## Plans Larger Job Expansion

HUNTINGDON (September 27) — Huntingdon Industrial Development Board facilitated the additional expansion of jobs at Granges, an aluminum-processing manufacturing plant in Huntingdon.

Through a state grant and support by the Huntingdon IDB, the company now plans to add 65 jobs to the original 100 new jobs announced last year.

The Swedish-based company purchased the assets to the bankrupt Noranda in Huntingdon and promised

the State and local officials it would expand. Along with the increase in jobs, the state also increased its grant at the 400 Bill Brooks Drive location. A new casting house is being constructed on site.

The announcement was made last week by Huntingdon Mayor Dale Kelley and Brad Hurley, president of the Carroll County Chamber of Commerce.

Demand for the products produced in Huntingdon is very strong and has increased further after import duties have been imposed on rolled aluminum products from China.

In September 2017, the company released the following statement

Granges will invest USD 110 million

to expand its aluminum rolling operation in Huntingdon, Tennessee meeting growing demand for light gauge foil, automotive heat exchanger materials, and heating, ventilation and air conditioning (HVAC) applications. The expansion will create 85 permanent full-time jobs, solidifying Granges commitment to its North American customers and the markets they serve.

"The expansion in Huntingdon marks the next step in our strategic growth plan for the North American market. Granges has built a strong reputation in the aluminum rolling industry, and this expansion allows us

## Huntingdon Council Approves Tennis Court Renovations

BY JIM POTTS

[banner@mckenziebanner.com](mailto:banner@mckenziebanner.com)

The Huntingdon City council met Tuesday evening, September 25, with a short but busy agenda of actions.

Council members unanimously approved the lone bid submitted for the restoration project for the tennis courts at Veteran's Park. Barton Sports Construction submitted two bids which were both approved.

The first was a base bid of \$36,000 for restoring the tennis courts and an alternate bid of \$2,500 to turn two of the courts from East/West to North/South.

Mayor Kelley advised the council that town employees will perform demolition and concrete work for the Alternate 1 portion if it is approved. He also advised that there is \$27,000 in commitments from citizens and businesses for this project and anticipates more funding will be received.

Kelley indicated if the bid is approved that the project could be completed in time for the start of Huntingdon High School's tennis season in the spring.

The council also unanimously approved submitting a grant application for a Tennessee Emergency Management Agency (TEMA) Hazard Mitigation Grant. This grant would provide funds to relieve

## Carroll County Property Tax Notices in Mail

Property owners in Carroll County will receive the annual property tax notices in this mail this week.

Paul Bolen, trustee, said the notices are mailed the first week of each October. Taxes are due and payable now and become delinquent on March 1, 2019.

A total of 21,137 parcels of land are included in the mailing and includes \$11,078,129 in taxes due.

The County of Carroll allows property owners to pay property taxes in monthly installments. Ask the staff in the Trustee's Office to establish monthly payments for the next tax cycle.

## CARROLL COUNTY COMMISSION SRO Agreements, PILOT for McKenzie On October Agenda

HUNTINGDON (October 1) — The October 8 agenda for the Carroll County Commission includes interlocal agreements with South Carroll and West Carroll Special School Districts to provide student resource officers (SROs) for the two schools with the schools to pay for the service.

This is the same agreement as the one with McKenzie Special School District, said Mayor Joseph Butler, during the Monday meeting of the Resolutions Committee. The schools contract for the Carroll County Sheriff's Department to provide a certified SRO for the school system.

In other resolutions, the commissioners will consider a resolution to authorize McKenzie Industrial Development Board to issue payment in lieu of taxes (PILOT) benefits to industries.

As a standard practice in recent years, the county will consider a resolution to continue to opt out of statewide building codes for one- and two-family dwellings outside the limits of the municipalities.

The speed limit on Value-McKenzie Road will be reduced to 40 miles per hour from the current 55 if Resolution 10-3-2018 is approved. The 4.5-mile section of

Ricky Skaggs to Perform at The Dixie

Ricky Skaggs and his Kentucky Thunder will roll once again across The Dixie stage November 3, 2018. With two performances, at 2:00 and 7:30 p.m. and a VIP meet and greet event, there has never been a better time to experience one of country music's most legendary musical acts.

Winner of 15 GRAMMY awards, 12 #1 hits, 8 CMA awards, including Entertainer of the Year, Ricky Skaggs is not short on recognition. Additionally, Skaggs has been honored with inductions into the Gospel Music Hall of Fame, the Musician's Hall of Fame, and most recently named as a member elect into the Country Music Hall of Fame Class of 2018. As if that were not enough, Skaggs's phenomenal bluegrass band, The Kentucky Thunder, has scored no less than eight Instrumental Group of the Year Awards from the International Bluegrass Music Association. With such accolades under his belt, it's no wonder that Chet Atkins once credited Ricky Skaggs with "single-handedly saving country music."

Born in 1954 in Cordell, Ken-

tucky, Skaggs showed signs of his musical genius at an early age, appearing onstage with bluegrass pioneer Bill Monroe at 6 and on TV with Lester Flatt & Earl Scruggs at 7. He emerged as a professional bluegrass musician in 1971 when he joined the Clinch Mountain Boys.

However, Skaggs joined mainstream country music in the late 70s when he joined Emmylou Harris's Hot Band. Later, he became a mainstream recording artist in his own right, and the awards started rolling in. There was no denying the appeal of Ricky Skaggs's unique sound helped rejuvenate country music by infusing his bluegrass and traditional country music roots into the contemporary Nashville scene.

It's true that Ricky Skaggs struck his first chords on a mandolin over 50 years ago. And while his career path has traveled in and out of several country music genres and through the creation of his own recording label, Skaggs continues to do his part to lead the recent roots revival in music with no indication of slowing down.

The Dixie Carter Performing Arts and Academic Enrichment Center is thrilled to welcome Ricky Skaggs and The Kentucky Thunder back to their stage for this FirstBank Dixie Live Series Event. Show sponsored by DEX Imaging. Tickets are \$30, \$40 and \$55 and are on sale now at DixiePAC.net and The Dixie Box Office. Contact the Box Office M-F, 10AM-4PM, at 731-986-2100.

Library Lines

BY NIKKI CUNNINGHAM

The Carroll County Library announces a winning submission in the Discovery Park of America Regional Library LEGO® Competition! The LEGO® Competition spans a four-month period from August to November with a new theme each month. Each library in the region is able to submit two entries per month; one for children up through 6th grade and one for 7th grade through adult.

In September, the LEGO® Competition theme was "A Historic Moment" and 8-year old Liam Jones of Huntingdon submitted a LEGO® creation of the Titanic sinking into the Atlantic Ocean. The Library was very impressed with Liam's creation and sent it on to the Discovery Park Competition where Liam's Titanic creation was selected as the winner in his age division! Liam will be given a free pass to the Discovery Park which includes admission into the "LEGO®: Towers of Tomorrow" exhibit as well as an opportunity to win the Grand Prize of a season pass to the Discovery Park!

Liam Jones wins Lego creation contest.

The LEGO® Competition is still underway and the theme for October is NASA; all submissions must be brought to the Library by October 18th! Don't have Legos at home? No problem; just come by the Library and let us know that you would like to build a creation to submit and we will let you use ours! All creations using Library Legos must remain at the Library. Both Lego Club and Lego Club Jr. will be building this month's theme as well. Lego Club for ages 7-12 will meet on October 11th from 5:00p-6:30p and Lego Club Jr. for ages 4-7 will be on October 18th from 5:00p-6:00p.

The Carroll County Library

decorated a booth for the NorthWest Tenn. Children's Book Festival last Saturday held at the Virginia Weldon Park in Martin. The NorthWest Tenn. Children's Book Festival is held annual and is designed to encourage and develop literacy in children and young adults by connecting them with authors in a fun setting, thereby advancing education in the community. There were many local children's book authors at the festival as well as featured author and illustrator Will Hillenbrand.

The Carroll County Library decorated a booth to resemble the book "Down at the Farm" illustrated by Will Hillenbrand which included a straw bale horse photo prop and sensory play area made using a duck pool and corn with tractors for the children to play with. There were lots of crafts, food, and book readings held at the festival as well as children and young adult books that were being given away.

The Library appreciates Susie Cole of Trezevant with Playhouse Petting Zoo for lending us a child's saddle for to use at the NorthWest Tenn. Children's Book Festival. Many children were very excited to get their picture taken sitting in a real saddle just like cowboys and cowgirls!

flooding issues. Mayor Kelly announced there were three different projects under consideration for the grant: enlarging culverts and replacing Williams Street bridge, buyout of three homes in the flood plain, and raising a section of 3rd Avenue.

The "Contract in Lieu of Performance Bond" for the financial assurance of the closure/post closure of the Huntingdon Landfill was amended to show the annual inflation adjustment to the town's liability amount. According to Mayor Kelly, the original agreement was signed in 1995 in the amount of \$645,872 as the town's assurance in the event of a problem during the

30-year post-closure period. Over the years, the 1995 obligation has been reduced to \$94,097.30 through the annual inflation reductions. The current year reduction is \$10,280.13 leaving the liability amount at \$83,817.17. Kelley stated, "Closing the landfill was one of the best things the town ever did."

Councilmembers approved the use of the Kelley Complex baseball park for a fundraiser baseball tournament October 27-28 for the Gamer's baseball team. The team is made up of Huntingdon kids in the 12u age group that will be competing in Cooperstown next summer.

In other council action, a Huntingdon senior was awarded a commendation plaque for winning the design contest for The Dixie's new signs. (see related story)

Mayor Kelley announced that

the 26th Annual Heritage Festival was another successful event despite the weather. "I would like to express appreciation to town employees for going the extra mile to make the day a success and special recognition for the quick cleanup that took place after the festival." Said Kelley.

Kelley also announced that the Huntingdon Special School District was one of 14 Exemplary School Districts and Huntingdon Middle School has earned Reward Status according to the Tennessee State Department of Education.

Event coordinators and participants were very complimentary of the 1000-acre lake and facilities during the recent Inaugural Dixie Triathlon held on Saturday, September 15. There were approximately 300 participants and was well attended by spectators according to Mayor Kelley.

to further support our customers' growth", says Gränges CEO Johan Menckel.

The expansion includes investment in buildings, casters, cold rolling mills, annealing furnaces and slitters. This further positions Huntingdon as one of the most modern and efficient rolling mills in North America. When completed, the capacity in Huntingdon will increase from about 160 ktonnes to nearly 200

ktonnes per year.

"The investment represents a long-term commitment to our customers, employees and shareholders as we grow in support of our strategic markets", says Gränges Americas President, Patrick Lawlor.

The expansion was supported by Tennessee (TN) Governor Bill Haslam, the TN Department of Economic and Community Development, Tennessee Valley Authority, and local Huntingdon Officials.

"In Tennessee, we take pride in the fact that our hardworking residents still make things,"

TN Gov. Bill Haslam said. "The Gränges facility is a vital part of the Carroll County community and I'd like to thank Gränges for committing to create new jobs in Huntingdon and bringing us closer to making Tennessee the number 1 location in the Southeast for high quality jobs."

The project is estimated to take about two years to complete and contribute positively to Gränges operating profit in 2019. This will be the second major investment in Huntingdon since 2000 strengthening Gränges' focus on foil and automotive heat exchanger products.

Huntingdon Senior Wins Dixie Sign Contest

BY JIM POTTS  
banner@mckenziebanner.com

A Huntingdon High School senior was named as the winner of The Dixie theatrical marquee design contest winner during the Huntingdon Council Meeting Tuesday evening, September 25.

Tia Compton, daughter of Jacola Tucker and Elbert Compton, won the contest according to Lori Nolen, director of The Dixie.

Tia was awarded a commendation plaque from the Town of Huntingdon and a \$2,000 scholarship to Bethel University.

Nolen told the council and audience The Dixie was awarded a \$10,000 grant a year ago to do signs for the building. A contest was formed for the best design for the signs. Initially, there were nearly 100 entries in the contest.

An independent panel narrowed down to the five best designs which were taken to TCAT

and made into 3D metal models that were viewed and voted on by the public at the TG Shepard concert held at the Dixie. The models were also viewed by the student body at Huntingdon High School and voted on as well. Nolen advised Compton's design won by wide margins at both viewings.

Tia was awarded a commendation plaque by Mayor Dale Kelly and a \$2,000 scholarship from Bethel University.

# Guest Editorial Journalism Matters In Your Community

BY JIM ZACHARY  
*Valdosta Daily Times*

Beyond the noise of the Beltway and the daily vilification of national media outlets, are community newspapers serving cities, counties and regions throughout the U.S.

Your local newspaper is far from being The Fake News.

Your newspaper is most definitely not The Enemy of the People.

In fact, the paper is the eyes, ears and voice of the people.

The people who work down at the paper are your friends, neighbors or maybe even your relatives.

They are dedicated men and women who work hard every day to inform, educate and entertain you.

Perhaps presidents and political figures have always railed against the media when they feel as if they are under attack.

To malign journalism itself and to paint all journalists with one broad stroke is irresponsible and even dangerous to an open and free society.

The media must play an important role as the Fourth Estate, hold government in check and shine the light on all the actions of our governors. That is the very intention of the First Amendment.

The president does not seem to understand, or care, that all journalists everywhere — even here in your hometown — feel they are under constant attack.

That includes the reporter sitting next to you at the

county commission meeting, the editorialist questioning a property tax increase by local government and the photographer taking pictures at your child's school play.

Each of these local journalists is someone's son, daughter, husband, wife, father, mother, brother, sister or cousin. They are not your enemies or the purveyors of fake news.

They have no desire to spread falsehoods.

They are decent people with tons of integrity. Many of them are young people just getting started in their careers, full of idealism and hope that in their own small way they can help make their own little corner of the world a better place.

Just imagine how it must make them feel every time someone parrots the loose words of the president and calls them The Fake News and The Enemy of the People.

Actually, they see themselves as truth tellers whose only desire is to serve their community. They do so by going to city council meetings, covering high school football games, telling the stories of your neighbors, sharing information about things to do, and, yes, by holding local government accountable when necessary.

It might even be nice during National Newspaper Week, when you see a reporter at a community event, your club or organization, at your child's school or covering a public meeting to go up to them and simply thank them for what they do.

## McKenzie Garden Club September News

The McKenzie Garden Club met Friday, September 28 at the Gordon Browning Library and Museum.

The meeting was called to order by President Donna Hodge. Roll call was done with ten members present. Devotional was read by Gladys Patterson.

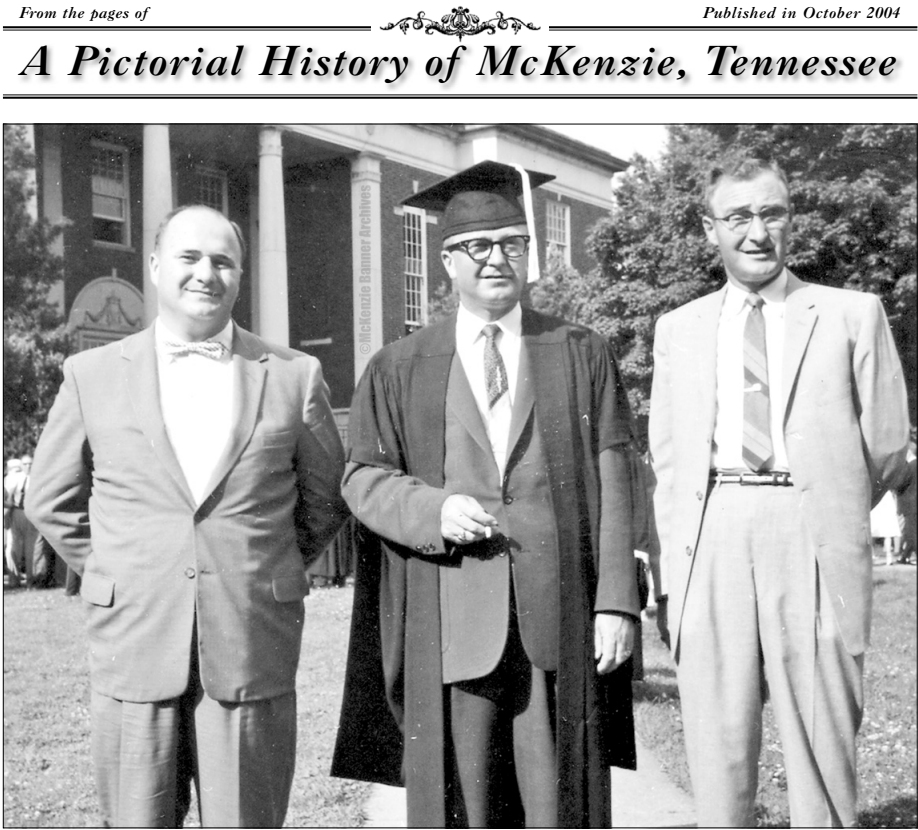

She then reported on correspondence, which included various get well cards sent. A sympathy card was sent to Myra Sasser on the death of her sister.

Having no old business, the club focused on new business. The club had voted last meeting to build a scarecrow for the yearly contest in the city park. Plans were to construct our entry following the meeting.

Hostess Angie Menne in-

troducted our speaker, Mr. Jere Cox, director and archivist of the library. Mr. Cox told about all the materials, including county records of marriages, obituaries, wills and other information to locate ancestral families. He also spoke of the importance of web sites findagrave.com and ancestry.com. He spoke about the life of Gordon Browning, former governor of Tennessee, from his birth to his political life, from World War I to World War II.

The meeting was adjourned following the reading of the Collect. Next month's meeting will be at Lakeside Retirement Center with hostesses Donna Her-  
rin, Donna Hodge and Susan Lawrence.

### HUNKER DOWN WITH KES

## Birds Of A Feather...

The year of 1957 was a wonderful year. For any age. But for a ten-year old, you talk about special...

Now, for sure, we realized that most "older" folks didn't think we knew our elbow from a hot rock. It had nothing to do with liking, or not liking you. Or trust, or worthiness, or the price of eggs in China. They just figured ten was a fairly young age to make much of a contribution. Me and Buddy, Ricky and Bobby didn't hold that against them. Then.....or now.

1957 was the first time we were allowed to walk to the Park Theatre on our own. Can you imagine the freedom? No one was encumbered by a parent or tagging along with an older brother. It was like we owned the world! I'm telling you, the grass was greener, the sky bluer, the air more crisp... passing cars were honking a friendly hello just to us!

The quarter for admission, plus popcorn and drink, was nestled safely in the bottom reaches of our right front pocket. We didn't merely walk the mile or so to town, we high stepped along like kings on a knightly mission!

We didn't need a chaperone, chauffeur, supervisor or watchful eye. Thomas Jefferson and the Adams' boys could write about independence till the cows came home, but it didn't mean diddley-squat until you were taking those first steps down Stonewall Street...unattended!

The self-contained stroll to the Saturday afternoon matinee was just the beginning. You know Ricky, Buddy and Bobby! We'd never heard the term, "outside the box" — but those guys immediately began to test most every boundary erected in our little world in what could only be described as "unusual", "innovative" and possibly, "hair brained" ways.

If we were old enough to walk to town by ourselves, surely we could bicycle over to the baseball field out past Kee's Grocery. And if we could bicycle that kind of distance, we could hike the few miles to Clear Lake. And if we could trek out to the lake, we could easily climb the city water tower. And if we could make it up that monstrously high tower, we could hop the L&N freight train and ride that sucker down to Milan...

A million words on paper could never completely convey what that first measure of independence wrought in our little world! And it went way past testing some kind

of childhood limits. We actually took note of what was going on around us. We didn't know what a Sputnik was. But all of a sudden we cared. If our parents were worried about it, for the first time in our lives, we were too!

We discussed the Cold War. And asked each other what would happen if Russia attacked us. If they dropped an atomic bomb on Memphis, how long would it take the fallout to reach us? We wondered why countries throughout the world couldn't get along. And we weren't in a classroom, we didn't have a textbook and no one was going to grade us on anything!

We weren't mature by any stretch of the imagination. I'm not saying that. And we hadn't grown up "all of a sudden." There was no flash of light. Nobody "Crossed the Rubicon". We were still ten years old for goodness sakes! BUT we had some thoughts... And everybody has got to start somewhere.

We might not have been ready to say it out loud, but we began to understand the world didn't revolve around us. Everybody had feelings. Opinions. Ideas. Goals. Beliefs. Hurts. Wants. Needs. Life could be relentless if you tried to walk it by yourself.

And it dawned on me and Buddy, Ricky and Bobby that we might not grow up to be cowboys after all. We probably weren't going to spend our lives together riding down outlaws, rustlers and bank robbers in the West Texas badlands.

Of course, our immediate future was the next grade in school. But junior high loomed on the horizon. And high school, with all its mysteries and trappings, wasn't that far away. We sought each other's thoughts, fears, hopes and dreams for the days that lay ahead of us. It was a practice we continued through graduation.

1957 was also the summer we pledged to be best buddies forever.

Life, as it turned out, was a bit more complicated than our little minds comprehended on that park bench across from the drug-store way back then. It sent us in different directions, to different states, different jobs and really, different worlds.

It never separated us.

Respectfully,  
Heber

## Morning Glory Garden Club

The Morning Glory Garden Club held its September meeting at Lakeside Retirement Center with Zia Locke and Julia Winters serving as co-hostesses. Following a delicious brunch, President Gena Manner called the meeting to order and asked members to recite the club's motto and the Pledge of Allegiance. Chaplain Julia Winters gave the "Thought for the Day." Following roll call and the reading of the minutes, Vice-President/Treasurer Judy Davis gave the treasurer's report.

Gena then turned the meeting over to Julia Winters, who presented a program on wildflowers and scenery taken while she was touring the West and Northeast. The beautiful pictures showed unique plants in a variety of shapes, colors and growth quite uncommon to Tennessee.

Gena then called for reports from various committee chairs. There was no new correspondence to be reported. The Civic Committee stated that the butterfly garden at McKenzie Elementary School had been cleaned off with the help of Bethel students and replanted.

Chair Donna Hodge stated that the Morning Glory and McKenzie Garden Clubs were joining together to design and make a scarecrow to be placed in Veterans Park during October. The baskets in Veterans Park have been taken care of and even with the drought are looking good.

Leslie Lewis stated she would check with the MES principal to see if he would be interested in allowing the club to conduct the Smoky Bear contest this year and if he would check with his teachers regarding the contest.

The Yard of the Month will be chosen by Group I. There were no reports from the Sunshine and Membership chairs. There was no unfinished business. New business included items that were stored at Gena's, which would need to be stored elsewhere since she would be moving to Nashville sometime in 2019.

Horticulture included Gena's Beautyberry, Rose of Sharon, Knockout Rose and Begonias.

Under announcements, the October meeting will be held at Veterans Park to decorate the scarecrow. Members will be notified of what time to gather and work on the scarecrow.

The meeting was then adjourned with members reciting the club's benediction.

Present at the meeting were Judy Davis, Joan Gibson, Diane Harvey, Donna Hodge, Leslie Lewis, Zia Locke, Gena Manner, Sandi McMahan, Lucille Russell and Julia Winters.

The McKenzie High School ladies' and gentlemen's golf team endured weather elements last week to each win the District 14 Golf Tournament at Sharon.

The ladies were led by

tournament medalist Maggie Glass with a blistering two-over-par 75. Julie French's 92 in her final district tournament for the Rebels earned her an individual third place finish and added to the 167 team total and a dominating 88-stroke victory over their

closest competitor.

Glass and French were joined by senior teammate Mallory Cole in claiming three of the top four individual finishes, with Cole claiming fourth place individually.

The gentlemen defeated Union City by seven strokes

in claiming their District Championship.

Johnathan Moore emerged as tournament medalist, shooting a four-over-par 76. Ben Austin shot 80 to finish fourth individually with Logan Green

## Rebels Take the Win!

Following the season's first game, McKenzie Coach Wade Comer told the Rebel players if they kept working hard that good things would happen. The Rebels did keep working hard with a close overtime loss to West Carroll, a close loss to Scotts Hill, a near win at TCA during which they led by two scores, a tough loss at Waverly, and then put it together on both sides of the ball at Halls and got the win.

Halls won the toss and chose to defer to the second half giving the ball to McKenzie first. They took advantage moving the ball well up to their own 41 in four plays when Eli found a streaking Tyler Spivey for a 59-yard touchdown with 9:26 left in the first quarter. The extra point was no good leaving the Rebels with an early 6-0 lead.

The Tigers answered on their first possession with a 45-yard run by Brennan Seidel on first down to get in Rebel territory in a hurry. The Rebel's defense got stingy giving up only short yardage plays and forced a fourth down play at McKenzie 5-yard line. McKenzie stopped the play short of a first down and took over the ball.

The Rebels went three and out and got off a short punt allowing

**HUNTINGDON** (September 28) — The Huntingdon Mustangs remain undefeated after a dominant Region 6-1A win over the Collinwood Trojans, 42-0.

Huntingdon won the coin toss and deferred possession to the second half.

A line drive kick by Cole Edwards and a tackle by Sebastian Kee put the Trojans back at the 24 to start. Back-to-back penalties moved them back to the 8, and they quickly went three-and-out.

After the downed punt, the Mustangs started their first offensive drive at their own 48. Daquon Robinson ran twice for a net seven yards, then quarterback Hunter

Enlsley took a keeper to the outside for a 45-yard touchdown. Edwards kicked the extra point, and Huntingdon led 7-0 with eight minutes left in the opening frame.

A high kick by Edwards was picked up around the 2 by Carson Ramson, and Mustang Bo McLemore made the stop at the 19. Ramson ran twice for a yard total, then quarterback Jeremiah Tidwell kept on third-and-nine for a first down. Ramson and Tidwell then ran for just four yards on three tries, and Ramson punted, downed at the Huntingdon 37.

Enlsley started with a long pass to Austin Baker for 38 yards. Konnor Pearson ran for four, then Robinson for 13. On first-and-goal from the 8,

Halls to start their next possession at the McKenzie 35. Bryston Diggs and Stephone Haynes broke through and caught the Tiger runner for a loss. After two short yardage gains, Halls found themselves having to punt back to the Rebels at the end of the opening quarter.

McKenzie went three and out again but a big special teams play put the Rebels in Halls territory when the Tiger punt returner fumbled the ball with McKenzie's Jaiden Butler recovering the fumble.

The Rebels took advantage moving the ball down to the Halls 11 where Eli Surber connected with DeShun Woodson for an 11-yard touchdown pass with 6:27 left in the second quarter. Surber completed a 2-point conversion pass to Murphy Watkins to make the score 14-0 for the Rebels.

McKenzie's defense forced a fumble on the next Halls possession giving the Rebels possession at midfield. They ground out yardage behind gains from Surber, Nicholas Bills, and Caleb Gill. Gill found running room on a third and three play and took it 30 yards for a touchdown with 2:52 to play in the half. Diego Calderon split the uprights on the extra point for a 21-0 lead for the Rebels.

On Halls ensuing possession, Stephone Haynes sacked the Tiger quarterback for a loss. The Tiger's got daring when they executed a fake punt pass completion from Brennan Seidel to Justin Moore on fourth and long yardage and got the first down but the Rebels went into the half with a 21-0 lead.

The Tigers received the kick to start the second half and turned the ball over to the Rebels deep in their own territory. Bryston Diggs recovered the fumble putting the Rebels in business at the Halls 26. McKenzie moved it down to the 14 when a bad handoff resulted in a Halls fumble recovery that was returned back to the Halls 43.

The Tigers moved the ball into McKenzie territory where the Rebels forced them into a fourth and long at McKenzie's 20. Stephone Haynes batted down a Tiger pass and nearly intercepted it to end their possession.

The two teams swapped possessions into the fourth quarter with McKenzie still leading 21-0. McKenzie's defense came up with a big play again after Halls blocked a Rebel punt attempt and got possession at the McKenzie 36. After a pass completion gave Halls a first down inside McKenzie's 20, Murphy Watkins chased the Tiger quarterback and sacked him for a 13-yard loss all the way back to the McKenzie 31.

Halls got their lone score two

plays later when Justin Moore completed a 'hook and ladder' play to Chandler Nichols for a 48-yard touchdown pass. The extra point was good reducing McKenzie's lead to 21-7 with 7:14 left in the game.

The two teams swapped sessions the rest of the game

with the Rebels getting the ball last and running out the clock for the win.

"This is a huge win and confidence builder," Said Coach Comer. "We've had a lot of kids working hard and they are growing up each and every week."

The Rebels tallied 289 yards offense with Eli Surber completing 8 of 13 passes for 106 yards and two touchdowns and added 32 more yards rushing. Tyler Spivey caught three of those passes for 65 yards and a touchdown. Bryston Diggs led the rushing effort with 70 yards

on the night.

This week McKenzie comes back home after a month on the road and plays host to Adamsville for another region contest. Adamsville is 2-4 on the season losing their last four contests. They are coming off their open date.

CJ Beathard Earns Start Against Los Angeles Charger

Summers' Grandson Takes Over as 49er QB

BY JASON MARTIN

jmartin@mckenziebanner.com

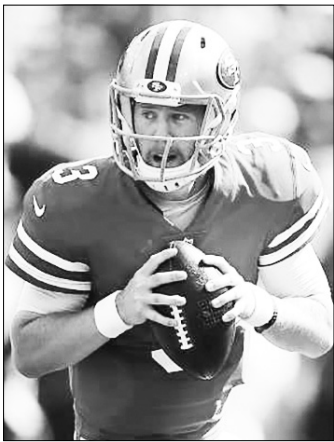

Los Angeles (September 30) — Former University of Iowa standout and Rose Bowl quarterback, CJ Beathard assumed starting quarterback duties for the San Francisco 49ers. Beathard is the grandson of retired Bethel University professor Cindy Summers and nephew to funeral director Joel Summers.

Following a season ending torn ACL for Jimmy Garoppolo in week three at Kansas City, Beathard was given the nod from 49er head coach Kyle Shanahan. He was named starting quarterback last season only

to be benched in week twelve. Shanahan believes Beathard's maturation as quarterback will allow him to step up and play at the necessary level this season.

In Sunday's 29-27 loss to the Los Angeles Chargers, Beathard was 23 of 37 in passing for 298 yards, two touchdowns and two interceptions. Early in the fourth quarter, the 49ers held a 27-26 lead before the Chargers responded with a mid-quarter field goal to take a two point game winning lead.

The young quarterback is in his second season of professional football. At Iowa, Beathard lead the Hawkeyes to a spot in the 2015 Big Ten conference championship against Michigan State. Beathard and his Hawkeyes went on to play Stanford in the 2016 Rose Bowl.

and Nathan Nanney shooting 85 and 91, respectively, to complete the winning 332 team total.

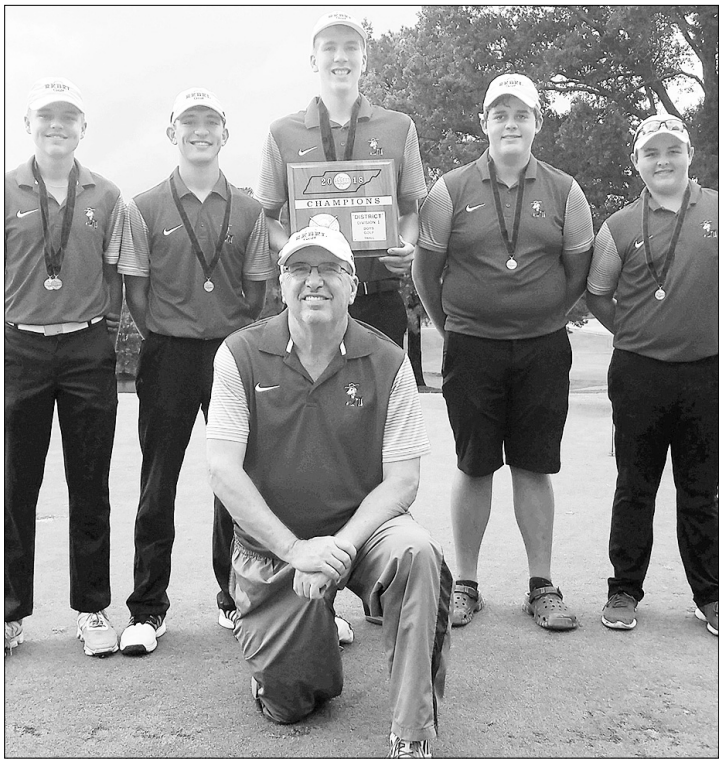

Coach Smith was pleased with his team's play and response to the adverse weather conditions. Said conditions created some modified rules due to standing water on the course, to which Smith noted that the rules sometimes worked for you as opposed to against you when the course presented limitations due to rain.

He hopes both teams can maintain their focus as they play in the region tournament, where only the champion team advances to the state tournament.

Senior ladies Cole, French and Wright and senior gentlemen Austin and Will McBride enjoyed a District Championship in their final district tournament.

With these results, the ladies' record is now 39-8-2 with the gentlemen at 58-5.

...From Sports Front

Enlsey hit a diving Baker in the end zone for the score. Edwards' kick struck the right upright for a rare miss, and the Mustangs led 13-0 with 2:20 left in the first.

Collinwood started at the 24 with Cole Layton running for six. Ramson took two tries to move the chains, then Noah Sanderson ran for two as the quarter ended. Layton started the second with a one-yard gain. Tidwell threw incomplete, nearly intercepted by Mustang Dallas Willis, then Ramson's punt was downed at the Mustang 27.

Pearson ran for nine, then Robinson for 18 and a first down. Enlsey threw incomplete, but Huntingdon was flagged for holding anyway and pushed back to midfield. Willis then ran for a 50-yard touchdown. Edwards nailed the PAT, and the Mustangs led 20-0 with just under nine minutes to play in the half.

Edwards kicked a line drive into the end zone, and the Trojans started at the 20. Layton lost a yard to Pearson, McLemore and Steven Rich, then a false start cost Collinwood another five. Baker and McLemore wrapped up Tidwell for an eleven-yard loss back at the 3, leading to another punt. Robinson made a solid return, but a holding call negated the gain.

Starting at the Trojan 45, Enlsey threw across to Robinson for a short loss. Robinson then ran for seven, and Pearson followed for a first down. Enlsey kept for nine, then Pearson moved the chains again. Enlsey kept for 13 to set up first-and-goal at the 4, then had a touchdown run called back on a penalty. On the next play, Robinson went 16 for the score. Edwards hit a long point-after following a false start, and Huntingdon led 27-0 with two and a half minutes until intermission.

The Trojans started at the 19 and managed a first down on three plays. Tidwell threw incomplete under pressure, then was sacked by McLemore and Devin McClerkin on the last play of the half.

Robinson received the second-half kick around the 30 and returned it to midfield. The Mustangs managed just six yards on three plays and failed to convert on fourth down.

The turnover gave the Trojans good field position at their own 42. They gained just two yards on two plays, then were set back 20 yards on a penalty after the third-down play. Ramson's punt was downed at the Huntingdon 46.

Willis wasted no time, taking the first snap 54 yards for the touchdown. Robinson ran for two points to make the score 35-0 and keep the clock running with eight minutes remaining in the third quarter.

The Mustang defense forced another three-and-out, and Ramson's punt took a long roll

and was downed at the Huntingdon 35.

The good punt was spoiled by Willis, who again scored on the first play. The 65-yard touchdown and Edwards' kick gave the Mustangs a 42-0 lead with under four minutes to go in the third.

The Trojans ran two plays to finish the quarter, then moved the chains on the first play of the final frame. They kept the ball on the ground and managed another first down, but eventually Tidwell threw incomplete on fourth down.

Starting at the Huntingdon 34,

Dejuan Smith and Paxton Weir ran a total of six times for 37 yards and two first downs. Then a personal foul penalty against Collinwood moved the ball to the 15. Smith ran eleven to set up first and goal at the four. He gained a pair, then took it into the end zone. The play was called back on a blocking penalty, and time expired with the score at 42-0.

The Mustangs (7-0, 3-0) will travel to Waynesboro Friday to face the Wayne County Wildcats in another region matchup.

ATWOOD (September 21) — As part of the Tennessee Path to College program, the Tennes-

see Higher Education Commission declared September 17-21 College App Week. Seniors at West Carroll High School celebrated the week with a tailgate party Friday afternoon.

According to guidance counselor and event organizer Mary

Bragg, the party was meant to encourage secondary education.

Students with pickup trucks pulled them around to the back lawn of the campus, where they "tailgated" and enjoyed a cook-out, games and face painting. Representatives from Jackson

State Community College, Bethel University, TCAT-McKenzie, UT Martin, the National Guard and the Marines set up on the lawn to provide information, answer questions and help students begin the application process.

McKenzie Police Reports

**DUI/Implied Consent/Speeding** — Saturday night, September 29, Officer Steven Scott stopped a vehicle for speeding on Walnut Avenue. According to Scott's report, the driver, Gregory Curry of Paris, smelled of an intoxicating substance and had slurred speech. Curry did poorly on the field sobriety tests given and refused to provide a breath or blood sample for chemical testing. He also could not provide his license. He was arrested for DUI and violation of the implied consent law and cited for

speeding and failure to exhibit drivers license.

**Driving on Suspended/Revoked License** — A vehicle was stopped on Forrest Avenue early Saturday morning, September 29, for violation of McKenzie's noise ordinance. According to a report by Officer Steven Scott, The driver, Brian Wainscott of McKenzie, stated he did not have a license or insurance. A license check confirmed Wainscott's license was suspended earlier this year and had previous charges of driving on a suspended license. A plate

check also showed him to be driving on an expired tag with a decal from another vehicle. Wainscott was arrested for 3rd offense driving on a suspended license, cited for no proof of insurance, unlawful removal of a plate decal, and given a warning for the noise violation.

**Simple Possession/Drug Paraphernalia** — Officer Kyle Beauchamp initiated a stop for speeding on Euclid Avenue Friday afternoon, September 28. According to Beauchamp's report, he smelled a strong odor of marijuana as he approached the vehicle driven by Eli Brown of Cedar Grove. A search revealed a bag of marijuana found under the passenger seat along with a glass pipe. Brown was cited into General Sessions Court for simple possession of a schedule VI drug and possession of drug paraphernalia.

**Vandalism** — Mrs. Janie Rodriguez of Huntingdon along with her daughter Aurora Rodriguez came to the McKenzie Police Department late Friday afternoon, September 28 and reported that their vehicle had been vandalized sometime on

Tuesday, September 25. They initially reported it to Bethel Security. After checking their security video and not finding the incident on video, they advised Rodriguez to report it to McKenzie Police Department. According to a report filed by Officer Kyle Beauchamp, he observed the damaged vehicle and did notice deep scratches in the paint on the hood and the driver's side front quarter panel near the headlight that appeared to be deliberate. The incident remains under investigation.

**Simple Possession/Casual Exchange** — Officer Steven Scott initiated a stop for speeding shortly after midnight, Wednesday, September 26, on Broadway Street. According to the report, Scott smelled an odor similar to marijuana while speaking with the driver, Tyrik Langston of Ashland City, Tenn. A search revealed that Langston and a passenger, Averi Smith of Memphis, both had small amounts of marijuana with them. They were both cited for simple possession of a schedule VI drug.

Gasoline Prices Rise Over Week

Tennessee- Gasoline prices in Tennessee have risen 4.0 cents per gallon in the past week, averaging \$2.61/g yesterday, according to GasBuddy's daily survey of 3,821 stations in Tennessee. This compares with the national average that has increased 1.5 cents per gallon versus last week to \$2.87/g, according to GasBuddy.

Average gasoline prices on October 1 in Tennessee have ranged widely over the last five years: \$2.44/g in 2017, \$2.13/g in 2016, \$1.99/g in 2015, \$3.12/g in 2014 and \$3.20/g in 2013.

Including the change locally during the past week, prices yesterday were 17.5 cents per gallon higher than a year ago and are 4.2 cents per gallon higher than a month ago. The national average has increased 3.5 cents per gallon during the last month and stands 33.4 cents per gallon higher than a year ago.

Areas near Tennessee and their current gas price climate: Chattanooga- \$2.54/g, up 6.2 cents per gallon from last week's \$2.47/g. Nashville- \$2.67/g, up 3.5 cents per gallon from last week's \$2.63/g. Huntsville- \$2.57/g, up 3.4 cents per gallon from last week's \$2.53/g.

"Overarching concern over tightening global oil supplies, in advance of U.S. trade sanctions on Iran, have helped WTI rise \$2.47 a barrel in just the past week, while Brent crude oil picked up nearly \$4 in value to achieve thresholds not seen since November, 2014," said Patrick DeHaan, senior petroleum analyst for GasBuddy.com. "Looking ahead, the squeeze in global supplies will almost certainly put gasoline prices under pressure and provide a strong basis for further increases at the pumps at a time when drivers are accustomed to seeing prices soften."

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
