

Christmas Greetings

Special Edition

Another year has gone by. My how time flies. Two weeks from now it will be 2024! What are your hopes for the new year? Ours? Well, to be here serving you, to tell great stories, to have more good news than bad news, and to see the area thrive and grow.

Christmas is a special time of year. All year long, we have special editions that feature area children in sports or graduation, but this special edition has always been my favorite because of all the hopes and dreams wrapped up inside it.

In this edition you'll find approximately 1,800 +/- letters to Santa from McKenzie, Huntingdon, West Carroll, and Gleason schools as well as several childcare facilities. We welcome letters from anyone from any area as long as they believe. We are honored to do this for your family.

Inside you will also find several local businesses that wish you well this holiday season. Their support makes the

time invested in typing letters, covering Christmas events, and printing this edition possible. Please shop local, it is the best thank you to businesses for their investment in your community.

Every year, the schools and childcare facilities work with us to take on the task of distributing and collecting letters for Santa. They bring order to the chaos and we are so thankful.

To you, the reader, thank you for choosing to support this edition by buying a newspaper, reading online and/or subscribing. You are the reason the newspaper has been here for 153 years. We are thankful for you.

We wish you all a blessed Christmas and holiday season.

Sincerely, The Banner Staff

Jason and Brittany Martin, Joel and Teresa Washburn, Janna Pratt, Wayne Bannister, and Billy and Deborah Fuzzell.

A Very Merry Hometown Christmas

McKENZIE (December 2) — As part of the celebration marking the renovation of its pediatric center, Hometown Health Clinic offered the community a chance to celebrate “A Very Merry Hometown Christmas.” Santa was on hand to provide a knee and a listening earring to children of all ages and folks young and old. The renovated pediatric department highlighted the clinic’s ongoing commitment to delivering healthcare services to the youngest members of the community.

Dear Santa,

This year I have been mostly nice. I've tried really hard this year, Santa. I really love trains! We have been watching the Polar Express every night and I hope the train comes to my house on Christmas Eve so I can ride to the North Pole to meet you! Speaking of trains, I would love to have my very own train set that moves so Daddy and I could set it up together and play. I love to sing Super

Simple Songs, can you bring me a microphone to sing with? I love mirrors too, especially silly ones, so please bring me a funhouse mirror. Even though my little sister gets on my nerves sometimes, I still love her. Can you please bring her some toys too?

Love, CJ Martin, 5, McKenzie
P.S. I love my animals, please bring them something nice. Thank you, Santa! I'll leave milk and cookies out for you!

Dear Santa,

According to the nice/naughty chart my parents installed next to the Christmas tree this year, my status is currently "You better watch out!" I think the system is rigged. There was some crying... but I don't understand why I can't have Pringles for breakfast! I promise Santa, I have been SO good! I really want a Minnie Mouse tea set this year. I also want a Bluey house, new earrings,

a cute little bunny – A REAL ONE – Oh and a Paw Patrol Scooter with a Paw Patrol helmet with Skye on it. And if you bring my brother a microphone you better bring me one too. Thank you, Santa! You're the best!

Love, Savannah Martin, 4, McKenzie, CP School of Discovery

A Mistletoe Christmas

On November 30, Carroll Arts hosted its annual Mistletoe Christmas Show at McKenzie's Park Theatre. Holiday entertainment included vocal, musical, theatrical and dance performances. The event featured

musical selections by Keith and Melissa Herris, Brittany Washburn Martin, Isaac Stephen Walker, Jon and Anna Eaton, Nathan Eaton, Chelsea Brown along with "Hats, Boots and Bells" line dancers sponsored by the

McKenzie Senior Center and "The 12 Days of Christmas" Comedy Act by Ed Long and Mitchell Brown. Ed Long also served as the emcee for the show. Carroll Arts, Inc. was organized in 1994 as a ru-

ral non-profit community organization with the mission to promote a cultural, social and economic climate in Carroll County in which the artistic heritage and creativity of all its people may find voice.

ALL ABOARD

McKenzie Kindergarten Becomes Polar Express

McKENZIE — All Aboard, it's time to ride the Polar Express. McKenzie Elementary School Kindergarten students experienced the imagination of their teachers when they transformed the kindergarten 'pod' into the Polar Express-themed train station.

Beckie Smith, MES Counselor, said the kindergarten teachers spent long hours after school designing and transporting the hallways into the theme event. The floor was marked to appear as a railroad track and each student had a ticket to ride.

A mural of a steam locomotive was in the hallway and offered a photo opportunity for students. A conductor-style hat for the photos added to the fun.

Teachers often use differentiated instruction to train young minds. Fun experiences are welcomed in the students' educational journey.

Left, Stella Brown and Cain Zuniga stand in the hallway of the Polar Express themed decorations. On the floor is the railroad track. Right, Anita Burden's class enjoyed having their photograph made in front of the Polar Express. Photos by Joel Washburn / The Banner

Carroll County Court Clerk News

Merry Christmas and Happy New Year from the Office of your Court Clerks!

COURTHOUSE
The Judicial System continues to work through civil and criminal dockets. Court schedules and trial dates are on track. Court information may be accessed on our website - www.carrollcountyttn.gov.

We welcome General Sessions deputy clerk, Jayden McGee (not pictured this year). Jayden joined the clerk team December 4th. We look forward to her future here with us. Please stop by and introduce yourself.

It was an honor to serve as West Tennessee President of the Clerks Association the last two years! Serving in this capacity allowed me to further expand my duties and services across the great State of Tennessee. I continue to serve our state through The Tennessee Court System Information and Technology Oversight Committee. This committee consists of Tennessee Justices, Administrative Office of the Courts administration, Appellate Judges, Trial Judges and Trial Clerks. The goal is to improve technology for the Tennessee's Judiciary. I look forward to serving in this capacity.

PROGRAMS
We always look forward to visits from our friends at The Technology Center. Criminal Justice students are always eager to learn about court proceedings and job opportunities within the courts. Programs like these are expanding and we look forward to hosting two different groups of students-one in December and one in January.

I plan to continue to support and educate the community on Expunction and its benefits. Programs like these allow us to help and connect our community through outreach.

TECHNOLOGY
Since 2018, it has been my mission to update technology and security systems in the courthouse. Our last two grants, totaling \$45,000.00, incorporated additional courtroom technology and security doors for the Juvenile and General Session offices. The court arraignment systems are video driven and used on a weekly basis. The safety doors not only incorporate a higher level of security, but also offer better sight lines and service to our public.

More updates are in the works for 2024! After a security survey was completed, it was determined that outdoor cameras, video surveillance, main lobby security and 2nd floor courtroom updates were a few areas needing more security. I look forward to supervising these improvements.

We continue to monitor technological advances to improve our offices and implement updates as needed.

**On behalf of the Court Clerk Team,
it is our pleasure to serve you.**
**God bless you and your family this
Holiday Season.**

Agape Closet Assists 500 People During December

McKENZIE — Christmas is a special time of year with the shared love of friends and family and the exchange of gifts. Agape Closet in McKenzie is here to help share the love and to provide for individuals and families when times are little more difficult.

Agape defined as the fatherly love of God for humans, as well as the human reciprocal love for God, is the mission of the local closet, located in the rear of the former hospital. Cheyenne Moore is the director of Agape Closet that provides free clothes, household items, cookware, and the occasionally other items. Moore said people drive for up to two hours to shop at the closet, where everything is free. In recent weeks, people needed more help because of fires tornadoes or other events.

The Closet has separate rooms for women's and children's clothes, men's clothes and household items. There are both casual and dress clothes available.

The Closet also assists government and non-government agencies that help people in their times of need.

The Closet relies on the generosity of the community to provide items to give away. Hours for the public are Wednesday to Friday on the first week of the month. Other times of the month are limited to agencies. However, the staff is available to assist families, individuals or agencies in a time of emergency. One can connect with Agape Closet through Facebook.

The Closet is closed in January but will reopen in February.
