Clinton Christian Academy Continues To Grow Amid 25th Anniversary Celebration

BY JENNIFER JACKSON
Staff Reporter

In 1999, Jeff and Amber Rowe and Michael and Michele Parks started discussing the possibility of an alternative educational option in Clinton.

When they decided to move forward, the first person they contacted was Sandra Braithwaite, Jeff said, who was superintendent of the Clinton School District. The second was Fr. Tom Hearnese at Holy Rosary Catholic Church. What the two founding families of Clinton Christian Academy wanted to make clear, Jeff said, is that CCA was not organized because of any lack of confidence in the teachers and staff of the public and parochial schools.

What started with those discussions has grown to a K-12 grade school with 180 students and 34 staff members. CCA is now celebrating its 25th year, and is about to launch a building program on the school campus, west of Clinton just off Hwy. 18.

"It's not so much an expansion as a facility enhancement to make things better for the stu-

dents who are here," said Robin Ritchie, head administrator.

Ritchie joined the staff in 2018, after 31 years in public school systems as a teacher and district superintendent. CCA had grown by adding grades, she said, and when she joined as the school's second administrator, CCA had just added year 2 of the upper (high) school.

Before Clinton Christian Academy was built be-

tween 2000 and 2003 on 8 and half acres on the west edge of Clinton, the students stood in a circle and prayed over the land, Ritchie said.

"It grew pretty quickly to 90 to 100 kids," Ritchie said of the school's first five years.

Like many local non-profits, the school started in the basement of a church, in this case the white-steeped First Baptist Church on Second

Street, with 27 students and three teachers. Before the school opened, the founding families researched Christian curriculums and other Christian schools in the area, Ritchie said, and chose Abeka grade school curriculum. CCA also uses the BJU Press curriculum, she said, which integrates Bible verses into all areas of learning.

History Comes Home With Ancient Stories At Museum

When Patty Bartz was in high school, she remembers walking over to the Dari-Burg for lunch. For 20 cents, you had to make a choice, she said — a burger, grilled cheese sandwich or hot dog, plus an additional nickel for a soda or coffee at the Appleton City landmark, owned by Ernest and Eva Reed.

"Sometimes that's all you had, a quarter," Patty said.

Patty is now a docent at the Appleton City Museum and History Center, 503 N. Maple St., where the most popular exhibit is the Dari-Burg, which closed 25 years ago. The exhibit has the iconic landmark's original bar stools, the celadon-green malt machine and the candy case. There's also the original order carousel with its metal clips, on the counter of the pass-through to the kitchen.

"That's where Ernest sat and took your order," Patty recalled. "He would bring it out to you."

The malt shop counter is also the most popular place for photo op in the museum, Patty said, which is open by appointment on Friday afternoons May through September. Admission is by donation. The museum, which opened ten years ago, is full of exhibits that bring local history to life, including the Roscoe Gun Battle. That's where outlaw John Younger was pursued on horseback and shot by Pinkerton detectives in 1874. There's also a painting of one of the old hotels at Monegaw Springs, a popular health spa in the 19th century where the Younger Brothers and the James Gang found refuge.

Patty had another connection to the Younger Brothers — a receipt that Cole Younger signed when he bought a horse from her great-great grandfather.

PART OF THE DISTANT PAST, Patty Bartz looks at a replica of the receipt Cole Younger signed when he bought a horse from her great-great-grandfather. The document is housed in the Appleton City Museum.

Patty also has an ancestor who was a prisoner of war in the Civil War— and another ancestor who was a wagon master on the Santa AC Museum Page 3

'To Honor Courage And Sacrifice' Brings Large Gathering To The Square On 9-11

BY DEANNA HENDRICH
Staff Reporter

The memories feel fresh for many even 23 years later.

About 75 people gathered last week on 9-11 to remember a day that forever changed the country. The crowd included members of law enforcement, fire fighters, city and county officials, school teachers and administrators, students, families and individuals from the community.

They were there "to honor the courage and sacrifice" of the many who died serving others, said Bethany Ross, master of ceremonies for the event. The annual remembrance is held on the southwest corner of the Clinton square, which is home to a 9-11 memorial that includes a piece of metal from the World Trade Center buildings.

Ross, who was in third grade at the time of the terrorist attack, recently visited New York City and said she was struck by the silence at the memorial at Ground Zero and by the sheer number of names etched in bronze.

"Even if you didn't lose a loved one, the impact is felt by all Americans," she said.

A POIGNANT CEREMONY OF REMEMBRANCE took place in Clinton to mark the anniversary of the September 11 attacks. Colonel Paul Howerton was part of the official contingent.

As a student, Ross helped secure a piece of the World Trade Center and create the permanent memorial on the courthouse lawn with support from her mother, Debby Van Winkle at the Clinton Area Chamber of Commerce, and with a grant from the Truman Lake Community Foundation.

In the opening prayer, Pastor Justin Wright from Allen Street Baptist Church expressed gratitude for the people who responded on Sept. 11, 2001.

"We're thankful for those who ran in when so many wanted to run away," he said.

Members of the Clinton High School JROTC presented the colors, and Boy Scouts from Troop 430 led the Pledge of Allegiance. Xavier Mason, a senior at Clinton High School, sang the national anthem.

The guest speaker was Clinton native and decorated war veteran Colonel Paul Howerton. The colonel said he was in his final semester at the University

of Missouri-Columbia and an ROTC cadet when he watched the twin towers fall.

"I knew my future in the army was now going to be vastly different than it had been just hours before," he said.

"In the aftermath of the attack, we saw America united in a way that quite frankly seems impossible in today's ultra-polarized environment," Howerton said.

Have I Got A Line For You!

By James Mahlon White

President Trump dodged another assassination attempt and quickly put out a statement, "Tell everybody I'm fine." Not sure how he keeps a sense of levity. It reminds me of President Reagan who gave a speech after he was shot. A balloon popped and without a pause he said, "Missed me." It takes a certain resolve to have that attitude. The suspect is in custody and there are unanswered questions. How did he know to be at that location at that time? There are many things we'll probably never know. For instance, why is the CIA still spooked about releasing everything on President Kennedy's assassination? Shortly before he died President Ford (Who served on the Warren Commission) said, "We were never convinced that Oswald acted alone, however, there were pressures from the FBI to bury the matter." Meanwhile, President Biden put on a Trump hat and posed with kids wearing Trump t-shirts. Bet his staff are sending a message to Kamala and Nancy. Some called it an awkward moment. Not sure how this is awkward. Nancy and his party threw him under the bus, I'd vote for The Donald too.

Fault doesn't decide to rev up again. The last "Biggie" was in the early 1800's and caused the Mississippi River to run backwards. Clive Cussler wrote an account of that earthquake. Fascinating story.

There is other scary news. Bill Gates says there will be another pandemic within 25 years and talked about, "Enhanced quarantine techniques." That sort of thinking should rattle everyone. It's code for taking away civil liberties and freedom. What does Bill know that the rest of us don't? Ah well, the Devil always tells us what he's going to do. Wonder if it will be some "Rare" virus that makes us allergic to meat and we have to live off the lab grown stuff?

Enough of this meandering! I was just sitting here to see what popped into my head and you were inflicted with the result. Hang in there and hold on tight Old Buddy. There's a scary climate in this country right now.

Critical Call For Blood And Platelets

In September, the American Red Cross stresses the continuing critical need for blood products to ensure patient care. Donors of all blood types are asked to give now to keep blood supply levels rising after a summer shortage. Type O blood donors and those giving platelets are especially needed.

A steady increase in life-saving blood products is vital to ensuring hospitals stay ready for any situation this fall. As National Preparedness Month continues, the Red Cross highlights the importance of having a strong supply of blood products already on hand for disasters and emergencies of all kinds and to meet the needs of patients every day.

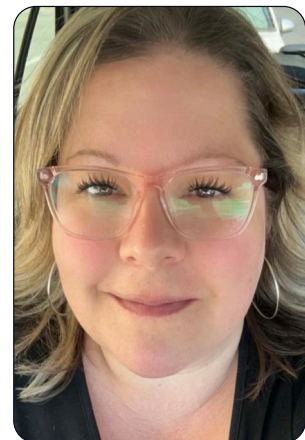

Now is the time to book an appointment and help patients counting on life-saving transfusions. To schedule a time to give blood or platelets, visit RedCrossBlood.org, call 1-800-RED CROSS or use

How to donate blood
Simply download the American Red Cross Blood Donor App, visit RedCrossBlood.org, call 1-800-RED CROSS (1-800-733-2767) or enable the Blood Donor Skill on any Alexa Echo device to make an

appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age in most states (16 with parental consent where allowed by state law), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood and platelet donors can save time at their next donation by using RapidPass® to complete their pre-donation reading and health history questionnaire online, on the day of their donation, before arriving at the blood drive. To get started, follow the instructions at RedCrossBlood.org/RapidPass or use the Blood Donor App. Amplify your impact - volunteer!

Another way to support the lifesaving mission of the Red Cross is to become a volunteer blood donor ambassador at Red Cross blood drives. Blood donor ambassadors help greet, check in and thank blood donors to ensure they have a positive donation experience.

Volunteers can also serve as transportation specialists, playing a vital role in ensuring lifesaving blood products are delivered to nearby hospitals. For more information and to apply for either position, visit redcross.org/volunteertoday.

About the American Red Cross:

The American Red Cross shelters, feeds and provides comfort to victims of disasters; supplies about 40% of the nation's blood; teaches skills that save lives; distributes international humanitarian aid; and supports veterans, military members and their families. The Red Cross is a nonprofit organization that depends on volunteers and the generosity of the American public to deliver its mission. Chapter EN Plans Silent Auction, Dinner At The DX

TAMIE SMITH, LEFT, and Kay Grunig were hostesses for the Sept. 12 meeting of Chapter EN, P.E.O., providing the centerpiece of fall flowers and cake.

BY JENNIFER JACKSON
Staff Reporter

Members of Chapter EN, P.E.O., met at First Presbyterian Church on Sept. 12 for their monthly meeting. Adele Barnard gave a program on identity theft to the 22 members present, followed by a business meeting chaired by Chapter President Nancy Gillard. Chapter EN's calendar includes a potluck dinner with spouses and guests at 6 p.m. on Saturday, Sept. 28, at the DX Service Station, Third and Greene. The station was restored by G.R. Lowe, spouse of

chapter member Martha Lowe. Call a member of the yearbook committee if you plan to attend.

Chapter members are asked to bring a white elephant item for the silent auction at the Nov. 14 meeting to raise money for the International Peace Scholarship, now celebrating its 75th year. I.P.S. provides scholarships of up to \$12,500 for women who are attending college in the United States or Canada, then returning to their home country to put their education to use.

P.E.O. supports higher education opportunities

for women in the United States and Canada through the low-interest Educational Loan Fund, \$25,000 Scholar Awards for women completing doctoral programs, \$4,000 Continuing Education grants for women whose education was interrupted, and \$2,500 Star Scholarships for graduating high school seniors.

Women nominated for scholarships, grants or loans must be sponsored by a local P.E.O. chapter, of which there are two in Clinton, IU and EN. For more information, go to peointernational.org.

P.E.O. also owns Cottey College, a four-year women's college in Nevada, Mo.

Yeggy Receives Board Certification

Golden Valley Memorial Healthcare (GVMH) is proud to announce that Krista Yeggy, DO, Obstetrics and Gynecology, has received board certification from the American Board of Obstetrics and Gynecology (ABOG).

The American Board of Obstetrics and Gynecology is a non-profit organization that certifies obstetricians and gynecologists (OB/GYNs) in the United States and Canada. It supports physicians in fostering the

highest quality standards in women's healthcare.

KRISTA YEGGY, DO

Board certification is a voluntary activity. Physicians who decide to become board certified are choosing to enhance their medical expertise beyond medical state licensure. To become board certified by ABOG, a physician must pass a written test to demonstrate that he or she has obtained the special knowledge and skills required for the medical and surgical care of women. He or she must also show experience in treating women's health before taking the certifying oral examination. In addition, the examiners review the physician's cases over the past year.

Yeggy received a Doctor of Osteopathic Medicine degree from Kirksville College of Osteopathic Medicine at A.T. Still University in Kirksville, MO and a Bachelor of Arts in Exercise Science with a Chemistry Minor from Wichita State University, Wichita, KS.

"We appreciate Dr. Yeggy's dedication to achieving this impressive certification," said Savanna Facklam, Executive Director of Ambulatory and Telehealth Services at GVMH. "All her work for this certification demonstrates her commitment to continuous learning, professional development and being one of the best in her field."

REVIEWing The Past

Punk Barber Told about World War II Prisoner of War Experiences, Part I

By Glynn Elliott Morse

The September 14 Windsor Historical Society program featured a videotape interview of Punk Barber's World War II experience as a B-24 gunner and time spent as a German prisoner of war. Punk's son, Kent Barber, presented the program which included the interview of Harry P. "Punk" Barber (1922-2014). Gary Swanson interviewed Punk in 2004 as part of "Americans Remembered," a Veterans History Project of the Library of Congress.

Kent Barber found the interview tape only a couple of months ago, an interview which provided information that the family had never known until seeing the videotape. Punk Barber was 82 at the time of the interview, and his answers were succinct and informative, providing details about his total World War II service.

The interviewer asked questions about Punk's childhood and school days in addition to his military activities. Punk was born in the family home in 1922, and he grew up on the farm which the Barber family had purchased from the Thornton family after the Civil War. His father, John Daniel Barber (1898-1974),

served in World War I and again in World War II, ending with the rank of Colonel. Because his father was away from home in the military, Punk said he was mostly raised by his grandparents, Harry A. Barber (1872-1948) and Lula (Ball) Barber (1876-1957).

Punk walked to the nearby one-room rural school, Liberty School, through the eighth grade. He rode a bus to Windsor High School, and he remembered that bus service for rural students had just started the year he began high school. He was on the basketball team and was captain of the basketball team his senior year. He graduated from Windsor High School in 1940.

As his father and grandfather before him, Punk attended Missouri University in Columbia.

The United States had declared war on Dec. 8, 1941, one day after Pearl Harbor was bombed. His father, John D. Barber, had been assigned as a Captain in the Army stationed in St. Louis. In August of 1942, Punk went to a recruiting office in St. Louis and enlisted in the army.

Punk Barber had hoped to be a pilot, but he was disqualified because he was color blind.

However, he could be a gunner, and he said he felt his skeet shooting ex-

perience was helpful.

After training at various schools and locations in Arizona, Texas, Indiana, and California, he was sent to a base 20 miles north of London in May, 1944, where he was assigned as a gunner on B-24 bombing missions over Germany.

Punk's B-24 crew would begin with a briefing meeting at 4 a.m. when they were told where they were to go. The plane would take off at 5 a.m., dump their bombs at the target, and the crew would return to base by late afternoon. When asked if he was scared, Punk said, "We were too dumb to be scared!" After having hit their target, the plane would head for home, and when they saw the English Channel, they knew they were going to make it home.

The crew flew bombing missions every two days. The crew seldom flew the same plane because repairs were necessary to make the plane air worthy. The bombing missions experienced lots of flak (guns fired by the Germans). Punk said every plane on each of his bombing missions got hit by flak. His crew and planes returned home safely to base for twelve bombing missions. The thirteenth mission broke the string of successful missions.

Part II will continue with Punk Barber's thirteenth mission, life as a POW, and the final "Death March" before liberation.

Touring the State

HENRY COUNTY REGENT Andra Ferguson and State Regent Lisa Parks.

LISA PARKS, State Regent.

SHELIA WILSON, Corresponding Secretary

September has been a busy month for the Henry County Chapter NSDAR. Missouri State Regent Lisa Parks and Missouri State Corresponding Secretary Shelia Wilson as well as DAR/SAR/S.R. State Chair Marilyn Henry have been touring the entire state consisting of eight districts sharing information about the Parks Administration 2024-2026. The Magical Mystical Tour was kicked off in the West Central District with a meeting in Sedalia held at the United Methodist Church with over 80 members in attendance. Eleven chapter regents from the West Central District shared what their chapters had done for God, Home and Country

and received certificates of recognition. Andra Ferguson, Henry County DAR Regent, gave a report on what that chapter had accomplished and received their certificates. State chairs had displays highlighting their work and spoke to members about how they can become more involved in the historic preservation, education and patriotism fields.

After a wonderful lunch provided by Table of Five Catering, State Regent Parks shared information about her project. Other officers provided materials showing how they can assist Missouri DAR members. A brief skit entertained the members, and a silent auction raised money for the Parks project.

The National Society Daughters of the American Revolution (DAR) is a women's service organization whose members can trace their lineage to an individual who contributed to securing American

independence during the Revolutionary War. Today's DAR is dynamic and diverse, with over 185,000 members in 3,000 chapters in the United States and abroad.

DAR members annually provide millions of hours of volunteer service to their local communities across the country and world. DAR chapters participate in projects to promote historic preservation, education, and patriotism. Over one million members have joined the organization since its founding in 1890.

To learn more about the work of today's DAR, visit www.dar.org or connect with DAR on social media at facebook.com/TodaysDAR, twitter.com/TodaysDAR and youtube.com/TodaysDAR. JUNIOR SHOCKLEY

Junior Shockley, a beloved father, minister, and friend, passed away on Friday, August 30, 2024 at St Luke's Hospice House in Kansas City, Missouri at the age of 72.

Junior was a man whose life touched many hearts, and though his passing brings sorrow, we celebrate a life lived with unwavering faith, devotion, and love.

Born on June 16, 1952, in Clinton, Missouri, Junior was the son of Hattie Mae Shockley. A proud graduate of Clinton High School's Class of 1970, he went on to serve seven years in the National Guard. Junior's interests evolved over the years—from tinkering with cars, engaging in drag racing, fishing, playing baseball, and participating in slow-pitch softball.

Junior devoted over 30 years to the trucking industry and served as a school bus driver for the Clinton School District, reflecting his commitment to community service. However, it was his work in faith that truly defined him. Junior was a man on fire for Jesus, serving as a Deacon, Minister, and later Co-Pastor at Save Our World Ministries. He also dedicated his time as a Chaplain at Golden Valley Memorial Hospital.

Junior was renowned for generously sharing his time, talents, and financial resources to assist those in need. On April 2, 1983, Junior married Jackie Witherspoon in Clinton, Missouri. Together, they nurtured their own children and lovingly cared for over a hundred foster children.

Junior is preceded in death by his mother, Hattie Mae Shockley and brother Timothy Shockley.

Survivors include his wife of the home, Jackie Shockley and 8 children; Susan (John) Wyatt, Tracy (Amy) Witherspoon, Angela (Fred) Dozier, Liana (Willy) Walker, Lisa Shockley, Jeff (Jenna) Shockley, Allison Shockley, and Alexis (Hayden) McClure, 27 grandchildren, 6 great grandchildren, 3 siblings; Bruce Shockley, Kerwin Shockley, and Cindy Shockley, and a host of nieces and nephews.

Funeral services were held September 7, 2024 at the Vansant-Mills Chapel, Clinton with Rev. Chris Aery officiating. Special music included "Never Not Remember You and Dancing In the Sky." The casket bearers were Shannon Shockley, Hunter Corley, Jerry Witherspoon, Braiden Shockley, Johnathon Wickam and Ron Harp. Chris Ramirez and Fred Dozier were honorary bearers. Interment followed in Antioch Cemetery, Clinton,

MO.

As we grieve his passing, we take comfort in celebrating the remarkable life he lived and the profound impact he made on so many. Junior's spirit and devotion will forever be a beacon of inspiration to us all.

Services were under the direction of Vansant-Mills Funeral Home of Clinton, MO.

At 9:04 a.m. Commissioner Stone brought the meeting to order.

The agenda was approved as presented.

The minutes from the Tuesday September 3, 2024 meeting were read; Commissioner Lawler made a motion to approve the minutes. Commissioner Stone seconded the motion, motion carried.

Expenditures from the following were approved to be paid:

Inmate Security Law Enforcement Fund Employee Benefits Sheriff Civil Fund Elections

County Clerk Gail Perryman, Recorder of Deeds, presented the commission with the fee sheet for the Recorder's Office for the month of August. Commissioners reviewed and approved.

Ann Julian, Collector/Treasurer, presented the commission with a final report from the back tax sale.

While Ann was in the meeting there was much discussion on SB 190 and the counties that are implementing it vs. the counties who have not yet. The bill has caused much confusion across the state as to how to properly administer the tax relief.

Commissioner Stone returned a call to Margaret Coleman regarding SB 190. Margaret called to ask commissioners about the status of the county and educating the public when and if it is implemented in Henry County. Margaret stated that she understood there was a lot of confusion for the county as to how to administer it, her main concern is how the public will be educated once it is enacted. Margaret suggested a public outreach by individuals to help spread the word when it is time. Commissioners thanked her for her suggestions and took her phone number to contact her in the future.

Representatives from Great River Engineering attended the meeting. Discussed were the two current BRO Bridges NW 400 in White Oak Township and SE 91 in Clinton Township. Many documents were signed.

Calhoun Community Church

Welcome to the Good News from Calhoun Community Church. We are a multi-denominational Congregation. Our church family gathers at 9:30 a.m. for pre-church food and fellowship. We use this special time for visiting one with another, welcoming guests as they arrive for Worship, and signing cards of encouragement for our card ministry. We ring the church bell at 9:45 to call our church families to worship at 10:00.

Those on our prayer list are Sondra and Jackson Short, Patty Dump's Mother, Joyce Trolinger, Donald Hill, Verna Walters, Dalton Conner, Paul Diaz's father, Debby and Clint Land, Millie Redding, Amber, Patrick, and Brecklynn Dittmer, Jim, La Dawn, and Dave Burson. We pray for our military men and women and their families, as well as others in service jobs that we depend upon daily. We pray for guidance as we continue to grow, here on the southeast corner of the Calhoun square.

Joys to celebrate: What a beautiful Sunday morning to come together as a church family and praise the Lord. The days are becoming noticeably shorter and cooler; a blessing in its self. Carol Lane made Snickerdoodle cookies for pre-church fellowship today, and we look forward all week for her special treats. We were pleased to sing Happy Birthday to Tonya Keller and wish her many more. Steve Siercks lit the altar candles at the beginning of our service and served as usher. Special Music: by our Ms. Verna was "There is a River." Our thanks to Patty and Harold Dump for planting the beautiful mums along Hwy 52 East; they are an attractive addition as one drives in to town from that direction. Guests this morning were Tracy and Steve Smothermen, and Ann and Brett Bilbruck. We along with Donald Hill were pleased that he was able to come to church this morning following shoulder replacement a couple of weeks ago. Diane Mills expressed her thanks to all who contributed their skills and effort to make the 115th Calhoun

Colt Show another success. We here at Calhoun Community Church were pleased to participate in the Union Church Service on Sunday of the Colt Show; and were extremely excited with the Kid's Day Games headed by Kelly Marriott and her family.

We are a Multidenominational church group here at Calhoun Community Church organized a little over . a year ago. We are the new kids on the block; we are interested in building a church family who follow Jesus Christ and are not so concerned about rhetoric, we are thankful for the blessings received and the forgiveness of a loving God. We are a diverse group here at Calhoun Community Church. We try to have a little fun, show concern for each other, as well as Praise the Lord during our church experience.

We invite you to be our guest any Sunday morning at 10:00, come dressed as you are comfortable, bring the children for Sunday school during the service and receive a blessing for your effort.

First Baptist

On Sunday, Pastor Pat Findley began a series in Genesis called 'In The Beginning' titled "A Packing List for Genesis". Pastor Pat described 6 important points to consider as we dive into this two-year series. First, he encouraged us to understand that, while some theories contradict that Moses wrote the first 5 books of the Bible, other books of the Bible, as well as Jesus' words, refer to Moses' writing. God has chosen to reveal Himself in His Word. So, even though man wrote it, the Bible is God-breathed. Genesis is history. Jesus reflected on things in the beginning and His genealogy includes people from Genesis. We must focus on the text of the Bible, honoring the author's intent so that we may interpret it. To do this, pay attention to repeated words and phrases, the details, when the action slows down, the dialogue, all the ways that God is the actual hero, and that the little stories are all part of the big story. As we ponder the details of the events, let us ask ourselves "What is God telling us?". The answers will help us to stand on His truth. The deeper you read in scripture, the clearer Jesus should become. Join us for the journey! The Bible lovingly shows us how to escape the wrath of sin in the world and in ourselves to see the salvation available through Jesus Christ!

MidWeek opportunities are offered at 6 pm on Wednesdays for kids, teens, and adults.

Celebrate Recovery is on Tuesday evenings at 5:30 pm at the Vansant location for anyone with hurts, habits, or hangups. Grief-Share is offered on Wednesdays at 6 pm at the Vansant location.

Worship service times are 9:30 a.m. and 11:00 a.m. and Sunday School is offered at 8:15 a.m. and 9:30 a.m. For more information and upcoming events, please visit www.first-baptistclinton.church or find us on Facebook at 'First Baptist Church - Clinton, MO'.

We invite those without a church home to join us in worship of our Lord & Savior, Jesus Christ. First Baptist Church exists to fulfill the Great Commission (Matthew 28:19-20) by loving people into a growing relationship with Jesus Christ.

First Presbyterian

All around us is the evidence of God's glory. We can see it in the beautiful colors of a sunrise and sunset, or smell it in the refreshing rain. There is so much beauty on this earth that we often take it for granted. Day by day God reminds us of His love in big and small ways. Take a moment to praise Him for his beautiful creation. Rev. Nancy Gillard continued her sermon series on the Armor of God with a message titled The Sandals of Readiness using Ephesians 6: 10 - 20 as the scripture. Our hand chimes choir played "I Sing the Mighty Power of God" arranged by L. Larson as the anthem.

School supplies, Best Choice Labels, reading glasses and several packages of seed for Festival of Sharing are on the foyer shelves creating quite a display! The CUT AND TIE DAY for Blankets of Love will be coming soon.

Watch for posting of the date. There is still time to donate to this mission effort. The collection of our gifts will continue through Sunday, October 6.

Tai Chi classes continue on Mondays and Wednesdays at 10:00 am. Strengthen your core and improve your balance. Come join in the fun.

An invitation is always extended to come visit First Presbyterian Church. Friendly, people will make you feel at home. Worship begins at 10:30 am. Check out the monthly newsletter and calendar on our website fpccclintonmo.net.

Trinity Lutheran

"No Creed but Jesus." This is a common expression among

millions of Christians today. It is meant to promote the idea that churches don't matter. Doctrines don't matter. Everyone can believe whatever they want to believe. Just believe in Jesus. That's enough. Someone doesn't believe in original sin or baptismal regeneration? No problem. Someone believes a person cooperates in their salvation, rather than it being God's work alone? No problem. The list goes on and on and on...

Lutherans all accept the doctrines of the Lutheran Church. They are specific and written down for all to see and understand. There is no ambiguity. They are not optional. All Lutherans believe all human beings are born sinful and separated from God. All Lutherans believe God alone works through Word and Sacrament to create and sustain faith in everyone who believes.

Where are these gifts of God most commonly available to people? In churches where the Word of God is proclaimed, the Law and Gospel are preached, and the Sacraments of Baptism and The Lord's Supper are rightly administered. Trinity Lutheran Church-Clinton is one such church. In fact, all Lutheran churches who are a part of the Lutheran Church-Missouri Synod (LCMS) are also.

Come to church this Sunday. God the Holy Spirit has promised to meet you there in spirit and truth and teach all who hear, as Jesus commanded us to do.

Divine Service: 1 pm. Sunday School, Noon. Ph: 660.885.4728.

Urich Baptist

Please come and join us each Sunday at 10:30 A.M. as we gather for worship service.

Today, Clint Keeney rang the church bell. Mrs. Rebecca Sowell led in the congregational singing with Mrs. Dixie Collins playing piano. Randy Vogt and Clint Keeney collected the offering.

Steve Sowell filled in for his son, Pastor Joshua Sowell, to bring the message. The scripture passage from his sermon was from Psalm 37. When our heart and mind are dedicated to God, He gifts us with love, joy, peace, and patience. This passage focuses on patience. When we keep on a safe course, right mindset, remain calm, trust, and are faithful to Him, God is faithful in all our circumstances. He will never abandon us because He loves us so much. Share some love, kindness, and practice patience this week and be blessed.

Valley Center United

We are an open and affirming church and welcome all to come and worship with us next Sunday morning at 9 am.

We send our prayers of love and peace to the family of Ransom Russell who passed away this week. We also continue our prayers for the family of Sandy Smith.

We enjoyed special music this morning by Karen Switzer singing and Rev Dane playing his guitar!

Because of all the hard work of Jim Neuenschwander, Andy Lasswell, Jordan Stinnett and Isaac Neuenschwander, we have new playground equipment at the church! A storm had destroyed our old one and sent it flying across the road several weeks ago. It took many hours of welding, painting and digging, but the end result is awesome!! We send thanks to each of these men who gave their time and talents to finish the job!

The cross is the source of our power and we are the heirs of salvation. We are reminded that his death gave us our life.

When we read about Jesus' journey of being on the cross, we can envision the terrible agony that he endured from the nails in his hands and feet and the deep sorrow that was in his eyes. But God in his wisdom had chosen Jesus to be swept up in the anger of human kind and nailed to the cross. The cross is the source of finding our own salvation.

Today, as we try to find our way, we may feel like we live in an escape room. We are always trying to find a way out and to find the right solution. We make things harder than they are. We think that if we somehow find perfection, it will bring us our salvation and our way out of this room that we put ourselves in. Those solutions that we come up with are foolish. It is when we believe that Jesus is our Lord and Savior, we then find our solution. He was not nailed to the cross to become King, he was nailed to the cross to bring us our salvation. God loves all of us and receives us because we are his children.

We extend his invitation for all people to come and to stand at the foot of the cross and feel his presence, love and acceptance. There is no other way to receive the gift of salvation but through the cross. It is because of it that we are saved.

The Ellett Memorial Hospital/AC Clinic Community Block Party will be Saturday, September 28, 2024, 9:00 a.m. - 2:00 p.m. There are a few vendor spots left for this year's EMH Block Party. If you're interested in filling one of these open spots, please call Kim Raybourn at 660-476-2111. KC Wolf has confirmed making a special appearance at some point during the day. The hospital will be providing free snow cones and cotton candy, along with a bounce house. Crank Farms will be providing the petting zoo.

Stay Strong, Stay Healthy (SSSH) aims to provide older adults with access to a safe, structured and effective exercise program capable of building muscle and increasing bone density, thus decreasing frailty, osteoporosis and the risk of falls. Join them to build the strength you need to enjoy good health as you age. (SSSH) is an exercise program that incorporates the latest research to help you develop the fitness, flexibility and balance that will enable you to live independently longer. In hour long courses held twice a week, trained instructors will lead you through a warmup, easy-to-learn strength exercises and a cool-down. SSSH exercises are safe and effective, and they provide weights for your use on-site. No need to wear special clothes, just comfortable, loose-fitting pants and shirt, along with sturdy, closed-toe walking shoes. St. Clair County Center will host the course taught by trained instructor, Lynnlee Parrott, MU Extension Field Specialist in Nutrition and Health. The course will be every Monday and Wednesday - September 16 to November 20 (no class on October 14, 21, 23 and November 11) from 2:00-3:00 p.m. at the First Baptist Church (555 Walnut Street, Osceola.) Pre-registration is required by September 13 for this free course. MU Extension St. Clair County is accepting registrations at 417-646-2419 or <https://extension.missouri.edu/events/stay-strong-stay-healthy-level-1-st-clair-county-fall-2024>. If you have a disability and need accommodations, or you need materials in an alternate format, notify them as at the time of registration so that necessary arrangements can be made.

FACTCHECKING

The twenty-first century has brought a word to our attention, factchecking. It is not a new word; it just has never been seen this much usage before. The goal of factchecking is to find the truth. You may be surprised to know the New Testament had at least one factchecker, the disciple Thomas.

Jesus told his disciples He was going away. The disciples likely registered displeasure at these words. Jesus continued, "You know the way to the place where I am going." By these words, Jesus likely meant as believers the disciples would one day follow Him into heaven.

Thomas asked for more instructions. "We don't know where you are going; how can we know the way?" Then again following the resurrection, Thomas could not believe until he checked the facts, "I will not believe until I see the scars in Jesus' hands and feet." Thomas's factchecking earned him the name "doubting Thomas."

On our way home from Kentucky, we missed our highway exit and got lost. We parked on the roadside to check our map. A lady, presumably a local, came over to help us. "Are you lost?" she asked.

"Yes, we are going to Kirksville, Missouri; but we missed our exit. Now we do not know which way to go."

"Let me see your map," she said; then she joined us in the search. It did not take long for us to realize she had no earthly idea how to direct us.

This story illustrates important truths. First, be careful where you get your advice. God alone knows where we would have gone if we had followed the lady's advice. No matter where you get your advice, do not be afraid to check it out. Jesus welcomed Thomas's factchecking. "Thomas, 'I am the way.'" Then later when Thomas insisted on proof of the resurrection, "Except I see His scarred hands and feet, I will not believe." Jesus showed Thomas His scarred hands and side.

Jesus not only said, "I am the way." He also said, "I am the truth." Truth will always survive an honest factcheck. The Bible is the place to check on your eternal queries. It is truth and will never lead you astray. Check it out!

Cardinals Still Looking For First Win Of 2024 Season

MAKING HIS MARK early, Clinton's Markus Oliver found room to run in the first half but Summit Christian Academy's defense made adjustments into the second half to help quiet the rushing attack of the Cardinals in their 24-21 loss at home on Friday.

The Cardinals fell behind 7-0 at the end of the first quarter and then 10-0 early in the second before Markus Oliver put Clinton on the board with a 21-yard touchdown run. Camden Westendorff came on to hit the PAT and the home team trailed just 10-7.

Summit Christian's Bajj Walker scored on an 11-yard run on the ensuing drive to stretch the lead back to double-digits at 17-7, but the Cardinals answered with a touchdown run by Kanden Lafarge to keep things close at 17-14.

Another Walker touchdown for SCA made it 24-14 at the break.

Offense was at a premium in the second half, for both sides, but the Cardinals made it interesting in the fourth when Lafarge connected with Brody Barnhart on a 12-yard touchdown pass to tighten things up at 24-21.

But that was as close as Clinton would get to a win in the 2024 season as Summit Christian held on to escape town with the 24-21 win, sending the Cards reeling into week 4 at 0-3.

Oliver led the rushing attack for Clinton with 104 yards on 21 carries with 1 touchdown. Lafarge added 10 yards on 11 attempts but also accounted for a rushing

TD. Lafarge finished 8 of 12 passing for 119 yards and 1 passing touchdown in the loss.

Barnhart hauled in 5 passes for 60 yards and recorded the only touchdown through the air for the Cardinals.

Connor Bramell led the Clinton defense with 9 tackles. Payton Goth and Landon Stamper both tallied 7 while Will Golder added 6.

The Cardinals continue to battle through the injury bug that has bit them early on in the season but are hopeful that some of those players return to the field sooner than later.

Clinton has tough road dates with Pleasant Hill and Oak Grove in the next two weeks and then travels to Versailles.

Greyhounds Fall Sports Are Off And Running In 2024 Seasons

ALEX BAUER, SENIOR

The three Windsor High fall sports squads opened their seasons recently. Coach Chuck Speer's football Greyhounds have won three straight games to open their season. Cross Country coach Danielle Betsworth has taken her runners to four meets to start their campaign. The Windsor volleyball team, under the direction of Nancy Rhoads played two matches to open their year.

Football – The Greyhounds have dominated their competition in the first three weeks of the year. They outscored Lone Jack 56-8, Cole Camp 49-7, and last Friday beat Linn 53-0. As a result, Windsor has been ranked in the state polls. The Greyhounds have put up points in a variety of ways which

Cards Soccer Comes Up Short At Clinton Cup

EARLY AND OFTEN was the case for Clinton soccer in matches against Green Ridge and Paseo Academy where the Cardinals took 8-0 wins in each during the Clinton Cup Invitational last week. It was the middle match where Clinton came up just short in a 2-1 loss to St. Paul Lutheran (Concordia) that cost the Cards a first place finish. Clinton's next match will be this Thursday when they host Lone Jack.

include a touchdown on the season's opening kickoff, a multitude of rushing scores, several passing scores, one interception return, several two-point extra points, a handful of PAT kicks, and have registered three safeties on the year.

This Friday the Greyhounds will travel to Tipton for a match against the Cardinals who have also been state-ranked this season.

Cross Country – The Greyhounds have set or established many personal records to open the season. Their initial meet was at Clinton where the girls team placed third and the boys team finished fourth. Next up was the Husker Invitational where the boys were fourth and the girls placed fifth. Last week, the Greyhounds competed at Marshall where the boys squad finished second and the girls

were fourth. The week ended at Knob Noster with the girls placing eighth and the boys were fourteenth in the sixteen-team competition. The leading runners for the boys this season have been Joshua Pritt and Connor Bishop. Top runners for the girl Greyhounds include Lily Betsworth and Izzy Henderson.

This Saturday the thin clads travel to Smith-Cotton for the Tiger Invitational.

Volleyball – Windsor opened its season winning a three-game sweep at Leeton. They later hosted Sherwood with the visitors taking the victory three games to one. The Greyhounds have a ten-player rotation consisting of Chloe Jenkins, Alexis Ridenour, Mallie Varner, Kynadal Allee, Julia Ashby, Aubrey Howard, Madison Miller, Nevaeh Blythe, Aubrie Heany and Bailey Pipal.

Clinton Christian Academy Begins 25th Year

2024 NEW STAFF: Back (L to R): David Kelsay, Jessica Cobb, & Keri Huisman, Front (L to R): Loretta Meyer, Gwen Fischer, & Hans Morris.

Clinton Christian Academy (CCA) is excited to be celebrating its 25th year of providing Christian education to Clinton and the surrounding communities! CCA began in 2000 in the basement of the First Baptist Church, Clinton with 27 students and 3 teachers! CCA is a private Christian school in Clinton, MO with an environment based on Christian values, patriotism, and a solid curriculum. CCA is a place where students feel safe and feel cared for by the staff and teachers. Students say their classmates are like family and they are happy to learn in a school where they can pray.

As our Christian school has experienced significant growth in both enrollment and facility, we've embraced an exciting era of expansion that enhances our ability to nurture and educate our students in a dynamic, faith-centered environment. This development reflects our commitment to providing a robust educational experience while staying true to our mission and values. CCA's mission has remained constant as we strive "to offer a solid Christian-based education, Pre-K through the 12th grade, in a school where Jesus Christ lives in the hearts and minds of those who teach and those who learn".

It is amazing to know how God has blessed CCA as we begin the new school year partnering with 104 families and 180 students enrolled! What began 25 years ago as a Pre-school-8th grade school has grown to include grades 9-12. It is hard to believe the CCA High School that was added in 2017 with 4 students enrolled has grown to 31 students enrolled this year!

As our enrollment has grown, CCA has continually expanded its diverse programs. All CCA students benefit from completing a rigorous Christian curriculum, which integrates academic excellence with spiritual growth and values, fostering both intellectual and moral development. All students are encouraged to embark on a journey of spiritual growth as they engage deeply with their faith through enriching teachings, meaningful

worship during weekly chapel sessions, and a supportive school community that fosters their journey in Christ. High school students can enhance their academic experience by taking advantage of advanced courses, dual credit programs, and specialized enrichment opportunities, which provide a head start on college-level coursework and career exploration. Extra-curricular activities at CCA begin at grade 5 and include basketball, soccer, volleyball, and track, as well as several clubs which include Student Council, FBLA, Pep Club, 4-H, Patriot Performing Arts Club, and Patriot Honor Society, and competitive robotics teams. A Scholar Bowl team will be available for interested students this year.

There are 34 staff members that will be ministering to students and families at CCA this year! Several new staff members are joining our team (pictured below): David Kelsay, Physical Science; Jessica Cobb, After School Study Program Supervisor; Keri Huisman, Art & K4 Para; Loretta Meyer, Food Services Assistant; Gwen Fischer, Kindergarten; and Hans Morris, Bible, World History, & US Constitution/History.

CCA is a non-profit independent Christian school, with faculty and board members representing many Christian denominations. The school utilizes a challenging Christian-based curriculum and many certified classroom

instructors who promote Christian values, excellence in academics, and Christ-centered living. Clinton Christian Academy admits students of any race, color, and national or ethnic origin.

If you are interested in learning more about the amazing things God is doing at CCA, please call at 660-890-2111 or stop by their campus at 271 W Division Road to visit!

Valentine. Other students noted that they learned things about the ACT test they were not aware of from the workshop.

"Clinton Christian Academy is always looking for ways to support our students beyond the classroom," said High School Principal, Becky Hyke. "This workshop is a perfect example of how the school goes the extra mile to ensure our children are well-prepared for their future." The workshop was designed not only to improve students' test scores but also to build their confidence and reduce test-related stress. By focusing on practical skills and offering personalized feedback, the workshop aimed to equip students with the tools they need to succeed.

Clinton Christian Academy hopes to continue of-

fering such workshops in the future, with the goal of further enhancing its students' academic readiness. The success of the first workshop underscores the school's dedication to providing a robust support system for students as they navigate the path to higher education. As the academic year progresses, Clinton Christian Academy remains committed to fostering an environment where students can thrive both academically, personally and spiritually, ensuring they are well-prepared for the challenges and opportunities that lie ahead.

For more information on upcoming workshops and other academic initiatives at Clinton Christian Academy, please visit the school's website, Facebook page or contact the administration office @ 660-890-2111.

CCA Hosts Successful First ACT Workshop

Clinton Christian Academy made a significant stride in preparing its students for college admissions on Monday, Sept. 9, as the school held its inaugural ACT Workshop, led by retired educator, Sherri DeHart. The event, which saw the participation of 20 eager students, was a testament to the academy's commitment to academic excellence and college readiness.

Sherri DeHart, a retired teacher with decades of experience in education, brought her extensive knowledge and passion for teaching to the workshop, providing students with invaluable insights into the ACT exam. Her guidance covered a range of topics, including test-taking strategies, time management, and specific subject-area reviews. DeHart's expertise was especially noted for her ability to explain the test, offering students a clearer understanding of

the format and content. The benefits of the workshop were evident in the feedback from students. Attendees praised the workshop for its comprehensive approach and practical advice. "Mrs. DeHart is an energetic teacher that really presented the ACT information well," said senior participant Dakota

Funeral Directors

*It's when we suffer a tragic loss,
They help us bear the heavy cross.
Preserving loved ones in their rest,
They try to fill each last request.
Within the valley's shadowed death,
They help us stop and catch our breath.*

*They offer comfort and relief
To cope with sadness, stress and grief
From older folks to juveniles,
They walk with us through many trials.*

*And as we share our sad goodbyes,
We see compassion in their eyes.
With hope and wisdom to impart,
They comfort each sad, broken heart.*

*They offer guidance through the day
And gently help us find our way.*
