Chambers of Commerce in Benton County not only help businesses become successful, but they provide entertaining events for residents and visitors. Warsaw's new Chamber Director, Kimberly Pearcy is particularly excited about her new job and reports that she loves everything about it.

"Since starting off, I have learned a lot and had to process all kinds of things that I didn't know how to do," said Pearcy. "But I figured them out and asked for help too. I was ready to grow everything. When I took the position, I thought that the most exciting part would be planning events. However, now I am very excited about helping new businesses and getting them involved in social media. We are so busy. I sometimes have two people in the office and three waiting outside."

Pearcy said that the chamber is really growing and has added 47 businesses since the beginning of the year. Some are new and others established. When asked what her biggest challenges were, Pearce said trying to be in two

A popular local country and rock band, Dirt Road Addiction, will be featuring a new lead singer this summer as Benton County native Rider Smith joins the group.

Smith will replace P.B. Wilson who is moving to Houston, Texas, as a District Sales Representative for Nucor.

"There was a public

announcement for auditions for DRA so I tried out," said Smith. "Then I was called in for a second audition and they asked me to join the band."

Smith, a 2019 graduate of Lincoln High School, has been involved in music as long as he can remember. He was a member of the LHS Choir and Show Choir and taught himself to play the guitar.

"I spent a great deal of my high school career in the music room at Lincoln High School with Mrs. (Erin) Helland," said Smith. "She

is the best and was great to encourage me in music."

Helland was very impressed with Smith as a student. "As a music student, Rider was always thinking outside the box," said Helland. "He used his musical interests and talents to uniquely define his own journey as a performer. In high school, Rider taught me to look outside the typical expectations for a high school student. Instead, he showed me that the possibilities are endless! He truly enjoys his craft and

SMITH

(Continued from Page 1) it is an honor to have played a small part of his journey!"

After graduating from LHS, Smith attended State Fair Community College in Sedalia, but then COVID hit and changed how students were attending school. However, during his time with the SFCC Choir Smith met his wife, Tatum, and continued his journey in the music field.

"My dream is to make music my career and I want to go as far as it will take me," said Smith. "I am very excited about this opportunity to play with a

band with the reputation of Dirt Road Addiction."

Smith has been performing for different venues around the area. This past year Smith performed weekends at Rick's Oar House on the Lake of the Ozarks as well as Primitive Old Crow and Benton Ridge Winery.

When he isn't playing music, Smith is attending Barber School in Sedalia

"Music is my passion, but I want to have a backup plan as well," said Smith.

Dirt Road Addiction is a hard-hitting Country and Rock band based out of Missouri. Their sound has been described as "Jump-Country." People crowd the stage and jump around to the infectious rhythms and electric vocals. They play a heavy mix of modern country, rock, pop, and more which is evident through their extremely diverse setlists and their original music. Dirt Road Addiction has played all over the Midwest at venues such as Busch Stadium, the Missouri State Fair, Kauffman Stadium, Ozarks Amphitheater, and various fairs, festivals and events.

Dirt Road Addiction's Debut EP premiered in the Spring of 2018 and debuted in the Top 10 of Country Music on iTunes and Amazon!

"DRA" has amassed over 35,000 fans on Social Media outlets and has followed acts such as Lady Antebellum, Florida Georgia Line, Little Big Town, and more. Dirt Road Addiction has had the pleasure of opening for the likes of Easton Corbin, Colt Ford, and more. Their fans, "Dirt Road Addicts" have proven time and time again that they will follow this band all over the Midwest to have a good time.

Dirt Road Addiction prides themselves as being one of the hardest working bands in the business. While learning new music constantly, upgrading their live show, and constantly working on technique, Dirt Road Addiction has been working on original music for over two years now. Their debut EP is available NOW on iTunes, Amazon, and CD Baby.

"I really appreciate this opportunity to grow as a musician with DRA," said Smith. "I am busy right now working on all the songs for our shows. I appreciate all the help from the band as well as P. B. Wilson as I make this transition as the lead singer."

Smith will be joining DRA in early June. DRA will be playing at Jubilee Days in

Warsaw and Bear Bottom Resort in Sunrise Beach on the Fourth of July weekend as well as in the Bud Tent at the Missouri State Fair. Other appearances include the Mid America Music Festival in Trenton and the Toad at the Lake of the Ozarks. Check DRA Facebook page for their other appearances all summer long.

COLE CAMP

(Continued from Page 1) actions by the group were to approve regular meeting minutes for March 16 and special meeting minutes for March 28, then agree to pay March bills for the City and approve March financials. Aldermen then heard citizen Roy Wagner announce that the Eagles Club Ladies Auxiliary had donated \$1,000. to the City for operation of its dog pound.

Under old business, the group approved a Great River Engineering Associates TAP Grant for sidewalk improvements on the east side of Maple St., then agreed to move \$29,586 in Water Department certificate of deposit restricted funds to unrestricted status, to be used by the Water Department to pay its bills.

Under new business, the group heard Missouri State Parks representative Ron Bench, plus Charles Hunter and Marge Lumpe, with the Rock Island Trail Working Group, discuss plans by the City to build a walking/biking/horseback riding trail from the City to the former Rock Island Trail. They asked citizens of the area to provide suggestions on ways the City can improve walkability and biking in the City and identify where they would like to see the spur trail built. They provided info that in 2016 MO State Parks took ownership of the remaining 144 mile Rock Island RR corridor from Windsor to Beaufort, and the City is one of 19 communities on the corridor working to complete the entire Rock Island Trail in the years to come.

Aldermen then approved an ordinance which allows a City gun shop owner with a federal firearms license to test fire guns in his possession, at his place of business. The group also accepted a proposal by P&Z for a comprehensive plan for the City, costing about \$80,000, which allows for Technics of Benton County to perform the task. Aldermen also accepted the resignation of Stephen

Phillips from the Board of Adjustment because of Phillips' move out of the City.

In the late session, the group heard Clerk Paul announce June 8-9 new Aldermen training in Columbia, and that a City wide garage sale will take place June 3. She also reported computer problems in her office, due to outdated equipment. Mayor Meuschke recommended its replacement, at a cost of about \$20,000. The group agreed. Public Works Director Heath Roark reported he had received a bid for foam work on the City's sewer buildings, and he was approved to accept that project at a cost of about \$6,083. Police Chief Jeff Canfield said recent tests of the City's two storm sirens were good, and he wanted to purchase a 3rd siren. The board agreed that he could ask for bids on that 3rd siren.

The meeting was closed at about 8:05 PM. These open sessions are usually held on 3rd Thursday eves; visitors are invited.

Cole Camp Runs Away With Benton County Cup

LINING IT UP, Lincoln's Bryce Koll putts on the first hole at Triple Creek Golf Course in Cole Camp as Warsaw's Carson Bonner, Coehen Walton and Cole Camp's Tyler Howard look on. Cole Camp ran away with the competition for the Benton County Cup for the third straight year.

The 2023 Benton County Cup is history. For the third year in a row, Cole Camp dominated the event, this year they shot a 149 with the top four scores as Lincoln and Warsaw tied for second at 200.

Cole Camp's Coach, Brandon Harding would want you to believe the matchup is about friendship and buddies getting together to talk about old times, there is that but there is also a strong rivalry to win and keep the Cup at your school for a year. Coach Harding had

Warsaw's Coach Dennis Larsen as a player and Lincoln's Coach Buddy Dill played at Lincoln for Warsaw's Danny Morrison at Lincoln.

Coach Harding said, "There are a lot of stories and jokes going around each year when we get together. We all look forward to the event. We catch up on what is going on at each school."

The weather on Wednesday, April 19, at Triple Creek Golf Course in Cole Camp was nice and sunny, although the wind was a factor.

After the first hole, Lincoln's Bryce Koll said, "The first hole was tough with the wind blowing directly in, on the second hole, the wind will be at our

backs." Cole Camp's Tyler Howard and Gage Oelrich both shot a 35 for the medal.

Warsaw's rising star, Carson Bonner shot a 44 to tie for fifth place with Cole Camp's Wyatt Hesse.

Cole Camp, the 2022 Class 1 State champion, moved up this season, saw Spencer Godwin and Matt Bright shoot a 38 and a 41 respectfully to round out their scoring.

Cardinals Hang On To Slip By Appleton City

By
Johnie Logue, Sports

Lincoln defeated Appleton City 4-3 on Thursday night. With a 4-1 lead, Lincoln gave up a run in the sixth and one in the seventh to hang on to the win.

Appleton City had the tying run on third when clean up hitter Long hit a soft fly to shortstop Dawson Parrott for the last out and the sweet victory.

Lincoln scored two in the first to take the early advantage.

Hunter Vandaveer went six innings. Blake Lyon finished up. The Cardinals survived in spite of making five errors. Lincoln improved to 11-7 on the season.

THE CARDINALS' Connor Lynde dodges the tag against Appleton City on Thursday night when Lincoln won 4-3 in a thriller.

On Wednesday, the Cardinals defeated LaMonte, 20-5 in three innings behind the one hit pitching of Kaleb Mundy.

On Tuesday, Northwest won, 20-5.

On Monday, Lincoln beat Adrian 2-1 in the first tilt of a nine game home stand plus hosting the Kaysinger Conference tournament.

Lady Cardinals Get Revenge Win Over LaMonte

By
Johnie Logue, Sports

It was sweet revenge on Wednesday night as the Lincoln Lady Cardinals defeated LaMonte 11-5 to avenge their semi-final loss in the Kaysinger Conference tournament. Lincoln blew a five run lead in losing 6-5 and breaking a long winning streak in being in the finals of the tournament.

Senior Gracyn Eifert commented, "It was nice to beat them and to beat them by a bigger margin than they beat us."

Lincoln lost 6 out of 7 last week so the win over LaMonte-Sacred Heart was really nice. Head Coach Kelly DeHann talked about the season thus far, "We had to play some really tough teams in Warsaw, Concordia, Buffalo, Stratford and Skyline. Our girls are feeling some pressure because they know we are better than our record shows.

Unearned runs are the problem. We feel we can win our district if we can come together late in the season and that is when you want to be playing your best ball."

This season, the wind has been a really big factor. Wigley Field in Chicago has nothing over on Lincoln's softball field. There is no wind block and the

The fifth seeded Cole Camp Bluebirds defeated fourth seeded Lincoln 2-1 on Saturday in the Kaysinger Conference tournament in Lincoln.

The 2023 baseball season may be remembered as one of the most windy seasons in recent years as the case for Global Warming couldn't have been proved on April 22, in downtown Lincoln, Missouri.

The two rivals both threw their ace pitchers in junior Gentry Dieckman for Cole Camp and Senior Connor Lynde for Lincoln.

Dieckman, batting clean up, drove in Reid in the third with a double and in the fifth with a single for both of the Bluebirds runs.

Cam Everhart, Lincoln's clean up hitter drove in Dawson Parrott in the seventh with a fielder's choice.

With runners in scoring position, Blake Lyon hit a soft liner to third in the end of the game.

Three defensive plays highlighted the low scoring pitching duel. Cam Everhart, with two outs and runners in scoring

position popped up to catcher Grady Strathman at home plate on a high wind twisting pop up.

Lincoln's third baseman Hunter Vandaveer threw out Dylan DeCroy at home on a ball hit to shallow left field in the fifth.

Lincoln's catcher Zaden Cole made a good catch against the screen in the sixth inning.

Lynde went six innings, struck out eight and walked three.

Lyon came in for the seventh to hold Cole Camp in check.

Dieckman went 6.2 with nine strikeouts and walked five. Kolby Bohlen came in to get Lyon to end the contest.

Dawson Parrott went 3-4. Dieckman 2-3.

The game was not without controversy. The pitch count is 105. Dieckman had 103 for Cole Camp books and 109 according to Lincoln's records. The home team won out but Bohlen getting Lyon made it a mute point. Cole Camp moved to 8-10 on the season.

On Thursday, Cole Camp beat Sacred Heart on a bases loaded walk in the ninth for a 4-3 victory in Sedalia.

They beat Smithton 6-5 on Tuesday and lost 7-2 on Monday to Skyline.

By *Johnie Logue, Sports*
Friday was a wild time for the Cole Camp softball girls at the Adrian tourney. They won two and lost two after playing their junior varsity against Lone Jack in an 18-8 drubbing in their final contest of the tourney. The Lady Bluebirds beat Butler, 15-2 to open the day. Karley Thayer was 3 for 3 and pitched the three innings with perfect defense behind her.

Up next was Mount Vernon, who thumped the Lady Bluebirds, 14-7. Thayer was on the hill. The defense committed two errors.

Cole Camp defeated a good Skyline team, 7-5 in their last game of the day behind Thayer on the mound. Again, the Lady Bluebirds were flawless in the field, committing no errors.

'Cats Baseball Has Winning Week

By *Adam Howe, Sports*

After starting their week off in sour fashion with a 10-8 conference home loss to Eldorado Springs last Tuesday night, the Wildcats bounced back to take three out of their next four games to improve their season record to 11-8.

In their loss to the Bulldogs, Gage Whitaker and Logan Gemes both collected 2 hits apiece. However, 7 errors plagued the Wildcats and ultimately cost them the win.

On Friday, Warsaw traveled to California for the Versailles/California Turf War Tournament and were dealt a 12-2 5-inning loss to the Pintos.

Nick Bagley led the Wildcats with 2 hits and Whitaker tallied the only other hit. Four more errors by the Warsaw defense didn't help the cause.

In their first game on Saturday, the Wildcats turned things around by upending the Vienna Eagles by a final of 13-3.

Warsaw jumped ahead 1-0 at the end of the first and then plated 9 runs in the second frame to take command of the game at 10-0. Jayce Depriest, Whitaker, Kendall Bagley and Devon Boul all had hits in the inning and the Wildcats took advantage of 6 Vienna errors.

Another run in the third and 2 more in the fifth for the Wildcats helped to secure the merciful victory.

Whitaker and Depriest each had 3 hits for Warsaw while 2 each came off of the bats of Tayten Boyer and

Kendall Bagley. Ryan Fajen got the win for Warsaw. He went all 5.0 innings, surrendered 3 runs on just 1 hit and struck out 5.

In their final game of the event, Warsaw defeated Versailles 9-8 on Saturday afternoon, thanks to a walk-off double in the bottom of the seventh off the bat of Whitaker.

With the game tied at 8-8, Whitaker took a 2-0 pitch up the middle to drive in Garrett Ferguson on a head-first slide across the plate for the game winner.

Warsaw earned the victory despite allowing 6 runs to the Tigers in the top of the first and trailing for the entire contest.

Kendall Bagley paced the Wildcats with 3 hits while 2 hits each were contributed by Whitaker, Nick Bagley and Depriest.

Kendall Bagley and Depriest split mound duties early before giving way to Fajen for the final 2.0 innings and the win.

On Monday night, the Wildcats fell behind at Skyline, 1-0 at the end of the first but tied the game at 1-1 in the second before taking a 3-1 lead after three.

The Tigers closed their gap to 3-2 with a run in the fifth, but Warsaw tallied 2 in the top of the seventh and then held on for the 5-3 win.

Nick Bagley led Warsaw with 3 hits in 4 trips to the plate and Whitaker added 2 hits for the 'Cats.

Ferguson was on the bump for the Wildcats and got the win by going all 7.0 innings. He yielded 3 runs on 4 hits and K'd 5.

Ladycats Face Good Field At Adrian Tourney

By *Adam Howe, Sports*

Brylee Brewster didn't allow a single run as Warsaw handled Eldorado Springs at home last Tuesday night and cruised to a 10-0 victory.

Brewster allowed just 2 hits and struck out 10 in 5.0 innings of work.

After a slow-go to start the game, Warsaw put up 4 runs in each of the fifth and sixth

innings for the 10-0 win. Tanna Howe, Adison Sherrill and Autum Walton all had 2 hits for Warsaw. One of Howe's was a 2-run homerun in the fifth.

On Friday, the Ladycats faced a stiff field at the Adrian Tournament and came home with an event record of 2-2, their only losses coming to the current #1 and #2 ranked teams in Class 2.

In their first game, Warsaw took the lead in the fourth and held on for a 9-7 win over Wellington-Napoleon, the defending Class 1 state champion.

Brewster, Howe and Jaylen McCullick all had 2 hits to lead Warsaw. Howe added to her homerun total with an inside-the-park round tripper in the fourth.

Hailey Ferguson started the game for the Ladycats. She surrendered 3 runs on 3 hits over 1.1 innings and struck out 3 before giving way to Brewster.

Brewster was credited with the win. She allowed 4 runs on 1 hit over 3.2 innings and struck out 10.

After a brief break, the Ladycats beat a familiar opponent in Skyline, 5-2.

Warsaw took a 1-0 lead in the first and led 2-0 after three innings before the Lady Tigers tied the game at 2-2 in the fourth.

A 3-run fifth inning secured the win for the Ladycats with Howe, Carly Price and Haylee Cobb all driving in runs in the frame.

Cobb paced Warsaw with a perfect 4 for 4 day at the plate and 3 hits were added by Howe. Sadie Chapman contributed 2 hits.

Brewster picked up another win by tossing 6.0 innings. She gave up 2 runs on 4 hits and struck out 9.

In their semifinal matchup against the current #1 team in Class 2, it came down to the last play, but the Ladycats were on the wrong end of a 3-2 final against Mount Vernon.

Warsaw scored took a 1-0 lead on a Howe steal of home in the first inning but the Lady Mountaineers tied the game at 1-1 in the bottom of the frame.

The Ladycats tallied 1 more run to take a 2-1 lead

in the fifth on a Brewster RBI single to score Price and that score would hold until the bottom of the sixth. With 1 on and 1 out, Mount Vernon got a single to move a runner into scoring position, just 60-feet away.

Their first run would cross an outfield error and then a hard single to left field would score the winning run for the Lady Mountaineers.

Four errors on the Ladycats defense proved costly. Sherrill and Brewster both had 2 hits to lead the

Ladycats. Brewster absorbed the loss for Warsaw.

The final game of the event pitted Warsaw against Class 2's #2 team in the state and, once again, the Ladycats came out on the wrong end of a 9-0 final.

Seemingly exhausted by their effort in the previous game, Warsaw managed just 2 hits, 1 each off the bats of Howe and Sherrill.

Brewster took the loss while Ferguson came on to pitch 1 inning in relief.

Wildcats Golf Takes Second At OHC Tourney

WARSAW GOLF traveled to Buffalo for the OHC Tournament on Monday. As a team, Warsaw finished in 2nd place. Junior Carson Bonner tied for 2nd, but to break the tie they went to the scorecard and Bonner fell to 3rd. Senior Coehen Walton finished 6th and sophomore Carter Howell took 9th. Warsaw will finish out the regular season with a tournament in Butler this Friday and then prepare for districts on May 8 in Republic.

Fristoe NEWS

By Pat Arnett
Contributing Reporter

Fristoe area had a nice week but Saturday night temperatures became much cooler. Sunday morning provided much frost and for people that had started their gardens earlier there was much looking to see what if anything had been "frost bit".
 Much good news to report this week such as Kathy First came to Sunday school Sunday morning and spent some of the morning. Lewis Retherford came to church also. Kathy was brought to Warsaw Rehab and Nursing facility last week and she will be there for a few weeks. Many are on our prayer request list, starting with Carolyn Colbert, Easter Willis (Happy birthday to Easter last week) Donna Nelson, Curtis Allen, Mary Scarbrough, also, from church, Merry Eskue, Kathy First, Lewis and Judy Retherford, Gail Mann, Gladys Harris, also Russell Weeks and remember our friend Gary Kirby who

while helping others in his town in Oklahoma clean up after their storm, fell and broke his leg. Keep him in prayer.
 A young lady from Fristoe has reason to be mentioned in the paper this week as she won 3rd place in the state in D1 Speaking FFA. Madalyn Arnett is a freshman at Climax Springs High School and belongs to the Climax school's FFA Agriculture program. Maddie attended Public Speaking contests all school year and won her way to Districts and then to State. She then won 3rd place in the State with her Public Speaking and how she delivered it. Congratulations Madalyn. Madalyn is the granddaughter of Jim and Teresa Jackman. Pat and Dean Arnett and daughter of Adam and Bridget Arnett, oh and one more mention she is the younger sister of Laney Arnett! All so very proud!
 Fristoe Pentecostal Lighthouse Church wants to remind everyone of their schedule. Sunday morning: 10:00 AM Sunday School, 11:00 Song service, Praise and Worship service. Monday: 9:00 AM Prayer Meeting. Wednesday: 6:00 PM Bible Study!
 Lighthouse Church was pleased to welcome daughter of Jesse Crouch,

Connie and husband for Sunday services. Many got to know Jesse when Cowboy Church at Fristoe Community Building was being held. Jesse was a regular attendee. Songs of special interest were "Keep On The Firing Line", "Blessed Assurance" and "O Come Angel Band" sand in church service. Message brought by Br. Smith was found in Hebrews chapter 11! Sunday school is studying how to best study scriptures and put studying to best use.
 Thought for the week: This is something I myself need to practice...Never pass up a chance to keep your mouth shut!

Have I Got A Line For You!

By James Mahlon White

We all know a few people who think they know everything. But sometimes, we all have some pretty good hunches. I did when I thought someone would come forward about the government covering for Hunter's laptop. Last week an IRS agent did just that and offered to "spill the beans" on the Biden family's financial shenanigans. Our first clue came years ago when Nancy changed the rules so Congress couldn't look at the bank's suspicious activity reports. Isn't it interesting how many of our politicians, Democrat and Republican get fabulously wealthy off moderate salaries? We've become as corrupt as those we've been fighting against for 250 years. The NSA, FBI, Secret Service and the National Hookers Association all covering for Hunter and The Big Guy. Bet the Founding Father's never foresaw professional career politicians in our future.

There's a big mess going on in Chicago with teenagers looting stores, smashing windows and robbing tourists. The new mayor warned "not to demonize" them for violent behavior because they've been starved of opportunity. What opportunities are they starved of? Don't they get an education? That's an opportunity. Can't they go to college where student loans are available? That's an opportunity. How about trade school? That's an opportunity. Don't demonize these children? Tell that to the people who were assaulted and the store owners who were vandalized. We don't have to demonize these kids, they've done it to themselves. "Spare the rod, spoil the child," comes to mind.

Ran across a documentary last night on President Abraham Lincoln. It covered his boyhood

through assassination. While President Lincoln made many speeches, his Gettysburg Address is the one most of us know and can quote from. My Dad used to talk about "Lincoln's Lost Speech" which was given in Illinois. Reporters were there to take quotes, but Lincoln was so eloquent, few got anything written down. They just listened. I've read that sound never dies, just floats around up there someplace. If there were any way to retrieve those lost sounds, think of the possibilities. "Lincoln's Lost Speech" for one, but thousands of others. What would you like to hear if you got the choice?

Phronsie was in the office yesterday and said hummingbirds seemed to be in short supply this spring. However, Tracey Spry down in Edwards spotted several at her feeder. Apparently delighted at their good fortune.

May we all be equally delighted by good fortune, too. Maybe this week? Meanwhile, hang in there old buddy.

If you've done any estate planning, or even if you're just familiar with it, you probably know the basics — that is, a comprehensive estate plan can help you pass on assets to your family while also achieving other goals, such as designating someone to take care of your affairs if you become unable to do so. But you may not know about some other estate-planning issues that could prove important in your life:

- Power of attorney for students – Children heading off to college may be considered legal adults in many states. Consequently, you, as a parent, may not have any control over medical treatment if your child faces a sudden, serious illness or is involved in an accident. Instead, a doctor who doesn't know your child or your family may decide on a course of action of which you might not approve. To help prevent this, you may want to have

your college student sign a medical power of attorney form, which will allow you to make decisions on your child's behalf if doctors don't think your child can make those choices. You might also want to combine the medical power of attorney with an advance health care directive or living will, which lets you specify actions you do or don't want to happen. In any case, consult with your legal advisor before taking any of these steps.

- Community property versus common law – Not all states treat married couples' possessions equally. If you live in a community property state, the property you acquire during your marriage is generally considered to be owned in equal halves by each spouse, with some exceptions. But if you live in a common law state, the property you obtain while you're married is not automatically owned by both spouses. In these states, if you buy some property, you own it, unless you decide to put it in the name of yourself and your spouse.

This doesn't necessarily mean, however, that your spouse has no rights, because common law states typically have rules that guard surviving spouses from being disinherited. But here's the key point: If you move from a community property state to a common law state, or vice versa, you might not want to assume that your and your spouse's property ownership situations will remain the same. Consequently, if you do move, you may want to consult an estate-planning attorney in your new state to determine where you stand.

- Pet trusts – You always strive to take good care of your pets. But what might happen to them if you become incapacitated in some way? Unless you have a close family member or friend who's willing to take over care for your pet, you might want to consider setting up a pet trust, which can take effect either during your lifetime or after you pass away. A

trustee typically will make payments to the caregiver you've designated for your pet, with payments continuing for the pet's lifetime or a set number of years. Again, an estate-planning attorney can help you with this arrangement.

Estate planning certainly involves the big-picture issue of leaving a legacy to the next generation. But the issues we've discussed can also be meaningful to you,

so you'll want to address them properly.

Anita's Column

Members of the WHS Class of 1971 are all turning 70 this year and reflecting on this brings us together as those in this area who can remember certain things that our children and grandchildren have never heard of.

Remember when we used to drive across the Joe Dice Swinging Bridge and if you met someone in the middle, one of you had to back up in order for the other one to get across. I have to admit I was one of those who would sit in my car and wait for the other person to back up. This was mainly because I was so bad at backing and I was scared that I would scrape the side of my grandmother's '65 Chevy.

Remember walking down the School House Hill from Warsaw High School to get a Coke from Parson's Drug Store and sit in the back with your best friends talking about who was dating who?

Remember going to the Roxy on Saturday afternoon with your friends and then as you grew up and started dating, remember going to the Roxy on Saturday night and sitting up in the balcony with your date. My mother told me never to sit up there because there would be couples kissing

so of course I had to sit up there.

Remember when our fathers would go to Boring's Drug Store on Sunday morning for coffee before heading to church for Sunday School and Church. There was never a discussion about whether we would go or not if it was Sunday, we were going.

Remember going to your grandmother's house for Sunday dinner after church. She usually fixed fresh fried chicken, mashed potatoes and gravy and of course she would have baked two or three pies. The family would gather round that table sitting on chairs, the piano bench or a box of some sort. My hubby said he was a little scared the first time he went for Sunday dinner and he was handed a box marked dynamite to sit on.

Remember going down to the Martin Farm in Fairfield for hayrides at Halloween. Youngsters today don't even know where Fairfield was. When I was still teaching, I was talking about Fairfield to a class and a student asked where it was and I replied that it was under Truman Lake and the surprised young man said, "But wasn't Truman Lake always here?"

Those were the days!

This historic building in downtown Cole Camp was built in 1890 and fully restored. The character comes out in every aspect, a stunning success! Main floor boasts hardwood floors, brick walls, office, along with storage galore. New roof, windows, plumbing, fixtures, back deck, remodeled kitchen and 1/2 bath is just the beginning. Main level and loft is just under 2500sqft while the basement has around 1800sqft. #94381 \$199,900

For 10 years this 80 acres has been in CRP (Conservation Reserve Program), ending in 2022. This allowed for regrowth and environmental management. Located in West Central Missouri in Benton County, the year-round creek and scattered timber allows for a wildlife corridor and hunting opportunities. This farm is made up of Class II and Class III soil. #94844 \$432,000

John D. Davis

John Dale Davis, 85, of Girard, Kansas, formerly of Cole Camp, passed away Friday, April 14, 2023, at Medicalodges Fort Scott in Fort Scott, Kansas. He was born on May 14, 1937, on the farm north of Lincoln, Missouri, a son of Roy Chester and Mary Rose (Maltsburger) Davis.

John worked on the farm and cut wood with an old crosscut saw with his dad and also delivered ice in the area with his dad. He attended McMurda, Fordney, and Rocky Ridge one-room schools near Cole Camp. At the age of fourteen, he went with Lawrence Harms and Carl Jones to work on a farm in Montana. When he turned sixteen, with his mother's permission, he joined the United States Army on July 20, 1953, and served his country honorably during the Korean War in Korea and then in Germany. He was discharged on July 22, 1958.

On August 13, 1957, he was united in marriage to Melba Vaughn and was blessed with the gift of five children, Michael, Mitchell, Maleia, Milburn, and Melissa.

John drove a truck hauling horses for Van Dyke Trucking and in 1963, he went to work for Crown Coach driving a bus and his route included taking new recruits to Fort Leonardwood. In 1968, he went to work for Yellow Freight in Kansas City. John decided it was time to be his own boss so he attended Missouri Auction School to become an auctioneer. He then auctioned machinery at Sikeston and also bought and sold equipment and trucked it to its final destination. He drove a charter bus out of Joplin, taking people on bus tours throughout the United States. He then started Davis Industrial Sales out of Liberal, selling industrial equipment, which he still owned.

In 1983, he met Reggie Geier at the mall in Joplin. He asked her out on a date and they've been together ever since.

John enjoyed his puppy dogs, Burt and Sissy, and telling stories. He was a charter member of the Oak Hills Coon Club near Cole Camp, where he auctioned the dogs at the water races and field trials. He had won several Kenny Rogers look-a-like contests. He was a lifetime member of the VFW, and was a member of the American Legion in Girard, Kansas, for thirty-three years and a member of the Masonic Lodge of Cole Camp and Masonic Lodge No. 292 of Lamar.

He is survived by his companion, Reggie Geier and her children, Rhonda Stonerock and Tony, Linda Redden, Lonny Geier, and Larry Geier; daughter, Melissa Kay Davis of Sedalia; sons, Michael Davis and Shelly, Mitchell Davis, and Milburn Davis and Lisa, all of Cole Camp; brother, Richard Davis of Independence; sixteen grandchildren, Nicole, Frank, Rickie, John, Melissa, Brandi, Joni, Megan, Austin, Sarah, Nicholas, Anthony, Aaron, William, Adelle, and Arecca; sixteen great-grandchildren, Alan, Kristina, Riley, Huntley, Havyn, Parker, Jax, Benton, Marshal, Jentry, Maci, Taylor, Tommy, Mitchell, Jake, and Cayde; eight great-great-grandchildren, Jace, Colton, Weslee, Cora, London, Barrett, Brinlee, and Hunter; and numerous nieces and nephews.

He was preceded in death by his parents, Roy and Mary Davis, daughter, Maleia Ann Craig, sister, Jean Lutjen, and brothers, Jack Davis, Tom Davis, and Roy Davis.

Graveside services will be held at 2:00 p.m. on Sunday, April 23, 2023, at Mt. Olivet Cemetery near Cole Camp with Pastor Jason Veale officiating. Military

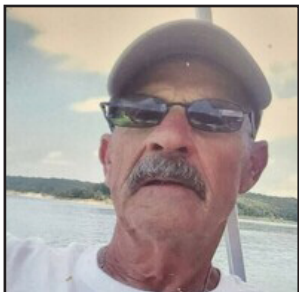

honors will be conducted by the American Legion Post No. 305 of Cole Camp. Honorary pallbearers will be his grandchildren. A pot luck meal and sharing of memories will follow at the Oak Hills Coon Club near Cole Camp.

Memorial contributions may be given to the family's choice in care of the Fox Funeral Home, Cole Camp.

Nicholas L. Smith

Nicholas "Nick" Luther Smith was born in Warsaw, Missouri on December 16, 1947 to Luther "Owen" Smith and Roxie Louise (Dolan) Smith. He left this life on April 21, 2023 from the comfort of his home with his living wife Joan, by his side.

Nick was a lifelong resident of the Warsaw area graduating from Warsaw High School, Class of 1965. He served in the United States Army from 1968 to 1972 stationed in Germany.

Nick was preceded in death by his parents, three brothers, Phillip Owen Smith, Gary Wayne Smith

and William Roney Smith.

He is survived by his loving wife Joan, of the home, one daughter, Sabrina Jones, one stepson, David Philbrick, one stepdaughter, Stacy Townsend, a sister, Jacque Faulkner, two grandsons, Levi Riley and Zachary Jones, one nephew, Jason Faulkner and 2 nieces, Courtney Farley and Kyla Schraier.

Nick was a lifelong member of St. Ann's Catholic Church; having served mass there for many years in his youth. He was a gifted carpenter and spent most of his young life working at this trade with his "best friend" who was also his father, their skills are still evident around Warsaw today. Nick worked for Wal-Mart as a department manager for a number of years before purchasing Nix Bar in downtown Warsaw. He sold this business and retired in Warsaw.

Nick loved his family, his community, his country and legion of friends. He enjoyed playing pool and traveling far and wide to attend NASCAR races. Nick was a life long learner and amazed many with his vast knowledge and incredible memory! He will be lovingly remembered and sadly missed by his family and friends.

The family wished to thank Golden Valley Memorial Healthcare Cancer Center, The Veterans Administration Medical Community and Good Shepherd Hospice for their wonderful care during this journey.

Nick requested arrangements for cremation and no services at this time.

HOPEWELL BAPTIST CHURCH

Matthew 5:33-36 Jesus is showing how we portray ourselves to others. Here is what the Old Testament Law says, but there's a whole lot more. We think swearing on something or making an oath makes our word more valuable, but Jesus tells us not to swear on these things. We keep swearing on all these things, but we neglect the very same things we are swearing on. Jesus tells us we should stop swearing on the things that don't belong

to us, because everything traces back to God. We neglect who we are really swearing on and that is God! God has control of everything and when we think we are swearing on a piece of property, it still all belongs to God.

Why do we swear an oath – because people don't believe or trust us, but Jesus tells us our yes should be yes and our no should be no, and that should be enough, especially if what we say is true! It can be hard to trust other people. As humans, we tend to exaggerate things and when we get backed in a corner, instead of confessing, we double down and try to make it look like we are not guilty. We typically only show people what we want them to see.

Jesus reminds us, let your yes be yes, and your no be no. You can dress it up as nice as you want, but God always sees exactly what it is! Jesus isn't going to save you based on what car you drive, where you work, or what clothes you wear. He loves us and cares for us just like we are!

If we confess with our mouths, Jesus is Lord, and believe in our hearts that God raised Him from the dead, we will be saved! We cannot do this by ourselves! We are not enough! We need Jesus! As a human race, we have got to believe in Jesus! Stop hunting for something else! Jesus is enough!!!

Join us Sunday mornings for Sunday School at 10 a.m. with Worship at 11 a.m., and Sunday and Wednesday Bible Study at 6 p.m. Check out Hopewell Baptist Church Facebook page Sunday mornings streaming live at 11:15 a.m.

FROM THE PASTOR'S DESK

JOHNNIE J. LOGUE

Ho, such a one! Ruth 4:1 Personally, I can never walk into a nursing home and walk out feeling the same way. I recently visited a 92 year old man who was once as physically strong as anyone I ever met. Time has taken it toll and has reduced his strength, his body and his mind.

From there, I went to McDonalds. Sitting in the

booth in front of me was a beautiful, innocent little child.

Across the way, was a young woman who would probably rate high on the 1-10 scale. Coming through the door was a young man with muscles bulging. Just then, a group of teenagers grabbed their orders and went on their merry way.

Just people of all ages, shapes and sizes. Some at the beginning of life, some at the middle and some at the end.

From there, I went to a baseball game. Young athletes on display, strong, fast, quick and mobile. In the crowd, were parents and grand parents. In an hour and a half the game would be just a memory.

I stopped by Walmart and a friend's house. At the friend's house, I was given a New Testament that I had given to a man 33 years ago. He passed away two years ago.

I made a call to a friend of 50 years, who was in the hospital unknown to me.

Strangely, a friend of 54 years called me and talked for four hours. During the call, a woman texted me from another country.

Someone left a broken down car in my drive way.

So what is the point of my story this week? It is just that everyone is a "such a one" in one way or the other. Christ died and shed his blood for each and every person. Simon of Cyrene, who historians tell us was a man of dark skin, carried the Lord's cross up to Calvary to be crucified. The old song says, "Red, yellow, black and white, they are all precious in His sight."

I am Pastor Johnnie J. Logue. You are invited to Grace Baptist church this Sunday and every Sunday.

UNITY OF THE LAKES

This Sunday 4/30/23 is another busy day at Unity of the Lakes. Rev. Don will share his prayer practice at our 11 am service. This is one way to pray and meditate that may help you find the way that is best for you. At 12:30 Rev. Don will be sharing Prayer and Meditation in the 12 Step Tradition. This class will be

Unity of the Lakes Presents Prayer and Meditation in the 12 Step Tradition

(We are located 8 miles south of Warsaw, 34948 Hwy 65 S.)
Facilitated By Rev. Don Rogers

Have you or someone you care about been or is a member of a twelve step program or you know someone you think should be? If so, you may want a better understanding of what the program teaches regarding prayer and meditation. This presentation attempts to answer this very important question. Can you be spiritual and not religious? The answer is a definite yes! This may be the main reason all of the various twelve step programs have been able to help so many. You may be surprised to learn how important prayer and meditation is to all of these programs. The presentation will be given, April 30, 2023 from 12:30pm to 2:00pm downstairs at the church.

As a person once told me regarding prayer; "try it, it don't cost nothing."
There is no fee but a loving offering is greatly appreciated.

Please join us for either church at 11:00am or class at 12:30 or both. Dress is casual and all are welcome!

LINCOLN FIRST BAPTIST CHURCH

May God bless and keep you on this journey we call life. Many were in Worship service today. Some familiar faces were there that we hadn't seen in a long time. Glad they came back to us. Kids will be out of school soon. May 7th is Baccalaureate in Lincoln. May 13th is Graduation night for Lincoln and Cole Camp.

Camps are coming in July. So start encouraging your young people to attend camps. We have collected 5 water bottles full of money to be given to camp so a child can go who may not have the money. This is a great idea to help our children.

Pastor Jesse talked about being a child of God. Romans 8:5 and Hebrews 12:5 was the text. Do you use excuses not to attend church? If you are a child of God you need to be in church. You need to support the church by doing what needs done. Some never meet Jesus because they don't try. We need to know who we belong to. Serve, seek and look for God. A saved child God hears because there is no pleasing God until you are saved. If you are led by the Spirit you are a child of God. The Spirit needs to move you. We are adopted children of God because we are bound by the blood of Christ. He bares our burdens and also teaches us.

God chastises His children when they do wrong. We need to realize who God is today. We may not always get the chance to accept Jesus. Live in peace. Sunday school at 9:30 and Worship at 10:30. Come and join us.

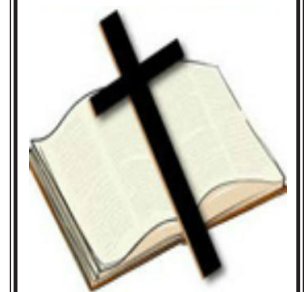

GOD BLESS YOU UNTIL WE MEET AGAIN.

As the end of this legislative session draws near, only 3 weeks remaining, it is a busy time in Jefferson City! We 3rd read and passed our final 4 budget bills and have sent them to the Senate. With still having federal dollars to spend from the pandemic, our budget this year from the house was a little over 45 billion dollars. There is quite a few good things in there that will be of benefit to all Missourians! We also 3rd read and passed a lot of bills and sent to the Senate that I will highlight below. It is an honor to be here and represent the 126th District and our rural values! It is always a pleasure to have district schools come to visit the Capitol. Last week I had the opportunity to visit with Appleton City and Davis Elementary!

Lawmakers Approve Funding for Critical Infrastructure Projects (HB 17, HB 18, HB 19, and HB 20)

House members this week approved four bills that appropriate more than \$5 billion in funding for vital infrastructure projects and programs across the

state. House members also authorized \$100 million in funding for maintenance and repair for the state's minor and low volume roadways. The additional funding will help provide much-needed upgrades to overlooked roadways in the state's rural areas.

The bill also works to improve public safety in Missouri by investing more than \$30 million in funding for new facilities and training for law enforcement. It also prioritizes improving access to health care by allocating more than \$26 million for construction and expansion of vital health care facilities across the state. Additionally, the bill appropriates \$10 million to help address the lack of housing for the homeless in Springfield.

HB 183 is meant to promote fairness in competition and opportunity for female student athletes. The bill would prohibit public school districts and charter schools from allowing students grade six to 12 and public and private postsecondary educational institutions from allowing any student to compete in an athletics competition designated for the opposite sex, as determined by the student's official birth certificate.

HBs 45 & 1066 specifies that, any cosmetologist holding a license to practice certain categories of cosmetology, as described in the bill, may register with the State Board of Cosmetology and Barber Examiners for a personal service registration to provide services to clients who are ill, disabled, or otherwise unable to travel to a cosmetology establishment.

HB 188 establishes the "Immigrant Employment Registration and Taxation Protection Act". As specified in the bill, the Missouri Department of Labor and Industrial Relations (DOLIR) is required to maintain a database or registry of qualified immigrant workers.

HB 1023 authorizes an income tax exemption for: (1) A percentage of capital gains of up to \$6 million per year, as set out in the bill, received by a taxpayer who sells all or a portion of his or her farmland to a beginning farmer; (2) Cash rent income of up to \$25,000 per year received by a taxpayer who leases all or a portion of his or her farmland to a beginning farmer; and (3) Income of up to \$25,000 per year received from crop share arrangements with a beginning farmer on all or a portion of a taxpayers farmland.

HB 836 establishes the "Operation Enduring Freedom, Operation Freedom's Sentinel, and Operation Allies Refuge Program". This Program would award medallions, medals, and certificates of appreciation to veterans who honorably served on active duty in the United States military service at any time between October 7, 2011, and August 30, 2021, and who were honorably separated and discharged from military service.

I am honored to serve as your Representative in the Missouri House. If at any time, you have questions, concerns or ideas regarding state government, please feel free to contact me at 573-751-5388 or Jim.Kalberloh@house.mo.gov.
