2023 Garden Tour Blooms With A Blend Of Town And Country

BY JENNIFER JACKSON
Staff Reporter

Terri and Paul Cornell's yard on Truman Street has a screened gazebo on the lot next to their house, and a garden shed in back. The toy fire truck and the fire hydrant in the yard are reminiscent of Paul's career as a fireman. Terri added the other accents, including the ones on the side of the garden shed.

But don't call it a She Shed.

"I got to decorate the outside, but the inside is his," Terri said.

The Cornells' yard is one of seven stops on this year's Garden Tour on June 17, the weekend of Father's Day. For \$10, you can tour seven gardens, three in town, one on the edge of town, and three in the country. They range from secluded backyard shade gardens in Clinton to large acreages in the country with orchards, vegetable gardens, berries and pumpkin patches.

Hours are 10 a.m. to 4 p.m., allowing plenty of time to cover the tour, plus have a break.

Tickets are available at any of the gardens, along with a brochure with details

and directions to the other stops. The tour is organized by the Twilight Garden Club in conjunction with the Designing Gardeners. Tickets are available from members of either group or by calling this year's tour coordinator, Brenda Roberts, 660-351-5139.

"All the gardens are unique and wonderful," Brenda said.

The Henry County Garden Tour has been going for about 30 years, Brenda said, and for a comparable ticket price. It's a chance to tour some beautiful gardens and get ideas to take home, she said, as well as go for a drive in the country and be welcomed into people's yards.

On the edge of Clinton is Tom and Sandra Spooners' garden at 607 Booth Rd.

The Spooners' house was originally the barn of a farm where Royal Booth started a chick hatchery in Clinton. The Spooners made the barn into a house, landscaped with borders of roses on trellises, clematis, and other perennials.

Bike To The 60's: Collector Brings Two Wheel Twist To Cruise Night

BY JENNIFER JACKSON
Staff Reporter

Muscle cars are a staple of cruise nights. But on June 10, Cruisin' to Clinton, the local cruise night on the Square, will also feature muscle bikes.

Skipper Buckley of Clinton is sharing his collection of Schwinn Sting-Rays at Bike Fest, plus bringing four vintage bicycle collectors to town. There will also be drawings for a Mongoose bicycle and BMX bicycles.

Skipper, 58, grew up in the 1970s. His parents saw the family had everything they needed, he said, but the budget didn't extend to the bicycle of his dreams: a Schwinn Krate Sting-Ray. "That was my crush," he said. "I rode a hand-me-down."

In 2010, Skipper started collecting bicycles, mostly from the "muscle bike" era that started in the 1960s. His favorite bicycle in his collection is a '69 Schwinn "Pea Picker," a type of Sting-Ray Krate Bike, which were named for their colors. The metallic green and silver Pea Picker is like

the one coveted by Robin Williams and Tommy in David Duchovny's coming-of-age movie, "House of D," Skipper said.

It was the black and white Huffy Penguin that started the muscle bike craze in 1963, Skipper said. The Penguin had extended handlebars, known as "high bars" or "ape hangers," a sissy bar in back, and a banana seat, like on a

motorcycle. Muscle bikes also featured 5-speed stick shifts, suspension systems, disc brakes and slick tires, and a smaller wheel on the front, like a drag racer.

Skipper doesn't have a Penguin in his collection — they are now too expensive — but does have two Huffy bicycles from 1968-1969.

"What's unique about them is they have steering wheels instead of

handlebars," he said.

Another collector participating in Bike Fest is Charlie Dixon, a window-cleaner in town. Charlie has bicycles from earlier eras, including a high-wheeler known as a Penny Farthing from the 1890s. He and Charlie became best friends, Skipper said, after he saw Charlie riding his high wheeler and chased him down the

Have I Got A Line For You!

By James Mahlon White

Memorial Day weekend was good for many of us and we were blessed with beautiful weather. Just about everybody you talked to brought it up. Sure is nice to have that one extra day. Just right!

Our government issues more orders by the day on what we can and can't have. Gasoline cars are out and battery operated ones are in. Gas stoves ruin the planet, so electric stoves it will be. Remember when butter got a bad rap? And when some states outlawed 32 oz. soft drinks? They're sure trying to keep us fit and trim. Not necessarily bad, but is it any of their business? Restaurants used to get shut down and the owners fined for bugs, now they want them on the menu. Better get used to the idea, because a food shortage is coming to help push this. Bugs will be all we can afford to eat anyway, after paying the electric bill to fire up the car. You betcha!

Speaking of the government, our elected officials have been hard at work on a debt ceiling deal. Janet Yellin said if it didn't happen, we wouldn't be able to pay our bills. How can this be justified? Our politicians have raided Social Security and can't replace those funds. Hard times are ahead with this nonsense, not to mention thousands of new IRS agents out to get us. What is the endgame to always increasing the debt ceiling? A Ponzi scheme comes to mind. It's amazing that we elect and pay "professionals" to do their Congressional jobs and this is the mess we find ourselves in. This is poor performance and they'd all be fired at any decent workplace. The whole situation reminds me of the saying, "When members of a democracy realize they can steal from themselves (deficit spending) the country is doomed." Lord save us from James C. Davis... and a bunch of other stuff too.

Have a good day wherever this finds you old buddy. Meanwhile, the moon still shines down on us. I doubt the Old Man is even shaking his head at the moment. He's seen far worse things before than our present situation.

Continued from page 1

you get to the Country Store, is Shawnee Mound Orchard. Owned by Debra Dolly and Ron Papsdorf, the orchard, at 85 NW 1150 Rd., Chilhowee, has peach trees, apple trees and blueberry patches.

From Shawnee Mound Orchard, it's 8.5 miles across to Lee and Lynda McGhee's property, at 7603 NE Hwy. AC, Calhoun, Mo. The acreage has large vegetable gardens, berry patches and pumpkin patches, all fenced, with irrigation and fertilizing systems, Brenda said. The McGhees grow enough produce to can for their entire family, Brenda said.

"They also have friendly pygmy goats," she said.

You can follow their drive around a small lake to Hwy. 52E and back to Clinton. There, you might want to tour the gardens in town and take a lunch break. Then head south to Susan Evanoff's garden, at 747 SW 750 Rd., near Montrose. There will be directional signs put up on the day of the Garden Tour, Brenda said, and maps included with the tour ticket.

Or start with the gardens in town, then head south or north. If it rains hard enough to create soggy ground on the day before or the day of the tour, the tour will be held the following Saturday.

"We don't want people walking on wet ground and tearing up yards," Brenda said.

Each club gets the money for the tickets its members sell, Brenda said, plus half of the gate the day of the tour. Funds raised by the Twilight Garden Club provide money for college scholarships to graduating seniors interested in studying horticulture or agriculture.

The Twilight Garden Club also uses the funds for

its community projects: planting and maintaining the gardens at the Henry County Museum courtyard, the Dorman House and the Blue Star Memorial at the Benton Civic Center.

Educating residents about what grows well in this area and the importance of growing plants that support bees, butterflies and birds are other goals of the tour, Brenda said.

Twilight Garden Club was organized in 1952, Brenda said, with the membership set at 22 in order to have a hostess and co-hostess for each of the club's 10 meetings a year.

TGC member Sandy Swanagon, whose garden at 205 Michael Drive is on the tour, made the tropical plant leaves — elephant ears and castor beans — from concrete as part of a garden club project, Brenda said. The Swanagon's property, off of East Franklin, has a rustic theme carried out by a planter that spouse Richard made from an old door.

South of the Swanagon garden, off South Vansant, is the home of Germaine and Jerry Wilson. The Wilsons created a secluded backyard by planting straight-trunk hornbeam maples around the perimeter of their property, at 1703 M and M Drive. The trees enclose a shade garden with lots of accents, Brenda said.

Terri and Paul Cornell live in town, at 504 Truman, three blocks south of Clinton Technical School. The gazebo on one of their two landscaped lots is Terri's retreat spot, and has variegated Virginia Creeper growing on it, an unusual type of the plant, Brenda said.

In back is the garden shed, which is reserved for Paul's mower, Terri said, although she is allowed to store pots there in the winter.

11 stages of the Tour de France.

Skipper also considers bicycles as art and history if you know what to look for.

"Each bike had a design of their own," he said.

Skipper said he collects bicycles because they reflect the culture of their time, and he wants to share that appreciation with the next generation. When he was young, bicycles were also a passport to adventure. One of his fondest memories is the day he and his friends -- the "Carter Street boys" -- decided to ride from Clinton to Deepwater, when you could ride all the way down Hwy.13, before the lake went in.

They only made it to the outskirts of Deepwater, he said, but didn't make the trip any less memorable.

The oldest bicycle in his collection is a 1948 Schwinn B-6 Autocycle, a fat-tire bike known as the Cadillac of bikes, he said. It was succeeded by the "Black Phantom," the "King of the 50s."

He also owns his namesake bicycle, a 1961 Schwinn Skipper.

What Skipper doesn't own is an example of one of the most famous bike icons in movie history — the Kuwahara BMX bicycle like the ones in "E.T." He came late to the hobby of bicycle collecting, he said, and for anything collectible, the prices are high. E.T. bikes go for \$5,000 to \$6,000.

"You can't touch them," he said.

Bicycle show protocol calls for not touching the bicycles, Skipper said, much less asking if you can ride them.

A 1983 CHS graduate, Skipper retired three years ago from the Missouri Department of Transportation, where he was a construction inspector for four-lane highways built in the area, including the bypass around Warrensburg. In addition to his passion for bicycles, he is restoring a 1974 Volkswagen bus, a gift from the late Rich Theiler, who owned R.A.T. Rods in Clinton.

Skipper said he has removed five layers of coating from the VW, which is now its original orange. He drives a mid-size black Honda pick-up, which he uses to transport bicycles. He now has a collection of 40, which he keeps in a designated bicycle room at his house. His wife is understanding of his obsession with Schwinn Krate Sting-Rays, he said, and his first love, the '69 Pea Picker.

The Schwinn factory no longer makes bicycles, Skipper said, but it's easy to tell the real ones from reproductions — the real ones have a sticker saying "Made in Chicago, Ill." He recently acquired a pair of Schwinn mechanic's overalls, with the badge to show they were qualified, that he'll have on display at the June 17 Bike Fest. Schwinn trained all its own mechanics, he said.

At the June 10 cruise

night, the Cruisin' to Clinton committee is raffling off a Mongoose BMX-style "Stranger Things" freestyle bicycle, like the one seen in the television series.

Truman Lake Moose Lodge 2723, of which Skipper is a member, is holding drawings for three BMX bicycles, a girl's model, a boy's bike and an adult Cruiser Classic. Jane Marshall at Walmart helped the lodge acquire the bicycles, Skipper said.

Matt Wray, Brent Winter and Marty Loyd reorganized Cruising' to Clinton last year. Clinton's cruise night, on the largest town square in Missouri, is held on the second Saturday of the month, May through September, plus the third Saturday in October. It starts at 4 p.m., and is a family-oriented event, free to participants and spectators. Disc jockey Bud Powell plays classic car songs, Kettlecorn is popping, and the TLC Barbecue Truck has pulled pork and burnt ends for sale, along with sides and soda.

All types of cars are welcome —old, new, original or kit cars., organizers say.

Cruise nights end at 7 p.m. with a drive-through of the grounds of local senior homes, then out to Primitive Olde Crow and Winery for brick-oven pizza and craft beer on tap. For information about Clinton's cruise night, go to Cruisin' to Clinton on Facebook.

"I think of antique and classic bicycle projects much as I do poems or paintings," Daniel writes. "They are never finished, only abandoned."

His collection includes a 1890 Columbus bicycle, made by the Columbus (Ohio) Bicycle Company, a subsidiary of the Columbus Buggy Company, owned by Clinton Firestone. Clinton's nephew was Harvey Firestone, who founded the tire company. World War I ace Eddie Rickenbacker was also an employee of the Columbus Buggy Company.

Bicycles that Daniel has restored include a 1950s Jean Aets, named for a Belgian racer who won

Clinton Church of the Nazarene

5-21-23 Service

What a pleasure to be in the house of the Lord and hear the gospel of the Lord proclaimed.

Jesus is still strong and sits on the Throne. He is in control of all manor of disease, let Jesus know your problems. He can heal now and forever. Call out to Him. Let Him hear from you. We can claim the victory in Jesus power. Hallelujah.

Jesus is preparing a place for you and me. Pastor shared a story based on Acts 2:20. Call on Jesus, you will be saved by the grace of God. He found me! And Jesus is always there, always available. He can be your very best friend and you can trust Him.

We thank each person for coming to worship here today. We pray that you received a rich blessing and that you will come again. See you in church? The Harvest is large, but the workers are few. Be willing to be used by God today!

First Baptist

On Sunday, Youth Pastor Joey Conway continued illustrating the Great Commission using Matthew 28. He described how the final words of Jesus commanded us to go and to make disciples of all nations. We are all invited to join Him, not because of who we are but because of who He is. He chooses all of us, despite our weaknesses, because our strength comes from Him. He is with us always through His Holy Spirit. "Go therefore" means to go because of the authority of Jesus, who commands us. "To make disciples" refers to making learners. The command of discipleship is a command to teach or mentor, trusting Him to equip us. Teaching can simply refer to how we live our lives. Jesus saves us to be disciple makers.

Vacation Bible School will be held July 16th-21st. Children's and youth camps are also approaching, and more information can be found at www.firstbaptistclinton.church. Celebrate Recovery is on Tuesday evening, beginning at 5:30 p.m. at FBC Vansant, for anyone with hurts, habits and hangups. Worship services are held at 8:30 a.m. and 11:00 a.m. For more information, please contact the church office at 660-885-2211.

We invite those without a church home to join us in worship of our Lord & Savior, Jesus Christ. First Baptist Church exists to fulfill the Great Commission (Matthew 28:19-20) by loving people into a growing relationship with Jesus Christ.

First Presbyterian

On Pentecost Sunday we celebrated the Holy Spirit that brings healing comfort and hope to us. With the collection of our Pentecost Offering we joined with other Presbyterians across the nation dedicating our offering to the ongoing work that cares for the needs of children living in at-risk conditions. Rev. Nancy Gilard brought the message Asking for Directions: Holy Spirit. Acts 2: 1 – 21, 37 – 42 was her text.

We enjoyed having Carmen Rathert from The Pediatric Place with us on Sunday, May 21st. She shared with us about the center which is designed to support children with autism. This new Autism Center is scheduled to be an addition to the Clinton clinic location this year.

If you are a member of the Naomi Ruth Circle be sure and mark your calendar for the annual brunch. This fellowship time will begin at 9:30 am at the home of Martie Zumbrennen on Friday, June 2.

The Presbyterian Women have asked us to donate toothbrushes for the Samaritan Center. Toothbrushes are an essential part of our daily hygiene and health care routine. Harvesters provides much of the needed food supplies but hygiene items are not available. Your help is appreciated for this mission project. Donations may be placed on the shelves in the foyer.

The "Children in Africa" project continues with the addition of new dresses weekly. Our sewers add "little touches" to these dresses making them each unique. If you would like to join this effort, everything you need is available in the foyer. Do be sure to check out this display weekly so you can admire the handiwork.

Tai Chi classes continue here each Monday at 10:00 and 11:00 am and Wednesday at 10:00 am in our fellowship hall. Tai Chi helps strengthen your core and improve balance. There is room for you to join in.

Come worship with us. You will find a friendly group of people greeting you. If in person worship is not an option watch the broadcasts available online at our website: fpccClintonmo.net or Facebook First Presbyterian Clinton MO. Stay updated on the happenings at First Presbyterian by visiting our website. There you will find our monthly newsletter, pictures and other interesting items about the church.

Mt. Calvary Apostolic Pentecostal

Jesus instructed the apostles and they wrote the New Testament, from Matthew to Revelation.

Matthew 16:18-19. Peter, one of the Apostles along with the other apostles was who Jesus said he would build his church. They were the foundation of all that he would teach them to go out and preach and teach.

John 21:24-25. (KJV)

John, one of the apostles knew what Jesus wanted because he was with him.

Act 1:2-5, 8. (KJV)

Jesus gave the apostles commandments of what they needed to do and teach out in the world, regarding what it would take to make it into the kingdom of God.

The Apostles wrote the New Testament, teaching what Jesus instructed. It is therefore called the apostles' doctrine (Apostolic).

The Holy Spirit is like the wind, you can't see the wind but you can see and feel the effects of it. We see trees blow in the wind and feel it. The same is with Holy Spirit, the evidence can be felt, and the evidence of speaking tongues.

Act 2:42 And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers. (KJV)

Act 2:46-47.

The Lord directed people to the apostles.

Act 10:5. (KJV)

The Lord instructed Cornelius to send for Peter. Cornelius was a devout man, but what he lacked, God knew Peter would instruct him on.

The Apostle Paul established the church in Galatia, teaching the doctrine. They were moving away from the teachings of the Lord. Paul instructed them to get back on track. It says in Gal 1:8.

We see the same thing in our present day. People are perverting the word and not following the Bible. People are coming up with new doctrines and denominations that satisfy their flesh. It is not the doctrine the apostles wrote in the Bible.

As Christians, we are to do what Christ said, not what we want. Christian means Christ-like. Doctrine: a particular principle, position, or policy taught or advocated, by a religion or government. Denomination: a religious group, churches.

Stay with the Bible God has placed instructions in there. If we follow it, and do what it says, we will make it into the Kingdom of Heaven.

(Ephesians 4:13-14).

1Ti 1:3.

We have to come to the knowledge of who God is and remain with the doctrine in the Bible. Putting anything in place of the apostles' doctrine changes the doctrine and you will be held accountable to God. Remain faithful to the Bible don't allow anyone to deceive you. If it is not in the Bible, don't listen or accept it.

God Bless.

Urich Baptist

A Gospel sing will be held on Fri., June 2 at 7pm. Please join us.

This Memorial Day weekend we gathered to worship the Lord and to remember those who served this country. Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Dixie Collins playing piano. We rejoiced with Kevin and Brenda Richeson on their 20th wedding anniversary. Lonny Bramell and Clint Keeney collected the offering.

The scripture passage from Pastor Chad Pollett's sermon was from John 8:48-59. In this passage the religious leaders were ramping up conflict with Jesus claiming he was possessed by a demon. Jesus was spared from being stoned because his time had not yet come. Jesus told the religious leaders in verse 51 "I tell you the truth, if anyone keeps my word, he will never see death." we all have an earthly death, but will be spiritually alive with Jesus in heaven for eternity. Can you imagine how wonderful it will be to see and be with Jesus, the disciples, all our friends and relatives forever. Have a blessed week.

Valley Center United

We come to you with grateful hearts! What a wonderful Sunday morning to come and worship here in our church that is surrounded by a beautiful flowered prairie land! God's presence is everywhere we look!

We thank David Maggi for sharing the powerful message this morning. We send our prayers of love and comfort for those who are facing some serious health issues. We continue our prayers for the people of the Ukraine. We pray for our nation and our world.

We talk about sin, our sins. God has laid out rules for us to follow. When we sin, we have ignored those rules. When we hurt someone, we actually hurt ourselves as well. When we cheat someone, we cheat ourselves. Sin deprives us of goodness.

The story in the Bible when the people came together and started speaking in different languages, it appeared that no one could understand. But instead, this is a wonderful story of understanding, instead of misunderstanding. God understood what the people were saying, all of them. God listens to all of us individually. At times we may speak about joy or sorrow or even despair or hope. He understands us no matter how or what we say. His bountiful love and grace has no end.

WE GATHER TOGETHER TODAY TO FIND THE PLACE WHERE WE BELONG. LIFE PULLS US OFF THE PATH THAT GOD HAS CHOSEN FOR US. OUR DESIRES HAVE BECOME DIRECTED TOWARD THINGS THAT WILL HARM US. WE GATHER TOGETHER TODAY TO FIND OUR WAY HOME.

Express your love...with the finest.

State Fair

Community College

Endorses the Missouri Seal of Biliteracy

State Fair Community College will now award college credit to high school graduates who have earned the Missouri Seal of Biliteracy from a Department of Elementary and Secondary Education-approved school district. These are Missouri graduates who have demonstrated high achievement in speaking English and other languages as well as sociocultural competence. More than 100 districts and schools in Missouri have gone through the process to make the Seal of Biliteracy available to their students.

The seal identifies students who are proficient in more than one language and awards them recognition on transcripts, during graduation ceremonies

and on job applications.

"SFCC is proud to recognize these students who have earned the Seal of Biliteracy," said Dr. Brent Bates, president. "As our regional businesses and industries compete globally and our society becomes more diverse, students who speak more than one language are in high demand. This program supports student success and SFCC's mission to provide relevant and responsive learning experiences that empower our students and communities to prosper."

UNIVERSITY OF CENTRAL MISSOURI

Repertory to Present Children's Touring Production 'Robin Hood'

Entering its 39th season of live children's touring theatre productions, University of Central Missouri (UCM) Repertory Theatre (CMR) will present "Robin Hood" by Kathryn Schultz Miller at numerous locations throughout West Central Missouri in late May and early June. This includes a free, public performance in Warrensburg at the Highlander Theatre on the UCM campus at 2 p.m. Sunday, May 28, as well as performances at venues in the communities of Clinton, Lee's Summit, Richmond, Rocky Mount, and Sedalia on a touring schedule that begins May 25 and ends June 8.

A production for all ages and great family entertainment, "Robin Hood" is directed by Dr. Aaron Scully, assistant professor of theatre in the Division of Theatre and Dance at UCM. This play is a rollicking, hilarious and fast-paced children's version of the classic tale of "Robin Hood." Robin and his band of merry men are stealing from the rich to give to the poor when Robin finds out the Sheriff of Nottingham has locked his one true love, Maid Marian, in the dreaded tower. Robin then sets out to save Maid Marian, and along the way meets a slew of interesting characters, including his best friend, the giant Little John. The audience will follow Robin Hood's journey as he teams with good and battles evil on his quest for love.

When asked about the production, Scully stated, "This play is so entertaining - it's really written well - it moves really fast, with

lots of good jokes, physical comedy and audience interaction. We are having a great time in rehearsals. The characters are familiar but each have specific personalities so the actors are having a blast exploring (the characters). Kids and parents alike will really enjoy this production - it'll be a great way to kick off the summer!"

"Robin Hood" will be on tour presenting public performances at several sites as follows: May 25, the Farris Theatre in Richmond - free admission (performance at 10 a.m.); May 26, the Thompson Theatre at Hayden Liberty Center in Sedalia - \$5 admission (performance at 2 p.m.); May 28, Highlander Theatre on the UCM campus in Warrensburg - free admission (performance at 2 p.m.); May 31, Legacy Park Amphitheatre in Lee's Summit - free admission (performances at 10:30 a.m. and 1 p.m.); June 1, Camp Wonderland, Rocky Mount - free admission (performance at 10:30 a.m.); June 2, Lexington Middle School - free admission (performance at 10:30 a.m.); and June 8, Henry Elementary School in Clinton - free admission (performance at 1 p.m.). For more

information about specific performances, please contact Dr. Scully at ascully@ucmo.edu.

The company includes: Riley Given as Robin Hood/Beggar/Jester, Shanna Sinow as Maid Marian/Friar Tuck and Jace Nielsen as Little John/Prince/Monk/King Richard/Guard. Dr. Scully is the director/production manager/producer/marketing director; Grace Clark, stage manager; Dalima Kapten, scenic/props designer/technical director; Hollie Neumann, costume/hair/makeup designer, and Jamie Gresens, sound designer.

The performance is made

possible by a generous donation from the Wetzel Family Foundation, a grant from the Missouri Arts Council, and UCM Theatre and Dance. Special thanks to UCM Theatre and Dance Chair Ashley Miller-Scully for her support.

The show is family-friendly and for all ages. The production includes some fight sequences. There is also optional audience interaction and/or participation. For more information, please contact Dr. Aaron Scully at ascully@ucmo.edu or call the UCM Theatre and Dance office at 660-543-4020.

Last year, the SFCC Board of Trustees approved the closing of college offices at noon on Fridays in June and July through 2024, allowing for coordination with the 2022-2024 academic calendar. This modification of summer hours applies to college offices on all SFCC campuses.

The Friday noon closings will begin June 2 and end July 28. However, previously scheduled classes, clini-

cals and the Dental Hygiene Clinic on the Sedalia campus will be held on Fridays. Regular hours of operation will remain 8 a.m. to 5 p.m. Monday through Thursday and 8 a.m. to noon on Friday, starting June 2, for campuses located in Boonville, Clinton, Eldon, Lake of the Ozarks, and Sedalia.

The Whiteman Air Force Base campus hours are 7:30 a.m. to 5 p.m. Monday through Thursday and will be 7:30-11:30 a.m. on Friday starting June 2.

The Daum Museum of Contemporary Art on the Sedalia campus will be open its usual Friday hours of 11 a.m. to 5 p.m. Admission is free.

Looking Back: A 1950 True Mystery!

Where do things go? Why can't we find small things; like socks in the dryer, or car keys by the front door? Heck, why can't we find the big or important things? Such as, what happened to the family Bible, where is that precious picture of your parents, or that childhood baseball glove (me); you know, things that can not be replaced. I have written about the 1950 CHS basketball team several times, but now there is a real mystery associated with the team. The following was brought to my attention a week ago, so let me share it.

In 1950, the Clinton Cardinals had maybe the best CHS basketball team ever, or at least the only one to place at the state tournament.

and Bill Kimmel. This outstanding group of young men was coached by Orval Johnson.

Why am I reminding you of this? Simply put, the State 3rd place trophy is missing. That's right, the large trophy can not be found.

Liz Rotert, the daughter of Don Snyder, was at Clinton High School in 2021 to update the Don Snyder Scholarship plaque. The plaque was getting full. (The family has been awarding the scholarship to deserving CHS seniors since 2007.) Seniors that are heading to UCM are eligible. I am proud to say that my son, Marty, got the Don Snyder Scholarship in 2013. While visiting the high school, Don and Liz were helped by Elaine Mifflin, the Counseling Secretary (since retired). They also visited with Superintendent Destry

Despite District Finish, Lady Cardinals Complete Successful Soccer Season

Clinton High School girls soccer finished the season with an overall record of 16-10 and were the MSH-SAA Class 2 District 5 runner-up after a close 2-0 loss to Logan-Rogersville in the championship game.

The Lady Cardinals set the school record for most wins (16) in a season, most shutouts (14) in a season, and goals allowed (25) in a season.

An interview with Lady Cardinals head coach Zach Adams is below:

OS: Tell me about your season; the good and the bad.

ZA: We learned that we can compete with anyone. This year, we only had one loss where we lost by more than two goals and that was early in the season. We lost to conference champions, Pleasant Hill, in double overtime. We ended up finishing third in the conference. We hope to continue to improve in conference and hopefully return to the district championship again next year.

OS: Talk about your outgoing seniors. Will you have a solid team next year as so many went out.

ZA: We have five seniors who graduated. They were great leaders for our team and a big part of the back line. They will be missed. Thankfully, we have 14 girls who received varsity playing time this year that will hopefully be returning to us again next year.

OS: Are you looking to bring the same assistant coaches back next year?

ZA: Coach Eversole is planning on coming back as an assistant again next year.

OS: Tell me about how hard the kids worked this

AFTER A RECORD BREAKING SEASON IN 2023, the Lady Cardinals will rely on players like Kylie Williamson and Kinzlie Hager to make another postseason run next year.

season. **ZA:** The girls worked hard this year and we were able to set many records on the field. They also worked hard in the classroom as many will be receiving Academic All-Conference awards.

OS: Tell me about your managers.

ZA: We had three managers this year: Isaac Dun-

can, Maddax Nicholson, and Landon Robinson. They are in charge of many tasks such as filling water bottles, picking up cones, helping warm up our goalkeepers, keeping stats and being ball boys for home games and tournaments. They did a great job and as they are all freshmen, hoping to have them as managers for a few more years.

OS: Are you excited to see Kevin LaFavor come back next year as AD?

ZA: I had the pleasure of working alongside LaFavor when he was the football coach. We worked well together as we had to share the turf field in the summer and fall and I am excited to have him back as the AD.

THE BANNER WAVES, but the trophy is missing.

In postseason play, the Cards beat Lee's Summit, Wentworth, Liberty, St. Joseph and Sedalia to get to the state semifinals vs Joplin. Joplin came out on top, but the Cards came back and got third by beating St. Louis University High School, 52-50. It was a thrilling game with the Cards winning in the closing seconds. That year, the fighting Cardinals also won the CMSU Tourney and the Clinton Invitational Tourney by beating Warrensburg, North KC and Maryville. The Cardinals were also conference champs. Their season record ended up being 25-2. The varsity players were Don Snyder (1st team All-State), "Toody" Bath (2nd team All-State), Jim Fithian, Bob Shoemaker, James Thompson, Jimmie Price, George Cunningham, Bob McFarland, Shelby Felhauer, Melvin Stone

Brown and other staff members. It was a pleasant visit.

While at the school, Liz and Don thought it would be fun to see the State 3rd place trophy that was won in 1950. Superintendent Dr. Brown and Mrs. Mifflin were nice and brought them to the trophy case across from the gym, but to everybody's surprise, it was not there. The hunt was on. Several other places were explored. No luck. Several Cardinals, young and old were contacted. No luck. The family tried the Henry County Museum, no luck. So the hunt continues. Most of the 1950 players have passed on, sadly Don died on Nov. 29, 2022. Don was so fond of his old teammates that he made everyone honorary pallbearers. Revolution United Takes On 3v3 Live Soccer Tourney

Revolution United has made a splash in the opening weekend of the highly-anticipated 3v3 Live soccer tour held in Waynesville, MO.

Boasting an impressive start, United not only clinched the gold division - the highest tier in the tournament - but also nabbed the second place in the

same category. In addition to their gold wins, they also took home the second place in the silver division, proving their versatility on the field.

The Complete Studs - consisting of Cooper Goth, Ethan Newman, Grayson Gillis, and Anthony Wagner - emerged victorious in the gold division. Mean-

while, Park the Bus team - made up of Jaxon Parrett, Brody Maurer, Josh Largent, and Landon Newman - snatched the second gold division prize. And the BenchWarmers - comprised of Tysen Miller, Evan Dubina, Zaley Calvy, and Joey Applegate - earned the second silver division title.

With 625 teams competing nationwide, Revolution United currently ranks at an impressive #7 spot. T

The team's 10 different player combinations at each tournament proved they're a force to be reckoned with.

Don't miss this team's electrifying performances and inspiring journey!

LOOKING cont.

weekly "Looking Back" articles in the Democrat might be able to help. Maybe they can give the families of the 1950 players a clue or point them in the right direction, and solve this mystery of "Where is It?" Is this large

trophy collecting dust in someone's attic? Could someone have it and not even know it? Maybe it is on display elsewhere, or maybe it is in proper storage. Surely nobody threw it away.

It is not unusual for organizations to lose track of their history. I went to

Calhoun S.D. two years ago to get pictures of their many trophies, some at the state level. Even with help, I found very few. Things happen, schools are renovated, fires, new staff, or new schools are built. When I was a school principal, I always reminded teachers right before the

summer break to box up their stuff and put their name and room number on the boxes. My daughter, Rebekah, recently did this in her classroom. Things get moved, stored, and sometimes lost. More than once I heard in the fall, "I can't find my XYZ." With that said, one

would still like to think, a big state trophy (the highest basketball trophy the Cardinals have ever captured) would be findable.

Yes, I have thrown away small personal trophies before, but I always kept the biggies. Liz, her family, myself, and everybody that

cares about CHS Cardinals history, is asking for your help. Ask a friend, check your attic, and let us know.

Where is that 1950 3rd-place state trophy?

Until next time.

CHANCE RECEIVING his scholarship certificate at Smithton's Decision Day for Seniors. Pictured Left to Right: Kevin Judas – Grand River Welding Institute Recruiter, Chance Brown, and Samantha Jarvis - WILS Independent Living Coordinator.

West-Central Independent Living Solutions (WILS) is proud to announce that Chance Brown, a high school senior at Smithton High School has been awarded the WILS Empowerment Scholarship. This \$500 scholarship is awarded annually to a high school senior in Johnson, Lafayette, Henry, Benton, Pettis, or Saline Counties with a disability who plans to continue their education at a four-year college, associates program, community college, or vocational technology program.

Brown was chosen by a panel of judges based on his essay application. Brown is excited to use this opportunity to continue his education at the Grand River Welding. "Hard work and

dedication gains more respect than anything. My grandpa used to say this to me which made my work ethic better than it has ever been. I wish to gain skills and knowledge during this school time and to help my future with a good paying job," Brown says.

WILS collaborates with local high schools to offer independent living courses for students with disabilities to prepare them for transitions to secondary education, the workforce, and living on their own.

"Chance's essay shows that he is willing to work hard, despite challenges he has faced. Chance is not only pursuing his passion for himself, but for those that have been there for him along the way. Chance has

a heart for others, and a determination to not let anything hold him back. WILS is honored to be a part of Chance's next chapter in his life," says Samantha Jarvis, WILS Independent Living Coordinator.

As a Center for Independent Living, WILS strives to remove barriers and prejudices and empowers people with disabilities to live independent-

ly. They are a nonprofit resource center that serves people with disabilities and their families through programs and services.

For more information on WILS and their programs, please visit their website at w-ils.org or contact info@w-ils.org. Congratulations once again to Chance on his outstanding achievement!

Dr. H. Wade Paris

WHAT ABOUT THE IMMIGRANTS?

Last night the negotiators for the President and House Speaker McCarthy announced they have reached an agreement on the U. S. debt ceiling. That being said, let's turn our attention to a more important issue---immigration.

Current news reports stories about migrants from Central and South America camping out on the border, waiting to cross into the United States. They are mothers carrying infants, parents with small children walking, and others carrying their belongings in small bundles--all of them trying to reach the safety of the United States border. The picture is morally challenging to me--thousands of people suffering together from oppressive heat, little food and water, sanitation challenges, and surely much more hurt than I can imagine.

While there may be exceptions, many of these migrants are seeking what we take for granted---safety, food, housing, jobs, and a safe place to raise a family. My mind conjures up many solutions, all of which seem unwise if not impossible.

Immigration is not a new issue. The United States of America was founded by immigrants. I am told that my Huguenot ancestors fled from France to England seeking religious freedom. When they did not find religious freedom in Britain, they came to America. I have no way of knowing whether that is a true representation of my family's pilgrimage; however, I am sure my ancestors immigrated to this country from somewhere. I am not of native American descent, though I would be proud to be so.

It seems the present will of this country founded by immigrants is to keep the "new" immigrants out. I have a friend, a naturalized citizen, who says, "Our country can't take in the world." When I quoted to him the inscription on our Statue of Liberty, "Give me your tired, your poor, your huddled masses longing to be free," he said, "That's just words on a statue; that's not life."

Poem About Birds

A Goldfinch on a feeder,
A Chaffinch on the ground,
A Blue Tit in a bird bath,
Having a splash around,
Sparrows in the hedgerow,
Blackbirds down below,
Walking around the field,
A solitary Crow,
Birds off in the distance,
Sitting up in trees,
Birds swooping through the sky now, Whilst catching bugs and bees,
We sit and watch them soaring, And sometimes wonder why,
It's us stuck down upon the ground, And birds that get to fly.

Clinton Christian Academy High School Graduation For Class Of 2023

GRADUATING SENIORS: Kylie Bateman; Madelyn Mosley; Audrey Higgins; Angelina Chavez-Walter; Amya Carrera; and Devoney Connor.

The 2023 Commencement Ceremony for Seniors at Clinton Christian Academy was held on Saturday, May 20 at 2:00 pm in the CCA gym. The processional (Pomp & Circumstance) was played as six graduates entered to celebrate the culmination of their high school careers. The Star-Spangled Banner was sung by fifth grade students Mayme Hyke and Arianna Ramirez. Upper School Principal, Becky Hyke, gave the opening prayer and welcomed a large crowd in attendance for this special ceremony.

Don Patterson, CCA Bible & Social Studies teacher, gave the keynote address entitled "Choosing Off-Ramps on the Road of Life" with the text coming from Joshua 1:6 and Matthew 7:13-14. Mr. Patterson challenged the Seniors to face future challenges by receiving the same admonition that Joshua received: (1) Be strong physically for battles; (2) Be strong spiritually by knowing the Word of God; (3) Be strong mentally so that you can prepare to meet the enemy of their own terms. Mr. Patterson encouraged Seniors that no matter what goals they pursued among the many they may legitimately choose from, to choose Jesus' road first. Choose "The Narrow Way" that leads to life. Mr. Patterson reminded the graduates that "if Jesus Christ is your priority, you will find that everything else will fall properly into place."

CCA Administrator, Robin Ritchie, read scripture from Joshua 1:7-9. Mrs. Ritchie reminded the Seniors of four takeaways from these verses from the book of Joshua were perfect as these graduates embark upon these next steps in their journey

out into the world: (1) Be strong and courageous by reading and obeying the Bible; (2) Speak and live by what is contained in God's word. (3) Living for the Lord will result in you being prosperous and successful. and (4) You are never alone—so you don't have to worry—GOD IS ALWAYS WITH YOU WHEREVER YOU GO!

This year's Senior Addresses were given by Valedictorian Angelina Chavez-Walter and Salutatorian Audrey Higgins. Angelina is the daughter of Edgar & Brandy Mendoza, Windsor, MO and Audrey is the daughter of Casey & Dawn Higgins, Deepwater, MO. Angelina and Audrey encouraged and inspired their classmates as well as everyone in attendance.

Angelina shared the following remarks: "I would like to share my favorite Bible verse. Jeremiah 29:11, which says 'For I know the plans I have for you,' declares the Lord, 'plans to prosper you, and not to harm you, plans to give you a hope and a future.' Though we all will go our separate ways, and will have different career choices, we will make it. We will make it through all we put our minds to. As we grow up, we will face several hardships and challenges in our life. As we close this chapter of our life, we will be opening a new one. We all will be going our own directions, but we will never forget where we came from."

Audrey shared the following remarks: "There is a verse from the book of Psalms that I would like to share. Psalms 32:8 says, "I will instruct you and teach you in the way you should go." The Lord has a wonderful plan for each one of us. I hope that as we

step into the real world as adults, you choose to have a firm foundation in Him and let Him guide your paths. My advice to the Class of 2023 is to take the step of faith, even if it feels uncomfortable. Try new things. Try something you have never done before. I encourage all of you to stay focused on the Lord as He will guide you and lead you."

This was followed by a "Senior Picture Show" that featured photos throughout the lives of all six Seniors. Following the picture show, Seniors presented flowers to family and friends that have supported them throughout their lives thus far. Senior awards and scholarships were then presented. Mrs. Hyke and Mrs. Ritchie pre-

sented diplomas to each graduating senior.

The 2023 Commencement Ceremony concluded with remarks from Roger Bancroft and the turning of the tassels led by Senior Audrey Higgins. Board President Allen Huff gave the Closing Prayer. Graduating Seniors danced out of the CCA gym to the processional, "Everybody Wants to Rule the World" and tossed their caps into the air at the back of the gym before visiting with their many guests in attendance. Photographer Kelly Griffey took photos throughout the ceremony and provided a time with each graduate and their families for graduation portraits after the ceremony. Congratulations CCA Class of 2023!

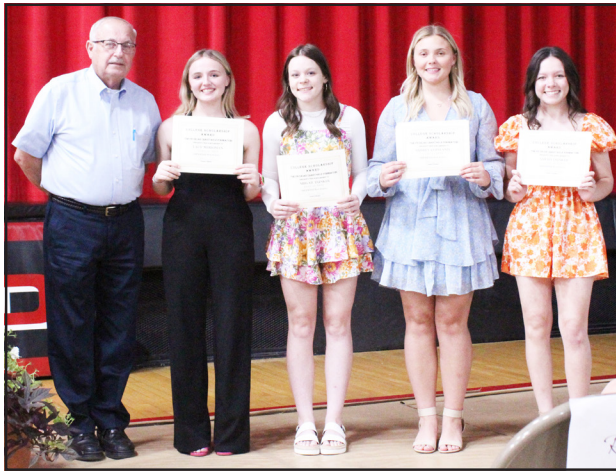

they begin this next chapter in their path toward success. We are incredibly humbled by the community support displayed by these local donors.

Sherwood graduates were also honored at the annual Decision Day that was held on Wednesday, May 17th. Military branches, college representatives and community members were there to celebrate all students. Sherwood continues to celebrate every student and the pathway that is right for them, rather they

choose to join the military, enter the workforce, attend trade school or attend a traditional four year college/university. The push to support every pathway has only been increased by the RootEd initiative which helps to fund a College and Career Advisor in rural school districts, including Sherwood High School.

Congratulations to the Sherwood High School Class of 2023! We can't wait to see what they accomplish in the future.
