McKenzie Man Killed in Single Vehicle Accident

A McKenzie man was killed in a single vehicle accident on Thursday, October 15.

According to a report by Trooper Brent Russom, the driver, Joseph "Joey" Paul Little, 53, of McKenzie was traveling west on State Route 436 (Cherrywood Road) just outside McKenzie city limits, when he lost control of his pickup truck, struck an embankment, and overturned.

He was ejected from the vehicle.

Carroll County Sheriff's Department, McKenzie Fire/Rescue, McKenzie Police Department, McKenzie EMS, and the Tennessee Highway Patrol responded to the accident.

Funeral services were Tuesday, October 20, 2015 at 11:00 am at Brummitt-Mckenzie Funeral Home with Brother Jim

Kelly officiating. Interment was at Pisgah Cemetery in Atwood, Tenn.

Mr. Little, a machinist for Replogle Lumber Company in Henry, died Thursday, October 15, 2015 at McKenzie Regional Hospital. He was born on January 3, 1962 in Millington, TN to Paul and Jocaroline

POW-MIA Honored At VFW Post 4939

By Brad Sam
brad@mckenziebanner.com

MCKENZIE (October 17) — From World War II to the present, there remain over 83,000 American service members who are prisoners of war or are missing in action. On Saturday, VFW Post 4939 hosted several individuals and organizations that act as a voice for those who are unaccounted for.

The Tennessee Vietnam POW/MIA Traveling Memorial Wall was exhibited at the post on Friday afternoon and all day Saturday. The wall displays the names of the Vietnam POW/MIA from Tennessee, along with the branch of service and rank, the country and date of the incident, and the hometown of record. Constructed five years ago, the wall contains 33 names. Six of the names are now marked with a gold star to denote that the remains of the missing have been found and returned home.

Flying behind the wall are the United

States flag, the Tennessee flag, and the POW-MIA flag, flanked by 27 black flags with the POW-MIA emblem in red, one for each service member that remains missing.

Saturday's event began with a barbecue dinner served at the post. The hog was

donated by State Representative Andy Holt.

At noon, attendees gathered outside for the memorial ceremony.

Post 4939 Commander Junior Milam welcomed all and thanked those who contributed to the event. The National Anthem was played, and Chaplain George Nolen delivered a passionate prayer of thanks and hope.

Milam then introduced A.J. Perrone, a Vietnam veteran and national advocate for POW-MIA. Perrone helped bring the Wall to fruition and travels along with it. He thanked Post 4939 and then read a speech that he penned titled, "The Spirits of the Healing Wall".

Perrone then presented Rep. Holt with a certificate of appreciation as well as a signed copy of his speech.

Next, Rolling Thunder, an organization committed to bringing full accountability for the POW/MIA of all wars, carried out the Missing Man Ceremony. Following the posting of colors and the playing of the National Anthem, Rolling Thunder's Jim Phelps narrated the solemn act, in which a reserved table, set for six to represent each of the five branches of service plus

McKenzie Police Department Counterfeit Bill Problem Escalating

MCKENZIE (October 15) — During an interview with The McKenzie Banner, McKenzie Police Department Lieutenant Rick Sawyers said that businesses and citizens need to be aware of the escalation of counterfeit \$20 and \$100 bills being passed in McKenzie.

He said, "We are seeing an increase in people using counterfeit \$20 and \$100 bills to pay for bills, merchandise, and services in our community. Some businesses, unfortunately, are not inspecting or marking suspicious bills, allowing counterfeit bills to make it to banks before they are discovered. A lot of these counterfeit bills are sophisticated in nature and can pass a visual inspection. Businesses need to inspect the bills carefully before accepting them."

He continued, "McKenzie Police Department is asking all individuals and businesses that come into contact with what they believe to be suspicious bills to try to get the license plate number of the vehicle of the person that passed the bill before they drive away. We also ask that businesses and individuals contact our department promptly so that we can respond quickly."

Bruceton Man Killed In Camden Wreck

CAMDEN (October 13) — According to a report filed by the Tennessee Highway Patrol, Tony Brotherton, 53, 142 South Pine Street, Bruceton was killed and Jeffrey Stepp, 50, address unknown, was injured in a two-vehicle crash on U.S. 70 in Benton County.

According to the THP report, Brotherton was driving a 1998 Freightliner westbound toward Bruceton around 12:30 p.m. when Stepp's pickup truck turned left in front of Brotherton, causing

Peg Hamlett is Certified Election Administrator

Secretary of State Tre Hargett congratulates six administrators of elections who passed the state certification exam on Friday, September 25, 2015. Susan Hughes, Blount County Administrator of Elections; Matt Teply, Cannon County Administrator of Elections; Peg Hamlett, Carroll County Administrator of Elections; Jill Davis, Cumberland County Administrator of Elections; Julieanne Hart, Gibson County Administrator of Elections; Chad Gray, Williamson County Administrator of Elections.

"I'm very proud of these six new elections officials. Passing this exam gives Tennesseans confidence those running elections across the state are doing it in accordance with state law," Secretary Hargett said. The accomplishment has a financial incentive, which means an administrator cannot be paid less than the certified pay rate

Marching Bands to Compete at Bethel

Bethel University's campus will be filled with 25 marching bands in exhibition or competing in eight size classes on Saturday, October 24. Thousands of people are expected on the Bethel University campus for the event.

It is the first-ever marching invitational hosted by Bethel University. Huntingdon Marching Mustangs and the McKenzie Marching Rebels. Bethel is hosting the event as a fund-raiser for the two high school marching bands.

The directors for each of the bands are: Bethel – Keith Cottrell, McKenzie – Keith Breedon, and Huntingdon – Jill Bonds.

Admission price is \$10 for adults, \$5.00 for age 10 and under, and free for two and under.

Members and boosters from each of the band programs are working together to promote this event. It will take many volunteers on the day of the event to host such a large number of bands and fans.

Promoters of the event hope thousands of people will come and participate throughout the day. Performances begin at 12:15 p.m. with an exhibition by McKenzie Marching Rebels. Huntingdon Marching Mustangs will perform in exhibition at 12:30 p.m.

Opening Ceremonies begin at 12:45 p.m. with competition beginning at 1:00 p.m. The competition schedule is as follows:

1:00 p.m. Hollow Rock-Bruceton; 1:15 Scotts Hill; 1:30 Jackson Central; 1:45 South Side; 2:00 Camden; 2:15 West Carroll; 2:30 Fayette Academy; 3:00 Lewis County; 3:15 Waverly Central; 3:30 Liberty; 3:45 Stewart County; 4:00 Westview; 4:30 North Side; 4:45 McNairy; 5:00 Milan; 5:15 Obion; 5:30 Chester County; 5:45 Dyer County; 7:00 Bolton; 7:15 Peabody; 7:30 Hardin County; 7:45 Union City; and 8:00, Bethel University will perform in exhibition. The awards ceremony is at 8:15 p.m.

HUNTINGDON (October 16) – Carroll County Chamber of Commerce President Brad Hurley and Chamber members joined Carroll County Mayor Kenny McBride, Huntingdon Mayor Dale Kelley, and local business owners in welcoming The Kitchen Table owners Randy and Tammie Taylor and staff during a ribbon-cutting ceremony at the restaurant's 21440 East Main Street location.

During an interview with The McKenzie Banner, The Kitchen Table co-owner Randy Taylor said that he has owned and operated several restaurants and businesses prior to opening The Kitchen Table on September 17.

He said, "My wife and I are from Dover, and we have owned and operated successful restaurants in the past. We wanted this

restaurant to feature buffet-style dining so that folks could come here from work during their lunch break and enjoy an enjoyable, wait-free meal. We offer a great salad bar, tremendous variety of foods, and delicious desserts and beverages in a family-friendly, spacious atmosphere. Diners can also order fish and chicken dinners, sandwiches, steaks from our menu. We offer a 10-and-under kids menu featuring hot dogs, corn dogs, grilled cheese and two-piece chicken dinner as well."

He added, "Customers always come first to us, and we employ 12 members on our staff to ensure that everyone that dines with us will always have a relaxed and enjoyable experience. Great food and great service is what we are all about."

Taylor thanked the Carroll County Chamber of Commerce, Carroll County Mayor Kenny Mc-

Bride, and Huntingdon Mayor Dale Kelley and local business owners for supporting his and his wife's new business.

He said, "It means a lot to us to have so many people come out and offer their best wishes and support. Tammie and I are excited to be here and look forward to serving the dining needs of the people of this area."

Smiling, Taylor concluded, "I am also excited to unveil our 72-ounce, Super-Sirloin Steak challenge. Diners opting to undergo the challenge will compete on our elevated platform. They will have one hour to consume a tasty and tender 72-ounce sirloin steak along with a twice-baked potato, bowl of white beans, a drink, and a salad prepared by one of our waitresses. If they are successful in completing the challenge, the meal is free and their photo will be placed on the Wall of Fame. If

they are unsuccessful in finishing, they will pay \$49.95 for the meal and have their photo placed on the Wall of Shame. I welcome all athletes, hearty eaters, and big appetites to come by and see if you have what it takes to conquer The Kitchen Table 72-ounce Super-Sirloin Challenge. Just let me know when decide to go for it, because the steaks are ready and waiting on you."

Business hours for The Kitchen Table are: Thursday-10:30 a.m.-8:30 p.m.; Friday and Saturday-10:30 a.m.-9:00 p.m.; and Sunday-10:30 a.m.-3:00 p.m. Lunch buffet from 10:30 a.m.-4:00 p.m. is \$6.99. Dinner buffet is \$8.99. Saturday buffet is \$9.99. All-You-Can-Eat salad bar is \$4.99. All catfish served are U.S. pond raised. The Kitchen Table's telephone number is (731)-535-3575.

Southeast Regional Pistol, Rifle Contest is This Weekend

By Joel Washburn
washburn@mckenziebanner.com

HUNTINGDON — The Scholastic Action Shooting Program will host its Southeast Regional national match at the Carroll County Sports Shooting Complex on Saturday, October 24 and Sunday, October 25.

Approximately 300 people, including approximately 100 to 125 competitors will converge on the shooting park, located on McAdoo Cemetery Lane.

Lacey Lane, state director of the Tennessee Wildlife Resources Foundation shooting program, said the competitors are aged 12 through college

competing in Rim Fire and Center Fire competition in various divisions.

The Scholastic Action Shooting Program consists of pistol and .22 rifle competition. Competition is held in four flights, 9:00 a.m. and 1:00 p.m. Saturday, and 9:00 a.m. and 1:00 p.m. Sunday.

Teams will come from the southeast and also includes at least one Michigan collegiate team. Several local scholastic teams from McKenzie and Bethel University are also expected to compete.

For more information, contact Lacey at 731-415-0641 or e-mail at llane@twrf.net.

New 2015 Christmas Ornament Announced by Beta Sigma Phi

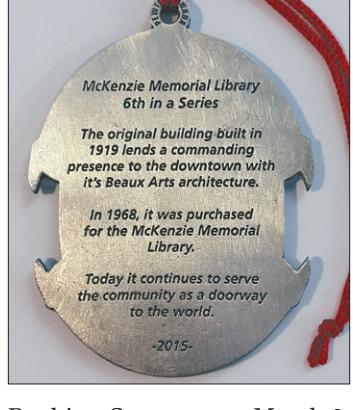

By Joel Washburn
washburn@mckenziebanner.com

The sixth in a series of McKenzie Christmas ornaments is now available for sale by the Beta Sigma Phi. This year's Christmas ornament depicts the McKenzie Memorial Library. Its commanding presence with its beautiful symmetrical facade with light and shadows in the Beaux Arts style of architecture is an imposing monument in McKenzie's downtown. The classical elements give the impression of solidity and mass that is most appropriate in a building which was the use of the building when the facade was erected. Above the centered entrance, a triangular pediment with the year 1919 in high relief dates the construction of the building. The light colored masonry wall is Ashlar stone.

The history of the building bank and now library is that in 1885 B.P. Moore and Morgan Green

organized the Bank of McKenzie. B.P. Moore was president until his retirement in 1920.

During the Great Depression the Bank of McKenzie closed, probably 1933. It was then restructured and chartered as McKenzie

Banking Company on March 3, 1934. McKenzie Banking relocated to the present location on Main Street in June 1965. Mr. Charlie W. Covington then purchased the building at 15 Broadway for the use as a library as a memorial to

his wife, Miss Macie. August 8, 1968 the McKenzie Memorial library held its grand opening. The library serves the McKenzie community with material and programs to inspire reading, to advance learning and to improve the quality of life in the area.

The space on the rear of the ornament is limited, so we wanted the community to know more about the history of this treasured landmark.

Ornaments are \$13.50 each, or in groups of 3 or more \$12.00 each. Proceeds from these ornaments provide the hanging baskets in Veterans Park and the flowers in the concrete pots on the sidewalks in our downtown. To purchase contact any member of the ladies organization of Beta Sigma Phi, City Hall or call at 731-352-3016.

Jack Leonard Is New Bruceton City Judge

By Ernie Smothers
smothers@mckenziebanner.com

BRUCETON (October 13) – Following a pointed discussion between Bruceton Alderman

Robert Cole and Mayor Robert Keeton III, board members, at Keeton's request, approved via 3-1 vote to replace longtime City Judge Butch Maddox with Camden lawyer Jack Leonard.

Responding to Keeton's request to replace Maddox, Cole asked, "What has the man done to get fired?"

Keeton replied, "Mr. Maddox has served as Bruceton City Judge for a long time and I feel that it is time for a change. The City Judge serves at the whim of the Mayor and Board, and we feel that it is time to replace him."

Cole retorted, "What has he (Maddox) done wrong? Tell me why you want to replace him."

Keeton noted that he has had issues with Maddox in the past regarding the lengthiness of court sessions and rulings that were made by the judge and felt it would be in the best interest of the town to replace Maddox with someone that would expedite proceedings and render rulings in a timely and efficient manner.

Vice-Chairman Cliff Sturdvant stated that he also had issues with Maddox relating to the management of the court.

Keeton told board members that lawyer Jack Leonard of Camden was his sole recommendation to replace Maddox.

He said, "Mr. Leonard will conduct the court more efficiently. He is the only person that I have considered."

After stating his disapproval of Maddox's being replaced, Cole cast the lone dissenting vote as Leonard was approved as new City Judge via favorable votes by aldermen Sturdvant, Scotty Higdon, and Jenna Young.

Keeton advised the board that Bruceton Policeman Randy Kelley had resigned from the force, leaving BPD with two full-time officers and no part-time officers.

He then asked the board to consider hiring a part-time police officer to lessen the burden on the current full-time officers.

Cole responded, "Mayor-Wai a minute. Aren't you jumping the gun a bit? Frank McGee's reinstatement hearing is November 12. What if we rehire him as a full-time officer? That could happen."

Keeton responded, "That is possible, but we are dealing with

a staffing situation presently that needs our consideration."

Sturdvant noted that due to the departure of Kelley, the board could revisit the police department salary situation and potential hire a part-time patrolman.

In response to Sturdvant's query, Keeton said that the Carroll County Sheriff's Department would assist in patrolling prior to the board's approving the hiring of another officer.

Following discussion, the board approved, via 4-0 vote, the 2015 Year-End Financial Statement. Alderman Renee Ford was absent from the meeting and did not cast a vote.

Prior to the vote, City Recorder Annie Hand said, "Although these are not the final audited figures, I will say that our financial situation is not looking so bad."

In related business, Sturdvant asked Hand if the state had been totally reimbursed for the prohibited transfer of funds from the Water Fund to the General Fund that had occurred years prior.

She replied, "We have not satisfied the debt as of yet, but the state is deducting \$1,700 per month toward payment of the debt."

In final business, Bruceton Volunteer Fire Department Chief James Sloan said that construction of the new fire station on land donated by Apex Bank located across from Casey's Convenience Store would probably not commence until spring, 2016.

He said, "We are meeting with the architects next week to go over the building plans and hoping to finalize the grant funds for the project soon. In the meantime, the city employees have constructed a 'lean-to' shelter for the equipment van to protect it from the elements. Total cost of constructing the 'lean-to' was about \$1,000. We knew that it would be a while before we could get the vehicle under shelter, so we went ahead and protected it now."

Truck, Car Wreck Creates Injuries

Right at press time (noon) on Tuesday, October 20, a two-vehicle accident on State Route 22 North of Huntingdon in Mayo's Bottom tied up traffic as authorities extricated patients

from a small passenger car that came to rest in the middle of the northbound lane. An unloaded tractor-trailer came to rest immediately in front of the former barbecue business and

mostly clear of the roadway. It had jackknifed.

The Banner was unable to get any details because of a tight press deadline and the matter was still under investigation.

Trezevant Board Names Applegate Interim Fire Chief

By Brad Sam
brad@mckenziebanner.com

TREZEVANT (October 13) — Aldermen named firefighter Doug Applegate as interim chief during Tuesday's regular monthly meeting. The appointment comes as Chief Danny Curtis continues treatment of his cancer at Vanderbilt in Nashville.

Carroll County Fire Chief Terry Bradshaw attended the meeting and emphasized the importance of having an acting chief. He relayed that he had discussed the situation with Curtis several times over the past months, and that Curtis fully supported Applegate (also in attendance) serving in his absence. The board unanimously approved the appointment.

In related business, the organization of the Christmas parade, which has long been handled by Phyllis Curtis, will be taken care of by the Parks and Recreation Committee, as she is supporting her husband through his treatment. The fire department will still play a significant role in the

event, as is normally does.

In other business, the board made what was essentially a procedural change to an action taken at the previous meeting. Last month, the board approved entering a contract for fire hydrant upkeep with Rogers Hydrant Service on the condition that any conflicts of interest first be resolved.

The business is the endeavor of Tim Rogers, who offered to resign as chairman of the Industrial Development Board for the town and did so in writing at Tuesday's meeting.

After last month's action, Mayor Dennis Mitchell, who was absent from Tuesday's meeting, took bids for the service.

The board rescinded the previous action and, after a lengthy discussion, approved Rogers' bid, which was the lone bid received.

In the discussion, Alderman James Gilliam offered an apology to Rogers for the way the situation was handled, saying that he thinks the board "botched" the action at the last meeting. He also expressed frustration that the mayor had seemed to change

the course of action after the meeting. Gilliam added that he would like to have been informed as well, but emphasized that he didn't want to "bash the mayor without him here."

Rogers, anxious to resolve the matter, said that he would respect whatever the board decided to do, reiterating that he's dedicated to serving his community and also that he is committed to his budding business.

The board also approved filling in the flower bed next to city hall with cement as it had become a hazard to pedestrians. Also, the sidewalk will be altered to grant wheelchair access to the area around the gazebo.

Town Attorney Charles Trotter advised the board regarding a piece of property being offered to the town as a donation. Trotter suggested that the board take no action until some ownership and inheritance issues had been resolved, and the board acquiesced.

The meeting adjourned after two hours.

civilians, remains empty to symbolize those still missing. As he spoke, the moving bagpipe arrangement of "Amazing Grace" was played. During a moment of silent prayer, the five service covers and the civilian cap were placed at the empty table settings. Phelps explained the significance of the items at the table: "The table is round, to show our everlasting concern for our men still missing. The tablecloth is white, symbolizing the purity of their motives when answering the call to duty. The single red rose, displayed in a vase, reminds us of the life of each of the missing, and their loved ones and friends who keep the faith, awaiting answers. The vase is tied with a red ribbon, a symbol of our continued determination to account for our missing. A slice of lemon on the bread plate is to remind us of the bitter fate of those captured and missing in a foreign land. A pinch of salt symbolizes the tears endured by those missing and their families who seek answers. The Bible represents the strength gained through faith to sustain those lost from our country, founded as one nation under God. The glass is inverted, to symbolize their inability to share this evening's toast. The chairs are empty; they are missing." Phelps then led a toast, "to honor America's POW/MIA's and to the success of our efforts to account for them". Taps was then played.

Sgt. First Class Dorothy Cook, a Como resident and member of Post 4939, then delivered her poem, "Please Remember Me", which gives voice to the fallen from conflicts throughout America's history.

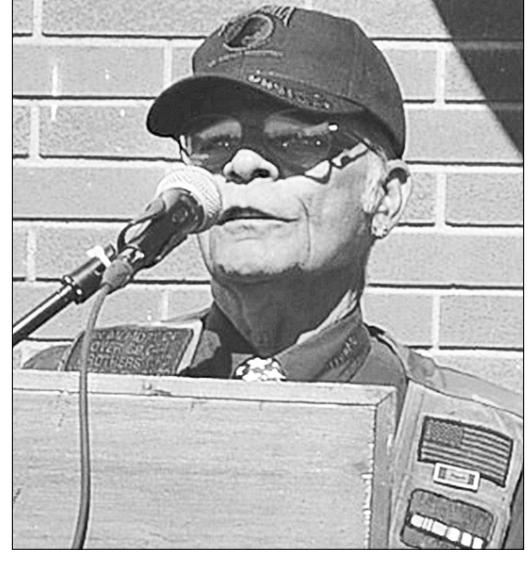

Tracy Vinson, Vice President of Veterans Placement Services, then spoke about the dedication of her company to finding good jobs for every veteran that comes through its doors. She declared that VPS "is here to revolutionize the American workforce with our veterans."

McKenzie Mayor Jill Holland then addressed those gathered, saying that she is "honored to be here today in the midst of so many veterans." She thanked Milam and the VFW for their "efforts to instill awareness and appreciation."

Rep. Holt spoke about the cost of freedom, recalling the example of his grandfather's service in Korea. He thanked the service members present, saying, "We wouldn't be able to enjoy freedom without you."

In closing, Milam offered special thanks to the Our Forgotten Motorcycle Club, who guarded the Memorial Wall overnight, and all that participated in the ceremony.

Prior to the ceremony, A.J. Perrone shared

some of his background and thoughts in an interview with The Banner.

The Connecticut native was stationed at Ft. Campbell for many years and now resides in Clarksville. During his time in Vietnam, the draftee served in perhaps the most unenviable capacity. Perrone was a "tunnel rat," as they were called. The Viet Cong had a massive system of tunnels which American units would have to clear. Usually selected for their small stature, tunnel rats would crawl in with a gun, a blade, and a light, facing not only enemy soldiers, but booby traps, dangerous vermin, and poisonous gas. Perrone stated that the average life expectancy of a tunnel rat was six tunnels, but he had cleared 147 of them.

Perrone spoke of the pull-out that happened so quickly, many soldiers were left behind. Entire special forces units that had been deployed were simply listed as MIA. Many assimilated into the indigenous communities and didn't want to come home. Some feared prosecution by the U.S. Government if they returned. Others escaped from POW camps and simply had nowhere to go.

Perrone lamented that "these guys have no one to speak for them." He continued, "Their families don't know what happened to them."

The wall, he says, puts them right back in the minds of the people.

"The Spirits of The Healing Wall" was originally written by Perrone in the early 1980's for General William Westmoreland, Commander of U.S. Forces in Vietnam, to deliver at the Vietnam Veterans Memorial Wall in Washington, D.C. Westmoreland told Perrone that he couldn't read it because he didn't want a four-star general to be seen crying. So Perrone read the speech himself, and has been reading it at memorials ever since.

Carroll County Sales Tax Collections

Tennessee Department of Revenue reported the following collection of the local option sales tax for the county and each of the municipalities in Carroll County.

The dollar amounts reported below are the net collections after the State of Tennessee deducted a 1.125 percent administrative fee. Normal local options sales tax collections may fluctuate, possibly because of additional collections on assessments or reductions as a result of taxpayer refund.

The first amount is the net

collections in 2015. It is followed by the net collections in 2014, listed in parenthesis.

The county of Carroll \$26,393.96 (\$25,750.99); Huntingdon, \$20,003.42 (\$196,225.65); Atwood, \$12,536.72 (\$11,555.01); Bruceton \$12,536.72 (\$11,555.01); Bruceton \$12,536.72 (\$11,555.01); Clarksburg \$11,458.88 (\$10,878.38); Hollow Rock \$5,811.36 (\$4,693.05); McKenzie \$139,815.89 (\$127,216.60). McKenzie also collects minor amounts in Weakley and Henry counties; McLemoresville \$2,014.19 (\$2,194.04); Trezevant \$8,698.01 (\$8,613.71).

CORRECTIONS

In the October 13, 2015 edition of The Banner, an article titled "City Purchases Wrinkle Building, Set Limits on Playground" identified a citizen who addressed the council as Dorothy Pearson. Her name is actually Georgia Pearson.

In the October 13, 2015 edition of The Banner, a photograph with the headline "McKenzie Housing Authority Receives \$3.1 Million Grant" incorrectly names Keith Priestley as the chairman of the HA. The chairman is Craig Hobson. The Banner regrets the errors.

Walk-Ins Welcome

Do You Need A New Roof, But Can't Afford One?

Enter now to be the recipient of a new roof for free! Reed's Metals - Tupelo/Jackson is giving a free metal roof to someone in need in our community, and want to make sure they are "Covered by Christmas."

In order to qualify, you will need to:

1. Return the survey you receive from the City of McKenzie.

The survey will be used for grant funds to make improvements in the City sewer system. It's very important to return the survey in order to qualify for the roof and for the much needed improvements to keep our sewer and water rates affordable. All information is confidential and will be kept private.

If you did not receive a survey, you can go by City Hall to get one.

2. Write a letter to Reed's Metals explaining why you need a new roof, and the circumstances around why it is difficult for you to afford to pay for one yourself.

3. Return the survey and the letter to McKenzie City hall by Wednesday, November 9, 2015, 5:00 p.m.

All applicants will be rated by an outside judging team.

MEDICARE OPTIONS = CONFUSION A-B-C-D

What does it all mean?

We can offer confidence over confusion and peace of mind with clear and candid communication.

Our goal is to offer personal hands on service and understand your unique needs. Then we can shop all of our carrier's plans and offer you a solution that fits your needs and budget. We do this right here in our rural West Tennessee communities, not in some call center hundreds of miles away. If we can help you in any way, just give us a call or stop by the office.

Letters**The Readers Speak ...**

It's not my norm to write a letter to the editor, but I went through town square this morning and felt the need to do so.

Accolades to Beta Sigma Phi, McKenzie Industrial Board, city government and employees, downtown merchants, and anyone else unknown to me for what you have done and continue to do. The downtown area looks festive, energized, seasonally-appropriate, inviting, vibrant, and alive.

The theatre is welcoming, not dark and gloomy,

or worse, torn down and a parking lot. Waldren Street is bright and inviting. The depot looks like it could welcome a train and visitors at any moment. Storefronts invite us all to come in, look around, "We have something you need."

To have a chance to do something good, we need to look and feel good. Our downtown area looks inviting and ready to go.

To all involved, "Thanks for the effort."

John Baumgardner

The Way Things Weren't**By Clayburn Peeples**

Ever hear the term "Tonymandy?" It was coined by an author several years ago to describe an event in the Welsh town, Tonymandy, that never happened, but that was described so often it came to be widely believed to be true.

But a "Tonymandy" is not true. It's a myth or legend instead, and Tennessee has plenty of them.

One of my favorites has to do with the creation of Oak Ridge, Tennessee. As the story is told, Franklin Roosevelt approached Tennessee senator, K. D. McKellar, chairman of the Senate Appropriations Committee, about acquiring funding for a highly secret war effort to develop materials for the project to build an atomic bomb.

After listening to the president's appeal, McKellar is said to have her replied, "Yes, it can be done, and Mr. President, just where in Tennessee are we going to locate this thing?" A great story, and one that is told nearly every time a long serving Tennessee incumbent faces a tough reelection campaign, but there is no actual proof that the conversation ever happened.

Oak Ridge was chosen, first, because it had a low population, so it could be acquired both affordably and easily. It was accessible by both rail and highway, and it was in a 17-mile-long valley partitioned by several ridges. This was important because it provided natural protection against the spread of disaster should one of the four major industrial plants to be located there blow up. They didn't want the other three to explode "like firecrackers on a string."

But the main reason Oak Ridge was chosen was the proximity of TVA and the newly completed Norris Dam, which they could count on for the huge amount of electricity they knew would be required.

And was it ever. By 1945, tiny Oak Ridge was using 20% more electricity than New York City.

Ever wonder how Tennessee got its name? Every year schoolchildren are told that Andrew Jackson is the one who came up with it, and maybe he did, but there is no proof whatsoever of that. He was a member of the Constitutional Convention of 1796 that adopted the name "Tennessee" for the new state, but it was taken from the North Carolina County, located in Middle Tennessee, called "Tennessee County." The word, spelled as we do today, had been in use since as early as 1774, and by 1793 it was frequently applied to the Overmountain part of North Carolina that would become our state.

So maybe the future president voted to name the new state Tennessee, but there's no proof whatsoever that he was the one who came up with the name.

And what of our own Davy Crockett? He wasn't

born on a mountaintop, and as a matter fact, he wasn't even born in Tennessee. He was born in the Lost State of Franklin that would one day be part of Tennessee, but it wasn't when he was born there.

And they never called him Davy; his name was David, and there is no first person account that he ever wore a coonskin cap either. (until he met Walt Disney, that is) The Tennessee politician who did that was Ester Kefauver.

And finally, closer to home, there's the story of how Union City became the county seat of Obion County.

As a boy growing up in South Fulton, I heard the story many times about how the men of Union City stole both the courthouse and the county seat from Troy in the summer of 1890. While the story seemed to change with every telling, each variant described Union City men riding to Troy in the dead of night and hauling all the court records back to Union City. In some versions they even dismantled the courthouse and reconstructed it in Union City in time to open for business the following morning. I've even read a couple of "historical" accounts to that effect.

Actually, what happened was that as Union City grew, and Troy didn't, the people in the Union City area began to feel it would make more sense for the courthouse to be there.

But Tennessee law provided that in order to move a county seat, such a move had to be approved by 2/3's of the qualified voters in the county.

Union City wasn't that large, so they went to the legislature and got a special act passed exempting Obion County from the 2/3's rule and requiring only that a majority vote for moving the county seat.

A referendum was held, and a clear majority (3455-1906) favored moving the courthouse. But that wasn't quite 2/3s of the voters, so the people of Troy sought injunctions to stop the transfer, perhaps on good legal authority, but their suits were dismissed, and the court records were indeed transferred to Union City. Not under cover of darkness however, but in broad daylight, accompanied by a select committee appointed by the County Court.

All these colorful stories are parts of our Tennessee heritage, and even though the events they describe might not be part of our actual history, the stories themselves are.

And what is history anyway? The philosopher George Santayana once said, "History is a pack of lies about events that never happened told by people who weren't there."

Maybe so, but sometimes those lies make darned good stories, and I for one, am glad we have them.

**Hunker Down with Kes****Hanging Up His 'Spurs'**

"Well, dadgum it," the Head Ball Coach quit. He didn't retire. He made that perfectly clear. Or, to put it in his own words, "I sort of fired myself."

I heard Steve Spurrier speak at a high school coaches' clinic back in the early '80s. He was the offensive coordinator at Duke at the time. But he didn't hardly sound like a coach. He didn't use a lot of x's and o's best I remember. He didn't get near the chalkboard. He mostly talked about having fun. How the game was fun. If you weren't having fun, you might consider getting out of the business. He said if we were not enjoying what we were doing, how could we expect the kids to? He told us if the weekly coaches' meeting was running too long or growing stale, break out the sticks and head to the nearest golf course.

He also grinned and added that you could have a lot more fun if you had a good quarterback and a bevy of big offensive linemen.

There were times as a player that I didn't like the game very much. Back in junior high Kenny Beasley ran over me on a daily basis. In high school Johnny Smith hit me so hard my sophomore year that I saw stars for the rest of the season. You can't imagine how hot it could be in August under all that gear. I've fought with teammates over a sip of water. I've had coaches spew Brown's Mule tobacco through my facemask as they moved in close to yell at me for the umpteenth time. I've questioned opposing players' ancestry and my own sanity on many occasions. There is one thing for sure about football, it's hard to fake anything about it!

Fall is in the air and we are getting ready for some good changes for the Library. The Library Board has been hard at work reviewing policies and making changes for the good of the community that we serve. There will be a meeting for anyone that is interested in a 'Friends of the Library Group' that will be forming very soon – please watch the news for the meeting date, time and place. We will have copies of the new policies in place very soon for all to review.

We have been hard at work weeding through our children's collection to prepare for the new books we will be adding as soon as the State and Federal funds are released.

The weeded books have been added to our 'Fall Book Sale' and so many of the books

If you watched Coach Spurrier over the years, you'd readily agree he practiced what he preached. He could throw that visor, glowed at an errant pass, chew out his quarterback or look a tad befuddled at a reporter's post game question with as little malice as any big time coach I've ever seen.

I loved the way he'd distort his face and turn his head kinda sideways with that perplexed, bemused, baffled, how-in-the-world-could-that-have-happened in this ball game look.....and then the grin. Not always a happy, rosy grin, mind you, but a grin nevertheless.

And, listen, I was never a South Carolina fan; nor a Washington Redskins follower. I didn't necessarily pull for the Florida Gators or the Duke Blue Devils. I am a Steve Spurrier fan. If he called a great play he'd nod a little and clap like that was a good one. If he made the worst call of the century, he was equally as quick to fuss at himself. We've got people in all walks of life today that are very adroit at taking the bows, but not so good at accepting the blame.

Of course, when you win as much and as often as he did, you could relax and enjoy the ride. Many big time winning college coaches can't do that.....and therein maybe lies the genius of Coach Spurrier. His blatant honesty and the fact that a great quote was never far from his lips endeared him to many in the game. And, maybe, it riled a few along the way.....

I think he stuck the needle into the Tennessee football program a little deeper because he grew up in that great state. And, you've

got to admit, all those years the folks from Rocky Top "volunteered" for the Citrus Bowl made them an easy mark. Maybe he picked on Florida State and their "free shoes" because he had trouble beating them. Maybe he thought about what he was saying.....maybe he just called an audible when the microphone got stuck near his chin.

Either way, he sure made coaching fun.

That is harder to do than you might imagine. I've coached kids that were a tad on the un-coachable side. I've worked with offensive guards who needed a GPS to find the back side end on "46 reverse". I've screamed "tail down, head up" into more blank stares than you could ever imagine. I've endured busted plays, missed tackles, false starts, off sides, dropped passes, lame excuses and blind referees. I've stood on the sidelines in the rain, the cold and a couple of games where the lights went out. It is not as easy as it looks.

I've gone through weeks at this coaching thing where I didn't grin one time.

You don't know how remarkable and refreshing Coach Spurrier has been to the game of football. He gives the greatest interviews in all of sports. His players sure seem to love him. And his assistant coaches rave about how much they've learned from him. That's a pretty good testimony.

The Old Ball Coach has certainly done something right over the years. And I figure he reached a point where the game wasn't much fun anymore....

So he took his own advice.

Respectfully,
Kes

The weeded books have been added to our 'Fall Book Sale' and so many of the books

are just like new! Great stocking stuffers for Christmas which is just around the corner.

We will be giving out more information about the Tennessee R.E.A.D.S. program which is for all age groups and it is proving to be amazing.

Memorials Received:

'In Memory of Lola Alexander' given by Mr. Edward Sexton

Books Donated:

Frances Allen donated the new books 'A Knights Bridge Christmas' and 'Christmas in Mustang Creek' by Carla Neggers.

Our State and Federal funds have not been released yet for any of the Obion River Regional Library System but I was told this morning that they expected all to be released

by week's end. Beverly and I are working hard on book order lists for all of you. Any suggestions or new authors that you would like to see in our collection, just give us a call. We are here to work for you.

We finally have some new DVD's on the shelves: Cinderella; The Duff; Fury; The Giver; The Hobbit – Part 1 and Part 2;

Insurgent on DVD and Insurgent on Blu-ray; Kingsmen, The Secret Service; Lucy; Rango; The Spongebob Movie – Sponge out of water; HOME; The Longest Ride; The Age of Adeline; Escobar: Paradise Lost. We will be adding more as they become available.

Come by and see us at the Library! Look at the Banner and Facebook for updates. Jean

The Library Lines

By Nikki Cunningham

The Library had a fantastic time at the Spooktacular Story Hour held this past Saturday. There were 18 children who joined us to participate in pumpkin painting and a costume contest. The staff even got in on the fun; Janet Welch our Circulation Librarian dressed as Angelina Ballerina, Kelli Bolen our Children's Librarian dressed as Fancy Nancy, Nikki Cunningham, Director, dressed as Pete the Cat, and Whitney Branson, volunteer, dressed as a lumber jack. The Library appreciates Tony Welch from the local produce stand on Main Street in Huntingdon for donating pumpkins and Whitney Branson for volunteering during the story hour.

The Library is hosting its massive book sale fundraiser this week through Saturday October 24th at noon. All titles are \$1.00 and the Library has set a goal to raise \$1,000 for children and teen programming as well as professional development for the staff to better serve the community. Please come out this week and look through our sale for your favorite titles or make a donation to help us reach our goal.

There is still time for teens to apply for the Teen Advisory Board for the Library. This is an excellent opportunity for teens to earn volunteer hours and be involved in a community activity that looks phenomenal on resumes and college ap-

plication. Each High School in the Carroll County has applications at the front desk or applications can be picked up at the library. Our first meeting will be held on November 3rd from 5:00pm-6:00pm and all teens grades 9th – 12th are welcome to attend, pizza and drinks will be served.

The Library is proud to announce that in the month of September, local library patrons had more R.E.A.D.S. downloads than any other library in the region! Don't forget to follow us on Facebook at www.facebook.com/carrollcountylibrary to stay connected.

NASCAR Legend Bill Elliott Visits Union City

By Kenneth Coker
Dresden Enterprise Sports Editor

The man credited with the fastest mile in the history of NASCAR slowed down to meet local fans on Friday.

NASCAR Class of 2015 Hall of Famer Bill Elliott made a stop through the area at Discovery Park of America for a meet-and-greet with fans after speaking at the Union City Rotary Club earlier in the day.

Since last driving in NASCAR in 2012, Elliott joked he has been doing a little bit of everything.

"I do anything from mop floors to wash windows to clean toilets and anything in between," said Elliott, who won the 1988 Winston Cup championship and 44 races in NASCAR's top tier series including two Daytona 500s and one Brickyard 400.

Brought to town by area resident and pilot Michael Rinker, who served in that capacity and as a crew member for Elliott, from 1986-1992, the 60-year old stock car legend confirmed to the Dresden Enterprise that his NASCAR racing career is likely over.

"I am getting the point now where I don't know if I would do it or not," said Elliott, who hasn't entered a NASCAR race since 2012 but did test for Dale Earnhardt Jr.'s Nationwide Series team in 2014. "I've been out of it for so long. You know, the problem you have today is that it has gotten so doggone competitive and so expensive. I'd be kind of a loose spoke in the wheel so to speak. I don't think it's worth it. What would I want to achieve?"

NASCAR legend Bill Elliott signs an autograph for Jaci Lewis, 7, of McKenzie while her grandfather Gary Stanley watches on Friday in Union City. Elliott, the 1988 Winston Cup champion and a two-time Daytona 500 winner, greeted area fans for an hour at Discovery Park of America.

In the world of automobile racing, Elliott's resume ranks among the greatest in stock car history.

In terms of speed, no one has driven faster than Elliott with his qualifying records at Talladega (212 miles per hour) and Daytona (210 miles per hour) likely to stand forever due to the sport mandating restrictor plates to slow the high speeds at superspeedways.

Still, Elliott admitted a competitive yearning that isn't fulfilled by watching his son (Chase) as his NASCAR career.

"I very much miss the competition," said Elliott, known as

"Awesome Bill from Dawsonville" to legions of fans. "I enjoy being there (at the track) supporting Chase, but I don't care much for just hanging out. That's not my idea of having a good time. I do get to see a lot of good friends and a lot of people I grew up with in the sport who have moved on in to different capacities in the sport. I enjoy that aspect of being around, but to just go to the track and hang out isn't my thing."

Certainly, NASCAR and many of those that Elliott broke into the sport with in the late 1970s have both grown up.

Gone are the days when driv-

ers the magnitude of Elliott worked on their own vehicles as corporate America has grabbed its slice of the stock car racing pie.

"There's no comparison," Elliott said when asked to contrast NASCAR then and now. "It's a different world. It's all about the money and corporate. It's high competition. It's just so different."

No longer confined to the race track as a NASCAR regular, Elliott – considered a member of the sport's greatest generation alongside Dale Earnhardt Sr., Rusty Wallace, Darrell Waltrip and Cale Yarborough – does what he always has done.

He makes time for the fans.

Some would say it was Elliott's fast laps on the track that gained him his "Awesome" moniker, but those in attendance on Friday would disagree it was his grounded personality despite the fame attained through stock car racing.

"I try to stay close to the people that helped me to get to where I'm at," said Elliott, who was voted NASCAR's Most Popular Driver a record 16 times. "I don't always get to do it, but I enjoy doing so when I can. I like to interact with people one-on-one like today. This isn't such a large gathering where you can't be personable to each person. Sometimes you get too big and too commercialized. I don't like that part of it and I don't think fans like to see it go that way. Unfortunately, that's the way it has evolved to as far as the way NASCAR has gone and the following it has today."

John Everett Williams Named UT-Martin Distinguished Criminal Justice Alum

Judge John Everett Williams (right), of Huntingdon, is pictured receiving the Distinguished Criminal Justice Alumni Award from the University of Tennessee at Martin Department of Behavioral Sciences during a luncheon Sept. 29. Jesse Luke Robinson, student president of the UT Martin Kappa Epsilon chapter of Alpha Phi Sigma, presented the award.

1981 and continued until he was elected to serve on the Tennessee Court of Criminal Appeals in 1998.

Judge Williams is very stu-

dent-focused and is especially interested in meeting and working with students. He has opened his door and courtroom to students wishing to gain a deeper understanding of the court," said Dr. Donna Massey, professor of criminal justice. "He made time in his busy schedule to speak to my American Death Penalty class last spring and provided an internship for one of our criminal justice students this past summer. We are very lucky that Judge Williams is so supportive of our program and university."

The UT Martin Criminal Justice Program is housed with the Department of Behavioral Sciences in the College of Education, Health and Behavioral Sciences. The program offers concentrations in law enforcement, courts and law, corrections, forensic science and generalist options on the main UT Martin campus. The generalist concentration is also available at UT Martin extended campus locations in Selmer, Parsons, Ripley and Jackson.

How To Pass Your Estate To Your Family Quickly, Easily, and Intact**Who Is Inheriting More Money From Your Estate: The Government Or Your Family?**

Planning & Settling Estates

John Stevens

Tennessee Estate Planning Attorney

"We have been thinking for more than a year that we needed to do something about our estate. A few weeks ago, we heard John Stevens speak at a seminar and decided it was time to do something. We went to Senator Stevens' office for a consultation and were convinced he was the best person for the job. We got him to do an Irrevocable Living Trust, and we were well pleased. He was professional, considerate, and made every effort to answer our questions and concerns. A few days ago we finalized our estate planning and we are happy to have it behind us." Flu Vaccines Are Now Available At Health Department

HUNTINGDON — Seasonal influenza vaccine is now available at the Carroll County Health Department. Please call the health department at 731-986-1990 to make an appointment to get a flu vaccine.

"It takes about two weeks to be protected after you get the flu vaccine, so it's a good idea to get the vaccine as soon as possible so you're protected before flu begins spreading in your area," said Anna Todd, Nurse Supervisor. "The Centers for Disease Control and Prevention and the Carroll County Health Department recommend everyone six months of age and older get their yearly flu vaccine as soon as it becomes available in their community."

Seasonal flu is a contagious illness that can be serious and even deadly. Each year, we experience an epidemic of flu during the fall or winter; the timing, size and severity of these epidemics are unpredictable. Even during mild flu seasons, local outbreaks can affect large numbers of people in a community. Nationally, thousands of people die from influenza each year, most of them over age 65. However, the flu is capable of causing life-threatening illness in pregnant women and people of any age.

The Carroll County Health Department urges vaccination as the best way to protect individuals and families from the flu. Because flu strains change gradually each year, all seasonal flu vaccines this year have been updated with at least

two new strains designed to help prevent infections with the strains of flu that have been causing illness in the past year. Flu vaccine is plentiful and is available from many providers, including private physicians and pharmacies.

The cost of the flu shot at the health department is \$30. Payment can be made in the form of cash, check or credit card. The health department will file insurance claims for flu vaccination for patients with traditional Medicare, TennCare, Community Health Alliance, Cigna private insurance or marketplace plans or BlueCross BlueShield private insurance or marketplace plans (Networks S, P and E). Adults with other private insurance or other marketplace plans will be charged the full amount for vaccine and vaccine administration and given a receipt to file their own claims with their insurance providers.

Children through 18 years of age who are uninsured or have private insurance plans that do not cover flu vaccination are eligible to receive flu vaccine with a nominal charge.

Administration of the vaccine, based on income. Uninsured adults will be charged for the flu vaccine and vaccine administration on a sliding fee scale based on income.

To make an appointment for vaccination or ask questions about flu vaccine, call the Carroll County Health Department at 731-986-1990.

Rebels Upended on the Road

By Jason Martin

jmartin@mckenziebanner.com

JACKSON (October 16) — The McKenzie Rebels struggled on the road against the Jackson Christian School Eagles last Friday night. Each half was a story in its own right. The first half was a toss up with JCS leading by a field goal. Then the second belonged to the Eagles as they controlled the field beating the Rebels 38-21.

JCS won the toss and elected to receive the opening kick. On the Eagles' opening play, Mitch Merrick hammered Clay Lewis for a 5-yard loss. Two plays later, DeJan McNulty sacked Will Buehler for a loss of 6 yards. The Eagles were forced to punt.

McKenzie, starting at their own 37 yard line, made a first down in two plays. Eric Robinson picked up 5 yards through the middle. Jack Surber then hit a wide-open Donavon Foley for 18 yards. The Rebels labored to advance

the ball for another first down, but a false start and a huge tackle by Collin Cantrell destroyed their momentum. McKenzie punted away their possession.

JCS took over on their 16 yard line. Buehler lead the Eagles in three plays for a first down. Buehler teamed with Cantrell for 28 yards for another first down. On the 45 yard line, the Eagles acquired another first down as Buehler ripped off 21 yards. Cameron Oakley made a touchdown saving tackle. Then Lewis powered up the middle and scored from 24 yards out. Following the PAT by Christian Williams, the Eagles took their first lead of the night 7-0 with 3:23 left to play in the first quarter.

JCS added a little trickery to the night as they successfully attempted the onside kick against McKenzie. The Eagles went three and out punting to the Rebels.

McKenzie took over at their 34 yard line. The Rebels were on the hunt for a touchdown. Surber kept the first possession for 7 yards. Robinson picked up the necessary 3 yards for the first down.

Surber then teamed with Robinson on a swing pass for 6 yards. Foley was able to catch the Eagles on their heels as he caught a 34 yard pass. With a fresh set of down, Robinson plowed forward on two plays for 15 yards and another first down as the first quarter came to a close.

Flipping sides of the field, McKenzie was first and goal from the 3 yard line. Robinson tried to pound his way up the middle into the end zone, but he was met by a blue brick wall of Eagles. On his second attempt, Robinson crossed the goal line as the official signaled touchdown McKenzie. Lucas Waddell's extra-point kick was good, and it was all tied 7-7 with 11:25 on the clock in the second quarter.

On the next possession, JCS under the guidance of Buehler picked up two first downs. The Eagles were unable to cross mid-field and chose to punt.

Cats Fall Hard To Tigers, 69-21

MCKENZIE — The Bethel Wildcats fell hard to the Campbellsville Tigers Saturday afternoon at Wildcat Stadium, losing 69-21. The huge Bethel Homecoming crowd saw the Tigers jump on the Wildcats early to score 21 unanswered points in the first eight minutes of the contest.

Jacob Russell led his team with two early touchdown strikes to Tyus Alcorn. The Tiger signal caller also has a one-yard run in the 21 point outburst. Two of the scores were set-up by Wildcat mistakes. A muffed kick-off return and a fumble had given CU great field position. Bethel's Devan Raymer scored on an 11 yard TD run to pull the Cats to within 21-7 at the 5:48 mark but that would be as close as Bethel would come. Raymer finished with 117 yards rushing in the game. It was the second straight contest he has rushed for 100 yards or more. The Tigers would score two more times in the quarter and lead 35-7 at the end of one. Raymer scored again on a 5 yard scamper early in the second to pull the Cats to within 35-14, but CU answered with two more scores to blow the

COLLINWOOD (October 15) — One week after battling Clarksville Academy only three miles from the Kentucky state line, Hollow Rock-Bruceton continued its TSSAA-mandated "mile-saver" tour to defeat Region 6 1A foe Collinwood 58-32 a mere seven miles from the Alabama state line.

Adding to the gritty rushing tandem of Zayveon Johnson, Ryan Cole, Isaiah Donald, and Chase Bratton, the Tigers utilized the inspired pass receiving of Grant Davis and Logan Belew in the lop-sided win.

The Tigers defense was led by the stellar play of Cody Knuutila, Anthony Thomas, Isaiah Donald and brother's Chase and Brady Snider.

Collinwood won the opening coin toss and elected to defer possession to the second half.

Tiger Thomas Wortham fielded the Trojans short kickoff and returned the ball to the CHS 44. Powering inside, Zayveon Johnson churned to the Collinwood 48. Ryan Cole leaped over defenders to move the chains at the Trojan 38. Taking the shotgun snap, Tiger quarterback Chase Bratton rolled in the pocket and fired a first down strike to Logan Belew at the seven. After Johnson's plunge to the two, Bratton kept the ball inside to score. Johnson added the two-point conversion as Central led at the 10:27 mark of the first frame, 8-0.

On their first offensive possession, Collinwood quarter-

HUNTINGDON (October 16) — In Region 6 1A football action, the state's third-ranked Huntingdon Mustangs, led by the imposing blocking of their veteran offensive line, bulldozed 447 total yards on 19 carries in the first half and led 55-0 en route to mercy-ruling Clarksville Academy, 62-6.

Continuing his marquee Sophomore campaign, Kade Pearson tallied touchdown sprints of 68 and 59 yards and added a 38-yard scoring spiral to Dustin Wade. Junior speed merchant Zach Dodson mixed speed and elusiveness to freeze the Cougars secondary by way of paydirt scampers of 50 and 41 yards. Mustang quarterback Dylan Johnson added touchdown plunges of 1 and 10 yards before being slammed to the turf on a keeper by Cougar Connor Thomas and leaving the game with a fractured shoulder. Additional scoring was provided by rising Mustang speedster Tyrese Mebane (10-yard scoring dash) and freshman Dallas Willis (two-yard touchdown plunge).

Aggressive defensive stops by Jonah Davis, Austin Russell, Marvin McClellan, Michael Arnhold, and Jayden Williams shut the Cougars down at the point of attack while Huntingdon's secondary, buoyed by two interceptions by Mebane, limited the Cougars aerial attack.

scored its lone touchdown late in the third frame against Mustang reserves as Cougar freshman quarterback Brice Robinson unleashed a 55-yard scoring arc to Thomas down the right sideline.

Receiving the opening kickoff, Clarksville Academy's offense found the going rough as Huntingdon slammed the gates via a tackle-for-loss by Corey Levitt and an Austin Russell pressured pass incompleteness. On fourth-and-10, the Cougars punted away as John Austin Peay's towering spiral was fair-caught

by Mebane at the Mustang 37.

Responding immediately, Huntingdon lit the scoreboard at the 10:21 mark of the first canto as Zach Dodson exploded left side 50 yards to paydirt. Jayden Williams added the PAT boot as Huntingdon led early, 7-0.

Ramping up, the Mustang defense quickly forced a four-and-out as Peay's impressive punt was downed at the

HUMBOLDT (October 17) — Plagued by repeated blunders — particularly on the snap — the visiting West Carroll High School War Eagles just couldn't keep pace with a very quick and athletic Humboldt team as the War Eagles fell to the Vikings 22-8.

West Carroll's Tristan Fuller delivered

good field position at War Eagle 37-yard line on the opening kickoff return, and the War Eagles then drove forward as far as the Viking 42-yard line. The War Eagles went for it on a fourth down, but a bad snap caused a loss on the play, giving the Vikings their first possession at their own 45-yard line.

West Carroll's defense held Humboldt to the punt, and the War Eagles were back on offense, though deep in

their own territory. With carries by Gavin Knight, Patrick Becker, and Fuller, the War Eagles had driven up to the Humboldt 39-yard line by the end of a scoreless first quarter.

On the second play of the second quarter, West Carroll went for it again on a fourth down, but the Vikings stopped them for no gain, initiating Humboldt's first scoring

game open and lead 49-14 at the break. Bethel's Quincy Walden caught a 37-yard touchdown pass from Kerry Sellers in the third stanza but Campbellsville added three second half scores to win handily.

CU outgained Bethel 649 to 252 on offense. Russell finished with 238 yards in passing and did not play the second half due to a minor leg injury. CU's Jarrod Harrington had five receptions for 90 yards and a score. The Tigers had three runners rush for 70 yards or more. Keanu Young and Chantz Goodman finished with 81 yards each. Alcorn had five catches for 111 yards and four touchdowns. Walden led Bethel with four re-

ceptions for 83 yards.

Vic Czyzewski led the Cats with eight total tackles. Bryson Bell had 5.5 tackles and two sacks for the Tigers.

Bethel fell to 3-4 and 0-1 in the Mid-South Conference. Campbellsville won their fifth straight game and moved to 5-2 and 2-0.

jetted down the field and crossed the goal line as the Eagles knotted things back up 14-14 with 1:53 remaining in the second quarter.

McKenzie looked to retake the lead before half time. As the Rebels neared mid-field, Miles Humphreys intercepted Surber.

With just over a minute left in the half, the Eagles made two quick first downs. As the clock continued to wind down, Buehler spiked the ball to stop the clock and allowed JCS to set up for a field goal. From the 12 yard line, Williams booted the ball through the uprights as time expired. The Eagles closed the first half with a 17-14 lead over the Rebels.

The second half opened with McKenzie being forced to punt after six plays and 13 yards. The punt was downed in the end zone, and JCS took over from their 20 yard line.

In two plays, the Eagles flew across the field for touchdown. This score came from Buehler passing to Hunter Allen, who was wide open in the middle of the field. Allen ran down the field for 76 yards, and JCS's third touchdown of the night. The PAT was good, and with 8:26 on the clock in the third quarter, the Eagles led 24-14.

Things continued to go the other way for the Rebels as the next possession resulted in a series of penalties and a turnover. After fielding the kickoff, McKenzie was called for a late hit pinning them deep in their own territory. Then the Rebels were assessed 5 yards for a false start. From their 13 yard line, Surber and Foley picked up 19 yards in the air. Robinson was shut down on the carry, and Waddell picked up 4 yards on a jet sweep. Surber fumbled the snap on the third down, and the Eagles came up with the ball.

JCS took over at the 50 yard line. Lewis bobbed and weaved for 12 yards. Then Rebels bit on a fake hand off allowing Buehler to move up the field for 32 yards. From 6 yards out, Buehler danced into the end zone for another touchdown. Williams' PAT was down the middle, and JCS was up 31-14 at the 4:35 mark in the third quarter.

McKenzie was down but not out. The Rebels offensive attack looked sharp on the next series. Surber passed for two first downs, finding Waddell for 11 yards and McEwen for 16 yards. Waddell tacked on 8 yards with an end around. Looking at 3rd and goal on the one and a half-yard line, Surber pounded his way into the end zone. Waddell's extra-point was good, and the Rebels were

were in desperate need of a turn over or a quick three and out. Neither came to fruition for McKenzie. After a sack, JCS was forced to punt, but only after eating up more than two minutes of the game clock.

McKenzie ran nine plays, eight of which were passing plays, before turning the ball over on downs.

JCS went three and out on their next possession, and pinned McKenzie back to their own 31 yard line with 2:22 left to play. The Rebels were forced to try to air it out for a quick score. Surber and his receivers had to take whatever yardage was available and scramble out of bounds. There was just not enough time on the clock for distressed Rebels to pull out a come from behind win. JCS closed their home season with a 38-21 victory over McKenzie.

Statistically the game was close. McKenzie's total offense was 402 yards, and JCS compiled 411 yards. The Rebels rushed for 80 yards while the Eagles had 222 yards. In passing, McKenzie dominated with 322 yards to JCS's 189 yards. Looking at first downs, the Rebels picked up 29, and the Eagles had 19.

The 4-4 Rebels will be on the road again Friday night as they travel to Decatur County to play the Riverside Panthers. Game time is scheduled for 7:30.

drive of the night.

The Vikings then ran and passed their way to a first and goal at the West Carroll 2-yard line. With a War Eagle wrapped around his feet, Humboldt's Joseph Cook managed to fall backwards into the end zone for the touchdown. Lining up for the kick attempt, the Vikings pulled a fake and scored two points on a pass to Jaylen Stewart.

The rest of the second quarter witnessed a punt and a turnover on downs by the War Eagles and a punt by the Vikings, leaving Humboldt still in charge of the scoreboard 8-0 at the half.

The Vikings wasted no time coming back in the third quarter as Cook returned the opening kickoff all the way for a touchdown. The kick was good, and Humboldt was starting to pull away 15-0.

The War Eagles replied with a scoring drive featuring carries by Becker and Jace Williams. Fuller powered it in for six from only inches out and then returned to the end zone for the two-point conversion, decreasing Humboldt's lead to seven points.

With key defensive contributions from Logan Cristman and Williams, the War Eagles forced Humboldt to punt, but after a misaimed

snap by the Vikings, the War Eagles rushed in and blocked the punt, grabbing possession at Humboldt's 9-yard line.

Humboldt's defense held and pushed the War Eagles back a couple of yards on each down. Then another snap gone awry resulted in a huge loss of yardage, and West Carroll ended up punting away what had been a prime scoring opportunity.

Down 15-8 at the end of the third quarter, the War Eagles took over on downs at their own 26-yard line early in the fourth stanza. First down carries by Fuller and Becker kept the drive alive for a while, but it fizzled out on a failed fourth down attempt 27 yards shy of the goal line.

The Vikings then launched their final scoring effort of the night with a long, 15-play drive that was capped off by a 10-yard scoring keeper by quarterback Izaya Brown. After a successful kick, the Vikings were on top 22-8 with less than a minute left in the game.

After returning the kickoff to midfield, the War Eagles went to the air with repeated pass attempts by quarterback Trace Fuller. One of those passes connected for a first down, but the last four attempts fell incomplete as the last seconds ticked off the clock.

Now 1-7 for the season, the War Eagles host Greenfield Friday night, starting at 7:30 p.m.

back Robinson netted a first down before defensive stops by Tigers Dylan Caswell and Cole for the Trojans to punt on fourth-and-seven. Fielded the bad snap, Collinwood's punter was buried by Belew as CHS took possession at the Trojan 45.

Seizing momentum, Bratton raced right side to the Trojan 38 before spiraling a first down strike to a leaping Grant Davis at the 18. At the 5:38 mark of the first canto, Cole took the reverse handoff and sailed to paydirt. Johnson added the two-point conversion up the gut as Central led, 16-0.

Undaunted, Collinwood utilized straight ahead rushes by Robinson, Kelly, and Scott to march across midfield and deep into Tiger territory. Despite stops by Bradley Griffin, Austin Hardin, Collinwood lit the scoreboard via Robinson's 16-yard scoring strike. Kelly was stopped short by Isaiah Donald on the two-point try as the Trojans trailed the Tigers, 16-6.

Central tacked on another touchdown quickly as Davis twisted high in the air to capture Bratton aerial at the 2 to set up Bratton's scoring bull. Ryan Hughes added the PAT boot as the Tigers led at the half, 45-12.

Refusing to bow, Collinwood capped their second-half opening, eight-play, 65-yard drive at the 6:22 mark of the third clip via 26-yard touchdown toss by Robinson. Kelly's two-point conversion try failed as the Trojans trailed, 45-18.

Huntingdon Police Reports

Public Intoxication

A Hollow Rock man was arrested Oct. 14 after officers allegedly found him passed out in the yard of a Huntingdon residence.

Patrolman Randy Kelley charged Lesmy Osorio Napoles of 169 Holcomb Street with public intoxication. According to Kelley's report, residents at 357 Chickasaw Drive called police regarding an intoxicated man lying in their yard. When officers arrived at the scene, they found Napoles lying unconscious at the edge of the yard with an open container of strawberry moonshine. Kelley reported that Napoles smelled strongly of alcohol, his speech was slurred, and he was unable to walk or stand without officers' assistance.

...

Public Intoxication

A Huntingdon man was arrested Oct. 12 for allegedly causing a public disturbance in an intoxicated state.

Sgt. Rick Crossno charged Shawn Bradley of 120 Bridgeman Street with public intoxication. According to Crossno's report, officers responded to a complaint about a man carrying a knife, banging on windows, and shouting incoherently in a neighborhood on Bridgeman Street. When officers located Bradley, no weapon was found in his possession. Crossno reported, however, that Bradley was obviously under the influence of an intoxicant.

...

Criminal Trespassing

An arrest warrant has been issued against a Bruceton man for allegedly entering a home without the resident's permission on Oct. 13.

Michael Dupree of 113 Cedar Street faces a charge of criminal trespassing. According to the report by Sgt. Brad Allen, a male resident at 66 Cherry Blossom Road told officers that he was sitting in his home when Dupree just walked in his front door uninvited. The resident said that he told Dupree to leave, and he did, walking away towards Buena Vista Road. Authorities had not yet located Dupree at the time of the report.

...

Theft

The Huntingdon Police Department is investigating the recent theft of a trailer belonging to the Huntingdon Housing Authority (HHA).

According to the report by Patrolman Randy Kelley, HHA employee Kenneth David Meggs told officers on Oct. 13 that a 16' trailer had been stolen from property at 433 Hillcourt Circle. Meggs said the trailer was last seen on Oct. 12 at around 3:30 p.m. chained to a basketball goal. The trailer, valued at \$3,000, was described as a rusty black double-axle trailer with a 6' hinged gate, metal mesh bottom, and white rims.

...

Vandalism

Police are looking for the person or persons responsible for the Oct. 12 vandalism of the Carroll County Probation Office on the Court Square in Huntingdon.

According to the report by Sgt. Rick Crossno, two rocks were thrown through the front door of the probation office, shattering the glass in the double-paned glass door and damaging a desk inside the office. An employee in a neighboring office told officers that she heard a crash at around 8:15 a.m. This incident is still under investigation.

...

Shoplifting

A Henry County woman was arrested Oct. 10 for allegedly trying to steal items from a local department store.

Patrolman Drake Whitworth charged Christy A. Smith of Paris with theft under \$500. According to Whitworth's report, Smith was being detained by security personnel at Wal-Mart in Huntingdon, when police officers arrived at the store. Lowe told officers that Hayes attempted to take items priced at \$47.01 from the store without paying for them.

...

Drug Possession

An Ohio woman was arrested Oct. 9 when officers allegedly found illegal drugs in her possession.

Inv. Joey Hedge charged Kimberly Dawn Carare of East Lake with possession of a schedule II drug and possession of drug paraphernalia. According to Hedge's report, he responded to a call about a person sleeping in a car in the parking lot of Twin Oaks Church of Christ on Highway 70. Upon arrival, Hedge found Carare asleep behind the wheel and woke her up. While speaking with her, Hedge noticed that she seemed to be disoriented and was acting suspiciously. Carare agreed to let Hedge search her vehicle, but when he picked up her purse, she said she didn't want him searching through her personal stuff. K-9 Officer Jason Walker was called to the scene with his dog, which indicated the presence of an illegal substance in the vehicle. A small bag of methamphetamine and several cut-off straws were found inside Carare's make-up bag. Carare said that she had used meth during the previous day.

...

Assault/Disorderly Conduct

A Middle Tennessee woman was arrested Oct. 12 after allegedly striking an officer during an incident at a local hospital.

Patrolman Brian Bennett charged Stephanie D. Bobo of Murfreesboro with assault and disorderly conduct. According to Bennett's report, he went to the emergency room at Baptist Memorial Hospital-Huntingdon after receiving a call about an unruly patient. When Bennett arrived at the scene, a nurse told him that Bobo had fled on foot behind the hospital with nurses chasing after her due to her condition. Bennett located Bobo and her sister in the Carroll Academy parking lot. According to Bennett, Bobo struck him in the mouth when he tried to take her back to the emergency room. Bennett reported that he was about to use his taser gun to subdue Bobo, but the sister stepped in between them. Bennett and the sister then managed to get Bobo back to the emergency room. Once Bobo was cleared for release by hospital staff, she was then charged and transported to the Carroll County Jail.

Multiple Charges

A Huntingdon man was arrested on multiple charges Oct. 10 during a domestic incident at his residence.

Inv. Joey Hedge charged Carlos D. McCollum of 260 Hillcrest Drive with domestic assault, public intoxication, and disorderly conduct. According to Hedge's report, officers responded to a domestic incident at McCollum's home. Resident Sandra Rivers told officers that McCollum had been drinking, and, at

one point, he started tearing up the house and threatening to harm her. When officers confronted McCollum, he became very agitated and walked out of the residence with his fists clenched. Once McCollum was outside, Hedge told him that he could now charge him with public intoxication. McCollum tried to go back into the house but Hedge prevented him and placed him under arrest.

...

Shoplifting

A Henderson County woman was arrested Oct. 10 for allegedly trying to steal items from a local department store.

Inv. Joey Hedge charged Keisha N. Hayes of Lexington with theft under \$500. According to Hedges report, Hayes was being detained by Joe Lowe, loss prevention officer at Wal-Mart in Huntingdon, when police officers arrived at the store. Lowe told officers that Hayes attempted to take items priced at \$47.01 from the store without paying for them.

...

Leaving The Scene

A warrant has been issued against a Huntingdon woman following an Oct. 5 traffic incident.

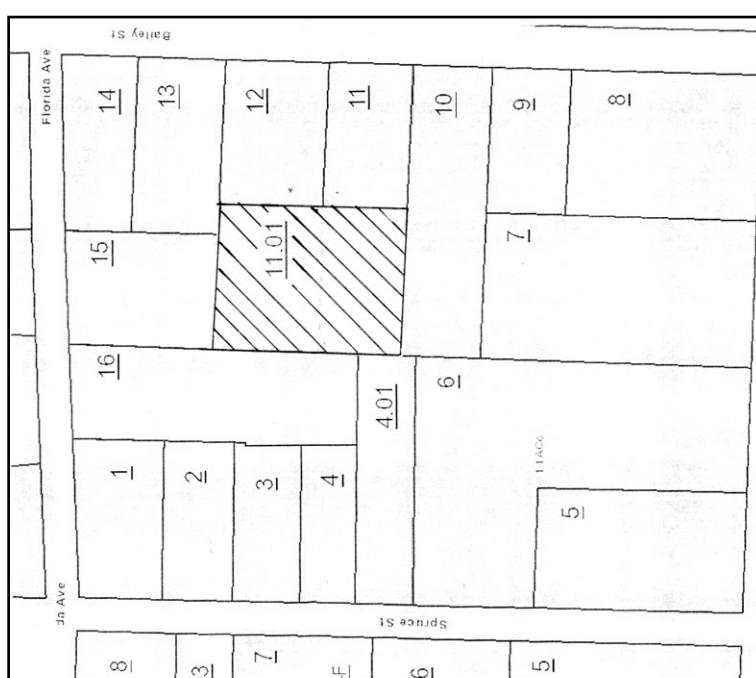

Thasha L. McLerkin of 504 Hill Court Circle faces a charge of leaving the scene of an accident. According to the report by Inv. Joey Hedge, he went to the Hill Court Apartments and spoke with resident Lynn Hilliard, who told him that McLerkin had backed up into his car and then left the scene. Another resident told Hedge that she had seen this happen, as well. Hedge observed that the rear bumper of Hilliard's vehicle had been damaged.

Bethel Anglers Highlighted On National Show

Courtesy Bethel SID

MCKENZIE — Bethel University Bass Fishing students Chelsey Queen and John Garrett both had a chance to compete against Bass Master Elite Professional Angler Brent Chapman in a head-to-head contest in which each angler fished for eight hours in the boat with Chapman.

Queen was the first angler to compete and both she and Chapman caught Largemouth Bass on the new Carroll County One Thousand Acre Recreational Lake. "Chelsey really surprised me", said Chapman, "She fished hard all eight hours of the competition and never gave up even though the weather was cold and the fishing was tough."

Day two saw Chapman and

Garrett fishing on Gibson County Lake with beautiful weather and giant Largemouth Bass biting for a great head to head competition. Chapman caught two of his career biggest Bass during the contest with Garrett but John held his own during the eight hour competition.

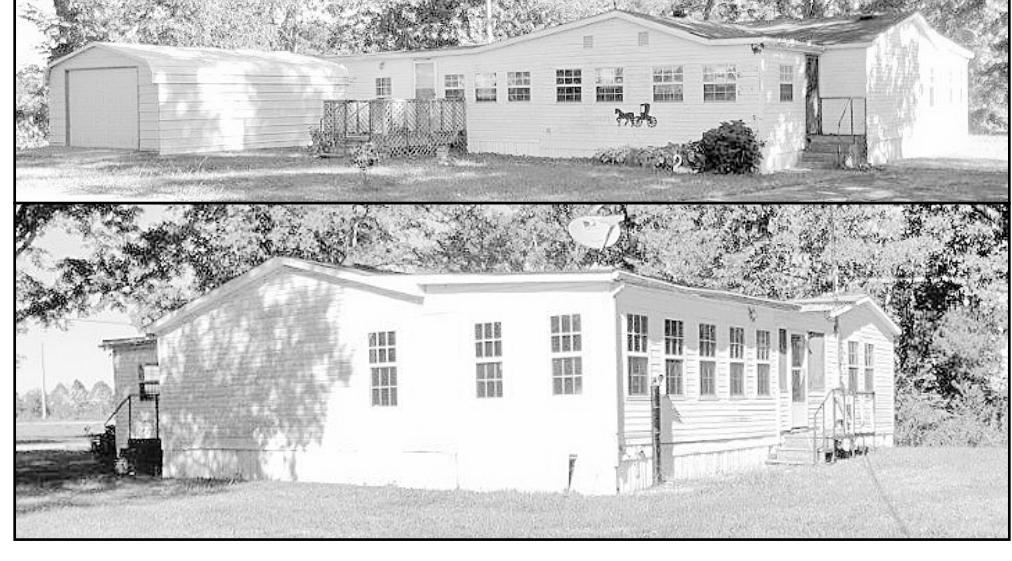

Chapman who is the host of the new Pro's against Joe's television show feels both of the Bethel anglers were excellent fishermen and that he would love to have a rematch against either of them soon. While the results of the competition cannot be released as of yet, the television show will air on the internet World Wide Web.

Side note: Chelsey Queen will be the very first female angler to appear on this show.

Congratulations to Chelsey and John for representing Bethel University during the filming of the event and competition.

Two other Bethel University Anglers will be filming the Fishing University television show with hosts Charlie Ingram and Ray Brazzer this upcoming week. Hunter Louden and Cully Scroggins will represent Bethel and be highlighted during the filming of Fishing University. This will be the third time the school and fishing program has been highlighted on this national television show according to Head Bass Fishing Coach Gary Mason. "We are extremely proud of our team and all the national publicity that Bass fishing continues to bring to our University," he stated.

Thank you for your continued support of this newspaper.

Carroll County Sheriff's Reports**Assault**

A Cedar Grove man was arrested on Sept. 10 following an altercation.

Deputy Ryan Dickson charged Michael Murphy, 34, of 1515 Parker Store Road with aggravated domestic assault. According to Dickson's report, Murphy went to the residence of his brother-in-law Houston Hays to confront him. Murphy claimed that he drove by the residence and decided not to confront Hays. Murphy then turned his vehicle around and drove by the residence a second time. Murphy claimed that this time he found Hays and his father fighting. Hays had Bennie Murphy in a headlock. Michael Murphy then used a ball joint serrate to hit Hays in the back of the head several times. When officers arrived Hays was being held down and had several lacerations to the back of the head.

Drug Possession

A Trezevant man was cited into court and a Trezevant woman was arrested on Oct. 12.

Deputy Jason Walker charged Robert Helms, 19, of 238 Holmes Street with driving on a revoked license #1 and Skylar Helms, 22, of 238 Holmes Street with simple possession of a schedule IV drug. According to Walker's report, Robert Helms was driving a truck when he was stopped for a light law violation. A computer check showed that his license was revoked. The truck belonged to Skylar Helms. A computer check showed that a warrant was out for her arrest. Authorities asked Skylar Helms if she had any illegal substances on her, at which time she pulled a bag from her pants pocket containing 4.0 grams of marijuana.

Driving on a Suspended License

A Huntingdon man was cited into court on Oct. 12 after a traffic stop.

Sgt. Eric Sawyers charged Dillon Gregory, 21, of 295 Smothers Lane with driving on suspended license #1. Sawyers reported that Gregory was driving a vehicle on Highway 22 with a brake light that was out. Sawyers pulled Gregory over. Gregory gave Sawyers a state I.D. and admitted that his license was suspended.

Burglary

Authorities are investigating a possible case of burglary.

Anthony Jaeger of 694 Highway 70 reported to authorities that on Oct. 11 someone picked the lock at his residence. Jaeger reported that a lock box containing a gold Rolex watch and prescription

medicine had been stolen.

Authorities are investigating a possible case of theft.

Ericka Ashby reported to authorities that her son had found the door to their residence not fully closed on Oct. 6 or 7. In the next few days, Ashby noticed a Garmin GPS, a Kindle Fire, Xbox controllers, Xbox games, a Samsung Galaxy S4, and an iPod missing.

Possession of a Firearm

A McKenzie man was arrested on Oct. 10 after allegedly firing a gun.

Sergeant Eric Sawyers charged Spencer Jacobi Johnson, 32, of 66 Hilltop Road with felony possession of a firearm. Sawyers reported that authorities received a call about shots being fired at Hilltop Trailer Park. McKenzie police told deputies that Johnson was sitting in a vehicle near 66 Hilltop Drive. Authorities noticed a live .45 caliber cartridge lying on the ground near the vehicle.

Johnson claimed he had been in an argument with someone in a gray Dodge Charger. Johnson admitted that he was a convicted felon. Authorities noticed a Ruger .45 caliber semi-auto handgun in Johnson's back floorboard. Johnson claimed he did not know anything about it.

Assault

A Benton County woman was arrested on Oct. 9 after allegedly assaulting a senior citizen.

Deputy Ethan Parham charged Brittany Michele Taylor, 20, of Camden with simple assault. According to Parham's report, deputies received a call from the residence of Doris Thomas of Bruceton about a domestic dispute. Doris Thomas and Daniel Taylor told deputies that Brittany Taylor had pulled Thomas off of the toilet and slung her around. Thomas's glasses were knocked off in the altercation and she complained of pain in her eye.

Civil Matter

Allen Clark of Huntingdon reported to authorities that on Oct. 7 his neighbor's dog jumped on his vehicle trying to get to his dogs inside. The damage to the vehicle is estimated around \$811.

Theft

Authorities are investigating a case of theft.

Tim Neisler of Weakley County reported to authorities that his debit card had been used without his permission at an ATM in Atwood three times in the month of Sept.

McKenzie Police Reports

Driving on suspended / revoked license / possession of schedule VI / drug paraphernalia-According to a report filed by MPD patrolman Jeff Winberry, on October 13, the officer witnessed 1989 black-colored station wagon perform a U-turn on Hospital Drive and stopped said vehicle in the hospital parking lot. The driver of the vehicle, identified as Joseph F. Swartz, Porter Street, Paris, informed the officer that he had insurance on the vehicle but did not have his driver license. After receiving verification via computer check of his license through the state of Illinois, the officer placed Swartz under arrest and asked if he would like the officer to secure his vehicle. After Swartz said that he could not find his car keys, the officer looked inside the vehicle to find the keys and discovered a rum bottle along with a metal box containing several different pipes, scales, and a plastic baggy containing green seeds believed to be marijuana seeds. Swartz was then transported to Carroll County jail for booking for the aforementioned offenses.

Criminal simulation-According to a report filed by MPD Sergeant Trey Boucher on October 15 at around 1:57 p.m., an employee of the Bank of Gleason reported that she had received a counterfeit \$20 bill in the deposit made by The Smoke Shack. Sergeant Boucher spoke to Smoke Stack manager who stated that she unaware that the bill was counterfeit until the bank notified her on October 15. The incident is still under investigation.

DUI / assault-According to a report filed by MPD patrolman Kyle Beauchamp, on October 15, MPD received a call from City Wine and Liquors saying that a fight was occurring in their parking lot. Upon arrival, patrolman Beauchamp, accompanied by Sergeant Andy Weaver, arrived after the fight had ceased but observed a male with a bloody nose and blood-shot right eye and a female with a cut and bloody finger.

The male was identified as Larry C. Johnson, Ward Road, Gleason, and the female was identified as Tammy L. Cook, Highway 436, McKenzie. Ms. Cook, an employee of the liquor store, stated that when she entered the store parking lot to deliver change at the request of the store duty clerk and attempted to exit her vehicle, a large aggressive dog in a red pickup next to her car began to bark and growl at a child inside her vehicle. She then began honking her horn to get the attention of the duty clerk who was in the process of checking out the dog's owner inside the store. The duty clerk then advised the dog's owner to take care of his animal when yelling match ensued between the two. Johnson then reportedly exited the store and began yelling at Cook. After looking away for a moment, the duty clerk stated that she observed Cook on top of Johnson striking him with her fists. Johnson told the officers that Cook yelled at him before pushing and hitting him several times in the face before he could defend himself. Johnson also stated that his wallet containing his driver license, social security card, and approximately \$627 dollars in cash had been lost or stolen during the alterca-

tion. Johnson was charged with the listed offenses and may be charged with assault per review of store security. The report further stated that Cook may also be charged with assault pending the viewing of store security video and possibly theft of Johnson's wallet pending viewing of store video footage.

Leaving the scene of an accident with property damage-According to a report filed by MPD patrolman Kyle Beauchamp, on October 15, Elmer V. Lewelling, Highway 194, Rossville, came to MPD to report that someone had struck his vehicle on an earlier date while it was parked at Merchant's Outlet Mall. Lewelling said that he was parked in front of the business when a vehicle directly behind him backed into his car and drove away.

Lewelling said that he was able to get the plate number of the white Chevy pickup. After a computer check of the plate revealed that it had been tagged to a 2004 Pontiac Grand Prix, the officer informed Lewelling that he had printed the wrong tag information or that the pickup had the wrong tag on the vehicle and that there was no way to verify either scenario due to the length of time that had transpired from the incident until the time of reporting.

Lewelling told the officer that he had tried to report the incident to MPD earlier but there was confusion surrounding the incident so no report was made at that time and he had waited until this date to come by due to insurance purposes.

According to Lewelling, he was driving a 2010 Chevrolet 1500 pickup at the time of the incident. Damage to his vehicle was to the rear passenger side bumper.

Theft-According to a report filed by MPD patrolman Cody Coleman, on October 16 at approximately 1:09 p.m., dispatch advised the officer to go to A&W Leasing to take a theft report.

Upon arrival, the officer spoke to Anthony Clay Moore, Highland Drive, McKenzie, about a dump trailer that had been stolen from the property. Moore said that the dump trailer had been on the property on the evening of October 13 but had not been seen there since.

The report noted that no suspects have been identified at the filing of the report and that the matter is under investigation.

Theft-According to a report filed by MPD patrolman Chad Davis, on October 7, May Frances Lockett, Booker Street, McKenzie, had called MPD to report a theft and stated that man known to her had stolen her backpack containing medicine she needed on a daily basis including insulin and two prescription narcotics.

It was later revealed that the man, identified in the report as Kendrick D. Warton, 25, Lumber Road, Henry, had intentionally and without consent of the owner, taken her backpack from her residence.

The report further noted that later the same evening, Warton returned the backpack with 28 Percocet, 59 muscle relaxers, a blood pressure cuff, and a thermometer still missing. At the time of the report, Warton had not been located. A warrant for \$500 was issued and filed at the Carroll County Courthouse for the suspect.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Head Start, Early Head Start See Helicopter, Fire Truck

The children at the Northwest Tennessee Head Start and Early Head Start were treated to a visit from McKenzie Fire Department and the Air Evac Lifeteam on Monday, October 19.

Assistant Chief Roger Christian brought Unit 920 fire pump for the boys and girls to see. Christian explained about the parts of the truck and how the children can grow to be firefighters.

A team of pilot, nurse and paramedics with Air Evac team landed an air ambulance on the parking lot of Head Start.

Tim Marr of McKenzie, a paramedic with Air Evac, said the helicopter is based in Paris. He joined the team in April after working as an EMT and paramedic in and around McKenzie.

PUBLIC NOTICE

NOTICE OF AN APPLICATION FOR MERGER OF BANK HOLDING COMPANIES AND MERGER OF BANKS

Farmers & Merchants Bancshares, Inc., Trezevant, Tennessee, intends to apply to the Federal Reserve Board, The Federal Deposit Insurance Corporation (FDIC) and the Tennessee Department of Financial Institutions (TDFI) for permission to acquire Medina Bancshares, Inc., Medina, Tennessee. In conjunction with this transaction, Medina Banking Company will be merged with and into Farmers and Merchants Bank, Trezevant, Tennessee. The Federal Reserve, FDIC and TDFI consider a number of factors in deciding whether to approve the application, including the record of performance of banks we own in helping to meet local credit needs.

You are invited to submit comments in writing on the bank holding company application to the Federal Reserve Bank of St. Louis, P.O. Box 442, St. Louis, Missouri 63166-0442. The comment period will not end before November 20, 2015 and may be somewhat longer. The Board's procedures for processing applications may be found at 12 C.F.R. Part 262. Procedures for processing protested applications may be found at 12 C.F.R. 262.25. To obtain a copy of the Federal Reserve Board's procedures, or if you need more information about how to submit your comments on the application, contact Yvonne S. Sparks, Community Affairs Officer, 314-444-8650. The Federal Reserve will consider your comments and any request for a public meeting or formal hearing on the application if they are received in writing by this Reserve Bank on or before the last day of the comment period.

Any person wishing to comment on this application may file his or her comments in writing with the Regional Director of the Federal Deposit Insurance Corporation at its Area Office at 6060 Primacy Parkway, Suite 300, Memphis, Tennessee 38119, not later than (insert date that is 30 days after the first publication date). The nonconfidential portions of the application are on file in the Area Office and are available for public inspection during regular business hours. Photocopies of information in the nonconfidential portion of the application file will be made available upon request. It is contemplated that all offices of the above-named institutions will continue to be operated except that the branch of Medina Banking Company located at 329 Old Medina Street Medina, Tennessee will be consolidated into the main office of Medina Banking Company located at 127 South Main Street, Medina, Tennessee.

Any person wishing to comment on this application also may file comments in writing with the Commissioner of Financial Institutions, Citizens Plaza Building, 6th Floor, 400 Deaderick Street, Nashville, TN 37243, or contact the Department via telephone at 615/741-5018. Anyone desiring to protest this application may do so if such protest is filed in writing within fifteen (15) days of this publication.

Dale Kelley presented awards to (L to R): Bob Huntsberger, Shirley Martin, and Drew Woods.

Bethel Inducts Four into Athletic Hall of Fame

MCKENZIE — Bethel University honored three former athletic greats and one school contributor with induction into the prestigious Bethel Athletic Hall of Fame Friday night. The event was held in the Vera Low Center for Student Enrichment on the Bethel campus.

The 2015 inductees are: Bob Huntsberger (70) Men's Basketball, Golf, Baseball Drew Woods Men's Basketball Bud Mayfield (67) Men's Basketball, Baseball Shirley Martin (70) Contributor

Prior to this year, seventy seven people and one team had been enshrined into the hall. The 2008 soccer team was the first team to be inducted at the 2013 ceremonies.

Here is a look at the 2015 Hall-of-Fame Class:

Edward "Bud" Mayfield came to Bethel in 1965-66, transferring from Cumberland Junior College to play both basketball and baseball. He played for Casey Vinson his first year and Doug Hines his second season. He lettered in both sports and was a team leader and scorer in basketball, a starter/relief pitcher and hitter in baseball.

Bud was known as a blue collar defender, rebounder and scorer in basketball. He averaged in double figures in scoring during his Wildcat career. He was a respected and dedicated leader in both sports.

Terry Howell stated, "He was a scholar-athlete at Bethel. In addition to his exemplary grades he was also a dorm counselor and was well respected by the entire student body."

Roommate Bob Rutledge said, "He was a tireless worker and

teammate. He was injured just prior to his senior season and basically had to play on one leg all year. Still, he was very good and so respected and admired by all of us."

Mayfield was a valuable member of the Wildcat baseball team during his Bethel career. He showed the same type talent and leadership with the Bat Cats as he did on the basketball court.

Following graduation from Bethel in 1967, he coached and taught for nine years. He coached at Hillsboro and College Grove High Schools. The two schools were two of the smallest in the state, but his teams were often ranked in the TSSAA Top Ten.

Following his teaching and coaching careers, he spent the remainder of his professional career in the construction industry, retiring in 2013 due to back surgery.

He and his wife, Vickie, live on the family farm in Nolensville, Tennessee. They have been blessed with two daughters and five grandchildren.

Drew Woods was born June 17, 1982 in Milwaukee, WI to Rev. James I. Woods, Jr. and Feryl Woods.

He lettered in basketball at North Side High School in Jackson, Tennessee where he was coached by Terry Hill and Frank Chapman. He was an All-District and All-Region performer who helped his team to TSSAA Sub-state appearances in 1999 and 2000. After graduating from North Side he came to Bethel and became one of the all-time greats in Wildcat history.

He remains 6th on the all-time Bethel scoring list with 2,084 points. He is 7th in made field goals with 737 and 9th in re-

bounds with 839. He is 11th in assists with 340 and 2nd in free throws made with 400. Woods is the all-time school leader in steals with 264.

He was a Third Team NAIA Division II All-American in 2002-2003 and 2004-2005. He was a Second Team NAIA Division II All-American 2003-2004.

He was a KIAC All-Conference First Team member three seasons as a Wildcat. Woods was also the KIAC and Bethel Male Athlete of the Year. He played on the first team in school history to play in the NAIA National Tournament (2002) in Branson, Missouri.

Each season he played for the Wildcats they were ranked in the NAIA Division II Top 25, earning as high as a number 12 ranking.

Drew was drafted by the National Basketball Development League (NBDL) Roanoke Dazzle in 2005. After brief stints with the Dazzle and the Akron Wingfoots of Las Vegas, he signed a contract to play for Tire Gucu, which is located in Izmir, Turkey.

In 2013, he obtained his B.S.

degree in Business Administration from the University of Phoenix.

Today, he works for the Jackson-Madison County School System as the assistant boys' basketball coach for Madison Academic High School and substitute teacher. He also performs contract work as a website analyst for Leapforce, Inc.

He has two brothers (Aric Woods, Aaron Woods) and one sister (Yvette Nesbitt).

He is engaged to be married in 2016 to Casey Frye.

He has one daughter, Trinity Woods.

Bob Huntsberger was born

February 5th 1944 in Bowling Green, Kentucky. He moved to Somerset, Kentucky at age six and attended Somerset Elementary, Somerset Junior High and Somerset High School.

Bob played all sports these schools offered including track and cross country. He lettered in football two years, basketball three years, baseball four years, cross country one year and tennis two years. He earned all-state honors in baseball in 1961 and 1962 and graduated from Somerset High School in May 1962.

He elected to join the U.S. Army in October 1962 and played for the Army Baseball team in 1964 and 1965. They played against the Tokyo Onions in 1964. Bob received scholarship offers from the University of Hawaii, Southern California and Eastern Kentucky University. He wanted to attend Eastern Kentucky but his High school coach Doug Hines wanted him to attend Bethel College.

He married Velma Evelyn Egeland from Blackie, Alberta, Canada on January 8th 1966. They decided to attend Bethel together in September of 1966 and are still together after all this time. This January will be their 50th wedding anniversary. They have been blessed with two daughters and six grandchildren.

Bob played and lettered for two years in basketball 1966 and 1967. He gave up my scholarship in basketball so Bethel could sign All-American Joe L. Reeves. He coached the freshman team and assisted Coach Hines his last two years. He was also the basketball sports radio announcer with the handle, "Battling Bob".

He played and lettered as a

catcher for the Bethel Wildcats all four years from 1966 to 1970. He hit over 340 and led the Cats couple of years in R.B.I.'s. He was on the Western Division of the V.S.A.C. winning team in 1968.

Bob lettered in golf all four years 1967 to 1970 and was a member of the V.S.A.C. championship team in 1968.

He was and still is a member of Phi Kappa Phi social fraternity.

He was selected as an N.A.I.A Outstanding Collegiate Athlete in 1969.

He graduated in May of 1970 with a B.S. in Business with a minor in Economics and P.E.

He worked at Goodyear Tire for five years and Ferry Morse Seed in Fulton, Kentucky for 30 years. He retired in September 2007 as a Vice President of key account sales.

Currently he is enjoying retirement and plays golf in good weather. He also enjoys attending Bethel sporting events and school activities.

The integrity of an athletic program in the NAIA or any level of collegiate athletics rests mainly with the registrar. Shirley Martin served as the registrar at Bethel for over 40 years. According to Bethel FAR Melissa Vaughn, Shirley's knowledge of the NAIA rules and regulations was as thorough as her knowledge of academic rules and guidelines.

One of her many duties as registrar was to help in the certification of student athletes to the NAIA. We all know every student athlete that has stepped on to a playing field and court over the last 40-plus years owes some of their success to Shirley.

Shirley is a native of McKenzie and graduate of McKenzie High School. She enrolled in Bethel and earned her Bachelor of Science degree with a major in Business Administration and minors in Math and English. She is a 1970 graduate of Bethel.

After graduation she went to work as Associate Director of Admissions at the school. After five years (1975) she moved to the Registrar's office and the rest is history.

During the last 40 plus years she has witnessed the transition from typewriters and calculators to the age of the computer. More than that however, she has seen a small college transition into a university with an abounding sense of spirit and growth.

Ms. Vaughn added, "I have had the pleasure of working with Ms. Martin for the last 11 years as the FAR to the NAIA. She has taught me so much about eligibility and how to read and interpret academic transcripts. Her work ethic is second to none. I can give her three or four rosters on a Friday in hopes that I will not have to finish the process until at least Tuesday or Wednesday of the next week. However I often get an email first thing Monday morning saying "all done."

Shirley's Sister Patsy and her husband Eddie Lopez are both Bethel graduates and live in Owensboro, Kentucky. Nephew Trinity, wife Elizabeth, and daughter Genevieve reside in Indianapolis, Indiana.

There are iconic coaches and players who have enjoyed what we call the "Bethel Experience" but none more iconic, heroic and important than Shirley Martin.

Atrial fibrillation, a common heart rhythm problem, was making Larry Forbess feel weak.

"faint, kind of drained, and unsteady on my feet."

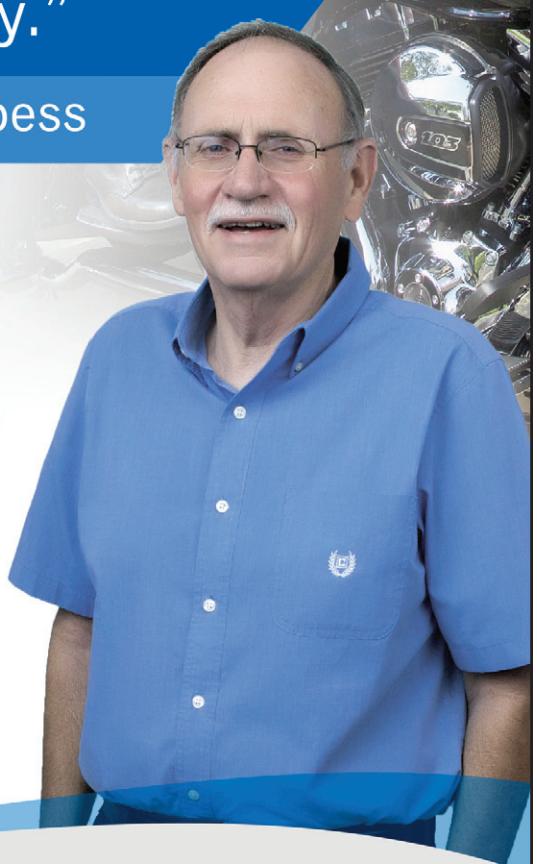

He sure didn't feel like going for a ride with his wife on their Harley.

"I feel so much better and this was so easy."

- Larry Forbess

He chose Dr. Shawn Baldwin, an electrophysiologist with West Tennessee Heart and Vascular Center's Heart Rhythm Clinic, where they inserted a tiny balloon in a vein to freeze electrically active tissue in his heart. This minimally invasive procedure decreased Larry's symptoms and risk of stroke.

Larry and his wife now have more trips planned.
