Morrisises to Celebrate 65th Wedding Anniversary

The children of Fred and Jean Morris are hosting a reception in honor of their parents' 65th wedding anniversary. A reception is Saturday, June 8, 2-4 p.m. at Grace Baptist Church in McKenzie.

The couple was married June 5, 1953 in Corinth, Mississippi. They now reside in McKenzie, previously Gleason.

Fred was the longtime pastor

of the church and continues his ministry through the Wall of Grace Ministries.

They are the parents of Debbie (Cliff) Brewer, Dana Morris, Rusty (Angie) Morris, and Deanna (Don) White. They have nine grandchildren and 12 great-grandchildren.

The family requests no gifts other than the presence of their friends and acquaintances.

Carroll County Awarded Bus Replacement Funds

NASHVILLE (May 22) — The Tennessee Department of Environment and Conservation announced on Wednesday, May 22, that Carroll County will be awarded funds from school bus replacement grant program under the Volkswagen Settlement Environmental Mitigation Trust. The state of Tennessee received 45.8 million dollars from the VW settlement and established a grant program. School systems were given an opportunity to apply for funds on a 50/50 matching basis. Carroll County applied in October of 2018 and qualified for \$275,700. The funds will be used to replace buses 2009 and older. County Superintendent John McAdams indicated as soon as all the details are known that there will be a public presenta-

tion announcing the grant.

The VW settlement came after the United States Department of Justice filed a complaint against VW alleging the company violated the Clean Air Act. In 2015, VW publically admitted that it deliberately installed a 'defeat device' — software designed to cheat emissions tests and deceive federal and state regulators. This occurred in approximately 590,000 model year 2009-2016 motor vehicles with 2.0 and 3.0 liter diesel engines.

In October 2016 and May 2017, the US District Court in Northern California approved two partial settlements related to the affected vehicles totaling 14.9 billion dollars. A third partial settlement addressing civil penalties and relief was approved by the Court in April 2017. VW paid a 1.45 billion civil penalty to the Department of Justice.

Canovan Named New Civic Center Director

Ben Canovan of Huntingdon is the new director of the Carroll County Civic Center. He begins his service on June 10.

Canovan was among approximately 40 applicants for the position. He interviewed with the Civic Center Committee and was offered the position. Mike Tolley recently retired from that position.

He has 10 years experience managing facilities, operations, and employees. He worked as the turf manager for the West Tennessee Diamond Jaxx, and owned his lawn and pool care business in Medina. He worked as the regional manager of Ace Tire Company in Jackson.

He is married to Brooke Tipitt Canovan.

McKenzie Police Apprehend Fugitive Wanted in Arkansas

McKENZIE (May 30) — Officers with the McKenzie Police Department apprehended a wanted fugitive from Arkansas on Thursday at approximately 2:00 p.m. at a residence located within the city limits of McKenzie. Officers were able to confirm the individual in question was still wanted and that they would extradite.

Thomas E. Bradley was wanted for a Felony Fleeing charge and also a parole violation. Bradley was absconded from the Arkansas Board of Parole as well. West Memphis, Arkansas authorities will extradite Bradley back to their jurisdiction. A female was also arrested for Accessory After The Fact regarding this incident.

MMS is Vocabulary Bowl State Champion

COURTESY CASSIE ELLIS
MMS 7-8th Grade ELA

McKENZIE — The students at McKenzie Middle School have worked diligently this school year, and their hard work has paid off, resulting in a state title as well as being nationally ranked for their vocabulary success.

MMS was introduced to a vocabulary building program in the fall call vocabulary.com. The program is designed to help expose, bridge and build individual vocabulary knowledge.

Each student works at his or her own learning pace to master vocabulary words within an adaptive learning game. The students, along with others at thousands of schools around the United States and Canada, competed in the 2018-19 school year in the annual Vocabulary Bowl, a competition to see which schools can master the most words.

McKenzie Middle School took home the title of 2018-19 Vocabulary Bowl Champion for all schools across the state of Tennessee, as well as finishing tenth in the nation among all Division III schools.

The students mastered over 50,000 words between October 1 and April 30. The Vocabulary Bowl consisted of more than 1.37 million students from 39,702 schools.

Behind this success was the hard work and support of McKenzie's dedicated teachers. The bar has been set high, and MMS is excited to not only meet, but exceed, these goals and achievements in the 2019-20 school year.

Several students from each grade display McKenzie Middle School's state championship banner. Pictured are (L to R): Front Row — fifth graders A'myah Newbill, Sarah Luci and Seth Walker; Second Row — sixth graders Emma Smith, Allie Walker, Taylor Rawls and Guillermo Hickman; Third Row — seventh graders Nicole Gibson, Ma'Kya Taylor, Dakota Cary, Matilda Arnold and Jackelyne Padilla; Back Row — Yajaira Vega, Alajah Gilbert, Hunter Brasfield, Bryson Steele and Jackson Cassidy. Electric Meter Project Nearing Completion

BY JOEL WASHBURN
washburn@mckenziebanner.com

HUNTINGDON (May 30) — Approximately 12,000 of Carroll County Electric's new electric meters are installed throughout the county leaving approximately 3,400 with the former analog meters to replace.

Danny Brawner, general manager of Carroll County Electric, said he expects all meters to be installed by the end of June or July. Once installed, the meters will report the customers' usage to the central office in Huntingdon and eliminate the need for the door-to-door meter readers.

The system works with the meters transmitting a signal to other meters, which report to one of the system's substations. From there, the signal is carried along department-owned fiber optics back to the central office. The new

meters will also help identify any problems of voltage along the service lines.

Ryan Drewry, business manager, said the meters also have a function of providing alarms and events to provide a history of usage or problems at each customer's location. Once the master data management system is fully operational sometime in the future, customers will have an online portal to view their history of usage. A pre-pay option can also be implemented for customers who choose to pay in advance or for those customers who have a history of delinquencies of payments. The pre-pay option also helps reduce the initial payment deposit, which is double the dollar value of the highest prior meter reading.

The system reads the meters 49 times daily — twice each hour and at midnight.

With no other business, the board set the next meeting for June 27.

Paris Native Goldstein to Perform at The Krider

The Paris-Henry County Arts Council welcomes singer/pianist Sammy Goldstein back to the Krider Performing Arts Center stage on Saturday, June 8, at 7 p.m.

His concert "Celebrating Hollywood, Broadway and Beyond" will feature rousing, popular music from movies, theatre productions, and other selections. Goldstein promises a fun and entertaining evening for everyone attending.

Also performing with him on some numbers will be the Paris-Henry County Community Band, under the direction of Mike Holden.

Goldstein is a Paris, Tennessee, native with a long career as a night club and cruise

ship performer. Although he has performed around the world, given the opportunity, he loves returning to Paris and performing for his hometown audiences.

"I always love to my visits to Paris and seeing all of my friends and family," said Goldstein.

Tickets are \$25 for general admission and \$40 for VIPs including an meet-and-greet with Goldstein after the show. Tickets are on sale now at the Paris-Henry County Chamber of Commerce, Jack Jones Flowers and Gifts, and Merison's on Memorial Drive. Tickets are also available online at <http://www.brownpapertickets.com>

MCKENZIE'S 150TH BIRTHDAY

Carroll Arts to Host Heritage Arts Festival

In conjunction with the City of McKenzie's 150th birthday celebration, Carroll Arts will host the Heritage Arts Festival on Saturday, June 8 from 10 a.m.-4 p.m. at downtown Veterans Park.

Local artisans will display handmade arts and crafts, and there will be demonstrations and activities.

There will be assorted old-time games in the park, including checkers, cornhole and horseshoes.

McKenzie Elementary music teacher Joanna Turner will be making musical instruments, and there will be other children's art activities.

Local artists will display

their drawings, paintings, basketry, blacksmithing, metalwork, cross-stitch and quilts in Connie's Place, where there will also be an old-fashioned ice cream social.

The McKenzie Timeline will be available for additional pictures and stories from years past. Please do not bring original pictures as they can't be returned. Have pictures and stories duplicated or written on cards no larger than 4x6.

There will be live entertainment in the gazebo from 2-4 p.m., including Brittany Martin, Cassie Allen, Veronica Davis, Jamie Jones and members of the Cumberland Presbyterian youth choir.

Budget Amendments Highlight County Agenda

Ten resolutions on the agenda of the Carroll County Commission address fiscal year-end budget amendments to the 2018-19 budget.

Commissioners convene June 10, 7 p.m. in the Conference Room of the Carroll County Office Complex to address those resolutions plus one to purchase tractors and mowers for the Highway Department and appointments to the Library Board.

Lori Dillahunt and Christy Brandon are both recommended for reappointment to the Carroll County Library Board with terms ending June 2022.

A resolution to authorize capital outlay notes of \$220,000 for the purchase of two new tractors and boom mowers is on the agenda.

Other resolutions deal with intradepartment transfers to balance the 2018-19 budget.

Resolution 6-1-19 is a transfer of \$10,284.11 from the insurance recovery account to the liability claims account for the Sheriff's Department.

Resolution 6-2-19 is to transfer \$1,920.95 reimbursement

from insurance recovery to a liability account due to damage to a radio repeater in the Cedar Grove area.

Resolution 6-3-19 makes intradepartment transfers of the Highway Department in the amount of \$42,609. The funds are to be pulled from Fund Balance.

Resolution 6-5-19 makes a transfer of \$5,000 within the Department of Education General Purpose School Fund and Resolution 6-6-19 transfers \$903 within the same budget to make changes to the Technology Fund.

Resolution 6-8-19 transfers \$1,271.20 from Reserve Account for the purchase of two HP printers.

Resolution 6-9-19 transfer \$10,900 from Reserve Account in the amount of \$10,900 for various expense accounts for Carroll Academy.

Resolution 6-10-19 transfers \$2,985 from Reserve Account in the amount of \$2,985 for the Carroll County Library.

Resolution 6-11-19 transfers \$85,673 to various expenditure accounts.

U.S. Census Seeking Local Team Workers

McKENZIE (May 21) — McKenzie Rotary Club held Steve Belcher with the U.S. Census speak about the upcoming 2020 census.

Belcher said the he supervises 14 rural counties, in which 2,000 temporary, part-time workers will be hired.

The pay is \$14 per hour and 58 cents per mile. Workers have the privilege of working flexible hours and can work in addition to a full-time regular job.

Initially, workers are needed as address canvassers to map where residents are located.

Later, workers are needed to

survey those households that fail to complete the form that was previously mailed to the household.

The U.S. Census is mandated in the U.S. Constitution to be conducted every 10 years.

An accurate count is essential for local governments to get their share of federal funding.

Also, the Census helps determine the number of county, state, and local government representatives a region has.

Persons can apply online at 2020census.gov/jobs or by phoning 1-855-job-2020.

gown, plus have personal interviews with judges to determine their overall score. On Saturday, the top ten compete for the title. Townsend has performed vocally since the age of three. She

has performed at many charitable events, at churches, and in vocal and beauty contests. She loves to sing, play guitar, and write songs. Townsend is the daughter of Terry and Wanda Townsend of Huntingdon. She is a graduate of Waverly High School, attended Bethel University, where she was a member of Renaissance and on the university's dance team, and studied at SAE Institute of Technology, where she studied audio engineering and music production. The Miss Tennessee Volunteer Pageant is a brand-new entity based in Jackson. It split from the Miss America organization. A separate Miss Tennessee pageant will be held in Knoxville and is part of the Miss America organization. Tera said the new Miss Tennessee Volunteer is headed by the same personnel as the former Miss Tennessee event held in Jackson.

Steve McCadams' Kids' Fishing Rodeo is This Weekend

Calling all youngsters who want to catch fish and win prizes at the same time! The 19th Annual Steve McCadams' "Casting For A Cure" Kids Fishing Rodeo returns to McKenzie's City Park Lake on Saturday, June 8 for a fun-filled morning where even little fish bring on big smiles. Girls and boys ages 15 and under are invited to participate in the free event to benefit the American Cancer Society. Each year McCadams teams up with the Tennessee Wildlife Resources Agency, McKenzie City Parks and Recreation, Relay For Life volunteers and others to host the big event and it is fast approaching. Over 5,000 kids from several states have been introduced to the great sport of fishing since the rodeo's conception at Carroll Lake some 19 years ago. Special plaques and bicycles will be awarded to kids catching the most and biggest fish in four separate age brackets. Age brackets will be 5 and under, 6-9, 11-12, and 13-15 years of age. "Returning to my hometown and hosting this rodeo is my favorite fishing day each year,"

said McCadams, nationally known outdoorsman who lends his name to the event. "Thanks to the help of a tugging catfish, lots of volunteers and donations, the festivity will build some self-esteem in these future fishermen as they fight fish and cancer at the same time." "With the help of donors who open their hearts and pocketbooks each year we send each youngster home with a prize and fond memory. I know we've made a positive impression on these kids over the years and in so doing we helped fight cancer at the same time," continued McCadams, an inductee into the National Freshwater Fishing Hall of Fame and Legends of the Outdoors, who grew up fishing nearby Carroll Lake and participated in Jaycee fishing rodeos there in days gone by. Participants are asked to arrive early and check-in at the registration pavilion. Onsite registration will be from 8-9 a.m. with the actual competition taking place from 9-11 a.m. Loaner rods will be available courtesy of TWRA so every kid will have a chance to fish.

However, kids are encouraged to bring their own bait and tackle. Concessions will be available courtesy of Carroll County Relay For Life teams. "It's a great opportunity for kids to learn about the great sport of fishing while sharing some time with their family and friends," said McCadams, himself a cancer survivor. "I wanted to do something to help fight this terrible disease that affects so many people. It's especially sad to see young kids stricken with cancer but with events like these we can give them hope as we work together to find a cure." The event will coincide with National Fishing Week across America. And, June 8 is Free Fishing Day in Tennessee. McKenzie's City Park Lake is located at 570 Como Street near Bethel University football stadium. For additional information email stevemc@charter.net or call 731-642-0360. To support the event or perhaps honor someone special send your tax deductible donation to: Steve McCadams "Casting For A Cure" Kids Fishing Rodeo, 655 Anderson Drive, Paris, TN 38242.

Cancer Survivors' Dinner is June 11

On Tuesday, June 11, the Carroll County Relay For Life Survivor Dinner is at the Carroll County Civic Center. All cancer survivors, along with one guest, are invited to attend the dinner and evening of celebration. Dinner, prepared by Mallards Restaurant in Huntingdon, will be

served at 6:30 p.m. followed by a short program. Reservations for the dinner need to be made by Monday, June 3, by calling Kathy Whitehead at 986-9221, Johnny Beth Nolen 731-986-8496, or Tracy Teague 731-363-9767. Survivors will also receive their t-shirts to wear for the Relay For Life

event scheduled Friday, June 21, at the Carroll County Civic Center in Huntingdon. Survivor registration on June 21 is 5-6:30 p.m. with the Survivor Ceremony at 7 p.m. followed by the Survivor Lap. Golf carts and Gators are available for anyone not able to walk the Survivor Lap.

These two are the second and third licenses approved with the first being Huntingdon Liquors located in the former Major Market Building on West Main Street. It is owned by Parth Patel of Camden and was approved in February 2019. The board unanimously approved both licenses together and adjourned. The applications now advance to the Tennessee Alcohol Beverage Control Board. During the regular council meeting, Huntingdon citizen Sabrina Robertson made a presen-

tation regarding Edwards Park. She advised that the park is not in good shape with a number of items needing replacing or at least upgrading. These items included: playground equipment being old, inadequate, and dangerous, the pavilion needs repairing, the park lighting needs to be upgraded, address the flooding problem in the children's play area, new pavement, new backboards for the basketball courts, restrooms need upgrading as well as new regulated bleachers. Mayor Kelley advised the board that the city last got grant money for Edwards Park in 2008. A \$150,000 LPRF grant and a \$200,000 capital outlay note for matching funds. That money covered ball field lighting and fencing, playground

improvements, demolition and construction of restrooms and press box, and paving parking lot area. Mayor Kelley thanked Robertson for her presentation stating that "Edwards Park would not be neglected". He advised budget discussions are underway and Edwards Park would be discussed. In other action, Mayor Kelley informed the board that the bids for the CDBG Grant for Williams Street and Highway 22 Sewer Pumping Stations came in over budget. Kelley requested a board rejection of the bids so a request could be sent in to Economic Community Development to reject the bids and do a mini re-bid. The board unanimously approved Kelley's request and rejected the bids.

HUNKER DOWN WITH KES

Build It...And They Will Remember!

I've been doing a study on Moonlight Graham and his role in "Field of Dreams". Burt Lancaster, in his last acting appearance, portrayed Moonlight and he was on screen for just a few minutes in the hour and a half movie.

By all theatrical accounts, that would make him a "supporting cast" member. But when Burt leans across that desk as the real life Archibald Wright "Moonlight" Graham and says to Kevin Costner, "Son, if I'd only gotten to be a doctor for five minutes, now that would have been a tragedy"—the movie takes on new depth. It immediately transcends baseball. There are roles in life that matter way more than chasing down a deep fly ball in centerfield. And for the people in Chisholm, Minnesota, where Dr. Graham practiced for sixty years, families were made whole, miracles were wrought and life was enhanced by his presence.

That doesn't sound like supporting cast to me.

And when I say I've been "doing a study," don't think Google or in-depth interviews or exhaustive searches in dusty attics. I've been cogitating on it. Kinda like those men used to do up at Bill Argo's Gulf Station when I was a boy. They'd kick around an idea until it started making sense.

Maybe there are no "supporting cast" roles in life.

Miss Carolyn Blades spent a mere nine months with us in the first grade. That was two eons and a light year ago. I can

still to this day print my name, spell c-a-t and wait my turn at a drinking fountain.

Pam Garrett is another perfect example. She and I were friends back in high school. We weren't best buddies by any stretch of the imagination. We never dated or "went out". But she was a thoughtful, nice, intelligent classmate who was fun to be around. I liked her.

We went our separate ways after graduation. But I have never forgotten her. I wonder from time to time how she's doing. I bet she still has that laugh that was maybe a tad loud at times but was always so infectious. I don't count her "touch" on my life as of little consequence. Or "supporting". I thank God for her.

Chick King coached the American Legion baseball team for three short summers back in my teens. He taught me to get my hand up quickly by my right ear and make a snap throw to second. I never threw out a runner trying to steal a base for the rest of my career without silently thanking him.

Walter Wilder called me in April of 1969, "Kes, I'm the principal at Port St. Joe High School. How would you like to come to Florida, teach school here and coach football and baseball?" It was a five minute call that changed my life forever... and immediately catapulted Mr. Wilder to "principal" character status for me.

One of those folks I coached with was Wayne Taylor. His coaching feats are legendary in Port St. Joe. We talked football till the cows came home. But you know

what I remember most. He told me when my first son was a few weeks old, "Coach, don't wish Josh to be older so you can talk with him or play ball with him. And when he is older and leaving don't wish him younger and still under your direct touch. You enjoy him at the age he is at the moment."

Wow!

I could list a thousand more but you get the idea. And this story, like all the rest of mine, is not an attempt to mind anyone's business. BUT just maybe we all ought to take a moment to think seriously about the entwinement of life that abounds on every side.

Didn't someone way smarter than me write, "No man is an island?"

And if you think you're unimportant or insignificant at times, I beg to differ. You are the main character in more lives than you may realize. It's an important role. And you should be careful how you play it!

I believe with all my heart there are multitudes of Moonlight Grahams out there.

And that gets us back around to "Field of Dreams". When Dr. Graham finally showed up at Kevin Costner's baseball field in Iowa, he did so to save Kevin's daughter from choking to death on a hot-dog. You don't reckon that short appearance wouldn't make him a main character in that family's life...forever...

Respectfully,
Kes

Dr. James T. Holmes

The Dedicated Physician

In 1956, The McKenzie Banner began "The Banner Salutes McKenzie Citizens." Each week, through a panel of judges, a different person was selected for the honor. In the edition below, The Banner's "Man of the Week" comes from July, 1956 with Dr. James T. Holmes.

The Banner's "Man of the Week" for this issue bears a middle name which has been a source of both pride and embarrassment all of his life. His parents, devote Methodists, named him for an eminent minister of that faith, Bishop James Thoburn. That wouldn't have been so bad, but they chose to call him "Thoburn," and so he is known by his many friends and relatives whose association goes back to his youth. Unusual, generally misspelled, the name has been allowed to remain obscure in maturity.

The spotlight turns and we salute Dr. J.T. Holmes. Words cannot express our appreciation of Dr. Holmes and what he has meant to the welfare of McKenzie.

Dr. Holmes was born on April 15, 1903 in the tiny village of Poplar Springs, in Henderson County, Tenn. His family moved when he was eight to Juno, another village, some five miles from Lexington, Tenn.

Dr. James T. Holmes

He attended the elementary grades at the one-room school at Juno. High school in those days of poor roads meant boarding in Lexington, and he stayed at home and ran his father's farm for four years before moving to Lexington as a boarding student. He and his wife, the former Mary Elizabeth Ball, met as they entered high school together in 1921, became sweethearts and theirs was a romance of 13 years duration when they were married at the First Baptist Church in Lexington, in a beautiful ceremony on October 6, 1934, by Mrs. Holmes' father, the late Reverend Fleetwood Ball.

Dr. Holmes' record as an athlete in high school was outstanding. Star forward on the basketball team for four years, he also excelled in track. In 1928 he won the gold medal for first in pole-vaulting at the track meet held at what is now Memphis State (University of Memphis).

Prior to his entry into the Pharmacy School of the University of Tennessee, he taught school in Henderson County and carried the mail for his father, Jessie L. Holmes. During his three years in Pharmacy School he earned all his expenses by working in Pharmacies in Memphis, spending two years as a pharmacist in the Memphis General Hospital, which was located on the site of the present John Gaston Hospital (demolished in 1990 in order to expand the newer facilities of the Regional One Health Medical Center).

Graduating with a degree of Bachelor of Pharmaceutical Chemistry in 1928, Dr. Holmes received awards for his scholarship and leadership. In 1933, with his brother, J.P. Holmes, now of Lexington, he bought a drug store on Jackson and Evergreen in Memphis, which they operated together for two years, then Dr. Holmes operated it alone until he sold it when he was half way through medical school.

Taking his premedical work at Memphis State when he could spare time, he entered the University of Tennessee College of Medicine in 1936. James Holmes, Jr. was a few months old when his father started this new venture. Lewis Ball Holmes was born while Dr. Holmes was a student in the seventh quarter.

He interned at St. Joseph Hospital in Memphis following his graduation in June 1939 (the hospital where Martin Luther King Jr. was pronounced dead in 1968). Then he spent some nine months as assistant Medical Director with the Tennessee Valley Authority, dividing his time between the offices in Chattanooga and Wilson Dam, Ala.

Dr. and Mrs. Holmes and their sons came to McKenzie to make their home in April 1941, and he opened his offices for practice on May 1, in the building where he is still located (625 North Main St.). On April 1, 1943, their daughter, Mary Elizabeth was born.

Preferring to devote his time to his profession, Dr. Holmes has been reluctant to accept positions which would take him from his patients. But he has just led the McKenzie Lions Club through a successful year in which they won the Clifford Pierce award for superiority over the other clubs of West Tennessee. He is also City Health Officer, chairman of the Carroll County Board of Health, and president of the 14-county West Tennessee Medical Assembly.

He is a member of the McKenzie First Methodist Church and the local Masonic Lodge.

Dr. Holmes' hobby is farming. He knows the business from the days when as an 8-year-old boy, he plowed behind a mule. His farm, some five miles southwest of McKenzie, is being developed along the latest principles of the Soil Conservation program.

Dr. and Mrs. Holmes and their children live in the same house of Paris Street to which they moved 15 years ago. Jim will enter Howard Medical School in September. Lewis will be a Sophomore at Princeton University. Mary Elizabeth will be a student in the eighth grade of the McKenzie Junior High School this fall.

Dr. Holmes retired from general practice on September 1, 1986, after providing care for the McKenzie area for 45 years. In that time, Dr. Holmes delivered the majority of children in McKenzie including my mother (Joy Story Martin) in October 1951.

On October 24, 1988 the legendary physician suffered a stroke and was hospitalized. Dr. Holmes died November 20, 1988. In his obituary it noted, his only vacations were taken to attend the graduation exercises and marriages of his three children, and his aunt Mrs. J. Adrian Bramley of McMoresville convinced him to open a practice in McKenzie.

Carroll County E911 Approves Listing Agreement

HUNTINGDON (May 21) — The Carroll County E911 board unanimously approved a listing agreement with West Tennessee Realty to sell the former E911 office on West Paris Street in Huntingdon with Donald 'Bud' Ricketts being the agent of record. The agreement calls for

the building to be listed for \$186,000 with a real estate commission of 6 percent to Ricketts. Terry Bradshaw made the motion seconded by Steve Price.

In other board news, the emergency services dispatchers sent a card thanking the board for their support during Tele-

communications Week in May.

Chairman Andy Dickson advised the board that AFBA insurance company was offering a no-cost \$5,000 insurance policy to first responders. With no new business, the board voted to adjourn the brief session.

Be the Light

Be Proactive,
Not Pro-anxious

*“Go to the ant, you sluggard;
consider its ways and be wise! It has
no commander, no overseer or ruler,
yet it stores its provisions in summer
and gathers its food at harvest.”*
Proverbs 6:6-8 NIV

Being proactive entails creating
or controlling a situation by
causing something to happen
rather than waiting for it to happen
and then reacting to it. In this
context, “proactive” is usually
contrasted with “reactive,” and we are
often open to the criticism that we
should be more proactive. Knowing
that your car is having problems, the
proactive response would be to make
the repairs ahead of time rather than
waiting for your car to break down on
the side of the road. When thinking
about the future, it is common for us
to worry about events that may or
may not happen, and thus we are
often “pro-anxious,” when we might
be proactive. Anxiety can serve a
useful purpose in our lives; it has been
aply described as an alarm which
warns us of danger. When we have
legitimate anxieties, it is like the

smoke alarm telling us that
something is burning, but when we
have anxiety over nothing, that is like
the false alarm when nothing is on
fire. When the anxieties are real, it is
best to be proactive. When there is
nothing we can do about the
situation, the biblical advice to “not
worry about tomorrow” is appropriate.
When there is something we can and
should do, we should follow the
advice given in Proverbs, and be like
the ant who stores up its food for
the winter.
—Christopher Simon

GUEST DEVOTIONAL

To Seek the Lord

BY DR. DENNIS PRUTOV

People inevitably have questions. Why are we here? What is the meaning of life? Some scientists, the X-Files, and movies like Mission to Mars tell us we descended from aliens. As far as these folks are concerned, the thought of God is alien.

Oddly, these individuals often long to penetrate the supernatural. Scientific materialists probe the paranormal and hunger for extra-normal spirituality. The yearning exists in their hearts because God exists. “That which is known about God is evident within them; for God made it evident to them” (Romans 1:19).

The Bible also gives us reasons for being. Here is one of them. It relates to God. “He made from one man every nation of mankind to live on all the face of the earth, having determined their appointed times and the boundaries of their habitation, that they would seek God” (Acts 17:26-27). Why did God place us on the earth? God put us here so that we would seek Him.

We don't fulfill this purpose as we should. God often uses extreme measures so we will. David prays about people who regard God as alien. “Pursue them with Your tempest and terrify them with Your storm. Fill their faces with dishonor, that they may seek Your name, O Lord” (Psalm 83:16-17). We encounter storms, real and emotional, to get us thinking, praying, and seeking.

GUEST DEVOTIONAL

Blessed To Bless

Katherine Lee Bates stood on Pike's Peak and later wrote of “purple mountains' majesties” and “amber waves of grain.” She concluded that God had definitely shed his grace on this land. His grace brought it from wilderness to a great nation in an amazingly short time. The politics of our day find plenty to complain about in our nation. Approaching her next birthday, let us remember some blessings by which we are blessings.

Our blessing of freedom is an example to the world. We are the first nation created for religious freedom according to Dr. James Kennedy. The Mayflower Compact and all state constitutions showed that the early settlers were out to glorify God. We have more laws for individual freedom than any nation. The whole world can see our warts while many nations hide theirs.

Our people's generosity is a blessing. American religious and government groups send the greatest amount of aid to foreign disasters. How rare it is to hear of Ireland, Saudi Arabia, Ethiopia, Mexico, Bangladesh, Afghanistan give to our disasters

Our free enterprise system is a blessing. We are the envy of nations who still try to crowd in here. We have inspired the fall of oppressive governments. People have the opportunity to succeed as a reward for creativity, hard work, team effort. Our system produces millions of new jobs and we produce technology and manpower to tackle any challenge.

We are blessed to know our God is the Lord. The great disrespect toward Christians today suggests we are not here to be approved. There are plenty of believers in God who reveals himself in Jesus Christ. We can be grateful for churches & organizations which still give God's truth. The Lord has not moved or changed. Let us be careful of words that reduce God. “Put God back in school!”, “Restore God to national life.” We cannot put God anywhere. He has not moved. Many have turned away. He is the same Lord with the same compassion to save & empower us. We can turn, confess and receive his redemption.

We are blessed with great responsibility. Believers in Christ bear great weight for America's well-being: (2 Chron.7:14) “If my people . . . humble themselves and pray and seek my face and turn from their wicked ways, then will I hear . . . and will forgive their sin and will heal their land.” If his people sincerely and properly respond, he will forgive & heal our land. By these and other blessings we can be a blessing.

West Tennessee Antique Engine, Tractor Show Draws Crowd

ATWOOD (June 1) — The annual West Tennessee Antique Engine and Tractor Show returned Saturday to the park at the intersection of Highway 79 and Highway 70.

Approximately 25 machines were exhibited, including a wide range of tractors as well as engines and trucks.

There was also a collection of model tractors and other antique items on display, as well as a variety of concessions.

The event culminated in a Parade of Power to showcase the unique machines in action.

The oldest tractor on hand was a 1935 John Deere Model B, brought by Mike "Spoon" Spratlin of Henderson. Spratlin told The Banner that the tractor had been recertified as having all original parts about five or six years ago. He also noted that the spoke wheels made that particular model highly sought-after. Though he's not a farmer by trade, Spratlin says he grew up in farming and owns seven tractors, five of which are restored.

The oldest piece of machinery overall at the show was a 1913 1 1/4 HP Banner engine brought by Joe Cissell of Fancy Farm, Kentucky. Cissell told The Banner that the engine was actually made by Waterloo Engine Company of Waterloo, Iowa, but was labeled and sold by Banner Engine Company of Lansing, Michigan. He said that unit, which still runs, was likely sold at a large general

store and was used for various jobs such as pumping water and grinding feed. It's one of

about 300 engines Cissell owns, including some which weigh over 3,000 pounds.

Morning Glory June Yard of the Month

The Morning Glory Garden Club has awarded yard of the month for June to Mrs. Wynemia Mouser of Highland Drive. The yard is tastefully landscaped with beautiful double knockout roses across the front of the house. There are a variety of plants, including dwarf holly, boxwood, dwarf yaupon hollies, crepe myrtles and a Japanese maple, which extend to both sides of the house. Your eyes are drawn to the front door, which features a large wreath of magnolia blossoms adorned with a red cardinal bird and her nest. Mrs. Mouser selected all the plantings for this lovely home. She takes great pride in keeping her yard immaculate. Photo by Joel Washburn/The Banner

Triplex at 1000-Acre Lake to Serve Multiple Uses

BY JOEL WASHBURN

washburn@mckenziebanner.com

HUNTINGDON (May 28) — A triplex manufactured building, located at the 1000-Acre Recreational Lake, will soon be available for meetings and other public events, according to Dale Kelley, secretary to the Carroll County Watershed Authority.

The building was a gift from Kilgore Flares in Toone, Tennessee. Kilgore needed it moved from its campus and gifted it to the Watershed Authority if it could be moved promptly. The building is finished inside and screened porches have been added. Additional cosmetic work is to be completed outside along with the construction of a park-

ing lot. Once complete, it can be used by persons choosing to have events at the lake.

In other business during the regular monthly business ses-

sion, commissioners approved the installation of rip rap along the shoreline at 1215 Reed Creek Road as requested by Paul Clift, who will pay the expense.

Thank You

The family of Anita Reid sincerely wishes to thank everyone for the many acts of kindness that were shown to her and us during her sickness and death. Your kindness, concern, and thoughtfulness are greatly appreciated and a comfort to us during this time of sorrow.

Card of Thanks

The Family of Cordie Essary would like to thank Bowlin Funeral Home for their professional service to our family. Scotty and Ronnie, you are great. A special thank you to the entire staff of McKenzie Healthcare for Mom's wonderful care for the past 2 years. She could not have gotten better care. Thanks also to Adams Chapel and McKenzie Healthcare for the wonderful meal provided and the ones from Adams Chapel who served the meal after the funeral at our home. It was so nice to not worry about a meal. Thank you for all the flowers, gifts, phone calls, cards and visits at the funeral home. Thank you especially for the prayers for our families during the past months.

Our Mom loved people and she was one special lady. She would have been amazed at the outpouring of love for her and for us. We will miss her forever but we are assured she is with the Lord and she is able to walk again and is well.

God bless you all.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

MATTER OF RECORD

Carroll County Sheriff's Reports

Warrant — A McKenzie man was arrested on an active warrant May 24 at his residence.

Zachary Edward English, 28, of 17035 Highland Drive was arrested on a warrant for failure to appear. According to the report by Deputy Christopher Adams, he went to the residence to serve a probation violation warrant against another person. While speaking with Roxanne Young, who was at the residence, Adams spotted English walking into a garage. Knowing that there was a warrant out for English, Adams took him into custody and transported him to the Carroll County Jail. Adams noted that English also had a court order prohibiting him from having any contact with Young.

Aggravated Assault — A Huntingdon man was arrested May 27 for allegedly threatening a woman with a firearm.

Dallas Brent Baker, 29, of 420 Thompson Road was charged with aggravated assault. According to the report by Deputy Michael Seavarns, the Sheriff's Department received a call from a relative of victim, Brianna Pugh, also of 420 Thompson Road. The relative said that Pugh had called her and told her that she and Baker had gotten into an argument and that Baker had pointed a loaded handgun at her head with her two children standing about five feet behind her. Pugh told the relative that Baker had made her and her two children leave the house and had then locked them out, after which they walked over to a neighbor's house. When Seavarns arrived at the scene, he found Pugh and children in the driveway of the neighbor's house. Pugh and the children confirmed that Baker had pointed a gun at Pugh. Seavarns drove Pugh back to her residence, where the deputy had to use a crowbar to pry open a locked door in order to enter. While searching the home, the deputy found a large revolver on a nightstand in a bedroom.

Wanted Suspect — Authorities are looking for a Huntingdon man who fled from an officer.

There are active warrants out for the arrest of Billy Andrew Smothers, 32, of 105 Green Valley Road. According to the report by Deputy Michael Smith, he observed a silver Pontiac G6 driven by Smothers turn onto Highway 70 from Kee Street in Hollow Rock on May 28. Knowing that there were active warrants out for Smothers, Smith followed Smother's vehicle. Smith reported that Smothers then turned into a residential driveway, exited the vehicle, and ran on foot into a wooded area. The vehicle Smothers was driving was found to be registered to a South Haven, Mississippi woman, but further investigation revealed that the car had been sold and resold over the past several months. Smith went to Smothers' last known address in Bruceston, but he was told by a resident that Smothers had moved out three months earlier. The matter is still under investigation.

Drunkenness — A McKenzie man was arrested May 29 for public drunkenness.

According to the report by Deputy Michael Krause, Austin D. Byrum-Elkin, 21, of 107 Hilltop was arrested for allegedly walking around the Hilltop trailer park punching trailers in a drunken state. When deputies arrived at the scene, they observed that the suspect had visible marks on his arms and that he was intoxicated. Krause noted that deputies had responded to an incident involving Byrum-Elkin on the previous night.

NOTICE OF MEETING

The McKenzie Planning Commission will have a called meeting on June 12, 2019, at 3 p.m. for the purpose of discussion/approval of a minor subdivision plan.

McKenzie Police Reports

DUI/Simple Possession — McKenzie Police were dispatched to the Exxon Gas Station Sunday night, June 2, in reference to suspicious activity. An employee advised that a female had just shot up in the bathroom and left a needle in the trash can and blood in the sink. Officers Cody Coleman and Trey Boucher responded to the call and observed a silver Nissan Versa sitting in a parking space in the lot.

According to the report filed by Coleman, they made contact with the driver, Laura Perrigo of Huntingdon, she had difficulties keeping her story straight and a search of her vehicle revealed a small bag of a crystal substance later tested to be positive for Methamphetamine along with a needle with residue on it also tested to be Meth. The needle from the store was also recovered and found to have blood and residue found to be Meth. Perrigo performed poorly on several field sobriety tests given her.

Perrigo was charged with DUI-Second Offense, Simple Possession of a Schedule II Drug, and Possession of Unlawful Drug Paraphernalia and transported to Carroll County Jail.

DUI — Officer Michael Lowe was dispatched Friday afternoon, May 31, to Dairy Queen for a possible drunk driver who was later located at Pockets. Lowe found Gerald Fuzzell, of McKenzie, sitting in his vehicle and asked him to perform sobriety tests.

According to Lowe's report, Fuzzell didn't want to cooperate at first but did comply with some tests on which he performed poorly. He was arrested and charged with DUI-First Offense and transported to Baptist Hospital for a blood test and then to

Carroll County Jail under \$1,000 bond.

Multiple Charges — An anonymous tip led McKenzie Police to a residence on Old State Route 22 in search of James Martin wanted on an active warrant. Officers Trey Boucher and Cody Coleman went to the residence and found four persons but not Martin.

According to a report filed by Coleman, he knew one of the persons present to be Christopher Curtright and asked him to identify himself. Curtright told Coleman he was James Sole. Coleman immediately arrested him and charged him with Criminal Impersonation. The other three persons were identified and one of them, Tiffany Taylor, of McKenzie, was found to be wanted on an active warrant out of Coffee County for a Probation Violation. Taylor was arrested and held for Coffee County authorities. Curtright and Taylor were transported to Weakley County Jail.

Simple Possession/Casual Exchange — McKenzie Police stopped a vehicle Friday night, May 31, for having a non-working plate light. The driver was identified as Jessica Carviero along with a passenger, Brandon Tyler of McKenzie.

According to Officer Cody Coleman's report, he smelled what he thought was marijuana as he approached the vehicle. When asked if there was any marijuana, Carviero advised there was a bottle beneath Tyler's feet which prompted a search of the vehicle. Tyler admitted the bottle was his and was cited into Carroll County General Sessions Court for Simple Possession/Casual Exchange. Carviero was

given a verbal warning for display of plates and having expired tags.

Theft — An investigation continues into a reported theft of a 9mm pistol from a Haynes Street residence. Officer Cody Coleman took a report from Christina Donald, who came to the Police Department Friday night, May 31 and reported a pistol missing. Donald told Coleman that she had a SCCY Industries CPX-1 9mm pistol taken recently. She advised she didn't have the serial number but could get it from where she purchased it in Jackson.

Driving on Suspended/Revoked License — Officer Cody Coleman observed a vehicle run a stop sign early Sunday morning, June 2 on Main Street and initiated a traffic stop. The driver, Keith W. Haynes of McKenzie was found to be driving on a revoked license and cited into Carroll County General Sessions Court for Driving on a Suspended/Revoked License-First Offense, Failure to Stop At Stop Sign, and Financial Responsibility Law Violation.

Expired Registration/Financial Responsibility — Officer Jeff Lowden initiated a stop on a vehicle for a light law violation. The driver, Cassandra Hobbs, of Cedar Grove, was found to be driving on expired registration that came from another vehicle. She was found to be in violation of Financial Responsibility Law. Hobbs was cited into General Sessions Court for Unlawful Removal of Registration Decal, Expired Registration, and Financial Responsibility Law Violation.

Leaving Scene of Accident/Financial Responsibility — McKenzie Police responded to an accident early Friday afternoon,

May 31 at the Hamilton-Ryker Office on Cedar Avenue. Officer Billy King responded and spoke with Jessica Rhoades, who advised that Jessica Curtis had backed into her vehicle causing damage to both vehicles and left the scene after being confronted by Rhoades.

According to King's report, Rhoades was able to obtain Curtis's license tag number and police later made contact with Curtis and cited her into General Sessions Court for Leaving the Scene of an Accident and Financial Responsibility Law Violation.

Driving on Suspended/Revoked License — Officer Jeff Lowden made a traffic stop Friday night, May 31 on a light law violation. The driver, Ashley Beckham of Trenton, was found to be driving on a revoked license due to a DUI conviction. Beckham was arrested and charged with Driving on Suspended/Revoked License and transported to Carroll County Jail.

Speeding/Financial Reponsibility — Officer Jeff Winberry observed a vehicle speeding on Highland Drive on Thursday morning, May 30, and initiated a traffic stop. The driver, Rodolfo Castro, was found to be driving on a suspended license and had no proof of insurance. Castro was cited into General Sessions Court for Speeding, Driving on a Revoked/Suspended License-First Offense, and Financial Responsibility Law Violation-Second Offense.

Driving on Suspended/Revoked License — On Thursday night, May 30, Officer Jeff Lowden initiated a traffic stop for a non-working plate light. MCKENZIE (May 2) — Players, coaches, parents and other supporters of McKenzie's middle and high school baseball teams gathered in the high school cafeteria Sunday afternoon for a banquet to celebrate the great seasons of both teams.

MHS Principal Tim Watkins welcomed all and commended the teams on their accomplishments. Junior player Riley Joyner then delivered a blessing, and guests enjoyed a delicious meal catered by Big Daddy's BBQ.

As everyone finished dessert, middle school Head Coach Joseph Baumgartel, "Coach B," spoke about his team's season. The Rebels had a regular season record of 12-4, losing to only two teams, once to Milan in a frigid early season game and all three meetings with conference powerhouse Inman. In the postseason, they earned a runner-up plaque in the Area 5 Conference Tournament, losing twice to Inman. The team's

overall record was 15-6.

Coach B thanked everyone who supported the team and credited them with making their successes possible. He then recognized each player by presenting him with a certificate.

Assistant Coach George Cassidy helped Coach B present individual awards: Most Improved JV — Colt Norden; Most Improved Varsity — Chaten Bivens; Silver Slugger Awards — Nolan Renfro (.304 batting average), Jackson Cassidy (.479) and Ty Anderson (.525); Coaches Award — Braden Birmingham; Defensive Player of the Year — Nolan Renfro (.973 fielding percentage); Offensive Player of the Year — Ty Anderson (.525 batting average, 32 RBIs); Drew Hayes Pitcher of the Year — Ty Anderson (1.71 ERA, 34 strikeouts/8 walks); Most Valuable Player — Jackson Cassidy.

Eighth graders Ty Anderson, Braden Birmingham, Chaten Bivens, Jackson Cassidy and Nolan Renfro then thanked the coaches and presented Coach B with a wooden bat engraved with the team roster.

High school Head Coach Chris Wall spoke next, beginning with thanks to supporters and presenting each player with a certificate.

Next, Assistant Coach Zach Tippitt helped Wall present individual awards: Silver Slugger Awards — Harold Smith (.326 batting average), Chase Daffron (.337), Tyler Spivey (.337), Chase Colotta (.384) and Jake McDaniel (.398); All-District players — Jake McDaniel, Luke Bennett, Harold Smith and Pitcher of the Year Chase Daffron; Gold Glove Awards — Chase Daffron (.955 fielding percentage), Harold Smith (.968), Tyler Spivey (.978) and Cameron Kee (.981); Comeback Player of the Year — Murphy Watkins; Pitcher of the Year — Luke Bennett; Rookie of the Year — Jake McDaniel; Most Improved (from last season) — Landon Johnson; Most Improved (from the beginning of the season) — Chase Colotta; Most Valuable Player — Chase Daffron.

Coach Tippitt echoed the thanks of Coach Wall, then presented the P.L. Martin Team First Award to Dashun Woodson and

the Ricky Chism Inspired Play Award to Tyler Spivey.

Steven Berryman then presented the Ray Berryman Memorial Volunteer Award created in honor of his late father to Brian Bennett.

Next, Mike Foster presented the \$500 Seth Foster Memorial Scholarship created in honor of his late son to Tyler Spivey.

Harold Smith presented gifts to each coach on behalf of the Homerun Club.

Seniors Luke Bennett, Chase Colotta, Chase Daffron, Landon Johnson, Harold Smith, Tyler Spivey, Murphy Watkins and Dashun Woodson then thanked the

two coaches and presented each with a bat signed by the seniors. They also offered a special thanks to Mickey Stafford for his support over the years.

The seniors also received gifts from the Homerun Club as the banquet ended.

The McKenzie High School Rebels were: seniors Luke Bennett, Chase Colotta, Chase Daffron, Landon Johnson, Harold Smith, Tyler Spivey, Hunter Stafford, Murphy Watkins and Dashun Woodson; juniors West Cook, Evan Jarrett, Riley Joyner, Cameron Kee and Nick Simpson; sophomores Brandon Boaz, Phillip Smith, Eli Surber and

Ethan Travis; and freshmen Carson Burke, Trey Cook, Jonathan Haney, Zayden McCaslin, Jake McDaniel, Collin McLearn and Sawyer Phipps.

The McKenzie Middle School Rebels were: eighth graders Ty Anderson, Braden Birmingham, Chaten Bivens, Jackson Cassidy and Nolan Renfro; seventh graders Lane Anderson, Dawson Brush, Jake Cassidy, Hayden Garrett, Lute McCaslin and Aiden Sisemore; and sixth graders Landon Brown, Kadarius Cunningham, Carter Kee, Colt Norden, Ayden Smith, Tate Surber and Craegen Travis.

West Carroll Wins Alumni Contest

BY JIM POTTS

ATWOOD (May 31) — After several date changes and opponent changes, West Carroll's Alumni Team stepped on the field one more time against a mixed team of Stewart County and Houston County Alumni on Friday night, May 31 for a spirited contest between the two teams with excellent weather and a respectable crowd on hand. West Carroll won 18-3. Both teams spent the first quarter looking for the other's weaknesses. The Mud Dogs had good size up front and ran the ball hard. West Carroll also had good size but mixed up the run and passing game effectively. Both teams moved the ball but neither team scored in the opening quarter.

The first scoring threat came through the second quarter when the Muddogs set up a first down at West Carroll's 15 yard line after a rare pass completion of 45 yards. The War Eagles allowed nothing and forced them into a 32-yard field goal attempt which connected for the first score 3-0 in favor of the Muddogs with 3:56 left until halftime.

West Carroll took over the ball on the ensuing kickoff from the 26 yard line. Several plays later a long

62-yard run put the War Eagles first and ten at the Muddog 3-yard line. Two plays later they had their first points with a 2-yard touchdown. A two-point conversion run failed making it a 6-3 game in favor of West Carroll. The Muddogs attempted to answer driving all the way to the War Eagle 29 and were forced to a fourth-down situation and attempted a 46-yard field goal that narrowly missed and would have tied the game headed into halftime.

West Carroll took the second half kickoff and got a nice return up to their own 40 yard line. A 43-yard pass reception put the War Eagles at the Muddog 15-yard line. After a loss of 1 on first down, Chancy Depriest found Lydale Wells in the endzone for a 16-yard touchdown pass. The two-point conversion failed again but West Carroll extended their lead to 12-3 with 6:02 left in the third quarter.

The War Eagles cut the next Muddog drive short with an interception around the West Carroll 40 yard line. They drove to midfield as the third quarter clock expired. West Carroll opened the fourth quarter driving into Muddog territory relying heavily on the run. Trace Fuller extended the War Eagle lead with a 10-yard touchdown run with 8:39 remaining in the game. The ensuing two-point

conversion failed leaving West Carroll with an 18-3 lead. The two teams spent the remainder of the game swapping possessions until the clock ran out on an 18-3 victory for the West Carroll War Eagle Alumni.

Following the game, Alumni Football USA Representative Jake Doster handed out awards to both teams. For the Muddogs, Jake Westmoreland was the offensive player of the game while Taeton Wienk was the defensive player of the game. Special teams player of the Game was Willy Cruz who hit one field goal and narrowly missed another for the Muddogs. Landon Moore was the 'Old Man' of the Muddog squad having graduated from Houston County in 1992. The Muddogs only got in two to three full practices before playing against West Carroll.

The Offensive Player of the Game from West Carroll was Trace Fuller with the Defensive Player of the Game was Dameon Melton. Special Teams Player of the Game was Cody Jackson. West Carroll's 'Old Man' was Dameon Melton having graduated in 2001. The Most Valuable Player was 2004 graduate Shane Depriest. He was the primary coordinator for West Carroll getting the team together and holding them together through several delays due to opponents backing out.

Bethel's Jeff Britt Assisting With the 2019 USA Men's U19 National Team Training Camp

COLORADO SPRINGS, Colo. (June 4) — Six successful coaches will help the USA basketball Men's U19 National Team coaching staff at training camp, including Rodney Billups (University of Denver), Jeff Britt (Bethel University, Tenn.), Jeff Culver (University of Colorado, Colorado Springs), Aaron Gray (former NBA athlete) and Chris Holtmann (Ohio State University) and Hank Plona (Indian Hills Community College).

The 2019 USA Basketball Men's U19 National Team training camp, which will be used to select the roster for the 2019 USA Men's U19 National Team, is June 15-23 at the United States Olympic Training Center in Colorado Springs, Colorado.

Bruce Weber (Kansas State University) is head coach of the 2019 USA Men's U19 National Team, and Mike Hopkins (University of Washington) and LeVelle Moton (North Carolina Central University) are assistant coaches.

Britt will undertake his first USA Basketball coaching assignment after recently completing his 19th season as head coach at Bethel University (2000-01 to present) where he has compiled a 428-294 (.593) overall record.

"It is a tremendous honor," Britt said. "I'm very excited about it. It's hard to believe to be honest with you. It's going to be a great experience and I'm really looking forward to doing my best and to offer what I can."

In 2018-19, the Wildcats finished 25-9 and advanced to the Division I NAIA Championship, their second appearance in program history.

Britt has led Bethel to ten 20-plus winning seasons and currently ranks 10th among active National Association of Intercollegiate Athletics coaches for most wins. Britt has received Coach of the Year honors three times in 1996, 2002 and 2013.

He led the Wildcats to the 2002 East Region Tournament Championship, a 2005 NAIA II Sweet Sixteen Tournament appearance and a 2015 NAIA Division I National Tournament appearance.

Prior to coaching at Bethel,

Coach Jeff Britt

Britt was the head coach at Saint Catharine College in Springfield, Kentucky for five seasons (1995-96 to 1999-00) where his teams posted an overall record of 108-43 (.715), the best in school history.

The USA Basketball Men's Junior National Team Committee is responsible for selecting athletes and coaches for the USA Men's U19 training camp.

It is chaired by Matt Painter (Purdue) and includes Shane Battier as the athletic representative; and collegiate head coaches Tony Bennett (Virginia), Ed Cooley (Providence) and Sean Miller (Arizona) as NCAA representatives.

About USA Basketball

Based in Colorado Springs, Colorado, and chaired by retired Gen. Martin Dempsey, USA Basketball is a nonprofit organization and the national governing body for basketball in the United States.

As the recognized governing body for basketball in the U.S. by the International Basketball Federation (FIBA) and the United States Olympic Committee (USOC), USA Basketball is responsible for the selection, training and fielding of USA national teams that compete in FIBA-sponsored five-on-five and 3x3 international competitions, as well as for some national competitions and for the development of youth basketball.

Bethel's Thompson Awarded Coach of Character Award

MONTGOMERY, Ala. — Bethel University Baseball Coach Rusty Thompson was recently awarded the SSAC/NAIA Coach of the Year Character Award.

Thompson just completed his 12th season as head coach of the Wildcats. The Wildcats had 13 student-athletes named to the SSAC All-Academic team, which was the most by any baseball team in the conference.

The Wildcats finished 30-20 overall and 15-11 in the league. Thompson won his 300th career game when the Cats beat Loyola in early March.

MHS Hosts Little Rebel Basketball Camp

McKENZIE (May 20-24) — The McKenzie High School boys basketball team hosted its annual Little Rebel Basketball Camp during the first week of summer vacation. A total of 62 future Rebels and Lady Rebels from grades one through eight learned the basics from members of the high school team. To close out the camp on Friday, campers in each of the six divisions competed in four competitions: Hot Shot, Dribble Races, Free Throw and One-on-One. Top performers in each received a medal. The camp staff also selected a Camper of the Week for each division. Receiving Camper of the Week trophies were Dierks Ghyers for first-second grade, Cayden Ownby for third-fourth grade, Carlton Townes for fifth-sixth grade, Carson Hill for seventh-eighth grade, Claire Wilkins for first-second grade girls and Maggie Hall for third-fourth grade girls. All campers received a t-shirt and a basketball to continue honing their skills. Photo by Brad Sam/The Banner

Three Bethel Baseball Players Named 2019 NAIA Scholar-Athletes

KANSAS CITY, Mo. — The National Association of Intercollegiate Athletics (NAIA) released the 2019 Daktronics NAIA Baseball Scholar-Athletes on Wednesday, May 29. Robert Morris (Ill.) led the way with 16 selections. Indiana Tech, Indiana

Wesleyan, Texas College and Antelope Valley all tied for the second largest total with eight each. The Bethel Wildcats had three players named to the team. Jack Surber, Trevor Bishop and Chandler Harmon excelled on the diamond and in the class-

room. The 2019 list features 439 student-athletes that achieves at least a 3.5 cumulative grade point average (GPA) at their institution. In order to be nominated by an institution's head coach or sports information director,

a student-athlete must maintain a minimum grade point average of 3.5 on a 4.0 scale, must appear on the eligibility certificate for the sport, be of at least junior standing and have attended two full years as a non-transfer or one full year as a transfer.

Bethel Baseball Cats Sign Henry County All-District Performer

McKENZIE — The Bethel Wildcat Baseball team signed Henry County standout Brandon Armour recently. Brandon is the son of Jordan and Missy Klutts of Paris, Tennessee and is undecided on his major.

Armour was an all-district performer with the Patriots. He struck out 10 batters in his last appearance and hit .391 on the sea-

son. He feels his biggest strengths are his leadership and determination. During his prep career he was a member of the FCA, FFA, HOSA, ACT Benchmark and French clubs. Coach Rusty Thompson commented, "We are always happy to sign a local player and Brandon is a good player and student-athlete. We look forward to having him in our program."

Bethel University Hockey To Be Represented in Barcelona

McKENZIE — The World Juniors Hockey tournament is June 29 - July 4. The World Roller games are to take place July 6 - 13. The tournaments are at the Olympic facility in Barcelona. Two Bethel players are participating in the events.

Bethel Goalie Jimmy Teed will represent Team Canada in the Men's Division while freshmen signed Defenseman Ryan Ro will represent Team Canada in the Jr's Division.

Bethel Coach Ryne Potts commented on the players and events. "This is what hard work gets you. Being able to play and represent your country is an honor and these guys put in the work in order to do so. Jimmy Teed is well known around the league after he took over the D1 goalie spot last season for Bethel. As a goalie, being able to steal games for your team is a rare ability. Teed has the ability to put his team on his

shoulders and carry them. I have seen this since day one since taking over as coach. He is the first on the rink and last to get off. All the hard work he puts in pays off in the end. I am excited to have one more season with him as a leader on this team along with being the top goalie in the NCRHA."

He added, "Newly signed Ryan Ro is another example of what a good work ethic can bring to you. I have had Ryan visit Bethel for the last two years, three visits in total and every time he has come he has improved more and more. I am excited to see how he can handle pressure at the world roller games and definitely excited to add him to my d-core this next season."

Potts summed up his thoughts by stating, "These are great accomplishments for both players. Being able to represent your country but to also represent Bethel is simply fantastic."

Men's Basketball Adds Local to Staff

McKENZIE — Coach Jeff Britt announced Monday the addition of local product Brandon Hill to the men's basketball staff. Hill will serve as a manager in the program. He is the son of Kevin and Carol Hill of McKenzie and will major in Education.

He attended McKenzie High School where he graduated with honors. He was also a National Beta Club winner. He is transferring to Bethel after one year at UTM.

Brandon feels his biggest strengths are his organizational skills and his knowledge of basketball. He hopes to use his time at Bethel in preparation to teach and coach.

Britt commented, "We are proud to have Brandon join our program. He is a great addition in many ways. He is a fine young man and we are always excited to have local students be a part of our program."

Bethel Hosts First Ever Non-Sanctioned Table Tennis World Championship

McKENZIE — Bethel University will host the first-ever Non Sanctioned Table Tennis World Championships August 24 in Crisp Arena.

Sanctioned events must have points associated with them that count toward rankings. In the US these events are governed by the USATT and affiliated with ITTF (International Table Tennis Federation) and require membership and administrative fees not associated with non-sanctioned events.

Notable competitors include: Lindy Handoka (Memphis) — Two-time Southern Fried and Sweet Tea Festival Champion (17,18)

Reggie Wilson (Memphis) — Experienced tournament com-

petitor and two-time runner-up in the Southern Fried Food and Sweet Tea Festival

Spencer Lam (Schaumburg, Il) — one of the top competitive players in Illinois

Zach Moy — (Schaumburg, Il) — America's Team Championship D4, first place 2013, 2018

Alex Kluyenko — Bethel professor of mathematics and noted top competitor

Nick Chappell — Carroll County Table Tennis Champion

Countries represented include: China, Rwanda, Canada, USA

The event begins at 8 a.m. with 40 players competing in five divisions. The tournament is the highest paying non sanctioned table tennis tournament ever with cash prizes exceeding

\$3,000. The overall winner will take home \$1,000.

General admission is \$5 with children under five admitted free. Bethel students and staff can attend for \$3 with a Bethel ID.

Bethel Associate Athletic Director Brad Chappell commented on the event. "We are thrilled to be hosting an elite table tennis tournament on our campus. Chris Edlin has worked tirelessly in the past to promote and direct the past tournaments and is really looking forward to moving the event inside Crisp Arena for the first time. The level of table tennis competition that will descend on Bethel's campus in August will be impressive to see. The past tournaments associated with the McKenzie's Southern Fried Food

and Sweet Tea Festival were just a taste of what is to come. I anticipate this event under Chris' guidance to only get bigger and better in the coming years. I personally invite our Wildcat faithful, students, faculty, and staff to come out and witness some elite level competition in Crisp Arena this fall. It is going to be fun!"

Sponsors include: Mark Anderson - Shelter Insurance of McKenzie, Carroll Bank and Trust, Bank of Gleason, Centennial Bank, Bethel University, McKenzie Banking Company and Chick-Fil-A

2470 Cedar St, McKenzie, TN 38201

FRIDAY, JUNE 28, 2019
3:00PM - 6:00PM

Come out and enjoy free hotdogs, hamburgers, and drinks!

Registration for children and volunteers will be available!

Keep My Hood Good helps teach the principles of accountability, excellence, integrity and respect of self and to others to underprivileged youth in our community.

New Youth Program to Promote Excellence in Underprivileged

McKENZIE — Respect, integrity, and accountability are desired results of a new program in McKenzie headed by McKenzie native Juanita Jones.

“Keep Your Hood Good” is a program Juanita Jones started in Jackson ten years ago. She is now expanding it to her childhood home of McKenzie.

She told The Banner that her goal is to help break the generational cycle of poverty. The program is to encourage children and teach the principles of accountability, excellence, integrity and respect of self and to others.

The McKenzie programs are each Friday, 3 to 6 p.m. during July. She has secured the Greater Enon Baptist Church's dining hall on Chestnut Street as the meeting location.

The kickoff ceremony is Friday, June 28 3 to 6 p.m. at McKenzie City Hall. Children aged 8 to 18 are encouraged to attend the kickoff event. There will be free hot dogs, hamburgers, and drinks.

The program is totally free and includes field trips and meals.

For more information, visit www.KeepMyHood.org, e-mail kmhgmckenzie@gmail.com, or phone her at 731-293-3800.

McKenzie Farmer's Market is Open

The McKenzie Farmer's Market is open each Saturday, 8 a.m. to noon until October. Vendors have foods, crafts, produce and meat available. Persons interested in setting up a booth can contact Jennifer Waldrup at McKenzie City Hall at (731) 352-2332. Cost is \$5 per week or \$20 for the season. The McKenzie Farmer's Market is across from McKenzie City Hall.

Christian Care Center of McKenzie
"Nurturing Body, Mind & Spirit"

Wendy Melton Named New Executive Director at Christian Care Center of McKenzie

There's a new face walking the halls these days at Christian Care Center of McKenzie! Wendy Melton, a nursing facility administrator since 2004, has assumed the mantle of Executive Director at the skilled nursing and rehabilitation center.

"I'm beyond thrilled to be here," Ms. Melton explains. "I've heard great things about this facility, and in particular the dedicated staff that serves our residents and families. I feel very blessed to join such an outstanding team."

A native of Gleason, Wendy is married with two children. She has been a member of Tumbling Creek Baptist Church for the past 34 years, and says coming to Christian Care Center of McKenzie is a great fit for her, both professionally and personally.

"The values that are needed to provide top-notch care to those we serve was evident when I first walked in," she says. "I knew right away this is the place I wanted to be."

As renovations to the facility, and amenities for the residents are nearing completion, Wendy Melton notes the best

is yet to come.

"It's certainly an exciting time to be here. With what's been done and is finishing up, Christian Care Center of McKenzie will be the show-place healthcare facility in our region. We look forward to people seeing what we have to offer."

You're invited to discover more about the new Christian Care Center of McKenzie at CCCofMcKenzie.com or better yet, stop by for a personal tour at 150 Oak Manor Road, McKenzie, TN 38201. You may also call 731-352-5317 for more information.
