We Cancel Timeshares for You
 Many people believe their timeshares cannot be canceled, but they often can be. Our founder and CEO, Chuck McDowell, has successfully fought in federal court for the right to help timeshare owners — like you — out of their "binding" agreements. Whether you were misled or pressured, you may have an easy exit.
How Does the Cancellation Process Work?
 • Start with a FREE consultation to discuss your needs.
 • If we see that the circumstances of your agreement qualify you to exit the timeshare, you'll be assigned a specialist to walk you through gathering documentation.
 • Our Resolution Department then works quickly to have your timeshare and related fees permanently terminated.
 We are able to help most timeshare owners that contact us. You could be one phone call away from complete peace of mind.

CHAIN DRAGGING
 Do your part to reduce roadside starts.
CHECK BEFORE YOUR PULL
 • Check and adjust any low hanging chains on your trailer before you begin driving and during any stops along your drive.
 • Metal hitting the road produces sparks which easily start roadside fires.
CHECK ENTIRE VEHICLE
 • Check for anything under your vehicle that may hit the pavement and cause sparks.
 • Low tire pressure can expose your wheel rim and cause sparks when hitting the pavement.
