloo over those confidential files? Once President Biden was found to have them too, it went remarkably quiet. Looks like the Ruling Party's High Committee For Public Safety has determined the guilt of the target, the Bad Orange Man. UNBELIEVABLE! They're determined by hook or by crook to nail The Donald on something, anything, as long as it sticks. This is life on the way to socialism! Runaway inflation, shortages of goods, speech censorship and the arrest of political opponents.

There is other spooky news. ISIS-K has apparently set its sights on Western targets and could launch an attack this year. They supposedly have "sleeping cells" ready to go in New York in what they said will be a brilliant attack. Not sure how brilliant these degenerate folks really are. How brilliant can you be when you align yourself with people who still receive dental care by getting kicked in the face by a goat? These sleeper cells are what happen when you refuse to keep an eye on peace loving Muslims because of political correctness. Let's connect the dots here. It's not the Baptists and Catholics waging terrorist attacks. Will it take another 9-11 before we wise up?

Family members gathered at sister Julie's for brunch on Saturday. Niece Gabrielle manned an omelet station. I never had a "folded over" omelet until the late 70's. The ones served growing were more like a soufflé, with stiffly beaten egg whites in them and baked in a cast iron skillet. Saturday brought to mind this dish from the distant past. My

Dad learned how to make them this way from Charley Dunn who worked for my grandparents. Charley served overseas in World War 1 with Algerian troops and Aunt Jane has Charley's knife from those war years, a knife with a hawk on the end. As a line in an old song queried, "Where has it been to and where will it go?"

The sun is shining, life is great (sort of) and it's time to put a stop to this. Do not Pass Go or you may be in the calaboose. Take care of yourself old buddy.

Til Next Week: J.M.W

My thanks to the Senior Center for letting me be a part of their Auction for the Ages last Sunday. It seemed like the event (fried chicken and art) was a success and they raised some much-needed funds.

This was from Amanda Johnson with Clinton Main Street on Wed.: What an incredible few days I've had at the Main Street Now Conference in Boston! My notebooks are full and so is my heart! I chose 6 sessions that were very specific to what I need for our program, and I'm so excited to bring this information back to my board and committees to use in a tangible way moving forward.

This was from Facebook on Thursday morning: Today's date is THURSDAY, March 30th. On THURSDAY, June 29th, Olde Glory Days 2023 will officially kick off. Today, we debut the theme and logo for this year... Olde Glory Days 30th birthday! The OGD committee and all its volunteers had a meeting three days after the end of last year's celebration to start planning for this year's Olde Glory Days. The four bands that will perform, the daily entertainment, the carnival and the sound crew for this year were all booked before the end of this past Dec. Details on this year's celebration will be announced on the Olde Glory Days Facebook page throughout April and May. If you haven't already, be sure to like that page. Work continues on securing the Veteran's dinner, vendors, more entertainment, badges, a motorcycle-only show, parade entries, prizes and much more. Once again this year, you can pre-order OGD t-shirts at C Squared. If you would like to be a vendor or have any questions, call the Chamber at 660-885-8166. To enter the parade, call Jared Goodbrake at 660-351-4988

or Logan Modlin at 660-492-0799.

Easter, prom, graduation...the front of the Chamber building is now ready for your photo opportunity. Thanks Jerry's Pest Management. Check out their work on our Facebook page: www.facebook.com/ClintonMO

Also on our Facebook page, did you see the photos I posted on Thursday? A lot of construction and improvements happening, especially on the east side of the Square. Don't mind a part of my finger in a couple of the photos.

The Henry County Library would like to inform the public that the roof replacement scheduled to begin on April 1, 2023, has been postponed until mid-May. The library will continue to provide updates as to the status of the project. Thank you for your patience!

The Henry County Library is pleased to announce that the Friends of the Library Community Room will reopen to the public on Saturday, April 1st.

The Friends Room has undergone extensive refurbishments over the winter months including a complete texturization and repainting of the walls, ceilings, doors, and trim. Contemporary flooring has been installed in the meeting area, kitchen, and restroom. Additionally, the pass-through countertop, blinds, and outlet covers have been updated, and new artwork has been added to the décor. The Friends of the Library Group assisted with the purchase of new tables to complete the improvements. The modernized accommodations will provide a welcoming environment for events such as family gatherings and business meetings. Donations towards the room's upkeep are gladly accepted. For further information regarding the Friends Room or to make a reservation, please contact the library at (660)885-2612.

Businesses, groups, clubs, churches, organizations, couples and individuals can, and have in the past, be sponsors of Academic Excellence! March, 2023 Dear Friends of Education:

The Society for Academic Excellence invites students who have achieved a 3.5 or higher grade point average during this school year to be recognized. Last year, 257 students were honored, including 26 graduating seniors who maintained a 3.5 GPA each year throughout high school. In addition, four seniors from Clinton High School and one senior from Clinton Christian Academy received \$500 scholarships. We invite you to join other individuals and businesses in the Clinton area to help honor the scholastic achievements of Clinton High School and Clinton Christian Academy students.

This year marks the 35th anniversary of the Academic Excellence Program, all because of our supportive community which has taken an interest in education for the youth within our school district. Our program this year will be focused on providing a quality experience for our students and an opportunity for the graduating seniors to be recognized with scholarships to encourage furthering their education.

The consistent support of the program from sponsors like

you have allowed the Society to provide this recognition for our top performing students and their families. Your contribution of \$50.00 as a Silver Sponsor or \$100.00 as a Gold Sponsor will benefit the students as they receive their official Academic Excellence medals and ribbons. For your support, you will receive the following:

1. Recognition in the Academic Excellence Ceremony Chamber page #18

## FRANCIS POE

Francis Poe, age 79, of Warsaw, Missouri passed away on Tuesday, March 21, 2023 at the University of Missouri Hospital in Columbia, Missouri.

Francis Ann Poe was born on January 13, 1944 in Attalla, Alabama. On March 1, 1960 she married Floyd H. Poe and they began their lives together in Blairstown, Missouri. They later ended their journey in Edwards, Missouri. To this union 5 children were born, Lois Gallo of Gulfport, Mississippi, Floyd Poe and wife Tammy of Warsaw, Missouri, Bruce Poe and partner James Eden, Jr. of Gulfport, Mississippi, Edger Gene Poe, and Linda Serrano and husband Matt of Gautier, Mississippi.

She was preceded in death by one son Edger, her husband Floyd, her mother, father and grandparents.

Survivors include her 4 children, 12 grandchildren, 33 great grandchildren, 1 great-great grandchild, one sister Joan Norman of Oneonta, Alabama, and one brother Gary Page and wife Linda of Clinton, Missouri, along with numerous nieces, nephews, cousins and her best friend of 40 years Sonja Clark of International Falls, Minnesota.

Francis enjoyed fishing, mowing her yard, spending time with family and shopping. She was known to randomly show up at her granddaughter Samantha's home and take her great grandson Syrys home for a weekend.

Funeral services were held March 29, 2023 at the Vansant-Mills Chapel, Clinton with Pastor Barry Edwards officiating. The casket bearers were Matt Serrano, David DeLeon, James Eden, Jr., Travis Blackmon, Michael Kirchoff and Joseph Archuleta. Craig Poe, Steven Matass, Matthew Poe, Maverick Kirchoff, Shawn Poe, Gage Key, Christian Foster, Tony Sorenson, Justin Olafson and Walker Foster were honorary bearers. Interment was in Bethel Campground Cemetery, Edwards, MO.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, MO.

## WELDER

**Continued from page 1**  
Fabrication and Repair.

Daniel offers drop-off and mobile welding service. He can fix or fabricate anything metal, he said, from mild steel and cast iron to stainless steel and aluminum. He's open to any job, from quick repairs to large ones, but his favorite thing to make is deck railings. He's also made floating staircases and stair rails.

"I like the 'Wow' factor," he said. "When you get something done, everyone can see it, and you think 'I did that.'"

He also likes the fact that welding uses quality materials, and creates a durable product. Building something from metal is about the same price as wood these days, he said, but lasts 10 times longer, and has less maintenance.

Daniel made the stair railings and railings around the mezzanine at Show Me RV, a new and used recreational vehicle dealership at 148 NW 7 Hwy, in Clinton. He also made racks for Powell Meats.

Daniel said he honed his craft at the Buckeye Career Center, a vocational-technical school in Ohio. He grew up in Bolivar, Ohio, a small town south of Akron. A state wrestler in high school, he helps coach boys' wrestling in the Clinton School District, which his nephew is involved in, and football.

Daniel said his family chose to move to Clinton to be near his aunt and her family, and also because they wanted to move west. He loves it here, he said, and likes living where there is more space and more opportunity for growth than in the industrialized areas of the east.

"In Blairstown, there's farm land all around," he said.

He hasn't been asked to build a tornado shelter, he said, but knows how he'd do it: buy a shipping container, put it in the ground, build a rebar cage around it, and pour concrete around it to seal it. The shipping container would be expensive, he said, but he believes in doing quality work for a reasonable price.

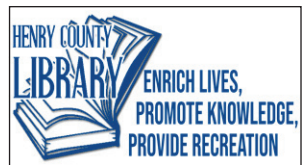

"You need it, I can build it," he said. "If you need a quick repair out in your field or in the house, call me."

He said he will make or fix anything metal, large or small, from fences and trailers to lawn ornaments. He's interested in ornamental iron work, he said. If anyone wants a model of the Eiffel Tower for their back yard or business, he will do it.

Has anyone taken him up on the offer?

"Not yet," he said. "I'm still waiting on that phone call."

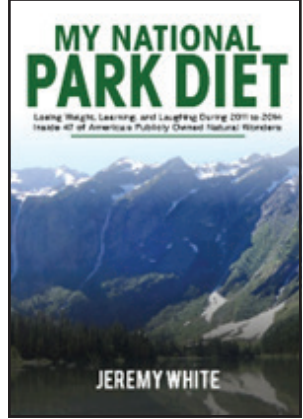

Midwest Welding Fabrication and Repair is located on N Hwy. near Blairstown. For more information or a quote, call 660-492-4945. See photos of his work on the Midwest Welding Facebook.

## To Host Book Reading and Signing Session

JEREMY WHITE

The Henry County Library in Clinton is pleased to announce that they will be hosting a book reading and signing session for local author Jeremy White on Saturday, May 6th, from 2:00 – 4:00 p.m. in the Friends of the Library Community Room. Jeremy will be reading from his book *My National Park Diet*.

About Jeremy White: Jeremy White was born and raised in Clinton, Missouri, and is a graduate of the Clinton High School Class of 1993. He continued his education in Rolla, Missouri, where he obtained a degree in chemical engineering in May 1997. Jeremy resided in the Chicago suburbs for 19 years while working in the field of technical development of plastic packaging materials for PepsiCo products, mostly Gatorade. His name can be found on the patent for a squeezable beverage bottle and many others. He competed in Quiz Bowl for over 20 years and was on a national championship

team four times.

Jeremy's memoir details his previous goal of losing weight by visiting national parks for fun while between engineering jobs in 2016. He was unable to secure a publisher for the book at that time. After receiving a traumatic brain injury caused by a severe accident in 2018, he returned to his hometown of Clinton and decided to pursue the self-publishing of his work with an added epilogue detailing his accident and recovery.

About My National Park Diet: Desperate to lose a significant amount of weight, Jeremy White set a goal early in 2011 of visiting and hiking in all the 48 national parks in the contiguous United States before the end of 2014 and to lose 48 pounds by doing so.

Ads show other ways to lose weight, but Jeremy wanted to learn more about nature and set a weight loss goal that was motivating. Other ways to lose weight may be better or worse, but he soon realized that few of those have any risk of bear attacks, getting stuck in mud, or falling off a mountain.

Did Jeremy lose any weight by doing this? Did a disaster in a park end his goal instead? This is the book you can read to find out.

Please join the library in welcoming Jeremy as he shares his remarkable story. Copies of his memoir will be available for purchasing and autographing for \$25 (cash/check only) at this event. For further details contact the Henry County Library in Clinton at (660)885-2612.

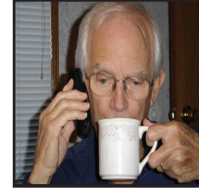

## Roof Replacement Rescheduled

The Henry County Library would like to inform the public that the roof replacement scheduled to begin on April 1, 2023, has been postponed until mid-May. The library will continue to provide updates as to the status of the project. Thank you for your patience!

## Library Reopens Remodeled Friends Of The Library Community Room

The Henry County Library is pleased to announce that the Friends of the Library Community Room will reopen to the public on Saturday, April 1st. The Friends Room has undergone extensive refurbishments over the winter months including a complete texturization and repainting of the walls, ceilings, doors, and trim. Contemporary flooring has been installed in the meeting area, kitchen, and restroom. Additionally, the pass-through countertop, blinds, and outlet covers have been updated, and new artwork has been added to the décor. The Friends of the Library Group assisted with the purchase of new tables to complete the improvements. The modernized accommodations will provide a welcoming environment for events such as family gatherings and business meetings.

The library is very appreciative of the newly renovated space and asks that those utilizing the room make every effort to keep it in excellent condition for the benefit of the community. Donations towards the room's upkeep are gladly accepted. For further information regarding the Friends Room or to make a reservation, please contact the library at (660)885-2612.

## The Shepherd Calls

by  
Dr. H. Wade Paris

### SECRETS OF THE DEAD

In his gospel, Luke records Jesus' story about the rich man and Lazarus. The rich man enjoyed all the benefits of wealth--good food, nice clothes, and the confidence of having plenty. All the while a poor man, Lazarus, sat begging, starving at the rich man's gate. His only comfort came when dogs licked his sores.

Lazarus died and was carried to heaven by angels. The rich man also died and was buried. In Hades, he was tormented. He looked up to heaven and saw Abraham with Lazarus beside him. The rich man asked Abraham to have Lazarus dip his finger in water and bring a drop to cool his tongue.

Abraham replied, "Remember, child, you received only good things during your life but Lazarus only evil. There is a chasm between you and us. We can't come to you, and you can't come to us."

"Then," pleaded the rich man, "send Lazarus to the five brothers at my house lest they too end up in this torment."

Abraham answered, "They have Moses and the prophets; let them listen to them."

"No," said the rich man, "they will not listen; but if someone came back from the dead, they would hear and believe."

Abraham responded, "If they do not listen to Moses and the prophets, they will not be convinced, even if someone should rise from the dead." (Luke 16:19-31).

Regarding Abraham's answer to the rich man's question, Thomas Cahill wrote, "We cannot know if Jesus' original parable ended with this glancing reference to His own resurrection, but Luke certainly intends the Christian reader to catch it."

Abraham was right. Soon the world will celebrate Jesus' resurrection. Yet, it will not impress the masses of people who are determined to do whatever they want--even though Jesus rose from the dead.

### March 22, 2023

AIM Easter Egg Hunt for children ages 0 through 4th grade will be 1:00 p.m. Saturday, April 8 at the Montrose Ball Park. Bring your own basket.

The 2023 Ellett Memorial Hospital Community Block Party will be Saturday, September 30, starting at 9:00 a.m. While they will still have some of the regular events, they would like to add more vendors. If you, or anyone you know, are interested in having a booth, please contact Kim Raybourn at 660-476-5236. This would also be a great opportunity for school fundraising! The FFA BBQ Team has plans to attend. If any other school affiliated group would like to do the same, they would love to have you!

The 31st Annual Montrose Festival will be May 26-28. This year's theme is "Montrose UPS & Downs" in honor of retired and present UPS drivers. More info is available at <https://www.facebook.com/groups/488879294549411> (Facebook page - Montrose MO Festival, History, Events)

Golden Apples Over 50 Social Club promotes the well-being of senior citizens in the cities of Appleton City, Montrose and Rockville, Missouri. Golden Apples was formed to address the issues of isolation and food security in this underserved rural area. Join them Wednesdays at 4:00 p.m. for dinner and bingo (with lots of prizes). Everyone is welcomed. March 29 they are going to Short Street in Montrose.

The ACHS FCCLA will host a Blood Drive Monday, May 1, 2023 from 2:00-6:00 p.m. in the Elementary Gym.

Trinity United Methodist Church would like to thank the community for the donations received for the backpack program. It is wonderful to be a part of a community that comes together when there is a need. Donations are still accepted at the church. For more information, call 660-492-7591.

Are you itching to get outside, breathe in the fresh air and feel the comfort and joy of working in the soil that has been prepared for gardening? If you're yearning to grow flowers or vegetables but are short on space or have limited mobility, give container gardening and/or raised bed gardening a try. Container gardening allows for creativity in a small space and, since plants can be moved inside in the spring and fall, lets gardeners extend the growing season. Also, container and raised bed gardens are less prone to disease and insect infestation than traditional gardens. University of MO Extension Agronomist, Terry Halleran, is offering a workshop at the St. Clair County Library in Osceola Thursday, April 6 from 6:00 to 8:00 p.m. to answer questions about container and raised bed gardening. Some of the workshop topics include choosing the right kind of container, what types of plants work best in container gardening, and benefits of container and raised bed gardening. To register for the class contact the MU Extension St. Clair County office at (417) 646-2419 or send an email to [stclairco@missouri.edu](mailto:stclairco@missouri.edu). Cost of the class is \$10.00. Registration is due by 4:00 p.m. on Wednesday, April 5. Contact us immediately if you need accommodations because of a disability, need to relay emergency medical information or need special arrangements if the building is evacuated. The office is located just inside the west door on the 1st floor of the Courthouse.

You can help Missouri's agricultural community efficiently produce food, fuel and fiber. Take time to complete the Missouri Custom Rates survey.

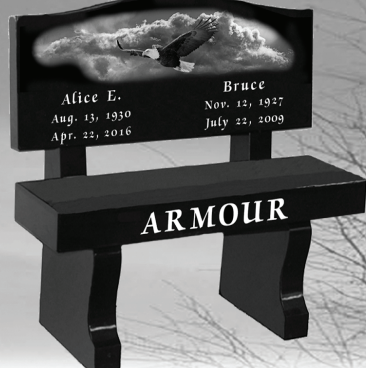

This survey, conducted by @MUExtAgEnvironment team members, is taken every three years to gauge rates for a variety of agricultural services. From tillage and fertilizer application, to processing and off-farm transportation, the survey aims to uncover average costs across Missouri. Don't wait. This survey closes in early April. Take the survey at <http://muext.us/customrate/> Choose the broad categories of custom activity for which you will provide information and enter your values for individual activities.

## Calhoun UMC

Welcome to the Good News from Calhoun United Methodist. We are pleased to gather in fellowship and love, to praise the Lord with church family and guests. We ring the church bell at 9:45 to call the “flock” to 10:00 Worship. Our service is live-streamed for face book.

We extend our Sympathy and Christian love to the family and friends of Chris Allen who passed into the arms of Jesus this week. Others on the prayer list are Linda & Doug Cooper, Brenda Hunter, Macayla Lowe, Jaden & baby, the Burson family. We continue to pray for those suffering in Ukraine and those who are trying to get them relief. Closer to home; prayers were said for those in the southern states where lives were lost and property damaged. We are asking for prayers for our church and congregation as we face closing Calhoun United Methodist Church because of low attendance and lack of income.

Joys to celebrate: Special music today “O’ What a Savior” by Ms. Verna. Martha Hibbs celebrated her birthday last week with her family and we were pleased to wish her many more. What a beautiful sun rise this morning as we traveled to Drake’s Chapel for their Palm Sunday Breakfast before services. And what a bountiful breakfast was had by all. We are pleased to report that Pat Meyers, Tyler Houts and Billie Vanslyke are much improved following sugary and recuperation from illness. The Colwells are pleased to be home from a their annual trip to the Round Top, Texas, Spring Antique Show and Sale and visiting with their sons Jeff and Jerid and grandsons Logan and Ayden. They report the greenest grass, magnificent fields of blue bonnets and Indian paint brush. Master James Stocking was sporting a new first hair cut this morning. He enjoys helping to ring the church bell and today was our palm branch parade man during our Palm Sunday Service. Our church ladies will be serving Easter Sunrise Breakfast at 7:30 a.m. next Sunday. For those interested in Easter in the country join us next Sunday; worship begins at 10 a.m.

We welcome visitors any Sunday morning for worship, come dressed as you are comfortable, bring the youngsters and be prepared to receive a blessing for your effort. We will be blessed by your presents.

## First Baptist

On Sunday, Pastor Pat Findley continued in the Experiencing God series with a message titled, ‘God Speaks’. God speaks by the Holy Spirit through the Bible, prayer, circumstances and the church to reveal Himself, His purposes and His ways. Knowing God’s Will for us must first begin with knowing Him, and we must be willing to say ‘yes’ when He speaks to us. God speaks through His written word, and the Bible helps us to interpret what He’s doing around us. God speaks through our prayerful conversation because He wants to hear from us, but we must also remember to listen. God also speaks through appointed circumstances, or experiences in your life in which God chooses to speak. We don’t have to do extraordinary things, but we should simply do ordinary things with extraordinary love. Let us pray to have ears to hear and to have hearts that are ready to respond when God speaks to us.

Disaster Relief training will be held April 14-15 at First Baptist Church. Registration is available online at [modr.org/dr-training](http://modr.org/dr-training). Rise & Shine, a special Easter event for kids of all ages, will be held April 8th in the afternoon, downtown on the square. For those who have experienced grief or mourning, GriefShare is held on Thursdays from 6-8 pm at FBC’s Vansant location. Celebrate Recovery is on Tuesday evening, beginning at 5:30 p.m. at 1531 N. Vansant, for anyone with hurts, habits and hangups. Henry County Rescue Mission offers dinner on Thursdays at 5:30 p.m. at the downtown location, 209 E Jefferson. Easter Worship services will held at 8:30 a.m., 9:45 a.m. and 11:00 a.m. On Easter Sunday. For more information, please contact the church office at 660-885-2211.

We invite those without a church home to join us in worship of our Lord & Savior, Jesus Christ. First Baptist Church exists to fulfill the Great Commission (Matthew 28:19-20) by loving people into a growing relationship with Jesus Christ.

## First Presbyterian

On Palm Sunday we celebrated the triumphal entry of Jesus. He came bringing comfort, peace and love. Just as the shouts of Hosanna in the Highest! was proclaimed all those many years ago, let us, too, shout Hosanna to Christ! and make Him king of our life. The hand chime choir presented the anthem “All Glory, Laud, and Honor”. Rev. Nancy Gillard delivered the message Everyone Loves a Parade using John 12: 12 – 19 as her text.

The collection of deodorant for the Samaritan Center continues and will throughout the months of March and April. Please place your donations on the shelves in the foyer.

On April 30 th volunteers gathered in Fellowship Hall for a “Pin & Pack” Day preparing the personal hygiene items for shipment and delivery. A total of 594 were assembled and sewn for the “Girls in Africa” project. They will be delivered to African villages this summer. Thank you to everyone who helped with this project.

On Easter Sunday the sanctuary will be decorated with a display of beautiful spring flowers. If you would like to make a monetary donation in honor or memory of a loved one, toward the purchase of these flowers, you may send it to the church office at 220 E. Franklin Street, Clinton, MO 64735. Your loved one/s will be honored with their name/s published on a list in the monthly Carillon and in our weekly bulletin insert.

Join us during Holy Week for a Maundy Thursday Ser-

vice & Communion at 6:00 pm. On Friday at 12:00 noon a Good Friday Service will be observed. Easter Sunday we will begin with an Easter Brunch at 9:30 am followed by Easter Worship at 10:30 am.

Tai Chi classes are held here each Monday at 10:00 and 11 am and Wednesday at 10:00 am. Tai Chi helps strengthen your core and improve balance. Consider joining.

Come worship with us. You will be warmly welcomed. If in person worship is not an option please catch the broadcasts available online at our website: [fpclintonmo.net](http://fpclintonmo.net) or Facebook First Presbyterian - Clinton. Stay updated on the happenings at First Presbyterian by visiting our website.

## Mt. Calvary Apostolic Pentecostal

Mark 11:7-10, Numbers 21:7-9, Luke 19:39-40, Acts 3:22-23, Luke 119:40, Psalms 118, Isaiah 53, John 1:29, John 3:14-15

Mark 11:7-10. (KJV)

God uses events that took place over 4000 years ago to line up with today. The Old Testament will always be relevant because it gets us ready in present day.

Jesus let the people know that a blood offering had to be shed for God to remove our sin. We have to be washed in the blood as blood was applied for the Passover. The blood placed over the doorway in Exodus caused death to pass over those individuals.

The blood upon us protects us when the death angel comes.

Zec 9:9. (KJV)

God wanted people to know back in the Old Testament in the book of Zechariah that Jesus was coming in the New Testament. We have to have the Holy Ghost guide us in the word. We need to ensure that God’s word reaches everyone.

When the Lord rode on the colt, people laid out their garments and palm leaves before him. Palm Sunday is an important day to God. We should pay more attention to it and the week ahead that leads to Resurrection Sunday. Palm leaves are a symbol of victory.

From Palm Sunday to Good Friday, Jesus went through a battle. Isaiah 53 tells us what he went through. Jesus did this for us. He knew what was going to happen to him, but he claimed the victory before the battle.

The people in Numbers were bitten by snakes and asked Moses to speak to the Lord m, as they had sinned, speaking against both Moses and the Lord. God had Mosses construct a pole with a serpent for those who were bitten to look upon it and live. (Numbers 21:7-9)

In the same manner, Jesus said those who looked upon him placed up on the cross would be saved. He is our Passover lamb, when we have the lamb of God we can claim the victory in the battle. We have to claim the victory in all we go through.

You can cut a potato in half and plant it in dirt. When harvest comes, there are multiple potatoes. We can liken this to the Lord. He took those cuts to his body, torture, and nailed to the cross. He was buried in a garden. At harvest, he will have many. Claim the victory before the battle. God Bless.

## St. Paul’s Episcopal

1837 East Hwy 7

2 miles past Walmart

St. Paul’s Episcopal Church will be celebrating the Resurrection of our Lord and Saviour Jesus Christ with Holy Communion and Resurrection hymns on Easter Sunday at 10:00 AM. Prior to Easter and the celebration of the Resurrection, we will be observing the crucifixion of our Lord with a service at 12:00 noon on Friday. We invite all who would like to spend some time in prayer on this day to join us for this day-time service.

Every Sunday in our worship we remember Jesus’s supreme sacrifice for all of humanity with these words:

*Holy and gracious Father: In your infinite love you made us for yourself; and, when we had fallen into sin and become subject to evil and death, you, in your mercy, sent Jesus Christ, your only and eternal Son, to share our human nature, to live and die as one of us, to reconcile us to you, the God and Father of all.*

*He stretched out his arms upon the cross, and offered himself, in obedience to your will, a perfect sacrifice for the whole world. (Book of Common Prayer)*

Easter Sunday and every Sunday, we give thanks that we have been redeemed by our Saviour, Jesus Christ our Lord, through His death on the cross and His resurrection. If you do not have a church you regularly attend and would like to give thanks to God our Father, please come worship with us.

**“Alleluia, the Lord is risen. He is risen, indeed, alleluia!”**

## Urich Baptist

It was a beautiful Palm Sunday to gather and worship the Lord. Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Dixie Collins playing piano. Randy Vogt and Clint Keeney collected the offering.

The scripture passage from Pastor Chad Pollett’s sermon was from John 7:25-36. In this passage Jesus was teaching in Jerusalem. The Pharisees and Sadducees were trying to find a reason to arrest Him. Many in the crowd truly believed He was the promised Messiah. We are fortunate today to have God’s word and teachings in the Bible. By studying the Bible we will be able to understand and know Him personally in our hearts and soul. Good works and basic knowledge will not get us to Heaven. True faith in Jesus saves us. Be a blessing to someone this week.

## Valley Center United

Blessed is the one who comes in the name of the Lord. This Palm Sunday is a reminder of our welcoming of Jesus into our hearts and our willingness to follow him. It is a perfect day.

Karen Lasswell welcomed us as we came to worship in our country church on the brow of the hill! Birds were singing and the plants around the prairie are showing their spring colors!

We send prayers to those who are recuperating from surgery and illness. It was good to see Judy Neuenschwander back to church this morning and feeling some better. We pray for this nation and for our world. We pray for the families of the Ukraine as they fight for all democracy. This year, Valley Center is honored to host the Lowry City Community Sunrise services, beginning at 6 am on Easter morning.

Emily and Madison lit the altar candles to begin our worship services. Rev. Dane and John Gover shared the hymn, “Breathe on Me, Breath of God” by playing their violin and guitar.

The festival of Palm Sunday commemorates Christ’s triumphant entry into Jerusalem. Followers from all over

the world gathered together in excitement for this event! For many, it was a disruption in their daily routines of work and other responsibilities, but when they heard he was coming, they stopped everything to go and see him face to face!! There was music and songs of praise as they lined the streets watching and waiting to see Jesus. And as he passed by, they knew he was the anointed one, their savior. They didn’t know what was to happen the next coming days or envision the empty tomb, but they saw and believed and felt the presence of God.

Palm Sunday creates a theology of disruption. On this perfect day, we need to stop and let go of all our distractions and daily duties and know who Jesus really is. This disruption in our lives makes us realize and understand that God loves us, not because of what we do, but because we believe. Jesus comes to us because of God’s glory. When Christ comes into our own lives and as we hear those chants of invitation that call us to follow him, we will know the joy that we are in the presence of God.

As we say, “Hosanna, Hosanna in the Highest” his love and acceptance is revealed to us and all doubt will melt away as we joyfully gaze upon our Savior, the one who is the essence of all things divine. His steadfast love endures forever.

said, and has ridden in 45 of the 50 states. One year she rode north, picking up states on her list, and ended up in Washington state. Then she rode down the coast to San Jose, Cal., for an international motorcycle rally. She was so tired, she “dead-headed” on the way back to Missouri, she said, meaning she rode straight home instead of exploring side routes.

Karen, who lives between Iconium and Lowry City, has been riding all her life, she said. Most of the women riders had a father or brother who introduced them to the sport — Karen said she was so little when she started riding on the back of her father’s Harley, she remembers standing in the garage and looking up at the big bike.

In 2016, she flew to Rome, rented a Harley and went with a group of seven women on a motorcycle trip through Italy. One of the other riders was a woman she met at the Gettysburg rally, she said.

Sherry, who lives in Clinton, is the rookie in the group, she said — her longest trip was 150 miles. She has a relatively small motorcycle, a Yamaha. She used to live in Chicago, which has a short motorcycle season, but had friends who rode on New Year’s Day.

“They believe that what you do at the start of the year, you will continue to do throughout the year,” she explained.

What the Golden Valley Gals believe: “ATG, ATT,” —“All The Gear, All The Time.” That means helmets, boots, long-sleeved shirts and usually long pants. Arlene does her own repair work on her Honda, she said. Her other hobby is crochet.

“It doesn’t matter how old a motorcycle is,” Arlene said. “They run forever.” The others said they

change the oil. What all the members of the Golden Valley Gals do is support each other, Arlene said. In the 17 years the chapter has existed, they have been lucky to get good members, she said.

“We have a ball wherever we go,” Karen said.

“We take our fun with us,” Sherry said.

The Golden Valley Gals meet on the first Wednesday of the month at 4 p.m. at various locations. They go to different places, Arlene said, to meet and eat.

“It’s wherever we feel like going that day,” Karen said.

Like going to state and national rallies, the point is not the destination but the journey.

“Sometimes you do, sometimes you don’t,” Karen said of riding to a rally. “Sometimes you just get on your bike and ride around the block in the rain.”

But wherever they go, they stop and taste the ice cream.

The GV Gals stress that they are a motorcycle organization, not a motorcycle club, or gang. They support a charity, usually making a donation to the local Samaritan Center. For details, go to the Golden Valley Gals Facebook or email Arlene, [goldenvalleygals@gmail.com](mailto:goldenvalleygals@gmail.com).

And on May 1, keep an eye out for Women on Wheels if you’re on the road— the first Saturday in May is International Female Ride Day.

**KAREN COX HAS TOURED** much of the United States on her Harley, and also did a tour of Italy on a Harley.

**A LONG-TIME MEMBER** of GV Gals, Sheryl Knox illustrates proper attire for riding— arms and legs covered with leather, which protects the skin in case of an unexpected encounter with the roadway, and feet covered with boots. The GV Gals believe in ATG-ATT, All the Gear, All the Time.

## UCM Team Captures National Criminal Justice Title for 20th Consecutive Year

While finding a place to display 19 new trophies may pose a small problem for an award-winning program, it is a welcome challenge for the University of Central Missouri's Department of Criminal Justice and Criminology. This shiny new hardware comes after a team of students and faculty members captured UCM's 20th consecutive Sweepstakes Award at the American Criminal Justice Association-Lambda Alpha Epsilon (ACJA-LAE) National Conference Competition.

UCM's Gamma Epsilon Delta (GED) Chapter of ACJA-LAE traveled to Louisville, Kentucky,

March 12-16 to compete in the event. Team Advisor and Professor of Criminal Justice Dr. Gregg Etter said the UCM team garnered a total of 38 total points in a wide variety of competitive categories that led to awards in individual and team placements in the Lower, Upper, and Professional divisions of this annual event. Students, faculty, alumni and other professionals in the criminal justice field participated in the competition that attracted participants from some of the most prestigious colleges and universities across the nation.

"We took the (Sweepstakes) trophy and ran to the bus," Etter joked in talking about the stiff competition the team faced this year.

He noted that UCM finished six points ahead of the second highest-scoring team. This was a thinner margin than UCM has encountered in recent years. In addition to taking home the Sweepstakes trophy, other highlights of the competition included the Top Gun Award. Richard Gillespie, an emeriti staff member who is retired from the UCM Department of Public Safety continues to work with students on firearm training and has been a successful competitor in the annual competition, both individually and as a team member. Gillespie captured first place in the Firearms (Individual) category, and was part of a three-member team that finished third in the Firearms (Team) Professional Division. UCM also captured first place in the Lower and Upper divisions for individual firearms and teams, and took two second-place awards in these same divisions for both individuals and teams.

All members of the Gamma Epsilon Delta Chapter who participated in the

national competition were recognized March 28 in an awards ceremony that was led by Dr. Lynn Urban, professor and chair of the Department of Criminal Justice and Criminology, and Etter, who was also among the award winners.

In her remarks, Urban reflected on the successful history of UCM's criminal justice team, noting that the criminal justice team got a taste of what it was like to win a national championship with its first Sweepstakes Award in the spring of 2000. The team repeated this achievement in 2003, and its winning streak since then is unmatched by any other college or university, public or private, nationwide. This includes teams representing some of the largest and most prestigious criminal justice programs in the nation.

"When you think about it, all of these 20 years of nationals, what are the constants," Urban asked students and faculty who gathered in Wood Building for the celebratory event. "The first one is hard work. Have you ever stopped to think about how many hours it took you studying? You had a study group every week, just for nationals. That's probably 20 hours

total spent in study groups, plus shooting practice and other types of preparation.

"The other common denominator is the leadership, not only your student leadership as an organization, but your faculty and your sponsors," Urban said. She commended Criminal Justice and Criminology faculty members who have been instrumental in the team's success over the years.

Etter said the team's victory was "hard fought." He also noted the important role faculty members have played in preparing students for national competition, and praised the strong commitment students demonstrated to achieve success. This was noticed by individuals far beyond competing teams. A bus driver who transported the team, for example, commented on students' professional demeanor and dedication.

"You remember the lady on the bus...she said you were some of the most po-

lite students she has had in years on all the trips where she's been hauling people," Etter told team members, speaking as a well-seasoned criminal justice practitioner, educator and team advisor. "One thing she said that stuck with me is that you are 'scary smart.' She was impressed that you were doing preparation on the way to Louisville. You guys study hard, you test hard, you play hard. But that's okay. You earned it."

Etter said this year, the team not only received an impressive array of trophies, but medals also were presented to individuals in various award categories. Below is a list of individuals and teams from the ACJA-LAE, Gamma Epsilon Delta Chapter, Region 3, who placed in national competition:

Top Gun: Richard Gillespie (emeriti UCM staff member)

LAE Knowledge - Lower Division: Wilson Harrow, first place and Juliana Sloan, third place; Upper Division: Joshua Terrell, second place; Professional Division: Roger Pennel (emeriti CJ faculty member), third place

Police Management and Operations - Upper Division: Jacob McBee, first place

Criminal Law - Upper Division: Taigan Rogers, second place

Homeland and National Security - Upper Division: Tyler Fagan, third place; Professional Division: Greg

Etter, second place Academic Research Poster - Lower Division: Aspen Hockley, third place; Graduate Division: Joshua Terrell, third place

Firearms (Individual) - Lower Division: Azeem Akram, first place; Upper Division: Taigan Rogers, first place and Joshua Terrell, second place; Professional Division: Richard Gillespie, first place

Firearms (Team) - Lower Division: Matthew Nennering, Azeem Akram and Wilson Harrow, first place; Upper Division: Taigan Rogers, Jacob McBee and Joshua Terrell, first place; and Lauren Gruber, Tyler Fagan and Evan Adams, second place; Professional Division: Richard Gillespie, Greg Etter (faculty member) and Hunter Rademan, second place

Crime Scene - Lower Division: Avery Nix, Avery Penn and Juliana Sloan, first place Physical Agility - Male 25 and Under: Wilson Harrow, second place

2023 National Scholarship Awards - Graduate Division: Taigan Rogers, second place 2023 Student Paper Awards - Graduate Division: Pricila Avila, third place

### LOOKING BACK

with Guest Sports Reporter **TIM KOMER**

#### Looking Back: 1978 (The old fashioned way)

The old Democrat building on Washington Street was sold recently and the Clinton Daily Democrat moved to a new home on Main Street, on the east side of the square. The Democrat's new space is shared with 'The T-Shirt Factory', by Birdman Apparel Company.

Newspapers were the internet before the internet. They were also the 'icloud' before the 'icloud'. Modern newspapers, like the Democrat, have done a good job blending print with digital sources. Before the internet, editions of newspapers were physically bound together and stored. Many bound editions of the old Democrat have been saved and I recently flipped through page after page of the bounded 1977-78 Democrat; the months January-March, to be exact. If my math is right, 1978 would be 45 years ago. I'll give you a feel for Clinton sports in the winter of

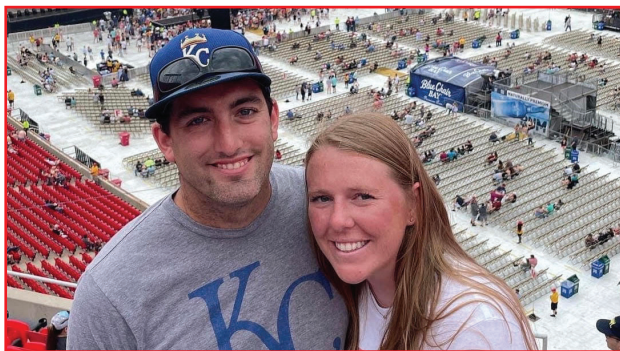

'78. But, first let me give you a few '77-'78 general headlines that caught my eye: 1) Truman Lake Development Continues. 2) CHS Band Goes to New Orleans. 3) Angry Coal Miners Strike. 4) Police Officer Dragged by Car. 5) Harlem Majestics play Sherwood Misfits. 6) Two Subdivisions Accepted by Clinton. 7) Deepwater Man Abducted, Shot. 8) 'Howard Scott, Shot.' 9) Shoot-Out near Norris and 10) Farmers Strike.

Side note: A new baseball field was being built on Sedalia Ave. (Wagoner East) and Full Line Lumber opened.

Sports: The CHS boys' and girls' basketball teams were fighting for wins and both did fine. The boys ended with a 9-11 record. They were led by David Brock, Chris Newell, Bruce Titus, Mark Hines, Rick Armstrong, and Dennis Hays. The girls ended with a 16-6 record led by Donna Brock, Stacy Sunderwirth, Carolyn Ross, Julie Wall, Janelle Smith, Susan Carter, Sarah Carter, and Tracy Farrens. It is fun

### It's The Cardinals Coach of the Week: Zachary Adams Clinton Cardinals Soccer

1) Why did you want to become a coach?

ZA-My grandfather was a football coach at Richmond and my dad was my coach growing up and still coaches at CCA. Seeing all of the lives they have impacted and the joy they have shown through coaching made it an easy decision to coach when I decided I wanted to teach.

2) Can you describe what a typical practice looks like for your teams?

ZA-Practices vary spending on where we are in the season and how many

games we have for the week. Girls soccer usually has 2-3 games a week. A typical practice now consists of stretching, drills to help us improve on areas that we struggled with in previous games, and then a mixture of small field or full field scrimmages to try and apply the drills we just practiced.

3) What are your core values as a coach?

ZA-My coaching staff and I focus a lot on the small things. With it being early in the season, two items we

Clinton Cardinals Varsity Walks Away Victorious Over Appleton City, 4-2 Friday, March 10

Clinton Cardinals Varsity beat Appleton City 4-2 on Friday.

Jacob Balke, Jack English, Will Golder, Evan Mantonaya, and Kanden LaFarge all had one hit to lead Clinton Cardinals Varsity.

#15 went 1-for-2 at the plate to lead Appleton City in hits.

Clinton Cardinals Varsity Takes a Tough Blow From Knob Noster

Thursday, March 23

It was a tough day on Thursday for Clinton Cardinals Varsity, who lost 15-2 to Knob Noster

Knob Noster scored ten runs in the third inning. Knob Noster's big inning was driven by singles by Gentry, Wannemaker, Gallasher, and Balton, walks by Coluim and Chandler, a groundout by Payne, and an error on a ball put in play by Balton.

Gallasher earned the win for Knob Noster. Gallasher lasted three innings, allowing four hits and two runs while striking out six. Gentry threw two innings in relief out of the bullpen.

Maverick Martin took the loss for Clinton Cardinals Varsity. The righty allowed six hits and nine runs over two and a third innings, striking out five.

Kanden LaFarge, Will Golder, Hayden Mcguire, and Evan Mantonaya each managed one hit to lead Clinton Cardinals Varsity. Knob Noster had ten hits

in the game. Balton and Gallasher all managed multiple hits for Knob Noster. Balton led Knob Noster with three hits in four at bats. Knob Noster stole seven bases during the game as two players stole more than one. Gallasher led the way with two.

Clinton Cardinals Varsity's Strong Offense Falls Just Short to Crest Ridge Varsity Cougars

Saturday, March 25

The base paths were crowded for both offenses in a high-scoring game where Crest Ridge Varsity Cougars came out on top against Clinton Cardinals Varsity, 16-8.

The Clinton Cardinals Varsity struggled to put runs on the board and had a

tough time defensively containing Crest Ridge Varsity Cougars, giving up 16 runs.

Clinton Cardinals Varsity got on the board in the first inning when Kanden LaFarge laid down a sacrifice bunt, scoring one run.

Crest Ridge Varsity Cougars pulled away for good with nine runs in the second inning. In the second Caiden McKenzie drew a walk, scoring one run, Owen Wyatt drew a walk, scoring one run, LaFarge induced Conner Buttram to hit into a fielder's choice, but one run scored, Daniel Doak doubled on a 2-0 count, scoring two runs, Casey Deever drew a walk, scoring one run, and Carsen Hursh singled on a 1-2

count, scoring two runs.

Clinton Cardinals Varsity tallied three runs in the fifth inning. The big inning was thanks to a walk by Gabe Simmons and a single by Hayden Mcguire.

McKenzie was credited with the victory for Crest Ridge Varsity Cougars. The lefty lasted four innings, allowing zero hits and five runs while striking out two. Brady Hobbs and Hursh entered the game out of the bullpen and helped to close out the game in relief.

Braden Best took the loss for Clinton Cardinals Varsity. Best lasted one inning, allowing four hits and five runs while striking out one.

LaFarge, Mcguire, and Will Golder each collect-

## Cardinals Golf Finds Success On Other Courses

Clinton traveled to Butler, MO for Boys Golf, scores posted below: Hunter Bose scored a 38 in a par 36, James Peoples with a score of 47 in a par 36, Jonah Albers-Hurt scored a 46 in a par 36, Nicholas Barnes scored 55 in a par 36, Mitchell Alexander scored 55 in a par 36, Cale Zink scored a 58 in a par 36.

Boys Golf also traveled to Harrisonville where Hunter Bose scored 38 in a 36 par, James Peoples scored 45 in a 36 par, Jonah Albers-Hurt

47 in a 36 par, Nicholas Barnes scored a 46 in a 36 par, and Mitchell Alexander scored a 54 in a 36 par.

Clinton High School Boys also traveled to Grain Valley where Hunter Bose scored an 82 in a 72 par, James Peoples scored a 93 in a 72 par, Jonah Albers-Hurt scored a 87 in a 72 par, Nicholas Barnes scored a 90 in a 72 par, and Mitchell Alexander scored a 103 in a 72 par.

to note that Clinton back then would play schools like Ray-Pec, Raytown, Blue Springs, and Lee's Summit. Of course, these towns later out-grew us. We played in the West Central Conference which included Butler, Warrensburg, Ray-Pec, Holden, Harrisonville, Knob, P. Hill, and El Dorado. The boy's basketball team was 3rd in the conference standings in '78 with a WCC record of 5-3. The girls with an overall regular season record of 14-5 were second in the WCC with a 6-2 conference record.

The boys were led by coach Les Roark, the girls were led by Ron Aldredge. This was only the second year for the girl's program. The Lady Cards were ranked #7 going into the 3A Regionals. In the second round, the Lady Cards beat Blue Springs 39-36 in OT. In the semifinals, the Lady Cards surprised Raytown South winning 50-43. They moved on to play Lee's Summit for the Regional Title and a chance for the State Championship. Unfortunately, the Lady Cards fell flat and lost 57-23. The Lee's Summit team went on to become State Champs. The '78 players still remember that painful ending to their season.

The 53rd annual Boys Clinton Invitational Tournament was held in 1978. The tournament had evolved many times trying different formats. In '78 the tourney only had six teams: Butler (seeded #1), Ray-Pec, Clinton, Warsaw (#2), Harrisonville, and Sherwood. Clinton beat Ray-Pec in a nail-biter 58-56 to advance to the semifinals vs Butler. Harrisonville beat Sherwood 65-47 moving on to face Warsaw in the semifinals. Clinton lost a cliffhanger to the Butler Bears 60-59. I bet the old gym was hopping that night. Warsaw beat Harrisonville 64-58 in OT after the Harrisonville coach had two Tech fouls called on him. Butler won the CIT Title beating Warsaw 60-59. The Cards beat Harrisonville 62-55 to take third. Clinton's Dennis Hayes was on the tourney's All-Star team. The girls' side of the CIT did not start until 1979. The CHS boys' team won the CIT Title in 1979.

The Cardinal wrestling squad was led by Fran Schwenk. He had a hard-working group to include Mark Ellis (1st in WCC), Randy Creek (1st), Bobby Honn (2nd), Buddy Littleton (2nd), Bill Skaggs (3rd), Wayne Shriner (4th), Mike Blackwell, Mike Wykoff, Jim Mock, and Rick Hunter. The team took third in the WCC wrestling tournament, and were 5-8 in duals. The wrestling program was still on the young side. It started in 1965 making the '78 season their 13th year. A group of boosters sponsored the 50th reunion of the program in 2015, and many of the '78 squad attended. Great stuff.

Other Sports: The 1978 Democrat covered the Ballard Town Team Tournament that started on March 14. Town teams were still quite popular. (I used to ref many of these tourneys). The Clinton Teachers had a team in the eight-team tourney. The Clinton Teachers beat Adrian 95-85, but then lost to Ed's Team, 101 to 75. Obviously, these teams had some offense. (I most remember no player ever thought they made a foul.)

The Democrat also covered nine bowling leagues. Two years later (1980) yours truly, as the new owner of Meadowlark Lanes, would be sending scores to the paper via Brian Hanney. As the '78 spring moved in, the Democrat covered CHS Track, Tennis, Golf, and

even a Gymnastic Night. CHS had 100 students out for track and was coached by Bill Crawford. Earlier in the '78 school year the CSD, because of a budget crisis, talked about cutting wrestling, golf, and tennis, calling them 'minor' sports. Thank goodness they did not, the Cardinal wrestling team went on to be one of the best in the State for many years, winning the State Title in 1991.

It is always interesting to "Look Back", even if you have to do it the old fashion way.

Until next time.

**COACH cont.**

preach on are being ready on time and not cutting corners. Most athletes do not continue their sports career on the college level so we try to teach values that they can continue to use in life.

4) How do you view the relationship between academics and athletics?

**ZA**-When I played in high school and college, I was always told that I was a student athlete. Student being first meant academic come first. As a coach, I still believe that is true. Students must take care of their work in the classroom in order to play.

5) How will/do you develop community support for the team?

**ZA**-The boys soccer team hosted an alumni game this past fall. We had about 24 alumni that were able to attend. The girls team hosted a youth soccer camp in March. Even with the cold rain, we still had around 90 kids attend. We are also hoping to have a youth soccer night this season as well (will need to ask Alex if the details are set yet).

6) What approach do you take when your team is struggling?

**ZA**-The season is around 25 games played in close to a 10 week period. There is not a lot of downtime with there only being a few days if any in between games. Just taking it one game at a time and trying to reset after a loss are what we try to focus on throughout the season.

7) Describe what your bench area looks like during games.

**ZA**-My assistant coaches end up sitting on each end of the bench. I usually cannot sit and end up pacing between each end discussing with coaches any changes I should make while also talking with players about what has gone well and what needs to change in the game.

8) What are your off-season expectations?

**ZA**-The majority of girls on the team play multiple sports for the high school. My expectations for the girls is to stay involved and active through any open field/gym. Summer weights are a great way to help out athletes for every sport they are involved in. The team this year had great attendance this past summer and I hope they continue to take advantage of it this coming summer too.

9) What was the main objective at the beginning of the season?

**ZA**-Last year we went 14-11 and lost in the district semifinals. The goal is to improve off of that. We are off to a good start with winning the Clinton Cup and can hopefully continue this success throughout the season.

Living as an High Functioning Alcoholic can be an unadulterated nightmare. As the amount and rate of alcohol intake increases, so does the extent and severity of mental and physical dependence. The alcoholic must then handle and mask the lumbering signs of dependence while also training themselves to function "normally" despite them.

## Board of Governor Sets Instructional, General Fees for FY 2024

While seeking to maintain the most affordable education possible for students amid rising inflationary costs, the University of Central Missouri's Board of Governors approved slight increases in instructional tuition and general fees Fiscal Year 2024. Action on these matters took place when the board met in its March 23 plenary session on campus.

Bill Hawley, vice president

for finance and operations, presented the board with proposed fee increases, effective for the fall 2023 semester. The new fee structure presented to the board will increase the per-credit-hour charge for in-state undergraduate courses by 3.5 percent and in-state graduate courses by 5 percent. This means undergraduates from Missouri will pay \$277.50 per credit hour this fall, up from the current \$268. The cost for in-state graduate students will become \$356 per credit hour, up from \$339. These percentage increases are also the same for non-resident undergraduate and graduate students, regardless of modality. Non-resident students' tuition is double the rate of resident tuition.

The board also approved general fees to cover costs related to athletics, facilities, Pertle Springs Recreational Area, student activities, technology, the Elliott Student Union, health services and the Student Recreation and Wellness Center, which was student approved. Students who are taking under nine credit hours per semester will pay \$47 per credit hour, an increase of \$1.35 per credit hour above the current rate. Students who are taking nine or more credit hours will pay a flat rate of \$705, which is an increase of \$20.25 per credit hour over the current charge.

--more--

In discussion about room and board, it was noted that meal plan rates are based on the Dining Service contract with Sodexo. This allows for an increase based on the Consumer

Price Index for Urban Consumers – Food Away from Home. The Food Away from Home index for 12 months, ending Aug. 31, 2022, was 8 percent. Housing rates will increase approximately 4 percent overall. These rates are affected by variables such as enrollment, salaries and accompanying fringe benefits, student wages, health insurance rates, Missouri State Employees Retirement System (MOSERS) contributions, utilities, property insurance premiums, maintenance, repairs, and administrative overhead, which impact the University Housing budget. The board also approved

an increase in aviation fixed wing flight fees to address rising flight operations costs and to establish funding to implement a fleet modernization and sustainability plan. The hourly rates for aircraft and simulator rental will increase by 12 percent. In terms of flight hours, these changes in rental cost per hour can range from an increase of \$13 for a PA-18-150 Super Cub to \$48 for a BRE-58 Beechcraft Baron. Simulator cost will go up \$3 per hour for the Red-bird simulator, and \$6 for the Frasca simulator. The instructor cost will increase by 22% from \$45 per hour to \$55.

The State Fair Career and Technology Center that provides technical training to area high school juniors and seniors on the Sedalia campus will close Friday, April 7, and Monday, April 10. Classes will resume Tuesday, April 11.

Enrollment for summer and fall classes opens April 4 for new and returning students. Summer classes begin June 6; fall classes begin Aug. 21. Admission applications are free. Visit [www.sfccmo.edu](http://www.sfccmo.edu) to apply and enroll.

## SFCC implements new Employee Emeritus status

State Fair Community College has established the SFCC Employee Emeritus status to honor and recognize the long-term distinguished service of employees as administrators, faculty, and professional and classified staff.

Employees who retire from SFCC in good standing with a minimum of 15 years of full-time service are eligible for consideration. Employees seeking emeritus status can apply or be nominated by anyone by completing an application and submitting two letters of endorsement as evidence of distinguished service and good standing with the college.

Eligibility to apply expires two years following an employee's retirement. However, any past retirees who meet the requirements can apply or be nominated for emeritus status consideration through 2024. Former employees who have already retired or anyone who wants to nominate a retiree may email SFCC's Human Resources office at [hr@sfccmo.edu](mailto:hr@sfccmo.edu) and request the online application link.

Employee Emeritus status benefits include recognition in SFCC's commencement program the year status is confirmed, on the college's website and at the annual employee recognition banquet. Other advantages include an SFCC ID with emeritus status noted; access to SFCC's facilities and services such as the library and fitness center; discounts in the Campus Store; admission to events and activities; participation in graduation and other appropriate ceremonies; invitations and notifications of relevant SFCC events, and full-time faculty overload pay rate for adjunct teaching.

For more information,

contact Rachel Dawson, Human Resources executive director, at [rdawson1@sfccmo.edu](mailto:rdawson1@sfccmo.edu) or (660) 596-7478.

## SFCC to offer 12-hour advanced Hobby Welding course in May

State Fair Community College's The LearningForce will offer a 12-hour advanced Hobby Welding course 5:30-8:30 p.m. May 22-25 in Olen Howard Workforce Innovation Center on the Sedalia campus. Cost is \$199 per person.

The advanced course will expand welding skills and proficiencies beyond The LearningForce's beginner course. Participants must have basic welding knowledge and experience. Participants will be introduced to TIG (tungsten inert gas) welding, also known as GTAW (gas tungsten arc welding). Participants will practice techniques to elevate competency and build small, instructor approved, projects.

Participants must wear leather shoes, long-sleeve denim or cotton shirts, and bring their own welding hoods, all-leather gloves and safety glasses.

Early enrollment is recommended because class size is limited. To register, go to <https://bit.ly/HWadv23>. For assistance, call (660) 530-5822 or email [thelearningforce@sfccmo.edu](mailto:thelearningforce@sfccmo.edu).

The LearningForce offers a diverse schedule of non-credit continuing education courses for business and industry, professional development and personal enrichment.

## Busy March at Holy Rosary

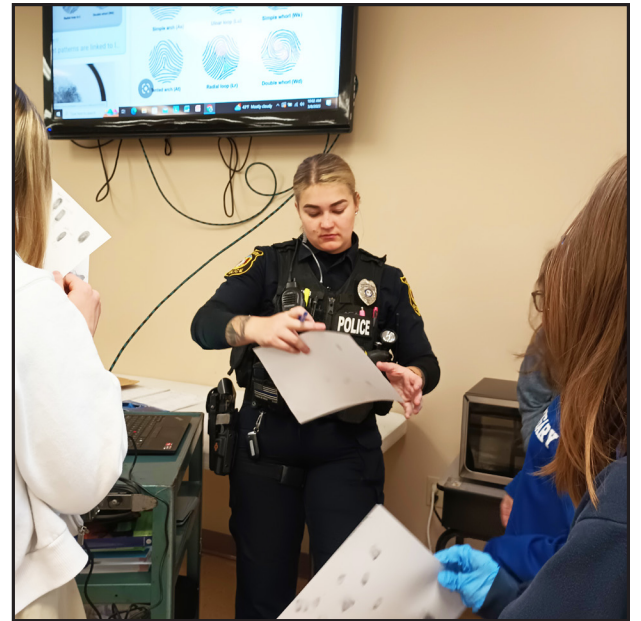

HOLY ROSARY STUDENTS and Clinton Police Officers.

The month of March was a very busy time for the 7th and 8th graders at Holy Rosary School.

Among their already rigorous academic schedule, the students enjoyed a week long forensic science unit. Clinton Police Officers paired with the 7th and 8th grade students for a crime unit investigation that involved fingerprinting, witness statements and police reports. The unit began with police officers writing a "fictional crime" that students had to respond to. Teachers were the witnesses of the crime and students had to question each witness. Along with questioning witnesses, students had to video the witness while questioning and take notes. Students were then required to file a "police report." Clinton Police Officers then came to the school and demonstrated how to take fingerprints. For the culminating activity, Clinton Police Officers came to the school for a final time to read the police reports in front of the students. It proved to be a hilarious experience for the students, teachers and police officers. Holy Rosary would like to thank School Resource Officer Violet Williams and the rest of the wonderful Clinton Police Officers who made this activity possible!

8TH GRADE STUDENTS, Julianna Coen and Ali Schaffer focusing on analyzing and identifying types of fingerprint patterns.

## Cruising Around At Henry Elementary

FOR THE FOURTH YEAR in a row, students at Henry Elementary School are enjoying bicycles in Physical Education class.

Bringing bikes into PE class provides all students the chance to learn to ride a bike, and it's also an opportunity to be active and have fun at the same time. Students practice bicycle safety and they also talk about Clinton's very own Katy Trail that is great for bike riding. Not only do students learn that bicycling improves strength, balance, and spatial awareness, they also discover that it's a lifetime sport they can enjoy their entire lives. This fun and educational PE unit was made possible by grants for bikes and helmets from the Clinton Rotary Club and Mid-Day Optimist Club. This year, kindergartners are able to participate in this unit, thanks to a grant for balance bikes from the Missouri Retired Teachers Foundation. The balance bikes allow students to work on their balance without the use of training wheels, and helps them transition better to traditional pedal bikes. Students are taught by Gina Johannsen.
