## Mira Sorvino Reacts to Oscars 2023 Omitting Dad Paul Sorvino from In Memoriam: ‘Baffling Beyond Belief’

**Paul Sorvino’s wife Dee Dee Sorvino said her late husband “was not the only deserving soul left out” of the In Memoriam segment**  
 BY BENJAMIN VANHOOSE

Paul Sorvino’s wife Dee Dee Sorvino and his daughter Mira Sorvino are speaking out about the late actor being omitted from the 2023 Oscars’ In Memoriam segment.

A portion of the 95th Academy Awards on Sunday night paid tribute to actors and filmmakers who died in the past year with a segment introduced by John Travolta and a performance by Lenny Kravitz.

Goodfellas actor Sorvino — who died from natural causes in July at 83 — was notably absent from the slideshow that aired during the broadcast. (A gallery featuring more people is available online, with a scannable QR

code that was shown onscreen during the broadcast, directing viewers to the extended tributes.)

Sorvino’s widow Dee Dee called on the Academy of Motion Picture Arts and Sciences to apologize for his exclusion.
