ONLY MINOR CHANGES TO EAST PERRY FAIR PROGRAM AND SCHEDULE

The East Perry Community Fair in Altenburg takes pride in its traditional continuance of a small-town country fair, but there will be a few small changes to the fair program and schedule for the event which will be held on Friday, September 22, and Saturday, September 23. The fair will open with a parade featuring several high school bands, floats, and other entries at 1:30 pm followed by the opening ceremony.

An additional musical performance has been added to the program on Friday afternoon at 4:00 pm when Dustin Bishop takes the stage. He will be followed by country western super group, The Burnt Mill Boys, at 7:00 pm. The addition of local rising stars to the entertainment lineup last year was very popular. Ian Ferguson, Carly Green, and Logan Chapman are returning and will be joined by Clint Sattler to provide the music for Saturday afternoon from Noon until 4:30 pm. The final group to perform will be Randy Preston's family band Generation on Saturday at 7:00 pm.

The starting time for the always popular "world championship" Mule Jumping Competition will be 3:30 pm on Saturday this year. The age-old custom of awarding attendance prizes will return at 6:00 pm on Saturday after a brief absence. The 4X4 Truck Pull will take to the track at 7:00 pm on Friday and on Saturday the starting time has been moved forward to 6:00 pm for the Tractor Pull which will feature the Illinois Hot Farm Stock Pullers for their third appearance at the fair.

Most of the livestock judging and shows remain the same except for the 4-H and FFA Market Lamb and Goat Show which has been moved to 9:30 am on Friday to better meet the busy schedules of the youth that participate in this show.

After having Clay County Amusements provide the carnival rides for many years, there will be a change due to the retirement of the owner, Kent Brinkley. The rides this year will be provided by Goldstar Amusements, which is a family

owned and operated business with over six generations of history. They will be bringing around ten rides to Altenburg, including some real big rides, as they return to the south after spending the summer in Iowa, Minnesota, and the Dakotas.

Fairgoers can expect a great variety of fair food from its eighteen stands including Altenburg favorites like the grilled cheese sandwiches and pork burgers to newer additions like blooming onions, quesadillas, and smoked turkey legs.

The "Best Little Fair in the Land" is pleased to be able to continue free parking, free admission, and free entertainment, but reminds everyone that having a large crowd in a small town requires patience in dealing with traffic and parking issues. Please follow the directions of the traffic staff and parking attendants who will only be on duty from 7:00 am to 7:00 pm on both days. Arrive early to take in as much of the fair as possible before enjoying your favorite entertainment or event.

The East Perry Community Fair announces **Bill & Nelda Koeberl** as the Grand Marshals for the 2023 **"BEST LITTLE FAIR IN THE LAND"**

The East Perry Community Fair is proud to announce that East Perry County couple Bill and Nelda Koeberl will be honored as the Grand Marshals of the 2023 East Perry Community Fair parade. The annual Fair parade will be held on Friday, September 22nd at 1:30pm and will run through the heart of Altenburg. The route begins at Maple Street in Altenburg and travels east down Main Street till it reaches Church Street. At this point the parade makes a right turn and heads south on Church Street till its conclusion at the fairgrounds.

The parade will again include its usual cast of great participants. Local high school bands from Perryville, St. Vincent, Oak Ridge, Meadow Heights, along with Chaffee, Greenville, Puxico, Bernie, and the Bell City Drumline will help set the beat as local schools, civic organizations, and area businesses march, enter floats, or display other entries to promote their causes. On average, the parade has been lasting around one hour, so plan to arrive early into Altenburg to find a clear, comfortable viewing spot and to avoid heavy traffic. The

standard traffic flow into Altenburg is stopped around 1:00pm to allow for parade line up, so plan accordingly if you're expecting to attend.

As for the esteemed Grand Marshals and leaders of this year's parade, Mr. and Mrs. Koebel, there is no doubt they will be prepared and ready for this year's version. As you will see, Bill knows a thing or two about organizing a parade, and his wife, Nelda, has been apart of enough EPC Fair Parades to know how to make it a success.

are pillars of the community and dedicated supporters of the East Perry Community Fair, as the 2023 Fair Parade Grand Marshals.

William, "Bill" as he goes by, is a lifelong resident of Altenburg. Born and raised in the Altenburg area, Bill is a 1973 Graduate of Perryville High School. Training from The Cleveland Institute of Electronics and Logging courses from the Missouri Forest Products Association have helped to shape his work career. Mr. Koeberl worked for East Perry Lumber Company, and Sabreliner before starting his own business, William Koeberl Logging in 1994, which he continues to run today.

Nelda was born and raised in Altamont, Illinois. She is a Graduate of Illinois State University in Normal Illinois with a BS in Education. She has also earned a Lutheran Teaching Diploma from Concordia University, Chicago. Education, as you will see, is really what makes Nelda stand out. She began her teaching career in Hardin, Illinois which is where she met Bill and history would begin to be made. They married in 1977, 46 years together now, and around that same time, Mrs. Koeberl would begin her forty-five-year teaching career in the Lutheran Schools of Frohna and Altenburg.

Fifty years of teaching! That is an incredible amount of time and dedication. Five years in Hardin and another forty-five years split between Concordia Trinity

Lutheran School and United in Christ Lutheran School at which she taught 1st and 2nd grade and a few years of kindergarten shows the love and support she has for the children in East Perry County who have graced her classroom. It also is a testament to her faith in God and ability to teach that she was able to touch and mold generations of students who in turn remember fondly, the lessons learned in Mrs. Koeberl's classroom. Mrs. Koeberl retired her teaching books in May of 2022 but her years of teaching service to this community truly make her more than worthy of the honor of Grand Marshal.

Let's give Bill his due as well. Mr. Koeberl's service to the East Perry Community Fair goes back many years. Bill is a former Board Member and has served in helping to run the Daft and Saddle horse shows throughout the years. He has and continues to operate and maintain the PA system throughout the fairgrounds. Bill can be found weeks ahead of the fair going speaker to speaker across the grounds testing each one to make sure they are all in operation when needed during the fair.

But where you are most likely to know Bill from is the start of the Parade route. For years, it's Bill's efforts that make sure the East Perry Community Fair has one of the nicest, well-organized Parades around. Mr. Koeberl spends countless hours before the parade, and the

entire Friday morning leading up to the Parade organizing and arranging parade participants to make sure the Parade is a success and goes off without many hiccups. Bill's leadership of the Parade committee, his dedication to his fair duties, and his desire for things to be done right are exactly why the East Perry Community Fair is as successful and attended as it is.

The Koeberl's are truly a blessing to their community. Active in their Church, Trinity Lutheran in Altenburg, Nelda uses her Musical talents to play piano and direct the Adult Choir, leading the singing group for the last 37 years. While Bill stays busy serving in Elder and Trustee roles along with ushering most Sundays and running the Church's Sound Board. It's a true testament to how dedicated this couple is, and how lucky those around them are that they share their talents.

It will be a different feeling for the Koeberl's on Parade Day this year. Instead of watching everyone take off on the Parade route and anxiously hoping that all goes well, Bill and Nelda will be right up front leading and hopefully relaxing and enjoying their well-deserved ride through the town of Altenburg. Please come out and give the Koeberl's a wave as they pass by on the route and join the East Perry Community Fair as we celebrate Bill and Nelda Koeberl the 2023 Fair Grand Marshals.

4-H & FFA STEER SALE SATURDAY

In addition to animal judging, the East Perry Fair also features an animal auction.

The annual 4-H and FFA Youth Steer Sale will take place Saturday, Sept. 23, at 5 p.m.

This sale is open to all 4-H members of the county as well as students who are members of FFA who have beef projects and meet all the requirements of the show and have shown animals in the East Perry Steer Show.

Official weigh-in will be Friday, Sept. 23 from 5 - p.m. The steer show is Saturday, Sept. 23, at 8 a.m. and must weigh at least 1,000 pounds.

All steers in the sale must be born on or after Jan. 1 and owned by March 1.

"It gives a chance for the kids with these animal projects to make some money. It started out with just steers, then they added barrows (swine)," said publicity chairman Fred Eggers.

Superintendents for the steer sale include Nathan Hunt, Andrew Koenig and Brad Mueller, and Dave Ernst.

Following the steer sale, the barrow show and

sale will take place. Superintendents for the barrow show/sale are Nancy Boles and Mike Boles.

The barrow must be kept on the 4-H or FFA member's home farm or a farm owned by the member's family or guardians. The barrow must be owned by July 1 of the current year and each youth is allowed to select three barrows of the year, but only one to sell.

The 4-H and FFA Market Lamb/Goat Show judging is Saturday, Sept. 23 at 8 :30 a.m.

The superintendent for the lamb/goat show will be Dennis and Marsha Lappe. Breeds of goats can be pigmy, nabian, alpine, boer, other accepted breeds.

The event's Livestock Sale Committee, along with the respective 4-H and FFA superintendents, have the authority to eliminate any animal from the sale that does not qualify in accordance with guide rules.

The judging of poultry, other small animals, and hall exhibits occurs Friday, Sept. 22, prior to the start of the parade.
