# Huntingdon Officers Participating in No Shave November

Residents and people visiting Huntingdon may notice some of our police officers looking somewhat peculiar. Nine members of the department are participating in our first-ever “No Shave November.”

To participate each officer was required to either pay \$100 from their own funds or by sponsorship.

The total amount of money donated was \$1,100 which is being given to the local Carl Perkins Center in Huntingdon to provide funds earmarked for their food pantry. The goal was to raise enough money to help the food bank during the upcoming holiday season and to raise

awareness with the community that the food bank exists and is a cause worthy of support.

At the end of the month the employees of the Cornerstone Eatery in Huntingdon will judge the officers and select the winner with the best beard. The winner will receive a free large pizza. A free combo meal is being provided to each contestant by Josh Grant at Sonic Drive-in and a free shave is being donated by Darnall's Barber Shop.

In addition the department thanks sponsors: Tates Chapel, Sonic of Huntingdon, Bennett Hardware of McKenzie, Centennial Bank, Everett and Diana Wiler and Carroll Bank & Trust.

Carroll County Humane Society's annual banquet is Saturday, November 9 from 5-8 p.m. at The Venue at Waddell Place, 894 Joy Sparks Road, McKenzie.

CCHS is celebrating its 20th year of saving lives in the community. The organization started in 1999 from a group of citizens concerned about the welfare of animals in Carroll County and was located on a piece of rented property in Rosser. In 2001, the animals and operations were moved to a purchased building on Euclid Ave. in McKenzie. In February 2014, CCHS purchased a new facility on Highway 22 and moved in over that summer. This August, the shelter took in the organization's 15,000th animal.

Each ticket is \$30 (cash or check) and can be purchased at CCHS, Huntingdon Animal Clinic or Paris Vet Clinic. Please be sure to get your tickets early as there is always a

waiting list or people needing them at the last minute.

Crossroads Custom Catering is catering the event. Social hour begins at 5 p.m.; appetizers will be served, including chilled spinach dip with chips and crostinis, sweet and spicy meatballs and ricotta on bruschetta.

Dinner is at 6:30 p.m., including chicken marsala, tossed salad, mashed potato bar, southern-style green beans, yeast rolls and tea. Desserts will include triple chocolate cake, red velvet cheesecake and strawberry cake.

There will be silent and live auctions. Items in the live auction will be: a wooden flag made by a local artisan to benefit the Donald Hill Memorial Dog Spay and Neuter Fund; a “Pamper Your Paws” gift basket full of goodies and gift certificates to benefit the Martha Highfill Memorial Cat Spay and Neuter Fund; and a “Night on the Town” gift bas-

ket featuring movie tickets, restaurant gift certificates and more to benefit the Billy Gene Stafford Memorial Heartworm Treatment Fund.

If you would like to donate items for either the silent or live auctions, please contact either Catherine Clark Perritt at [catherineperritt@gmail.com](mailto:catherineperritt@gmail.com) or Lisa Langford Hawkins at [lisalangford0103@yahoo.com](mailto:lisalangford0103@yahoo.com) or drop your items by the shelter.

Sponsorship and donations can also be made. Donors start at \$50 and up. Sponsorships are: Silver — \$250 or more; Gold — \$500 or more; and Premier — \$1000 or more. Premier sponsors will receive a reserved table of six to the banquet. Centerpiece sponsorships are \$10 each. All donations to CCHS are tax deductible.

If you would like a form, stop by the shelter or contact Catherine or Lisa to have one sent by email.

## Carroll County Senior Center News

It's hard to believe that Thanksgiving is just a few weeks away! This year has really gone by fast!

We were very busy during the month of October. On October 14-17 a group of 47 senior citizens enjoyed a trip to the Ark Encounter and the Creation Museum. We enjoyed a self-guided tour of the Ark on the 15. Everyone was amazed as we pulled up to see the magnificent ship that replicated the Ark that Noah built in Biblical days. It was amazing to see how they lived inside the Ark and took care of all the animals. On the 16 we went to the Creation Museum, home to over 140 Biblical exhibits. After leaving the Creation Museum we enjoyed a leisurely cruise down the Ohio River. On the 17th we departed for home.

Our Halloween Party/Band Night with the Trailblazers was held on Thursday, October 24. The night began with a costume contest. Twelve of our seniors came dressed in their best Halloween attire and entered the contest. Winners were: Scariest Costume – Mary Bullington, Most Original Costume - Garry Korbel and Best All-Around Costume – Linda Vestal. After the winners of the costume contest were announced we all enjoyed grilled hot dogs with all the trimmings and an evening of good music and dancing.

Veterans Day is Monday, November 11. Our staff says a very heartfelt thank you to

all who have served as well as those that are serving today. We will honor our senior veterans on November 7th with a luncheon at Mallards Restaurant beginning at 11:30. Carroll County Veterans Service Officer, Tom O'Bryant will be speaking to the group with updated information on Veterans Services. The Office on Aging will be paying for the veteran's lunch. If you wish you may bring a guest, however, your guest will have to pay for their lunch. Please be sure you sign your guest up when you call in. Give us a call by no later than noon on November 6th if you plan to attend. This is absolutely the latest we can sign anyone up.

Our Thanksgiving add-a-dish luncheon will be held on Thursday, November 14th at 11:30. Since we always have a larger than usual crowd we are having the luncheon at the civic center. Our office will be providing chicken & dressing, ham, rolls and drinks. Those attending will need to bring the side dishes and desserts. We are asking everyone to please sign up by Friday, November 8th just to give us a good estimate of how many tables to set up.

West Tennessee Legal Services will be providing a free legal clinic/workshop at the Carroll County Office on Aging on Wednesday, November 20th from 9:30 – 12:00. Pre-registration is not required, but highly encouraged! Contact

WTLS to complete an application over the phone at 731-423-0616 or online at [www.wtls.org](http://www.wtls.org) before coming to the clinic. Make sure to tell the intake paralegal that you are calling to take part in the legal clinic/workshop at the Carroll County Office on Aging/Sr. Center on Wednesday, November 20th. Attorneys will volunteer their time and expertise to offer legal advice for Tennessee residents who are eligible for services at WTLS (either low income or no income) with legal issues such as landlord/tenant, mortgage issues, family law, power of attorney, simple wills or other civil legal issues.

Plans are being made to go to the Kentucky Opry on December 4th. We will be attending the Senior Matinee at 2:00 that afternoon. Lunch will be at Cracker Barrel in Murray, Kentucky. We will depart from Huntingdon at 10:30 on a chartered bus. After lunch, we will travel to Draffenville, Kentucky for the show and head back to Huntingdon as soon as the show is over. The cost will be \$34.00 which includes transportation and your ticket to the show. The cost of lunch is not included in the price. You must sign up and pay in full by no later than Wednesday, November 20th.

The Office on Aging/Sr. Center will be closed on Monday, November 11th in observance of Veterans Day and on Thursday and Friday, November 28th and 29th for the Thanksgiving holiday.

We look forward to seeing you soon!

## TCAT McKenzie Collects Pet Food for Humane Society

**Tennessee College of Applied Technology in McKenzie** held a Pet Food Drive to help the Carroll County Humane Society. All programs were encouraged to participate with the incentive of the winning program receiving donuts. Students collected over 16,000 ounces of pet food/ supplies. The Heating, Ventilation, and Air Conditioning (HVAC) program won by collecting 379 ounces per student. TCAT McKenzie adopted the #smallschoolbigheart a few years ago due to its students always being willing to support their local community and school activities. TCAT may be the small technical school on top of the hill, but its staff attempt to make a big change in the students and the community. For more information about the programs offered at TCAT McKenzie, call 731-352-5364. New classes begin January 6th, 2020. *Photo courtesy TCAT McKenzie*

## Clarksburg Welcomes New Legal, Accounting Firm

Clarksburg welcomed a new legal/accounting firm on Friday with the opening of David W. Huss, PLLC at 3610 Highway 22. Huss's decision to locate in Clarksburg stems from his appreciation of the community as a whole as well as the location of his wife's family. He is married to the former Jamie Lindsey and has four sons, Brett, Brandon, Nathan, and Preston. “I have always liked the area and have always thought the Crum house would be perfect for an office. Since my wife's family lives in Clarksburg, I figured that one day we will move closer to them,” said Huss.

Huss' firm will offer services both as an attorney as well as a certified public accountant. Having over 30 years of experience as a CPA as well as extensive

experience in local government and school system administration at both the local and state level, Huss added his law credential in 2009. He has been practicing part-time since 2011. He has been employed Bethel University since 2013 where he serves as vice president for finance and chief financial officer.

The firm will operate on a part-time basis and by appointment since Huss will continue in his role at Bethel University.

Commenting on what the firm offers, Huss said “For individuals I am able to provide full-service bookkeeping, tax advice and preparation, and legal representation in areas such as contracts, wills, divorce, and tax disputes. I will also continue my services to local governments and

K-12 school systems. A full range of services can be viewed on my website at [www.husslawcpa.com](http://www.husslawcpa.com).” The combination of law and accounting is a natural one for Huss. “I have always thought these two areas go hand in hand, and my experiences over the past 30 years confirm it.” Huss will not be involved in the practice of criminal law.

Howell Wayne Todd, Clarksburg's Mayor, participated in the firm's opening and said he was pleased to have someone with local connections establish a professional office here.

“We have some truly remarkable businesses in town, and David's location here adds to the range of convenient professional services our community can access locally. “

## Wildcats Win Eagle Invitational

COHUTTA, Ga. — The Bethel men's golf team was determined to shoot better scores in the final round of the Eagle Invitational at Nob North Golf Course and they did just that Tuesday. After trailing by seven strokes after day one, the Wildcat A squad shot a team score of 302, which put them in a three-way tie for first place in the 16-team event. The tie was broken by a scorecard playoff of the fifth player's score of the final round. David Proctor, who had a poor start, hung tough and finished the day with a score of 79. This was good enough to defeat the Indiana University East and Cleveland State teams, who were tied with Bethel with

a two-day score of 610.

Jaime Julve led Bethel in the final round with an even-par 72 to go along with his first-day score of 79. Zac Douglas, who was named to the all-tournament team in fifth place individually, was very consistent and shot his same-day score of three-over-par 75. Ty Crouch shot a 77 to go with his 76 from day one. Billy Atkins shot his second consecutive 78, and David Proctor had a 79 to go with his 81.

The Bethel B team improved three strokes over day one with a 330 which put them in eleventh place. Trey Register shot his second consecutive 78. John Stinson shot an improved 79,

eight shots better than his day-one score of 87. Ethan Ricketts improved from an 88 to an 82. Hunter Tillman shot 91-86 and Marshall Burkett rounded out the team with a 95-82.

Coach Larry Gerald stated, “It was a great and productive fall season for these men. With one senior, one sophomore and the rest freshman, each one of them are developing into the college game. With great finishes in several tournaments and winning our last event, Bethel men's golf is on the upswing. We are looking forward to the competition the spring season will bring, and then the SSAC tournament as well.”

remanded to the school by court order. Others are placed in the school with special arrangements between the various public schools and Carroll Academy.

The school was founded to help children stay in their homes and their communities and not be placed in state custody. Many students benefit through the program. Some have become educators. One now serves as the juvenile services officer in Carroll County.

Each state budget cycle, Carroll Academy has to lobby for state funding to maintain the school. State funding levels were reduced from the original amount when the school was first founded.

Governor Lee said, "Carroll

Academy is a very unique educational experience that is unique to our state for some unique kids. It is obviously serving a purpose and need that is very well served here.

I am really proud to be here. It is a great program and I am very interested in how it is working. I am interested in how we might use this as a model."

He said he wanted to see how this place operates, how effective it is and if it is something in the state. He said it was a fact-finding trip.

Lee said, "It appears it alleviates pressure from the state's custody." If that's the case and the evidence is real for saving taxpayers money and having better outcomes for the kids then it would be used as a model for the state.

"It appears the kids are effectively being served here so I came back to find out in depth," concluded the governor.

Hoover and her husband operate a private law practice known as Ainley, Hoover and Hoover in Paris.

Additional candidates can still seek the position ahead of the five-county convention caucus on November 23.

During the county caucus, 66 "bona fide" Republicans attended the Tuesday caucus. To be bona fide, one must have

voted in at least three of the last four Republican primaries. Another 16 Republicans, who were unable to attend requested to be delegates. Eleven of those were selected (five of whom will be alternatives).

The vacancy was created when Chancellor Carma McGee was appointed by Governor Bill Lee to serve on the Court of Appeals. Three candidates were selected by the Trial Vacancy Commission on Tuesday, June 25. Those three were Bradberry, Dennis, and Jennifer King, whose names

were advanced to Governor Bill Lee.

Lee appointed Jennifer King of Huntingdon to fill the seat until the next regular election. King resigned citing the Republican decided to change from a primary to a caucus in selecting their candidate. Circuit Court judges Donald Parish and Creed McGinley, both Democrats, are serving the court in the interim.

The Democrats will select a candidate to seek the office. Independent candidates can also seek the chancellorship.

each other in case of emergency. Brawner said each utility is reimbursed for all costs for helping their neighboring power company. However, all linemen receive 1.5 times their regular pay while out of the county.

Brawner compared the damage in Henderson and Decatur counties to the 1994 ice storm that devastated Carroll County.

In other business, the board approved the purchase of an F-350

crew truck for the supervisor of one of two line crews in Huntingdon. The truck costs \$32,800 on state bid price.

Ryan Drewry, office manager, said the financial audit for fiscal year 2018-19 returned no adverse findings.

Dr. James Alton (J.A.) Barksdale

International Man of Intrigue

The name, Dr. J.A. Barksdale, was a name I've seen over the years in one context or another. So while scratching my head and looking for an interesting topic I came across his name. It must have been a sign; I stopped and read a few highlighted passages.

To my surprise, he may have been one of the most interesting or well traveled individuals from McKenzie. He was known as a man of deep moral and ethical conviction, he lived by the principles he taught.

James Alton (J.A.) Barksdale was born November 19, 1904 to James Monroe and Judith Esch Barksdale. Judith was James' second marriage. His first wife, Delia Hedgecock died in the same year of her son, Clarence.

The Barksdales moved to Carroll County around 1878. James Monroe worked his entire life as a farmer. He was known as a kind, considerate and generous man, who never raised his voice

in anger. James Monroe and his wife lost their lives in a fire in June of 1933.

J.A. graduated from McKenzie High School and earned his Bachelor of Science degree from Bethel College. In 1928, he married Eleanor Herrin.

He later earned a Master's Degree from the University of Colorado, a doctorate from the University of Tennessee and an honorary doctorate from Bethel College.

During the majority of his advanced collegiate course work, Dr. Barksdale was a teacher and administrator at the secondary school level. He also served as a professor and administrator at the university level.

He served as a superintendent of schools, state commission, dean of a college, advisor in Turkey during the Kennedy administration, and president of Bethel College to name a few of his accomplishments.

He was appointed Commissioner of Education under Governor Gordon Browning. As

commissioner, Dr. Barksdale testified before the House of Representatives' select committee to investigate the education, training and loan guaranty programs under the GI Bill. The committee investigation focused on the \$14 billion spent on helping veterans. Committee Chairman Olin Teague stated they would "make some recommendations to Congress so to what we think should be done to take any of the what we might call bugs out of this program where we may not have gotten our money's worth to the taxpayer or to the veteran."

According to transcripts from the proceedings, Dr. Barksdale was brought in to testify because members of the committee thought they would benefit from his "advice and suggestions concerning the evolution of the policy of the state department of education pertaining to allowing the school to do live work."

Live projects are defined as projects that can be worked on in real-time and with a defined deadline. These projects provide a hands-on experience on any ongoing work in a company. A live project can be called as an internship or training because a student can gain real work expertise before getting a full-time job.

In his testimony, Dr. Barksdale explained how he put a clearer definition of the work allowed as live projects and how the State of Tennessee was working to prevent abuses of federal funds: "Live projects not permitted to be worked on if they are not school property or property of

the veterans who is enrolled in the school or property of the veteran's immediate family. The veteran must show that he or members of his immediate family has owned this property for 30 days prior to being accepted by the school. If its necessary to accept live projects for repair other than as stated above in order to have a well-balanced training program, the attached form must be completed and retained by the school. If complaints are received by this office that school is abusing the privilege, it will result in withdrawal of the approval after investigation shows that the complaints are justified."

A few committee members worked to trip him up on certain incidents that occurred in Nashville, but he was unphased by the line of questions.

In the 1960s, he worked for the federal government overseas in Asia serving as a "Consultant in Education" in Turkey and Jordan.

After his work with the government, Dr. Barksdale and his wife Eleanor returned to McKenzie. Although he was looking to retire, he took on the position of Professor of Education at Bethel College.

With a stellar career and an impressive resume, Dr. Barksdale remained humble about his accomplishments. It was noted never said, "when I was Commissioner of Education or Dean of Tennessee Tech." He was at ease with the governor or with the person who plowed his gar-

den. As a teacher he was at his best, having the rare ability of holding one's attention completely. College students praised his ability. Dr. Barksdale was in great demand as a speaker and church leader.

Dr. Barksdale died November 10, 1980 at the age of 75 in Paris, Tenn. He is buried alongside his wife at Shiloh Church Cemetery in McKenzie.

With Dr. Barksdale's impressive resume, it would be easier to read and understand in bullet points versus continues text:

HUNKER DOWN WITH KES

Talk About A Bad Rap!

The first president that affected my life directly was Herbert Hoover. It didn't matter that he left office fourteen years before I was born. Dad referred to him every time we asked for money. I'd only need two dollars to buy a football...

"I don't think so, son," Dad wouldn't even consider it, "you never know when those 'Hoover Days' might fall on us again." It was the sentiment of many who had lived through the Great Depression. I spent my formative years kicking Mr. Hoover for his thoughtless leadership that kept my 1950's "spending money" to the bare minimum.

Herbert Clark Hoover was born in West Branch, Iowa, in 1874. His father died when he was six, his mother passed away when he was nine. He was sent to live with an aunt at the Osage Indian Reservation in Pawhuska, Oklahoma. From there he was shuffled off to an uncle in Newberg, Oregon.

You know what I'm thinking here, how could a boy with such humble beginnings grow up to wish harm off on anybody... much less create a worldwide depression all by himself.

By sheer determination Hoover managed to get enrolled into Stanford University. Working nights, weekends and summers to keep himself in school, he graduated in 1895 with a degree in geology.

After a rough start, he ended up in Western Australia, scouting gold fields for a prestigious mining company. He worked hard and he was good at what he did. He made his boss, and himself, lots of money. He went to China and did the same thing.

By 1914 Hoover was living in London and operating his own company with offices in several cities around the world. His net worth was in the four million dollar range. Not bad for an orphan from West Branch.

But here is where the story really begins.

World War I broke out. There were one hundred thousand Americans stranded in Europe. Hoover immediately organized an effort to get as many as he could safely home. He continually assisted and gave aid and relief to the ones that remained.

As Germany overran Belgium, they commandeered most everything and refused to feed or care for the conquered masses. Hoover pressed BOTH the English and German governments for permission to intervene. He raised money and food for the vanquished nation. He crossed the North Sea forty times and met with German officials to insure they did not confiscate food meant for the Belgium people.

His work did not go unnoticed. Hoover became Secretary of Commerce under both Presidents Harding and Coolidge. Among his many accomplishments was working tirelessly to bring relief to the hundreds of thousands displaced by the devastating Mississippi River floods of 1927.

Just doesn't seem like a Great Depression type guy to me.

He was inaugurated as the 31st President of the United States on March 4, 1929. The stock market crashed in October, sending America spiraling into the economic recession that lasted until the beginning of World War II. President Hoover

had been in charge for eight months! Regardless of what Dad (and most of the world) thought, Hoover didn't have the means, opportunity or wherewithal to get us into something that large in such a short amount of time! He had the misfortune to jump on the horse just as it headed over the cliff.

He was the first president to not take a salary while in office. He didn't need it. But that leads us to the most important thing you need to know about Herbert Hoover.

In January of 1953, President Harry S Truman left the office practically broke. Mr. Truman never had a lot of money and things became very difficult for him. There were no presidential pensions at the time. Our government corrected that with the Former Presidents Act of 1958.

The law, passed for Mr. Truman, provided a \$25,000 per year pension for all living former presidents. At the time, that meant Truman and Hoover. Truman, it needs to be said, was a dyed in the wool Democrat. Hoover was a fully committed Republican.

To everyone's surprise, Hoover accepted the pension. Still a multi-millionaire, he clearly did not need the money. But he thought to do otherwise might embarrass Mr. Truman.

Oh, if we only had an ounce of that civility in our politics today...

**Respectfully,**  
**Kes**

PS: Herbert Clark Hoover is buried on a hill overlooking the small house he was born in back in West Branch. That speaks volumes about the man.

Mary was a true angel on this earth. She will be remembered by her generosity, beautiful smile (those dimples!), her sweet angelic voice and, her beautiful bright eyes! She was absolutely the most devoted wife, mother, mother-in-law, grandmother, aunt and sister who loved her family unconditionally and put others before herself. She was an amazing cook who loved nothing more than feeding her family and friends, who would regularly gather at her home to enjoy the wonderful food, fellowship and laughter that Grandmommy always provided. To know Mary was to love her! And, you were always welcome in her home!

She graduated from Little Rock Central in 1957, married Bobby in 1958 and held several jobs over the years, including cashier at Merrill Lynch in Little Rock for over 20

years. But, above all, Mary loved her family and made a full time job after retirement keeping up with all of her little chicks! She was a lifetime member of Beta Sigma Phi and loved attending functions and visiting with her sorority sisters.

"Come, you who are blessed by my Father, inherit the kingdom prepared for you... For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I needed clothes and you clothed me, I was sick and you took care of me..." Matthew 25:34-36 Grandmommy, enjoy His kingdom. If anyone deserves it, it is you!

The family thanks Dr. Omer Khalil at Carti who took the absolute best care of her the last three years. He gave peace and comfort in the midst of her struggles not only to Mary, but to her family and for this we are forever grateful.

Visitation was Wednesday, October 30 from 5-7 p.m. at Little Rock Funeral Home, with funeral services on Thursday, October 31 at 2 p.m. at the funeral home. The graveside service was Saturday, November 2 at 11 a.m. at Seminary Cemetery in Weakley County, Tennessee. Flowers, condolences and memories may be sent to the family at Little Rock Funeral Home.

Simplicity

When reduced to its bare elements, life is really quite simple, and yet we often make it complicated. We need food and water to live, and not much more, other than perhaps a roof over our head and a few items of clothing. Have you ever looked around your house and asked of everything there whether you could live without it? Most of us could probably get rid of ninety percent of the stuff in our house and be just fine without it. In fact, we might find a huge burden lifted from us by giving it all away. As Mother Teresa said, "The less we have, the more we can give. The more we have, the less we give. There are no complications, and yet we complicate our lives so much, by so many additions." Likewise, in the ethical and spiritual realm, we tend to complicate things, when it's really quite simple: love God and love your neighbor. We sometimes use the word "simple" pejoratively, suggesting that someone who is simple is a bit dull, but perhaps we fail to realize that even the "simplest" among us can fulfill the requirements of being a good and godly person. And it may be that there is a special place in God's heart for these simple souls.

#### Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

#### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

See solution in next week's edition.

# Carroll County Sheriff’s Reports

**Stolen Vehicle** — A stolen vehicle was found at a Bruceton residence on October 25.

According to the report by Deputy Scotty Davis, he and officers with the U.S. Marshalls Service went to 430 Batey Lane looking for a wanted person. No one was home at the residence, but officers did find a white Buick Regal in the driveway. A computer check showed that the vehicle had been stolen out of Gibson County. Authorities in that county were notified, and the car was towed to a secure location. As the car was locked,

officers were unable to search its contents. The matter is still under investigation.

**Public Intoxication** — Sammie Michael Lusk Jr., 23, of 645 Enon Church Road, McKenzie, was charged with public intoxication during an October 26 incident.

According to the report by Deputy Michael Taylor, he responded to a call about a vehicle stopped in the roadway at the intersection of Shady Grove Road and Old Christmasville Road. Upon arrival, the deputy found Lusk passed out behind

the wheel of the vehicle with the engine off. Taylor reported that Lusk smelled of alcohol, and a beer bottle was found at his feet in the floorboard.

**Trespassing** — Frederick Horton Crawley, 39, of 332 Peggy Lane, Atwood, was charged with criminal trespassing following an October 26 incident at a Trezevant business.

According to the report by Deputy Michael Taylor, he responded to a call from T-Mart that Crawley, who had been previously banned from the store, was at the store causing

a disturbance. A store employee told Taylor that Crawley became angry, started cursing, and moved toward her in a threatening way when she would not let him charge the purchase of alcoholic beverages on his account, saying that he already owed the store \$15.

Upon arrival, Taylor found Crawley sitting on a bucket outside the store. Crawley was transported to the Carroll County Jail and instructed not to return to T-Mart.

**Resisting** — Tony Eugene Travis, 52, of 151 Highland

Street, Bruceton, was arrested for resisting stop/frisk/halt/arrest and for an active warrant on October 28 at his home.

According to the report by Deputy Cody Walker, he and other deputies went to Travis' residence to serve a warrant against him.

After seeing Travis look out from a window, deputies entered the residence and found Travis in the upstairs attic loft hiding under a pillow. Travis refused to place his hands behind his back to be handcuffed after being instructed numerous times by Walker to do so. Walker tased Travis and then placed him under arrest.

She was a four year 1st Team All-Conference and four year 1st Team All-Region performer for the Lady Wildcats. She was named Offensive Player of the Year all four years at Bethel. She was also named Honorable Mention All-American during her tenure at Bethel. She scored six goals and had two assists for 14 points in an 11-1 non-conference win over Trevecca her senior season and finished her career with 97 goals. Leah was a key performer on the 04 team which is being inducted into the Hall-of-Fame today.

Growing up, she played soccer at the club, provincial, and international level. She played with the U17 Canadian National team, and after her collegiate career at Bethel she played semi-professionally in Tampa, Florida in the W League. She is married to Clint Blackburn who played basketball at Bethel. They have been married for 10 years, and have two beautiful children, Brice, four years, and Rainey, two years. They live in Jackson, Tennessee and Leah just recently started a personal fitness training business, LB Fitness. She is working on her soccer coaching license and will be coaching girls' soccer with the Jackson Wolves.

Coach Malang Jarju:

Coach Malang J.J. Jarju is in fourth season as head coach of the Bethel Wildcats and 12th overall at the school.

He was a member of the Wildcats from 2003-2007 and then was a longtime assistant with the program. Coach Jarju was named as interim head coach in July of 2016 after the resignation of his longtime mentor Melvin Belong. He earned his Bachelor of Science degree in Physical Education from Bethel University in 2008 and his Master's Degree in Education this past year.

He is a native of Banjul, Gambia in West Africa, where he attended Nusrat High School. Jarju played for both the junior and senior national teams of Gambia.

He owns the record for goals scored in a career at Bethel College at 56. He also holds the record for points in a career at 151 and assists in a career at 39. He was named All-TranSouth Conference first team, All-Region first team, and NAIA All-American Honorable Mention. He is the first ever Bethel men's soccer player to have his jersey retired and hung in Bethel's Baker Fieldhouse.

As a coach, Jarju holds a U.S.S.F. C Certificate and a member of NSCAA. He is involved in a soccer

Club with Jackson Wolves and player development in Jackson Tennessee and the surrounding communities. He conducts several soccer camps every summer which are recognized as some of the best in the South. The Wildcats were 15-4-1 last year. They finished 7-1 in the SSAC.

Bethel has been ranked in the NAIA Top 25 Coaches' Poll this year. Coach Malang resides in McKenzie.

2004-05 Women's Soccer Team:

The 2004-05 Bethel Women's Soccer team was the first women's squad in school history to make it to a national tournament quarter final berth. They finished the season 20-4-1 after falling in the national tournament in two overtimes 2-1 to Concordia in Santa Barbara, California. They had earlier beat Park University and Azusa Pacific. Highlighting the APU match was the Lady Cats winning on a goal by All-American Alicia James. Bethel won and the 40-yard shot is still recalled by Bethel soccer fans to this day.

The Lady Cats were the K1AC Champions. They won the NAIA Region XII championship. Bethel completed the season ranked No. 16 in the nation.

Coach Misty Aird was named conference and regional coach of the year. Coach Aird commented on the team and season. "To win the conference and regional championships were big accomplishments for our team and each of us. We were thrilled to be going to the national tournament and we played well enough to win it. We fought some adversity but never lost our focus and confidence. This was and is a great group of ladies and we were honored then and now to represent our school and this program."

One of the highlights of the trip to the national tournament occurred off the playing field. The team visited the TV set of the "Price is Right." Bethel player, Morgan Giles Butler was chosen to play and won a car in the Showcase Showdown.

W. Kent & Charlene Jones:

W. Kent & Charlene Jones have been longtime supporters of Bethel College and University for many years. The McKenzie natives are graduates of the school and their support in various ways has never wavered. Part of the fabric of each one of their lives are woven in purple and gold. Kent is a graduate of Vanderbilt University and has been a licensed and renowned attorney for 56 years. He is recognized as one of the great all-time voices of West Ten-

nessee athletics covering sports on the radio or as a public address announcer for seven decades.

At the age of 19 he started with WHDM doing tape replays of McKenzie High with his first game being in 1957. He had worked the board prior to that listening to Art Mooney call Tennessee games and was inspired to become a broadcaster in his own right. He did three different stints with WKTA calling McKenzie High football and Bethel College basketball for a total of seven years. He then worked three years with WCMT and worked on the UTM network doing games all throughout the South. He worked at WVHR for 21 seasons serving as the voice of the Huntingdon Mustangs and broadcasting 270 games including four state championship appearances and the 2003 Mustang title.

The iconic and distinguished voice was already familiar to West Tennessee fans but even more so recently to Bethel Wildcat football fans as the P.A. voice of the football Wildcats for ten seasons.

His dedication to his family and his broadcasting can be summed in a weekend that took place in 2003. That Friday he had lunch with his son and family in Dallas, flew home to do the Huntingdon/Milan playoff game and then flew back to Dallas to have breakfast to reunite with his family again. He said, "American Airlines was right on schedule."

Kent is a member of the Carroll County Sports Hall-of-Fame.

Charlene Penick Jones is a graduate of McKenzie High School and Bethel College with majors in Music and English. She also graduated from Vanderbilt with a degree in Music Education. She had a great impact and a servant's heart as a teacher in the McKenzie school system sharing her love of music for 20 years. As former student and now Associate Athletic Director Brad Chappell stated, "Charlene was my teacher and a great one. When she held up one finger and told you that was one, you did not want her to say two."

Charlene is a former church organist and choir director at Huntingdon Methodist Church and is presently choir director at McKenzie First United Methodist Church. She served on the Bethel University Board of Trustees for three terms. Charlene and Kent have been married since 1958 and two sons, Richard Kent and Charles David. They have four grandchildren, Justine, Maggie, Bella and Fielding Jones. Charlene shares this night with her sister Jenny Penick Garner.

Bethel Director of Athletics Dale Kelley commented, "Kent and Charlene have both contributed so much to so many. Their love of Carroll County and Bethel is absolutely immeasurable. They care about people and have impacted so many in our area. I am proud to call them dear friends and so happy to share this day with them."

Bethel Associate Athletic Director Brad Chappell said, "The 2019 Hall-of-Fame class is rich with a tradition of excellence in athletics at Bethel University. This class represents a broad swath of our athletic history and I was proud to be a part of their induction ceremony." Chappell served as the emcee of the event each year.

Wildcats Hold on to Beat Thomas More on Homecoming

McKENZIE — The Bethel Wildcat football team snapped a four-game losing streak Saturday afternoon, holding on to beat Thomas More 35-28. The win moved Bethel to 4-5 overall and 1-4 in the MSC Bluegrass Division. TMU fell to 3-6 and 1-4.

Thomas More scored first and took a 7-0 lead in the first quarter when Saint Quarterback Justin Post hit Da' Marco Canty on a four-yard TD pass. Alex Barnhart's PAT was good.

The Wildcats gave their Homecoming crowd something to cheer about when De'Ontay Tate scored

on a seven-yard touchdown run as time expired in the first stanza. Rodrigo Campos tied the game with his extra point.

Bethel took a 14-7 lead when QB Christian Arrambide tossed a 36-yard TD pass to a wide open J'Kobi Reddick with 11:32 left in the half. After a Wildcat fumble, TMU tied the game with just 36 seconds left in the half. Justin Post found Justin Durham from 22 yards out, and the Saints knotted the score at 14-14.

The Wildcats dominated the third quarter as Bethel's offensive line seized control of the game.

Arrambide scampered in from two yards, and after the Campos PAT, the Wildcats led 21-14. The Wildcats extended the lead to 28-14 on a four-yard jet sweep by Caleb Nelson. Late in the quarter, Bethel looked to be in complete control as Arrambide scored again on a three-yard effort. Campos made it 35-14 with 2:33 left in the third quarter.

Thomas More fought back and cut the Cat lead to 35-21 on another Post-to-Canty TD pass. The 16-yard play and PAT by Barnhart made it interesting. With ten minutes left, the Saints made it a one-pos-

Lady Wildcats Win Second Straight in Chamber Classic

McKENZIE — The Bethel Lady Wildcats made it two in a row with a 56-47 win over Dillard Saturday afternoon in the Annual Carroll County Chamber of Com-

merce Classic. The Lady Wildcats beat Brescia 68-54 Friday night.

With the Saturday win, Bethel is 108-15 all-time in Crisp Arena.

The Lady Cats led 16-13 at the

end of one and pushed ahead to 31-26 at the half. They gradually maintained a lead and had a 43-37 advantage at the end of three before going on to win by nine.

Gleason Closes Season with Loss to South Fulton

GLEASON (November 1) — The Gleason Bulldogs took their ninth loss of the season Friday night against the South Fulton Red Devils. It was a battle of pride between the two teams, as neither team had a chance to advance to the TSSAA playoffs. Cold temperatures only added to struggles of the Bulldogs who were outmanned by the Red Devils 54-8.

To open the game, South Fulton caught Gleason off guard with an outside kick. The Red Devils recovered the kick. Six plays into the drive, South Fulton found their way into the end zone. Dalton Gray who scored the touchdown

also added two points with the conversion. With 9:18 still in the first quarter, South Fulton led 8-0.

The Red Devils were able to recover a second outside kick. Just like the previous drive, it took six plays for the touchdown. This time the TD and conversion was by Greg Davis. South Fulton enlarged their lead 16-0.

Gleason's next series ended in a three-and-out. The high punt left South Fulton 60 yards away from the goal line. A couple good passes from Bryce McFarland to Eli Carlisle added a touchdown and two-point conversion. The Red Devils led the Bulldogs 24-0 with

less than two minutes to play in the first quarter.

Gleason closed on the quarter with possession of the ball. As the second quarter began, the Bulldogs had a renewed vigor as Kolton Crochet and Dawson Arnold moved the ball down field. On first-and-goal from the 3-yard line, Brady Witherspoon picked up the touchdown. Isaac Denton added the two-point conversion. With 10:16 left in the opening half, it looked as if Gleason was back in the game, trailing 24-8.

As the scoreboard clock went out, so did the light in the Bulldogs' eyes. South Fulton went on

to score four unanswered touchdowns in the second quarter. The TDs were by McFarlin, Gray and Davis. The halftime score was 46-8 South Fulton; the remainder of the game was under the running clock mercy rule.

Very little went in favor of Gleason the second half, but both teams did begin making substitutions to their lineup.

The final Red Devil touchdown of the game was made by Mason Harper with Davis in for the two-point conversion. Final score of the game and season, South Fulton 54 Gleason 8.

but we still have a lot of work to do this season. The schedule doesn't get any easier this weekend, but hopefully we will respond in a positive fashion."

The Wildcats play their home opener Friday night, hosting the University of Science & Arts at 3 p.m. in the Annual Chick-Fil-A Classic in Crisp Arena.

# Bethel Receives Minuteman Award

Kimberly Martin.

There are approximately 80 universities in the state of Tennessee. Bethel is honored to be one of only 15 four-year universities partnering in the program. Bethel's College of Professional Studies adult degree program allows National Guardsmen to study either in a classroom, online or both depending on the course of study. Every program at Bethel is writing based and each course is for five weeks - one course at a time.

President Walter Butler states, "Our programs here at Bethel University provide a unique opportunity for our servicemen and women to earn their college degree in a learning environment that works for their lives and the commitment they have made to protect our country first and foremost. We are so grateful to them for that commitment and are so honored to be a part of contributing to their lives in return."

Bethel University was founded in 1842 and is affiliated with the Cumberland Presbyterian denomination. Bethel's adult degree program through the College of Professional Studies is one of the most successful programs in the state. Currently, the university has an enrollment of over 4,400 students with many of those being first-time degree-seeking adults.

The McKenzie High School Class of 1969 celebrated its 50-year reunion at Tom's Pizza and Steakhouse in Paris on Saturday, October 26.

With the private dining room elegantly decorated by classmates, the class dined and reminisced about their

the Tiny Knee Bowl, where the Rebels faced Covington.

In 1969, his team logged a 7-3 record and beat Henry County High School in their first year of consolidation.

His 1970 Rebels went 8-3, including a victory over Lake County in the Tiny Knee Bowl, McKenzie's first bowl victory.

With a 71.4 percent winning percentage, Jerry Escue left a coaching legacy in McKenzie, and he is still loved by his former players.

Coach Escue and many of the former players braved the elements to watch the Rebels play Obion County that night.

# Fall in Love

with these special editions

Fall is the best time of year. Cooler weather, warm sweaters, hot cocoa, s'mores, family gatherings, fall sports and friends. It's also the time when we at The Banner and Enterprise assemble some of our best special editions of the year:

**Basketball Guide • Holiday Preview • Christmas Greetings**

These editions shine a light on local athletes, local merchants, and the hopes and wishes captured in each letter to Santa from area youth.

The Banner and Enterprise support your local community by producing wonderful editions like these throughout the year.

We ask that you take a moment to consider supporting this effort by advertising your business or service in these special editions.

You not only do your business a great service by reminding readers of the products and services available locally; but you will be giving a loved one, parent or grandparent a keepsake they will treasure.

Thank you for your consideration.
