## H.O.P.E. Brings Healing With Transitional Housing To Clinton

BY JENNIFER JACKSON  
Staff Reporter

When she was growing up, Brooklyn Timmons didn't know what it was like to have supportive parents, her own bedroom or even her own bed. Her family moved frequently, she said, mostly living in motels, and were addicts.

Brooklyn doesn't have a place she thinks of as a hometown, but had lived in Clinton for three years and was in an abusive relationship when she was sentenced to the Henry County Jail. It was after Amanda Roe visited her in jail to bring the message of Celebrate Recovery that Brooklyn changed her mind about staying in Clinton.

Brooklyn is now a graduate of the H.O.P.E. project, a faith-based transitional housing project for women who need a place to start over. An acronym for "Healing, Overcoming, Persevering and Empowering," H.O.P.E. was started by Amanda Roe, who had struggled with addiction herself.

"When I got free of it, I felt called to the Henry County Jail to bring Celebrate Recovery to the inmates," Amanda said. "I saw these women beginning to transform their lives."

"Then I would see them leave the jail and knew that without the right environment and support, they would not last long."

Celebrate Recovery is a

Christ-centered 12-step program similar to AA that offers a way to overcome addictive behavior. It started at a church in California in 1991, and is now offered in 42 prison systems in the United States and worldwide.

Amanda said she didn't have a lot of money, but what she did have was the conviction that this is what God wanted her to do. She started in 2015 by leasing part of a house with

one apartment, and then "space just opened up," she said.

"He gave me the vision," Amanda said. "There was a 'God-step' in everything that happened."

Darren Huey, who has been overseeing the conversion of a former church building on Ohio Street into transitional housing for men, is where Amanda was nine years ago. Called the Men's Discipleship Center, it is scheduled to

open in two weeks, Darren said, and has beds for 10 men. Those spaces have already been filled, he said.

Amanda said H.O.P.E. Project started out serving five women and has grown to offer facilities for 21 women plus 10 children at three houses in Clinton and one in Calhoun.

The Calhoun house is where Brooklyn lives with her three daughters, who she got back after going

## Calhoun Man Arrested In Connection With Stabbing

On April 6, 2024 around 3:20 a.m. a victim of a stabbing presented themselves at Golden Valley Hospital Emergency Room. After brief questioning from the Clinton Police Department, it was learned that the stabbing had occurred in the 500 blk of West 4th Street in Calhoun. Deputy Evans and Sgt. Brandt began investigating and learned that the suspect lived across the street from the victims' house. Taken into custody without incident was Manuel G. Hilario, age 38 of Calhoun. Hilario was transported to the Henry County Detention Center. Upon competing the preliminary investigation, assisted by Detective Swartz and Lt. Kubilus, a probable cause statement was submitted to the Prosecuting Attorney. Later that day, Prosecutor Lachrisa Gray charged Hilario with Assault 1st degree and Armed Criminal Action

**Have I Got A Line For You!**  
By James Mahlon White

How many old signs do you remember? There was one at R-IX North Elementary that read, "What I Am Going to Be, I Am Now Becoming." Many years ago The Hermitage Index had this saying on their masthead, "I Know Not What The Truth May Be, I Tell It As 'Twas Told To Me." I also remember an old commercial for some kind of casino in Reno. Hey, you could use those last three words to compose a limerick. All I can think of is a product named..."Beano" and there's probably a better choice.

other? Thankfully, no one was hurt Friday. In 2015 Nepal was struck by a massive quake. Thousands were gone in the blink of an eye. It was caused by a chunk of rock that shifted 9 miles below the surface and caused a tremendous shockwave. I wonder if the Himalayas changed height as a result and are slightly taller now? \*\*\*\*

Ach du lieber, the day has flown by. Listen Old Buddy, take good care of yourself and say your prayers. In this troubled world, it's not a bad idea. \*\*\*\*

It was a beautiful weekend and I took Max (Schnauzer) for a walk along the river. For some reason, I thought about the many people who enter our lives from time to time and then disappear from the scene. Gone somewhere, with lives of their own, just leaving behind good memories. Everyday though, we meet someone new or learn about something we didn't know. Keeps us all going. Last night, for instance, I bumped into "The Great Cross Of Hendaye." Ever heard of it? I hadn't either. It's ancient and located in the French Pyreness with a strange inscription that's believed to predict the end of the world. There is a book about it. Probably won't read it though. I'd rather read about the Big Super Storm that's supposed to change our lives and I already have that book. The author says the storm will be caused by.... you guessed it, Climate Change. I'll read it on the deck with a glass of wine while watching the trees fly by. That's the way to go!  
\*\*\*\*

Speaking of Climate Change, I bet that's what scientists will say caused the earthquake in New Jersey. Who in their right mind would think that earthquakes are natural? Why would continents want to crash into each

through the program. Brooklyn entered H.O.P.E. Project housing in October of 2022 and graduated a year later, then stayed on as a house leader. She got a job at Door of Hope, and is finishing her high school equivalency, with plans to continue her education and study business management.

Christine Stachersky has an even more dramatic story. Now an activities director for a group home and writer of a weekly column for the Clinton Daily Democrat, Christine was labeled a "persistent offender," and was facing 78 years in prison —and that's if she served her sentences concurrently.

"I knew I had to make some changes no matter what happened," Christine said. "I started seeking God where I was at. I just trusted no matter what happened, He had me."

What happened: after adopting the Celebrate Recovery program, God radically changed Christine's life, she said. Instead of custodial sentences, she got probation in all eight countries where she had convictions, and now has only one year left of probation.

"It was all because of Amanda --and God -- seeing something in me," Christine said.

Christine came to H.O.P.E. House in July of 2022 and graduated a year later. She decided to stay on as house leader because she knew she still needed to be there. She was able to bring her dog, Rayla, with her.

A rescue dog from the Clinton Animal Shelter, Rayla is a mixed breed who is now the official project mascot of H.O.P.E. House. Rayla gives affection to all residents, Christine said, making the rounds and attending all the house meetings.

"But we never did get her a T-shirt" Amanda said.

Before she signed up for the H.O.P.E. Project, Brooklyn had just received a devotional Bible, she said, and was reading a devotional on safe houses for women, which contained the sentence "All will be well in the house of hope." "God pointed me here," Brooklyn said. "It was like a big neon sign. I immediately got my application."

Amanda also knew that God was talking to her through scripture when she heard: "You are blessed among women because you believe that God will do what He says He will do." Amanda said she still keeps the list of things someone told her she needed, but didn't have, to make the housing project become a reality — the houses, furnishings, dishes, etc.

Everything on the list was provided by donations from a variety of sources, Amanda said.

"I realized who had the deep pockets — Jesus," she said.

H.O.P.E. Project residents have jobs, are required to do chores and attend Celebrate Recovery meetings, Bible studies and classes in parenting and budgeting.

"We have a lot of expectations of the residents," Amanda said.

Because it is a faith-based project, H.O.P.E. does not receive federal grants, Amanda said, but is supported by local churches and organizations and private individuals. H.O.P.E. works in partnership with Compass Health, Mercy Tree and Door of Hope.

All of the residents get together once a week for house meetings and dinner, which is provided by a group of local volunteers. A woman named Crystal Smith started the tradition of providing the women with dinner on meeting nights, Amanda said, add-

ing that Crystal was one of Christine's burglary victims.

"There's more need," she said of transitional housing for women and men who are trying to change their lives.

H.O.P.E. Project can always use twin-size bedding, towels, washcloths and paper products, Amanda said, as well as monetary donations. Amanda is available to speak to local groups and spread the word of H.O.P.E. Call her at 660-202-9032.

## Management Intensive Grazing School in Early May; Register by May 2nd

"Efficient forage management and utilization is important to the profitability of a livestock operation," says Patrick Davis MU Extension Livestock Field Specialist. The best way to promote efficient forage management and utilization in a livestock operation is by incorporating management intensive grazing practices. To educate livestock producers on these practices MU Extension, Natural Resource Conservation Service (NRCS), and the MO Forage and Grasslands Council are cooperating to provide a Management Intensive Grazing School on May 7th to 9th at the Forest Park Building, 206 East 5th Street, Appleton City, MO 64724. Classes will begin at 9:00 a.m. and end at approximately 4:30 p.m. daily.

"This school is applicable and will provide education in livestock and forage management for all grazing species, though cattle will be emphasized," says Davis. Educational topics will include:

- The "Art and Science" of Grazing
- Soils, Soil Management and Fertility
- Plant Growth, Forage Quality and Persistence
- Fencing and Water Systems
- Matching Livestock and Forage Resources
- Meeting Nutritional Needs of Livestock from Pasture

Layout and Design of Grazing Systems

Economics of Management-intensive Grazing

Outdoor Field Exercises and Tour of Producers' Farms

Furthermore, this program is required to receive MO SWCD cost share funding and may help in receiving NRCS cost share funding for grazing system development.

"Registration and payment are required to attend this event by May 2nd," says Davis. Register online at <https://shorturl.at/afwQX>. Cost to attend the event is \$200 per person and \$100 per additional person from the same farm not needing materials. Fee includes materials, lunches, and refreshments during the event. For all questions related to the event contact the St. Clair County MU Extension Center at (417) 646-2419 or Davis by email at [davispm@missouri.edu](mailto:davispm@missouri.edu).

## Do You Have A Century Farm?

Century farms and ranches have shaped our nation and state. In every kitchen, behind every barn door, and in every soiled and calloused hand lie stories of those who feed our nation. The Missouri Century Farm program celebrates the lasting contributions farmers and ranchers have made to our country's and

state's heritage. We would like Henry County farms to register and be recognized.

In 1976, the Centennial Farm project was initiated in Missouri, awarding certificates to persons owning farms that had been in the same family for 100 years or more. Ten years later, the University of Missouri Extension and the MU College of Agriculture, Food and Natural Resources created the annual Century Farm program and recognition. The Missouri Farm Bureau joined as a co-sponsor in 2008. Since the program began in 1976, more than 8,000 Missouri farms have received the Century Farm designation.

Landowners with farms that have been in the same family for 100 years can be recognized with signs, a certificate and a booklet. Application period will re-open Feb. 1, 2024.

Jack was active in the community serving as President of the Warrensburg Lions Club and later as the Missouri Deputy Governor for Lions International. In addition he was Exalted Ruler for the Warrensburg Elks Lodge, and District Deputy for Grand Lodge of Elks. Jack's family includes his wife of 63 years JoAnn Little of Springfield, Missouri; daughter Jill Lazzarrini (Frank), Springfield, and son Jay Little (Janet) of Lee's Summit. Jack and JoAnn danced a million miles, and modeled for their family a marriage highlighted by laughter and fun. Jack was adored by his grandchildren Sabri-

na Whisler (Jason), Springfield; Mara Lazzarini (Silas), Springfield; Casey Wheeler (Collin), Olathe, KS; and Nick Little, Denver, CO. A highlight of his week was spending time with great granddaughters Sloane and Collins Whisler, often enjoying a pretend tea party.

Jack delighted in his role as Poppy. He frequently mailed his grandchildren handwritten notes to acknowledge their accomplishments or provide words of wisdom and encouragement. He will be remembered for his love of sports and old Western movies, his repertoire of funny voices and spontaneous performances of "The Poppy Dance." He loved to tell stories about college, playing baseball, camping and fishing with family and friends, and awards and achievements of his children and grandchildren, always commenting with a smile, "It ain't braggin' if you done it." He enjoyed making people smile and laugh and was quick with a funny one liner. He went out of his way to acknowledge and express appreciation to everyone around him.

The greatest legacy one can pass on to one's children and grandchildren is not money or other material things accumulated in one's life, but rather a legacy of character and faith. ~Billy Graham

In lieu of flowers, the family has requested donations be made in Jack's memory to your favorite local charity.

**Calhoun Community Church**

Welcome to the Good News from Calhoun Community Church. Our church family gathers at 9:30 a.m. for pre-church food and fellowship. We use this special time for visiting one with another, welcoming guests as they arrive for Worship, and signing cards of encouragement for our card ministry. Tom rang the church bell in Tuckers absents to call our church families to worship at 10:00.

We extend our sympathy and Christian love to the family and friends of Vera Isabell who passed into the arms of Jesus this week; our prayer list includes: Rodney Isabell and family, Millie Redding, Patty Dump, Barbara Sales, and Dave Burson, our military men and women and their families, as well as others in service jobs that we depend upon daily. Our prayers go out for those involved in the violence that happened on the west side of our city this weekend. Everyone in our nation should be praying for a return to normalcy. We pray for guidance as we continue to grow, here on the southeast corner of the Calhoun square.

Joys to celebrate: All were pleased for the peanut butter cookies shared by Carol Lane for pre-church fellowship this morning. We are thankful for the inch of rain received last week. When we arrived at church this morning Jeremy Reed was already there and had music playing with the sun streaming through our stained glass windows; a beautiful sight to behold. We welcomed Jan and Keith Jackman, Carrie Hix and children Rhiannan and Andy as our guests this morning. Steve lit the altar candles and served as usher in Tuckers absents today. We were pleased to sing happy birthday to Patty Dump with wishes for many more. Steve Siercks expressed his joy of the wonderful Easter Service and festivities last Sunday. Patty Dump shared a story of thousands of honey bees swarming in their tree, a miracle that happens each year. Daughter Charla, is a bee keeper and came from Bolivar to get them. She is a kind of bee whisper and handles the wild bees in shorts and tee shirt. Song leader Tom expressed his joy to lead the hymns and not hear himself. We are truly becoming an enthusiastic group. Shelby, Tom and Barbara attended the Friday night Singspiration at Souls Harbor, Shelby played his guitar and sang. A wonderful time was had by all. Harvesters Food Drop will be at Calhoun next Friday. Volunteers are always needed for this worthwhile project.

Rev. Jackson Short's message title was "The Power of Prayer." In Jesus time worship was conducted in the Temple. Today we have the choice to worship where and when we want. Prayer is important as it establishes a personal relationship with God. Families that worship together stay together. Children who attend Church and Sunday school in youth, may wander as youngsters, but will come back to church as adults. The power of prayer is awesome, we can pray for whatever we want whenever we want; there are no limitations on what or who we pray for. All prayers are heard by a loving God. Our job taking care of folk who are in trouble or hurting and making new disciples, Amen.

Thought for the week: "Never appear to be more than you are, but always be more than you seem to be," a quote from an 1885 autograph book.

**First Baptist**

On Sunday, Pastor Pat Findley continued his message series, "Were You There?", with a message titled "Declaring Thomas Was There". The disciple Thomas was known as 'doubting Thomas' because he needed to see to believe. Often as Christians, we too have questions and doubt. When Thomas asked Jesus about salvation, Christ responded that He is the way, the truth and the life. Jesus didn't just come to show the way, He came to BE the way. When the other disciples had seen Him after He had risen, Thomas was not there. When Thomas heard the news, he needed to see for himself. After seeing Christ and realizing it is truly Him, he responds in worship. What do we do with our doubts? Jesus promised He would rise, and He did. Christ appeared to many after being risen, even allowing Thomas to touch His wounds from His crucifixion. The disciples' lives were changed, and He is still changing lives today. While we won't be perfect this side of heaven, we should be leaning that way if the Spirit of God has saved us. The risen Savior lives within you when you invite Him into your heart. Do you know Jesus? The Christian life is a journey, having faith and seeing God at work around us. Not seeing, yet still believing, is faith. Choose faith!

Celebrate Recovery is on Tuesday evenings at 5:30 pm at the Vansant location for anyone with hurts, habits, or hangups. GriefShare is offered every Thursday at 6 pm,

### Stantorf To Lead CHS Boys Wrestling Program

### Cardinals Split Week With Appleton City, Stockton

It was another up and down week for the Cardinals baseball squad as they experienced the high of a big win but also the low of a big loss.

On Wednesday, Will Golder collected 4 hits in 5 trips to the plate as Clinton soundly defeated Appleton City with a 13-5 final.

Golder doubled in the third, singled in the second and sixth innings and then topped off his big night with another double in the seventh.

The Cardinals struck early when they plated 4 runs in the top of the first inning, the first coming off of a walk issued to Jacob Balke that forced in Clinton's first run of the ball game.

The Cardinals tagged Appleton City for 4 more runs in the top of the third to make it 7-0 and the game tightened up after the sixth when the scoreboard read 8-5, yet still in favor of the good guys.

However, Clinton managed to pull away in the top of the seventh when they scored 5 runs on 2 hits. Kanden LaFarge drew a walk, scoring 1 run; Golder's second double of the game drove in 1 run, Jack English hit into a fielder's choice, but plated 2 more runs and the Cardinals rally ended after Kaiden Townsend grounded out but forced in Clinton's last

run for the 13-5 final.

The Cardinals racked up 12 hits in the contest.

Golder paced the offense with his 4 hits. He also picked up 2 RBI's and scored twice himself.

Balke went 3 for 3 in the game and also drew 2 walks. He finished with 1 RBI and 1 run.

LaFarge, English, Jimmy Schmedding, Cody Mitchell and Austin Petry all contributed 1 hit apiece in the Cardinals attack.

English collected 3 RBI's, LaFarge and Schmedding both had 2.

As a team, the Cardinals swiped 10 bases. Golder had 3, Petry and LaFarge had 2 and Balke, Maverick Martin and Keaton Cloud all had 1.

Golder earned the win for Clinton on the mound. He gave up 1 run on 1 hit over three innings of work. LaFarge and Conner Bramell both worked in relief for the Cards.

The Cardinals and Stockton were knotted up at 1-1 after the first inning but the visiting Tigers flipped the game in the second, scoring 6 runs on just 2 hits to take a 7-1 lead.

Stockton tacked on 3 more runs in the third, 1 in the fourth and then rallied for 6 runs in the fifth to close the Cardinals out early with a 17-2 final.

Cardinals' bats went silent in this one as Jimmy Schmedding and Corban Dody tallied the only hits for the redbirds.

Maverick Martin absorbed the Clinton loss while Jack English, Jacob Balke and Chase Beasley also toed the rubber.

The Cardinals will play in the annual Holden State Farm Classic throughout this week. Their first tilt in that event was scheduled for Tuesday night when they took on the host Eagles.

They'll resume their regular season schedule when they travel to Harrisonville on Thursday, April 18.

### MS Cards Rolling With Undefeated 5-0 Record

The Clinton Middle School Cardinals are off and running with their 2024 schedule, have rattled off consecutive wins and now sit at 5-0 for the year.

On Tuesday, March 19, the Cardinals rolled past

Warsaw with a 16-4 final.

Clinton outit the Wildcats 13-0, led by Adam P, Hunter K, Conner U and Memphis M with 2 apiece.

Adam P and Memphis M combined for the no-hitter. On Wednesday, March 20, Clinton made easy work of the Versailles Tigers with an 8-1 final.

Kingston D led the Cardinals with 2 hits.

The Cardinals dispatched Hermitage with a 9-1 final back on March 22.

Adam P, Hunter K, Heath C, Conner U and Cayden M all had 1 hit apiece for Clinton.

Garrett S held the Hornets to just 1 run on 1 hit and struck out 6.

To begin April, Clinton kept things going with a 14-2 win over Buffalo on April 4.

Adam P and Memphis M both had 2 hits for Clinton. Adam P also managed mound duties and picked up the win for the Cardinals. He surrendered 2 runs on 2 hits while striking out 5.

This past Friday, April 5, Clinton rolled to a lopsided 27-1 win over Weaubleau.

Otis N paced the Cardinals with 3 hits while Hunter K had 2.

Adam P, Wyatt S, McKade M, Heath C and Cayden M all contributed 1 hit apiece for Clinton.

Garrett S earned the mound win. He tossed 4 innings, gave up 1 run on 1 hits and struck out 11.

Clinton hosted Lincoln on Tuesday night and will host Hermitage again on Friday.

Clinton High School is proud to announce it has selected Daniel Stantorf as the head coach of the Clinton High School boys wrestling program (Coach Mowery will oversee the girls wrestling team). Coach Stantorf will also be joining the staff at Clinton Middle School next fall where he will be the strength and conditioning instructor.

For the previous five seasons, Mr. Stantorf has been the head boys and girls wrestling coach at El Dorado Springs High School. During this tenure, he was named the 2021 Class 1 District 4 Coach of the Year by the Missouri Wrestling Association. As head coach, he oversaw three boys team conference titles, four girls team conference titles, and had 32 individual conference champions. At the state level, the program had two top 20 finishes, 25 state qualifiers including six state medalists, and two state runner-ups. During his time at El Dorado Springs, Coach Stantorf was also an assistant football coach, serving as the defensive coordinator for the last three years.

Daniel was a three-sport athlete in high school, competing in football, wrestling, and track. His honors included achieving a four year varsity letter in football and track and a two year varsity letter in wrestling. He was also a two-time all-conference linebacker in 2011 and 2012 and a state qualifier wrestler in 2013. Coach Stantorf went on to play

college football at Central Methodist University.

Daniel and his wife, Kareean, have been married for 3 years, and have three children, Joseph (7), Jubilee (3), and Jemma (1). When their lives are not consumed with sports they enjoy hunting, fishing, and getting out on the lake.

"The staff, community, and this opportunity have me ecstatic about joining the district," says Coach Stantorf. "I am excited for the opportunity to improve and grow the Clinton wrestling program. I believe we can take Clinton wrestling to the next level by creating a culture that will positively impact the district. It is my goal for athletes to be consistent on the mat and in the classroom, hold our program and athletes to a high standard, and most importantly grow our athletes into respectable young men."

Activities Director, Kevin LaFavor is looking forward to Coach Stantorf joining the Clinton School District. "We are very excited about the addition of Coach Stantorf. He has proven success as an athlete, but most importantly as a coach. He has built strong relationships with his student athletes, allowing him to hold them accountable to do what is needed to succeed and give their best effort. Here at Clinton, we have an excellent wrestling community, from the youth level through high school. The addition of Coach Stantorf will only add to our rich history in the sport."

**WE ARE HELPERS**

One morning on my way to church in Kansas City, I stopped for a long traffic signal. A lady pulled beside me trying to ask me something. I turned off the radio and rolled down the window. "How do I get to Troost Avenue?"

"It's straight ahead," I said. "Just keep going about three or four miles; you can't miss it. Tell you what--- just follow me. I will take you most of the way."

When the light changed, she pulled in behind me and followed. Something about this lady seemed familiar--- about fifty with neat, gray hair; she had an accent that intrigued me. It was crisp and precise---not eastern entirely, certainly not British, and not the brogue of my native New Orleans. She had a special child in the car with her. I kept trying to put the pieces together.

We stopped for another long light. I got out and said, "When I turn left up here, you just keep going straight. In a few blocks, you will come to Troost; then turn and go right."

"Thank you very much," she said. "I want to go to Rockhurst (a Catholic university)."

"Ah, that rang a bell! Though I could not see how she was dressed, obviously she was a Catholic sister. The precise speech, the neat, plain haircut, the plain glasses---it all fit together now. She was taking the child to some special event at Rockhurst College. I decided to lead her all the way to Troost. I wanted to go further, but I had an appointment.

She pulled beside my car at the last traffic signal. "Rockhurst College is a few blocks north. You will find it easily," I said through the window. She thanked me; and when I turned left at Troost, she turned right. I glanced around to wave goodbye, and she threw me a kiss.

Now I ask, can a Catholic sister throw a strange man a kiss or is my whole "sister" theory incorrect. It is still a mystery to me. Nevertheless, it was a good experience. She was helping a child in need. I helped her a tiny bit. She felt good, and I felt good.

Experiences like these sweeten the world. There is a scripture I learned as a child that applies here. It says simply, "We are helpers." (2 Corinthians 1:24)

Try it! It makes you feel good!
