McKenzie Kicks Off Sequicentennial Celebration McKENZIE (January 26) — The City of McKenzie officially kicked off its 150th year celebration during an announcement at Park Theatre on noon Saturday. Attendees enjoyed cake, cupcakes, punch, and a presentation by the executive committee announcing the year-long celebration. The celebration included the reading of a proclamation by U.S. Congressman Kustoff on the House floor and the presentation of proclamations by Carroll

County Mayor Joseph Butler, Henry County Mayor Brent Greer, and Weakley County Mayor Jake Bynum.

State Senator John Stevens congratulated the city on its historic anniversary and said a proclamation from the Tennessee Senate will soon arrive.

Leading the celebration is the executive committee comprised of Chairman Jason R. Martin, Vice-Chair Monica Heath, Joel Washburn, Jennifer Waldrup and Mayor Jill Holland.

It is the executive committee's plan to center all events, festivals and celebrations around the history and heritage of McKenzie. This will not be a small feat and will require a great amount of preparation and help throughout the calendar

Terminally-ill Trezevant Man to Meet Favorite Poker Player

BY JOEL WASHBURN

TREZEVANT (January 23) — Trezevant's Zachary Butler is in Las Vegas meeting his favorite poker player at his home. Dream Foundation funded a special meet and greet with his favorite poker player.

Zachary Butler, 33, was diagnosed with Friedreich's Ataxia. He began experiencing symptoms from the rare disease at an early age and became completely disabled by his late teens. Doctors have now given him a six-month life expectancy and he is under hospice care.

His mother, Cynthia Mayberry said the announcement that he is going to meet his favorite poker player has given Zachary new life. He had been losing body mass, but his attitude and health have both improved after he learned he is going to meet Daniel Negreanu, a world-class poker player. He is also getting to visit with Negreanu in his Vegas home.

Meeting at his home on Highway 190, representatives of the Dream Foundation and Genentech, Inc., a biotechnology corporation presented Zachary with the package of information, \$200 cash, and t-shirts for his trip. Elvis (Keith Burnett), Queen of Hearts (Liz Hobbs), Chuk Lamberth and Erin Funderburk were the representatives presenting the package of goodies. Before arriving at the home, they stopped at Little General convenience store in Trezevant and purchased fried chicken, one of Zach's favorite foods.

A weekend accident on a rural Weakley County road resulted in a local man being injured and his vehicle demolished.

At approximately 7:38 p.m. on Saturday, January 26, Braden Stafford of 105 Motherall Road, Gleason, was driving along Old Highway 22 between McKenzie and Gleason, when his 2011 Jeep left the roadway and struck a tree. The impact ripped the vehicle in two.

Weakley County Ambulance Service and McKenzie Fire Department arrived on the scene to provide medical care and other assistance, as needed. The extent of the driver's injuries

Mayors Support Carroll County Children by Signing Smoke-Free Parks, Playgrounds Resolutions

The Carroll County Health Council and Carroll County Health Department kicked off the Carroll County Smoke-Free Parks and Playgrounds Initiative on Tuesday, January 22, 2019, at Mallard's in Huntingdon. Mayors from each of the eight incorporated towns were invited to participate in this latest initiative to promote healthier lifestyles and protect the health of our children.

The Tennessee Department of Health reports the Big Four Health Risks for Tennessee are

Healthy Weight, Physical Inactivity, Tobacco, and Substance Misuse. The Health Council and Health Department have partnered since 2014 to address three focus areas to reduce tobacco use and exposure in Carroll County. They are smoking cessation among pregnant women, preventing youth from beginning tobacco use, and eliminating exposure to secondhand smoke, especially in children. To address these issues, Carroll County has offered the Baby & Me, Tobacco

Free smoking cessation classes to pregnant women who smoke since June of 2014. The Teen Health Councils have increased their tobacco and nicotine (including vaping, juuling, and any electronic nicotine delivery systems {ENDS}) education to their peers, especially in grades 7 through 12.

The Teen Health Councils have also made presentations to school boards, town councils, and organizations regarding tobacco use and secondhand smoke exposure. Two of the

county's five special school districts - Huntingdon and Clarksburg have passed 100 percent tobacco/smoke-free campus and property policies. And, our mayors and other elected officials are promoting smoke-free public spaces.

Members of the Clarksburg Teen Health Council performed The Story of Samantha Skunk and How She Loved Her O's for the forty mayors and health council members participating in the kick-off.

The mayors from Atwood,

Clarksburg, Hollow Rock, Huntingdon, McLemoresville and Trezevant signed resolutions Tuesday discouraging use of any nicotine products, including ENDS in all parks and playgrounds owned, operated, or leased by the towns.

Health Council Chair Rita Foster stated, "We are very fortunate to live in this Carroll County where our elected officials take the lead in promoting the health and welfare of our citizens, especially our children." Carroll County Health Department Public Health Educator Barbara Kelly announced the Health Council and the Health Department would provide each of the towns a park bench in addition to the KIDS BREATHING Thank You For Not Smoking signs and posts for the parks and playgrounds in each of the towns. Randy Crossett and the Town of Huntingdon Public Works Department were recognized for assembling and storing the benches until they could be distributed.

Vannoy Joins Representative Holt's Staff

NASHVILLE — Tennessee State Representative Andy Holt, representing Tennessee's 76th House District, announced recently that Shelby Vannoy (formerly Shelby Day) will be joining his legislative staff in Nashville, Tennessee.

When asked about Mrs. Vannoy, Chairman Holt stated, "Having Shelby back in my office is one of the highlights of this upcoming session. Her knowledge of the district, her excellent work ethic, and her desire to serve rural residents and protect agriculture make her a perfect fit for my office. Vannoy will serve as Representative Holt's legislative assistant in his Nashville office, and assist with Rep. Holt's most recent role as Chairman of House Finance, Ways, and Means subcommittee. Zach arrived in Vegas on Monday via Southwest Airlines, which provided complimentary passage. Traveling with Zach is his mother and care giver, Barbara Elgamal for the four-day, three-night event.

Throughout his life, Zachary has found enjoyment in the little things, including a game of cards. He spends much of his time playing online and in tournaments and dreams of meeting and playing cards with his favorite poker player, Daniel Negreanu. "He would give up his life to sit at a poker table with that man," says Zachary's mother, Cynthia. Zach is confined to a wheelchair and has many limitations in mobility, however, Cynthia said he can pull up to the poker table and play cards.

He was never expected to live past his 20s, said his mother. However, his heart palpitation have worsened in recent months.

Dream Foundation has also arranged accommodations for Zachary and his family while in Las Vegas.

Dream Foundation, the only national dream-granting organization for terminally-ill adults, fulfills final Dreams that provide inspiration, comfort and closure at the end of life. With the support of a nationwide network of volunteers, hospices, health care organizations and committed donors, Dream Foundation has given life to more than 30,000 final Dreams over the last twenty-five years. forming a committee to look at options including the possible sale of the system.

Two months later, at the October board meeting, two men from Tennessee American Water from Chattanooga, made a presentation to the board. Casey Allen and Drew Watson, were in attendance to introduce their company and what they do for municipalities that are having issues with their water systems.

According to Allen, Tennessee American Water is one of the largest privately-owned water and sewer companies in existence and are the fourth largest water system in the state of Tennessee. Their biggest customer in Tennessee is the city of Chattanooga where they invest approximately \$20 million annually into that system. They have had no violations and have a good safety rating with the state. Allen indicated American Water is a community oriented company giving back to the communities that they have investments in which include large and small communities.

Allen stated the reason they were in the area was that four communities within an hour's radius of Trezevant had approached their company about assisting with water system issues. He indicated how they work is if a community was interested in selling their water system assets, the company would come in and do their due diligence checking the financials and physical condition of the system and make an offer to purchase either water assets or sewer assets or both. If a purchase price is agreed upon, any monies in the prospective community's water department accounts would go back to the community. He also stated that

the company would become a taxpayer just like any other business in the community and also would pay franchise fees to the community.

Allen advised the council the company is heavily regulated to the point that they have to go before the state to get any water rate increases approved.

More recently, at last month's meeting, the possibility of having to raise water rates came up when Jeff Goad informed the board that the water department budget was approximately \$15,000 over budget due to unexpected repairs but they would be fine at the end of the fiscal year if there were no more big unexpected expenses. He told the board it was a good time to open discussion on a water rate increase. He reminded the board that in Tennessee if any town or city's water department budget had a deficit for two consecutive years the state would come in and set the water rates for them and he didn't think they wanted that. The choices brought up were either small incremental rate increases or end up having a large increase later. It was mentioned that the Tennessee Association of Utility Districts (TAUD) would come in and evaluate their water department budget as a free service and advise the city what they might do.

Trezevant's monthly board meeting will immediately follow the public meeting.

OPINION

Happy Birthday, McKenzie

et me start by saying thank you to everyone who helped make Saturday's kick-off event a success. My deepest thanks to my fellow members on the executive committee, the staff at the McKenzie Banner for all their hours laying out such a beautiful logo, cake designs and commemorative memorabilia. and thank you to all those in attendance at the Park Theatre. It is a humbling experience representing our great hometown as it turned 150 years old on January 22.

I want to encourage the people of McKenzie to take a hand in celebrating the city's year-long program. We are interested in involving people from all over our great city, not just a select few. There will be many events throughout the year and nothing is set in stone. If you do not have the time to get involved (i.e. you work full time, are raising our future leaders (your children), or your schedule is just full), please e-mail us your ideas and suggestions. To make a difference, you don't have to be at every meeting; you just have to have your heart in the right place and your best foot forward. That's how this year will be a success.

Currently, we are attempting to plan an event in February focusing on Webb School. It would be best for members of the alumni association to be the guiding force. If any of the alumni are interested in helping or taking the lead please contact me, Jason Martin, at the McKenzie Banner as soon as possible.

On February 14, Colonel James Monroe McKenzie's birthday will be celebrated at the newly renovated depot. So be sure to visit the depot for cake and refreshments; there is also a surprise special guest scheduled to greet visitors.

We are also looking for ideas and a group to lead the month of March. Tentatively, a Mardi Gras theme was decided by the planning committee, but if there's something you want to do let us know.

It is our plan to center all events, festivals and celebrations around the history and heritage of McKenzie.

April is "Celebrating Our Heritage;" May will focus on the newly renovated McKenzie Depot; June we will partner with the Gordon Browning Museum; July is the annual Freedom Festival; August is the Sweet Tea Festival and the city will honor the women's suffrage movement; September will be a Homecoming Celebration with a community meal sponsored by local churches and civic groups; October will bring back the cemetery walks; November will honor the veterans of McKenzie with a special presentation; and December will be a closing Christmas-themed ceremony.

If anyone is interested in volunteering or helping sponsor the celebration feel free to contact the 150th executive committee at 731-352-3323 or email us at contact@ mckenzie150.com.

Look for this column each week as we bring you updates on what is planned. I will include various historical synopses about the City of McKenzie and photos focusing around our heritage. If you would like to make a submission to this column feel free to e-mail me directly at jmartin@mckenziebanner. com.

Let's make sure this year will be a success. Thank you, God Bless McKenzie, our state, and our great country.

HUNKER DOWN WITH KES Out Of The Mouth Of Babes...

I was speaking to a fourth grade class about growing up in an era before TV, Nintendo, cell phones and Drew Barrymore. And I was down to that part where the fight broke out over in Frog Jump. I'd set the backdrop for 'em, how as a fifteen year old I had been invited to play for our men's baseball team.

These rival "town teams" Sunday afternoon games were a big deal in West Tennessee back before TV, Nintendo, cell... City pride was on the line! I was honored to be chosen. And I was by a whole heap the youngest player on the team. It was a fourth grade class so I didn't elaborate on all the things a teenager could learn from the older men riding the forty miles down to Frog Jump.

Their baseball field was ancient. The wooden bleachers were just a handful of feet behind home plate. As a matter of fact, I could smell the breath of the leather lung who kept shouting, "Does your mother know you are out of the crib!" every time I came to bat.

Cantrell as he slid hard into second base. The clincher came two innings later when Marvin Williams, a big guy himself, didn't even bother to slide trying to score on "Birddog" Reed's sharp single to left. He just lowered a shoulder and ran right over their catcher!

Both players came up swinging! Both teams erupted towards the combatants... except for me and Bobby Jack. As fans raced on to the field he pulled me over to the bat rack and handed me a Hank Aaron 34 inch, 32 ounce Louisville Slugger and grabbed another bat for himself. "Listen, it's everyone for themselves in these melees; somebody comes close not wearing one of our jerseys, you crown him good!"

I explained to the kids that old "leather lung" remained up in the stands where I couldn't get to him, order was finally restored, Marvin and their catcher shook hands and the game resumed.

I ran out of breath and needed a pause

baseball game here. Or perhaps a giant toad leaped from the Brazil-Frog Jump County Road across two fences and a deep marsh and landed on the front porch of Mr. Everett Hall's sparkling white two-story house. The third row guy jumped out of his seat,

Brazil is in South America!"

Boys and girls, Frog Jump and Brazil ain't nothing as West Tennessee town names go. Just on the other side of the county is the thriving metropolis of China Grove. There are few trees, not one grove of any kind and, unless my elementary geography fails me, it's not noticeably close to China.

They do have a general store that sells fireworks and rice.

If you leave China Grove, drop down to Good Luck, turn left on State Road 105 and drive a dozen miles vou'll find vourself in Skullbone. Now, finally, here's a place with a traceable history. It was so named after the bare-knuckle fights (with a lot of shots against the skull bone) that took place illegally there in the 1890's. People today come from miles around to see the place. George Jones put on a concert in a nearby field one summer.

Bill Hopkins was pitching for the home team. He was a big lefthander with the nastiest curve I'd ever seen. But to set it up, he would blaze his fast ball in under your chin from time to time. "Goat" Hayes, pitching for us, would naturally have to retaliate by breezing a couple of inside "high hard ones" right back at them.

You didn't have to be grown up to see tempers were flying. Their right fielder fanned the fire, spiking Bobby Jack

so I asked if they had any questions. One little fellow in the third row spoke right up. "We'd almost believe this story except there's no way a town could be named Frog Jump!"

Since I'd grown up nearby it never crossed my mind the name might sound a bit implausible. In defending me and the town I explained that possibly a lot of frogs lived in the low lying ponds beyond the right field fence. Or maybe Mark Twain got his idea for "The Celebrated Jumping Frog of Calaveras County" after playing a

Same boy starts shaking his head, You've gone over the edge now; bareknuckles, skullbones, George Jones...if storytelling is your business, you need to find a new line of work!'

Respectfully, Me and my third row Buddy

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

HCMC is Ahead of the Game with Flu Vaccination

COURTESY HENRY COUNTY MEDICAL CENTER

Flu is a serious contagious disease that can lead to hospitalization and even death. Protecting yourself and others during flu season is essential. The CDC recommends we all take three actions to fight the flu.

The number one thing we can do to protect ourselves against the flu is to be vaccinated. Everyone six months of age and older should get the vaccine and even if they did not get it earlier in the flu season, it is never too late to get the flu shot. The CDC recommends a yearly flu vaccine as the first and most important

flu, as well as prevent flu-related hospitalizations and deaths.

Vaccination also is important for health care workers, and other people who live with or care for high risk people to keep from spreading flu to high risk people. The Tennessee Hospital Association recommends that it be mandatory for health care workers to have a vaccination so that those in our hospitals with weaker immune systems would be less likely to be exposed to the illness. For the second year in a row, Henry **County Medical Center active** staff has all received the flu shot minus the handful that has medical exemptions. Those with medical exemptions must wear a mask

mandatory flu shot, but our volunteers have as well and 100% of them have received the flu shot.'

Additionally, 100% of all our providers and physicians practicing at HCMC have had a flu vaccination this year. This includes nurse practitioners, physician assistants, as well as medical doctors, and it is not just our employed providers, but our entire medical staff.

"We are extremely proud of our medical community for their dedication to keeping our patients safe and well," said O'Brien.

The second action that the CDC recommends is to take everyday preventive actions to stop the spread of germs. Try to avoid close contact with sick people

While sick, limit contact with others as much as possible to keep from infecting them. Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it. Wash your hands often with soap and water. If soap and water are not available, use an alcoholbased hand rub. Avoid touching your eyes, nose and mouth. Germs spread this way. Clean and disinfect surfaces and objects that may be contaminated with germs like the flu.

The third recommended action is to take flu antiviral drugs if your doctor prescribes them. If you get the flu, antiviral drugs can treat your illness. Antiviral drugs

Flu-like symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Some people also may have vomiting and diarrhea. People may be infected with the flu, and have respiratory symptoms without a fever.

For more information about the flu, call our Community Educator, Lori Stambaugh, at 731-644-8266 or go to our website at www.hcmctn.org.

While there are many different flu viruses, the flu vaccine protects against the viruses that research suggests will be most common. Flu vaccination can reduce flu illnesses, doctors' visits, and missed work and school due to

during flu season for everyone's protection.

"We are pleased with our staff and their continued support of the flu vaccination for the safety of our patients," said Jacki O'Brien, Director of Infection Control and Education at HCMC. "Not only has our staff complied with the If you are sick with flu-like illness, CDC recommends that you stay home for at least 24 hours after your fever is gone except to get medical care or for other necessities. Your fever should be gone without the use of a feverreducing medicine.

are different from antibiotics. They are prescription medicines (pills, liquid or an inhaled powder) and are not available over-thecounter. Antiviral drugs can make illness milder and shorten the time you are sick. They can also prevent serious flu complications, like pneumonia.

MMS Receives Lowe's Toolbox for Education Grant

The Lowe's Charitable and Educational Foundation awarded a \$2.780 Lowe's Small Toolbox for Education grant to McKenzie Middle School for the installation of a canopy over the rear entrance to the gym. McKenzie

McKenzie Sweeps West Carroll

BY JIM POTTS

banner@mckenziebanner.com

ATWOOD (January 25) — McKenzie made the short trip to Atwood for a pair of crucial District 11A contests against West Carroll. In front of a near full house crowd both games were definitely worth the price of admission.

McKenzie 47, West Carroll 46 The Lady Rebels opened the game with a pair of three-pointers to take an early 6-2 lead. The Lady War Eagles came right back over the next couple of minutes and took a 7-6 lead with 4:30 left in the first period. The two teams played to a 9-9 tie with 2:30 remaining that was broken by another McKenzie third period with a pair of baskets giving them their biggest lead of the game, 26-19, just a couple of minutes into the period. The Lady War Eagles cut into the lead later in the period trailing 34-31 heading into the final period. Bennett led the Lady Rebels with 5 more points during the period.

The fourth period had everyone on the edge of their seats as West Carroll scored a basket and a three ball to take a 36-34 lead. McKenzie tied it 36-36 with a pair of free throws and regained the lead, 39-36, on a three-pointer. The Lady Rebels held the lead until West Carroll tied the game 42-42 with 2:15 to play. McKenzie forced West Carroll into fouling by playing keep away with the ball and took care of business at the free throw line to win 47-46. The Lady War Eagles actually outscored the Lady Rebels 15-13 during the final period.

added 9 points and Gracie Cunningham chipped in 3 points for the Lady War Eagles.

McKenzie 66, West Carroll 54 Just when the fireworks from the girls' contest were clearing, the boys hit the floor for a highly anticipated showdown that did not disappoint and was a lot closer than the final score indicates.

McKenzie scored first but West Carroll hit back to back three balls to take a 6-2 lead and kept the lead until the Rebels took the lead 14-13 on a threepointer by Lazerick Hill. The War Eagles tied it 15-15 only for the Rebels to take an 18-15 lead on a Ben Austin 3-ball to end the period. Austin scored 12 of McKenzie's 18 points during the period.

three ball making it 12-9 heading into the final minute of the period. West Carroll hit a pair of free throws to make it a 12-11 game at the end of one period. All of McKenzie's points came from four 3-pointers.

Both teams swapped leads in the early part of the second period before McKenzie took an 18-13 lead two minutes into the period. Neither team hit a basket for about three minutes until West Carroll cut the Lady Rebel lead to 20-18 with two minutes left before the half. McKenzie went into halftime with a 22-19 lead. Lilly Bennett had six of McKenzie's 10 points during the period.

The Lady Rebels began the

Lilly Bennett and Shelby Davis led McKenzie with 11 points and 10 points respectively. Camille Travis had 9 points for the Lady Rebels. Whitley Smith had 5 points, Savannah Nesbitt had 4 points, Dani Dyer and Anna Callahan had 3 points each, and Mikayla Gill chipped in a pair for McKenzie.

West Carroll had three in double figures led by Macey Cunningham with 13 points. Tatym Keymon had 11 points and Katie Holt had 10 points in the contest. Alyssa Butler West Carroll tied it again 18-18 early in the second period and the game remained close through the remainder of the period with McKenzie taking a 30-26 lead into halftime. Austin and Lucas King scored all of the Rebels' 12 points in the period with 6 points each.

West Carroll cut the Rebel lead to 32-30 early in the third period and again the game stayed close with McKenzie holding a 43-37 lead heading into the fourth period.

The Rebels narrowly outscored the War Eagles 13-11 during the quarter.

The fourth quarter was the most active with the Rebels outscoring West Carroll 21-17. McKenzie took a double digit lead 56-44 forcing West Carroll into fouling to get their hands on the ball. The Rebels drained their free-throws down the stretch to finish the 66-54 win.

Ben Austin led all scorers with 28 points. Lucas King had 17 points while Nate Whitsell and Lazerick Hill added 9 points and 8 points respectively. Caleb Gill chipped in 4 points for the Rebels.

West Carroll was led by Luke Moore with 19 points. Dawson Hardwick had 12 points draining four three-pointers for the War Eagles. Aaron Heckert had 11 points. Jeremiah Bryant, Josh Clark and Zach Heckert all added four points each for West Carroll. Heckert saw his first action since breaking his hand before Christmas against Huntingdon.

McKenzie's win puts them in sole possession of first place in District 11 headed into the final week and a half of the regular season. West Carroll and Huntingdon are in a tie for second place with a few games left before the district tournament.

As of press time, McKenzie has a home district contest against Bruceton tonight, Jan. 29, and will close out the regular season with Senior Night, Friday, Feb. 1 at home against Greenfield. Their last three games will be on the road at Natchez Trace Thursday, Jan. 31 (boys only), at Obion County (Sat, Feb. 2) and another anticipated district matchup at Huntingdon (Tue, Feb. 5).

Huntingdon closes out their regular season playing host to Gibson County tonight (Jan. 29), on the road at Bruceton, Feb. 1, and at home Feb. 5 against McKenzie.

West Carroll plays host to Big Sandy tonight (Jan. 29) then travels to Bradford on Feb. 2 and closes out their regular season at home against Dresden (Feb. 4) and Natchez Trace (Feb. 5, boys only).

Wildcats Win Two, Lose One on the Road

Bethel 90, Stillman 75

TUSCALOOSA, Ala. (January 17) — The Bethel Wildcats entered action Thursday night at Stillman College in Tuscaloosa as one of the hottest teams in the SSAC, winning seven of their last eight outings. That momentum was tempered however with a 90-75 loss to the Tigers.

Bethel dropped to 12-5 overall and 6-3 in the SSAC, while No. 10 Stillman snapped a two-game losing streak and improved to 15-2 and 7-2 in the league. It was the first meeting ever between the two programs.

A cold-shooting first half put the Wildcats in a catch-up mode for much of the night. Stillman led 48-33 at the break. Bethel shot just 30 percent from the field while the Tigers shot 54 percent and hit five threes in the first twenty minutes. Bethel was 1-of-8 from outside.

Bethel shot 36 percent for the game, hitting 28 of 77 shots. The Cats hit 4 of 18 three-point attempts. They were 15 of 25 from the free throw line. Bethel had a 49-40 advantage in rebounds but had 18 turnovers in the game.

The Tigers were 36 of 69 at 52 percent in the game. They knocked down ten three-pointers.

Cayden Edmonson led Bethel with 21 points. Noah Chatman had 17 points and 13 rebounds. Isaac Edmondson scored 11 points.

Coach Jeff Britt said, "Give Stillman a lot of credit for playing hard and playing extremely well. We out-rebounded them but had too many turnovers, and we needed more defensive stops." MOBILE, Ala. (January 19) — After losing at Stillman College Thursday, the Bethel Wildcats looked to bounce back Saturday at Mobile and that is exactly what they did with a 93-82 win over the Rams. Bethel moved to 13-5 overall and 7-3 in the SSAC. Mobile fell to 7-8 and 4-6.

It was the tenth meeting between the two programs, with Bethel now holding a 7-3 margin in the series.

The Wildcats shot 53 percent from the floor hitting 29 of 54 shots. They connected on six three-pointers on just ten attempts and were 28 of 41 from the free throw line. The Rams shot 48 percent, hitting 28 of 58 attempts from the field. They knocked down six threes and were 21 of 25 from the charity stripe. Bethel had a 32-29 advantage in rebounding. The Cats are 10-3 when they out-rebound their opponents.

Bethel's Isaac Edmondson had a game-high 23 points. Chase Nappier followed with 18 points. Braxton Nappier contributed with 12 tallies. Noah Chatman had a double-double with 10 points and 11 rebounds. Charles Cobb finished with 11 points. Will Stanford and Tony-Toni Wright led the Rams with 14 each.

Coach Jeff Britt commented on the victory, "This was a very tough and physical game. Coach Niland does a great job and the Rams get after you defensively. I am really proud of our young men in how they answered the challenge and bounced back after the game at Stillman.

Bethel 92, Blue Mountain 82

BLUE MOUNTAIN, Miss. (January 21) — The Bethel Wildcats

closed out their three-game road trip at Blue Mountain Monday night on Martin Luther King, Jr. Day with a 92-82 win over the Toppers. Bethel improved to 14-5 overall and 8-3 in the SSAC. Bethel has won seven of their last nine outings. The Toppers fell to 8-8 and 2-8. BMC has lost five of their last six.

Bethel is 8-3 at home on the year. Bethel is 77-26 all-time in Crisp Arena. The Cats are 6-2 in road games. The Wildcats are 54-39 all-time versus SSAC opponents.

The Wildcats were 35 of 73 from the floor at 47 percent. They hit nine three-pointers and were 10 of 16 from the free throw line. BMC was 25 of 63 at 39 percent. They hit eight threes and connected on 12 of 16 free throw tries. The Wildcats had a 30-12 advantage in points in the paint. They also had a 14-4 margin in second-chance points.

The Wildcats have scored 80 or more points in 17 of their 19 games this season.

Da' Juonta Ross led the Toppers with 15 points.

Coach Jeff Britt commented on the win, "We are pleased with our effort tonight, especially with the quick turnaround after our trip back from Mobile. We got off to a good start and that is always big on the road. Rebounding is always a key and we did a great job with a 55-32 margin. Another factor was our men looking for the open teammate, and that is why we had five players in double figures. It will be great to get back home for five straight games."

Huntingdon Beats Clarksburg, Loses To Henry County

BY JIM POTTS

banner@mckenziebanner.com

HUNTINGDON — Huntingdon had a busy week last week going on the road to Clarksburg in a District 11A matchup on Friday, January 18 and coming back home last Monday night to host Natchez Trace Academy in a boys' only contest. Last Tuesday, the Fillies and Mustangs played host to Henry County.

Fillies 56, Clarksburg 40

The Fillies and the Lady Rockets went toe to toe in the opening period with Huntingdon holding a slim 14-13 lead after one period. Both teams had balanced scoring with starters for both teams scoring. Three 3-pointers by Huntingdon in the second period helped the Fillies outscore Clarksburg 18-10 in the second period. The Fillies went to halftime with a 32-23 lead.

The Lady Rockets missed a golden opportunity to catch Huntingdon during the third period since the Fillies managed only 6 points in the period. Clarksburg scored 9 to make it a 38-32 contest headed into the fourth period. Another trio of 3-pointers by Huntingdon sparked an 18-point period while the Lady Rockets only scored 8 points. The Fillies won the contest 56-40.

Tyasia Reed and Adyn Swenson led the Fillies with 18 and 15 points respectively. Brooke Butler and Addison Postlethwait added 7 points and 6 points respectively. Alli Jones and Kamaya Harris had 5 points each for Huntingdon.

The Lady Rockets were led by Ashlyn Yarbrough with 13 points followed by Brooklyn Williams with 8 points. Krista Noble and Makiya Abdallah had 6 points each. Sarah Derryberry had 4 points while Jasmine Bailey and Macy Ward chipped in 2 points and 1 point respectively.

Mustangs 70, Clarksburg 36

Huntingdon got off to a hot start against the Rockets leading 20-7 after the first period. They outscored Clarksburg in the second period 14-8 to carry a 34-15 lead into halftime. The third quarter was more of the same with the Mustangs outscoring the Rockets 18-13 to lead 52-28 headed into the final period. Both teams played their younger players in the fourth period with Huntingdon again outscoring the Rockets 18-8 to win the game 70-36.

Dallas Willis and Nik Bynum led the Mustangs with 15 and 13 points respectively while Kaleel Bailey added 9 points. Kameron Gordon had 7, Xavier White had 5, Clay Pinson and Ben Taylor had 4 points each, DeJuan Raglin and Grant Bartholomew had 3 points each while Hunter Ledsinger chipped in a point for Huntingdon.

Clarksburg was led by Jalyn Davis with 11 points followed by Jaran Morris with 8 points. Myles Rogers had 5 points while Lagen Witcher added 3 points. Spencer Webb, Nathan Yewell, Brandon Pendergrass, and Noah Rich all had 2 points each.

Mustangs 73, Natchez Trace 39

The Mustangs played host to Natchez Trace Academy last Monday, January 21, in a boys' only district matchup. They jumped out to a 22-4 first quarter lead and didn't look back enroute to a 73-39 win. Nearly all of the Mustang players got to play and most scored points led by Clay Pinson and Grant Bartholomew with 15 and 11 points respectively. Kaleel Bailey had 8, DeJuan Raglan had 7, Xavier White had 6, Noah Belew and Ben Taylor had 5 each, Dallas Willis had 4, Hunter Ledsinger and Jeb Atkinson had 3 each, Nik Bynum, Drake Butler, and Kieryan Jordon all

chipped in 2 points each for Huntingdon.

Natchez Trace was led by Anthony Morrow with 21 points. Keandra Perry and Lazanck Ballard added 5 points each. Darron Ellison and Malik Perry had 4 and 3 points respectively while Deaundre Johnson chipped in a point.

Henry Co. 45, Fillies 36

Huntingdon's Fillies had opportunities to catch a win against Henry County if the Lady Patriots' perimeter game hadn't been so hot. The Lady Patriots nailed 8 3-pointers in the game while the Fillies hit 3 of them and that would prove to be the difference in the game.

Henry County led 14-10 after one period with Caroline Hudson leading the Lady Patriots with 8 points including a pair of threes. Huntingdon kept it close in the second period outscoring Henry County 10-8 to trail by 1 at halftime 22-21. Hudson again led the Lady Patriots with another 8 points.

The Lady Patriots went on a 7-0 run to start the third period taking a 29-21 lead with 6:00 left in the period. The Fillies answered halfway through the period hitting a three-pointer and a basket back to back to

make it a 29-26 contest. Another 7-0 run by the Lady Patriots to close the period left Huntingdon trailing 36-26 by the end of the period.

The Fillies outscored Henry County in the final period 10-9 but it wasn't enough as they fell 45-36.

Tyasia Reed led Huntingdon with 14 points with Addison Postlethwait adding 8 points. Adyn Swenson and Alli Jones had 6 points and 5 points respectively while Kamaya Harris chipped in 3 points for the Fillies.

Henry County's Caroline Hudson led all scorers with 24 points including 6 of their 8 three-pointers. Kelli Chipman and Mary Raye Smith added 6 and 5 points respectively. Caroline Singleton had 4 points while Lila Boman, Elaina Wood, and Abby Grace Allen all chipped in 2 points each for the Lady Patriots.

Henry Co. 64, Mustangs 48

The Mustangs suffered from a case of cold shooting in their contest scoring only a free throw in the first 6:30 of the first period trailing 12-1 before Nik Bynum nailed a pair of 3-pointers in the final minute to cut the Patriot lead to 17-7 at the end of the period.

Huntingdon's shooting was still chilly in the second period trailing 29-14 with 2:00 left before halftime. The Mustangs got hot and scored 9 unanswered points in the final two minutes to close the gap to 29-23 at the half.

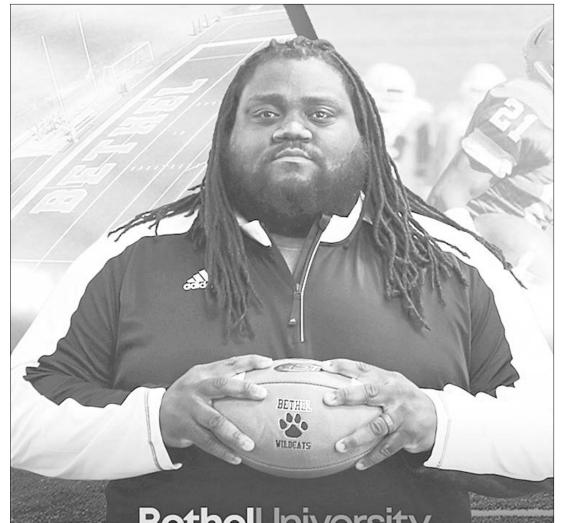

The chilly shooting came back in the third period with the Patriots outscoring the Mustangs 21-11 to make it a 50-34 contest at the end of three periods. Henry County extended their lead to 20 two minutes into the final period 60-40. The Mustangs trimmed the lead to 60-48 before falling to the Patriots 64-48.

Dallas Willis and Nik Bynum led the Mustangs with 13 points each. Kameron Gordon had 5 points, Kaleel Bailey, Hunter Ledsinger, and Noah Belew all had 4 points each. Clay Pinson and Drake Butler chipped in 3 points and 2 points respectively for Huntingdon.

Henry County was led by John Odoms with 23 points and Deon Young with 13 points. Will Singleton had 9 points while Andrew Wimberly had 7 points. Semaj King, Ashton O'Darvel, and Donte Davis chipped in 4 points each for the Patriots.

Michael Jasper Named New Head Football Coach at Bethel University

McKENZIE (January 24) — Bethel Director of Athletics Dale Kelley announced last Thursday night Jasper is the new head football coach at the school. He replaces Brent Dearmon, who resigned earlier this week to take a position on the Les Miles staff at the University of Kansas.

Jasper is the 12th head football coach in Wildcat history. He is one of the more beloved players who has ever played football for the Bethel University Wildcats. Michael Jasper just completed his third season as an assistant with the Cats. He also served as the Assistant Head Coach and worked with the defensive line.

Before joining the Bethel staff, Jasper served as Offensive and Defensive Line Assistant at Bishop Timon High School in Buffalo, New York. Mike spent three years in the National Football League with the Buffalo Bills, New York Giants and Carolina Panthers. Coach Jasper played for the University of Tennessee at Martin in 2005 and was a starter on their 2006 Ohio Valley (Championship team. After redshirting at Middle Tennessee State University, Coach Jasper joined the Wildcats as an offensive and defensive lineman from 2008-2010 and was the firstever Wildcat drafted to the NFL that not only will BU football in 2011 by the Buffalo Bills. He graduated from Bethel University with a Bachelor's Degree in University Studies.

Kelley commented on the announcement, "We are excited Michael has accepted the position as our new head coach. He played here and has been a member of the Bethel family for some time. He brings experience from the NFL and of course from the college level as a player and coach. He is popular with the players and fans, and we feel he will do a great job. He was also a huge part of our success last year as the Assistant Head Coach with Coach Dearmon.

Associate Athletics Director Brad Chappell said, "I first met Mike Jasper when he was in my Psychology of Coaching class in 2011. I am so proud of the man he has become and even prouder to be here as he assumes the role of head football coach at my and his alma mater. Mike's NFL career, his credibility in football circles and his dedication to developing voung men will mediate impact as he takes the reins. Spending the last year as associate head coach during the Wildcats historic run of 2018 has no doubt prepared Mike for what is to come. I have no doubt pick up right where it left off in November but will reach new heights under his leadership."

Coach Jasper said it is an honor to be named coach of the Wildcats. "What an honor to be named head football coach of Bethel University. My history with this university runs deep from my years of playing football for Bethel, being the first player to be drafted to the National Football League, my return back in 2016 to coach offensive line and, mostly recently, the 2018 historic, 10-0 season coaching defensive line. The fact that I'm able to lead this program now means everything. McKenzie has become home for my wife and me. This community has embraced us, and we love it here. My wife Allison and I are thrilled to continue to pour love and our family values into the young men of character that make up this football program." He added, "I want to thank Coach Dearmon for the foundation he laid in rebuilding this football program last year. I'm thrilled

Lady Wildcats Win Three on the Road

Bethel 78, Mobile 73

TUSCALOOSA, Ala. (January 17) — The No. 16 Bethel Lady Wildcats won their fifth straight with a 78-73 win at Stillman College Thursday night in Tuscaloosa. Bethel ran their record to 15-3 and 7-1 in the SSAC. The Tigers fell to 7-8 and 3-5. It was the first meeting ever between the two programs.

Bethel used a 21-11 run in the second quarter to run out to a 38-27 lead at halftime. Myah Taylor led Bethel with 11 points while Tyasia Willis followed with ten points. Freshman Ashton Hulme had a nice half with seven points, three rebounds and two assists.

The Lady Wildcats opened the third quarter with seven unanswered points to lead 45-27. Taylor scored ten of Bethel's first 12 points in the quarter and Bethel led 50-29 at the 6:20 mark. She would go on to score 15 points in the quarter and the Lady Cats led 64-47 at the end of three.

Stillman surged back and pulled within four at 75-71 with less than a minute left but the Lady Cats held on for the 78-73 victory.

The Cats shot 41 percent, hitting 23 of 55 shots from the field. Bethel knocked down nine threepointers. An impressive effort from the free throw line was a huge key for the Lady Cats, hitting 23 of 26 attempts. Bethel had a 38-36 advantage in rebounds. The Lady Tigers hit 25 of 61 shots at 42 percent. They hit ten threes and were 11 of 18 from the free throw line. Taylor, the nation's leading scorer, finished with a career-high 37 points. Hulme had 14 tallies while Willis had 13 points. Willis also had a gamehigh nine rebounds. Alexis Hall led the Tigers with 18 points.

Coach Chris Nelson expressed how proud he and the staff were of the Lady Cats. "We had some ladies step up and play some big minutes with key players out of the lineup. Ashton has experienced some ups and downs since the break but she responded tonight when called upon and was ready on both ends of the floor. Both our point guards controlled the tempo and created good looks in transition and also combined for ten assists. We were able to build a 21-point lead in the third and then the game was stopped due to someone spraying pepper spray behind the scorer's table. Stillman made a run after that, but our ladies settled back in and Myah did what Myah does and hit some big buckets every time it got close." He concluded, "Our staff is really proud of the effort, especially on a night when they could have made excuses but instead they fought hard and through the adversity of the night.'

Bethel 69, Mobile 61 MOBILE, Ala. (January 19) Riding a five-game winning streak, the No. 16 Bethel Lady Wildcats continued their threegame road trip with a showdown against the Mobile Rams Saturday in Mobile. The Lady Cats made it six in a row with a 69-61 win over the Rams. Bethel moved to 16-3 and 8-1 in the SSAC. Mobile dropped to 6-13 and 4-5. The Rams had won three in a row prior to the loss.

It was the 13th meeting between the two programs, with Bethel now leading the series 9-4. The Lady Cats have won four straight in the series. The Lady Cats sprinted out to a 25-10 lead at the end of the first quarter. Mobile answered, outscoring Bethel 23-12 in the second and trailed the Cats 37-33 at the half. Bethel had a 20-12 margin in the third, and it allowed a cushion for the Lady Cats to hold on for the eight-point victory.

Bethel's Myah Taylor was sensational with 35 points and ten rebounds. She knocked down seven of Bethel's ten threes in the game. The nation's leading scorer scored 37 Thursday night at Stillman. Bethel leads the nation in made threes with 183. Madison Steppee had a nice game with ten points and ten rebounds. Tyasia Willis was just short of a doubledouble with 12 points and eight rebounds. Kendra Langham led Mobile with 13 points. Bethel was 24 of 63 from the

floor for 38 percent. Mobile was 20 of 58 at 34 percent. The Rams hit seven threes in the game. The Lady Wildcats had a 45-27 advantage in rebounding. They are 14-2 when they win the battle of the boards.

Coach Chris Nelson was pleased with his team's effort and the result. "That was a lot of fun for our team and staff. It was a physical road battle and I thought our ladies adjusted to the style of the game and were able to withstand some big Mobile runs throughout the contest. We were hot in the first half and built up an 18-point lead, but Mobile battled back and made it tough. I thought we played with a little too much finesse at times, but we adjusted and started to attack again and get to the rim in the second half." He added, "Madison (Steppee) responded in great senior fashion and we needed that. Myah hit some timely shots and didn't settle for the outside shot when the game got tight. Ty (Willis) sparked us with some big buckets off the bench and of course it was comforting to have Morgan (Martin) back in the lineup.

Bethel 80, Blue Mountain 62

BLUE MOUNTAIN, Miss. (January 21) — The No.16 Bethel Lady Wildcats closed out their threegame road trip at Blue Mountain Monday night on Martin Luther King, Jr. Day with an 80-62 win over the Toppers. The Lady Cats moved to 17-3 overall and 9-1 in the SSAC. Blue Mountain dropped to 1-15 and 0-10.

It was the 26th meeting between the two programs, with Bethel now leading the series 25-1. The Cats have won 12 in a row in the series. They are 12-1 in Blue Mountain with the lone loss back in February of 2013.

The Lady Cats are 8-1 at home and 8-1 on the road. They are 1-1 in neutral site games. Bethel is 100-14 all-time in Crisp Arena. They are 44-3 against SSAC foes in the arena. Bethel is 77-15 alltime versus SSAC opponents. Bethel shot 36 percent from the field, hitting 24 of 65 shots. A huge key was Bethel's ability to get to the free throw line and then hit their attempts there. The Cats hit 26 of 30 from the charity line. Bethel also had a 52-34 advantage in rebounding. The Cats had a 16-5 margin in second-chance points.

Bethel was led by Myah Taylor, who had 29 points. Taylor was named SSAC Player of the Week earlier in the day. It was the third time this year she has won that award. Taylor has scored 101 points in Bethel's last three games. Morgan Martin had 11 points and a game-high seven rebounds. Brandi Goodman and Millie Bryant scored eight points each. Tyasia Willis came off the bench with ten points and five rebounds. Jada Taylor led BMC with 12 points.

Bethel knocked down nine threes in the game. The Lady Wildcats have hit at least one three-pointer in 412 straight games. The team has hit at least one three-pointer in every game Coach Chris Nelson has coached at Bethel. Bethel has hit a nationleading 189 three-pointers on the

Coach Brent Dearmon Leaving Bethel for Position on University of Kansas Staff

McKENZIE (January 23) — After leading the Bethel University Wildcat football program to its most successful regular season ever, Coach Brent Dearmon is leaving McKenzie to take a position on the University of Kansas coaching staff in Lawrence, Kansas. Kansas is coached by former LSU Coach Les Miles. Dearmon will be the Senior Offensive Consultant for the Jayhawks.

The Wildcats made program history by going undefeated at 10-0 during the 2018 regular season. They also achieved the highest ranking in school history at No. 3 during the year. After falling to Baker University in the first round of the NAIA Championships the Cats finished the season at 10-1. It was the first time the Wildcats had advanced to the NAIA playoffs since 2012. The ten-game winning streak matched the most ever dating back to 2007. Bethel finished 10th in the final poll.

The Wildcats had the No. 1 NAIA scoring offense in the nation averaging 55.0 points per game. They were No.2 in the country in total offense at 540.3

yards per game.

The Wildcats had four selections on the 2018 NAIA All-America teams including the first, second and honorable mention squads. J' Kobi Reddick was named NAIA First Team All-American as a Specialist. He was No. 1 in the nation in punt return yards per attempt at 20.9. He had 355 yards in returns. Reddick returned four for touchdowns. Devante Jimenez led Bethel in receptions with 34 with eight of those for touchdowns. He was named to the second team.

Bethel's Sam Castronova and Jeremy Beaulieu were named to the honorable mention squad. Castronova passed for 2, 453 yards this past season. He threw 28 touchdown passes, which is a new single-season record at the school. He surpassed Dearmon's 25 when he was the signal caller for the Wildcats back in 2003. Beaulieu led the Wildcats in total tackles with 96. He also 8.5 tackles for losses.

Honors at the Mid-South Conference level included Bethel's Davius Prather being named the MSC Bluegrass Offensive Freshman of the Year and his teammate David Miller named as the **Bluegrass Defensive Freshman** of the Year. Coach Dearmon was named the 2018 Ron Finley Bluegrass Division Coach of the Year.

Dearmon said Bethel has been a huge part of his life. "It has been one of the greatest jovs of my life to come back home to Bethel and help rebuild the program. This place will always be very a special place to me and my family. Bethel molded me into the player I was, the coach I am, and the man God designed me to be. Bethel Forevermore.³

Bethel Director of Athletics Dale Kelley said it is a bittersweet day for the program and school. "We are happy for Coach Dearmon and this opportunity for him but at the same time we regret to see him leave. He did a marvelous job and the team was exciting to follow. The excitement around the program this past year was phenomenal. We wish him and his family the very best." Kelley added, "At this point we are naming Assistant Head Coach Michael Jasper as the Interim Head Coach.'

The deadline for nominations is March 8 and can be turned in to any board member or the Hall of Fame Board of Directors Carroll County Chamber of Com-

Huntingdon Council Approves Changes to Parks Grant

BY JIM POTTS banner@mckenziebanner.com

HUNTINGDON (January 22) – Huntingdon's town council met in a brief session to take action on a few items. The first was a request by Walter Smothers, Director of Public Safety, to add a section to the Fire Department Policy and Procedure manual to make it OSHA compliant.

The added amendment states: "The use of respiratory protection is required by the Tennessee Occupational Safety & Health Administration (TOSHA) in the control of those occupational diseases caused by breathing air contaminated with harmful dusts, fogs, fumes, mists, gases, smokes, sprays, or vapors when effective engineering control measures are not feasible. Such is the case for the fire service: therefore, the use of respiratory protection is required where hazardous atmospheres are likely."

The fire department already has this equipment in place and uses it when necessary but the policy manual did not address the fact that it is a requirement to use this equipment. This amendment takes care of that. The council approved the amendment unanimously.

The council approved a suspension of the rules of order to address a change order for the LPRF (Local Park and Recreational Fund) Kelly Sports Complex Phase II contract with Miller Contractors.

The change order came about after there were no bidders for HVAC work for the concessions building. Miller Contractors expressed interest in providing this work to prevent further construction delays for the project.

The project engineer determined that the cost proposed by Miller was acceptable as it was below the preliminary budget and they were a state licensed contractor. The change order increases the price from \$57,700 to \$94,600. The change order must be approved by the state's Local Park and Recreational Fund department. The change order was unanimously approved.

A resolution for the control and elimination of tobacco and secondhand smoke in Huntingdon's public parks and playgrounds was unanimously ap-

shall be discouraged within all parks and playgrounds owned, operated, or leased by the Town of Huntingdon and that "Kids Breathing Thank You for Not Smoking" signs shall be placed at all parks and playgrounds owned, operated, or leased by the Town of Huntingdon.

Mayor Dale Kellev reminded council members that they are required by the Ethics Reform Act of 2006 to file a "Statement of Interest" with the Tennessee Ethics Commission by January 31, 2019. Mayor Kelley also announced that the local TN Downtown Steering Committee has met with representatives from the State of Tennessee Economic and Community Development Main Street program concerning the TN Downtowns grant.

The grant allows for downtown properties to apply for Facade Improvement grants up to \$2,500 with a 25% match by the local business/property owners. More information will be available to interested parties once final approval is received from the State.

With no other action, the council adjourned until their next meeting on February 12.

along in life. The older we get the more vital it is to keep both the body and mind engaged. Certainly, a nursing facility which has, for the most part, many in their golden years as residents, faces the daunting task of providing quality activities and events on a daily basis, with the goal of those staying there achieving their best quality of life.

Fortunately for folks in our region, Stephanie Whitt is on the job at Christian Care Center of McKenzie. Stephanie, in her role as Director of Activities combines her love of people with a strong desire to make sure residents at the skilled nursing facility get the most out of each and everv dav.

"Stephanie is so good at what she does," exclaims Christian Care Center of McKenzie Executive Director and Chief Operating Officer Cindy Bruton. "We and our residents are fortunate to have her. She puts a lot of time and effort into selecting just the right activities for people to do, plus is always on the lookout for exciting and entertaining events we can either bring to our facility or take residents out to enjoy."

The mental and physical well-being of residents is key. Accordingly, the variety and scope of activities and ev-

"When people look at what we offer in the way of short-term rehabilitation therapy or long-term nursing care, they not only want to know about the various services we provide, they want to know what else we do for those who stay with us," explains Tracy Pike, Patient Liaison who handles admissions at Christian Care Center of McKenzie. "One of the questions I'm asked the most is- what other things do you offer besides therapy. and nursing care, and meals? People want to know what activities we have and that's where it's so great to have Stephanie Whitt handling this important responsibility for our building. Its several things, and people, which go into the mix at a well-run nursing and rehabilitation center. And for what's done to keep residents active and enjoying their days, there's no one better than Stephanie Whitt. For more information visit cccofmckenzie.com or stop by anytime at 150 Oak Manor Rd.. UT Extension, Coordinated School Health Offering 'Girl Talk'

HUNTINGDON — Girls ages 9-12 and their moms (or female guardians) are invited to attend "Girl Talk," an educational program designed to enhance communication between trusted adults and pre-teen girls about life, changes in the body, behavior and beliefs.

The "Girl Talk" classes will be held on Monday and Tuesday

nights from 6 to 8 p.m. at the UT Extension Office in Huntingdon. The dates for classes are Feb-

ruary 25-26 and March 4-5. Only mothers will attend the first session. Mothers and daughters will attend the remaining

sessions together. The class is limited to 10 mother/daughter pairs and preregistration is required.

The cost is \$20 per mother/ daughter pair.

To pre-register or for more information about "Girl Talk," call Lacy Yeley at the UT Extension Office 731-986-1976.

This will be a special time for mothers and daughters to build a relationship that will last a lifetime.
