

Notice of Destruction of Special Education Records

The Special Education Department of the Weakley County School System has personally identifiable student information that is no longer needed to provide educational services. These records pertain to students who have either graduated or otherwise left the system at least five years ago. These records will be destroyed in accordance with 34 CFR 300.573. If you wish to review your records or your child's special education records or receive a copy of these records, please contact Deborah Perkins, Director of Special Education at 731-364-5554 or write: Weakley County Schools, Special Education Department, 8319 Hwy. 22, Suite A, Dresden, TN 38225.
