Tipton's Tyler Baer scored on a passed ball from third in the fourth inning in a 1-0 victory for Tipton over Lincoln in sectional play on Monday night in Lincoln.

Lincoln's Connor Lynde and Tipton's Lucas Cashman hooked up in a pitcher's duel as both pitched complete games. Lynde went six and gave up three hits, struck out 13 and walked two. Cashman went the full seven as the home team on the score board. He struck out seven, including the side in the sixth and walked just one.

ONE LAST HURRAH. Senior Connor Lynde singles to left center in his last at bat in the fifth inning in a Lincoln's uniform. He went 1-2, walked and was hit by a pitch. He pitched a complete six innings giving up three hits and striking out 13.

Lincoln head coach Will Lynde said, "We had our opportunities but couldn't get the key hit. I told these freshmen that they will walk into the gym in thirty

MANUFACTURED HOMES have grown in popularity for affordable housing. Pitts Homes in Warsaw has spent the past several decades supporting the community and helping folks with home ownership. Pitts Manager Jerry Downs was on site as the new home of Mr. and Mrs. Stan Adler was lowered into place on Wednesday.

Pitts Marks Major Anniversary Of Opening Doors For Benton County

Offering affordable housing to people of Benton County for over 50 years, Pitts Homes of Warsaw helped a local family this past week to reach their goal of home ownership as their 1800 square foot home was delivered to their family farm near Warsaw on Wednesday, May 17.

Pitts manager Jerry Downs was on site to oversee the placement as two large cranes lifted the sections of the house on the basement

of the home of Stan and Amanda Adler.

"It was so amazing to watch the cranes lift the sections of our house and put them together so quickly," said Stan Adler. "We had been planning for this moment for over a year but when it came together it was really fast."

Downs stated that usually it only takes six months from the time a customer decides on a floor plan to have the house built and delivered but the Adler's waited for a year because COVID slowed down production.

"Actually, this house has been in storage for several months as we were waiting

for the basement to be prepared for the set up of the Adler's home," said Downs.

Downs, who will celebrate 40 years with Pitts in October, has been the manager of the Warsaw branch of Pitts Homes since its establishment here in 1983. The company was established in Hermitage in 1970 and now has businesses in Clinton, Bolivar, Strafford and Warsaw.

The Adler's chose Pitts Homes for their purchase because they wanted to buy local and they needed affordable housing.

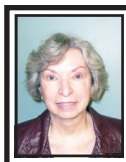

"We looked around at several modular businesses across the state, but we

knew Jerry and we knew he would treat us fairly," said Amanda Adler. "I wanted to be able to be a part of the plans as we searched for the perfect house for our forever home."

In selecting a modular home, the Adler's were able to pick a floor plan that suited their family and then customize it to fit their needs. Downs explained that a modular home is actually an engineered house with the same construction as if it were built on site.

"The main difference between an engineered house and an on-site

Harbor Village Rings In 10 Years With Fantastic Day Of Big Fun

Harbor Village, located at 17571 N. Dam Access Road in Warsaw, celebrated its tenth anniversary on May 18 with an open house, and received a Proclamation signed by Warsaw Mayor

Eddie Simons in honor of the event. The celebration took place from 9 A.M. to 2 P.M. with presentations, a meatloaf lunch, information booths, exercise classes, bingo, and blood pressure checks. The facility is home to the Warsaw Senior Center/Village Café, Katy Trail Community Health, and Compass Health Network.

Marge Heatherington, Senior Center Coordinator, took care of much of the planning and hosted displays and information booths provided by Americorps Seniors, Care Manager Dee Locke, Family Caregiver Coordinator Tammy Wilkey and other leaders of Care Connection for Aging Services, Katy Trail, and Compass Health.

"My main focus is to get the word out about what we are all about," said Heatherington. "I want people to know that they can come here and get what they need."

Harbor Village opened its doors in October 2013 and 150 people attended its Open House the next month on November 1. Visitors included Benton County residents as well as out-of-towners, and many dignitaries such as Missouri State Senator Mike Parson (now governor),

Cole Camp Mayor Responds To Rat Complaint

A problem facing small towns in this area is hiring and retaining police officers. From time to time several of Benton County's towns have addressed the issue, with at least two towns even offering to train a person interested in hiring into the local Department. Thus when City Police Chief Jeff Canfield reported Thursday eve that he had interviewed a prospective reserve officer that day, the group enthusiastically responded with "Bring him on!"

The meeting opened at 7 PM May 18, with Aldermen Jon Beckman, Diana Burdick, David Locke present. Alderman Mindy Fox was absent. Mayor Bob Meuschke presided; City Clerk Dawn Paul recorded. First heard by the group was citizen Francis Rehmer who said that he rides his bicycle around town and has seen rats crossing the street at one location, and has to weave around some potholes along his path, adding that he suffers some mosquito bites at one site where he rides. Mayor Meuschke commented that the City was aware of some of his problems and would address them as it can. The group then approved the evening's agenda, minutes of the Board's April 20 regular meeting, and okayed payment of April bills then accepted financials for the City. There was no old business.

Under new business, the group appointed Keven Callhoun to the City's Board of Adjustments and

constructed house is that the on-site house is exposed to the elements as it is being built while an engineered house is built inside the company's warehouse," said Downs.

Modular homes are constructed entirely in factories then are transported to their sites on flatbed trucks. They meet strict quality-control requirements prior to delivery and are built to strict specifications.

Assembled with the use of cranes, the final product is almost indistinguishable from comparable ones built on-site and must conform to the same local, state and regional building codes as their site-built neighbors. They must be structurally approved by building inspectors.

"We had two homes delivered to the Benton County area on the day the Adler's received their home," said Downs. "The homes left the factory in Indiana at 5:30 in the morning and arrived in Benton County the next day. Both houses were standing on their sites within hours of arrival."

The Adler's selected a floor plan with the Pitts crew and then made adjustments to fit their family's needs.

"We wanted three bedrooms, two baths and an office," said Amanda Adler. "So, we selected a floor plan to fit that then turned what would have been a breakfast nook into an office for Stan just off the kitchen. We have a working fireplace and a open kitchen/living room area to give us plenty of space for our large extended family."

Downs explained that with the many different floor plans available, he could help customers fit the needs of their families. "As long as it could be built in two halves, we can modify the floor plan to meet the needs of the customer," said Downs. "We can build a two-story structure or the single depending on how much the customer wants to spend. We are very competitive when it comes to price with the traditional on-site constructions."

The Adler's decided on building a basement to set their home on instead of a concrete pad.

"The water heater, water softener and heating/ac systems will all be located in the basement so that frees up space on the first level," said Amanda Adler. "For now, the basement will be mainly storage, but we want to finish it someday when our children are older so we had plumbing and electric outlets installed in the basement."

The basement actually took more time to construct than the house that now sets on top of it. Benton County is known for its limestone and clay so digging down several feet was a chore..

"We have been dreaming of this day for over a year and with COVID slowing down the process, I thought this day would never come, but here it is," said Amanda Adler with tears in her eyes.

While COVID did slow down production, Downs said that Pitts Homes actually continued production through it all.

"COVID increased demand for manufactured homes because people wanted to get out of the city," said Downs. "We never shut down and people came to our lot to look through the models throughout the COVID pandemic."

Amber and Trey Glenn from Warsaw also recently purchased a home from Pitts Homes to accommodate their family of seven.

"From start to finish, this project has gone relatively smooth," said Amber Glenn. "We moved in over the weekend and couldn't be happier! We have a lot of outside work to do, but the

inside is everything we'd hoped for. Thank you to Pitts Homes in Warsaw!"

Downs and his wife Kathy actually first lived in a home right on the Pitts lot until they bought their farm north of Warsaw. Their daughter Eryn (Kellner) grew up on the Pitts Homes lot and now works as the office manager and salesperson. Both Downs and the Kellner family live in modular homes.

"I consider myself to be very lucky to have found a job I love very early in my career and I enjoy taking care of my customers and helping them reach home ownership," said Downs. "Seeing a family reach their goals is very satisfying."

VILLAGE

(Continued from Page 1)

State Representative Warren Love, and Mayor Eddie Simons. Mike Mais, Chairman of the Harbor Village Board of Directors addressed the assembly thanking supporters and contributors who made the Harbor Village dream a reality. Tours were conducted and the most popular place was the dining area.

One of the residents attending the first open house, Bob Hare, was quoted as saying "It is the best thing that has happened in this area...I come here once or twice a week because there is good fellowship and games. Another visitor, Dani Stanton, said that she came to see how her mom might benefit from the facility and stated "It is close by and convenient for Mom, and she might like to use the computer lab and cafeteria services. My niece lives with my mom and has two small children who might also benefit from the services offered by Harbor Village. It is good to have all ages together. That way grandparents can be with their grandchildren at the same place."

"The intent of Harbor Village was for all of us to be in place," said Chris Steward, CEO of Katy Trail Community Trail. "Compass and Katy Trail help and work with the Senior Center to provide screenings to try and coordinate help at home. We started providing primary care and dental care from the start, and now provide behavioral health in partnership with primary care. We have contracted with Health Tran to provide transportation for folks who need rides to healthcare, or who want just to come to Harbor Village. We provide some funding so volunteer drivers can be reimbursed for mileage. We help people from littles to senior citizens as well as local prisoners. Our plans are to address more of the social drivers of health. Now our organization is trying to help people who have barriers such as transportation, housing, literacy, and food, which can keep them from achieving optimal health. We are starting to do an HIV protection program and are starting with one provider at a time to prevent HIV. Benton County has the highest incident of HIV out of all the 13 counties Katy Trail serves. We also deliver health care in a mobile unit once a week to the Warsaw School District and have a licensed social worker with an office in one of the schools."

Kay Fair, Public Information Officer of Care Connection for Aging Services, said that the organization has expanded its services in programming and care management. She said that the number of meals has expanded at the Senior Center, many that are home delivered to people who are homebound. The Senior Center is part of Care Connection where a variety of services are offered including nutrition, care management, family caregiver support, in-home

services, health education, fitness, recreation, disease management, falls prevention, long-term care ombudsman program, benefits counseling and Medicare information and counseling, as well as enrollment assistance in the Health Insurance Marketplace. Many classes are held at the center, as well as special events.

"At this point we are trying to make the Senior Center a place to have a good meal and maybe stay for bingo or other activities," said Fair. "The senior housing located near Harbor Village is also a great service and we hope there will be more housing in the future. Physical fitness is offered and if it is hard for someone to stand up and do exercises, they can sit down and still exercise leg muscles. I sat in on the Joint Friendly Exercise class during the Open House on May 18 and the ladies were having the best time. They were laughing and singing which is what they need - socialization."

Fair said that the Warsaw senior center ranks among the nicest facilities in the counties in West Central Missouri served by Care Connection, and said at the Village Café, the food is good. The biggest draw is fried chicken on Fridays when as many as 120 people show up for lunch. The Warm House, in Warsaw, is partnering with the center to provide this end of the week meal.

In 1977, the senior center operated in Warsaw on 704 State Street. In 1979 it moved to 1050 Jackson Street in a strip mall. The center then moved to Gunstock, near a small park in 2012 before becoming part of Harbor Village.

Since the move to its current location, the senior center has been able to serve more seniors because of building space and a larger kitchen. In 2012 the center served about 22,500 meals. That number increased to about 32,000 in FY 2023.

The Senior Center is open five days a week. Many of its exercise and wellness programs are offered on Zoom as well as at the center. To find out more, call the center at 660-438-3300 or email warsaw@goaging.org.

Columbia University which she may attend after receiving her bachelor degree.

"I decided on Washington University because it is a great school but not crazy far from home," said Siegel.

Siegel said she would miss WHS next year because of the close friendships and relationships she had with her teachers.

"I want to thank my mom, Mrs. Spunaugle and Mr. Waller for all their help on my journey," said Siegel.

To the WHS undergraduates, Siegel offers the advice to keep working hard. "Even if you are not super interested in the subject, keep working because it will pay off in the future," said Siegel.

Siegel recently tested into Calculus 3 for her first year of college.

Salutatorian Ashlyn Laue also spoke to the Class of 2023 at the graduation ceremony. Laue, the granddaughter of Peggy and Andrew Laue, has chosen Truman State University in Kirksville for her undergraduate degree. Her plans are to major in biochemistry and molecular biology then attend medical school to focus on sports medicine.

"I always thought I wanted to become a lawyer but then my sister Kaitlyn became a paramedic and I became interested in the medical field," said Laue. "I have always loved math and science so it seemed like a natural fit for me."

While a student at WHS, Laue was active in volleyball, basketball, archery, and golf. She was also the president of National Honor Society,

president of the Robotics team, vice president of Math Club, and a member of FBLA and Student Council.

"I will miss playing sports because my teammates were part of my family," said Laue.

Laue's advice to underclassmen is to be their own person. "Don't care about what anybody else thinks about you," said Laue. "Be your own person."

While Laue said she would miss WHS and all of her friends, she said she would especially miss Mrs. Spunaugle and the great birthday parties she threw.

"I am blessed as a teacher to have been a part of their journey," said Spunaugle. "Look out world, you've got some amazing girls ready to do some great things."

Beautiful weather gave the eighty-four Warsaw High School graduation candidates a special night to share with family and friends as the Class of 2023 became WHS alumni on May 18 on Randy Morrow Field.

The evening opened with the national anthem sung by senior vocalists. WHS Principal Danny Morrison welcomed the crowd followed by Superintendent of School Scott Gemes speaking to the Class of '23.

Ashlyn Laue presented the Salutatorian Address followed by special music by the senior vocalists.

Valedictorian Anna Siegel gave the next speech followed by the presentation of diplomas by School Board President Mike Schockmann.

Student Council President Ashley Spry gave closing remarks.

Freshmen Step Up As Lincoln Takes Class 2 District 13 Title

THE CARDINALS used a late run to defeat Windsor for the Class 2 District 13 championship last week and hosted Tipton on Monday in the state playoffs. They are (L to R): Blake Lyon, Matthew Cook, Zach Farmer, Omar Torres, Hunter Vandaveer, Coach Lynde, Riley Sanders, Connor Lynde, Kaleb Mundy, Camden Everhart, Zaden Cole, Lucas Wolf, Turner Kreissler, Dawson Parrott, Xavier Smith, Ethan Goosen, Coach Spunaugle, Jayden Kelley and Coach Rhoades

With two of their top four pitchers, who were also offensive and defensive keys, injured in the preseason and at times starting an all freshman infield, Lincoln's prospects of winning their district looked bleak. However, both injured players are back and the freshmen have matured. On Wednesday, it all came together in their 4-3 victory over Windsor at Lincoln to win the Class 2 District 13 championship.

After Lincoln jumped out to a 3-0 first inning lead, Windsor, with one of the best hitting teams in the area, used one run in the third and two in the fourth to tie the game.

Lincoln, seeded second, even though they had beaten top seeded Windsor at Windsor 3-1 back on April 27, was the visiting team on the scoreboard, which meant that Lincoln needed to score in the top of the seventh and then shut out Windsor in the bottom half of the nail biting inning.

Windsor retired Lincoln's first two hitters. Lead off hitter, Dawson Parrott, the team leader in hits as a freshman, would single on a 1-2 count ground ball in the hole at short. Zaden Cole hit a little grounder that should have been the third out but Windsor made an error on the relay to first and Cole was safe.

In comes senior Connor Lynde with the scenario he

had dreamed about as a kid. The problem was that he was 0 for 3 and had been in a month long slump.

"I have been getting under the ball," Lynde said. "I picked up a lighter bat and my dad (and head coach) told me to forget the last at bats."

Lynde fouled off the first two pitches and his hopes were down to one last strike and possibly his last at-bat for Lincoln High School. However, he ripped the next pitch into center field and Parrott would race home for the go-ahead run.

Now with Parrott on the mound, the stage was set. As the late Mike Shannon, former St. Louis player and announcer, who died last week, would say, "Abner Doubleday has done it again."

In the bottom of the seventh, the first Windsor batter singled and stole second. Hard-hitting Peyton Witherspoon would strike out. The next hitter would fly to center where sure handed Connor Lynde patrols. Kaleb Eaton would walk and bring up the number three hitter in the lineup, Caden Paxton.

So it would be a freshman against Windsor's best hitter. He would pop-up to third baseman, Hunter Vandaveer, who started on the hill and pitched a marvelous game going 5.1 innings, throwing just 62 pitches. Did we mention he was a freshman too?

The two injured players, senior Kaleb Mundy came back a month ago and stabilized the Cardinals' pitching and defense,

playing third, short and the outfield at various times. The other player was freshman Riley Sanders, who came back two weeks ago at 90 percent and gave them another bat and a racehorse on the base paths. He can't pitch yet but he is getting there.

"I am just glad to come back and help the team anyway I can," the excited Sanders said after the game.

The usually stern, direct but friendly Lincoln coach, Will Lynde, was emotional after the game.

"I told the players at the start that we wanted to win every game but our main goal was to win our district," he said. "Every 3 years we have a great group of freshmen come through Lincoln. This group did not see a lot of playing time in the other two major sports but have excelled here. Riley coming back was huge. You are going see him over the next 3 years and you are going to like everything he does."

{In case you are wondering, the torch was passed from Boone Kroenke's class to Jackson Beaman's class to Connor Lynde's class and now to Riley Sanders freshmen class.)

Speaking of Sanders, he got the go-ahead single driving in 2 runs breaking the 6-6 sixth inning tie on Tuesday as Lincoln beat Archie 10-6 to advance to the finals.

Down 5-0, very few of the Lincoln faithful thought Lincoln could mount a comeback. Again, Lynde was a factor as he walked 3 times, officially going 0 for 1 but scored 2 runs. Lynde went 4.1 innings on the mound giving up 5 earned runs on 5 hits, striking out 11 and walking 2.

Jayden Kelly was another hero in the mix as he drove in 4 runs with a double going 2 for 4 and made an outstanding running catch in left field. Lincoln scored 5 in the fifth and 5 in the sixth.

Turner Kreissler, another freshman, Mr. Curveball, got 2 outs in the fifth. Mundy would come in and finish up giving up 1 run on 3 hits. Parrott went 2 for 4 with a triple scoring 1 run.

Lost in it all was Lincoln's defense with no errors in the title game and only one against Archie.

Lincoln played Tipton on Monday night at Lincoln. Those results will be in next week's *Enterprise*.

Cole Camp Wins First District Crown In Nearly A Decade

THE BLUEBIRDS advanced in the MSHSAA state playoffs with a 4-3 win over Butler last week to claim the Class 3 District 13 championship. They hosted Barstow in the sectional round on Tuesday. They are, front row (L to R): Coach Brendan Rusk, Cody Howerton, Grady Strathman, Drew Burke, Diego Elliot, Chase VonHolten, Colton Dieckman, Kolby Bohon, Dylan Lecroy and Coach Derald Henderson. Back row: Coach Brett Thomas, Ty Loganbill, Garrett Elliot, Payton Davis, Gentry Dieckman and Reid Harrison.

Cole Camp head coach Brendan Rusk, in his second year, was a senior on the 2013 team that last won the district baseball championship for the Bluebirds. Their head coach then was none other than his father, Todd Rusk.

On Thursday, May 18, the 13-15 Bluebirds, seeded third, defeated fourth seed Butler in come-from-behind fashion 4-3 to claim Class 3 District 13 bragging rights.

Chase Von Holten, after giving up 2 runs in the first, settled down for a 6 hit seven inning victory.

"Nerves got the better of me in the first and I was trying to place the ball

instead of just pitching," Von Holten admitted after the game.

Gentry Dieckman got the tying RBI on a single in the fifth inning after trailing 3-1 on a shot down the first base line.

"I was waiting for a fastball that I could hit the opposite way," Dieckman commented.

Kolby Bohon hit into a fielder's choice scoring what would be the winning run as Von Holten, who had walked, scored from third.

Von Holten retired the last seven batters as second baseman Cody DeWitt caught a pop-up and did his whale splash for the last out.

Rusk commented, "It took us 15 games to figure out our lineup. Earlier in the season, we were making 6 errors a game .

The Bluebirds went

errorless against both Butler and Adrian and made only 1 error against Stover.

Rusk went on to say, "We are playing our best ball right now."

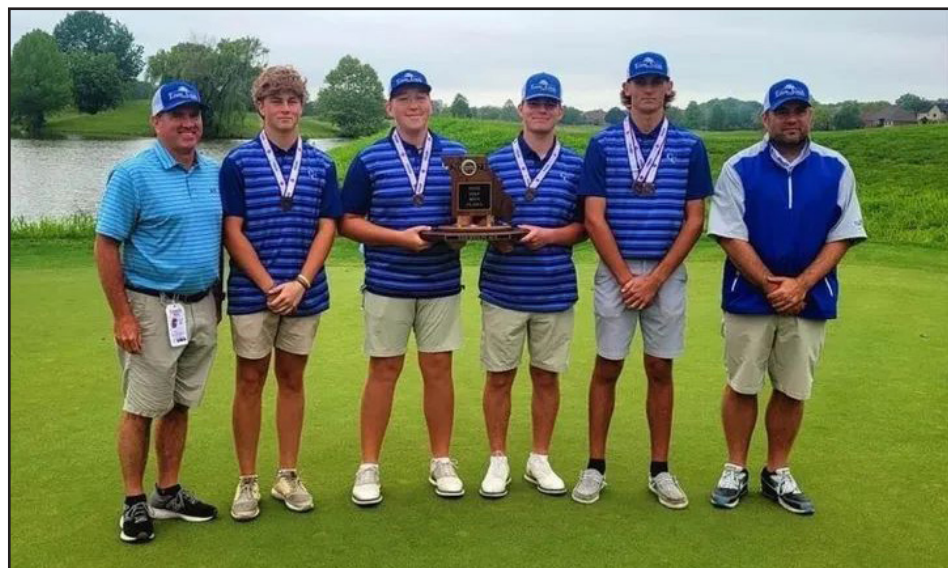

Dieckman, on Wednesday, pitched what Coach Rusk called his best game in three years in a 6-0, no walks and 9 strikeout win over second seed Adrian.

Dieckman commented, "I was sick before the game but felt better as the game went on."

Cole Camp beat Stover on Tuesday, 6-2 behind a fine performance on the mound by Kolby Bohon giving up just 5 hits.

The Bluebirds hosted Barstow on Tuesday in the sectional round. Those results will be in next week's *Enterprise*.

Bluebirds Golf Takes Fourth At State

AT STATE, and as a team, Cole Camp golf followed up a state championship last season with a 4th place finish overall, even after bumping up a class for 2023. The team includes (L to R): Coach Brandon Harding, Tyler Howard (11), Gage Oelrichs (10), Spencer Godwin (10), Matthew Bright (11), Assistant Coach Luke Heisterberg. (Bright has two medals because he was 9th as an individual and was named All-State.)

Cole Camp won the Class 1 state golf championship last year and were moved up in class.

Coach Brandon Harding commented, "Cole Camp placed 4th at the Class 2 State Golf Tournament. The team shot a 693 for the two days. Both days were well above our season averages so it was not a great feeling knowing we did not play our best. It was exciting to place at State again however. Moving up a class and still managing to place 4th is a big deal."

"I am proud of our team and

I know they will continue to work at improving. Matthew Bright placed 9th and was All-State for the second year in a row. He is the hardest worker I know and struggled towards the end of the season. So I was glad to see that his efforts paid off for him. Golf can be a struggle at times and to finish All-State was a great accomplishment for him," the coach said.

Cole Camp's Spencer Godwin tied for 22nd, Tyler Howard was 30th and Gage Oelrichs tied for 33rd.

Harding added, "All these golfers will return and I believe this tournament will be a source of motivation for them. We didn't play our best and they know it. I think we may come out

next year with a chip on our shoulder with something to prove."

Butler Rally Eliminates 'Cats In District Semi

By *Adam Howe, Sports*

The Wildcats held a 4-2 advantage through six innings but Butler rallied to plate 4 runs in the top of the seventh and then held the 'Cats in the bottom of the inning, ending their season with a 6-4 loss.

Butler scored 1 in the top of the first but Warsaw tied the game at 1-1 in the bottom of the second when Tayten Boyer reached on an error and Jayce Depriest scored on the play.

Warsaw's big inning came in the third when Nick Bagley reached on an error. Logan Gemes and Gage Whitaker both scored on the play giving the lead back to the Wildcats. With 2 outs, Garrett Ferguson singled on a fly ball to left field and Drake Murrell scored on the play after coming into the game to run for Bagley to make the score 4-1.

Butler nipped at the deficit to make it 4-2 after six and then the seventh happened.

The Bears drew back-to-back walks to start the inning and a follow-up single loaded the bases. Another walk issued by

Ryan Fajen pushed a Butler run across to make the score 4-3.

With the bases still loaded, a Bears' single scored 2 more and a fielder's choice

runs on 2 hits in 1.1 innings of work. Kendall Bagley came in to record the final 2 outs in the seventh.

The Wildcats finished their season with an overall

IN HIS FINAL AT-BAT for the Wildcats, Nick Bagley drew a walk in the bottom of the seventh, but Warsaw was unable to match the rally of Butler in a 6-4 loss in a Class 3 District 13 semifinal last Wednesday.

in the next Butler at-bat gave them insurance with a 6-4 lead.

Gemes was issued a leadoff walk in the bottom of the seventh but Whitaker grounded into a fielder's choice for the first out. A flyout to centerfield by Kendall Bagley brought his brother, Nick to the plate. The "elder" Bagley drew a walk but Jayce Depriest's flyout to left field was the third out of the inning and the final out of the Wildcats' 2023 season.

Depriest and Ferguson were credited with the only 2 hits for the Wildcats.

Josh Bunch pitched the first 5.0 innings for Warsaw. He gave up 2 runs on 4 hits and struck out 4 before exiting the game and giving way to Fajen who was tagged for 4

record of 16-11. They were 5-3 in the Ozark Highlands Conference.

A full season wrap-up for the 2023 season will be in next week's edition of the *Benton County Enterprise*.

Ladycats Season Ends In Quarterfinal Loss At Fair Grove

TRYING TO EASE THE PAIN of a long inning, Ladycats coach Megan Daleske made a trip to the circle in the sixth inning of Warsaw's 6-1 MSHSAA state quarterfinal loss at Fair Grove last Wednesday.

from third got her across home plate just in front of the throw to give Warsaw a 1-0 lead.

That lead was short-lived though when Fair Grove made their next offensive trip.

A leadoff single followed by 2 errors and then a double quickly put the hosts in front, 2-1.

Warsaw would retire the next two batters, but the Eagles did more damage with 2 outs.

Another error allowed the next runner on. A walk, another hit and a couple more errors led to 4 more runs before the Ladycats could get themselves off the field, facing a 5-run deficit.

A 1-2-3 inning for the Ladycats in their next at-bats ended the Warsaw season at 21-7.

Price and Sadie Chapman both had 2 hits for the Ladycats and Brewster contributed 1.

Brewster also absorbed the loss for Warsaw. She went 6.0 innings, surrendered 6 runs (just 1 earned) on 5 hits and struck out 13.

A full season wrap-up for the 2023 season will be in next week's edition of the *Benton County Enterprise*.

The Fristoe area got some much needed moisture this week which made everything in the ground look greener. But as you look at the pastures you realize the hay crop probably won't be as good as last year just because of lack of moisture. We need to ask God to send down the rain and that would immediately perk everything up.

I bring this news with sad heart, as the woman I have been putting on our prayer request list, Carolyn Colbert, passed away this week. Carolyn was the next to oldest child of Jesse and Gladys Beck. Her family moved to a farm about 3 miles west of Fristoe on Hwy, CC and she lived there till she married George Edward "Eddie" Colbert. Her and Eddie have 2 boys, Dewayne and James. Please remember her family

in your prayers this week. Others to remember, Kathy First, Lewis and Judy Retherford, Gladys Harris, Easter Willis, Curtis Allen and Mary Scarbrough.

The Fristoe area is growing with people especially those of the Amish Faith. The area has gained at least 20 Amish people in and around the area. Angus Road, Antwiler Ave, out CC Hwy just to name a few places that houses have been built. There are several different types of services that are being offered, as well as a greenhouse with plants for sale, so these people will continue to reach out in the community.

The Fristoe Pentecostal Lighthouse Church continues building the

Brush Arbor in their church parking lot. Everyone is looking forward to when a revival will be held.

Because of health issues with Larry Berry, Fristoe Lighthouse Church will cancel their Saturday morning Men's Breakfast this month. The men always hold the breakfast at Back in Time on mail street in Warsaw. Peggy and Larry always prepare the breakfast for the men so with Larry under the weather the cancelled this month and they are all praying for Larry's good health.

This coming Sunday May 28th, Lighthouse Church will be holding a Baptismal Service in the lake past the old CC concrete bridge. Br. Smith encourages everyone to follow one behind the other to the site. Br. and Sis. Smith's granddaughter

Morgan will be baptized. The Church misses our song leader Kele as she has been busy taking care of her Mom Kathy. Br. Smith is filling in for her now. Had several really good specials at beginning of services. The church is still studying How to Study Scriptures in Sunday School. Br. Smith's message was from the books of Luke and Numbers. God is good that is for sure!

Thought for the week: Don't be so busy adding up what you feel are troubles that you forget to count our blessings!

WEEK OF MAY 29 WEEKLY HOROSCOPE

Horoscope text for Gemini 5/21-6/20: It's a strange spot to find yourself in, but you'll have a hard time getting your ideas across as the week begins. From Monday through Tuesday morning, you'll need to work extra hard to eliminate confusion and clarify everyone's agenda. From Tuesday afternoon through Thursday morning, expect to be influenced by some persuasive (and possibly downright crazy) ideas.

OPINION

Have I Got A Line For You!

By James Mahlon White

Many of us are already tired of the 2024 Presidential Campaign and we have 533 days until the election. The debates begin in August and the primaries in February. Wish we could move them to next June or July and live in ignorance until then, especially when the choice on both sides will be more of the same.

those who still watch over you, whether you realize it or not. You betcha old buddy!

* * *
'Til Next Week:
J.M.W.

As I write this, we're swinging into Memorial Day weekend. Years ago Memorial Day was called Decoration Day. It wasn't a boating, picnic and fishing weekend, but a time to visit family graves and remembering. I'll visit Riverside Cemetery in Warsaw and then Warrensburg where I'll place flowers on graves there. In addition to placing a flower on the grave of Major Henry Neill, my great-great grandfather, I'll do the same for his good friend and next door neighbor General Francis Marion Cockrell. They both loved Missouri and were attorneys in Warrensburg. The two family burial plots are adjacent to each other and I like to imagine the two old soldiers visiting in the night for hours, just as they used to, sitting on the front porch, sipping from glasses of good bourbon.

If you have a family member with special needs, you might face emotional and physical issues, but you also may be concerned about maximizing the financial support your loved one requires. Consequently, you may want to consider establishing a special needs trust.

This type of trust can help maintain the financial security and lifestyle of an individual with special needs. Furthermore, a special needs trust can allow the trust's beneficiary to receive financial support for supplemental needs without losing public benefits, such as Supplemental Security Income (SSI) and Medicaid.

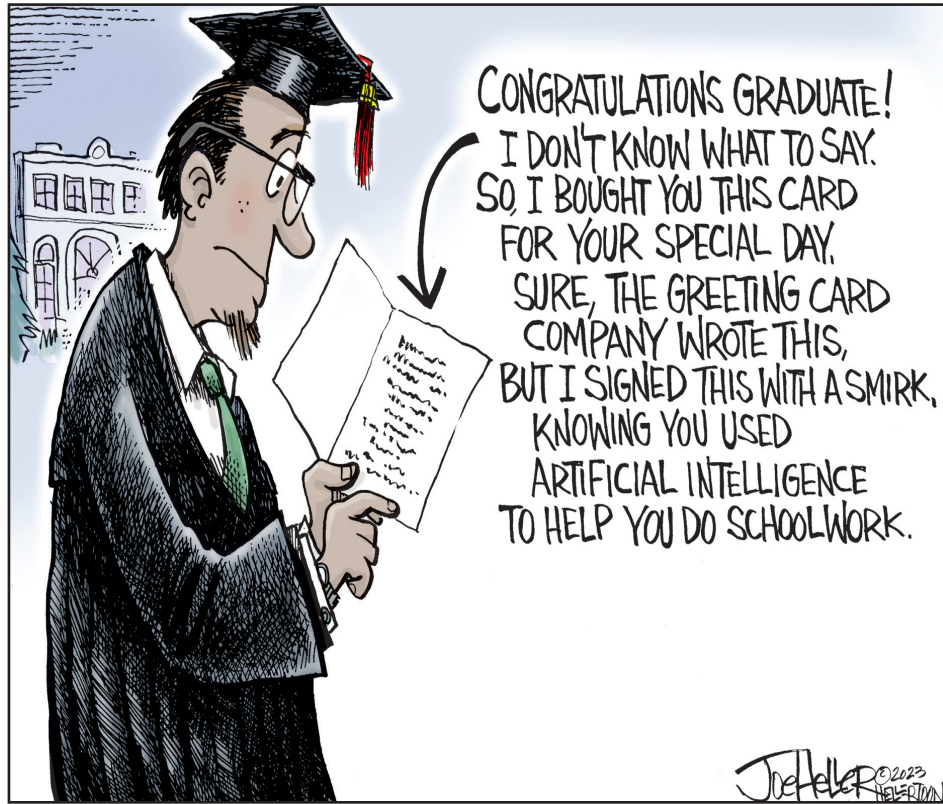

Here's how it works: You, as the trust's grantor, establish the trust and name a trustee who is responsible for managing the trust. You can fund the trust with gifts throughout your lifetime or from other sources, such as inheritances or court settlements. But another popular funding mechanism is life insurance, which the trust can purchase on the life of one or both parents of a special-needs child. And as long as the trust is also named the beneficiary of the policy, government benefits will be protected.

In a special needs trust, the role of trustee is important. A trustee must manage the funds within the trust and ensure those funds are used only to supplement SSI and Medicaid, the government programs that typically pay for food, housing and medicine. Instead, a special needs trust can be used for most other expenses, including transportation and travel, education, entertainment, professional services and personal items.

You could serve as trustee yourself or choose a relative or a trusted friend. Ideally, you want someone who's familiar with your wishes and the needs of your family member with disabilities and who is also competent at managing finances and staying current on SSI and Medicaid regulations.

As an alternative, you could hire a professional trust company to manage your special needs trust. This type of company has expertise in asset management and government regulations and can provide you with strict recordkeeping of all the financial transactions associated with your trust. If you go this route, you'll want to compare different trust companies' costs and services. For such a personal matter as administering a trust for your special-needs family member, you'll want to be sure you're comfortable with whatever company you select.

Also, you'll want to be familiar with some of the possible areas of concern regarding special needs trusts. For one thing, because the trustee totally controls when and how funds are distributed, beneficiaries can get

Wow! You'll be overwhelmed by the captivating, expansive views from this phenomenal Truman Lake home. From the moment you walk into this spacious nearly 3,000 sq ft home you will appreciate the bright and open living this home offers. The impressive 12-foot tray ceilings, multi-level living areas, roomy deck and open patio make this truly an entertainer's dream. For your added protection and safety, a tornado/storm shelter room is also located on the lower level. Relax and spend some time on the sizable back deck while enjoying nature's beauty and wildlife galore including deer, turkey, and eagles. This home is situated on .83 acres adjoining the Corps grounds of Truman Lake. It is accessed by a blacktop road and is approximately nine miles from the city of Warsaw and 1.3 miles from Berry Bend Lake access. Must see to truly appreciate. Don't let this one pass you by. Rev. Wanda I. Antwiler

Rev. Wanda I. Antwiler passed from this life into the waiting arms of her savior on May 12, 2023.

She is preceded in death by her parents, Johnny W. Antwiler, Jr and Golda Fay (Downs) Antwiler, and step mother, R. Charlene Antwiler. Siblings, Donnel R. Antwiler, Walter L. Antwiler, Grace A. Antwiler, Faye E. Antwiler, Charles W. Antwiler, Roy L. Antwiler, Mary Lou Dougherty, and infant brother Randy D. Antwiler.

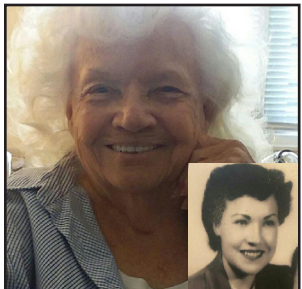

She is survived by siblings, Darrel D. Antwiler (Dorothy) and Ronnie D. Antwiler of Independence, MO, Johnny L. Antwiler (Mary Helen) and Timothy L. Antwiler (Tina) of Calhoun, MO., Anita G. Harrelson (John) of Tightwad, MO, many nieces and nephews, her sister/friend Linda Meinke of the home, and a host of loving cousins.

She is a graduate of Clinton High School. As a licensed minister with the Assemblies of God, Wanda traveled as an evangelist over multiple states for many years before pastoring Leesville Gospel Center from October 1987 to early 1999.

After retirement, she spent the last six years of her life at Sunny View Care Center in Trenton, MO where she made many friends.

Funeral services will be held at 2:00 P.M. on Wednesday, May 17, 2023 at the Reser Funeral Home with Rev. Dalin S. Antwiler, officiating. Graveside services and interment will be held at the Fristoe Cemetery in Fristoe. Visitation will be held one hour prior to services from 1:00 to 2:00 P.M.

Eleanor L. Baker

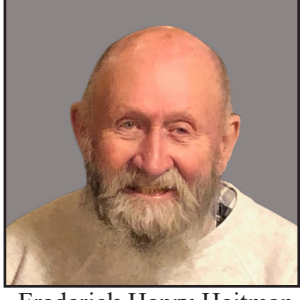

Eleanor Louise Baker of La Monte, MO. passed away May 11, 2023 at the tender young age of 93.

Born March 27, 1930 in Kenneth, Ks. to Benjamin Franklin and Abigail Witherspoon of Stanley, Ks. One of eleven siblings and the last the leave us.

Eleanor was preceded by her husbands, but brought into this world four children. One daughter, who unfortunately beat her to heaven and three boys. All together they provided her with eleven grandchildren, and this count of begatting could continue all the way down to the great, great grands, numerous nieces, nephews, cousins, in-laws, out-laws and all of the extended family who volunteered to become a part of our family because they knew that love and prayers, not to mention a hot meal were readily available from Eleanor with a moments notice. All in all, they family will miss our Eleanor, and would like to take this time to apologize to the rest of the planet because they did not get a chance to have the most loving, caring, sweetest little mother matriarch there has ever been in their lives.

Frederick H. Heitman

Frederick Henry Heitman, 79, of Sedalia, MO, passed away at home on Monday, May 15, 2023. He was born on July 5, 1943, in Kansas City, MO, the son of Henry Heitman and Johnnie (Bullock) Heitman, who preceded him in death.

On June 20, 2014, in Warsaw, MO, he was united in marriage to Cynthia Riek, who resides in the home.

Fred served his country honorably in the United States Army during the Vietnam War and was stationed in Germany. Fred was the sweetest, kindest, funniest soul. With his presence gone, there is a hole left in his family. He was a great man and was the easiest person to get with a jump scare. Fred knew how to give and take a joke. Fred took care of his wife with love and respect. He was with her on her good days and loved her even harder on her bad days. Fred enjoyed life and lived for the moment. Fred enjoyed playing poker and pool and especially loved spending time with his family and friends.

Along with his wife, Fred is survived by two brothers, Frank Martin (Marie) of Kansas City, MO, and Buster Heitman (Kathy) of Independence, MO; four step-children, Tina Davis (Sheldon) of Lincoln, MO, Trisha, Craig and Tara Tanner all of Kansas City, MO; two grandchildren, Jillian and Abbi; and numerous nieces, nephews and extended family.

The family will be having a celebration of life gathering with family and friends at a later date.

Memorial contributions may be made to the American Diabetes Association, <https://diabetes.org/ways-to-give/by-mail?form=Donate>, or the International Bipolar Foundation, <https://ibpf.org/connect/donate/>.

Arrangements are under the direction of Rea Funeral Chapel.

Alisha A. Friar-Holt

Alisha Ann Friar-Holt, age 46, of Cole Camp passed away on Friday, May 19, 2023. She was born on April 3, 1977, in Clinton, Missouri, the daughter of Gary and Sherry Friar. Alisha was in the Warsaw High School graduating class of 1995, after graduation she went to State Fair Community College in Sedalia, Missouri and graduated with her Associates degree in 1998.

Alisha was full of life and loved her family unconditionally. She met the love of her life, Jason Clancy in September of 2011, their connection was a blessing to not only Alisha but her children as well. When asked about their relationship Jason said "I knew I loved her the moment I met her, we had a bond that couldn't be broken no matter how big the argument, fight

we always found our way back to each other. We had a special I love you hand squeeze; we would squeeze each other's hand three times. She made me a better man. She knew how to encourage me to do things I never thought I could do."

Alisha found joy in the smallest things. She couldn't wait for the spring so she could get her hands dirty planting her garden. During her daily phone calls to her mother, she recently was bragging about the strawberries she was already picking. She could make anything with her hands, she enjoyed crafts of all types, she made quilts and was always baking for her family. The running joke was the jello cakes she made for everyone's birthdays. She was a free spirit who loved deeply. Her dogs Aise and Blaise were her kids with fur. Alisha's children's actives were her most beloved hobbies, from softball games, band concerts, choir concerts, archery competitions and wrestling meets, she enjoyed them all equally. She cherished picnics, watching Outer Banks and listening to her son play the guitar. She literally had her head in the stars, she was always outside on clear nights looking up at the stars and constellations. One of her favorite gifts was a telescope Jason bought her. She and Jason loved to travel. On their daily trips to Sedalia, they would enjoy Scooters smoothies and she wouldn't just order one, she would order two, and both were gone in no time. She will be missed by not only her family, but by anyone who got the opportunity to love her.

She is preceded in death by her father Gary Friar, one brother Jared Friar, paternal grandparents; Quetin and Mary Friar, maternal grandparents; Wyatt and Anna East, and an uncle, Mickey East.

Alisha is survived by the love of her life Jason Clancy Sr. of the home, four children; Rakayah Ann Holt, DaVeigha Ann Holt, Eastynn Wyatt Holt, Jason Allen Clancy Jr. all of Cole Camp, Missouri, her mother Sherry Friar, of Warsaw, Missouri, two cousins; Megan Skaggs of Washington, Mackenzie Richey of Windsor, numerous relatives and many friends.

Funeral Services for Alisha Ann Friar-Holt will be held at 1:00 P.M. Wednesday, May 24, 2023 at the Reser Funeral Home in Warsaw, Missouri. Graveside services will be held at Shawnee Cemetery immediately following.

Memorial contributions may be made to the family c/o the Reser Funeral Home.

Mary Lou Kirksey

Mary Lou Kirksey, 94, of Camden, Arkansas, formerly of Bartlesville, Oklahoma, passed away on Monday, May 15, 2023. She was born on June 17, 1928, in Kansas City, Missouri, to Loyd and Edith Bresee. Her family later moved to Warsaw, Missouri, where she spent her growing-up years. She graduated from Warsaw High School and Central Missouri State College in Warrensburg, Missouri, with a degree in Business Education. After college, she moved to Bartlesville, Oklahoma, where she began her career as a secretary at Phillips Petroleum Company. She later met and married Bill Kirksey. They made their home in Bartlesville and raised a family. Six years ago, she moved to Camden, Arkansas, to be closer to family.

She is preceded in death by her parents, Loyd and Edith Bresee, her husband Bill Kirksey, her sister, Ruthie Guthrie of LaGrange, Georgia, and her brother, Bill Bresee, of Des Moines, Iowa.

She is survived by her two sons, Andy Kirksey (Eddie Jo) of Camden, Arkansas, and Tim Kirksey (Michelle) of Durham, North Carolina; four grandchildren, Chris Kirksey of Camden, Arkansas, Anna Kirksey of Little Rock, Arkansas, and Noah and Lydia Kirksey of Durham, North Carolina.

A private family graveside service will be held at a later date in Rogers, AR. In lieu of flowers the family would ask to make a donation to the charity of your choice. Proctor Funeral Home is in charge of the arrangements.

Robin G. Suhl

A Celebration of Life will be held for Robin G. Suhl, on Sunday, May 28, 2023, at 2:00 P.M. at the Church of Christ, 20747 Hwy 65 in Lincoln, MO.

Robin Gary Suhl was born September 19, 1940, the only son of Theola (Renfro) and Lee Suhl, in Sedalia, MO. Robin grew up in Lincoln, MO and attended Lincoln High School where he played football and the trumpet in the band, graduating with the class of 1958.

He went on to Central Missouri State College in Warrensburg, MO, where

he studied English and graduated in 1962 with his BS Degree in Education and Special Preparation in Physical Education. While at CMSC he played in the marching band, sang in the choir, and was an active member of student ministry with the Wesley Foundation.

Upon graduating, Robin taught English, physical education, driver's education, and coached high school football and basketball at several Missouri high schools.

He was an avid life-long trumpet player and history buff and loved to hunt in his younger days. He also had a beautiful baritone voice.

Robin moved to McAllen, Texas, in October 1999, where he met Olga. They were married on February 13, 2000, at Laurel Heights Church of Christ in McAllen. Together with Olga, Robin was an active member at Laurel Heights where he happily served in any way needed. He also financially supported the ministry at Lincoln Church of Christ in Lincoln, MO. He continued to serve as a substitute teacher for all three McAllen high schools for the next many years.

Robin passed away on the morning of April 23, 2023, after a long and hard fought battle with cancer, with Olga and (his trusty mixed breed canine companion, Katie) by his side.

A Celebration of Life was held on April 29, 2023, at Valley Memorial Garden, Mission, TX.

He is preceded in death by his parents, his mother-in-law, Arcelia Garcia, and aunts and uncles.

He is survived by Olga T. Suhl, his wife of 23 years; his three daughters by marriage, Michelle (Trent Harrison), Melanie (Frederic Spindler), and Jennifer (Gabriel Rodriguez); grandchildren Meredith, Ethan, Jett, Elizabeth, Wyatt, Mateo, Raquel, Zoe, and Esteban; sister-in-law Lupita Ramirez, and beloved cousins, nieces, and nephews.

Robin was a son, a husband, a granddad, a friend, a teacher, and a servant. He was funny and sober-minded, loving and lovable, silly and wise,

flawed and sanctified, and through it all he was steadfast in the race laid before him, running with endurance, assured that the prize of seeing his Savior face to face awaited him. We will miss Grandpa Robin, but we rejoice that he has gained his reward and crown of glory!

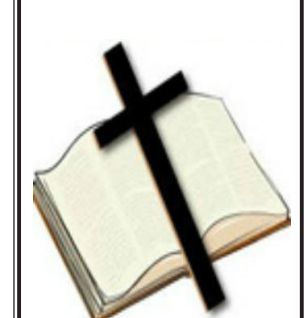

But as for me, I know that my Redeemer lives, and he will stand upon the earth at last. And after my body has decayed, yet without my body, I will see God. I will see him for myself. Yes, I will see him with my own eyes. I am overwhelmed at the thought! Job 19:25-27

UNIVERSITY OF MISSOURI Extension

by Gene Schmitz, Field Livestock Specialist

Wheat Straw Ammoniation

Drought conditions throughout parts of central Missouri have severely limited cool-season grass production in pastures and hay fields. Seedheads have emerged on cool-season grasses, but undergrowth is thin in many places. Many producers are searching for hay or other forage sources to replenish depleted hay reserves.

In addition to already harvested wheat hay and planting summer annual forages, another option to fill hay needs might come in the form of ammoniated wheat straw. In order to be successful, straw needs to be baled and treated soon after grain harvest.

Bales need to be covered to seal in the anhydrous ammonia. Use either 6 or 8 mil black or clear UV resistant plastic sheets for covering the stack. A 40' X 100' sheet of plastic will completely cover 38 round bales of straw. Stack two bottom rows of 13 bales and one top row of 12 bales. Anhydrous ammonia should be applied at a rate of 60

pounds per ton of wheat straw, so it is important to weigh some bales to get an average bale weight. Once the weight of 38 straw bales is known, the correct amount of anhydrous ammonia can be purchased and the anhydrous tank can be slowly emptied under the covered stack.

To treat the straw, insert a 1-inch pipe into the center of the stack under the plastic and attach it to a steel fence post to keep it in place. Apply the ammonia slowly to the center of the stack. Three to 5 hours is suggested. Be sure to seal the sides of the plastic against the ground with dirt, waste lime, etc. Enough fill should be placed on the plastic to keep it from being pulled loose by winds and ballooning when the ammonia gas fills the covered stack.

Bales should be stacked in an area that has excellent air flow. Be aware that vegetation under the stack will be killed. Stacking the bales on gravel will help keep moisture from wicking

up from the ground below, but be absolutely sure to get the plastic sealed to the ground completely around the stack in order to prevent the anhydrous ammonia from escaping.

Safety when working with anhydrous ammonia is of the utmost concern. Follow these safety instructions: 1) Wear goggles, rubber gloves and protective clothing. 2) Work upwind when releasing ammonia. 3) Have fresh water available to wash off any anhydrous ammonia that comes in contact with the skin. 4) Check all valves, hoses and tanks for leaks. 5) Check the plastic cover for leaks and patch with duct tape. 6) Do not smoke near anhydrous ammonia. 7) Keep children away from treatment area.

Keep the straw pile covered until 2 to 3 weeks before feeding begins. At that time, the ends of the stack can be opened to allow the stack to air out. The chemical reactions occur within a couple weeks during the summer months, but the pile must remain covered to maintain forage quality of the treated straw. When feeding begins, some producers will remove several bales from the pile a few days before feeding to allow the straw time to air out.

Toxicity can occur in animals when some forages

are ammoniated, so only treat low quality forages such as wheat straw or fescue stubble following seed harvest. Consider working with a nutritional consultant to develop feeding programs. If toxicity issues do occur, avoid working the cattle and remove ammoniated hay from the diet for several days. A mixture of 50% ammoniated hay and 50% untreated hay should eliminate any problems. Treating wheat straw with

anhydrous ammonia does improve the straw's feeding value and can stretch tight hay supplies. However, utmost care should be taken when treating and handling the straw. Supplementation programs will also be different than for traditional grass hay. For more information contact me at the Extension Center in Sedalia at (660) 827-0591 or e-mail at schmitze@missouri.edu. University of Missouri programs are open to all.

Benton County Central Dispatch broadcast a call for service at 11504 Del Vista Drive in rural Warsaw MO. Dispatch stated that two females forced entry into the residence, concerned about their friend who had been missing from the area since Monday, May 15th. Upon entry, they discovered what appeared to be a body concealed with a blanket and trash bags. There was also a substance they believed to be blood, all over the area.

Deputies arrived on scene and secured the residence while applying for a search warrant. After the search warrant was issued, detectives entered the residence to discover a deceased person. Detectives described the scene as horrific in nature.

The scene was carefully processed by detectives into the early hours of

May 19th. The body was removed by the Benton County Coroner and transported to the Jackson County Medical Examiner for a forensic examination to try and identify the body as well as the actual cause of death.

A preliminary report from the medical examiner received late today, Friday May 19th, identified the deceased as 57-year-old Lori Beth Finlay who resided in the area. The body was discovered at her alleged boyfriend's residence Robert Ashley Peterson, 54.

The medical examiners preliminary report suggested that Finlay was shot multiple times in the head and neck with a projectile weapon as well as bludgeoned about the upper body, head, and neck. During the investigation, Peterson was located at a residence in Marshall MO and taken into custody on a Benton County Warrant for domestic violence and being held on a 24-hour investigative hold in connection with the murder victim.

After detectives sifted through a mass amount of evidence a probable cause statement was issued to the Benton County Prosecutor, Rod Richardson for the arrest of Peterson for Murder 1st Degree and Tampering with Physical Evidence. Peterson is currently being held in the Benton County Jail on a no bond warrant. Peterson may be facing further charges as the investigation continues.

Notice of Letters Testamentary Granted (Independent Administration)
To All Persons Interested in the Estate of EVERETT EDWARD HESSE, Decedent:

On APRIL 17, 2023, the last will of the decedent having been admitted to probate, the following individual was appointed the personal representative of the estate of EVERETT EDWARD HESSE, decedent, by the Probate Division of the Circuit Court of Benton County, Missouri. The personal representative may administer the estate independently without adjudication, order, or direction of the Probate Division of the Circuit Court, unless a petition for supervised administration is made to and granted by the court. The name, business address and phone number of the personal representative is:

DEANNA L. MAHNKEN, 3415 N. 10TH, OZARK, MO 65721

The personal representative's attorney's name, business address and phone number is:

JOHN H. SCHMIDT, SCHMIDT, KIRBY & SULLIVAN, P.C., 2838 S INGRAM MILL RD, SPRINGFIELD, MO 65804; 417-882-2828

All creditors of said decedent are notified to file claims in court within six months from the date of the first publication of this notice or if a copy of this notice was mailed to, or served upon, such creditor by the personal representative, then within two months from the date it was mailed or served, whichever is later, or be forever barred to the fullest extent permissible by law. Such six-month period and such two-month period do not extend the limitation period that would bar claims one year after the decedent's death, as provided in Section 473.444, RSMo, or any other applicable limitation periods. Nothing in Section 473.033, RSMo, shall be construed to bar any action against a decedent's liability insurance carrier through a defendant ad litem pursuant to Section 537.021, RSMo.

LINCOLN FIRST BAPTIST CHURCH

Greetings. First I want to invite everyone to a revival we will be having in June. It will be June 11-16 at 6:30 pm. Bro. Josh Klaiber and Bro. Jamie Klaiber will be bringing the messages during the week. There will be music from special guests during the week. Come and join us to hear God's word. Bible school will be July 5-7 with a family picnic on the 8th at the park. Time is 9-12 noon. Round up those kids. Happy birthday to Sharon Hoard. Many are on the prayer list. Keep those prayers going. Sunday school and worship attendance is holding steady. We as a church ordained Bro. Jesse Klaiber in a ceremony in the evening. Many were in attendance with good messages coming from the pulpit. May God bless this family going forward. There was a fellowship afterward that was well attended.

Bro. Jesse's message in the morning worship was taken from Exodus 32. He focused on the story of the golden calf. We have come so far from the day of Moses. Things have changed but God hasn't. Certain people keep other people in line. This was the case of Moses and Aaron. When Moses went up the mountain to talk to God Aaron didn't stand his ground and the people took advantage of him. Moses kept the people of Israel in check but Aaron fell into what they wanted him to do. The made a golden calf to worship.

God wanted to destroy the people but Moses talked Him out of it. Moses was sent down to see what the people were doing and Moses got mad and broke the tablets with the Ten Commandants on it. Moses

called for the Levites to kill all the people who didn't stand with God. Sin isn't ok. Know how to bring the sin back to God. Pray and Believe. Don't condone things in your house or life that is wrong. God needs to be in charge. Make intercession and make a stand. If there is not change there is no Jesus. REVIVAL JUNE 11-16 AT 6:30PM. BIBLE

SCHOOL JULY 5-7 WITH A FAMILY PICNIC ON THE 8TH AT THE PARK. TIME IS 9AM-12 NOON. MAY GOD BLESS YOU THIS WEEK.

UNITY OF THE LAKES

Rev. Don's service this Memorial Day weekend is "Remember Me". Who

do we take the time to remember and how would we like to be remembered? What did Jesus mean when he said "Remember Me"? Could it be different than we thought? Please join us this Sunday 5/28/23 at 11 am as we remember. Dress is casual and all are welcome. We are located 8 miles south of Warsaw on highway 65. Come grow with us. We look forward to seeing you.

On behalf of the Benton County Assessor's Office, please join us in congratulating Cheryl Moore on her retirement, effective May 31, 2023.

Cheryl has been an integral part of the Assessor's office for over 20 years and has held various duties over the years including most recently serving as Jim's Deputy Assessor. A recent highlight for Cheryl was receiving proclamations for her years of service and dedication at the Missouri State Capitol.

Please join us in wishing Cheryl a happy retirement on Tuesday, May 30th at 2:00 in the County Commissioner's Office.
