## Big Crowds Soaked Up The Sun As Labor Day Signals End Of Summer

By **Anita Campbell**  
County Reporter

Warsaw and the surrounding area were extremely busy over the Labor Day weekend as great weather as well as a number of activities brought in large crowds to the Twin Lake area.

Out at Beyonder Marina at Sterett Creek, it was an extremely busy weekend.

"All the boats and boat slips were rented and the campground and motel were full," said Beyonder employee LaToya Russell. "The docks were full on Saturday and Sunday night as B. J. Taz and Branden Ward supplied music and the Drunken Minnow offered up food and drinks."

Russell reported that 2023 has been a busy season for Beyonder Marina and that while traffic slows down in the winter, seasonal slip owners can keep their boats at the marina year round.

Beth Drake at Osage Mini Mart reported that her store was busy all weekend as well.

"Having the rodeo on Labor Day weekend brought extra business to us," said Drake. "Most of our traffic was family oriented and I don't think the guys trying to fish had much luck because of the number of boats on the lake."

Drake reported that July had been her best month of

the season and that things would slow down now that football and school have started back up.

"We are expecting a good fall as Heritage Days always brings in a large crowd," said Drake.

At Osage Bluff Marina, Jason Reynolds reported a great weekend. "It was definitely a family weekend with lots of swimming and tubing," said Reynolds. "There wasn't quite as much fishing because of the number of people on the lake, but we sold a lot of our

stock which is good for the end of the summer."

Reynolds reported that hot weather kept some people off the lake during the summer. "It was an average summer but those really hot days were a little slow."

The Reynolds family has been operating Osage Bluff since 1982 and are famous for their Fourth of July fireworks display.

"Our show this year went on for 45 minutes and was well attended," said Reynolds. "I plan to continue the tradition."

Osage Bluff hours are 7 to 2:30 during the week and 7 to 7 on Friday and Saturday and 7 to 5 on Sunday. Closing date for the season in the first week of November.

Mary Langewisch at Statuary Gardens on Main Street said they had a "fabulous" weekend. "There were so many people in town over the Labor Day weekend and we were swamped," said Langewisch.

Statuary Gardens has added a Christmas Room which was very well received by the customers to the store.

"I decided not to close the store on Main Street because so many people urged me to stay," said Langewisch.

"This weekend gave me renewed hope and I am going to keep on working on both locations."

In addition to the Statuary Gardens store on Main Street, Langewisch operates a garden store at 34479 State Highway M near Edwards. The store near Edwards focuses on gardening supplies and

## OVEC Hosts 85th Annual Meeting For Members

Osage Valley Electric Cooperative held their 85th Annual Meeting on August 24, 2023, at the Benson Center in Clinton, Missouri. Employees registered a total of 509 members online and in person. BBQ sandwiches, chips, and cookies were served to approximately 650 members and their guests. The Garden Party band entertained and impressed the crowd with the sounds of California country rock, oldies, classic country, and classic rock.

A backpack was given to those in attendance, as well as a \$5.00 electric credit to each member registering in person and online. Credit certificates and other gifts were given away during the evening. Jim Kalberloh and Michael Snow were each the lucky winners of a \$250.00 electric credit certificate. The winner of the BOSE Quiet Comfort Earbuds II, donated by KAMO Electric, was Reggie Gregg.

The business meeting featured the election of three members to the Cooperative's Board of Directors. All three incumbent directors were re-elected to the Board to serve three-year terms. They were David Rapp, representing Bates County, Darrell Dains, representing Bates County, and Joe Hilty, representing Henry/Johnson Counties.

## Baby Food, Supplies Hit All Time High, Hurting Some Area Families

By **Judy Kramer**  
County Reporter

According to www.nbc.25.com, data from the U.S. Bureau of Labor Statistics show the average consumer

prices for items like baby formula, canned baby food, and diapers all increased in the past two years. But help is available to Benton County families who struggle with the ability to pay the high prices for their infant's needs.

Crossroads Family

**INFLATION COMPLICATIONS** have sent the cost of baby items sky high, causing some families to struggle with the basics. Benton County Health Department WIC Coordinator Bonnie Etter and WIC Certifier Ethel Keyte say they are working to help pregnant women and their babies with free formula and breast pumps.

Ministries at 1220 Commercial Street in Warsaw runs a pregnancy resource center for pregnant women and those with small children. The organization gives diapers when first asked, and formula if it is available. Crossroads also offers free classes to help with knowledge in various stages of pregnancy and parenting and helps with things needed for baby and beyond. Each class allows clients to accumulate credits through the Earn While You Learn Program which can then be used to acquire diapers and other baby and child supplies from the Crossroads' Thrift 4 Life store.

"Our classes are one on one and include subjects such as prenatal, labor and delivery, breastfeeding, child development, parenting, and bible studies," said

Big events coming up for Statuary Gardens will be Heritage Days in October and then the annual Boutique Crawl in November in Warsaw, Cole Camp and Lincoln.

“So many of our customers over the holiday weekend commented on what a special town Warsaw is,” said Langewisch.

## SUPPLIES

(Continued from Page 1) Crossroads Director Tammy Paulsen. “Items available in Thrift 4 Life include baby-related items as well as clothing for children and things for homes.” Paulsen said that Crossroads is pro-life and offers free pregnancy tests and pregnancy options counseling. It is open on Monday, Wednesday, and Friday from 11:00 AM to 4:00 PM. Call (660) 438-9140 or go to <https://crossroadsprc.wordpress.com> for more information.

The Benton County Health Department WIC Coordinator Bonnie Etter reported that the cost of formula is indeed up and that breast feeding supplies are expensive. She said that a breast pump costs \$200 and more. However, a free breast pump is available to those on WIC from the Health Department, as well as infant formula. Clients are given EBT credit cards to use when purchasing pregnancy and infant needs. “In August, we saw an increase by 28 new moms in the area, not including the ones we already serve,” said Etter. “We work together with Crossroads to help pregnant women and their babies.”

The Health Department is located at 1238 Commercial Street and can be reached at (660) 438-2876. It is open during weekdays from 8:30 AM to 4:30 PM.

Basic for Families, located at 1651 Commercial Street, distributes clothing and diapers to local families who need them. They serve children from 0 to 18 years of age, and presently help about 170 children.

“We get donations from different organizations and are able to order what we need,” said JoAnn Ruble, Executive Director of Basic for Families. “We get diapers from the Changing Table out of Osage Beach, and seldom run out. The Salvation Army sends a lot of our clients to us.”

This organization is open from 10:00 AM. to 4:00 PM on Monday and Tuesday, and 10 AM to 2 P.M. on Wednesday. It can be reached by calling 660-223-1867.

The Salvation Army, HeadStart Program and Parents as Teachers are other organizations that interact with each other to help children in the county. Any of the above-described agencies should have access to a free resource guide for help in Benton County.

## SMART START

(Continued from Page 1) Insurance, Lincoln’s Antique Mall, Pump ‘N Munch, and Citizens Farmers Bank. The total items collected was 791 and Shirley’s Highway Café was the contest winner with 446 items collected.

Donations from numerous community organizations and individuals totaled \$5,190 and are the reason that this event is made possible. A grant of \$1,000 from the Benton County Community Foundation was included in the amount this year. The foundation works to improve the quality of life for individuals in Benton County through thoughtful grantmaking and community leadership.

The event served approximately 500 students this year. Students had the opportunity to receive a backpack from the Elks Lodge, visit booths of vendors from BCYC, Katy Trail Community Health, Citizens Against Domestic Violence, Benton County Health Department, Boy Scouts, Hope5One, Benton County Early Learning Center (Head Start), Division of Social Services, Compass Health, Care Connections, Center for Human Services and Jonna Arnett (Warsaw R-IX School District), before picking up their free supplies. Refreshments for the vendors were supplied by the Paradise Point Beach Women’s Club and free haircuts were provided by Susanne Bechtel from

“Hair” Salon. Steven and his crew at Warsaw Walmart were a tremendous help in gathering all supplies ordered and the janitorial staff at JBMS assisted with set up and tear down.

The Benton County Human Services Council appreciates every donation of finance, volunteer time, and supplies to assure the success of this event!

## OVEC

(Continued from Page 1) Ron Steuck, OVEC’s Board President, addressed members and guests referencing his written report provided in the program. He then introduced Jarrod Campbell, CEO/General Manager, to present his report.

Mr. Campbell addressed the membership, reflecting on the highlights of the past year which included the Cooperative’s efforts for an increased emphasis on the culture of safety, challenges

faced by cooperatives regarding service reliability including an increase in demand for electricity, decreased electricity supply due to disorderly retirement and insufficient replacement of existing generation, permit delays preventing new electric infrastructure, supply chain challenges, and problems with natural gas availability. Mr. Campbell informed the members we would be working with our policy makers to ensure the national approach to energy remains focused on affordability and reliability. Mr. Campbell also updated the members on OVEC’s broadband project being built in conjunction with Conexon Connect, noting his hope to complete the build by the 2nd quarter in 2024. In closing, Mr. Campbell thanked the cooperative members for being present at the annual meeting and for supporting the cooperative in their

work. There being no new business to address, Mr. Steuck called for a motion to adjourn, wishing the crowd safe travels home.

## Ladycats Split With Lincoln, Appleton City; Lady Cards Lose Both In Season Opening Tri

**SUPREMACY AT THE NET**, the Lady Cardinals' Camryn Smallwood goes up with Warsaw's Kaleby Stevenson at the net on Tuesday night in Lincoln. The Ladycats swept the match in three straight sets.

By  
*Johnie Logue*  
Sports  
Reporter

The Appleton City Lady Bulldogs came in with the advantage having taken third place in a recent tournament. They played like it too, sweeping both Benton County teams in three straight sets.

Lady Bulldogs head coach Jamie O'Farrell commented, "We played 80 percent better tonight than we did against Osceola, Eldorado Springs and Buffalo."

Both Warsaw and Lincoln opened their seasons on Tuesday night in Lincoln in the three team matchup.

Appleton City started the evening beating Lincoln 25-11, 25-10 and 25-11.

Following, they had a tougher time of it in the first set with the Ladycats but defeated Warsaw 25-20, 25-12 and 25-9.

"We had the first game jitters that left us a little high and dry in the last two sets," Ladycats coach Kelsi Brosnahan said. "However,

our serve receive and serving has improved tremendously over the summer and it was apparent in that game. We did work hard to get the passes on the serve receive but had a hard time finishing the play out."

In that contest, Angela Konopasek and Hailey Ferguson both recorded 5 kills. Konopasek had 2 digs and Ferguson had 1. Adison Sherrill had 4 kills and 1 block and Haylee Cobb pitched in with 3 kills and 2 digs. Kaleby Stevenson notched 1 kill with 9 assists and 11 digs, Laney Arnett had 8 assists with 3 digs, and Jaylen McCullick and Tanna Howe recorded 18 and 6 digs, respectively.

That set the stage for the matchup fans came to see.

Warsaw prevailed 25-14, 25-18 and 25-16 over a young Lady Cardinals squad. There were some entertaining volleys in the last two sets and both schools had their cheering sections on hand, but it was the Warsaw crowd that went home happy on this particular evening.

"After regrouping before

our game against Lincoln, we can really see our team shine," Brosnahan said. "All of the hard work that they have been putting in over the summer and this preseason on passing and moving as a team is really starting to show. Our team was able to be dynamic and move the ball around the net which allowed for more plays to be carried out."

Howe served up 6 aces and had 13 digs and 1 kill. Stevenson had 3 aces with 3 kills, 4 assists and 5 digs. Konopasek tallied 1 ace with 7 kills and 6 digs while Ferguson also had 1 ace with 2 kills and 2 digs. Cobb knocked down 9 kills with 4 digs and Sherrill had 2 kills and 2 digs. Arnett recorded 17 assists with 5 digs and McCullick picked up 8 digs in the match.

Lincoln coach Gabbi Mallard commented, "We played well defensively; better than we have in past years. We have been working on getting better passes up in serve, receive and on defense. We just struggled offensively. The girls just need to be a little more confident in their abilities. The energy in the gym during the Warsaw game was high. It was fun to watch both sides."

### Tipton Routs Young, Inexperienced Lincoln Team

By  
*Johnie Logue, Sports*

Last season, Tipton surprised Lincoln with an

upset victory at Lincoln. This time around, the surprise came at a 52-0 halftime score. The host, Tipton was highly favored against the team with no seniors and only an upcoming sophomore class, but few expected the early onslaught.

**NOT THIS TIME**, the Cardinals' Larry Roberts and Riley Sanders tackled a Tipton runner on Friday night. Lincoln was mauled, 60-14.

Lincoln manhandled Lone Jack last week 58-7, but felt the sting of domination this time around.

Lincoln was ranked fourth compared to Tipton being unranked. Apparently, the boys down under wanted to make a statement and they certainly accomplished that goal in a huge way. Lincoln dropped out of the state rankings and Tipton took over the fourth spot.

One fan said, "People do not know how young we are with little varsity experience. The boys played hard and never quit. That says a lot"

Coach Drehle commented, "We are a young football team trying to find an identity and Tipton is a senior-laden team with a lot of experience and it showed. We did some good things, just couldn't string them together."

Coach Drehle added, "This week we will go back to work and get better. My message is simple, we are a work in progress. It is not about what you did last, it is about what you do next. We have to be able to honestly evaluate everything and then go to work to improve. Our goal remains the same; work now, win later, and that is what we will do. Not sure what to say about it other than it was a learning experience and we will get better because of it."

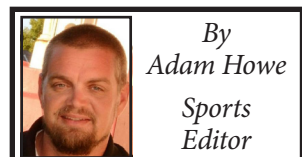

Riley Sanders was 12 for 29 for 134 yards, 1 TD and 4 INT's.

Cam Everhart rushed 8 times for 13 yards with 1 TD.

Dawson Parrott was 5 for 35 receiving.

Lincoln will travel to Crest Ridge next week.

## Warsaw Tames Tigers, Will Face Big Test This Week At Lafayette County

The Wildcats did what they do best on Friday night by controlling the game and the tempo with a steady rushing attack that resulted in over 400 yards on the ground in a 48-27 win over Versailles at home.

After the Tigers got on the board first and took a 7-0 lead after their opening drive, Warsaw answered on a 1 yard touchdown run by Josh Harvath to tie the game at 7-7.

Later in the opening period, quarterback Garrett Ferguson scored on another 1 yard touchdown run for the 'Cats, the PAT failed, but Warsaw had their first lead at 13-7.

The Wildcats went up 21-7 midway through the second on another 1 yard scoring run, this time by Jayce Depriest. Ferguson tacked on the 2-pt try to give the 'Cats a two-score lead.

Versailles cut into that lead on their next possession after a 32 yard touchdown pass from Fletcher Bias to Reese Murdock landed him in the endzone to make it 21-14 after the successful PAT.

It didn't take Warsaw long to answer though when they marched down the field and scored on another Harvath run, this time from 6 yards out. The PAT failed again on another bad snap but the Wildcats went up 27-14.

That advantage was shortlived, however, when the Tigers put another 6 on the board on another 6 yard TD pass with just seconds remaining in the first half. Their PAT was blocked by the defense of Warsaw

and the 'Cats took a 27-20 margin into the locker room at the half.

Warsaw went up 35-20 early in the third after a 6 yard run by Harvath that ended in paydirt and a Depriest run for the 2-pt conversion.

The 'Cats lead grew to 42-20 after a 15 yard TD run by Ferguson midway through the third and a Logan Gemes PAT that split the uprights.

Depriest tacked on his second touchdown run of the night early in the fourth and Versailles added a score late in the game for the 48-27 final.

Harvath paced the 'Cats with 147 yards rushing on 14 attempts with 3 TD's. Depriest added 106 yards on the ground on just 8 carries with 2 TD's and Ferguson racked up 69 yards and 2 TD's on 9 attempts.

Oliver Robertson carried the ball just 2 times, but racked up 57 yards.

Ferguson was also 5 of 7 passing for 62 yards.

Riley Taylor tallied 6.5 tackles to lead the Warsaw defense. Sonny Garrett finished with 4.5 and Harvath added 4.

Robertson had 1 sack of the Versailles quarterback and Dakota Todd and Kendall Bagley shared a sack.

The Wildcats will be on the road for the first time this season when they travel to Lafayette County (Higginsville) on Friday night to take on the 2-0 and #3 ranked team in the state in Class 2.

The Huskers come into the tilt averaging 51.5 ppg while the 'Cats will counter with an average of 42.0.

That collision course of unbeatens is set for a 7:00 PM kickoff.

The game can also be viewed live on BCE TV.

## Last Minute TD For Windsor Clips Bluebirds

By  
*Johnie Logue, Sports*

The Cole Camp Bluebirds, coming off a season opening double-overtime victory over Wellington-Napoleon on the road felt the other side of the coin in a 22-20 loss to Windsor last Friday at home.

Windsor scored with 37 seconds on the clock on a 50 yard pass play to a wide open Adam Hurd to tie the game at 20 all. Hurd scored the PAT for the game winner.

Cole Camp started a drive down field but a QB sack ended the game as the clock ran out.

After a scoreless first quarter, speedster Reid Harrison broke one for a 27

yard TD. The extra point failed and it was 6-0.

Grady Strathman would race into the endzone from 6 yards out to make it 12-0. The extra failed again.

With 7.9 left, Windsor scored and made the extra point making it 12-8 at halftime.

Windsor got an onside kick to start the third but failed to score. Chase Hampton drove in to put Windsor ahead at 14-12 at the 4:21 mark.

The fourth quarter was wild as Grady Strathman would catch a short TD pass and the extra point completion in the righthand corner to put Cole Camp back on top, 20-14 with 1:13 to go.

**COLE CAMP'S** Grady Strathman celebrates in the endzone in the fourth after the Bluebirds took a lead but the moment would be shortlived as Windsor scored in the final seconds for a 22-20 victory.

Cole Camp kicked the ball out of bounds on purpose but the re-kick from Harrison was a boomer to the 20. After moving up the field came the 55 yard pass

play from QB Carter Miller to Hurd.

Coach Shearer commented, "We made too many mental mistakes. We had a fumble, lost an onside kick and allowed a man to get behind us at the end. We are younger than we look on paper. We have kids who have not played a lot of varsity football. We are making freshmen and sophomore mistakes. You can see it. You improve the most from week one to week two."

Asked about his QB, Shearer said, "Gentry (Dieckman) took a year off and hasn't played much varsity football but in the fourth quarter he played very well and he played with passion."

Dieckman commented, "I thought it went well. It took me awhile to get used to playing again. We made some crucial errors. I got settled in at the end. All our receivers did well. This week, we scored in the first half and then at the end. Last week it took us forever to get our offense going."

Grady Strathman, their veteran senior running back and defensive standout commented, "Penalties hurt us. We played hard. Sometimes you come up short. You just have to play through it."

Asked if he (Shearer) thought about kicking a field goal at the end, Shearer said, "Yes, Reid Harrison has a leg but we are talking about a 54 yard field goal. We just weren't close enough."

Shearer went on to say, "You can't let up in high school football. We took downs off. You have to play hard every single down. Twice this team (Bluebirds) thought they had the game won. I give the Windsors coach all of the credit in the world. They are always a well prepared football team."

Dieckman was 17 for 21 with 162 yards and a TD through the air.

Grant Rodriguez rushed 12 times for 50 yards. Harrison went 10 for 64 and Strathman was 16 for 57.

Receiving saw Harrison at 9 for 120, Rodriguez 4 for 14, Strathman 3 for 17 and

Matthew Bright 1 for 11. Bright had 12 tackles, Harrison 11 and Rodriguez contributed 10.

This week, Cole Camp (1-1) will travel to Tipton to take on the 2-0 Cardinals.

That game is slated for a 7:00 PM kickoff.

## Fristoe NEWS

By Pat Arnett  
Contributing Reporter

The weather this week has been really nice until Saturday and hot air moved back into the area. The forecast seems to say it will stay in the upper 80's-lower 90's for several days. The garden produce is coming to the vines and plants in abundance supply. Neighbors have even had watermelon (good watermelon) on their vines. I was raised on the land where I live and my mom and I planted seeds in the garden dirt more than once and we were never able to get a product from one vine. Cucumbers, zucchini, even pumpkin, but never one watermelon.

Remember: The Pentecostal Lighthouse Church will be holding Revival Services (BRUSH ARBOR REVIVAL) beginning on Thursday, September 21 through Sunday, September 24 starting at 6:00 PM each evening!

Prayers for this week are: Delores Prater, Judy Retherford, as she was taken to the hospital in Kansas City on Saturday afternoon. Bob Jackman, Kathy First, Russ Weeks, Lewis Retherford, Carolee

Apperson, Gladys Harris, Easter Willis, Curtis Allen, and Mary Scarbrough!

The Fristoe area was busy for the weekend with visiting family and friends because it was the Labor Day weekend. Schools were having sports, such as Warsaw football, who won their game on Friday night against Versailles. Other area teams won, some lost. Teams will be playing football, volleyball, softball and even soccer this coming week!

The Warsaw area held the annual Rodeo the past weekend. However, for the first time in several years, there weren't any contestants in any category from the Fristoe area.

News from the Gracie Yoder blog: she is now in the state of Georgia preparing herself to be ready to go into the actual mission work. We are so thankful that Gracie is going to share with us tidbits now and then about her activities. The Fristoe area is very proud of Gracie and her mission work!

The Fristoe Lighthouse Church had nearly every one of regular attendees back on Sunday. There had been three out earlier in the week because of teeth problems. They were in church Sunday morning. The church ladies (when they hear of a need) are quick to get together and provide anything they can to meet the need. Get in touch with any of these great ladies if you would like to join our group OR if there is a need we can help with. Specials were, Claude

and the Lighthouse Singers (-Delores as she didn't feel like singing) sang "This World Is Not My Home" and did a wonderful job. DoBee, Brenda, Ken and Tony were fantastic on "Never Been This Homesick Before" and Dave Cunningham sang a very spiritual hymn. The Sunday School started a new unit entitled Early Israelite History and began with Abraham and how God is always so much to keep promises He makes. We learned from Abraham that obedience and true faith are inseparable. Br. Smith's message was from the book of Esther Chapter 3.

Thought for the week: The greatest possession you have is the 24 hours right in front of you! Ecclesiastes: 3:17 There is a time for every purpose and every work!

Hope everyone reading this has a great week!

[CrawfordAuctionService.com](http://CrawfordAuctionService.com)

Dear Editor,

In answer to last week's letter to the editor about Biden's response to the fires in Lahaina, Maui Island of Hawaii, I'd like to remind people of Trump's response to the September 20th, 2017 Hurricane Maria in Puerto Rico. October 3rd, two weeks after the hurricane, Trump visited Guaynabo, a wealthy neighborhood near the capital, not even close to the most catastrophic destruction and casually threw paper towels into a cheering crowd at a church. Remember, after that, comments in the press centered on Trump's lack of empathy and inability to sympathize with others. On the same trip Trump scoffed at a water purification kit that could help save lives. It is believed that close to 3,000 people died, who shouldn't have, in the six months following the storm. After throwing paper towels, Trump said, "You've thrown our budget a little out of whack...but that's fine."

Back to present day, Hurricane Idalia just hit parts of Florida. We've had numerous recent natural disasters, including wildfires and flooding, which have used up federal government relief funds and FEMA needs more funding. Biden is asking Congress for a supplemental budget request which includes funding for immediate crises that we're facing right now as well as our long-term commitments that we have to make to finish the job in Maui and elsewhere. Decisions on funding will take place in September, but some Republican members of Congress think the FEMA funding is not needed.

And, no, it hasn't taken President Biden two weeks to respond to emergency situations.

## Have I Got A Line For You!

By James Mahlon White

Georgia's Governor said he won't call a legislative session to impeach the DA who charged The Donald. Said he's going to follow the law and the Constitution. Sounds like a grand idea except Fanni ran for office saying, "She'd get Trump." Remember another candidate who was found to have broken the law? She was never prosecuted under the theory that "No reasonable prosecutor would take such a case to court." Say goodbye to the notion of a reasonable prosecutor and hello socialism! In the meantime, President Biden said the ever growing crisis at the border is, "My predecessors fault." Uncle Joe blames Donald for most things and yesterday I ran across an article titled "Whatever It Is, Donald Trump Likely Did It." It asks among other things, "Was Donald Trump on the Grassy Knoll?" and "Did Trump use a time machine to beam back and kill Abraham Lincoln?" Won't be long until The Donald is blamed for the crucifixion too. Say what you will, but unlike our current President the last one seemed to know what was going on and wasn't sniffing anyone's hair or looking for ice cream. They didn't have to tell him which way to walk either. What a surreal time we live in.

Haven't been to a Missouri Press Convention in some time but will try to attend this year in St. Louis. I used to attend every year and it was fun to meet press people from all over the state. They've mostly alternated between K.C. and St. Louis, once in a while Columbia. Wouldn't mind a Prosperity Sandwich at the old Magnolia Hotel and

see Union Station again. St. Louis is very different from K.C., though I like them both. K.C. is more laid back and prettier with its sister city a bit more eastern in atmosphere. Much of K.C. has excellent planning and zoning. St. Louis often has one nice block adjacent to a run down one. Speaking of old, read a book on the Revolution and found this: George Washington owned "Western Lands" in what later was Ohio and farther out. It's believed that George W. may have come west, by river as far as the present location of Cape Girardeau. And JW told me the hamlet of Lewis, just a few miles from Clinton on Highway 52, had Howell Lewis a relative of either George or Martha (I forgot which) as one of its first settlers.

Here's a good idea. The police department in East Liverpool Ohio continues to release "controversial pictures." Several years ago they released a photo of a couple who passed out in their car from using heroin. Their child was in the backseat. The Police Chief said he wasn't concerned if the picture embarrassed anyone, it was more important for people to see the devastating effects of this drug. Good for him. Too many deluded people want this stuff legalized. It was banned a long time ago for a very good reason. On the other hand, at least they were wearing their seat belts.

Time to stop talking with my fingers. Have a wonderful month of September, Ol' Buddy. - And rest easy.

'Til Next Week:  
J.M.W.

you? ... to know your children could continue their education plans?

... to know your debts could be paid without burdening your family?

Clearly, if you were to assign these benefits a "price tag," it would be pretty high.

And that's the value of owning sufficient life insurance.

So, let's return to the issue of people putting off buying insurance because they don't know how much they need, or what type they should have:

**• How much is enough?** You might hear that you need life insurance equal to about seven to 10 times your pretax annual salary. That's not a bad "ballpark" figure, but not everyone is playing in the same ballpark. To get a true sense of how much of a death benefit you require from your life insurance, you'll need to consider a variety of factors, possibly including your current income, spouse's income, the size of your mortgage (in addition to other liabilities), number of children, educational expenses and final expenses for funeral arrangements.

**• What type?** You can essentially choose between two basic types of life insurance: term and permanent. As its name suggests, term insurance is designed to provide coverage for a designated period, such as 10 or 20 years. Generally speaking, term insurance is quite affordable for most people, especially when they buy policies as young adults. On the other hand, permanent insurance, such as whole life or universal life, is usually considerably more expensive than term insurance. This is because permanent insurance premiums, in addition to providing a death benefit, help build cash value, which you can typically access through loans or withdrawals, giving you additional flexibility should your financial needs change over time. In choosing between term and permanent

insurance, you'll want to evaluate several issues, such as how long you think you'll need coverage and how much you can afford to pay in premiums.

Finding out about the benefits, costs and types of life insurance can help you make informed choices to help protect your family for years to come — so don't delay learning what you need to know.

Karen Sue Cochran Tempfel

Karen Sue Cochran Tempfel, age 80, of Columbia, Missouri, passed away Sunday, August 27, 2023, at The Villa Blue Ridge.

Karen was born June 8, 1943, in Boonville, MO, the daughter of James Robert and Mildred (Swarnar) Cochran, who preceded her in death.

Karen graduated from Boonville High School in 1961.

She married the love of her life, Floyd Tempfel, on September 2, 1961, in Boonville, Missouri. He preceded her in death on November 9, 2022. They were married for 61 years.

Despite suffering major injuries in a car crash in 1964, and a lengthy rehabilitation, Karen remained an active and enthusiastic participant in her family and community. She ran the administrative portion of the physical therapy department for many years at the University of Missouri, Columbia. She went on to assist her husband Floyd in establishing his orthotic and

prosthetic business. They owned and operated over 20 clinics across Missouri and Oklahoma.

Karen and Floyd enjoyed many years of living in a variety of communities including their hometowns of Pilot Grove and Boonville, MO; Creede, CO; Okeechobee, FL; and Warsaw, MO. Karen designed their Pilot Grove, MO and Creede, CO houses. She enjoyed reading, sewing, and traveling in their RV home. One of their most memorable summer trips was caravanning with friends to Alaska. Friends and family will long remember Karen as a cheerful engaged and engaging conversationalist with a bright smile, generous heart, and strong faith.

Survivors include one brother, Brent H. Cochran of Lee's Summit; one nephew, Tim Harlan, of Columbia and five nieces Tina Tempfel Stanley of Bedford, VA; Saundra Cochran Smith of Clinton; Linnet Harlan of Pacific Grove, CA; Laurel Harlan and Heather Harlan also of Columbia.

In addition to her parents and husband, she was preceded in death by daughter, Tracie Lee Tempfel, sister Dorothy Cochran Harlan, and brother James Robert Cochran, Jr.

On Thursday, September 7 at 11:00 a.m., a celebration of Life Service will be held at First Presbyterian Church, 417 Vine Street, Boonville with Pastor Terry Overfelt of Broadway Christian

Church, Columbia, officiating. Immediately following the service, guests are encouraged to greet and visit with the family at the church following the service.

Private interment will take place at Walnut Grove Cemetery in Boonville, MO.

Memorial contributions are suggested to St. Johns United Church of Christ, 14191 Billingsville Road, Boonville, MO 65233

**Notice of Letters Testamentary Granted**  
(Supervised Administration)

**To All Persons Interested in the Estate of KATHY SUE NEILL, Decedent:**

On AUGUST 22, 2023, the last will of Decedent having been admitted to probate, the following individual was appointed personal representative of the estate of KATHY SUE NEILL, decedent by the Probate Division of the Circuit Court of BENTON COUNTY, Missouri.

The name, business address, and phone number of the personal representative is: LAURA B. HELD, 180 COUNTY RD. 332, FRANKLIN, MO 65250; 314-565-9960

The personal representative's attorney's name, business address and phone number is: JASON J. HEANY, 101 S MAIN ST/ P.O. BOX 54 WINDSOR, MO 65360; 660-647-5311

All creditors of said decedent are notified to file claims in court within six months from the date of the first publication of this notice or if a copy of this notice was mailed to, or served upon, such creditor by the personal representative, then within two months from the date it was mailed or served, whichever is later, or be forever barred to the fullest extent permissible by law. Such six-month period and such two-month period do not extend the limitation period that would bar claims one year after Decedent's death, as provided in Section 473.444, RSMo, or any other applicable limitation periods. Nothing in Section 473.033, RSMo, shall be construed to bar any action against a decedent's liability insurance carrier through a defendant ad litem pursuant to Section 537.021, RSMo.

**NOTICE OF PURPA CONSIDERATION AND HEARING PROCESS TO ALL ELIGIBLE PARTICIPANTS**  
**Issued: August 25, 2023**

Southwest Electric Cooperative (the "Cooperative") hereby gives public notice regarding the process to be followed by it in implementing the statutory directives in the 2021 Infrastructure Investment and Jobs Act (2021 Infrastructure Bill), which amended the Public Utilities Regulatory Policies Act of 1978 (PURPA). The 2021 Infrastructure Bill established new Federal standards under Section 111(d) of PURPA, which certain nonregulated electric utilities (such as the Cooperative) are required to consider and to "make a determination whether it is appropriate to implement such standard[s]" within certain defined timelines based on evidence collected pursuant to a public notice and hearing.

The two new PURPA standards defined by the 2021 Infrastructure Bill which the Cooperative must consider are set forth below. The "Eligible Participants" in the Cooperative's PURPA Consideration and Hearing Process consist of any and all active members (on or after the date of this notice)

of the Cooperative and the Secretary of the Department of Energy. If any Eligible Participant is not able to access the Cooperative's website and desires a copy of the statute, that Eligible Participant should contact the Cooperative: (a) by phone: 417-326-5244; (b) by U.S. Mail: at 1023 S. Springfield Ave., PO Box 150, Bolivar, MO 65613; or (c) by fax: at 417-326-6871, and a copy will be provided at the cost of the requesting party.

The two new PURPA Standards are summarized below:

1. *D e m a n d - Response Practices.*

(A) In general Each electric utility shall promote the use of demand-response and demand flexibility practices by commercial, residential, and industrial consumers to reduce electricity consumption during periods of unusually high demand.

(B) Rate Recovery

A nonregulated electric utility may establish rate mechanisms for the timely recovery of the costs of promoting demand-response and demand flexibility practices in accordance with subparagraph (A).

2. *Electric Vehicle Charging Programs.*

Each State shall consider measures to promote greater electrification of the transportation sector, including the establishment of rates that:

(A) promote affordable and equitable electric vehicle charging options for residential, commercial, and public electric vehicle charging infrastructure;

(B) improve the customer experience associated with electric vehicle charging, including by reducing charging times for light-, medium-, and heavy-duty vehicles;

(C) accelerate third-party investment in electric vehicle charging for light-, medium-, and heavy-duty vehicles; and

(D) appropriately recover the marginal costs of delivering electricity to electric vehicles and electric vehicle charging infrastructure.

In order for the Cooperative to fully consider the views of the Eligible Participants regarding the standards so that it may determine whether it is appropriate to implement such standards, the Cooperative will follow the procedural schedule set forth below (each component of which is more fully addressed in the ensuing portion of this Notice):

1) Official Notice of Public Hearing Process and Procedural Schedule – issued August 25, 2023

2) T h e Public Hearing will be held on Wednesday, October 11, 2023, at 10:00 a.m. at the Cooperative headquarters

3) Written Comments – to be submitted at least 14 days before October 11, 2023

4) Rebuttal Comments – to be submitted no later than 14 days after October 11, 2023

5) D e t e r m i n a t i o n Announcement by the Cooperative's Board of Trustees – to be rendered on or before November 15, 2023

*Notice.* This Notice is being posted at the Cooperative's offices, on its website, and published in the Benton County Enterprise, The Index, Lake Sun, Bolivar Herald-Free Press, Buffalo Reflex newspapers on August 28, 2023. Any Eligible Participant may obtain at cost, a copy of the statute incorporating changes from the 2021 Infrastructure Bill at the offices of the

Cooperative following the procedures explained above.

*Written Comments.* These comments (if possible) should be typed (double spaced) and paginated, with appropriate headings so that the reader will know with specificity which of the two standards is being addressed. The comments should identify the full name of the Eligible Participant along with the address, telephone number, and (if available) the email address of the Eligible Participant. Comments may be submitted at the Cooperative's office at 1023 S. Springfield Ave., PO Box 150, Bolivar, MO 65613. The Cooperative will post all comments submitted by Eligible Participants on its website and will make copies of comments available at cost, to any Eligible Participant that requests a copy.

*Rebuttal Comments.* The purpose of rebuttal comments (which should conform to the format described above for written comments) is solely to respond to points made in another person's written comments; therefore, it is important that the person submitting reply comments identify with specificity the written comment(s) to which it is responding and the points (preferably with page references) in the written comments which it is addressing. The filing instructions described above for written comments should be followed for rebuttal comments. The Cooperative will post all rebuttal comments on its web site and will make copies of the reply comments available at cost to any Eligible Participant that requests a copy.

*Determination.* The Determination to be made by the Cooperative as to whether it is appropriate to implement either or both of the two standards will be in writing, will be based on findings supported by the evidence of written record, will be posted on the Cooperative's website and will be made available for any Eligible Participant at cost.

We urge persons interested in this matter to contact us with any questions as to any of the items discussed above. Thank you in advance for your interest.
