Carroll County Returns to Top 10 In Unemployment

NASHVILLE — Carroll County is back in the unenviable position of the top seven in unemployment percentages in the State of Tennessee, according to the October 2018 labor force estimates released by the Tennessee Department of Labor and Workforce Development.

Carroll County joins seven other counties in West Tennessee to be listed among the top 10 in unemployment. Those include neighboring Benton, along with Obion, Lake, Lauderdale, Haywood, Hardeman, and McNairy.

From a labor force of 12,080, 11,430 were employed and 650 were unemployed. The percentage of unemployment increased to 5.4 from 5.1 one month earlier, and 4.6 one year earlier.

Henry County's unemployment rate was listed as 4.7 percent in October, up from 4.3 in September, and up from the 4.1 percentage rate one year earlier. The

Weakley County Ambulance Service Awarded Three-Year Franchise Agreement

BY DAVID FISHER

DRESDEN (November 19) — After months of discussions and public hearings, the much-anticipated vote on the ambulance service franchise agreement was finally held during Monday night's meeting of the Weakley County Commission. The two main competitors for the three-year contract were Weakley County Ambulance Service, Inc., which is the county's current ambulance service provider that has served the citizens of the county for 35 years, and Medical Center EMS (West Tennessee Healthcare), which recently purchased Volunteer Hospital in Martin. Both

are not-for-profit organizations.

Following a motion by Commissioner James Roy Pope of Greenfield to re-hire Weakley County Ambulance Service and a second by Commissioner Dennis Doster, the Commission approved the motion by a vote of 10 to eight.

Commissioners voting in favor of the motion were: Dennis Doster, Bobby Dunlap, Eric Owen, Larry Hudson, James Roy Pope, Greg Uersery, Gary Eddings, Scott Fortner, Donnie Essary and James Westbrook.

Seven of the eight "no" votes were cast by Martin commissioners: Larry Taylor, David Bell,

The paving crew from Arrow Paving Company, Inc. worked around tempestuous weather to pave University Drive within the promised month of November.

University Drive Paving Complete

McKENZIE — University Drive in McKenzie is providing a much smoother ride for vehicles. Leveling and an estimated 2,600 tons of asphalt for a two-inch thick surface layer made the one-time rough and ragged 7,900-foot long roadway sleek and pristine.

Arrow Paving Company, Inc. of Lexington, Tenn. was awarded the contract following a bid

of \$94.80 a ton for the asphalt.

Public Works Director Johnny Mercer requested bids to be by the ton, not the completed job. Any asphalt remaining after the completion of the project will be applied to city streets in need of repairs and patching.

The council authorized the issuance of an interest bearing general obligation capital

outlay note of \$350,000 for the paving project and other street repairs within the city limits. The authorization was for a five-year 3.875 percent bond through the Tennessee Municipal Bond Fund. The bond would cost the city \$40,480.20 in interest totaling the expense to \$380,480.20 over the five-year term.

McKenzie Industrial Board Hears Retail Development Consultant

McKENZIE (November 20) — McKenzie Industrial Board heard a presentation by Casey Kidd, chief executive officer, of NaviRetail concerning a proposal to implement a retail development strategy for McKenzie.

Speaking to the board, Kidd said his company provides detailed information about traffic patterns and shopping habits of the local residents and transients passing through the local retail market.

Kidd said the company analyzes credit card data of region-

al retailers and online companies to determine where people are shopping. The information can help local retailers better understand their customers and also determines what gaps exist in services people are purchasing elsewhere.

The company estimates McKenzie has a loss of \$3,657,999 in tax revenues on sales going outside the city and an unmet demand of \$133,017,945 in goods and services purchased elsewhere.

People don't mind driving

to meet their needs, said Kidd. McKenzie can increase its quality of living for its residents by identifying and fulfilling their needs.

Kidd said his company offers analytics and retail development consultants to assist the local community.

The board also heard a report on Pottery Direct's plans to locate in McKenzie in the year 2019 and an update on Campbell Arms Manufacturing.

Dale Overton, David Hawks, Roger VanCleave, Roger Donaldson and Jack Vincent. Sharon Commissioner Colton Nanney also voted against the measure.

Due to a tie vote in a previous Public Safety Committee meeting, the matter was deferred to the full County Commission.

The ambulance franchise agreement is in force from January 1, 2019 through December 31, 2022.

During discussion of the resolution granting an exclusive franchise for the operation of ambulance service within the boundaries of Weakley County, Commissioner Hawks was the only commissioner speaking in opposition to awarding the contract to Weakley County Ambulance Service.

Other commissioners had nothing to say about the issue, having already discussed the matter at length in prior meetings, and after hearing arguments for and against one ambulance service or the other. They have also heard from their constituents, which was evident by the split vote, with those in the Martin area voting against Weakley County Ambulance Service, having expressed support for West Tennessee Healthcare, the new owner of Volunteer Hospital in Martin.

After the meeting, Weakley County Ambulance CEO Jeff Washburn said, "Over the next three years, we've laid out four things we're going to work on. We're going to work on strengthening our staff with more paramedics. It's a nationwide problem. It's not just in Weakley County." He added this would be the number one focus.

"The second thing we're going to work on is building a stronger first responder network throughout Weakley

County in every community," Washburn continued. "I've already talked with some of the fire chiefs about that, and how we can integrate our first responder network across Weakley County.

"The third thing we're going to do is sit down with Volunteer Community Hospital and the fire department and see what we can do to resolve any differences and difficulties that we

have. We want to address that and work with them, so everybody is on the same page as we go forward."

Additionally, Washburn said, "I want to improve the education of our personnel, to get any additional training that we need."

In announcements, Mayor Bynum stated the next meeting is January 14, beginning at 5:30 p.m.

labor force today is 14,160, with 13,500 employed and 670 unemployed.

Weakley County's unemployment rate was listed as 4.3 percent. That matches the September rate and a decline from the 4.7 one year earlier.

Northwest Tennessee has the highest unemployment rate among all districts statewide. The average rate is 4.8 percent.

The rate decreased in 26 counties, increased in 33, and remained the same in 36. The rate is less than 5.0 percent in 81 counties, and 5.0 percent or greater, but less than 10 percent in 14 counties. No counties were higher than 10 percent.

Social Security Matters

BY RUSSELL GLOOR
AMAC Certified Social Security Advisor
Association of Mature American Citizens

Ask Rusty — U.K. Pension Affects Social Security Benefits

Dear Rusty: Today I had my interview for Social Security and was told that because I receive a government retirement pension from the United Kingdom, my Social Security check will be reduced by up to 55%. My question is, how can this be so? My U. K. pension was not a voluntary contribution but a mandatory deduction withheld from my paycheck just like for my U.S. Social Security. Is there any way to get around this drawback? Any information you can give me will be greatly appreciated as I am not financially well off and was depending on both checks and not still having to work after retirement. Signed: Perturbed

Dear Perturbed: If you worked and earned enough separately in both countries to be independently eligible for benefits from each, your U.S. Social Security benefit will be reduced by Social Security's Windfall Elimination Provision (WEP).

WEP was enacted by Congress in 1983 to equalize benefits between those who collect only Social Security, and dually entitled workers who collect both Social Security and a pension from an employer which did not participate in or contribute to Social Security. The United States has Social Security "totalization agreements" with many other countries, and here is an excerpt from the Agreement between the US and the UK:

"A U.K. pension may affect your U.S. benefit. If you qualify for Social Security benefits from both the United States and the United Kingdom and did not need the agreement to qualify for either benefit, the amount of your U.S. benefit may be reduced. This is a result of a provision in U.S. law that can affect the way your benefit is figured if you also receive a pension based on work that was not covered by U.S. Social Security."

The "agreement" referred to is the "totalization" agreement between the United States and United Kingdom which provides for coordination of benefits between the countries.

The bilateral agreement is helpful when someone

has some time working in both countries but not enough in either to qualify for full benefits. In that case the agreement allows for totaling credits earned in both so that a person has enough total credits to be eligible for benefits. But when someone is independently eligible for full benefits in both countries, the Windfall Elimination Provision applies and will reduce Social Security benefits by up to 50% of your U.K. pension amount, or up to the maximum reduction for the year you became eligible for U.S. benefits.

I'm afraid there is no way around this, unless you have more than 20 years of U.S. employment, which contributed to the U.S. Social Security system. The WEP reduction to your U.S. Social Security is less if you have more than 20 years of SS-covered "substantial earnings" and WEP goes away if you have more than 30 years of SS-covered employment with substantial earnings.

But if you have less than 30 years of SS-covered substantial earnings, WEP will reduce your U.S. Social Security benefit. HUNKER DOWN WITH KES

West Texas Ranchers Set New Trend

Our extra nice postmaster answered politely my query concerning the mail business as we approach the holiday season. He mentioned the uptick in online shopping really kept them busy. And added almost as an afterthought, "You wouldn't believe the amount of groceries we handle each day."

I went silent. For some time. How do you shake a coconut to see if it's the one you want via this absentee, long distance purchase technique? How do you know for sure you picked the freshest lettuce in the bin if you're seeing it for the first time at the mailbox? How do you buy grapes, apples and peaches without checking for bruised spots? And I don't even want to think about bananas!

Mother wouldn't dare purchase a watermelon, cantaloupe or grapefruit without thumping, smelling or squeezing it first!

I'm certainly not anti-online shopping. For the right product! There are distinct advantages in not circling the block searching for a parking space, avoiding the long lines and not sifting through endless racks hoping to find a size that fits. AND, you don't have to shave! In lots of ways this phone-in purchasing gig is better than a double bowl full of Neapolitan ice cream.

But it seems to me the American consumer has got to recognize that mile wide chasm between product and produce! We tell those rotten tomatoes jokes...but nobody actually wants them over-ripe and smelling when they show up at the front door.

And there is at least one other serious flaw in this online buying thing. You see

the product—you buy the product. To me that eliminates any possibility of accidental shopping. That's how I pick up my best stuff. Cathy sends me to the grocery to fetch a can of mushroom soup and a box of Ritz Crackers. I "accidentally" see the bread and butter pickles, the Planters mixed nuts, the mustard sardines...and if you take the long way back to the checkout counter you can stumble across the Chips Ahoy cookie section.

I'm not calling this impulse buying. You don't have a real meatloaf sandwich if it's not adorned with bread and butter pickles. You can never have too many Planters nuts. And the mustard sardines and Chips Ahoy speak for themselves...

It would probably shock some millennials to know online shopping wasn't invented by that Amazon fellow. Mr. Sears and Mr. Roebuck beat him to it by a hundred years and more. And I'm not for dead certain positive those two were the first either. It is fairly well documented that a few lone-some West Texas ranchers in the post-Civil War days shopped on line for what was then called Mail Order Brides. It usually worked out well for both parties in most instances, but the return policy was near 'bout nonexistent!

And if you think Walmart or Amazon will deliver about anything to your door, you ain't heard nothing yet. Sears and Roebuck sold houses online. I kid you not! They had five, six...up to 10 room models. The two-story styles were particularly popular. Every house came precut with everything you needed, including detailed

blueprints, to set it up on the lot of your choosing. Most of the houses cost between \$700 to \$1200. And as an extra courtesy, each set of plans came with an estimate of what it would cost to "put together" the house. And the loan department at Sears, for a mere six per cent interest, would gleefully finance your home.

These house sales went the way of the dodo bird by 1940. I'm sure curtailed by the Great Depression and the uncertainty of an impending war. But I'm telling you, it was for many years online shopping on its grandest scale!

We were introduced to the mail order phenomenon by the Sears and Roebuck Company catalogue in the early 1950's. It had hundreds of pages, many in living color, with everything in the world in there but we mostly concentrated on toy trucks, Lincoln Logs, bicycles and Red Ryder BB Guns. We spent hours, lying on that old braided living room rug, picking out the best item tailored just to our particular taste. Of course, I'm not exactly sure we were online shopping. It was more like online looking. We didn't have the money to actually order anything. We were just wishing and hoping. It was kinda like buying coconuts or fresh lettuce online today. And—regardless of the crowds, long lines and parking nightmares—we might ought to hustle downtown and browse through a few of the different stores...before they are all gone!

Respectfully,
Kes

McKenzie Garden Club Meets

The McKenzie Garden Club met Friday, November 16 at McKenzie Cumberland Presbyterian Church.

Hostesses for the occasion were Sarah Brown, Martha Sue Peters and Gladys Patterson. Vice President Donna Herrin called the meeting to order. Roll call was done with 12 members present. Correspondence Secretary Gladys Patterson reported on various cards sent. Cynthia Summers read the financial report, which was unanimously approved. With election of new officers soon, paper ballots were given to each member to vote for their choice of each office.

Glynda Rich gave the devotional called "God's Flowers." This devotional was prepared 25 years ago by Glynda and her mother, Ms. Millie Finley. Pictures of flowers were shown with characteristics of each one.

There was no old business at

this time. Under new business, members discussed the add-a-dish luncheon on December 21, which will be held at Glynda Rich's home. Linda Howton made a motion that, instead of buying gifts for each other, each member should bring \$20 to give out to a needy family. The motion was seconded and passed.

Julia Winters, assisted by Zia Locke, showed slides of flowers and landscapes she had photographed on her many travels throughout the United States.

Refreshments were then served to members and guests. The collect was read and the meeting was adjourned.

Free Flu Shots Available December 5

Statewide Free Flu Vaccination Event

HUNTINGDON — The Carroll County Health Department is offering flu vaccines at no charge to the community during a special “FightFluTN” vaccination event December 5.

“Getting a flu vaccine is the best way to protect yourself, your family and others from the flu and help keep our community healthy,” said Carroll County Health Director Emily Rushing. “The flu can make you very sick, keep you away from work, school and other activities, put you in the hospital or even take your life. We urge everyone in Carroll County who has not received a flu shot yet to get one now, and this event is a great time to do it.”

The Carroll County Health Department is providing flu shots December 5 at no cost

to anyone who wishes to receive one at 633 High Street in Huntingdon from 10 a.m. to 1 p.m.

Seasonal influenza activity is spreading in Carroll County and across Tennessee and is expected to continue for months, so it's important for anyone over six months of age who hasn't had a flu shot this flu season to get one now. The flu vaccine is especially important for infants, young children, pregnant women, adults over age 50 and those with chronic medical conditions. The flu shot remains the best protection against influenza.

For more information about the flu and getting a flu vaccine, call the Carroll County Health Department at 731-986-1990 or visit www.tn.gov/health/cedep/immunization-program/ip/flu-in-tennessee/influenza-immunization.html.

Did You Know?

Dreidels are especially popular during the eight-day Jewish festival of Chanukah. Even though they may seem like novelty items for children, dreidels have a rich and interesting history. In ancient times, Greek Syrians infiltrated areas where many practicing Jews resided. Over time, the Greek Syrians became more oppressive and tried to convert the Jewish people to their pagan beliefs. However, their efforts were not

very successful. As a result, the Greek Syrians established laws that outlawed ritual commandments and the study of the Torah. It is widely believed that Jewish people used dreidels to fool the Greeks into thinking they were just playing a game. Instead, rolls of the dreidel corresponded to numerical equivalents that could represent elements of the Jewish faith, according to My Jewish Learning. Others say the dreidel

was a distraction. Children of Israel would learn the Torah in outlying areas and forests. When Greek patrols were nearby, the children would hide their texts and take out dreidels instead, says Chabad.org. Today the dreidel is a token of the Chanukah miracle. In Israel, the letters upon the dreidel are Nun, Gimel, Hay, and Pay, which stand for the Hebrew equivalent of “a great miracle happened here.” Outside of Israel, the last letter is Shin, which transforms the phrase into “a great miracle happened there.”

Fun By The Numbers
Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Lady Wildcats See Second Half Lead Slip Away, Fall to Talladega

JACKSON (November 24) — The Bethel Lady Wildcats enjoyed a nine-point lead with 1:09 left in the third quarter in the final game of the 2018 Jackson Invitational Saturday night against Talladega but could not hold on as the Tornadoes cut the Wildcat lead to three at the end of the quarter and then outscored Bethel 24-15 in the fourth to beat the Lady Cats 72-66.
The loss dropped No. 21 Bethel to 7-2 while Talladega improved to 8-1.
Bethel had more field goals (26-20) and more three's (7-5) but Talladega's ability to get to the foul line proved to be the differ-

ence. The Tornadoes connected on 27-of-40 free throw attempts while Bethel was just 7-of-14. Bethel had a 40-33 rebound advantage but turned the ball over 22 times against the nation's No. 1 ranked team in steals.
Bethel's Myah Taylor led the Lady Cats with 25 points. Morgan Martin had 12 points and 11 rebounds while Ashton Hulme finished with 11 points.
Talladega's Brijaanee Moore led all scorers with 35 points. She had 29 of those in the second half.
Coach Chris Nelson expressed his disappointment in the loss. "I love this team but I am really

disappointed in how we reacted to adversity in this game. We rushed and took bad shots after they took the lead and we did not handle things the way we should have. We gave up too easy baskets and simply let this one get away. Talladega is a really good team and we are not taking anything away from them but with a second-half nine-point lead you feel you should win. This can be a learning experience if we let it be."
Bethel returns to action November 29 traveling to Faulkner. It will be the SSAC opener for the Lady Wildcats.

Lady Wildcats Beat Lindenwood Belleville in Jackson Invitational

JACKSON — The Bethel Lady Wildcats beat the Lindenwood-Belleville Lynx 79-51 Friday in the 2018 Jackson Invitational held at famed Oman Arena in Jackson. The event is sponsored by Southwest Tennessee Tourism.
The Lady Wildcats ran their record to 7-1 while LUB fell to 1-5. All five Lynx losses have been to Top 25 ranked teams.
After a 3-3 tie the Lady Cats outscored the Lynx 15-3 to lead 18-6 at the end of the first quarter. They extended that margin to 35-17 at the half. Bethel led 48-33 at the end of the third stanza and won going away with a 29-18 margin in the final quarter.
Bethel shot 50 percent connecting on 30-of-60 attempts from the field. The Lady Wildcats were 11-of-22 from the three-point arc. Bethel had a 35-26 advantage in

rebouncing. Bethel matched their season high with 19 assists.
The Lady Cats had a 36-19 advantage in points in the paint and a 29-11 margin in bench points.
LUB was 17-of-53 from the floor at 32 percent. They hit 7-of-28 three-point attempts.
Bethel was led by Myah Taylor with 16 points and seven rebounds. Millie Bryant followed with 14 points and six boards. Morgan Martin had 11 points and eight rebounds. Ashton Hulme contributed with 11 points.
Brianna Mueller led the Lynx with 21 points.
Coach Chris Nelson commented on the victory. "We are proud to get another win against another top 25 team. Lindenwood Belleville has probably played the toughest schedule in the nation thus far this season and will only

improve as the year continues. I thought we had one of our more complete games defensively but we also saw plenty of areas where we had lapses. When they face-guard Myah like that it frees up our weapons and I thought she did a great job sharing. Other people continue to step up and make plays on the offensive end. We were proud of our effort there in the late third and early fourth as they made a run but our girls were able to settle in and finish."
Nelson added, "It will be a quick turnaround against a physical athletic team tomorrow evening in Talladega. It will be a totally different contrast in styles of what we played against tonight."
Bethel closes out the classic Saturday night versus against the Talladega Tornadoes at 8 p.m.

McKenzie Lady Rebels Win Pair at Gibson County Classic

COURTESY TIM MCBRIDE

DYER (November 23-24) — The McKenzie High School Lady Rebels won two games over Thanksgiving weekend at the Gibson County Point Guard Classic.
Friday, they topped the South Gibson Lady Hornets 61-35. Then, on Saturday, they routed the Humboldt Lady Vikings, 48-23.
McKenzie Lady Rebels 61, South Gibson Lady Hornets 35
A slow start to the game saw the first points scored just over two minutes into the game with a Whitley Smith basket. The ladies would score eight more points to go up 10-0 before allowing two free throws by South Gibson halfway into the quarter. An active Lady Rebel defense created many tipped passes, with only one shot attempt by the Lady Hornets in the first 3:30 of the game. McKenzie's 16-7 lead at the quarter would be eleven at the half after a Camille Travis three-point basket with 41 seconds left in the half and a Dani Dyer steal and basket with eleven seconds left in the half.
A McKenzie turnover that led to a quick Lady Hornet basket to start the third quarter would be countered by a McKenzie 17-6 run the remainder of the quarter, triggered by full court pressure that created two consecutive steals and subsequent baskets, to give the ladies from McKenzie a commanding 48-28 lead after three quarters.
The Lady Rebels kept the intensity flowing in the last stanza as a Lilly Bennett basket followed by another Bennett basket after a Shelby Davis steal and assist increased the ladies' lead to 24. The teams would swap points the remainder of the game, with the largest lead coming at 61-32 after a Travis trifecta. The Lady Rebels would cruise the rest of the way, winning 61-35.
Bennett led the scoring with 20, while Whitley Smith added 10 and Anna Callahan with 8.
Lady Rebels 48, Humboldt Lady Vikings 23

The girls opened up a 15-0 lead before two Lady Viking free throws got them on the board with 36 seconds left in the first quarter. Basketball futility was the phrase of the second quarter as the guests from Humboldt finally found the basket from the field with a bucket at the 1:30 mark. McKenzie couldn't take advantage as their first bucket came at the 2:49 mark of the quarter. Lady Rebels led 22-6 at the half. The second half scoring picked up as the ladies outscored Humboldt 12-8 in the third to open up a 34-14 lead after three. A back and forth last quarter saw the Lady Rebels finish the game and secure the 25-point win.
Anna Callahan led the effort with 12 points, 8 of those coming in the second half. Several other players scored from five to seven points to contribute to the win.
The ladies are now 4-1. Both the girls and boys will travel to Bradford on Tuesday.

McKenzie Earns Split at Peabody

COURTESY TIM MCBRIDE

TRENTON (November 20) — McKenzie High School's basketball teams made their first road trip of the season Tuesday, traveling to play the Peabody Golden Tide.
Peabody Lady Tide 41, McKenzie Lady Rebels 38
The girls would have a seesaw game, seeing them down three after one quarter, a deficit that would grow to nine at 26-17 by halftime. The third quarter didn't start well for the Lady Rebels as their deficit would grow to 13 three minutes into the second half. The last five minutes saw the girls go on an 11-3 run to cut the lead to five after three quarters.
The teams traded points throughout the last quarter, with McKenzie getting within one at 39-38 with 91 seconds left in the game. A couple of late Lady Rebel turnovers and the inability to score from the three- to five-foot range the entire game proved

costly, with the girls losing their first game of the season 41-38. The last quarter saw all eight Lady Rebel points scored from the line as the ball just wouldn't fall from close range.
Lilly Bennett and Shelby Davis led the scoring with ten and eight points, respectively.
Rebels 69, Golden Tide 67
Not to be outdone, the boys game also proved to be exciting with the Rebels having to overcome a deficit.
A high-scoring first quarter had the Rebels leading 23-17 at its conclusion. Peabody turned the 'Tide' in the second with a late 9-0 run to turn a one-point deficit into an eight-point lead at the half. The third quarter saw the Peabody lead extend to ten with five minutes left in the quarter. The last five minutes belonged to the guests from McKenzie, as a 17-7 run got McKenzie even at 56 heading to the last stanza.
The last quarter saw the teams regularly swap baskets, with two free throws putting the host Tide men up 67-64 with 2:29 left. A subsequent basket and free throw in consecutive trips down the court by Lucas King tied the game at 67 with 1:41 remaining. The Rebels regained possession, still tied with 70 seconds left following a Peabody miss and called timeout. The Rebels held the ball after the timeout and, with 22.6 seconds left, Ben Austin's shot underneath the basket rimmed out, but he was fouled and hit both free throws to give the Rebels a two point lead. Following a Peabody miss and Rebel rebound with five seconds left, the Tide stripped the ball away and were able to get off a three-point basket. The shot went in, but was ruled no good as the shot left the shooter's hands right after the buzzer sounded to preserve a 69-67 Rebel victory.
Lucas King led McKenzie with 22 points, 16 coming in the second half. Lazarick Hill added 14, with Ben Austin and Nate Whitsell adding 16 and ten, respectively.

ATWOOD (November 20) — The West Carroll High School basketball teams earned an extra helping of Thanksgiving dinner as they opened the season Tuesday with a pair of wins over Milan.
The Lady War Eagles built an early lead, but the Lady Bulldogs clawed their way back to take a two-point lead with five minutes remaining in the game. The West Carroll girls responded with an 8-1 run down the stretch to claim a 50-45 victory.
The War Eagles outscored the Bulldogs in each of the first three quarters, cruising to a 67-57 win.
West Carroll Lady War Eagles 50, Milan Lady Bulldogs 45
The Lady War Eagles led 17-10 after the opening frame, led by Macey Cunningham and Alyssa Butler with five points each (Macey with a three-pointer). Gracie Cunningham scored four points, and Katie Holt hit a three. De'Aja Simmons led Milan with four points, and Katelynn Bradford hit a three. Iyanna Hall had a pair, and Atiya Burns hit a free throw.
Milan closed the gap with an 11-8 edge in the second quarter. Brooklyn Barnes led with seven points, including a pair of threes. Hall and Burns each added a pair. M. Cunningham scored four for West Carroll, and G. Cunningham and Amaya Thompson each had a pair. At the half, the Lady War Eagles led 25-21.
The Lady Bulldogs pulled even closer in the third with a 16-15 advantage, led by Bradford with a pair of three-pointers.

Barnes and Madison Johnson each scored four, Barnes with a three, and Hall added a pair. G. Cunningham led the Lady War Eagles with seven points, including a three-pointer. M. Cunningham, Butler, Thompson and Tatym Keymon each scored two points. Entering the final frame, West Carroll led 40-37.
The Lady War Eagles sealed the win with a 10-8 tilt in the fourth, led by Thompson with six points. M. Cunningham and G. Cunningham each added a pair. Burns scored six for Milan, and Johnson added a pair.
Lady War Eagle Gracie Cunningham led all scorers with 15 points, including a three-pointer. Macey Cunningham scored 13, also with a three. Amaya Thompson had ten points.
Brooklyn Barnes led Milan with eleven points, including a trio of threes. Katelynn Bradford scored nine on a trio of threes, and Atiya Burns also had nine points.
War Eagles 67, Bulldogs 57
In the nightcap, West Carroll had a 19-15 edge after the first frame, led by Tyson Keymon with eight points, including a pair of three-pointers. BETHEL UNIVERSITY ATHLETICS

Bethel Cheer Team Aids Operation Christmas Child

McKENZIE — For the fourth straight year the Bethel University cheer team assembled boxes for Operation Christmas Child. The effort was in conjunction with the NAIA Champions of Character Initiative. The squad assembled 38 boxes. From children to seniors, people pack shoebox gifts each year to bless children in need around the world. The annual drive is sponsored by Samaritans Purse. Samaritan's Purse is a non-denominational evangelical Christian organization providing spiritual and physical aid to hurting people around the world. Since 1970, Samaritan's Purse has helped meet needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ. The organization serves the Church worldwide to promote the Gospel of the Lord Jesus Christ. Coach Leigh Carr said, "I love seeing my kids excel in their sport, but to see them excel in kindness and compassion.... it doesn't get much better than that. I am incredibly proud of them and the love they put into this project."

Wildcats Dominate All Mid-South Conference Bluegrass Football Team

COLUMBIA, Ky. — The 2018 All Mid-South Conference Bluegrass Division teams and individual award winners were announced by conference officials on Thursday. Bethel's (Tenn.) Sam Castronova is the Craig Mullins MSC Bluegrass Offensive Player of the Year, while Lindsey Wilson's (Ky.) Trent Mueller is the MSC Bluegrass Defensive Player of the Year. The individual awards and all-conference teams are selected by a vote of the Bluegrass Division's coaches. Coaches are not allowed to vote for their own players. In addition to the players of the year, Bethel's Davius Prather is the Bluegrass Offensive Freshman of the Year and his teammate David Miller is the Bluegrass Defensive Freshman of the Year. Bethel's Brent Dearmon is the 2018 Ron Finley Bluegrass Division Coach of the Year. Castronova leads the Mid-South with 244 yards of total offense per game as the signal caller for the top scoring offense in the country. He threw for 2,177 yards and added 263 more on the ground to amass 2,444 yards this year. Castronova completed 62.4 percent of his passes while breaking the single-season touchdown record at Bethel with 27. He also leads the MSC and is third nationally in passing efficiency (184.5). Mueller registered 93 tackles from his linebacker position to collect his second-straight MSC Defensive Player of the Year honors. He is fourth in the MSC with 9.3 tackles per game and led the Blue Raiders in total tackles. Mueller was the anchor of a defense that allowed only 18.1 points per game, which ranked fourth in the conference and 16th in the NAIA. Prather hauled in 20 receptions for 610 yards and five touchdowns in his freshman campaign. His 67.8 receiving yards per game was sixth best in the Mid-South and best on the team. Prather was a big-play threat for the Wildcats and averaged 30.5 yards per reception. Miller made 53 tackles from his defensive back position for the Wildcats. He registered 3.5 tackles for loss and added a fumble recovery in his first year. He is part of a secondary that is eighth in the NAIA in passing defense efficiency (96.8). Dearmon led Bethel to a 10-0 regular season during his first year at the helm of the Wildcats. Bethel claimed the MSC Bluegrass Divisional title and is currently ranked No. 3 in the NAIA. Dearmon helped the Wildcats beat four ranked teams this season and reach the post-season for the first time since 2012. Thirty-one players earned first team all-conference honors and 29 were selected second team all-conference as voted on by the coaches. Ties for all-conference teams were not broken. Bethel had ten players named to the 1st team and nine players named to the 2nd team.

Bethel Wildcats Claim Win Over Bearcats

McKENZIE — The Bethel Wildcats bounced back from a heartbreaking Saturday loss to Cumberland University with a 103-82 win over the Brescia Bearcats Tuesday night in Crisp Arena in McKenzie. It was Bethel's 101st game all-time in Crisp Arena. Bethel moved to 4-2 on the season while the Bearcats fell to 3-5 on the year. It was the eighth meeting between the two programs with Bethel now holding an 8-0 lead in the series. Bethel is 3-0 in McKenzie and 5-0 in Owensboro. The Wildcats are 76-25 all-time in Crisp Arena. The Wildcats never trailed in the game and led 46-32 at the half. Their biggest lead came at the 15:24 mark of the second half when they led by 23. The Cats shot 53 percent from the floor hitting 43-of-80 attempts. Brescia shot 51 percent connecting on 29-of-56 percent. The Wildcats entered the game with the nation's sixth-best rebound margin at 17 per game. They had a 44-28 rebound margin in the game. The Wildcats had a 55-35 advantage in points in the paint at 55-35. The Bethel bench outscored the visitors from Owensboro 51-23. Bethel placed five players in double figures with Noah Chatman leading the attack with 16 points and nine rebounds. Chase Nappier had 14, Jarred Walker scored 13 and Isaac Edmondson followed with 11. Foday Sankarary contributed with 10 points. Kayode Daboiku led the Bearcats with a game-high 22 points. Coach Jeff Britt was pleased with the win. "This is a nice win for us. Brescia really works hard and has a nice team. They will win a lot of games and they have a chance to be a good team in their league. We had good balance and once we settled into a good flow I thought we competed really well. Our bench was a nice factor in the game and we need that once we enter league action. I like our chemistry and effort right now." The Wildcats are back in action November 29 when they open SSAC play at Faulkner University.

Henry County Cancer Survivors' Dinner is December 6

PARIS — Cancer patients have to go through so much from diagnosis to treatment, the Paris and Henry County Healthcare Foundation is happy to offer something to help put a smile on their faces. The Caring Hearts Fund hopes that its Annual Ed Roberts Caring Hearts Fund Cancer Survivor Dinner will do just that for cancer survivors and their special guests.

This event was established by the late Ed Roberts in the basement of the HCMC Cancer Center

in 1989 with only a few dollars and 20 guests. The event was then taken over by his wife Barbara after his passing. Barbara gave the dinner over to the Caring Hearts Fund and the Cancer Care Center, but stepped into the organizer role again last year. She and the HCMC staff are back again this year in to help ensure the dinner is a big success.

"We are very excited to be a part of the Ed Roberts Annual Cancer Survivors Dinner again this year," said Tory Daugherty, Director of Marketing and Public Relations at HCMC. "For many of our survivors, this is the only time during the holidays they are able to enjoy a nice meal or even receive a gift. We are excited that the Caring Hearts Fund through the Paris and Henry County Healthcare Foundation can be involved. With the help of Barbara Roberts and many volunteers, this year will again be a treat for our cancer survivors."

The Caring Hearts Fund continues to need your support to help make this meal a special evening for cancer survivors. This year the event will be held at Maplewood Baptist Church in Paris, Tenn., on Thursday, December 6 at 6 p.m. A traditional turkey and dressing meal will be served along with entertainment by Bo Caldwell and the Chill Tonics.

If you are interested in making a donation or volunteering, contact Daugherty at 731-644-8266. Reservations can be made by calling the HCMC Find Line at 731-644-3463. The RSVP deadline is Friday, November 30, 2018.

The Caring Hearts Fund of the Paris and Henry County Healthcare Foundation is a local fund that provides financial assistance for co-pays, insurance premiums, medications and transportation to those cancer patients whom are undergoing cancer treatment at the local Cancer Care Center Henry County and outpatient Chemotherapy Department at Henry County Medical Center.
