We Cancel Timeshares for You

Many people believe their timeshares cannot be canceled, but they often can be. Our founder and CEO, Chuck McDowell, has successfully fought in federal court for the right to help timeshare owners — like you — out of their "binding" agreements. Whether you were misled or pressured, you may have an easy exit.

How Does the Cancellation Process Work?

- Start with a FREE consultation to discuss your needs.
- If we see that the circumstances of your agreement qualify you to exit the timeshare, you'll be assigned a specialist to walk you through gathering documentation.
- Our Resolution Department then works quickly to have your timeshare and related fees permanently terminated.

We are able to help most timeshare owners that contact us.

You could be one phone call away from complete peace of mind.

BUT DRIVERS KEEP THEM SAFE.

Work zones on Texas roads can be dangerous, both for the men and women who work there and for the motorists who pass through. Other drivers, workers, and their loved ones are depending on you to help keep them safe.

DRIVE SMART IN WORK ZONES

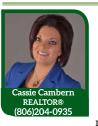

- Control your speed and follow posted work zone speed limits.
- Pay attention and put the phone away—no talking or texting.
- Plan ahead to avoid work zone delays.
- Remember, traffic fines double in work zones when workers are present.
