## A Spectacular Success! Historical Society Benefit Dinner Makes Fundraising History

**Lincoln Swears In New And Returning Board Officials**

Reporter

Over 250 people attended the 51st annual Benton County Historical Society Banquet held at St. Ann Catholic Church near Warsaw on Thursday evening, April 4.

BCHS president Leroy Whitaker opened the evening by introducing the BCHS officers; Vice-President and secretary Jeff Polly; Treasurer Kent Campbell; and board members Rick Bibb, Marsha Eaton, Amie Breshears, Rosemary McMahan, Phyllis Smith, Janice Swearngin and Donnie Nichols.

During the evening, attendees placed bids on items offered for the silent auction. A live auction was held after dinner with Larry Drenon Auction providing their services.

One of the top items for the auction was a set of "The History of Benton County, Missouri" books by Kathleen Kelly White and Kathleen White Miles. The books were published in the 1969. The set of three, purchased by Ted Roush, went for \$1,400. A hand-carved duck by Donnie Nichols was purchased by Kent Campbell for \$525. Shawn Miller of Warsaw won the necklace raffle and

**A NIGHT TO REMEMBER**, the Benton County Historical Society held their annual benefit dinner that included an auction where items were sold by Laramie Drenon, Cooper Smallwood and Linda Drenon.

the night's big door prize of a lifetime membership to the Benton County Historical Society was won by Suzi Brodersen.

According to Whitaker, the auction was a great success. This is the major fundraiser for the museum for the year. Whitaker commented that

809 visitors from 23 states and Canada toured the Benton County Museum last year.

"We appreciate everyone's support," said Whitaker. "We were pleased with the turnout and hope to see all of you this summer at the museum."

BCHS Treasurer Kent Campbell commented that the Board was very pleased with the community's support.

"Every year is better than the last," said Campbell.

The meal was provided by Just Another Catering Service of Warsaw and was

served by Benton County students.

The public is invited to attend the regular membership Benton County Historical Society meetings held on the second Thursday of the odd months, evenings at 6:30 PM in the Warsaw Library meeting room.

In mid session Monday eve City Clerk Sabrina Brown read the certification of election results furnished by the office of the Benton County Clerk, then swore in re-elected Mayor Glen Nelson and returning Aldermen Jack Lietzke, and newly elected Alderman Seth Casey.

The meeting opened at 6:00 PM on April 8, with Aldermen Lietzke, Barbara Hammond, Phil Fisher present. Alderman Janice Swearngin was absent. Mayor Nelson presided; Clerk Brown recorded.

First actions by the group were to approve an amended agenda, minutes of its March meeting and an amended agenda, then okay payment of bills presented.

Then County Economic Developer Jo Ann Lane presented information on a recent "Connecting Entrepreneurial Communities Conference" recently held in Benton County. She furnished info that there were about 160 attendees including non-registered attendees and volunteers who bought perhaps \$1,200 on meals and shopping during pre-visits, and spent about \$190 each for lodging, shopping, etc. during their stay, for a total of about \$16,505 on food, gift cards and other supplies purchased locally

## Weekend Boutique Crawl Ready To Run At Full Speed

By  
**Anita Campbell**  
County  
Reporter

As the summer season kicks off around the Twin Lakes area, lots of people are heading to Benton County to go fishing or hunting, however, another reason to come to the lakes is to participate in the Benton County Spring Boutique Crawl on April 12 and 13. Area merchants are participating in the crawl to encourage shoppers to come take a look at all the great merchandise available in the many small shops in Warsaw, Lincoln and Cole Camp.

How does this work, one might ask? At the first stop, participants will receive a Boutique Crawl Passport with all the stops listed on it. Participants can start at any of the participating shops.

**FASHIONISTAS WILL FAN OUT** across Benton County this Friday and Saturday during the Spring Boutique Crawl. RiOak Western Design in Cole Camp is among participants. Kelly Humphrey prepared merchandise on Tuesday in preparation for the event.

At each stop, each participant will receive a stamp or a sticker showing he/she stopped at that location. At the last stop, participants will turn in their FULLY stamped/stickered passports for entry

into the \$500 GRAND PRIZE DRAWING!!! Second prize is \$330 in gift cards and third prize is \$220 in gift cards.

The idea for the Benton County Boutique Crawl

was to introduce the various boutiques in Benton County to shoppers and encourage them to shop local.

"We welcome this opportunity to encourage shoppers to 'shop small' and help Benton County to grow as a destination shopping experience," said Jennifer Flores of Country Charm.

This is a free event. Participants do not have to pay for passports, however, many of the shops will be offering discounts on April 12 and 13. There will also be snack trucks and refreshments at several of the establishments.

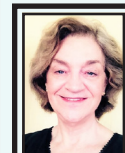

"We welcome the opportunity to show customers all we have to offer," said Mary Langewisch of Statuary Gardens. Statuary Garden located on Main Street in Warsaw also has added home décor, candles, and shoes.

2 cups chicken broth  
¼ teaspoon red pepper flakes  
2 cloves garlic, minced  
Salt and pepper  
½ cup grated Parmesan cheese  
1/3 cup loosely packed fresh parsley, chopped  
½ cup heavy cream, warmed

Preheat oven to 425 degrees: Grease bottom and sides of a 9"x13" casserole dish

Spread rotini in an even layer over the bottom of the dish, scatter shrimp over top, dot with cubes of butter. Pour in broth, sprinkle with red pepper flakes, garlic, salt and pepper. Cover and bake until pasta is al dente, about 25-30 minutes.

Meanwhile, toss the cheese and parsley. When the pasta is done, stir in the warm cream and then top with cheese mixture.

One of the quickest shrimp alfredo recipes is easily made in one pan, in the oven for about 30 minutes and voila, dinner. And most of the ingredients are probably pantry staples already in your house.

Benton County Museum curator Marsha Eaton encouraged everyone to visit the museum during the season to enjoy the history of the area.

"One of our expanded displays is 'Gunstock Capital of the World,'" said Eaton. The exhibit features gunstocks made at the Bishop and Fajen gunstock factories during the past century.

The 2025 theme for BCHS will be "Sports in Benton County". The board will be looking for sports memorabilia from Warsaw, Lincoln and Cole Camp.

"We look forward to any items Benton Countians would lend to the museum for a special display," said Eaton. "We would appreciate any pictures, uniforms, trophies or other sports items that we could borrow for this special display."

## CICADAS

(Continued from Page 1) April through mid-May.

Tamra Reall, Horticulturalist with Missouri University Extension, also known as 'Dr. Bug,' said "it will be crazy!" Cicadas are not locusts as some mistakenly call them. They do not bite or sting humans or domestic pets, and do not carry diseases. Therefore, Reall recommends against using pesticides which can be harmful. New trees or bushes that may be susceptible to damage can be protected with loose covers of cheesecloth.

Brood XIII (Northern Illinois Brood), underground for the last 17 years, and Brood XIX (Great Southern Brood), the largest of all and underground for the last 13 years, have not emerged together since 1803. The co-emergence of these two specific broods will not occur again until 2245.

After the temperature at 8 inches underground reaches 64° F for several consecutive days, much of Missouri, a "hot spot" for the 2024 cicadas according to Reall, could experience up to 1.5 million of four different species of Brood XIX cicadas per acre. Farther away, people in the Springfield, IL area might also see three different species of the Brood XIII cicadas, especially in or near wooded areas. Overall, however, the broods are not expected to overlap to any significant degree.

Cicadas emerge for the sole purpose to mate, shortly after which both males and females die. Males "sing out" mating calls particular to their species that can be "as loud as a lawnmower." Females lay their eggs in tree branches. The nymphs fall to the ground, burrow into the soil, which is enriched by them, and the 13-year or 17-year cycle begins again.

These two broods are known as "Magicicadas." Considering the number of predators threatening them, their survival does seem magical. Their large swarms make them easy targets for other insects like wasps, spiders and ants. Birds, bats, squirrels, snakes, lizards, raccoons, opossums, and fish also find them tasty. Not only insects, rodents, and fish makes meals of cicadas. Cicadas are herbivores, edible also for humans. Even so, the FDA recommends that people with shellfish allergies do

not eat them.

The website CicadaSafari.org describes periodical cicadas, maps locations where Broods XIII and XIX will emerge, suggests activities for learning about cicadas, offers free downloads, and provides links to other websites and books on the subject. A free Cicada Safari app can be downloaded from Apple or Google Play stores. Tamra Reall encourages Missourians to use it. Help map the locations of cicadas by searching for them to take and submit photographs.

Sometime this month or in May we will know whether the prediction that a horde of cicadas will emerge here was accurate. If so, the sights and sounds of millions of Brood XIX cicadas in Benton County will be unmistakable!

Let's wait and see.

## LINCOLN

(Continued from Page 1) during that period. ## 'Cats Take 2 Of 3 In Last Week

By  
**Adam Howe, Sports**

The Wildcats sandwiched a loss in between two more wins in the last week, knocking off Holden last Wednesday, 10-4; falling to Versailles at home in somewhat of an upset, 11-9 last Thursday; and then getting back in the win column on Monday night with a 12-3 victory at Buffalo.

In the Holden win, Garrett Ferguson collected 4 hits as Warsaw defeated the Eagles with a 10-4 final.

Ferguson singled in the first, second, fifth and sixth, crossed the plate 3 times and finished with 1 RBI.

Warsaw got on top early and had a 3-2 lead after the first and then tacked on 1 run in each of the second and third to lead 5-2.

The Wildcats tallied 2 more runs in the fifth for a 7-2 lead before putting things away in the sixth with 3 more runs.

Logan Gemes, Jayce Depriest, Bradley Watson, Jase Hubert and Sonny Garrett also had hits for the Wildcats.

Gemes drove in 2 for Warsaw while Watson nabbed 3 bases and Ferguson swiped 2. Josh Bunch notched the

win for Warsaw. He struck out 11 batters and gave up 4 runs on just 2 hits over 5.2 innings.

On Thursday, despite out hitting Versailles, 12-11, the Wildcats fell by a final of 11-9 after committing a modest 5 errors in the affair.

Trailing 2-0 after two, the Wildcats surrendered 8 runs in the third, no thanks to 4 fielding miscues.

Warsaw clawed back with 3 in the bottom of the third and plated 3 more runs over the next 3 frames to go into the seventh facing an 11-6 deficit.

The Wildcats put up 3 more runs in the inning but with 2 outs, Versailles induced a game-ending fielder's choice, stranding 2 runs and the 'Cats rally as they fell, 11-9.

Jase Hubert, Brennen Slavens and Drake Murrell paced Warsaw with 2 hits apiece.

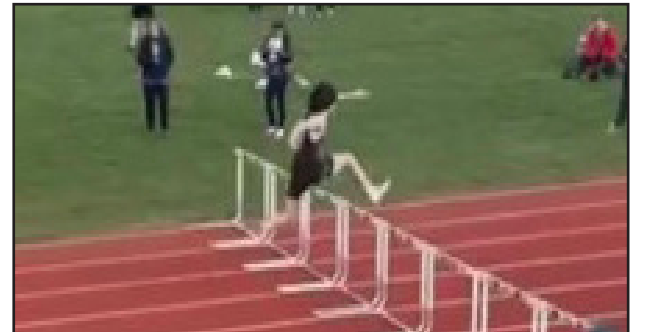

Garrett Ferguson took the loss on the mound while Ryan Fajen also toed the rubber for the Wildcats in relief.

In another game on Monday night, the Wildcats defense committed 7 errors but Buffalo racked up 8 themselves and Warsaw exploited those en route to a 12-3 win.

Garrett Ferguson led Warsaw with 2 hits while 1 apiece was recorded by Logan Gemes, Jase Hubert, Drake Murrell, Bradley Watson and Josh Bunch.

Ryan Fajen notched the Wildcats win. He went 5.2, yielded 3 runs on 3 hits while striking out 7.

## Ladycats Continue To Roll

ONCE THEY GOT GOING, there was no stopping the Ladycats in Friday night's 10-0 rout of the Skyline Lady Tigers. Warsaw's Tanna Howe got things going in the first inning with a RBI triple and didn't hide her emotions once she was ruled safe.

A closer-than-it-should-have-been game in Versailles on Thursday night ended in a narrow 6-5 final in favor of the Ladycats and that slim margin may have served as a wake-up call after Warsaw traveled to Skyline on Friday night to face the Lady Tigers in what has become a bitter spring rivalry between the two schools, racking up yet another win, but this time in dominant fashion, 10-0. The Ladycats also hammered Lakeland at their place on Monday night, 16-0.

Back in Versailles, the Ladycats faced an uncouth 4-0 deficit at the end of the first inning but fought to plate 3 runs in the third and 1 in the fourth to knot the game at 4-4.

Warsaw took the lead in the top of the sixth on a Haylee Cobb triple that scored Sara Miller, but the Lady Tigers matched that with 1 run of their own in the inning to tie things again at 5-5.

With that same score in the seventh, Tanna Howe drew a leadoff walk, stole second base and then moved to third on a fielder's choice by Bri Fellers. Maylee Slavens followed with another walk and Howe would come around to score when Jaylen McCullick singled up the middle on a 1-2 count after fouling off several pitches. Her hit scored Howe easily to put the Ladycats in front for good.

Brylee Brewster induced a groundout and a popout on the infield before fanning the final Lady Tiger for the win.

Cobb finished a perfect 4 for 4 on the night while Adison Sherill and McCullick each collected 2 hits.

Brewster earned the win by going the distance. She surrendered 5 runs on 3 hits and struck out 9.

## Lady Cardinals Pick Up 2 More Conference Wins

By  
Johnie Logue, Sports  
Returning to the friendly confines of their home park, the Lincoln Lady Cardinals routed Smithton (with Otterville), 19-0 on Thursday in three innings. The workhorse of their staff, having thrown every

more in the second. Lincoln had 19 hits and committed 2 errors. Smithton (0-4) committed 3 errors on the night.

Courtney Stephens went 3 for 3, driving in 2 with a triple and scored on an error on the play. The catcher, Lexi Dulaban went 2 for 2 with 2 RBI's and scored 3 times. Lincoln moved to 5-3 on the season.

On Tuesday, the Lady Cardinals played Stover at Versailles because of wet field conditions throughout the area. However, the turf wasn't ideal either as a puddle appeared on the mound in middle innings and the players couldn't wear cleats for traction. No outfield wall was put in place so it was a strange game all the way around.

Lincoln blew a 10-1 lead falling to 10-5 and 12-8 before a 5 run sixth gave the cushion for winning 18-13. Lincoln had 16 hits and 3 errors. Stover's line was 13-6-6.

Braylin Paxton allowed 6 earned runs over 7.0 innings striking out 16 batters. Paxton struggled late as she walked 7, hit 6 batters and was charged with 2 wild pitches. Cadence Harvey hit a homerun that would have been out of most parks. Two other recorded homeruns by Alyssa Mellen and Courtney Stephens were hard hit shots but probably doubles and triples on other fields.

Lincoln moved to 5-3.

Tanna Howe collected 3 hits in 4 trips to the plate, including a RBI triple in the first to get the Ladycats on the board first. She also delivered another triple in the sixth to score 1 more and finished her night with a single in the seventh.

A single by Mady Reimund extended the Warsaw lead to 3-0 in the top of the second. Warsaw added 2 runs in the third, 1 in the fourth, 2 in the sixth and then 2 more in the seventh to round out the 10-0 final.

Brewster led Warsaw with 5 hits on the night. She also drove in 3 to aid her own cause. Adison Sherrill and Reimund both finished with 2 hits apiece. Reimund also swiped 3 bases.

Bri Fellers struck out 10 and behind her, the Ladycats cruised to an easy 16-0 win at Lakeland on Monday. A 7 run first inning set the tone for Warsaw. They tacked on 2 more in each of the second and third innings before plating 5 more runs in the fourth to nail down the 16-0 mercy rule final.

Mady Reimund led the Ladycats with 2 hits while 1 each was contributed by Sara Miller, Kaleby Stevenson, Tanna Howe, Elizabeth Winters, Fellers, Haylee Cobb and Hailey Ferguson.

Fellers gave up 0 runs on 0 hits, recording her second no-hitter of the season.

inning this season, Braylin Paxton pitched a three inning no-hitter striking out 8. She was also great at the plate, going 2 for 3 with three RBI's and 2 runs scored. Lincoln scored 15 in the first, giving up the third out with a runner stepping off base to end the onslaught in a good show of sportsmanship. The Lady Cards scored 4

more in the second. Lincoln had 19 hits and committed 2 errors. Smithton (0-4) committed 3 errors on the night.

Courtney Stephens went 3 for 3, driving in 2 with a triple and scored on an error on the play. The catcher, Lexi Dulaban went 2 for 2 with 2 RBI's and scored 3 times. Lincoln moved to 5-3 on the season.

## Cardinals Have Swing Of Emotions In Big Win, Big Loss

By  
Johnie Logue, Sports

The Lincoln Cardinals played Friday and Saturday in what was supposed to have been the Sacred Heart Tournament in Sedalia and at Centennial Park.

However, three teams dropped out and so the conference teams decided not to play each and instead played just two games apiece.

On Friday, Lincoln played Smith-Cotton's JV team and won 20-2. On Saturday, they met Lone Jack and lost 10-0.

The Cardinals scored 12 runs in the second in the four inning 20-2 massacre of Smith-Cotton's JV team. Hunter Vandaveer pitched a complete game giving up 4 hits and 2 unearned runs and walked 1. He struck out 10 as Lincoln made 3 errors. Riley Sanders went 2 for 4, driving in 3 and scoring 3. Dawson Parrott also had a big day going 4 for 5 with 3 RBI's and scored 2 runs. Both jackrabbits stole a base.

Saturday, as previously mentioned, was a different story altogether as Lone Jack scored 5 in the first, 1 in the second and 4 in the fourth to end the 4 inning rout thanks to the 10 run rule. Lincoln made 5 errors.

Luke Thorgmorton pitched a no-hitter for the Mules, allowing 4 walks and pitching around 2 errors in the field. Lincoln's Dawson Parrott and Blake Lyon each

pitched 2 innings and both threw 35 pitches. Lincoln fell to 4-4 on the season.

## JH Cards Use Comeback To Down Hermitage

After losing in their first game of the season on Thursday, 12-2 at home to Versailles, Lincoln JH was down 6-3 to Hermitage on Friday. Head Coach Connor Spunaugle made some adjustments and the Cardinals came roaring back to score four runs in the fourth for a 7-6 five inning victory to the enjoyment of the home crowd..

Lincoln took the lead in the second as Tanner Cramer stole home. That was short lived as the Hornets scored four times in the third thanks to a bases loaded hit batter and a three run error by the Cardinals..

The comeback kids would take the lead scoring four of their own in the fourth as a dropped third strike scored a run and Braeden Ferguson singled in a run and Grayson Rutherford doubled scoring two runs.

Grayson Rutherford, Colton Mellen and Landon Dunkin combined mound with Dunkin earning the win.

Rutherford was 2 for 2 with 3 RBI's. Ferguson went 2-3 driving in a run and scoring 2.

Cardinals are now 1-1

## Cole Camp's Up-And Down Season Continues

By  
Johnie Logue, Sports

The Cole Camp Bluebirds won two in a row last week before losing to Lone Jack 7-2 in Sedalia on Friday. They defeated Otterville at home, 3-2 on Tuesday and Leeton, 11-1 on Thursday with both contests being at home.

The big blow on Friday was a 2-run homer by clean-up hitter Landen Danuser in the third inning. The Bluebirds made a comeback

bid scoring 2 in the seventh but came up short, Cole Camp's line went 2-4-3 opposed to Lone Jack at 7-4-4.

The Bluebirds fell to 3-4 on the season.

## Cole Camp's Leah Allison Shares Story Of First Turkey Hunt

Leah Allison is a 13 year old Benton County resident who attends Cole Camp R-I schools.

It was a beautiful spring day for the opening day of spring youth, turkey season. It was very windy out of the south. We (my Uncle Brian & I) crossed a creek and walked to our blind around 5:30. Settled in and started to call to see if we could get a gobbler to respond. We didn't hear anything for at least a half an hour and then heard a gobble. We called to it, but it didn't respond.

About 15 minutes later, we noticed three gobblers and three hens entering the field on our right, they came up from the creek behind us along the tree line.

We ranged them at about 80 yards and watched them cross the field towards our decoy. The hens were in front and the toms were pushing them. One of them was all puffed out and strutting. It seemed like it took forever for them to get in range, but once they crossed our path, the Tom's spread out enough to safely take a shot. I didn't think I could do this because of how nervous I was. It was my first time turkey hunting. At about 33 yards I finally gained confidence and took the shot on the Tom in the front. I used a Mossberg 410 SA shotgun and a Hevi-18 TSS shot shell. The turkey dropped to the ground and flopped around for a while. With all the work that it took to get prepared for this hunt and all the waiting for them... Pulling the trigger seemed easy, but turkey hunting is anything but. After the bird had laid still for several minutes. We went to check and see if it was really dead. It was and we noticed it had two beards, one large and one small. Then after looking at the spurs, we noticed it was banded by the Missouri conservation department. I didn't know what that meant...but quickly found out how unique that is. Once I got back home, I used the MDC app to report that I had harvested a turkey and I took a closer look at the band, I contacted the number on it and left a message. I'm excited to hear back from them because my grandma found out that I may be getting a certificate from them and the band mentions a reward.

Needless to say, it was a really great day! We started it in the woods with a prayer that we would get a chance to take a gobbler. We ended it at a bonfire with a thankful heart for all God had blessed me with.

## Fristoe NEWS

By Pat Arnett  
Contributing Reporter

The Fristoe area had a storm and lots of rain on Monday night. The area got from 3 inches of rain to over four inches with area branches to Turkey Creek running full and much over low water bridges. It was needed and gave the local road maintenance crews plenty to stay busy.

Prayers needed this week; Lewis and Judy Retherford, (They are both in the hospital at this writing) Kathy First, Amber First, Carolee Apperson, Cherie Boecher, Gladys Harris, Curtis Allen and Mary Scarbrough,

Happy birthday shoutouts this week to Gracie Colbert on April 11, Elizabeth Wolf on April 12; my great-granddaughter, Mesa Welch as she turns 19 on April 13, and LeWayne Williams celebrates his birthday on April 15!

Have had great pictures from Gracie Yoder in Guatemala this week. Please continue to keep Gracie and her mission

team in your prayers. She feels her and her team are learning a lot and are doing great work right now.

The Benton County Republican Central Committee hosted the Lincoln Reagan Dinner on Saturday night, April 5 in the Warsaw Community Building. Dinner was cooked and served by Kickin' Chicken and it was delicious. Guest speakers were Secretary of State Jay Ashcroft, Senator Mike Moon, Senator Sandy Crawford, Representative Roger Reedy and Representative Jim Kalberloh. The Fristoe Lighthouse Church was beautifully represented as Pastor Tony Smith said the prayer and Br. Smith and wife Brenda, sang the song *God Bless America*.

The Fristoe Lighthouse Church was down in numbers a little but they still had beautiful specials from Claude and The Lighthouse Singers, "I Can't Even Walk Without Holding Your Hand", Br. Ken Heir, Sis DoBee and the Smith's did a great job on "Mansion Over The Hilltop" and Br. Dave aid a wonderful job on his special as always. We have Sunday School for youth and adults and Br. Smith brought his message from Joshua chapter one. It was a message reminding all of us we had to always follow what God is telling

us and not straying from his instructions and He will lead us to win all battles. We were reminded that Joshua was the one to replace Moses as Moses died. My, that was big boots to fill! A reminder the missionary couple Peter and Pam VanDerDecker that have been missionaries in connection with the Fristoe Church since around the early 1990's will be visiting the church on the last Sunday of April.

Thought for the week: Unfortunately most people forget God all day but ask Him to remember them at night!

For everyone who reads our Fristoe News, we hope for a wonderful week, full of laughter, lots of prosperous happenings and love!

### WARSAW CHRISTIAN CHURCH

*They feared greatly and said to one another, "What kind of Man is He, that even the wind and the sea obey Him?"*

-Mark 4:41

The disciples are in a boat in a storm, and they are afraid. Jesus had been sleeping, but He arose and said, "Peace, be still" to the storm, and

instantly, the waters were calm. Now, the disciples are even more afraid! They feared the storm, but they were even more fearful of this Man who could calm the storm with a word. They wonder, "What kind of Man is He...?" That was a good question. What kind of Man can calm a storm with a word? I can't, can you?

This is just one of many proofs of Jesus' deity. He is God in human flesh, and the God who created the seas can calm them with a word. On a more personal note, He can also calm the storms in our lives. When things seem out of control, and we see no solution, turn to Jesus. He can speak to the storms that invade our lives and calm them with a word. Never declare, "This situation is hopeless." The word "hopeless" disappears from the vocabulary of those who trust Jesus.

### FROM THE PASTOR'S DESK JOHNNIE J. LOGUE

#### Somebody Told You Boys Wrong

If what you believed was wrong, would you want to know the truth?

Years ago, I was pond hopping in Arkansas with my two cousins, Roger and Max Raney. We were told that a certain man owned a pond that we wanted to fish. So we approached him at his home. We told him someone had told us that he owned the pond behind his house and that we needed to get permission from him in order to fish. Well, the man took offense to what we said and stated over and over again that "somebody told you boys wrong".

Well, Max, being a joker, went around the rest of the day everywhere we went, mocking the man by saying, "somebody told you boys wrong" time and time again.

As I watched videos on social media this week concerning the eclipse, CERN, the flat earth, Bigfoot, aliens and lest not forget the ramblings of all of the would-be Bible scholars, I was reminded of the phrase, "somebody told you boys wrong".

Forty-five men were

commissioned to make a better Bible in 1611 in England under the orders of King James I of England. Actually, 50 of some of the world's greatest scholars worked on the project. They were considered the greatest biblical language scholars of their time, bar none. Seven were childhood geniuses. These magnificent seven toiled day and night. After a ton of controversy over the years, the KJV is still the most read Bible in the world.

My point being, that they got some things right. They were too educated not to interpret the scriptures as a whole correctly. Do your homework.

Yeah, some say their manuscripts were faulty. I repeat, they got some things right, far more than they are given credit for among today's critics.

Having said that, my faith is not based on these extraordinary men. My faith is in God; II Peter 1:21, look it up.

I am Johnie J. Logue, Pastor of Grace Baptist Church at 31046 Highway MM in Warsaw, MO. My phone number is (660) 281-4775.

it before we started. If you aren't saved you do not take part. We had great service today.

Let Go Of The Stone by John Anderson was played before the sermon. The stone you're holding on to can bring you down. Letting go can bring you to Jesus. Pastor's sermon was from Matthew 19:6. This talked about the rich man coming to Jesus and asking what he needed to do to be saved. He told Jesus he knew the commandments and Jesus told him to give away his possessions and follow Him. The rich man went away without being saved.

In Acts 26:24 Paul was talking to Fetus and King Agrippa. Paul witnessed to them but they didn't respond to his preaching. King Agrippa told him that he almost persuaded him to accept Jesus. The king rejected what Paul said and was not saved as well as Fetus.

Paul knew how to speak to people. Jesus does everything in the open. It doesn't matter what you done wrong but what you can do right. Get rid of the things dragging you down and make a change. Being a child of God calls for a change. God doesn't count sin against us and will never bring it up again. Look ahead and don't look back.

When you let go of the stone you will pop up. You can get out with Jesus' hand to pull you out. If you are not willing there will be no change.

COME AND WORSHIP WITH US NEXT SUNDAY. 9:30 SUNDAY SCHOOL AND 10:30 WORSHIP. DELIGHT YOURSELF IN THE LORD AND HE WILL GIVE YOU THE DESIRES OF YOUR HEART. PSALM 37:4. BYE FOR NOW SEE YOU SOON.

### HOPEWELL BAPTIST CHURCH

Matthew 17:22-27 Jesus has reminded the disciples of what is coming - the cross. Men of power come to find Jesus asking the disciples if their teacher pays Temple Tax, given to God as thanksgiving for bringing them out of bondage. It should be a one-time deal, but they continued to collect it forever. A man-made invention, not a God ordained thing. Peter answers, "yes", but why would Peter speak for Jesus. Jesus has just told them that

powerful men are coming to take him. Jesus doesn't rebuke him but asks where do you think they collect their taxes from, their families or from others? The powerful people don't collect from their powerful friends, they collect from the weak. Jesus then asks if they need to pay a tax for God's house since everything we have already belongs to God. Jesus tells Peter, we don't have to pay it because God's house is taken care of, but so we don't offend them, go to the lake, and throw out your line. Take the first fish you catch; open its mouth and you will find a coin. Take it and give it to them to pay my tax and yours. They had no home or source of income; they had nothing to pay with, but it wasn't worth upsetting others.

There is sometimes a difference in knowing something and doing something about it. Jesus never talked about someone drinking alcohol or other such things and sometimes we create our own Temple Tax. Are we building Temple Tax or scripture. What is the limit we are willing to sacrifice ourselves to reach other for Jesus? Jesus is getting the disciples to think, and maybe thinking is something we as believers need to do. Why do we do the stuff we do. We shouldn't get mad when some do it different than we do. Think more, read more, and pray more. Don't write people off. We've got to get back to Jesus! Jesus is enough!

Join us Sunday mornings for Sunday School at 10 a.m. with Worship at 11 a.m. and Sunday and Wednesday Bible Study at 6 p.m. Watch live at 11 a.m. each Sunday on Hopewell Baptist Church Facebook page.

A Warsaw woman was injured in an accident on April 2 at 8:40 AM on Route 2 West of Falling Rock Avenue in Benton County.

According to the Missouri State Highway Patrol, the accident occurred when Kayla M. Prall, 32, of Warsaw driving a 2012 Chevrolet Cruze began to skid on wet pavement. The Prall vehicle crossed the center line and travelled off the left side of the roadway and struck a fence before overturning.

Prall was transported by the Benton County EMS to Golden Valley Hospital in Clinton with moderate injuries.

Cpl. R. J. Chapman of the Missouri Highway Patrol investigated the accident. He was assisted by Sgt. C. W. Hoff.

A Warsaw man was injured in a 1 vehicle accident last Sunday morning around 10:00 AM.

The MSHP reports that 66 year old Larry L. Darnell of Warsaw was traveling south on Highway 65, just past Marina Road when the truck he was driving traveled into the median and into the northbound lanes. The truck continued off the east side of the roadway, struck a guardrail and overturned.

Darnell suffered moderate injuries and was flown to University Hospital in Columbia.

The driver's 2012 Ford was totaled and towed by Tolliver's Towing, Lincoln, MO.

**Have I Got A Line For You!**  
By James Mahlon White

How many old signs do you remember? There was one at R-IX North Elementary that read, "What I Am Going to Be, I Am Now Becoming". Many years ago The Hermitage Index had this saying on their masthead, "I Know Not What The Truth May Be, I Tell It As 'Twas Told To Me". I also remember an old commercial for some kind of casino in Reno. Hey, you could use those last three words to compose a limerick. All I can think of is a product named... "Beano" and there's probably a better choice.

It was a beautiful weekend and I took Max (Schnauzer) for a walk along the river. For some reason, I thought

about the many people who enter our lives from time to time and then disappear from the scene; gone somewhere, with lives of their own, just leaving behind good memories. Everyday though, we meet someone new or learn about something we didn't know. Keeps us all going.

Last night, for instance, I bumped into "The Great Cross Of Hendaye". Ever heard of it? I hadn't either. It's ancient and located in the French Pyrenees with a strange inscription that's believed to predict the end of the world. There is a book about it; probably won't read it though. I'd rather read about the big super storm that's supposed to change our lives and I

already have that book. The author says the storm will be caused by....you guessed it, climate change. I'll read it on the deck with a glass of wine while watching the trees fly by. That's the way to go!

Speaking of climate change, I bet that's what scientists will say caused the earthquake in New Jersey. Who in their right mind would think that earthquakes are natural? Why would continents want to crash into each other? Thankfully, no one was hurt on Friday.

In 2015, Nepal was struck by a massive quake. Thousands were gone in the blink of an eye. It was caused by a chunk of rock that shifted 9 miles below the surface and caused a tremendous shock wave. I wonder if the Himalayas changed height as a result and are slightly taller now?

Ach du lieber, the day has flown by. Listen Old Buddy, take good care of yourself and say your prayers. In this troubled world, it's not a bad idea.

We all hope to remain healthy and independent throughout our lives – but life can be unpredictable. If you were ever to need some type of long-term care, would you be financially prepared?

Long-term care encompasses everything from the services of a home health aide to a stay in an assisted living facility to a long residence in a nursing home. You may never need any of these kinds of care, but the odds aren't necessarily in your favor: Someone turning age 65 today has almost a 70% chance of needing some type of long-term care services and support in their remaining years, according to the U.S. Department of Health and Human Services.

And all types of long-term care can involve considerable financial expense. The median annual cost for a home health aide's services is more than \$60,000 per year, and it's more than \$100,000 per year for a private room in a nursing home, according to Genworth, an insurance company. Furthermore, contrary to many people's expectations, Medicare usually pays very little of these costs.

Of course, some people expect their family will be able to take care of their long-term care needs. But this may not be a viable strategy. For one thing, your family members simply may not have the skills needed to give you the type of care you may require. Also, by the time you might need help, your grown children or other family members might not live in your area.

So, you may need to protect yourself and your loved ones from the potential costs of long-term care. Basically, you've got two main choices: You could self-insure or you could transfer the risk by purchasing some type of long-term care insurance.

If you have considerable financial resources, you might find self-insuring to be attractive, rather than choosing insurance and paying policy premiums. You may wish to keep an emergency savings or investment account that's earmarked exclusively for long-term care to help avoid relying on your other retirement accounts. But self-insuring has two main drawbacks. First, because long-term care can be costly, you might need to plan for a significant amount. And second, it will be quite hard to predict

exactly how much money you'll need, because so many variables are involved – your age when you start needing care, interest rates or inflation, the cost of care in your area, the type of care you'll require, the length of time you'll need care, and so on.

As an alternative to self-insuring, you could purchase long-term care insurance, which can provide benefits for home health care, adult day care and assisted living and nursing home facilities. However, you will need to consider the issues attached to long-term care insurance. For one thing, it can be expensive, though the younger you are when you buy your policy, the more affordable it may be. Also, long-term care policies typically require you to wait a certain amount of time before benefits are paid. But policies vary greatly in what they offer, so, if you are thinking of buying this insurance, you'll want to review options and compare benefits and costs.

In any case, by being aware of the potential need for long-term care, its cost and the ways of paying for it, you'll be able to make the appropriate decisions for your financial situation, your needs and your loved ones.

Hello Benton County, with all the negativity we must suffer through, illegal immigration, nasty campaign ads and so many other issues we see on the news, I have some good news! As you are all aware there is, and has been, a nationwide crisis involving the shortage of law enforcement officers. Benton County was not immune to this travesty, all agencies near and far have suffered with shortages. We are on track to be fully staffed by early summer!

We could have filled our ranks sooner, but we have been very selective on who we put into our community, and I am proud to say we have fantastic employees! We now offer

a starting wage of \$21.00 per hour with incentives for experience. This is up from \$12.81 per hour when I took over as your sheriff. This has helped immensely, but there are two other more important factors. The first one, and the main reason we have quality personnel finding their way to our county, is you!

Every single person we have hired mentions wanting to work for a community that supports their law enforcement, and Benton County does just that. It's nearly impossible for my staff to eat lunch in a public place without some amazing citizen buying their lunch. This is a humbling gesture that slightly embarrasses them, but they appreciate it more than words can say. You show your support with a wave and a friendly hello, or by showing up at the office with baked goods. You bring in toys for children, which the deputies hand out during their shift, and you donate to our projects. You've formed a group, the Friends of the Benton County Sheriff's office, made up of involved citizens who want to actively make a difference in our community with the sheriff's office. Our community is amazing and the appreciation from myself and my staff cannot

be understated.

The other reason is, you have a patriotic sheriff who supports the Constitution. One who fights for his employees and fights for our community against state and Federal overreach. This has made a difference to those joining our ranks, and those who have stayed through all the challenges. I am very proud of what we have built together. The new jail and sheriff's office has been a huge success. We now provide a safe working environment for our staff. We brought in over two million dollars in 2023 for our county, and we have created 26 new positions with a starting wage of \$19.00 per hour or more, for experienced personnel. Thank you for placing your trust in me, together, we will continue to make positive changes in Benton County, we will do more.

-Sheriff Eric Knox
