Time to celebrate!

ECS senior tributes

Submitted by ECS

Brenton LeeMasters

During his time at ECS, Brenton has been involved in many activities and sports; student council president, cross country (team captain), track and field (team captain), male athlete of the year for track and field, basketball (co-captain) and honor so-

ciety.

While visiting with Brenton, we discussed some of his favorite memories: Flying to Orlando, Florida where he stayed a week with his 2022 classmates at the Disney World Resort on his senior trip; the 2019 Weekend Retreat to Ozark Christian College, in Joplin his freshman year... and finally, after a little urging, he

shared that he received the "Congressional Nomination to the United States Air Force Academy."

After graduation, Brenton plans to join the Air National Guard and attend the University of Central Missouri majoring in the professional pilot program. His ultimate goal is to fly for the United States Air Force.

Deonsay McNeill

During her high school career, Deonsay has been involved in many activities and clubs; basketball, volleyball, track and field, honor society and student council. She has been team captain, won MCSAA Conference and State athletic awards and attended Ozark Christian College events.

"I will always remember Track Nationals at Southwest Baptist University, huddling in a corner with Breann and Christian, and the countdown to graduation." Deonsay's favorite memory at ECS: "The Event Retreat" at Ozark Christian College

in Joplin, Missouri.

Upon graduation on May 14, Deonsay plans to attend Kansas State University and obtain a bachelor's degree in nursing.

Eli Daniel

Throughout high school, Eli competed and participated in almost every club and activity. He played basketball (was a co-captain), track and field, honor society, student council and El Dorado Springs FFA.

Eli mentioned his favorite moment in high school was his Worldview Presentation in Christianity Class with Mrs. Wyant and

the ECS lock-in his freshman year. His face lit-up when he talked about Star Wars and Elvis too.

After graduation Eli's plan is Aviation Mechanics and his goal is to open his own business.

Congratulations & God-speed Elisha Loy Daniel.

Juliet Kama

While attending ECS, Juliet was involved in many school activities: volleyball, track & field, golf, student council, Stu-Co executive board, cheer-leading sponsor/trainer and courtwarming queen. Juliet was awarded many MCSAA Conference and state honors in track, golf and volleyball. She also was announced as the 2022 ECHS Student of the Year.

A few of Juliet's favorite ECS memories included her week-long senior trip to Disney World in Orlando, Florida, and the 2021 Spring Christian Retreat at Camp Galilee in El Dorado Springs.

Upon graduation, Juliet's future plans in the fall; attend the University of Kansas in Lawrence to study pre-pharmacy prior to attending pharmacy school.

Congratulations!
