ON SHELVES

Ideal for lunchboxes or on-the-go meals, frozen **Hot Pockets Deliwich** (\$7.50/4-ct, grocery stores) can be thawed and ready to eat within 2 to 4 hours. Made with deli meat and cheese wrapped in a soft roll, flavors include Cheddar & Ham, Turkey & Colby, Cheese Melt and Pepperoni & Mozzarella.

Bring a taste of Italy home with **Newman's Own Stone-Fired Crust Pizzas** (\$7.30, grocery stores) in Margherita, Quattro Formaggi (four cheese) and Spinaci & Formaggi (spinach and cheese) varieties. Imported from Italy, the pizzas have lightly blistered crusts and traditional toppings.

.....

A SMARTER SNACK

Indulging in delicious, filling and nutrient-rich foods is central to savvy snacking, says nutritionist Sarah Bond of liveeatlearn.com. Try her top picks for between-meals grazing:

CHICKPEAS: Chickpeas are full of fiber and plant-based protein. Toss them with spices then bake or air-fry until crispy and delicious.

POPCORN: Did you know popcorn is a whole grain? Sprinkle it with nutritional yeast (sold in the seasonings aisle of the grocery store) to add cheese-like flavor and protein.

OVERNIGHT OATS: Before bed, combine ½ cup of oats with ½ cup of milk in individual jars or bowls. Add your favorite fruits, stir and refrigerate until snack time or breakfast the next day.

COTTAGE CHEESE: With a whopping 25 grams of protein per serving, cottage cheese is the ultimate appetite satisfier. Serve it with celery sticks, on toast, with granola, or even in a smoothie.

SNACK BOARD: Who says it has to be fancy? Slice whatever fruits, veggies and cheeses you have on hand and nibble away.

Bruschetta Salmon

Inspired by the classic Italian appetizer, this end-of-summer meal comes together in just 20 minutes. Serve with salad greens for a light, low-carb option!

Heat the oven to high broil and line a sheet tray with foil. Place 2 lbs **salmon filet** on the foil, coat

with 2 Tbsp **avocado oil** and season with 1 tsp **Italian seasoning**, 1 tsp **kosher salt** and ½ tsp **pepper**. Broil for 10 minutes or until the salmon flakes easily with a fork. While salmon is cooking, in a mixing bowl combine 10 oz **red cherry tomatoes**, sliced in half lengthwise; 10 oz **yellow cherry tomatoes**, sliced in half lengthwise; 6 **basil leaves**, roughly chopped; 2 Tbsp **olive or avocado oil** and 2 Tbsp **balsamic vinegar**. Season to taste with salt and pepper. Serve salmon with the tomato topping. **Serves 6**

CUSTOMER WEB REVIEWS

I couldn't be happier!

I began taking Hair Volume because my hair was coming out by the handful every time I shampooed or even brushed it. Within a couple of weeks I could see a significant improvement. The hair loss has virtually stopped and my volume has increased. I couldn't be happier with this product.

I am thrilled!

I love Hair Volume. I have used it for around 1-1/2 years. My hair has more volume and I am thrilled with the results. Thank you New Nordic for a great product.

Amazing Product

This is amazing and I never write product reviews. Two weeks in and I am no longer pulling clumps of hair from my head or vacuuming my bathroom floor everyday. My nails are even growing quickly! Even if hair regrowth doesn't happen, I am so happy that the shedding has stopped so quickly.

- 1 cup packed fresh spinach, roughly chopped
- 1 (24-oz) jar marinara sauce

PACK LIKE A PRO

Keep your meal in tiptop shape until lunchtime with these tips from *Lunchbox* (Appetite by Random House) by Aviva Wittenberg.

KEEP HOT FOOD HOT Pack hot food in a pre-warmed thermos (filling the thermos with hot water while you prep lunch is a good way to do this) or in a microwave-safe container so it can be heated before eating.

KEEP COLD FOOD COLD Pack food that must stay cold with an ice pack. Even better, pack the night before, and put the whole lunchbox in the fridge (then add an ice pack in the morning before you go).

AVOID SOGGINESS Allow items like pastries, egg rolls or panini-style grilled sandwiches to cool before packing, to prevent them from getting soggy in your lunchbox.

FRESHNESS FIRST Separate sandwiches and any warm items with parchment paper or reusable wax wrap, or in a sealed-off section of your lunchbox, to keep them nice and fresh.

LEAK PREVENTION Line sections of your lunchbox with parchment paper or reusable wax wrap or use a silicone cup to contain anything that could leak from one section to another (like juicy fruits or salads you will drizzle dressing over).

MAKE IT PRETTY We eat with our eyes first, so presentation is key. Make lunches look extra tasty by including lots of color and texture. Add colorful carrots, mini sweet peppers, cucumber sticks and berries alongside a sandwich; add color to a green salad with carrots and radishes.
