PUBLIC NOTICE Social Distancing is strongly urged by Saltillo city officials, therefore the City Park and Ballfield along with North Hill Park are closed until further notice, the walking trails at City Park are still open. River Park will be open to fishing and boat launching only. Officials are encouraging you to use the boat ramp and fishing areas as we want people to enjoy the weather and services provided.

Community news

Eureka

Patsy Gibbs Community Writer 925-3376

This community and our congregation at Eureka United Methodist Church is saddened at the death of our brother in Christ, Clyde Gray, on Monday. This quiet gentle man was an important part of our church family and before that labored at Campground Church. Clyde leaves his wife Ermma, daughter Crystal, son Clint and his wife Brooke and his grandson Eli as well as many relatives and friends. No job was too big or small for Clyde who willingly helped all in the area. He will be greatly missed by everyone.

It is hard to believe one quarter of the year 2020 is gone. April has arrived and spring temperatures are finally here. The seventy plus sunny weekend was great. Even with social distancing it felt wonderful to be in one's own yard and smell fresh mowed grass. I managed to pot a few plants my niece Jill had picked up for me. I even put a tomato plant in a pot. The stormy evening Saturday brought more puddles, but thankfully there were no storms like Arkansas received.

With the dreaded corona virus pandemic spreading throughout the world, every day activities we have taken for granted have ceased to be. Education is at a stand still, sports canceled, theater shut down and businesses slowed to a crawl. Life has certainly been different for most Americans. We are very blessed to live in a rural environment with little cases of the virus. I see people spending time with family and helping each

other when needed. Stay safe and avoid going out unnecessarily.

On Sunday afternoon, I picked up pizza for lunch. I was joined on my back porch by my fifteen year old nephew, Caleb Cunningham, his mom Kathy Carroll and Aunt Sandi Dowling to eat lunch and celebrate his birthday. It was good to see relatives as we kept distance between us and no family hugs.

Telephones are more necessary with offers to assist folks with deliveries and needed items. I talked with my niece Cheryl Aue in Hawaii over the weekend. Cheryl is my late sister's, Thelma Boswell, daughter who is a retired school teacher in the state of Hawaii. We reminisced about the trip my sister and I had made to visit her family in their tropical paradise in 2000. The years have flown by.

I enjoyed reading Grace Hurst's story in the Courier last week about her parents recollection of an influenza epidemic in 1920. People have been lost in several outbreaks of serious communicable diseases throughout history, but yet we are always shocked and scared when it happens. My parents talked many times of the 1918 flu which occurred the year my dad returned from WWI where he served in France. Many whole families were wiped out in this sickness. Here we are again fighting an invisible killer germ.

I was glad to learn from Amanda Stanfill last week she took advantage of the bright sunny day for an outdoor adventure with her children. With no school she loaded the three young ones in the car and drove to our beautiful Shiloh National Park for outdoor hikes on the walking trails. Addie, Owen and Mason enjoyed the exercise and valuable time spent

with family outside.

Happy ninety-first birthday to Lena Earl Stanfill of Crump on April 2. This sweet lady lives next door to my daughter's family and is my grandchildren's great Aunt. They are blessed to have this lady in their lives. Happy birthday to Mary Baker April 7, Cherry Lynn Sullivan April 10, Melinda Bonee April 11, and Bobby Handley April 16. May God bless you all with many more happy birthdays.

With all the time at home, maybe I can do some deep spring cleaning this week. I have several closets needing

Well, there is not much to write about, except what people already know. The rainy weather and the Covid19. I hope everyone is obeying the rules and staying home. I sure want to thank the doctors and nurses and all who may be helping in anyway taking care of all who are in need. May the Lord bless them and keep them well is my prayer.

One thing we can be proud of is beautiful sunshine we saw for a few days. I could hear lawnmowers all around, but not in my yard because the water was still standing. We may have to bushhog mine before it gets dry enough.

I do have some beautiful bushes blooming, if I don't get some weeds pulled I won't

soring and many items discarded This is not pleasant work, but definitely needs to be done.

The words "fear not" appear 365 times in our Holy Bible. Let us "fear not" but use common sense to stop the spread of this virus by practicing good hygiene and social distancing. Our quote for the week is from the gospel of Matthew 6:33 "Strive first for the kingdom of God and his righteousness, and all these things will be given to you as well." Enjoy your home and stay safe in this crisis. God bless us

be able to see them. It will all work out, no need to worry about things like that.

This beautiful sunshine brought out the motorcycle riders. Also some loaded up their bicycles found a trail and enjoyed the ride. Some others saddled up their horses and took a trail ride. They reported a great ride through the forest seeing the beautiful waterfalls and all the other scenery. It was a great day for the ride.

I saw some bumble bees flying around. I guess the warm weather and sunshine brought them out. The trees are all budded out and the green fuzzy stuff is flying around. I washed my porch off and it looked like a green river.

If you have any news you would like for me to write about, please call because my news is short.

Let us all pray for the sick and all the caretakers that this troublesome time will soon be over.

May the Lord bless each and everyone is my prayer.

PUBLIC NOTICE SAVANNAH CITY COMMISSION MEETING CANCELLATION Due to the lack of any essential business matters to be brought before the Savannah City Commission and in response to Governor Lee's Executive Orders plus the recommendation of the Center for Disease Control to practice social-distancing in order to slow the spread of COVID-19, the Savannah City Commission regular monthly meeting scheduled for Thursday April 2, 2020 has been cancelled. Updates on the status of future meetings can be found on the City of Savannah website at: www.cityofsavannah.org

SAVANNAH UTILITY DEPARTMENT PUBLIC NOTICE The City of Savannah Utility Department is requesting that customers refrain from flushing disinfecting wipes and baby wipes into the sewer system. The material used to make these wipes is not readily biodegradable and will result in clogging of gravity sewers and pump stations. We anticipate the increased use of these wipes in our community and ask you to please dispose of the wipes with your solid waste garbage. Your cooperation will help our workers maintain the proper operation of our sanitary sewer system.

NOTICE FROM THE CITY OF SAVANNAH Due to the continued spread of the COVID 19 pandemic Savannah City Hall will be closed to public access until further notice. All Departments are still conducting business and we encourage all of our citizens to call the Savannah City Department you have business with to see if they can help you via phone. BUSINESS HOURS Monday-Friday 9 am-4 pm Saturday (Drive Thru ONLY) 9 am-12 Noon Savannah Utilities Alternate options for paying your bill: Online Service: https://new.nexbillpay.net/cityofsavannahutilitydepartment Bill Pay via Drive-thru & Drop box available at City Hall (Additional hours of operation on Saturday have been added for drive-thru) If you need any forms, we will be happy to email/fax or mail them to you. Please call 731-925-4216 and request them. Savannah Parks & Recreation City Park facilities remain closed until further notice. All activities are suspended until further notice. Savannah Police Department If you need a copy of any reports or have any non-emergency questions please call 731-925-3200. For non-emergencies that require you to speak with an officer please call 731-925-4989. As always if you have an emergency please call 911. Savannah Fire Department If you need a copy of any reports, need a Burn permit, need smoke detectors or have any non-emergency questions please call 731-925-8257. As always if you have an emergency please call 911. Savannah Building & Codes Department If you need a permit or have questions please call 731-925-8007 If you need any further information please visit our website at cityofsavannah.org

NOTICE FROM HARDIN COUNTY SOLID WASTE DEPARTMENT As a safety precaution to protect employees and the public, all convenience center attendants have been instructed not to exit the building to assist the public at this time. They will be on site and if anyone has any questions, they are more than welcome to knock and the attendant will answer through the closed door. We appreciate your understanding and cooperation.

BID NOTICE The City of Savannah Utility Department is now accepting "Sealed Bids" on "10 HP and 20 HP Floating Brush Aerators". Specifications for this equipment may be picked up at the Utility Department Office. Bids must be turned in to: Virgil Morris, Utility Director 140 Main Street Savannah, TN. 38372 Monday thru Friday 9:00 a.m. - 4:00 p.m. Bids will be accepted until April 17, 2020 at 10:00 a.m.

The City reserves the right to reject any and all bids, to waive any and all informalities, and to negotiate contract terms with the successful bidder, including the price, and the right to disregard all nonconforming, nonresponsive or conditional bids. In evaluating bids, the City may consider the qualifications of the bidders, whether the bids comply with the prescribed requirements, alternates and unit prices as requested in the bid form, whether the bidder offers to furnish inferior quality merchandise, materials or labor; bidder's proposal is not in conformity with the specifications; the bidder offers supplies or articles that are not suitable requirements; the bidder's delivery terms are objectively inferior or substantially bids; for any other reasons to justify rejection of said bid. It is the policy of City of Savannah Utility Department not to discriminate on the basis of race, color, national origin, age, sex or disability in its hiring and employment practices, or in admission to, access to, or operation of its programs, services and activities. With regard to all aspects of this contract, contractor certifies and warrants it will comply with this policy.
