Carroll County Election Commission Ron Reiter, Chairman Michael Corrado, Secretary Julia A. Blanks, Member Linda Wallace, Member Michael Tate, Member Peggy J. Hamlett, Administrator of Elections		CONSTITUTIONAL AMENDMENT #2 Vote for One (1) Summary: This amendment would add to article III, section 12 of the Tennessee Constitution a process for the temporary exercise of the powers and duties of the governor by the Speaker of the Senate—or the Speaker of the House if there is no Speaker of the Senate in office—when the governor is unable to discharge the powers and duties of the office of governor. While a Speaker is temporarily discharging the powers and duties of the governor, the Speaker would not be required to resign as Speaker or to resign as a member of the legislature; but the Speaker would not be able to preside as Speaker or vote as a member of the legislature. A Speaker who is temporarily discharging the powers and duties of the governor would not get the governor's salary but would get the Speaker's salary. The amendment would also exempt a Speaker who is temporarily discharging the powers and duties of the governor from provisions in the Constitution that would otherwise prohibit the Speaker from exercising the powers of the governor and from simultaneously holding more than one state office. Question: Shall Article III, Section 12 of the Constitution of Tennessee be amended by adding the following language immediately following the current language in the Section? Whenever the Governor transmits to the Secretary of State, the Speaker of the Senate, and the Speaker of the House of Representatives, a written, signed declaration that the Governor is unable to discharge the powers and duties of the office, the powers and duties of the office of Governor shall be temporarily discharged by the Speaker of the Senate as Acting Governor, or if that office is unoccupied, then by the Speaker of the House of Representatives as Acting Governor, until the Governor transmits to the same officials a written, signed declaration that the Governor is able to discharge the powers and duties of the office. Whenever a majority of the commissioners of administrative departments of the Executive Department transmits to the Secretary of State, the Speaker of the Senate, and the Speaker of the House of Representatives their written, signed declaration that the Governor is unable to discharge the powers and duties of the office, the Speaker of the Senate shall immediately assume the powers and duties of the office as Acting Governor, or if that office is unoccupied, then the Speaker of the House of Representatives shall immediately assume the powers and duties of the office as Acting Governor, until the Governor transmits to the same officials a written, signed declaration that the Governor is able to discharge the powers and duties of the office. The amendment would delete this current language and replace it with the following language: "Slavery and involuntary servitude are forever prohibited. Nothing in this section shall prohibit an inmate from working when the inmate has been duly convicted of a crime." Question: Shall Article I, Section 33 of the Constitution of Tennessee be amended by deleting the section and substituting instead the following? Section 33.
