MOVE OVER OR SLOW DOWN.

Lives are on the line.
Law enforcement, emergency workers, tow truck drivers, and TxDOT roadside employees often work just a few feet away from high-speed traffic.

The Move Over/Slow Down law requires motorists to move over a lane or slow down to 20 mph below the posted speed limit when approaching a law enforcement, emergency, TxDOT, or utility vehicle or a tow truck with its flashing lights activated on the side of the road. Drivers must reduce their speed by 5 mph on a roadway with a speed limit of 25 mph or less.

Drivers who fail to give emergency and work crews space to safely do their jobs face fines of up to \$2,000.

Keep first responders and other workers safe on the road.
Move over or slow down.

Hey, it's just hair. Besides, you have more important things to think about — like making sure your kids are buckled correctly in the right seat for their age and size.
