By Donnie Nichols

## Rain Didn't Dampen Jubilee From Being A Joyous Success

This time of year, in the evenings, mosquitoes are a problem if you're sitting outside. Most people think attracting purple martins to your property will greatly reduce the mosquito population in your area. If you really want to control mosquitoes, you should try to attract bats.

Bats, which are mammals, and the only group of mammals capable of true flight, make up over 20% of mammal species worldwide and are surpassed in numbers only by the order Rodentia (rodents and mice). There are 1,116 recognized species of bats, including 46 in the United States. Sixteen species of bats have been documented in Missouri while some of the species are considered common and can be found in just about every one of Missouri's 115 counties, others are considered rare, endangered or even extirpated.

**MOST BAT SPECIES** have only one baby per year.

Bats belong to the order Chiroptera (from the Greek word "hand wing"). A bat's wing contains the same bones present in the human arm and hand, just in different proportions.

### Fires Ravage Barn On Hwy BB, Dam Restaurant

By  
Homer May  
County Reporter

About 8:00 PM Monday June 5, fire destroyed a hay barn which sat on the south side of Benton County Hwy. BB about 3/10 mile east of Butterfield Trail Road, torching the barn and the many hay bales it contained, plus destroying some farm machinery parked in that barn. A nearby resident who arrived at the fire said the conflagration was probably caused by an automobile which had a mechanical problem causing the driver to stop next to the barn, and the vehicle thereafter became engulfed in flames which soon spread to the barn.

The fire seemed to have continued to smolder until the morning of June 8, when the area got a little rain. No information was available

**FIRES Page 16**

**CANDY, CLOWNS AND ALOHA SPIRIT** were all part of this year's Grand Jubilee Days parade on Saturday. Hundreds of spectators, including Van Moran lined Main Street despite cloudy skies and a few rain drops.

By  
Anita Campbell  
County Reporter

Even a short rain shower couldn't keep people away from the 56th Annual Jubilee Days festivities this past weekend.

Jubilee Days started with the Baby Contest on Wednesday night.

Aspen Ethridge, daughter of Mariah Ethridge and Ricky Schroer, was crowned as the Jubilee Days Baby

Girl. William Longworth, son of Autumn Longworth, was crowned as the Jubilee Days Baby Boy.

Other winners included: Boys (0-6 months) 1st place, Michael Cleveland Abney, son of Danelle Thompson-Abney and Ryan Abney; 2nd place, Ryker Burns, son of Kristen Jones; 3rd place, Sulas Wilcox-Cawood, son of Taylor Wilcox.

Girls (0-6 months) 1st place, Aspen Ethridge, daughter of Mariah Ethridge and Ricky Schroer; 2nd

place, Alana Jofay Bryce-Weter, daughter of Candace Weter; 3rd place, Stella Adams, daughter of Chelsey Kendrick.

Boys (7-12 months) 1st place, Gus Salley, son of Shaina Salley; 2nd place, Everett Williams, son of Justin and Ganelle Williams; 3rd place, Lane Rogers, son of Trent and Leah Rogers.

Girls (7-12 months) 1st place, Alice Kehler, daughter of Isaiah Kehler; 2nd place, Lorelei Case, daughter of Crystal Case; 3rd place, Jolene Bernal, daughter of

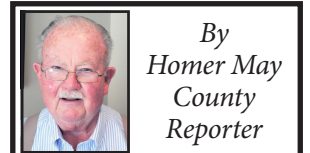

Holly Bernal.

Boys (19-24 months) 1st place, William Longworth, son of Autumn Longworth; 2nd place, Augustus Lutman, son of Joslyn Cunningham; 3rd place, Dean Cave, son of Crystal Cave.

Girls (19-24 months) 1st place, Maggie Casteel, daughter of Chelsea Casteel; 2nd place, Beverly Brooks, daughter of Oma Brooks; 3rd place, Gentire Williams, daughter of Ganelle Williams.

### Lincoln Receives "Clean Opinion" On 2022 Audit

By  
Homer May  
County Reporter

Under new business Monday eve KPA Auditor Mary Brune informed the Board that her recently completed financial audit of the city's books produced a "clean opinion," which was about the best audit result possible. She also noted that the city's revenues were up overall, but expressed a concern about its lack of segregation of duties, thus exposing the city to possible economic harm. But she added that cities the size of those in Benton County lack financial resources to hire sufficient personnel to ensure all financial operations are separated.

The meeting opened at 6:00 PM on June 12, with Aldermen Phil Fisher, Janice Sweargin, Jack Lietzke, Barbara Hammond present. Mayor Glen Nelson presided; City Clerk Sabrina Brown recorded.

First actions by the group were to approve the evening's agenda and minutes of the May 8 regular meeting, then agree to pay bills presented.

Benton County Economic Development Director Jo Ann Lane said Pink Silo Company's remodel is still in progress; they hope to open in mid-July. Mozark Mocha has purchased a mobile trailer. They were in Warsaw over the weekend selling their coffee, smoothies, and

## Health & Wellness Rides Are Big Wow For Seniors

By  
Judy Kramer  
County Reporter

Missouri has 19 community action agencies across the state serving

low-income individuals and families through a variety of direct services to help them achieve self-sufficiency. West Missouri Community Action Agency (WCMCAA), that serves Benton and nine other counties, began New

Growth Transit, LLC about three years ago to provide rides to health and wellness appointments for people who needed transportation. About six months ago the program was introduced in Warsaw and volunteer drivers are being recruited.

"I am going to doctor's offices, senior centers and libraries to inform the public about this community service and to recruit volunteer drivers," said Marissa Scott, Community Mobility Coordinator with New Growth Transit. "I give out cards to individuals with contact information so those needing a ride can call us and get on our schedule. We can't schedule a same-day ride. We need at least 48 hours advanced notice. A ride may be scheduled by calling 417-283-7991 Monday through Thursday. But the actual

### Huffman Hangs It Up After 29 Years At Warsaw R-IX

**LEAVING A LASTING IMPACT**, R-IX Elementary Instructor Melinda Huffman is retiring after 29 years of service to the district. Huffman was recognized by State Representative Rodger Reedy for her long career.

By  
Anita Campbell  
County Reporter

After 29 years with the Warsaw R-9 School District, elementary instructor Melinda Huffman has retired.

Huffman began her career as a kindergarten teacher at Ruth Mercer

Elementary. She worked for 18 years as a kindergarten teacher then spent three years as a second-grade teacher, seven years as a first-grade teacher and then one year as a kindergarten teacher at Warsaw South Elementary.

"I will definitely miss the kids the most," said Huffman. "The first

## Community Calendar

**JUNE 15, 2023:** You are invited to join us on Thursday, June 15, for an evening of celebrating and supporting rural small businesses at the Small Business Advocacy Town Hall at Liston Center, 508 N. Main St. in El Dorado Springs. Food served 6:30 PM, Town Hall starts 7:00 PM. The Small Business Advocacy Town Hall is about building resources that rural entrepreneurs need to strengthen their communities and Missouri's economy. Please bring your presence and your perspective!

**JUNE 16, 2023:** Spiritual Awakening! Poplar Baptist Church, Warsaw, will be hosting a three-day revival June 16-18. Pastor Derrick Nichols, Lincoln High School alumni will bring relevant, life-impacting messages and Marcus Barnes will lead praise and worship, with a blend of traditional and contemporary music that will touch everyone. The Friday service starts at 6:30 PM and the first 20 families with children will receive a summer beach tote bag. The Saturday service starts at 5:00 PM and a free fish fry will follow. Sunday, the service starts at 10:30 AM and will include fun give-away gifts to finish out the three-day event. Come for one or all three unique experiences, and awaken your spirit to hear from God.

**JUNE 18, 2023:** Hopewell Baptist Church will host a Men's Breakfast on Sunday, June 18 at 10:00 AM in the Fellowship Hall. Bring your dads, uncles, cousins, and any other man who made an impression on your life you want to honor.

**JUNE 28, 2023:** The Benton County Economic Development Committee will meet Wednesday, June 28, 4:15 PM, at the Truman Visitor Center. The public is invited to attend. Also, the Local Planning Team for the Creating Entrepreneurial Communities (CEC) Conference 2023 - Benton County will meet at 3:00 PM at the Truman Visitor Center on June 28 - everyone welcome to attend and join in the planning! For more information, please contact Amie Breshears at (660) 438-5012 or abreshears@missouri.edu.

**JUNE 30, 2023:** Warsaw Friends of the Library will host a reception to introduce the recently compiled book by Jeff Polly on the History of the Warsaw Library. Reception is from 10:00 AM to 2:00 PM at the library. Refreshments provided.

**JULY 6, 2023:** The Republican Central Committee meeting for July will be on Thursday, July 6 at 7:00 PM in the Boonslick Library meeting room in Warsaw.

**JULY 21, 2023:** The Benton County Democratic Party will meet Wed., July 21, 6 p.m. at the Warsaw Library. Our guest speaker is Benton County Economic Development Director Jo Ann Lane and we'll be discussing upcoming events. Please join us for refreshments and what promises to be an informative evening.

## NEWSbriefs

**FREE MEAL FOR ALL,** 4:30 PM-5:30 PM, Thursdays at Warsaw Methodist Church. No one turned away. Bring your appetite and your neighbor.

**MISSOURI MEDICARE ASSISTANCE:** Certified Missouri Medicare Counselors are available here in Warsaw to answer your Medicare questions, provide information on available plans, and help you understand your options. They are volunteer counselors so their services are always free and they have no affiliation with any insurance company or pharmacy. Appointments can be made by calling (660) 530-2644.

**GLORY SINGERS** invite men and women singers to join them Mondays at 10:30 AM. We joyfully sing hymns and other tunes at Warsaw Health and Rehab and Lincoln Community Care Center on alternating weeks. For information, contact Cynthia Bolinger at (660) 438-2774.

**INTERESTED IN END TIME REVIVAL?** Come join us, "The Benton County Prayer Warriors" for prayer and fasting for Souls for God's Kingdom. We meet at Shirley's Cafe every 1st and 3rd Tuesday of the month at 5:00 PM in Lincoln, MO on Hwy 65. For more information, please call Betty at (660) 438-6466 or Dona at (660) 723-0356.

**HELP THE** Cole Camp Branch celebrate 70th Anniversary of Boonslick Regional Library with your Library Story! In a one-to-two-page essay tell us of your experiences at the library and how it shaped your life or the lives of those in your community. Entries are limited to adult patrons 18 yrs. of age and up. Contest opens June 1st and the Cole Camp Library will take submissions until July 15th. Contest winner will be announced July 24th on our Face Book Page and in the following edition of the Cole Camp Courier. Winning essay writer will receive a 4pck of Royals vs. Cardinals MLB tickets to the Aug 11th game, including a post-game firework show! Entries may be submitted in paper at the Cole Camp Branch during business hours, or emailed to colecamplibraryprinter@gmail.com.

Heading into the fresh fruit and berry season, the following recipe for a sweet easy to make dough comes in handy, making enough for one 9-to-12-inch tart.

The egg yolk means the pastry is a little sturdier and a little less flaky than regular pie dough.

- 1-2/3 cups all-purpose flour
- 2 tablespoons sugar
- 9 tablespoons butter, chilled
- pinch of salt

- 1 egg yolk
- 3 tablespoons cold water

In a large bowl, combine flour, sugar, butter (cut into small pieces) and salt. Using a pastry blender, two knives or your fingers, work the butter into the flour until it has the texture of oatmeal. Make a well in the center of this mixture and pour in the egg yolk, beaten with the water. Mix lightly with a fork (if the dough is too dry, sprinkle with a tablespoon more water), then turn the

dough onto a floured board and press dough into a ball. Knead just a few seconds to distribute the fat evenly, then re-form into a ball. Wrap in plastic or wax paper and refrigerate for at least 20 minutes. It will keep for a few days in the refrigerator or several weeks in the freezer.

### JUBILEE DAYS

(Continued from Page 1)

The Jubilee Days Queen and Princess contests were held on Thursday in the Warsaw Community Building.

Angela Konapasek was crowned as the 56th Warsaw Jubilee Days Queen. 1st runner-up was Alysia Yoder and 2nd runner-up was Lilia Jensen. Talent winner was Lilia Jensen. Most Photogenic was Breanna Burriss. Jovi Robertson won the Sash Award as well as Miss Congeniality. Alysia Yoder won Best Dress.

Cecilia Shinn was crowned as the 2023 Jubilee Days Princess. 1st runner-up was Brianna Fellers and 2nd runner-up was Riley Nevius. Talent winner, photogenic winner and Sash winner was Riley Nevius. Jennifer Murdock was the Interview winner. Brianna Fellers won Best Dress. Cecilia Shinn also won Miss Congeniality.

During the Queen and Princess contest, Jubilee Days Chairman Chuck Allcorn presented the John Wiest Award to Kelli Daleske for her years of work on the Jubilee Days Car/Truck/Bike Show as well as her work with the Benton County Health Department.

"I can't imagine living anywhere but Warsaw," said Daleske. "This is a wonderful town."

On Friday night the Junior Miss and Little Miss contests were held.

Hayden Sutherland was crowned as the Jubilee Days Junior Miss. 1st runner-up was Bailey Steenburgen and 2nd runner-up was Grace Long. Bell Flutey won Top Interview. Lainey Burnham won Junior Miss Photogenic. Bailey Steenburgen was the Talent, Sash and Best Dress winner. Micha Newell was Little Miss Personality.

Lenox Brown was crowned as the Jubilee Days Little Miss. 1st runner-up was Haven Hinkle and 2nd runner-up was Joselyn Brookshire. Lenox Brown was also the Interview winner. Haven Hinkle won the Talent and Dress competition. Lillian Danner was Little Miss Personality. The Sash winner was Josie Parker.

Prior to the parade on Saturday morning, the traditional turtle races were held on Main Street.

Age 0-2, 1st place, Cora Wisdom; 2nd place, Anna Morrison; 3rd place, Heston Schenewark.

Age 2-4, 1st place, Naomi Smith; 2nd place, Ava Slaughter; 3rd place, Sage Kolberg.

Age 4-6, 1st place, Hayden Freeman; 2nd place, Livia Rogers; 3rd place, Brock Parker.

Age 6-8, 1st place, Stetson Himes; 2nd place, Garrett Sloan; 3rd place, Hailey Hinkle.

Age 8-10, 1st place, Jackson Sneed; 2nd place, Zeke Koppang; 3rd place, Finley Nunday.

Age 10-12, 1st place, Carli Callaway; 2nd place, Trinity Rogers; 3rd place, Kallie Smith.

Grand Champion, Kids, Jackson Sneed; Grand Champion, Adults, Randy Kast.

After the parade, the Jubilee Days Bike, Car and Truck Show was held. Winners included: Best of Show Car/Truck, Danny Nunamaker from Versailles, MO, 1928 Ford Model A Roadster Pick-up.

Best of Show Motorcycle, Jimmy Wooton from Garden City, MO, 2004 Harley Davidson Chopper.

Jubilee Days Choice, Don Hall from Versailles, MO, 1941 Chevrolet Cabriolet.

Best Car Club, Lake of the Ozarks Corvette Club.

Other winners include: Class CA Corvettes: 1st place, Marlin and Barbara Hammond, Lincoln, MO, 2015 Chevrolet Corvette Coupe; 2nd place, Gary and

Cheryl Waisner, Warsaw, MO, 2017 Chevrolet Corvette Stingray; 3rd place, Brian Phillips, Sedalia, MO, 2023 Chevrolet Corvette.

Class CB Mustang 1964 1/2-1970: 1st place, Kathy Carr, Warsaw, MO, 1969 Ford Mustang; 2nd place, Warren Schroder, Warsaw, MO, 1966 Ford Mustang.

Class CC Mustang 1971-Current: 1st place, Mike Stackhouse, Warsaw, MO, 2012 Ford Mustang (Roush).

Class CD Classic GM: 1st place, Linda McGill, Edwards, MO, 1947 Chevrolet Coupe; 2nd place, Bill Dockery, Warsaw, MO, 1967 Buick Riviera; 3rd place, Linda McGill, Edwards, MO, 1958 Chevrolet, Impala Convertible.

Class CE Classic MOPAR: 1st place, David Breshears, Warsaw, MO, 1960 Dodge Cornet.

Class CF Classic Ford: 1st place, Kevin Bradley, Versailles, MO, 1973 Ford Mustang; 2nd place, Ron Burns, Deepwater, MO, 1956, Ford Thunderbird; 3rd place, Dan Davis, Warsaw, MO, 1951 Ford Custom.

Class CH 1975-1999 Cars: 1st place, Linda McGill, Edwards, MO, 1989 Cadillac Alante.

Class CI 2000-Current Cars: 1st place, Ashley Weyer, Lake Ozark, MO, 2008 Saturn Sky.

Class CJ Modified Cars: 1st place, Norval Green, Oak Grove, MO, 1968 Chevrolet Chevelle SS; 2nd place, Bill Turpin, Warsaw, MO, 1939 Chevrolet, Master Deluxe; 3rd place, Duane Barnett, Warsaw, MO, 1956 Ford Fairlane.

Class TA 4x4: 1st place, Randy Norman, Kansas City, Kansas, 2005 Dodge Ram; 2nd place, Mark Kuhaneck, Warsaw, MO, 1972 Ford Bronco.

Class TB 1970 and Earlier: 1st place, Danny Nunamaker, Versailles, MO, 1928 Ford Model A Roadster Pickup; 2nd place, Linda McGill, Edwards, MO, 1959 Chevrolet Truck; 3rd place, Ed Davis, Warsaw, MO, 1961 Ford Falcon Ranchero.

Class TC 1971-Current: 1st place, Paul Gardner, Linn Creek, MO, 1972, Ford F250; 2nd place, Chris Holloway, Kansas City, MO, 2002 Toyota Tundra; 3rd place, Christ Holloway, Kansas City, MO, 1971 Ford F100.

Class TD Modified Trucks: 1st place, Steve Pickens, Warsaw, MO, 1967 Chevrolet C-10.

Class MA Stock Cruiser Bikes: 1st place, Philip Haskins Sr., Osceola, MO, 2012, Victory Cross Country Trike.

Class MC Custom Bikes: 1st place, Jimmy Wooton, Garden City, MO, 2004 HD Chopper; 2nd place, Doug Summers, Warsaw, MO, 1902 HD Heritage Softail; 3rd place, James Machabee, Urbana, MO, 2010 Honda Sabre.

Class MD Street Rods: 1st place, Craig McCohn, Warsaw, MO, 1936 Chevrolet 2 Door Sedan.

Class ME Rat Rods: 1st place, Doug Summers, Warsaw, MO, 1942 Ford Truck; 2nd place, Ken

and Tammy Soudermeyer, Deepwater, MO, 1951 Studebaker Tow truck; 3rd place, Frank Askins, Sedalia, MO, 1935 Dodge Truck.

In the Men's Leg Competition, awards went to: Overall Best Leg, Larry Elam; Most Muscular, Larry Elam; Hairiest legs, Lucas Kaneko; Tannest leg; Micheal Lane; and Whitest Legs, Jacob Gibson.

Jubilee Days Karaoke contest winners included: Caitlyn Chewning, 1st place; Ryan Abney, 2nd place; Morris Wigfall, 3rd place; Jeffrey Bales, Judges Choice and End Zone Bar in Sedalia was the winning venue.

"Jubilee Days was a complete success," said Jubilee Chairman Chuck Allcorn. "The rain delayed the concert on Saturday night, but the band said they came to play so they played and performed a great show. I want to thank all the wonderful volunteers who came out and supported our home town. See those veterans riding in the side by sides down Main Street was inspiring. Thanks Warsaw for all your support."

### NEW GROWTH

(Continued from Page 1) rides are available evenings and weekends as well as during weekdays."

Kelly Ast, Chief Mobility Officer with WCMCAA, said that volunteer drivers must be 21 years of age or older. They are screened with a background check before being certified. Then, they are trained and provided a tablet that lists ride reservations they can choose from. The volunteer driver decides whether to give rides in town, or to drive longer distances. He or she may also do both types of driving. Once a driver accepts a scheduled ride, necessary information about the person and destination is provided. These volunteers have technology brought to their individual cars that records their trip in real time -- a safety feature. New Growth Transit gets a digital map of each completed ride.

"We have provided 30,000 miles of service in the 10 counties that we serve during 2023," said Ast. "We did less than that during the whole year in 2022 so we are expanding in service and new technology. Our volunteer drivers receive mileage reimbursement at the federally approved rate of \$.655 per mile. They are not allowed to receive tips from their riders. However, if a rider wants to make a donation to New Growth Transit, it is permissible."

Scott said that although funds are available for the program through a federal block grant, there is not a lot of money available, and fundraisers are often held. There are six staff members running the New Growth Transit program in WCMCAA. Ast has been trying to get this program working for seven years while working throughout the state in some of the other 19 agencies, as well as during the past five years that she has been with WCMCAA. Scott began working with the program in December 2022.

Anyone interested in serving the community as a volunteer driver can call (660) 476-2185, extension 2020 to reach Marissa Scott directly.

### HUFFMAN

(Continued from Page 1)

day of school was always the hardest and the most exciting. Meeting my new little family for the year was fun. When teaching the younger students, they are usually so excited about coming to school and want to be there. I felt it was not only my job to teach them, but to keep that excitement going. If they weren't excited about coming to school, then it was my job to get them excited. It is easier to learn new things if you want to be there! My favorite words to hear were always 'This is the best day ever, Mrs. Huffman!'"

Huffman and her husband Jason are parents of two daughters and sons-in-law, Halleigh and Michael Spry and Erika and Blaine Fleury. They also are grandparents to Brady (6) and Molly (3) Spry and Abram (2) Fleury.

Huffman grew up in Gallatin, Missouri, and graduated from Gallatin R-9 School. She received her Bachelor of Science degree in Early Childhood PreK-3 and a Bachelor of Science degree in Elementary Education 1-8 from CMSU in Warrensburg.

Huffman gave credit to her mentor teachers for her success as an educator.

"I had the best mentor teachers, Ruth Mercer and Micki Lane, when I started my teaching career," said Huffman. "I will forever be grateful for their guidance. They took me in as a first-year teacher and taught me how to teach, how to find my 'teacher voice' and how to put the 'fun' into learning."

Reading was one of Huffman's favorite subjects while teaching.

"We always started the day with my 'favorite book' and by the end of the year the students would be saying, 'Mrs. Huffman every book is your favorite book' and they were right! I hope I instilled the love of reading in all my students," said Huffman.

Huffman plans to enjoy her grandkids and be a full time Nana now that she has retired. She also wants to travel with her husband, garden and visit friends and family more.

"I have taught so many wonderful students during my years of teaching," said Huffman. "I loved showing them the joy of reading, laughing, being silly and still learning. I hope I showed each student that he or she was loved and was worth every ounce of hard work put into learning. I loved seeing them grow in all areas of life. It has also been exciting to watch former students graduate from high school and even more so to have taught

some of their children in my classroom! Thank you, parents for sharing your children with me over the last 29 years!"

### NICHOLS

(Continued from Page 1)

Contrary to popular belief, only one common bat species (the gray bat) uses Missouri caves year around. Many of our species hibernate in caves or mines during the winter but during the summer they often roost in tree cavities, under peeling bark on tree trunks, in foliage or in buildings. Research done in Missouri showed that some species live in trees or foliage year around, and one species, the Eastern red bat, often hibernates under the leaf litter on the forest floor during cold snaps in winter. Mating occurs during the fall or winter. The sperm and egg are stored dormant in the female until spring when fertilization occurs. Most bat species have only one baby per year. Gestation period is 50-60 days. Usually pups are born in mid-June. To permit gravity to assist birth, the female hangs head up by her thumbs. The mother's tail membrane catches the pup keeping it from falling to the ground. Bats have the largest baby in proportion to the mother than any other mammal. Translating that to people would result in a 150 pound woman having a 30-37 pound baby! The pups can fly on their own at 3-4 weeks of age and are weaned at about six weeks. By two months they are adult size.

Bats are one of the few animals which truly hibernate. During hibernation, bats use a physiological phenomenon known as torpor to drastically decrease their metabolic rate. They do this by allowing their body temperature to drop from the normal active temperature of 100-102 degrees to 35-50 degrees. Their heart rate slows to a few beats per minute compared to as much as 1000 beats per minute during flight. In addition, they only breathe once or twice a minute. Interestingly, all torpid bats must periodically arouse (warm up), on average about once every two weeks, but the reasons for arousal are still largely unknown. A common falsehood is that all bats carry rabies. Studies have shown that in reality only one-half of 1% of bats carry rabies. You are much more likely to contract rabies from a

raccoon or skunk than from a bat, and much more likely to get rabies from a cat or dog than from any wild animal. Worldwide, 99% of human rabies cases came from dogs.

So what do bats have to do with mosquitoes? All bat species found in Missouri and 70% of the world's species are insectivorous. Bats are one of the very few predators of night flying insects.

Bats have evolved a technique called echolocation to use the reflection of sound in navigation and location of prey. To echolocate, bats emit pulses of sounds then listen for the returning echoes. The frequency and pattern of sound used varies with each species (which can be used to identify species). Usually the frequencies are above human hearing range. To prevent deafening itself and to be able to hear the returning pulses the bat disarticulates three bones in its inner ear when sending a pulse. Echolocation allows bats to catch insects while in flight by telling the bats the distance away, direction moving, and size and shape of its prey.

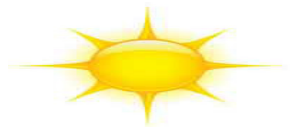

A single little brown bat can consume up to 1,200 mosquito sized insects per hour. Most bats eat from one-fourth to one-third their weight in insects each night. That would equate to a 160 pound person eating 160 quarter-pound cheeseburgers in one day.

If you want to help with bat conservation and help control nighttime insects problems, you might want to put up a bat house. You can buy ready made bat houses or find many good blueprints for bat houses online. Youtube has a very good step-by-step "Build a bat house" you might check.

Many bat species are in great peril from a disease called "White Nose Syndrome", a fungus (Pseudogymnoascus destructans) which infects some hibernating bats. White nose syndrome kills 90% of bats living in infected caves. It was likely introduced from Europe to the United States and first documented in New York in 2006. No cure is known.

"A true conservationist is a man who knows that the world is not given by his father, but borrowed from his children."

## Benton County Basketball Teams Mix It Up During Summer Scrimmages

**IN FRONT OF COACHES** Tyler Burke (Lincoln), Kevin Shearer (Cole Camp) Dennis Larson (Warsaw) and Matt Brownsberger (Warsaw), local boys players have had the chance to compete with and against teammates from the same and different schools.

By **Johnie Logue**  
Sports Reporter

Cole Camp, Lincoln and Warsaw's boys basketball squads have been scrimmaging at Warsaw High School for the past several summers. This past week, Lincoln coach Tyler Burke decided to switch things up a bit.

Instead of playing team against team, coaches from Warsaw, Lincoln and Cole Camp randomly selected players forming six teams playing in Warsaw's two gyms from 11:00 AM till 1:00 PM on Tuesday afternoon.

Asked about the change, Coach Burke said, "It was about minutes. We wanted the kids to get playing time."

In any event, it was strange watching players from different Benton County benches playing alongside

one another. Warsaw assistant Coach Dennis Larson and Lincoln assistant coach Chris Sanders both agreed that the format got the kids out of their comfort zone playing with other players.

Coach Burke added, "You have kids handling the ball who normally don't."

The kids liked it. Lincoln's Chase Young commented, "We didn't have to run plays and playing with other players was different."

The experience might help them when they play each other later on.

Lincoln's Riley Sanders added, "We learned a little about how each other plays."

They also didn't have coaches yelling at them. The coaches liked it too. They just let them play.

"My blood pressure stayed the same," Cole Camp coach Kevin Shearer said with a smile.

Teams played for ten minutes and kept score, but when the horn sounded, wins and losses didn't really matter. The schools will play two more times in the next two weeks at Cole Camp. Lincoln gave up their turn having only one gym and the renovation of Warsaw's floor forced the move.

Cole Camp has five returning seniors and should be the favorite when the season starts this winter.

Warsaw looks improved over their one win season and should be much more competitive this time around.

Lincoln graduated their five starters from last year's 28-1 team and a promising group of sophomores will carry the burden from here on out.

### Ladycats' Brewster, Howe And Lady Bluebirds' Burke, Harms Make All-State Teams

Warsaw sophomore pitcher Brylee Brewster was a 1st team selection and her freshman battery mate, Tanna Howe found her name on the 2nd team list on the 2023 Spring Class 2 All-State rosters when they were released last week.

Cole Camp landed two seniors on the 2nd team in infielder Emily Burke and outfielder Kyla Harms.

Below is the Class 2 All-State softball team as voted on by the coaches and released last week.

**1st Team:**  
Pitchers: Harley Daniels, Sr, Mt. Vernon; Jaelah McDannald, Sr, Fair Grove; Natalie Wilks, Sr, Sparta;

**IN THEIR FIRST YEAR** as battery mates, Tanna Howe and Brylee Brewster were named to Class 2 All-State teams for the Ladycats.

Gracie Wright, Sr, West County; **Brylee Brewster, So, Warsaw.**

**Catchers:** Kaydence Cosby, So, Park Hills Central; Rae Downing, So, Mt. Vernon; Rachel Rommel, Sr, Malden.

**Outfielders:** Cheyenne Bieber, So, Mt. Vernon; Lexie Gastineau, Sr, Ava; Morgan Simily, Sr, West County; Caitlin Surhie, Jr, Diamond.

**Infielders:** Keeley Akers, Sr, Ava; Molly Daniels, So, Mt. Vernon; Grace Edge, Sr, Skyline; Payge Evans, Jr, Mt. Vernon; Lauren Turner,

So, Diamond; Kylie Walker, So, Senath; Tori Stinnett, Sr, East Prairie.

**Utility:** Handley McAtee, So, Kennett.

**2nd Team:**  
**Pitchers:** Maddy Colin, Jr, College Heights; Aliyah Walker, Sr, Houston; Kylee Walters, So, Sarcoxie.

**Catchers:** Katie Jo Chippis, Sr, Houston; Evelyn Comstock, Jr, Strafford; Lexie Curtis, Sr, Skyline; **Tanna Howe, Fr, Warsaw;** Emma Tinnin, So, Kennett; Brooke Daniels, So, Fair Grove.

**Outfielders:** McKenzie Calhoun, Sr, Forsyth; **Kyla Harms, Sr, Cole Camp;** Emily Hochstetter, Sr, Potosi; Kaya Horton, Jr, Senath.

**Infielders:** Megan Brown, Sr, Sparta; **Emily Burke, Sr, Cole Camp;** Lauren Jones, Jr, Strafford; Sydney Miles, So, Park Hills Central; Jade Williams, Sr, Potosi; Hadley Wilson, Jr, Kennett; Ava Huber, So, St. Genevieve; Reese Smith, Sr, West County; Allie Schubert, Sr, Mt. Vernon.

**Utility:** Kelsey Pritchett, Sr, Houston.

### Lincoln Girls Have Numbers Rising

**LINCOLN COACH** Brett Bryant directs traffic with Molly Strozewski and Candace Harvey on Thursday night in Lincoln. Coach Bryant, who did an amazing job last season, had 12 girls come out for a summer practice, which is a good sign as the Lady Cards have battled numbers in recent years.

### Bluebirds Harrison Prepares For Big Senior Campaign

**COLE CAMP'S** Reid Harrison worked out in the weight room on Thursday. The track star is the real deal. He broke the stolen base record in baseball. Took a first in track at State. The most disrupting defensive basketball player in area and a marvelous football star.

### SFCC Foundation Adds Chris Guffey & Wendy Loges To Board Of Directors

The State Fair Community College Foundation is pleased to recognize Chris Guffey and Wendy Loges as members of its board of directors. The board now has 21 members.

Guffey and his family moved to Sedalia in 2009. He and wife Kellie have three children, Isaiah, Zariah and Georgia. He is the senior pastor at Cornerstone Baptist Church and coaches the State Fair Community College women's golf team. He holds a Bachelor of Arts in Biblical Studies and Psychology from Southwest Baptist University and a Master of Divinity and Global Studies from Liberty Theological Seminary. Guffey currently serves on the Uttermost International Ministries Board of Directors, as president of Jason Lovins Ministries Board of Directors and Sedalia Police Department's chaplain. Previously, he was an Embassy Board of Directors member and Smith-Cotton's High School boys and girls golf team coach.

In accepting the position, Guffey stated that serving on the foundation is a privilege and great opportunity to ensure the college continues to provide quality educational experiences for the next generation

of leaders and workers. Guffey's term on the board began in February 2023 and will end in 2024.

CHRIS GUFFEY

Loges is the chief marketing officer for BTC Bank. She and husband Doug live in Sweet Springs and have three children, Rayne, Taylor and Olivia. Loges has a Master of Education Administration from Central Missouri State University. She is involved in the Missouri 4-H Foundation Board of Trustees, Sedalia Area Chamber of Commerce Board, Missouri State Fair Foundation, Area Youth Benefit Corporation Board, Grow Pediatric Services [501(c)(3)], and Daughters of the American Revolution.

The power of education to change the world is why Loges is motivated to serve on the foundation's board. She believes SFCC is changing the world by providing learning experiences that meet local economic demands and the needs of rural citizens. Loges' term on the board began in February 2023 and will end in 2025.

"I am very happy Wendy and Chris are members of our board of directors," said Mary Treuner, foundation executive director. "Wendy and Chris recognize the value of SFCC, and they are eager to be involved in our community and help support the missions of the college and the foundation."

WENDY LOGES

The State Fair Community College Foundation, a nonprofit, tax-exempt corporation, was established in 1981 as the J. Higdon Potter Educational Foundation, Inc. to raise funds to meet the needs of the college. The foundation's mission is to support and assist the college in serving the community by providing accessible, quality educational programs and services. Current officers are Steve Ellebracht, president; Paul Dick, vice president; Lori Swearingen, secretary; and Alaina Gump, treasurer. Visit [www.sfccmo.edu/foundation](http://www.sfccmo.edu/foundation) to learn more.

### Cedar Grove To Host Vacation Bible School, June 26-30

Vacation Bible School 2023  
Cedar Grove Baptist Church

Time: 1:00 to 5:00 P.M.  
Lunch served at 12:30 P.M. daily.

This year's Vacation Bible School (VBS) program at Cedar Grove Baptist Church is all about the "Twists & Turns" in all kinds of games.

Spin the spinner, beat the clock, skip ahead, level up, and play to win! You'll need to bring your A-game for this VBS! Twists & Turns is a fantastical celebration of games of all kinds. From classic tabletop games to strategy games to video games and more, kids will play their way through VBS in fun locations such as the Bible Study Game Room, Wild Card Crafts, Multi-player Missions and Skip Ahead Snacks!

But more importantly, they'll see Jesus through the eyes of one of His closest friends and discover that trusting Jesus as Savior and following Him changes the game entirely!

How can following Jesus give us a new purpose

and help us navigate life's Twists & Turns? Come to VBS to find out! Bring your A-game and we'll learn together.

Lunch will be provided daily for all children, and our day will begin with the Worship Rally that gets everyone fired up for a day of learning about Jesus.

VBS is very important, as it is a ministry designed to reach people of all ages (specifically for us, our children), leading them to know and respond to Jesus Christ as led by the Holy Spirit. VBS is a fun-filled, spiritual adventure that provides concentrated Bible study and encourages real-life application.

I am serving as VBS Director for the first time, after serving as Assistant to

the Director for the last few years. I look forward to the excitement, the lessons and seeing the joyful faces of children who are learning about Jesus, and may come to know Him as their Savior. Let's make this a great year for VBS!

You can register your children (age 4 through those who have completed 6th grade) online at [cedargrovebc.net](http://cedargrovebc.net) or by calling me at 908-329-8448 or the church office at 660-438-5675.

Come join us for "Twists & Turns" where we will learn how "Following Jesus Changes Everything!"

This **unique 16 acre property** has been lovingly and appropriately named "Redbud Retreat," as there are redbuds everywhere. There are many established fruit and vegetable patches, berry bushes, and plenty of fruit trees that provide a very peaceful and quiet setting. The adorable home is nestled on 16 unrestricted acres and has approximately 6-7 acres of treed pasture ground, and the rest of the acreage is wooded. The property accommodates a small pond, seasonal creeks, and multiple outdoor spaces. The home was constructed in 2014 and features an open concept living upstairs, a family den downstairs for entertaining or family time, a large mudroom/drop zone for farm or fun, a private deck and a covered patio. A chicken coop and pen occupy the property, which could also house other small farm animals. A 20x30 shop building with 11' walls, 10' roll up doors, and reinforced concrete floors offers an excellent space to store and/or service your farm equipment or toys. A metal sided shed provides extra storage space and an antique outhouse makes a unique garden feature. There is also a private well and septic system. This peaceful property is conveniently located 1 mile from Thibaut Point boat access on beautiful Truman Lake. It is an easy 10-12 minute drive into historic Warsaw; where you will find grocery stores, restaurants, downtown shopping, doctors, schools, and Drake Harbor on the Lake of the Ozarks. This is a must see property if you are looking to be surrounded by tranquil beauty, and close to town and the lakes! Call Jamie to schedule your showing today! MLS# 95245 \$276,000

## Have I Got A Line For You!

By James Mahlon White

What interesting times we live in. President Trump is indicted for having classified documents the same day evidence comes out about the Biden Family being bribed. It's going to be a race to see what happens first. World War III over Ukraine, our country going bankrupt under unpayable debt, a permanent socialist dictatorship or a civil war in our streets. Criminalize the leader of the opposition party. This is what a banana republic does. As my new pen pal points out, The Donald is no Saint. That might be true and some see him as a sleazy businessman, but there's nothing worse than a corrupt career politician. Build Back Better has really been about who paid Joe Biden the most money. In the meantime, it's been announced that China has a spy base in Cuba. Not sure why they bothered with Cuba, they have one in the Oval Office. Ah well, politics in general is fun, though it can bring heart break at times and waiting. Remember when we didn't know who'd won the White House, Bush or Gore until weeks later?

Let's switch to something else. One of the joys of the internet is looking up things and places that interest you. I have been on a number of sites about Ireland and Austria. I've searched for long lost ancestors and looked up recipes for Tiroler Grostl. I like sites that tie in with politics too. For example, there's one about Davos where elite politicians and business people gather each year and "Make plans for our lives." Another one about Skull & Bones is fascinating too. This secret society was founded years ago and its members are the elite of both the Democrat and Republican parties. Yep, you bet! And I learned yesterday

## WORD ON THE STREET

What would you consider Missouri's food?

Beef!  
-Kim Brewster

BBQ!  
-Bradley Wright

It's gotta be BBQ!  
-V. Lynn Bristow

that our Justice Department asked Google and other search engine companies to give the names of folks looking up certain things. The Department says it's just "people looking for child porn?" You believe that?

Aunt Jane called last night and the conversation drifted to Missouri "Mills." They looked like a milk cap and were used as a measure to collect sales tax. Later Missouri switched to mills made of metal and the final ones were made of plastic. Then they were done away with and sales tax was paid in cash. Now the mills are small collector's items. JWB says she's lucky to have a few of them, along with pleasant memories of long ago Missouri.

Time to stop this mental meandering. Hang in there old buddy, still seems to be the best advice of the day.

'Til Next Week:  
J.M.W.

**Edward Jones**  
MAKING SENSE OF INVESTING

**RICKIE CASWELL**,  
AAMS®  
Financial Advisor

It's unfortunate, but true: During times of turmoil, whether it be a geopolitical situation or the economic stresses of inflation and rising interest rates, scam artists in cyberspace will try to take advantage of unsuspecting investors. What can you do to protect yourself?

Here are a few suggestions:  
• *Be suspicious of unsolicited investment offers.* Through tweets, direct messages, emails or some other form of social media communication, you might get unsolicited offers to invest from senders you don't know. Unsolicited sales pitches may be part of fraudulent investment schemes, so you'll want to be highly suspicious of these offers, especially if they use words or phrases such as "guaranteed" or "can't miss."  
• *Do some research.* Given the market volatility of recent weeks, cyberspace fraudsters may use social media to encourage unwary investors to go outside the normal investment world and put their money in "specialized" vehicles. But these instruments may have significant risk and lie outside the supervision of those agencies whose mission it is to help protect investors, such as the Securities and Exchange Commission (SEC), which oversees stocks and other securities, and the Commodity Futures Trading Commission (CFTC), which regulates more complex investment vehicles, such as futures and options. If you're suspicious of an investment offer, you could take several steps, including checking with your state's securities regulator, to determine if the person making the offer is even registered to sell investments and if the investment itself has been registered.

• *Be skeptical about online newsletters.* You can find legitimate online newsletters devoted to investment topics. However, some companies pay newsletters to promote their stocks, so the information

isn't objective. This activity isn't illegal as long as the newsletters disclose who is paying them, but some fraudsters lie about their payments and also fabricate the success they've had in recommending stocks. Furthermore, these questionable newsletters may be advertised on valid websites or on the online financial pages of authentic news organizations.

• *Watch out for "affinity fraud."* Your membership in a particular demographic, civic or professional group is no secret to potential fraudsters. So, be wary of any investment pitch that's made through an online group of which you are a member, or that appears in a chat room or online message board dealing with a specific topic of interest to you. Even if the person making the offer appears trustworthy, you still need to be extremely cautious, as this individual could have been fooled into thinking the investment opportunity was legitimate.

In addition to being on guard against investment advice you might see on social media, you can also take some practical steps. For example, keep your personal information – birthday, Social Security number, phone number, address, etc. – off social networks. Also, it's a good idea to periodically change the passwords on all your financial accounts. And of course, never communicate financial information or account numbers to an unfamiliar source. If you're already working with a financial services firm, that firm should already have in place the proper security protocols for communicating information to them. Sadly, investment scams

will probably always be with us. But, taking preventive measures, can help reduce your chances of being victimized

This article was written by Edward Jones for use by your local Edward Jones Financial Advisor.  
Edward Jones. Member SIPC.

Dear Editor,  
Sheriff Knox has raised an issue that should be of great concern to the residents of Benton County. He pointed out that violent crime has increased in our county of 740 square miles where eight patrol deputies are trying to keep the peace by doing the work of sixteen deputies. The office is half-staffed (reminds me of how our flag is so often flown). He says it is quite difficult to hire and keep qualified deputies partly because their retirement plan is less than

promising. I can relate to this as having spent my working career in public service. Many people are attracted to public service out of a sense of civic duty. They take care of citizens who will in turn take care of them. In my experience I worked with some people who were highly skilled with talents that could have made them fortunes. They traded that prospect for a career that kept the public secure, and in turn gave them a secure job and retirement.

Recently I called upon the Sheriff's office to investigate some non-emergency criminal activities. I was fortunate that the deputies were able to respond. It would have been unfortunate if we get to the point when deputies are unable to solve criminal cases or do any crime prevention activities.

This might invite folks to seek their own justice. As Sheriff Knox said, we need to take care of one another, and we need to remember that the laborer is worthy of his hire.

### WHERE THE CRITTERS ARE

By Bill Bobb

## Fristoe NEWS

By Pat Arnett  
Contributing Reporter

The Fristoe area was blessed with wonderful moisture for the last several days. Farmers had begun to worry just a tad about the hay crops this year and if the pastures were going to dry up. This rain that came was such a blessing and put lots of those worries to rest. Our family has enjoyed produce from the garden for the last month and are continuing to do so. The

latest is new potatoes from the garden with Dean having his first meal on Memorial Day weekend. He always tries to make that date and accomplished it again this year.

I enjoyed Saturday, June 10, with a trip to Kearney/Holt, MO with Adam, Bridget and Maddie to attend the Happy 16th Birthday at the home of Randy and Heather for Ryleigh's birthday. The trip is about a 2 to 2 1/2 hour drive but was a very enjoyable day! I now have a 17-year old, 16-year old, and a 15-year old granddaughter. God has been so good to me.

Attention: Everyone that has been noticing the odd looking "Brush Building" in the parking lot of the Fristoe Pentecostal Lighthouse Church, if you

haven't heard, it is an "Old Fashioned Brush Arbor" and there will be a Revival held in the primitive Tabernacle building beginning on Thursday night, June 29, beginning at 7:00 PM. Plans are for church services to be held on June 29, 30 and July 1 and 2, all beginning at 7:00 PM. It's believed to be a different Preacher bringing the message each night.

Prayer requests for this week are Kathy First, Carolee Apperson, Lewis and Judy Retherford, Gladys Harris, Easter Willis, Curtis Allen and Mary Scarbrough.

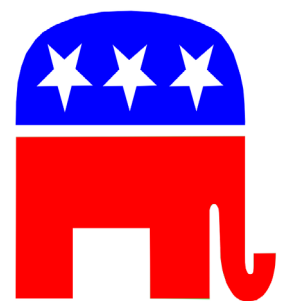

The Benton County Republican Committee is providing the Annual Lincoln/Reagan Dinner on Saturday night, June 24 at 5:00 PM. in the Warsaw Community Building. There will be several speakers as well as the meal!

Fristoe Lighthouse Church began to get back to regular timing of songs and Pledges and our worship service. Kele is still not back to lead church hymns but Pastor Tony really enjoys doing that job. Sister Delores was back at church this morning and was able to sing with Claude and others of the Lighthouse Singers. They sang "Amazing Grace". Br. Ken Heir also sang and blessed everyone. Br. Smith's message was found in the book of Daniel, the 9th chapter. This was totally bringing out the importance of prayers and also how we go about with our prayers and Confession and how it is always important to Praise and ask for forgiveness in our prayers.

Thought for the week: Many people forget God all day but ask Him to remember them at night!

Hope everyone that reads this column has a happy, healthy and safe week!

## BENTON COUNTY REPUBLICAN CENTRAL COMMITTEE

Report from the Benton County Republican Central Committee meeting of Thursday, June 1, 2023 The meeting was held in the Boonslick Regional Library, 102 E Jackson St, Warsaw, MO 65355 at 7:00 PM.

The Republican Central Committee had a full agenda at Thursday night's meeting. They wrapped up the details for the Lincoln-Reagan dinner that will be held on Saturday, June 24 at 5:00 PM. The discussion finalized decisions regarding advertising for the event as well as some activities. The rifle raffle is underway. Tickets can be purchased at various businesses and are 1 for \$5 or 5 for \$20. There will also be someone outside the Back In Time shop with them on Saturday during Jubilee Days! There will also be door prizes this year. The specifics are being kept under wraps, but there will be multiple winners taking home a custom, limited-edition item specifically made for the event.

The committee also appointed Rusty Johnson to fill the vacant committeeman position for Cole township.

The guest speaker was Jim Hansen, County Assessor. He gave a very informative presentation about his office's responsibilities,

challenges, and rewards.

The Republican Central Committee would like to let everyone know the meetings are held the first Thursday night of the month at 7:00 PM in the conference room of the Boonslick Library. Everyone is welcome to attend.

## SENIOR CENTER MENU

## Tracie Schwintek

Tracie Schwintek, 53, of Warsaw passed away on Sunday, June 11, 2023 at University Hospital, Columbia surrounded by her family.

She was born January 30, 1970 in Waynesville to the late Jerome Schwintek and Glenda (Jeffries) Schwintek of Warsaw. Tracie had physical challenges all her life. As a child she worked hard to overcome those challenges winning medals and ribbons through her participation in Special Olympics. Tracie was a 1989 graduate of California High School.

Tracie was a feisty, independent woman with an outgoing personality finding it easy in making complete strangers into friends. Some of her interests included bowling, fishing, watching her game shows and listening to country music, especially Randy Travis. If she wasn't coloring amazing pictures with her gel pens or catching up with friends on Facebook, you may find her sipping her morning cappuccino, having breakfast or watching evening TV with Mom and Maddy.

Survivors include her mother, Glenda of Warsaw, two sisters, Michelle (Matt) Wilfong of Tipton, Jennifer (Jason) Meisel of Jefferson City, nine nieces and nephews, Courtney (Ethan) Kunze, Brandon Williams, Austin (Whitley) Langkop, Madison Meisel, Morgan Rackers, Alyssa Maurer, Logan Meisel, Drake and Darcy Wilfong, great nephew, Wade Langkop, great niece, Braelynn Mason and her very special friend, Roger Eslinger of Warsaw.

Visitation will be Friday, June 16, 2023 from 11:00 a.m. until 1:00 p.m. at Trimble Funeral Homes, 3210 North Ten Mile Dr., Jefferson City. A Life Celebration Service will begin at 1:00 p.m. with Reverend Warren Brandt officiating.

Trimble Funeral Homes-Jefferson City is assisting the family with arrangements. trimblefunerals.com.

## FROM THE PASTOR'S DESK JOHNIE J. LOGUE

### Fallen From Grace -Galatians 5:4

Can you fall from grace? Yes, happens every day. I have fallen from grace many times.

I am often telling people that they do not listen to what I am saying and I just proved it. I would say most Christians reading this read something into what I just wrote.

I did not say you can fall from God's grace. I said you can fall from grace. How many examples you want?

Bill Cosby had one of the most successful family shows in history. He was well respected and probably one of the top five comedians who ever lived. Yet, because of alleged sexual misconduct, which he went to prison for, he fell out of favor in the public eye. His testimony came crashing down and yes, he fell from grace.

Preachers fall from grace for sexual sins all of the time. Divorce in some circles can cause a decline in popularity in our churches.

I had a dozen people turn against me in our church 34 years ago because I bumped heads with the big dog in the

congregation

I have had long time friends and church members forsake our friendships over petty matters.

Parents will practically disown their children over various situations. People, who once loved one another enough to get married, end their relationships many times in divorce. Breakups of all kinds run rampant in our society.

So, yes, you can fall from grace in the eyes of people. However, God's saving grace, once you accept it, is forever.

If you simply read the context of Galatians chapter five, you will understand the use of 'fallen from grace' was substituting works for Jesus death and bloodshed on the cross of Calvary.

And as I explained above, we have incorporated losing favor with the public eye and with others as falling from grace. Two totally different things.

I am pastor Johnie J. Logue of Grace Baptist Church at 31046 MM Hwy and you can reach me at johnnewarrior@gmail.com.

## HOPEWELL BAPTIST CHURCH

In Matthew 6:19-24 Jesus shares where we should build up treasure. The world teaches us to collect things for happiness. The Bible offers a different perspective. Jesus says, don't store up treasures on earth and tells us, here on earth our treasures can be stolen or destroyed. If it exists on earth, it's temporary. Somehow, we think things and property will give us satisfaction. If things are what is most valuable in our life, aren't we missing the point.

Jesus tells us to store up our treasures in the Kingdom of God. Life with the Father and relationships with other people is what really matters. The impact of our relationship with God affects our relationships with others. People matter in the Kingdom of God. So much that He sent His Son to die for us.

What we look at and focus on will determine what comes out of us. We become a reflection of the things we most think about. We place so much of our value on what we're going to get next.

Jesus says you cannot serve two masters. You cannot serve God and anything else you possess. You cannot serve God and all your stuff. Our lives cannot simply be about collecting stuff. If so, we focus on the wrong stuff. Is life not more than these things

Do we really love Jesus like we like to say we do? If we really love Jesus, wouldn't it change everything about our lives? We make everything about us. Jesus says to stop focusing on ourselves. We get so hyper focused we miss what God wants for our lives. We make it all about us, our possessions,

and protecting our inner peace.

The Bible is obsessed with how we look at other people. The best version of ourselves is one that will lay down our life for others. The Bible spends a lot of time asking, what are we doing? What's the most important thing in our lives. Jesus first and everything else and everything lines itself out after that. It's time for us to put ourselves aside and serve Jesus first and everything else will fall into place.

Join us Sunday mornings for Sunday School at 10 a.m. with Worship at 11 a.m., and Sunday and Wednesday Bible Study at 6 p.m. Check out Hopewell Baptist Church Facebook page Sunday mornings streaming live at 11:15 a.m.

## LINCOLN FIRST BAPTIST CHURCH

Today was a great day with the Lord. We sang songs that honored and glorified our Lord and Savior. Bro. Jesse's message was from Romans 5. Revival is to build a fire in the church again. There is nothing more important than the church. We need to recognize Jesus as our Lord and Savior. We all desire peace in our lives. Do you ever think about the cost of our freedom? Jesus made the sacrifice for our peace. If you aren't saved He doesn't love you. Being saved you have faith. There is no peace of God without the peace of God. Until you surrender your heart to Him you will not have peace.

Our Revival started this evening. We had a wonderful crowd. The Marks family from California, MO brought the music. It was wonderful. Bro. Josh Klaiber brought the message this evening. He talked about how he came to believe and was saved. He also told about the things God had done in his family's life. People also gave their testimony. We enjoyed fellowship afterward with many people staying to enjoy the good food that was served. MAY GOD BLESS YOU THIS WEEK.

## UNITY OF THE LAKES

This Sunday 6/18/23 Unity of the Lakes is blessed to have Rev. Laura Bennett as our guest speaker. If you have not heard her before, you owe it to yourself to hear this gifted speaker. Her service is "The Impossible Dream". "In his life my dad was a Unity Minister and a mentor to many Unity and New Thought ministers. The Impossible Dream from Man of La Mancha, was his favorite song because it so beautifully expressed the courage it takes to follow your dreams." We will celebrate the fathers and father figures in our lives, and the spirit and courage

that resides in every heart. Service is 11 am and all are welcome. We are located 8 miles south of Warsaw on highway 65 and look forward to seeing you.

## WARSAW CHRISTIAN CHURCH

Most people will not be recorded in the history books as having accomplished something worth remembering. We live and die, and the world soon forgets we were ever here! While the world tends to glorify success, God has a different standard. God will not examine "Lifestyles of the Rich and Famous" or "Who's Who" to find His people. Jesus will not declare at the time of judgment, "Well done, thou good and successful servant." Take out the word "successful" and insert the word "faithful," and you have a picture of those whom God honors. God is not looking for successful Christians but rather faithful Christians.

Paul writes these words in Ephesians 1:1. "Paul, an apostle of Christ Jesus by the will of God, To the saints in Ephesus, the faithful in Christ Jesus." Who were these Ephesian saints? History has assigned them to oblivion. Their names are not recorded in the ancient history books, including the Bible. They were just ordinary folks whom Paul describes as "faithful."

Our society is enamored with success. Even the church can fall into this trap. If a famous athlete or Hollywood star becomes a Christian, they will appear on Christian television stations. You and I will not be invited to appear because we are not outwardly successful. Like the Ephesian Christians, we are just ordinary believers. Thank God for ordinary, faithful Christians. They are the backbone of the church.

## Lutheran Women Hold Spring Rally In Camdenton

On Tuesday, April 18, forty-one women and guests of the Sedalia Zone

of the Lutheran Women in Mission, LWML, an auxiliary of the Lutheran Church Missouri Synod, met for their Spring Rally at Peace Lutheran Church, Camdenton, Missouri. The Rally was hosted by the women of Peace Lutheran, Camdenton, Faith Lutheran, Warsaw and St. Paul Lutheran, Stover.

The Rally theme was from Ephesians 2:10; "We are God's Masterpiece, created anew through Christ Jesus, to do His good works." Cindy Nieber, Peace, Camdenton delivered the welcome and devotion. Teresa Backs, Communication Chair of the Missouri District LWML gave greetings and shared how to access the many resources the Lutheran Women in Mission. The keynote speaker was Sara Anderegg, Peace Camdenton. She shared with attendees many examples of Christian art. Her hope is that others would appreciate this Christian art; an expression of sharing the stories of the Bible through the gift of art.

The Bible Study, was led by Rev. Stephen Rutherford, Immanuel/Zion Lutheran, Lincoln.

Roberta Schnakenberg, Faith Lutheran- Warsaw, Zone President, presided over the meeting. Standing committees delivered their reports. Myra Case, Trinity, Cole Camp, and others, presented a skit on the importance of serving and involving new members.

The General Offering was collected with the proceeds to go to "Mites." These "mites" support missions. For 80 years, Lutheran Women in Mission have joyfully proclaimed Christ, supported missions, and equipped women to honor God by serving others. In its years of existence, the LWML have donated more than \$100,000,000.00 to missions in the US and around the world.

Myra Case, Trinity Cole

camp extended an invitation to the Fall Rally that will be held Tuesday, October 24 at Trinity Lutheran, Cole Camp. The Rally will be co-hosted by Trinity Lutheran, Cole Camp, Mt. Hulda, Cole Camp, and Holy Cross Cole Camp.

## GVMH Radiation Oncology Center Coming Soon

Golden Valley Memorial Healthcare (GVMH) is pleased to announce that construction of the new Dr. James and JoAnn Bourland Radiation Oncology Center is going well and is on time for GVMH to begin seeing patients later this year.

The Bourland Radiation Oncology Center is being built with an emphasis on comfort, quality, convenience and the latest technology. It will feature a linear accelerator, one of the most sophisticated radiation technologies available. The linear accelerator has enhanced speed and accuracy with precise targeting to treat tumors. Using the linear accelerator for radiation therapy can reduce the number of treatments needed by patients.

"When the Center is complete, patients will be able to get expert cancer care, see familiar specialists and staff, and not be burdened with traveling miles away to receive treatment," said Craig Thompson, CEO at GVMH. "We are excited to bring this vital service to Clinton and our surrounding communities."

For more information about GVMH, visit gvmh.org and follow on social media @choosgvmh.

## FIRES

(Continued from Page 1) concerning the safety of the vehicle's former driver.

Dick Kreisel, owner of the 60x100 ft. barn added he lost 400 bales of hay, plus a New Holland tractor and loader and the barn in that fire. He thought the driver of the automobile involved in the fire had safely exited it before it erupted in flames.

A NEW HOLLAND tractor was victim of a roadside fire on Hwy. BB last Monday night.

Lincoln Fire Chief Mike Rambow reported his station responded to the fire at 8:08 PM, and the Warsaw Fire

Department also responded per a mutual aid agreement. His crew was at that site when the vehicle caught fire internally and transmitted it to the barn. The fire was so fierce that his crew could do little more than set a few small fires around the barn to assure that the flames did not spread to nearby pastures. He thought the vehicle's driver also escaped harm.

The Lee's Summit Dispatcher for the Missouri State Highway Patrol said June 8 the officer who was at the scene of the fire has not yet submitted a related report, but he had confirmed to her that the driver of the burned automobile left that vehicle before suffering harm.

\* \* \*

An early morning fire on Thursday, January 8 will close the Dam Restaurant and Lounge until further notice.

The Dam Restaurant and Lounge, located on Kennedy Drive in Warsaw, at the east end of the Joe Dice Swinging Bridge,

announced on it's Facebook page that a fire broke out at the restaurant just before 1:00 AM.

Firefighters responded to the scene and contained and eventually extinguished the flames.

The extent of the damage to the building is still being evaluated, therefore causing the popular dining spot to be closed until further notice.

## LINCOLN

(Continued from Page 1) other drinks. They will be at local events and the Missouri State Fair. The Connecting Entrepreneurial Communities Conference registrations should be released soon. There have been Facebook posts on the pre-event at Drenon Ranch Arena and the various Wednesday morning activities. All the posts are being shared on Benton County Economic Development Facebook page, be sure to watch and follow. The next meeting of the local CEC team will be June 28 at 3:00 PM, at the Truman Dam Visitor Center. All are welcome to join.

In old business, Mayor Nelson reported the status of the following nuisance and dangerous buildings in the City: 114 E. Main St., 118 E. Main St., 205 N. Ohio St., 203 Market St., Berns and Missouri Sts., 206 N. Hwy. 65. He also listed two abandoned vehicles at 203 Crescent St. and 133 E. Main St., and spoke about the status of GRAM Engineering, which has been contracted to do water and sewer work for the City.

He reported no recent action by that firm.

Police Chief Jason Wenberg reported his Department has no application for a full time position of police officer; that recent Memorial Day weekend activities were quiet, and that Kaysinger Basin Regional Planning Commission recently submitted a grant application on behalf of his Department. Public Works Director Josh Cole was not present, but submitted a report that the PW Department had been busy.

Also in new business, the group passed an ordinance establishing a \$13./hr. salary for a temporary employee who does mowing and weed eating for the City; approved a resolution for the City to continue its membership in the KBRPC; will continue its search for a new City attorney and prosecutor; and approved six liquor license applications.

The meeting closed at about 6:40 PM. These sessions are usually held on 2nd Monday eves. Visitors are welcome.

## MO Digital Asset Map Inventories Publicly Available Digital Tools

UNIVERSITY OF MISSOURI  
Extension

A new online tool will help connect more Missourians

with broadband resources in their communities.

The Digital Asset Map is a project of the University of Missouri System Broadband Initiative in partnership with the Missouri Department of Economic Development and the Missouri Broadband Resource Rail.

The project aims to build a comprehensive statewide inventory of public computers and Wi-Fi access locations as well as resources such as digital literacy programs, computer classes, one-on-one technical assistance centers and adult/workforce education programs, said Alison Copeland, UM System deputy chief engagement officer.

"Once the map is populated, we will work with MU Extension offices in each county to publicize its availability and the breadth of broadband-related resources available to the public throughout Missouri," Copeland said.

Entities offering public internet resources are encouraged to help build the Digital Access Map by entering basic information. The information populates a searchable Missouri map to help users find nearby digital resources. As more assets are added to the map, MU Extension will help promote the tool to users across the state.

The MU Center for Applied Research and Engagement Systems (CARES) team verifies that entries meet criteria for accuracy and appropriateness before they are publicly posted. The form lets contributors edit, update and delete their entries.

"In this day and age, digital equity is a necessity

**HAVE A NEWS TIP? LET US KNOW!**  
Call the BENTON COUNTY ENTERPRISE  
**(660) 438-6312**

for civic and cultural participation, employment, lifelong learning and access to essential services," said Jamie Kleinsorge, CARES assistant director and senior project leader for the Digital Asset Map project.

The form also asks "community anchor institutions" to report available internet speeds. These institutions include sites such as schools and libraries that help people who would otherwise struggle to get online. The form will help identify locations that may be eligible for federal funds for institutions that do not currently have upload and download speeds of at least 1 Gbps, said Adam Thorp, community development specialist with the Office of Broadband Development.

The Digital Asset Map is one of several UM System Broadband Initiative projects to expand internet access and use throughout Missouri, Copeland said. The initiative is one of two core partners to help the state's Office of Broadband Development implement the Connecting All Missourians program. With MU Extension and faculty and resources from the four UM System campuses, the broadband team is working with the state's regional planning commissions to help implement programs funded by the Infrastructure Investment and Jobs Act.

The UM System Broadband Initiative, in collaboration with the state Office of Broadband Development, aims to develop long-term strategies to secure and deploy funding for broadband infrastructure and adoption efforts over the next decade.

Public Comment Period Opens On Draft STIP

The draft FY 2024-2028 Statewide Transportation Improvement Program (STIP) was presented to the Missouri Highways and Transportation Commission today.

General Assembly - to widen and improve I-70, fix low-volume minor roads, upgrade railroad safety crossings and more. A 30-day public review and comment period begins today.

The STIP makes available \$14 billion of federal and state revenues for all modes of transportation over the next five years. Of the \$14 billion, the draft STIP details \$10.5 billion in road and bridge construction contractor awards, averaging approximately \$2.1 billion per year.

"Over the past two years, the cost of doing transportation improvements has experienced record inflation ranging from 20-30%. Aside from the new funding from the General Assembly, this year's program didn't add a significant number of projects to the last two years as we manage the fiscal constraints of the funding," said MoDOT Director Patrick McKenna.

The draft FY 2024-2028 STIP lists transportation projects planned by state and regional planning agencies for fiscal years 2024-2028 (July 1, 2023 - June 30, 2028) and reflects the transportation needs of communities across the state.

The proposed program is available for public review. Those interested in seeing the program or offering comments can contact MoDOT by email to STIPcomments@modot.mo.gov, by calling customer service at 1-888-ASK-MoDOT (275-6636), or by mail to Transportation Planning, Program Comments, P.O. Box 270, Jefferson City, MO 65102.

website: https://www.modot.org/DRAFTSTIP. The formal comment period ends July 6, 2023.

Following the public review period, the comments will be presented to the Commission. The Commission will review the comments and the final transportation program before considering it for approval at its July 12 meeting.

MDC Offers Free Wild Jellies Classes June 17 At Warsaw, June 30 At Clinton

Learn how to make jellies from the spring flowers of native plants and trees.

The Missouri Department of Conservation (MDC) will offer free classes on how to make wild jellies from native spring flowers. The classes will teach how to identify, harvest, and prepare jellies and other wild edibles from flowers produced by dandelions and wild violet, as well as flowers from redbud trees and elderberry shrubs.

"There is a bounty of wild food available in Missouri throughout the year," said Ginger Miller, MDC conservation educator. "Come learn how and when to make beautiful wildflower jellies with us."

Registration is required for these classes, which are open to all ages. The session times for the classes at the Lost Valley Fish Hatchery in Warsaw on June 17 and registration links include: from 9 to

10 a.m., https://short.mdc.mo.gov/4P5; from 10:30 to 11:30 a.m., https://short.mdc.mo.gov/4PS; from noon to 1 p.m., https://short.mdc.mo.gov/4PT, and from 1:30 to 2:30 p.m., https://short.mdc.mo.gov/4Pq.

The session times for the classes at MDC's Clinton Office on June 30 and the registration links includes: from 9:30 to 10:30 a.m., https://short.mdc.mo.gov/4Pc; from 11 a.m. to noon, https://short.mdc.mo.gov/4Pp, and from 12:30 to 1:30 p.m., https://short.mdc.mo.gov/4PG.

MDC's staff offers a variety of classes year-round to connect people with nature, from foraging for wild edibles to catching fish for table fare. To check out offerings in your area, visit MDC Events at Events | Missouri Department of Conservation (mo.gov).
