NOVEMBER 11TH IS VETERANS DAY

Valor is stability, not of legs and arms, but of courage and the soul.

In times of conflict and in times of peace, the men and women of America's Armed Forces have dedicated themselves to protecting our freedom, our ideals, our security and our way of life for generations. On Veterans Day and every day, we salute America's veterans and military for their courage, their sacrifice and their service to this great country.

Thank You & Happy Veterans Day!

Mike & Joe's Service

We Don't Know Them All But We Owe Them All.

As we take time to recognize the sacrifices of American military veterans of all branches, we are reminded that freedom is not free and we in America owe our freedoms to the men and women who wear our flag on their uniforms.

The second annual American Legion Post 230 Veteran's Day/JROTC Challenge 5K was held on Saturday, Nov. 6, in Stockton. The air was crisp and the sun shined brightly on the well-organized event intended to honor veterans.

Approximately 70 runners, walkers and backpackers participated in the event. 22 members of the Missouri National Guard Transportation Company 1221, Dexter, and 15 members of Scott Tech JROTC, Monett, participated virtually on 5K courses they mapped out at their locations, according to Post 230's Larry Griffin, who coordinated the event.

Volunteers from the organization were present to help with registration, refreshments for participants, providing instructions to the runners and cheer-leading as the runners crossed the finish line.

Proceeds from the race will support the American Legion, the Veterans Community and

children's programs.

A medal ceremony was conducted after all participants had crossed the finish line. The top ten male and female finishers earned medals, Griffin said.

Jordan Albrecht earned top honors again in the male division with a time of 20:52.30. Amanda Ivey earned top honors in the female division with a time of 23:12.56.

Griffin said Stockton, Bolivar and Monett JROTC teams competed for the JROTC traveling trophy. Monett's JROTC team will retain possession of the traveling plaque for another year with an average time of 27:33.40.

Local runners who finished in the medal rounds were: Mark Mason at 21:01, Brian Hammons at 21:19, Adam Rice at 22:15, Jessica Rice at 28:21, Teresa Burns at 34:55, Lori Ilgenfritz at 34:55, Tammy Reed at 36:44, Mary Caswell at 41:08, Lisa Frye at 41:09, and Deb Marshall at 43:54.

"American Legion Post 230 thanks all the active duty, reservists, guardsmen, veterans, and patriotic citizens who

participated," Griffin said. "Post 230 also thanks the Stockton Lake Corps of Engineers staff, all the volunteers, and the many sponsors who contributed to the success of this event. All proceeds from the event will help support the American Legion's veteran, community and children's programs."

Stockton woman looks ahead to WWII Memorial Bridge dedication

By Kathryn Skopec
kathryns@cedarrepulic.com

For years, Karen Grantham (Skiles), Stockton, has scattered self-created dream catchers along Stockton Lake trails and the greater area as a way of expressing hope for her fallen veteran uncles.

Her uncles — Charles Jr. and Eugene Skiles — and their cousin, Garold Skiles, died at Pearl Harbor on Dec. 7, 1941.

Karen is unable to visit Hawaii to pay respects at the Pearl Harbor memorial. But, her efforts at securing fundraising for a bridge dedication in her fallen relatives' names has finally come to fruition.

Now that fundraising has just recently reached its goal, the World War II Skiles Family Memorial Bridge in Richmond will have an official dedication ceremony on June 5, 2022. The cost to dedicate the memorial bridge runs \$3,200 for an application fee and \$500 for flags and ceremony preparation.

"To have a way that I can reach out and honor them for their service means the world to me," Karen said. "God bless you to those who've supported this."

With Veterans Day happening so close to Karen reaching her fundraising goal, she said she feels "over the moon."

Karen said everybody is invited to the dedication ceremony in June next year. Participants are encouraged to bring a U.S. flag.

This bridge will add another honor to what the fallen Skiles men have received: Charles, Jr. and Eugene Skiles were posthumously awarded the American Defense Service Medal, the WWII Victory Medal and the Purple Heart, with the first award coming from President Franklin D. Roosevelt, the other two

From left are Eugene, Charles Jr. and Carol Skiles, young men who died at Pearl Harbor on Dec. 7, 1941. A local Stockton woman, Karen Grantham, is a direct relative of these men and recently secured fundraising to dedicate a memorial bridge in their honor.

honors from President Harry S Truman.

But since the bodies of the Eugene, Charles Jr. and Garold remain entombed in the USS Arizona and USS Oklahoma ships resting on the shallow harbor floor, the memorial bridge will be a special way for the family to give remembrance and to continue the legacy of their sacrifice.

THE ULTIMATE SACRIFICE

A little over 79 years ago, when Grantham's

grandmother and grandfather first heard of the Japanese attacks on Pearl Harbor, they waited for word from Charles Jr., Eugene and Garold, but days passed until a formal telegram from the War Department was delivered to the Skiles family, which stated their sons and nephew were among those service members missing in action.

A week later, the family learned the boys would never come back home to Richmond.

In the early 1940s following Pearl Harbor, Grantham's grandmother, Christina Skiles, began getting involved with veteran's organizations and writing to different members of local, state and federal government to assure herself that her children had not died in vain.

A truly notable response came in late 1945 when Christina Skiles' letter describing the loss her family had suffered reached the desk of President Harry Truman. In Christina's letter, she had one wish that she had not been able to do with her boys: to welcome home a ship of sailors in person.

In response, President Truman personally contacted a Veterans of Foreign Wars post from the Kansas City area and asked post leadership to arrange a trip for Grantham's grandparents to see her family's wish through.

The trip was arranged on Valentine's Day in 1946, allowing the Skiles to fly to San Diego, California, with a Naval Pastor for the return of the U.S.S. Braxton. The crew of the ship had been made aware of the Skiles' presence ahead of time and greeted the Skiles as they arrived at the harbor, greeting the Skiles hugs and gifting Christina with small gifts.

Order memorial bricks now

Submitted by the Veterans' Memorial Park Committee

Every year, the Cedar County Republican honors veterans by listing their names in the Veterans' Day issue. The Veterans' Memorial Park in Stockton provides a space to honor those Veterans in a permanent display of bricks that include their names and service branch information.

We are able to hold the price of the bricks to \$50 each until September of 2022.

The Veterans' Memorial Park is scheduled to have Phase I of the park completed by May of 2022.

If you would like to pay tribute to a veteran, now is the time to purchase a commemorative brick. The area for the brick display is designed to hold a total of 612 bricks. Our initial order of 304 bricks has already arrived. Our goal is to have another order of 100 bricks in time for our opening ceremony on May 21, 2022. You can get brick order forms at Woody's Fast Stop, Alline's Antiques, or you can contact Marilyn Ellis at (417) 276-7826 or Don Hunt at (417) 809-8187.

Teresa Burns, at Alline's, and Marilyn Ellis can make arrangements for you to see an example of a brick if you wish to see one prior to your purchase. Now is the time to order before the price of the bricks increases.
