Hey, it's just hair. Besides, you have more important things to think about—like making sure your kids are buckled correctly in the right seat for their age and size.

Texting while driving is dangerous and illegal!

TxDOT offers these tips to prevent distracted driving that can lead to a ticket—or worse, a crash:

- Always give driving your full attention.
- Pull off the road entirely and come to a complete stop before you talk or text.
- Put your phone away, turn it off, or use an app to block texts and calls while driving.
- Tell friends, family, and co-workers you won't respond to texts or calls while driving.
- Remember that all distractions are dangerous, so pay full attention when behind the wheel.

\* Some cities have stricter laws prohibiting cell phone use while driving.
