"A Rising Tide Lifts All Boats" CEC Conference A BIG Win For Benton County

By
Anita Campbell

The Connecting Entrepreneurial Communities (CEC) conference was held September 20-21 in Benton County. Sessions were held in Cole Camp, Lincoln and Warsaw with speakers providing several days of learning about rural innovations for leaders with an eye on business growth.

"This conference was designed for people who decide where resources go," said Annette Kendall, assistant extension professor of business and innovation in the University of Missouri Division of Applied Social Sciences. "Those in government, banking, education, libraries who can provide services to entrepreneurs who want to do something differently."

The event was presented by MU Extension with Benton County Economic Development and Benton County Tourism and Recreation.

"Our communities are so beautiful; all three of them are different and unique," said Jo Ann Lane, director of Benton County Economic Development. "Cole Camp has German heritage, and most of their downtown is on the national historic registry. Lincoln is smaller, but we have a great event planned for Lincoln. Warsaw is so beautiful,

located where the Lake of the Ozarks and Truman Lake meet."

"With breakout sessions in shops and businesses throughout Benton County, the 2023 CEC conference offered the unique opportunity to learn about and experience an entrepreneurial community up close and personal," said Amie Breshears, MU Extension ag business specialist.

"The key to success in Benton County and

surrounding counties is working together," said Breshears. "Networking is key. A rising tide lifts all boats."

"Bringing the whole county together is how we do it," said Lane. "Every month, we have a three-chamber meeting, along with tourism, economic development and MU Extension. We decide how we can help each other and not overlap events, or make sure our events complement each other."

Breshears and Lane attended the 2022 CEC in Hannibal and decided Benton County would be a good fit for the conference, Lane said. "We've been seeing more growth in the county in recent years—even during COVID, when a lot of business were shut down. Our high-speed internet services are attractive to those who wish to work remotely and enjoy smaller-town living."

Breshears said it's important to remember that rural

communities are structured around agriculture. "Ag business IS business. There are no businesses without ag business," she said.

"Rural people tend to stick around," she continued. "They step up and take care of things in rural communities. They're a great source of stability, the foundation of the rural social structure. They volunteer and help each other out."

In mid-session Thursday eve, City Clerk Dawn Paul reported a need to update and streamline its website with an ability to, for instance, furnish emergency contact information to customers affected by disruptions to service. After much debate, she was advised to proceed with those efforts. She also said she had received bids to replace windows in city hall and was asked to contact bidders for more information.

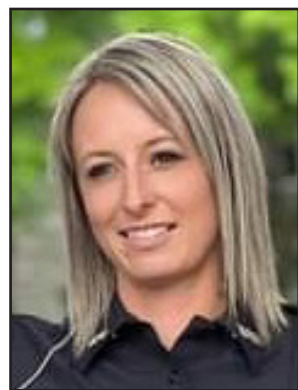

The meeting opened at 7:00 PM on September 21 with Aldermen Jon Beckman, Diana Burdick, David Locke, Mindy Fox present. Mayor Bob Meuschke presided; City Clerk Paul recorded.

The group heard early comments from visitors concerning a proposed land and water grant to fix, repair and ADA upgrade the city's Butterfield Trail Park, then moved into regular session; approving the evening's agenda and its August 17 meeting minutes; then they received the August financials for the city and agreed to pay August bills presented.

In old business, the group approved a second reading to a water leak ordinance which could limit a customer's liability in such a situation.

In new business, the group

venison to help feed hungry Missourians. Benton County hunters can donate the venison to Jackman Meat Processing at 36866 Jackman Avenue and they will process it based on availability. -The WARM House expects to start

distributing the processed, ground venison to clients in November.

Missouri's deer season opened with archery hunting on September 15, and will close with the second archery portion on January 15. Since 1992, the Conservation Federation of Missouri (CFM) and Missouri Department of Conservation (MDC) have administered the Share the Harvest program. MDC and The WARM House in Warsaw partner to try and cover the cost of processing, and Jackman Meat Processing does all the work. If there is an excess of venison in The WARM House freezers, its volunteers take some to the Benton County Food Pantry for further distribution and to the Senior Center to be offered as a meal choice.

HERITAGE DAYS 2023

Over 200 vendors of hand made crafts in Drake Harbor set up for the weekend in huge tents, on the asphalt, and on the lawn in front of the amphitheater. The Warsaw Chamber of Commerce provides golf carts to shuttle guests to and from Drake Harbor, so it's easy to leave the festival loaded down with goodies. The food vendors include "The Gator Wagon", "Walking Tacos", all your traditional fair food like corn dogs and cotton candy, and this year we added an egg roll vendor, sweets and treats, and bratwursts. There is also a direct sales section of Heritage Days, where you can find anything from Avon to Tupperware, clothing and accessories, and hunting and fishing gear. The Community Building that overlooks Drake Harbor is also full of hand made crafts. Come and enjoy the day with us, you won't be disappointed!

Don't miss the Kaysinger Bluff Pioneer Heritage Days portion, taking place at the Harry S. Truman Overlook. A celebration of old time crafts and activities, there are period correct buildings, folks in old time dress, musical demonstrations, a mill, food, and much more. Admission is \$10 for adults and \$5 for children. Parking is available in East Bledsoe Ferry.

“There’s no formula to revitalizing rural communities, but it starts with the efforts of local people – people with a vision,” said Kendall. “Rural people are the most innovative. They just get on and do things, new ways of doing things that better peoples’ lives.”

On Saturday there was a break out session held at the Yellow Deli in Warsaw with the speakers including Benton County Presiding Commissioner Steve Daleske, Warsaw Mayor Eddie Simons, Lincoln Mayor Glenn Nelson and Cole Camp Mayor Robert Meuschke. Breshears was the moderator of the session.

Presiding Commissioner Daleske spoke about the advantages of living in Benton County. He pointed out that many people retire to Benton County because of the largest lake in the state, Truman Lake, as well as the beauty of the area with opportunities for farming, hunting and fishing.

“During the summer the population of Benton County swells with people coming here because it is a very unique place,” said Daleske. “We offer a great deal of opportunities for people and they are discovering the advantages of rural living.”

Warsaw Mayor Eddie Simons agreed. “We have all kinds of sports such as kayaking, fishing, boating, hunting and fishing,” said Simons. “Warsaw recently received a \$25 million grant to improve the infrastructure and soon we will be able to change the streets and sidewalks of Warsaw to accommodate the growth to the city.”

Lincoln Mayor Glenn Nelson reported that many people who work in Sedalia prefer to live in Lincoln and that there is a need for housing in Lincoln.

“We need additional housing in Benton County,” said Nelson. “There are no rentals available in Benton County and people are requesting housing every day.”

Cole Camp Mayor Meuschke said that Cole Camp has a very active Chamber of Commerce and that they are on the verge of getting COMO internet service to Cole Camp which in turn will encourage people to move to Cole Camp.

“People want to live in small towns but they need to be able to work remotely so fast internet is necessary,” said Meuschke.

Lincoln Mayor Nelson spoke about how the Lincoln community had been working to clean up their city.

“Lincoln was looking rather shabby and the community came together to clean up and attract new businesses,” said Nelson. “We have a long way to go but Lincoln is definitely looking better and we now

have a grocery store which we had been lacking for several years.”

Warsaw Mayor Simons agreed with Nelson on the need to keep the city looking good. “We have to keep people from trashing up property and continue to inspect buildings to make sure they are structurally sound,” said Simons.

Presiding Commissioner Daleske pointed out that it takes time to make things better. “People in Benton County aren’t always receptive to change,” said Daleske. “They don’t want the government telling them what to do, but we have to work together to make improvements.”

Cole Camp Mayor Meuschke agreed with Daleske. “I am not originally from Cole Camp and it is sometimes difficult for people to accept change, but while we want to retain our traditions, we have to attract people to this area if we want to remain a vital community.”

All three county mayors spoke about the need to improve the water and sewer systems in their respective cities.

“That may mean an increase in rates to install improvements,” said Simons.

At the closing session of the CEC Conference Senator Sandy Crawford and Representative Roger Reedy presented resolutions to the oldest businesses in each of the three Benton County cities: MFA Producer’s Exchange in Lincoln; Farmers Insurance in Cole Camp and the Benton County Enterprise in Warsaw.

The CEC Conference will be held in Fulton in 2024.

SHARE
(Continued from Page 1) get a choice of venison or hamburger,” said The WARM House Board Secretary Rosie Wall. “There is usually more deer meat available than hamburger, so clients get more servings if they choose venison. For those who think they might not like the taste of deer meat, we give suggestions how to mix it with spaghetti sauce or use it to make sloppy joes so it is hard to detect a difference from hamburger.”

Wall said that The WARM House freezers are usually filled two times during deer season, and the state requires that the donated venison be distributed before May 1, motivating volunteers to pass out as much as possible in March and April. The May 1 deadline does not affect the Senior Center, so venison may be a menu option for a longer time. Wall said that less venison was donated last year than in previous years, but she hopes the amount will be back to normal this year.

Jackman’s is the only approved Benton County Share the Harvest deer processor. The county is not in the chronic wasting disease zone where deer must be tested. Hunters who donate a portion of their venison must pay processing fees, but if they donate a

whole carcass (minus the antlers) the processing is free.

Jackman’s had not received any donations as of last week, and staff said that most of the donations take place during rifle season. Mdc.mo.gov reports that 65 percent of the total deer season harvest takes place during the November portion of firearms deer season.

Firearms: Antlerless portions of deer season takes place October 6 to 8, and December 2 to 10. Firearms: Youth Portions are October 28-29, and November 24-26. Firearms: November Portion is November 22-21, and Firearms: CWD Portion is November 22-26.

4H WEEK
(Continued from Page 1) opportunities for youth to find their spark by providing educational opportunities, caring mentors, and service-learning opportunities. Youth choose their own path and are guided by volunteers with similar passions.

Benton County 4-H will observe National 4-H Week this year by highlighting some of the inspirational 4-H youth in our community who are working tirelessly to support each other and their communities.

“I cannot express how much I love Missouri 4-H’s members, volunteers, families, faculty and staff,” says Lupita Fabregas, Sr. Program Director of Missouri 4-H. “We are truly one big family with many passionate individuals who are committed to personal growth, leadership, and making a positive impact in our world.”

Fabregas challenges each member and volunteer to show their 4-H spirit during National 4-H week and recruit at least one new member for their 4-H family. Missouri 4-H has a broad range of project topics and delivery methods to ensure that there is an opportunity for all Missouri youth to participate in 4-H.

Benton County 4-H members will celebrate National 4-H Week by setting up window displays in local businesses and wearing 4-H shirts to school.

“My experience in 4-H taught me how to sew and crochet and decorate cakes, skills which I now use as an extra income source for my family”, said Kristie Jonson, Lake Creek 4-H Club Alumnae and Outgoing 4-H Club Leader. Jonson added, “Through community service projects like Adopt-A-Highway trash pick-up and cleaning flower boxes at the local library, 4-H members learn to take pride in their community and the value of giving back”. “4-H projects such as Gardening, Food Preservation, Country Cured Meats, and Foods give members the knowledge and skills to feed themselves forever.”

In Benton County, more than 115 4-H youth and adult volunteers from the

community are involved in 4 H. Highlights of this past year include attending Clover Kid Day Camp, Regional 4-H Camp, and Missouri 4-H Teen Conference, exhibiting items grown or made at Missouri State Fair competitions, and performing project demonstrations. One member serves as a Missouri 4-H State STEM Ambassador. Popular projects include arts and crafts, foods, country cured meats, shooting sports, poultry, rabbits, and beef cattle. 4-H also provides the educational “Hatching Chicks” embryology project in local schools.

JBMS "B" Girls Finish First, "A" Takes Second At OHC Tourney

COMING IN HOT, the JBMS volleyball teams traveled to Butler on Saturday to take on the Ozark Highlands Conference in its middle school tournament. The Ladycats "B" team claimed the championship and the "A" team came in second to only Versailles in a 2-1 match (17-25, 26-24, 11-15). Both teams have matches left at Eldorado Springs and Lincoln before hosting Butler. They'll conclude their seasons in the JBMS Tournament.

JBMS Wildcats Still Undefeated After Manhandling Sherwood

IT WAS A JUMP BALL for the Wildcats Brecken Brewster as he went up between two Marksmen defenders, came away with the ball and scored on a long TD in a 34-0 rout last Tuesday night. Brewster accounted for 4 of JBMS' 5 touchdowns on the night. Johrdan Decker also scored on a nifty run. The Wildcats remain unbeaten and hosted Buffalo on Tuesday night. That result will be in next week's edition of the *Benton County Enterprise*.

Warsaw Shocked By Hogan Prep In Final Minute

By Adam Howe, Sports

In a back-and-forth battle on Saturday morning, the Wildcats let one get away from them when Hogan Prep Academy scored with under one minute left in the game to narrowly nip Warsaw sending them on a long bus trip home with a 22-21 loss.

The Wildcats led 7-0 after a 7 yard touchdown run by Jayce Depriest and a Logan Games PAT with three minutes remaining in the first frame.

Hogan bounced back quick though when Dacian Mulderew broke loose on an 86 yard touchdown run less than thirty seconds later. The Rams 2 point try was no good and the Wildcats held a slim 7-6 lead.

Hogan Prep took their first lead with just over three minutes left in the first half when Maurice Thornton connected with Javion Mahone on a crossing route that ended in a 56 yard touchdown reception. This time Malichi Thompson converted the 2 point attempt and Warsaw found themselves in fairly unfamiliar territory, down 14-7 at the half.

Like Wildcats fans are accustomed to seeing,

halftime adjustments were made and execution was near flawless on the Wildcats first drive on the second half.

At the 7:58 mark, 'Cats quarterback Garrett Ferguson squeezed in from the 5 yard line for another touchdown, Games split the bars for the PAT as Warsaw knotted the game up at 14-14 and that's how the third quarter ended.

The Wildcats reclaimed the lead just inside the fourth period when Harvath scored on a 1 yard TD plunge and Games nailed his third PAT of the sultry afternoon to give Warsaw a 21-14 lead.

On the Rams next possession, Depriest flew off of the edge for a sack of Thornton, the ball jarred loose and was recovered by Oliver Robertson giving the ball back to the Warsaw offense. However, the Wildcats failed to exploit the opportunity and that drive ended in a punt.

The Rams final drive of the game was marred by penalties, but most of those came against Warsaw in an uncharacteristic fashion. With just 0:45 remaining on the clock, Javion Mahone snuck across the goal line on a 5 yard touchdown run and with a lowly 1-3 record coming into the game, elected to go for the win on a 2 point play.

Thornton kept the ball, moved to his left, took off and was greeted at the goal line by Wildcats defenders, but momentum carried him in for the go ahead score, 22-21.

Warsaw's final drive ended on an interception and they headed back to Benton County with their second loss in three games.

The Green and Black now stand at 3-2 on the year and 2-0 in the OHC.

The Wildcats offense failed to find much rhythm throughout the contest, failing to get anything going on the ground or through the air.

Harvath led Warsaw with 71 yards, Depriest had 63 and Ferguson finished with 23 rushing yards. Each tallied 1 touchdown apiece.

Ferguson connected on 5 of 8 passing for 56 yards and threw 2 interceptions.

Games was perfect once again going 3 for 3 in his PAT's.

Harvath also led the Wildcats defense with 8 tackles while Drake Murrell tallied 5.5. Devon Boul recorded 3.5 tackles and 3 each were also contributed by Depriest and Sean Reinertsen.

The Wildcats will look to right their ship when they travel to Eldorado Springs this Friday night for another Ozark Highlands Conference game. Like usual, that game is set for a 7:00 PM kickoff.

Ladycats Still Reeling After Loss At Versailles

By Adam Howe, Sports
Warsaw volleyball's record tumbled to just 2-6 after playing at new OHC opponent Versailles last Tuesday, losing in three straight sets 13-25, 25-27 and 21-25.

The Ladycats coaching staff is hopeful that mixing in some young, new talent may provide a boost to their floor.

In the loss: Angela Konopasek: 4 kills, 7 digs; Hailey Ferguson: 1 ace, 3 kills, 1 block, 2 block assist, 6 digs; Adison Sherrill: 5 kills, 1 block, 2 digs; Jaylen McCullick: 5 digs; Tanna Howe: 2 ace, 5 digs; Haylee Cobb: 4 kills, 1 block assist, 6 dig; Laney Arnett: 2 aces, 1 kill, 9 assist, 2 digs; Kaleybe Stevenson: 1 ace, 6 assist, 6 digs; Maylee Slavens: 1 kill; Elizabeth Winters: 4 kills, 1 dig; Mady Reimund: 2 kills, 1 block assist, 1 assist, 2 digs.

Blackhawks Devour Cards To Remain Unblemished

FLYING HIGH, Lincoln's Ashton Wolfe (52), in his first game back from injury, leaps in the air to catch Adrian's running back. Lincoln lost 48-8 on the road.

By Johnie Logue
Sports Reporter

The Lincoln Cardinals, still shorthanded even after picking up some extra players from their student body, traveled to Adrian on Friday night.

The Blackhawks, even without their starting QB, ran over Lincoln 48-8 to remain undefeated at 5-0.

It was 14-0 after one, 21-8 at half, 34-8 after three and 48-8 after the final horn sounded.

The bright moments for Lincoln came in a TD pass from sophomore QB Riley Sanders to Cam Everhart and the PAT pass to Dawson Parrott in the second quarter.

It was all Adrian after that. They had 359 total yards and 16 pancake blocks.

Sanders ended up 5 of 10 for 77 yards with 3 INT's.

The good news was that there were no new injuries to an already banged up 14 man squad. The Cardinals will have the week off and will play Cole Camp the following week. With a few returning players from the DL and the new players, Lincoln should have 21 or so athletes ready to play against their arch rivals.

The week off came as Slater went to eight man and Lincoln, in a rebuilding season, chose not to add anyone.

Head Coach Brad Drehle commented on the game, "I felt like our kids competed and took a step forward. We played a little more physical than we have and played extremely hard. I am proud of the way our kids handled themselves. We obviously have things to correct but with the attitude and effort we played with, we will get better."

Lincoln fell to 1-4.

Lincoln JV Beats Sacred Heart, Varsity Falls

By

Johnie Logue, Sports

The Lincoln Lady Cardinals hosted a good Sacred Heart volleyball team Tuesday night. The Lady Gremlins won 25-14, 25-10 and 25-14.

In the first set, senior captain Sammy Altona got her 1,000th career assist for Sacred Heart. The game was stopped for pictures and a brief celebration.

Sacred Heart's Avery Epple went 25-25 serving with four aces and 22 points.

Lincoln played well at times but the lack of size and inexperience came into play. The varsity fell to 2-7.

LINCOLN freshman Emaire Eckhoff goes up over the net against Sacred Heart in JV action at home on Tuesday night. JV won in three hard fought sets.

However, Lincoln scored a big win with a victory over Sacred Heart in the JV game. The Lady Cardinals won two of three 25-22, 20-25 and 15-13.

Bluebirds Give Late Score, Lose To Versailles

By

Johnie Logue, Sports

It was a great night for fall football as the weather cooperated in the midst of the recent thunderstorms. The huge homecoming crowd was treated to a great game but not a happy outcome as Versailles came from behind to defeat Cole Camp 24-18 on Friday night.

Cole Camp took the lead in the first on a 17 yard run from Reid Harrison on the left side behind good blocking from the Bluebirds. The PAT was no good as it was from both

teams all game long.

Later in the quarter, QB Gentry Dieckman found Harrison for a 9 yd TD to make it 12-0.

In the second quarter, as it was a game of quarters, Versailles scored twice on a 6 yard and a 12 yard run. It was 12-12 at halftime.

Cole Camp took the lead on a nice 11 yard scramble by Dieckman to the right corner pylon. It was 18-12 after three.

In the fourth quarter, it was all Versailles as they scored twice. They scored on an 8 yard run to tie the game at 18.

Dieckman threw an interception at midfield caught by the opposing QB with 1:48 to go, Tyrus Ollison, the son of Jason Ollison, who coached basketball at Warsaw a few years ago, caught a one yard pass and broke tackles on the left side for a 53 yard TD.

Dieckman would make a last ditch drive with a bomb to Grady Strathman that went over his outstretched arms by a few feet. Dieckman was then sacked twice and the game was over.

Head Coach Kevin Shearer said, "This was a great high school football game and we played our best game of

the season. We were more emotional and we tackled better tonight."

He went on to say, "Cole Camp kids are the nicest kids in the world and sometimes we play too nice. We need to be more physical and to protect our quarterback better."

Asked about the interceptions, Coach Shearer said, "When you pass 50 percent of the time, you will have interceptions. It is like shooting threes in basketball, you can live or die by it."

Dieckman was 8 for 25 passing for 110 yards.

Grant Rodriguez was 13 for 77 rushing. Dieckman 5 for 18, Harrison 5 for 23 and Strathman 15 for 23.

Cole Camp moved to 2-3 on the season as did Versailles.

The Bluebirds are a team that you don't want to play in districts. Dieckman, in his first year back at QB and football, is still getting comfortable in his position.

His TD run is a sign of things to come. Once his passing game falls into place they could be hard to beat. Coach Shearer is known for not liking to pass but he knows what he has in Dieckman. They travel to Crest Ridge on Friday.

DID I MAKE IT? Cole Camp QB Gentry Dieckman looks at marker as he crosses the goal line. His third quarter 11 yard TD run gave Cole Camp a 18-12 lead. They lost to Versailles, 24-18.

Bluebirds' Cooper Medals Over Fellow Green Ridge, Stover & Sacred Heart Golfers

SWEET SWINGING Cole Camp lady golfer Kennlee Cooper defeated Green Ridge, Stover and Sacred Heart golfers in a recent match. Congratulations!

Fristoe NEWS

By Pat Arnett
Contributing Reporter

This week the Fristoe area was blessed with rain on Saturday night with some in the area receiving half an inch and others having an inch. People sure mentioned it was a wonderful touch for the late gardens. Neighbors and friends are sharing the produce that is coming out of the gardens with some freezing while others are doing the canning of the produce.
 Prayers this week for the daughter of Matt and Holly Henderson, Lewis and Judy Retherford, Carolee Apperson, Gladys Harris, Delores Prater, Easter Willis, Curtis Allen and Mary Scarbrough.
 Mary Scarbrough's grandchildren, as a birthday present, bought and had it delivered and worked on, a nice sidewalk from her front porch to the driveway. It makes it so much easier for her to get with her walker from house to cars. She is very proud of those grandchildren.
 Gracie Yoder sent us word that she is in her fourth week of training camp for her Mission Work. As mentioned last week, she is in Gainesville, Georgia. They are busy with learning

sessions on "sharing the gospel" and also "studying cultural differences". We ask all our readers to keep Gracie in prayers for her work in the mission field.
 Fristoe Pentecostal Lighthouse held a Brush Arbor Revival Thursday thru Sunday night last week. It was a spirit filled time with pews and chairs all full. Saturday night the service was moved from outdoor Arbor to inside because of rain BUT in the middle of the sermon Br. Dave Cunningham was preaching, warnings began to come across people's phones that our area was under a tornado warning and take cover in basements etc. We in the church just kept right on praying and singing and Bro. Dave just kept right on preaching. Wonderful gospel music preaching and praying filled the air. God Blessed each and everyone! The Pastor Tony Smith said on Sunday night for everyone to stay tuned because it would be back in the Spring. The church had regular Sunday morning service with Sunday school and worship service. Sunday School studied in Genesis Chapter 37 about Joseph and his brothers. Br. Smith brought his message from 1 Kings about Jehosophat. Very good message.
 Thought for the week: Those that bring sunshine to others can't help but shine it around themselves.
 Hope everyone that reads Fristoe News gets a blessing and you all have a great week!

Have I Got A Line For You!

By James Mahlon White

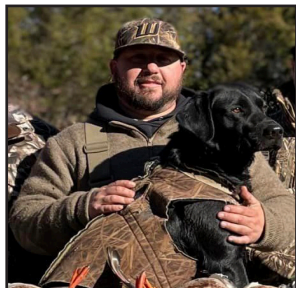

Several states and the District of Columbia are at it again with initiatives to allow illegal immigrants to vote in local elections and now the President wants to issue them a Federal ID. Hasn't there been a lot of fear about the influence of foreign governments in our elections? How do you safe guard against other countries sending groups of special interest parties here to vote? Maybe we should start letting dead people vote too. The same logic applies. They reside in the community and have an interest in local government matters, like not having the cemetery moved for a new commercial development. Amazing that we live in a country where we can be arrested for fishing without a license but not for entering illegal.

Read an article this morning that Dr. Fauci's wealth went way up during the pandemic. Nothing surprising here, just rewards for a lifetime of public service and filling your pockets with big pharma. Meanwhile, the good doctor still receives taxpayer funded security and car service. UNBELIEVABLE! Nothing will happen to him or anyone who profited off this disaster that upended the world. These Congressional hearings are nothing but theatre on both sides.

Speaking of Congress, there's lots of hullabaloo over the new dress code to accommodate Senator Fetterman. Wonder what the people of Pennsylvania think about Uncle Fester now? With the new dress code some of the older Senators can wear their hospital gowns on the Senate floor. Where has professionalism gone? All you have to do is look at the leadership of the Senate. There is none.

WORD ON THE STREET

What is your favorite season to hunt?

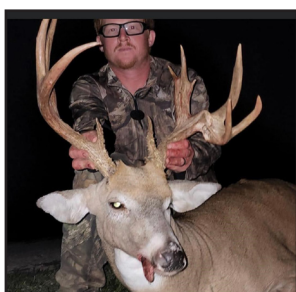

Duck. Anybody can kill a deer.

-Brent Whitaker

I'd say turkey season.

-Matt Luebbert

Archery deer season.

-Cody Vannattan

As for the people working there, they're still required to wear a suit and tie. Tells you everything you need to know, doesn't it?

Times have changed. Ran across this item in the Enterprise from November 1899. "James Martin and Ida Whitney are not married, but they ought to be." The Constable arrested them yesterday for "Maintaining scandalous relations prohibited by the statutes of Missouri and an important commandment." The next week this appeared: "James Martin and Ida Whitney plead guilty in court to lewd conduct and were given 20 days in jail." If they jailed everybody in Benton County today who...well, never mind...but Sheriff Knox would be putting prisoners in trailers and the County Commission would be screaming about the food bill."

With that happy prospect, I take my leave. Take care Old Buddy.

Paying for health care can be challenging — but are you taking full advantage of all the resources available to you?

You might have access to a Health Savings Account (HSA) or a Flexible Spending Account (FSA), so let's look at both.

An HSA is a personal savings account used to pay health care costs. If you're enrolled in a high-deductible health plan, you also may be eligible to contribute to an HSA. You aren't taxed on the money you put into this account or on the earnings generated from your contributions, as long as withdrawals are used for qualified health care costs such as deductibles, copayments and coinsurance. And there's no "use it or lose it" provision with HSAs — the money stays in your account until you use it. In fact, you can carry your HSA with you all the way until retirement, when you can use the money to pay for qualified expenses that Medicare or Medicare Supplement Insurance (Medigap) doesn't cover. In 2023, you can contribute up to \$3,850 to an HSA, or \$4,850 if you're 55 or older; for family coverage, you can put in up to \$7,750.

It's important to keep in mind that your HSA's tax benefits only apply when your withdrawals are used for qualified health care costs. If you use the money for non-qualified expenses, it is considered taxable income, and you may also face a penalty of 20% on the amount withdrawn. However, once you turn 65, you can use your HSA funds for any purpose without a penalty, though the withdrawals will still count as taxable income.

Now, let's turn to the Flexible Savings Account. An FSA may be available to you if you get health insurance through your employer. And because you fund your FSA with pretax dollars, your contributions can reduce your taxable

NATIONAL NEWSPAPER WEEK

income. (In 2023, you can contribute up to \$3,050 to an FSA.) Your employer may also choose to contribute to your FSA. Once your account is funded and active, you submit claims with proof of your medical expenses, along with a statement that these expenses aren't covered by your plan, and you can be reimbursed for your costs.

It's helpful to have a good estimate of your yearly medical expenses for a Flexible Savings Account. That's because an FSA generally needs to be spent before the end of the plan year — if you don't use all the money, you can only carry over some of it and any remaining balance is forfeited. (You can carry over up to \$610 from 2023 into 2024.)

You can't contribute to an HSA and a traditional FSA in the same year. But if you have an HSA, you might be able to use what's known as a Limited Purpose Flexible Spending Account (LPFSA) for dental and vision expenses. You'll need to check with your plan to see if this option is available.

Managing your health care expenses should be a key part of your overall financial strategy — so consider putting an HSA or FSA to work for you

Dear Editor,
This is for your information and we ask that you please contact our legislators regarding funding for Home Care.
Benton County Health Department has been a

participating Medicare home health agency since 1985. We have maintained excellent staff to care for our residents. It has been a very rewarding service that we could provide to Benton County Residents. We remain dedicated and very grateful to work such a supportive community.

Since 2019, we have experienced a significant reduction in our ability to serve home health patients. Once again we are facing additional funding cuts and many advantage plans continue to provide minimal payment for home care. This current proposed rate cut will only increase the likelihood that service access in our community will further diminish. We are a rural county with many disparities such as no hospital located in the county, transportation and a large elderly population. Should we not be able to continue to provide home care service the end result will be that patients who

could be cared for at home with high quality and cost effective care will end up with costly extended stays in the hospitals and/or nursing homes or be left totally without care. I do not foresee other agencies willing to travel to our county to provide such services at a loss.

Mark Anthony Barnes

Mark Anthony Barnes, age 66, of Warsaw, Missouri, passed away on 18 September 2023, at Bothwell Regional Health Center in Sedalia, MO.

Mark was born March 30, 1957, in Kansas City, MO to Esther J. and Jesse G. Barnes. He was an avid fisherman and his love of fishing started at a very young age. He would hunt deer and learned to process it himself - he was one of the best. He also was an excellent chef and specialized in Italian pizza, lasagna, and soups. Additionally, he was an expert at BBQ and fish fry's which family and friends so enjoyed over the years.

Mark and Pepe were advocates for homeless dogs and cats, and eventually started the 'Josie Foundation' fostering many in preparation for adoption. Mark was passionately loyal to his family and friends and would try to help anyone who needed it.

Mark was preceded in death by his father Jesse G. Barnes; brothers Vito G. and David R.; half-brother Richard H.; and sister-in-law Patty. Survivors include his beloved partner of 20+ years Patti "Pepe" Goetting; son Mark Shannon Curd; mother Esther J. (Giarraputo / Barnes) Shelton; brother Stephen E. Barnes; sisters Mary D. (Barnes) Law and husband Robert, and Jennifer J. Shelton; half-sister Jessie Ann Thomson and husband David; granddaughter Payge, her husband Tyler and great-granddaughter; and grandson Tyler Curd.

Visitation will be from 1:00 p.m. to 3:00 p.m. with the Rosary at 2:00 p.m. on Monday, September 25, at Passantino Bros. Funeral Home, 2117 Independence Boulevard, Kansas City, MO 64124. Cremation will follow the services. In

lieu of flowers, memorial contributions may be made to KC Pet Project, 7077 Elmwood Avenue, Kansas City, MO 64132.

Michael G. Taylor

Michael Guy Taylor left this earth to be with his heavenly father Wednesday, September 13, 2023. Born on January 13, 1951 in San Francisco, California, he graduated from Burlingame High School.

Mike loved to wrench on cars, trucks and anything else he could find. He was an avid skier, both snow and water. He began his work life as a carpenter and became a California licensed "B" General Contractor; starting his own business, MTI Inc., which was known for quality work.

His proudest productions were daughter Amy and Grandson Charlie and daughter Courtney and Grandson Al. Mike married Lonnie Gandara, who survives of the home. They lived in Sonoma for several years before deciding to leave California to relocate to Saint Joseph, Missouri where Lonnie had family.

After a major house fire, they decided to move to the Ozarks and chose Benton County. Mike loved Benton County, often observing that in California, if you fall down someone would either kick you or step over you. In Benton County you were offered a hand up.

Mike and Lonnie joined Evening Shade Mennonite Church and love their church family, who helped them through this trying time.

Mike was humbled that he was accepted by the community even though he "wasn't from here". He started Mike's Custom Bobcat and loved his

work. He eventually sold his business to another man named Mike Taylor, which was a cause for many chuckles.

Mike was honest, kind, friendly and he will be missed.

Memorial Services will be held at 6:00 P.M. Tuesday, October 3, 2023 at the Reser Funeral Home in Warsaw.

Jason C. Waggoner

Jason Conrad Waggoner, 52 passed away Friday, September 15, 2023 in Liberty MO. He was born December 8, 1970 in Sedalia MO, but spent most of his childhood growing up in Anchorage Alaska where he made lifelong friends. Jason graduated from Bartlett High School in 1989 and attended the University of Alaska and Arizona State University.

Jason was the life of the party wherever he went, he always wanted to have a good time and a Margarita. Jason married Becky Caton-Waggoner January 7, 2017. They lived together in Liberty with his son's Jenson and Jaxon, who were his world. Jason would do anything for his boys. He played hard, but loved harder. He loved his 80s rock and hair bands, ACDC and Iron Maiden were the top 2. He was an avid autograph seeker, no matter who it was he wanted to get their autograph. The memories Jason helped create with everyone in his life is something that will be cherished forever.

He is survived by his wife Becky, son's Jaxon and Jenson, his parents Sandi and David Keiper and Les and Cheyenne Waggoner, step-sister Christa Morrison, grandmother Nell Moor, several aunts, uncles and cousins. Also, numerous friends from all over the world that he considered family. There has been a huge hole left in our lives now that Jason is gone, but he will always be in our hearts.

Jason had a love of Greyhounds and was involved in their rescue for many years. In remembrance, donations

can be made to the Greyhound Association at the Kansas City REGAP (Retired Greyhounds as Pets) <https://kcregap.org/>

A celebration of life will be held on Oct 21, 2023 between the hours of 3:00 p.m. and 6:00 p.m. at Corbin Mill Properties, 131 S Water Street, Liberty, MO. 64068. Please visit www.hiddenvallyfunerals.com to leave an online condolence.

WARSAW CHRISTIAN CHURCH

Do you believe in angels? I do, even though I have never seen one. I believe they exist because Scripture refers to these heavenly creatures over and over again. They are created beings who serve God and who also play a role in our lives. In Job 38:4-7 God is speaking. He declares that at the time of creation, the angels of God shouted for joy (NIV). This suggests that angels were created before our present universe. They were a sort of cheering section when God spoke the universe into existence. I can almost picture the scene. Every time God spoke something into existence, the angels jumped up and down and shouted, "Way to go, God! Look at that sun, and those planets. Wow! Hallelujah! God, you are really great." I suppose they used more dignified language, but they were clearly impressed by the almighty power of God as He created the universe out of nothing.

They are spiritual beings but sometimes have appeared in human form. Thus, they may be mistaken for human beings (Heb. 13:7). They are rational beings, even as we are, but they have intelligence far superior to ours. The angels were subjected to a test of their obedience, as were Adam and Eve. We learn from 2 Peter 2:4 that some of them sinned. Satan was once a mighty angel, but he fell from grace and brought other angels with him. Some interpreters see a reference to this in Rev. 12:1-9. Isaiah 14:12ff speaks of the fall of Lucifer. His sin was to make himself like the most high, the very temptation he presented to Eve in the creation story.

An interesting passage about the angels is found in Hebrews 1:14: "Are not all angels ministering spirits sent to serve those who will inherit salvation?" This is where the idea of each of us having a guardian angel comes from. I like to think there is a big, ol' angel looking after me! We know that God watches over the redeemed, and perhaps one of the means He uses is the angels. Most of this angelic aid is done secretly behind the scenes, unknown to us.

We are warned not to worship angels (Colossians. 2:18). God alone, Father, Son, and Holy Spirit, is the only One we worship. We do not pray to angels. We just let them quietly go about their work as they minister to us in unseen ways. We wish we had more detail

about how angels function, but there are things God chooses not to reveal to us. We abide by what He has revealed in Scripture. Jesus knew that angels were real, and that is good enough for me.

LINCOLN FIRST BAPTIST CHURCH

Happy Sunday to everyone. May God bless you this week.

Pastor's sermon was from Luke 12. Warnings and Encouragement. We should carry God with us in our daily walk. Where is your main focus? Jesus needs to be your focus. Jesus will give you the words to say in any situation. The Lord provides for all your needs. We store up God's blessings but we need to pay it back. Wherever your treasures are there your heart will be also.

Be fruitful. Be ready when Jesus returns. Don't hide your faith. Shine in this world and have boldness for being a Christian. Lay up your prayers, love and charity. Things of this world will be burned up. Your treasures should be love for others. Put Jesus first.

HAVE A BLESSED WEEK AND ALWAYS KEEP GOD WITH YOU.

HOPEWELL BAPTIST CHURCH

In Matthew 9:14-17 John (Jesus' cousin) has followers not unlike Jesus' disciples, and they ask Jesus why they and the Pharisees fast, but Jesus' disciples do not? Fasting was often associated with mourning and seeking the face of God, where one would spend the time typically preparing and eating food, focusing on God's desire for them. Fasts were short, often 24 hours or less, then one would eat as a sign that God had revealed Himself. Jesus responds saying, "How can the guests of the bridegroom mourn while He is with them? Why would they fast when they are with Me?" Sometimes denying ourselves is recognizing we do not have the capacity to forgive our sins. Some let their denial get in the way of spending time with Jesus. If the purpose of fasting is to seek the face of God, why then are we not seeking the face of God? There is nothing wrong with denial if we are focusing on God.

That same Jesus lives inside everyone who has put their faith and trust in Him. We've been taught the Messiah is coming and Jesus says, "I'm here, now. I'm standing right here"! When He comes into our hearts, if we try to make Him fit in to what has always worked, we miss out on what Jesus is doing. Every one of us has traditions, then suddenly when He comes into our hearts, we keep trying to put Him somewhere where there is no room. Traditions are not bad, Jesus tells us, but sometimes we get so confined and anything else makes us uncomfortable. Sometimes change can

be difficult. If we never challenge what's going on in our hearts, we're not growing. He lives inside us, and we need to stop trying to keep Jesus in the box. Let's let Him work! It starts with each one of us! We don't get to expect someone else to do it. Jesus says "I'm right here! I want to show you where to go, and you keep putting me in a box!". Put Jesus forward. Please don't be afraid to follow Him today!

Join us Sunday mornings for Sunday School at 10 a.m. with Worship at 11 a.m., and Sunday and Wednesday Bible Study at 6 p.m. Watch us live at 11 a.m. on Hopewell Baptist Church Facebook page.

UNITY OF THE LAKES

Thanks to everyone who attended our service and fish fry last Sunday. It was great to have such a large group and it felt like family, because we are. Next Sunday 10/1/23 we are blessed to have Rev. Sandra Duncan as our guest speaker. Her service is "Let's Talk About Spirit". The scripture reference is John 3:8. Join us as we hear a powerful message and feel ourselves being "born of spirit". Service is 11 am, dress is casual and all are welcome. We are located 8 miles south of Warsaw on highway 65. Our physical address is 34948 Hwy 65 South. Follow us on Facebook. We have a new class coming up along with a great lineup of speakers. We look forward to seeing you. If we have helped your spiritual growth and you would like to donate, please send your tithes, and love offerings to Unity of the Lakes PO Box 1336, Warsaw, Mo 65355.

FROM THE PASTOR'S DESK JOHNIE J. LOGUE

Do You Think Like A Christian?

-Philippians 4:1-9

Whenever someone enters a church, they bring in a certain philosophy along with them. A worldly philosophy believes abortion is right, sex before marriage is okay and same sex marriage is correct, among other opinions and thoughts.

Some have strong opinions on how a church should operate and sometimes voicing those views can cause division and strife.

It is the job of the pastor to teach his people how to think like a Christian according to the Bible.

I struggle sometimes with a worldly view in that if someone offends me, I want to settle the matter with violence. Somebody says something we don't like, we are tempted to respond in like manner. Yeah, been there and done that.

When we come to the house of God, we need to leave our various opinions at the door. We are there to worship and praise God. We are to listen and read the scriptures of the day and allow them to challenge our thinking and our actions.

A critical spirit is not needed or appreciated. Do people come into your home and criticize the way you live? Probably not more than once.

Back to our message, do you think like a Christian?

Philippians Chapter four tells us how to pray a certain way, think a certain way and act a certain way. In other words, to live like a Christian.

I do not go to church to hear a certain preacher preach a singer sing or to hear gossip. I go to worship God and listen to the Word. The Word saves, enlightens and encourages and not the preacher.

I am Johnie Logue, pastor of Grace Baptist Church in Warsaw at 31046 Hwy MM. Services are at 10, 11 and 4. and are on Facebook every Sunday.
