GIRLS SOFTBALL

Ladycats Prepared To Ride Pitching, Youth In 2023

After a season in which she garnered second team All-State honors as a freshman, Warsaw will ride Brylee Brewster's pitching in what the Ladycats are hoping will be another successful season.

Brewster appears primed for a stellar sophomore campaign after leading Warsaw to a 13-2 record a year ago, when she posted a 0.79 ERA and struck out 156 batters in just 80 innings of work.

"Brylee puts in work all year long," head coach Megan Daleske said. "She plays for KC Peppers-Wallace 18's throughout the summer and continues individual work with pitching lessons and workout regimen in the winter."

She went on to say, "Brylee's best asset as a pitcher is her ability to control multiple pitches. She moves the ball around very well and constantly keeps batters guessing."

Brewster will handle the majority of the time in the circle, but she could be relieved from time to time by freshman Hailey Ferguson who has been working hard in the off-season as well.

Behind the plate, the Ladycats lost two-time All-State performer Taylor Howe, who is now starting collegiately in the Missouri Valley Conference at the University of Evansville. She will be replaced by her freshman sister, Tanna. Howe, who is a shortstop on her KC Pepper-Wallace 16's team throughout the summer, has readied herself for the season by attending

lessons with Brewster to help develop chemistry for the battery.

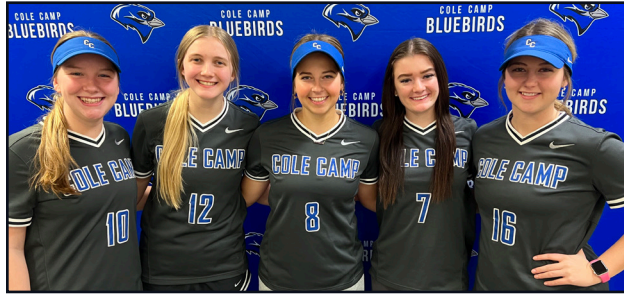

Sophomore Carly Price filled in several times at first base last season and she'll get the first opportunity at that same spot this year. In the middle, Haylee Cobb and Olivia Strange return at shortstop and second base after being in those same positions last season. At the hot corner, senior move-in Janie Kilgore brings experience and leadership to a young squad.

In the grass, senior Faith Tharaldson, junior Jaylen McCullick and freshman Addison Sherill will provide speed and athleticism. Others players, including Ferguson, freshman Sadie Chapman and junior Autumn Walton are also in the outfield mix.

"The five returning starters from last year's varsity roster have been working hard and setting a standard for our large incoming freshman class," Daleske said. "Our defense, with a dominating pitcher, will be a major strength this year. We do not envision very many runs being scored against us so we will have to really focus on producing runs at the plate."

If that happens, the Ladycats should find themselves playing late into the season.

"We expect to see another winning record," Daleske concluded. "But we are hoping that the tougher competition will help prepare us for a postseason run."

Cole Camp Returns Experience To Field For Upcoming Season

Second year Cole Camp girls softball coach Darian Rusk is excited about the upcoming season and her new assistant coach Aly LeCroy.

"Aly comes from a softball background and played at the collegiate level. Immediately, she's already made a positive impact on our players. We're fortunate to have her and excited for what she brings to the table."

Cole Camp lost some games to the weather during a successful season.

Coach Rusk, "We finished last year with a record of 12-3 with a loss to Adrian in the district semi-final. During that 12-3 run, the Ladybirds brought home the Conference Tournament Championship for the first time in 20 years. We boasted 6 players on the All-Conference List (including 1 Honorable Mention), 6 on the All-District list, 4 Second Team All-Region selections, and 1 First Team All-Region selection. Their academic success was just as profound. The Ladybirds (as a Team) made the Academic All-State list with two players also receiving individual All-State Academic awards."

Pitching as always is the key to girls softball. Coach Rusk adds, "Karley (Thayer) returns as our ace on the mound and will see significant innings again this year. Coming in as a freshman is Kaitlyn Whitworth—she will be an addition to the staff and will also eat up some time on the rubber for us."

They scored a lot runs last year with good base running

and timely hits. Should be the same this season. Coach Rusk comments,

"This year, we have 7 starters returning - the bulk of those being our very dominant senior class in the likes of Emily Burke, Ashley Campbell, Kyla Harms, Haidyn Massingill, and Karley Thayer. With them at the helm, we hope to be very successful both in Conference and District play. We also return Gracie Thompson (JR) and Emma Thayer (SO), both starters with significant experience that bring a lot of athleticism and talent. We are fortunate to have a large freshmen class that we'll depend on for playing time, as well. While the bulk of our defense will look pretty similar to last year, you will see some new faces."

Most observers will tell you that the price of admission is in the glove of little Gracie Thompson. Gracie made several outstanding catches in center field last season. She gets a great jump on the ball off the bat.

Coach Rusk strengthen their schedule this season.

"With the Spring being so temperamental weather-wise, we worked hard to fill our schedule this year. We added several quality opponents including El Dorado Springs and Sweet Springs, while also pulling an invitation to the elite Adrian Tournament. Playing tough competition makes you better and we're looking forward to reaping those benefits."

"It's going to be a fun year and we're excited to get rolling!"

Lady Cardinals Looking To Take Next Big Step

Kelly DeHann takes over as the new head Coach of the Lady Cardinals. She has been the assistant over the past four seasons and so she knows the program very well. The new assistant is Aleah Paxton, the pitcher on their state championship team of four years ago. She also played for State Fair Community College.

Coach DeHann had a lot to say about the coming season. "This year we have 18 athletes that are ready to give their all to our softball program. Looking at our team, we are going to be strong. We lost one senior last year in Jenna Vandaveer. Jenna was a key piece in our success over her four year career. We are also in a great position because we have the majority of our team returning from last year."

"Our lone senior is Gracy Eifert. She will be a four-year starter in the outfield, and will be a big piece of our offensive production. Gracy is a great teammate, and we will be looking to her to take the responsibility of leading this team to a District Championship."

"We have seven juniors this season: Courtney Stevens, Lexi Dulaban, Olivia Breshears, Kindle Bartley, Audrey Campbell, Mariasol Guzman and Kamila Davletshina. Courtney, Lexi, Olivia, and Kindle all saw significant varsity time last season. We will be looking to these girls to give more leadership this year. Audrey will be pushed this year as we are flipping her around to hit lefty to give us a different look at the plate and utilize her speed. Mariasol is a

new addition as she moved to Lincoln from Ecuador. For never playing softball, she is holding her own and we cannot wait to see her progress throughout the season. Kamila comes from Russia as a foreign exchange student. We look to give her the best experience we possibly can throughout her season and her remaining months of being a Lincoln Cardinal!"

"Our sophomore class includes five returners: Alyssa Mellen, Braylin Paxton, Danika Gillespie, Sydney Spry, and Natalie Siebert. This is a strong class! We will look to each of them to make a significant impact this season. Braylin is coming in as a more experienced pitcher, and I know she worked very hard this off-season to become a better pitcher. Sydney, Danika and Alyssa will be put in pressure situations this season and we are excited to see their growth."

"We are adding five freshmen this season, Rebekah Helland, Cadence Harvey, Addison Monteer, Camryn Smallwood and Haylee Lester. These girls are hard-workers who have travel ball experience. You will see some of them come off the bench and possibly get some varsity starting time this season."

"Overall, our coaching staff is very excited about this team. It is a great feeling bringing in girls with game experience and having returners fighting to keep their starting positions. We have a team of girls coming to practice ready to get better each day, and ready to support each other."

BOYS BASEBALL

Wildcats Remain Youthful, But Return A Ton Of Talent

The Wildcats posted 14 wins in 2022 and they return seven starters from that team, looking to make another run into the Class 3 playoffs.

Senior catcher Nick Bagley earned first team All-State honors behind the plate a year ago and he'll be responsible for helping to mentor a young pitching staff.

"Nick blocks and receives the ball well, and does a good job of keeping the pitchers focused," Warsaw head coach Johnny Eierman said.

That stable of arms will be led by a quartet of sophomores in Josh Bunch, Garrett Ferguson, Kendall Bagley and Jayce Depriest, along with the elder Bagley, senior Gage Whitaker and freshman Ryan Fajen.

"All of these guys compete well and use their defense," Eierman said.

In the field, first base will be a position of depth for the Wildcats. Junior Devon Boul appears to have the early lead, but senior Alec Frost, Bunch and sophomores Reece Maxwell and Payton Painter will all compete for time.

At second base, sophomore Drake Murrell has taken the early nod, but senior Colton

Harding could spare innings there as well.

On the left side of the Warsaw infield, a combination of the younger Bagley, Ferguson and Frost will all be used, depending on who's on the bump.

The Wildcats outfield will be anchored by senior Tayten Boyer in centerfield and he will be flanked on either side by Whitaker, Depriest and sophomores Bradley Watson and Shane Poysier. Any combination of those outfielders should save some hits and runs for the defense with their pure athleticism. Another sophomore, Logan Gemes may see time in the outfield, but may also be on the dirt at times as a true utility player for Eierman's defense.

Ferguson is the team's top returning hitter after posting a .438 batting average a season ago. He also had an on-base percentage of .608, swiped 11 bases and scored 22 runs. Nick Bagley hit .392 with an OBP of .430 and younger brother Kendall wasn't far behind with an average of .387. Whitaker hit .371 for the Wildcats last year and recorded 15 stolen bases, Boyer finished at .317 and Depriest also contributed to the offense with 14 stolen

bases.

"Our team speed is one of our top strengths," Eierman said.

"I want the identity of our team to be the most energetic team around," Eierman concluded. "When our guys practice and compete with a ton of energy, it's exciting to watch."

The Wildcats first home contest will be on Friday night, March 24, when they host the Tipton Cardinals. That game is slated for a 5:00 PM first pitch. All games are played on Roy Freund Field at the City of Warsaw's West Bledsoe Ferry Sports Complex.

Cole Camp Brings Back Stable Of Arms To Compete In 2023

Head Coach Brendon Rusk returns for his second season at the helm for Cole Camp baseball. He lost a huge part of his offense but returns 6'5 Junior Gentry Dieckman as the ace of his pitching staff. He also returns the kid who can fly in Junior Reid Harrison. Chase Von Holten signed to play for Ottawa University this past week. So he has a strong nucleus to build on.

Coach Rusk commented,

"As always, replacing key members of your team is hard to do but I believe our upperclassmen are ready for the challenge and have already stepped up to fill those roles. We are replacing five starters and our utility (10 man) from last year's team, some graduating and some not returning this season. We are upperclassmen heavy this year but also will have to rely on some freshmen (Garrett Elliot, Drew Burke, Colton Dieckman) and sophomore, Kolby Bohon, to help get us where we want to be. We feel that we have the opportunity to make a run at the conference again and have the ability to fight for a district championship.

We will be replacing the middle of our batting lineup, as well as the bulk of our pitching staff. We return the ace of our staff as a junior, Gentry Dieckman, and we expect him to throw a lot of innings for us again. Senior veterans Dylan LeCroy and Chase Von Holten will get the bulk of the other innings along with Kolby Bohon, and freshmen Drew Burke and Colton Dieckman. Reid Harrison (Junior) is also thrown into that mix as well."

"We will be very young in places but also will lean on the leadership of our upperclassmen. Newcomers Peyton Davis (Senior) and Cody Dewitt (Junior) will help fill some missing roles for us and will fight for playing time. Small ball will have to be our game this year, relying on our speed to manufacture runs. We added some heavy hitters to the schedule in the likes of Russellville, Eugene, Eldon, and Knob Noster, as well as the already difficult schedule we already play. We have a great group of kids who work hard and give you everything they have every day. It will be a fun year and we are looking forward to it."

Cardinals Will Count On Arms, Young And Old To Carry Them Through Season

The Lincoln Cardinals suffered two big setbacks before the season started in losing two of their top pitchers and athletes to injuries in senior Kaleb Mundy and freshman Riley Sanders.

Head Coach Will Lynde in his 28th year still remains optimistic about the upcoming season. "We should be very competitive in every game and the younger players will mature and we will hopefully contend for the district championship."

The pressure will fall to a pitching staff of their ace senior Connor Lynde followed by sophomore Cam Everhart, freshman

Dawson Parrott and freshman Hunter Vandaveer. Lynde will be their top hitter and help should come from Jayden Kelley, Parrott, Everhart, Vandaveer, Xaxier Smith and hopefully a host of others.

Shawn Rhoades, Connor Spunaugle and Luke Goosen help make up the coaching staff for their 15 man squad.

Coach Lynde hopes they will be able to run more this year with this group of athletes.

They graduated two good arms in Caden Smallwood and Landon Matthews. Should be an exciting season. We wish them our best.

GOLF

Lincoln Golf Prepares For Second Season Under Dill

Buddy Dill returns for his second season as Head Coach for Lincoln golf. Coach Dill is very optimistic about the coming season, "We have a very positive outlook for the season with a good number of incoming freshmen, who shows great potential. This year will be a year of growth and development."

Newcomers include basketball standouts seniors Kyle Eckhoff and Mack

Hesse. Senior Bryce Koll was All Conference and a state qualifier. Senior Ely Tolliver also made it as a state qualifier. Those two along with Sophomore Lance Stevenson will make up their top three with the fourth spot up for grabs it seems at this point.

Coach Dill has received high praise for his work with his players from last season. We wish them well.

very balanced and any of the players could be the low scorer for a match or tournament. Matthew Bright, a junior this year, led the charge with the season low 9 hole match average of 40.5. He was the medalist in four matches last season and finished with the second best 18 hole average on the team at 86.5. Matthew was All-Conference, All-District, and All-State, finishing 14th at the Class I State Tournament. Matthew's gritty finishing holes sealed the victory for the Bluebirds making 2 birdies and 2 bogeys in the final holes. Tyler Howard, a junior this year as well, had an amazing season. Tyler had the top 18 hole average at 86.2. Tyler was medalist twice in matches last year and finished 2nd place overall in the Kaysinger Conference Tournament and was the Class I District 3 Individual Champion. Tyler was All-Conference, All-District, and All-State finishing 13th at the Class I State Tournament. This was Tyler and Matthew's second appearance at the state tournament. Spencer Godwin had an amazing freshman season finishing with an 18 hole average of 86.7. Spencer was All-Conference, All-District (5th place), and All-State finishing a team best 10th at the Class I State Tournament. Spencer had an outstanding State Tournament highlighted by an eagle on the 3rd hole from 186 yards! Spencer competed in several MGA tournaments over the summer and is ready to play even better as a sophomore. Gage Oelrichs was another freshman starter that played very well last season. Gage averaged 87.1 for 18 holes but had the lowest 18 hole round of the season last year with a 75 at the Smith-Cotton Invitational. That was a program record low.

Gage was All-Conference, All-District, and placed 18th at the Class I State Tournament. Gage's 81 on day two of the State Tournament was the team's best that day and a big part of the overall win. Senior Tyler Hesse looks improved over the summer.

Coach Harding is very thankful for the home course, Triple Creek Golf Course, and the support they provided for the team. The course closes for our matches and many of the members always ask about the players and how things are going. There is no doubt the Triple Creek Golf Course family is a big part of this team's success.

The Bluebirds will bring an alumni golfer on as an assistant coach this year. Luke Heisterberg was a member of the first Cole Camp Bluebird golf team. His teams were conference and district champions in 1997 and 1998. He competed at State and knows what it feels like. Luke was the Triple Creek Club Champion in 2019 and brings a wealth of golf knowledge to the team. This year's Bluebirds will benefit from Coach Heisterberg's experience and technical skills of the golf swing.

There are other players that will compete and push this talented group. Isaac Vosmith returns and will compete for a varsity spot. This will be his third year playing golf. The Bluebirds welcome new members to the golf team this year as well. Seniors Braden Jonson, Owen Ives, Trae Sharp, and Ethan Shearer. All will bring leadership and competition to the varsity players. The Bluebirds also welcome sophomore Connor Petersen on board in his first season to golf. Coach Harding is excited about working with all the players and looks forward to another great golf campaign

in 2022-2023. One of the biggest questions going into this season is where the Bluebirds will be competing. Enrollment increases may move the Bluebirds up to Class II this year. We will find out March 17 when

the Class and District assignments are released. If the Bluebirds do go to Class II the competition level will be tougher and the team will need to be ready to compete..

Warsaw Golf Continues To Rebuild With Larson At Helm

Wildcats golf will look to continue their upwards trend after seeing signs of improvement last season.

"Really, I would say that we have to keep an eye on everyone," coach Dennis Larson said. "We have some returners but a lot of the kids will either see their first high school golf match or will see their first varsity match."

Junior Carson Bonner is expected to hold down the number one spot on this year's team, moving into his upperclassmen years. Coehen Walton will look to hold down the number two spot on this year's team after a strong finish last season. Carter Howell, a sophomore, has worked hard in the off-season to improve his game and is expected to slide into the number three spot. And Ashlyn Laue and Johnny Jones expect to take the last two spots on the varsity roster.

"These kids don't get down on themselves," Larson said. "They go back out the

next day and know what to work on."

As an individual sport, and one largely dependent on the weather, Larson is confident that his players will be on the links as soon as they can in an effort to improve their game, and/or position.

"I know they'll go out on the weekends and play, once we start getting better weather," he said.

Other golfers on this year's roster include: seniors Anna Siegel and Jazz Swisher; juniors Elliot Kowal, Charlotte Alspaugh and Hannah Woolridge; and freshman Parker Gemes.

"We're looking forward to conference and districts," Larson added. "I believe we could have a few All-Conference golfers and some good results in districts."

The Wildcats will golf at home on April 6, 10 and 12. Fans are always welcome. All home matches are played at the City of Warsaw's Shawnee Bend Golf Course.

Bluebirds Ready To Defend Tee As State Champions

The Cole Camp Bluebirds had a dream season last year! The team won the program's first state title in Class I at Rivercut Golf Course in Springfield, MO. The 2022-2023 season outlook

is looking very good as all five varsity starters return. Coach Harding returns for his third season as Head Coach.

All five starters were All-Conference. The team was

TRACK & FIELD

Warsaw Track And Field Looks To Replace State Relay, State Champion

Coming off of one of their better seasons in recent years, the WHS Track and Field team will look to replace some key athletes in key places to find success, at least at early meets.

Last year's 4x800m team placed sixth overall at the MSHSAA Track Championships and the Wildcats also crowned their first state champion since 1996 when 2022 graduate Jillian Guiot took those honors in the javelin event.

Out of those state qualifiers from a year ago, just one returns in junior Nate Banfield.

Coach Cody Morgan is hopeful that others, like senior Hudson Karr and freshman Kaleb Ragle will step into spots on relay teams to fill in voided gaps. Others that he noted who could also step in and make big gains as the season progresses are senior Logan Schockmann, sophomore Jaxson Deckard and freshman D'Angelo Ramirez.

"We'll really look for Nate to help teach our younger runners what it takes to get to the state level," Morgan commented.

Following in his brother's footsteps, sophomore Fisher Love is looking to make big improvements in the triple and long jump, as well as the 100m and 200m. Love's brother, Parker, is a 2020 graduate of WHS and is currently competing for the Bearcats at Southwest Baptist University in the same events.

On the girl's side, Warsaw returns 100m hurdle district champion in junior Angela Konopasek. She will look to continue her success from last year in that event, as well as the 300m hurdles. A couple of freshman, Naomi Yoder and Natalie Banfield have looked strong in practices so far.

"We are excited to see what Naomi will do in the 300m hurdles, 1600m and 200m," Morgan said. "And Natalie has shown a lot of

improvement and potential on hurdles."

With many question marks surrounding this year's team and several open spots, Coach Morgan remains optimistic.

"There are lots of holes to fill, but I really like the group we have out on both sides," he said. "It also wouldn't surprise me if someone I haven't mentioned makes some noise towards the end of the season."
