Texting while driving is dangerous and illegal.*
 TxDOT offers these tips to prevent distracted driving that can lead to a ticket—or worse, a crash:

- Always give driving your full attention.
- Pull off the road entirely and come to a complete stop before you talk or text.
- Put your phone away, turn it off, or use an app to block texts and calls while driving.
- Tell friends, family, and co-workers you won't respond to texts or calls while driving.
- Remember that all distractions are dangerous, so pay full attention when behind the wheel.
- Some cities have stricter laws prohibiting cell phone use while driving.

MOVE OVER OR SLOW DOWN.

Lives are on the line.
 Law enforcement, emergency workers, tow truck drivers, and TxDOT roadside employees often work just a few feet away from high-speed traffic.

The Move Over/Slow Down law requires motorists to move over a lane or slow down to 20 mph below the posted speed limit when approaching a law enforcement, emergency, TxDOT, or utility vehicle or a tow truck with its flashing lights activated on the side of the road. Drivers must reduce their speed by 5 mph on a roadway with a speed limit of 25 mph or less.

Drivers who fail to give emergency and work crews space to safely do their jobs face fines of up to \$2,000.

Keep first responders and other workers safe on the road.
 Move over or slow down.

BE SAFE. DRIVE SMART. TxDOT
